PATRONS OF HUSBANDRY

Eighty-Eighth Annual Session
UKIAH, CALIFORNIA

1960

1960
EIGHTY-EIGHTH ANNUAL SESSION
OF
CALIFORNIA STATE GRANGE
UKIAH, CALIFORNIA

OCTOBER 18, 1960
TUESDAY

REGISTRATION—DELEGATES AND VISITORS

The California State Grange opened its 88th Annual Convention in Purdy Hall at the Fair Grounds in Ukiah at 10:00 A.M., October 18, 1960.

Presentation of State Grange Officers.

State Grange Ceres presented flag.

Opening of Grange in 6th Degree.

Invocation by State Chaplain.

Opening song, 'It's a Good Thing to be a Granger'.

Grange lowered to Fourth Degree.

ROLL CALL OF OFFICERS

Master	J. B. Quinn
Overseer.....	Chester Deaver
Lecturer.....	Emmett Ivey
Steward	John Freitas
Assistant Steward.....	W. G. LaCaille
Chaplain	Leta Littler
Treasurer	Marshall Dopkins
Secretary	Clara Williamson
Gate Keeper.....	William Davis
Ceres	Marjorie Mills
Pomona	Gladys True
Flora	Effie Spencer
Lady Assistant Steward.....	Margaret Saracco
Pianist.....	W. C. Campbell
Executive Committeeman.....	Merle Mensinger
Executive Committeeman.....	J. C. Raines
Executive Committeeman.....	Lloyd V. Piper

Executive Committeeman J. C. Raines absent due to illness.

Worthy Assistant Stewards escorted 94 4th and 5th degree members into the hall, followed by 37 members of Youth Grange, and State Youth Directors, Brother and Sister Carle Fiedler.

Worthy Past Master George Sehlmeier and Sister Sehlmeier were escorted into the hall and introduced by State Master. Past Home Economics Chairman, Mabel Glenn, escorted into the hall and introduced. Brother Elmer McClure, Master of Oregon State Grange escorted to Master's station and introduced.

Program for the 88th Annual Session Read and Adopted**PROGRAM**
CALIFORNIA STATE GRANGE**UKIAH****OCTOBER 18-21, 1960****MONDAY, OCTOBER 17**

- 1:30 PM—Registration, Fair Grounds.
2:00 PM—Home Economics Conference, Purdy Hall.
8:00 PM—Reception, Purdy Hall,
State Grange Officers and State H.E. Committee.

TUESDAY, OCTOBER 18**MORNING**

- 8:30 AM—Registration of Delegates and Visitors, Fair Grounds.
10:00 AM—Opening of the 88th Annual Session, California State Grange—Purdy Hall.
Roll Call of Officers.
Lowering State Grange to Fourth Degree.
Adoption of State Grange Convention Program.
10:45 AM—Address of Welcome:
Honorable Ralph I. Buxton, Mayor of Ukiah.
Address: Joseph Hartley, Chairman of the Board of Supervisors of Mendocino County.
Response by Chester Deaver, Overseer, California State Grange.
Business Session.
12:00 Noon—Recess.

AFTERNOON

- 1:30 PM—Reconvene—Purdy Hall.
Annual Address: J. B. Quinn, Master, California State Grange.
(Open to Public)
State Grange Called to Order in regular session.
2:00 PM—State Officers' Reports.
District Deputies' Reports.
3:00 PM—State Grange Credit Union Committee Presentation, Ray Clow, Chairman; Mildred S. Boyd, member; Jakob Hullen, member.

- 3:30 PM—Address—Leo H. Shapiro, Legal Counsel, California Credit Union League.
 4:30 PM—Grange Credit Union Workshop.
 5:00 PM—Evening Recess.
 5:30 PM—Secretaries' Dinner, Palace Hotel, Masonite Room

EVENING

- 7:30 PM—Reconvene—Purdy Hall.
 State Grange Lecturer's Program, Emmett Ivey,
 (Open to the Public)

WEDNESDAY, OCTOBER 19

MORNING

- 8:00 AM—Home Economics Conference—Ukiah Theatre.
 9:30 AM—Opening California State Grange—Purdy Hall,
 Roll Call of Officers.
 Reading of Journal of Yesterday.
 9:45 AM—Entrance March by Home Economics
 Presentation of California State Grange Economics Fund for Women at Humboldt State College.
 10:15 AM—Nomination—Member of Executive Committee for Constitutional Term—California State Grange
 Invitation for State Grange Convention City in 1962.
 Report—Farmers Insurance Group, Robert Early, First Vice President.
 10:30 AM—Panel Discussion: "Youth In The Grange," Carle Fiedler, Director of Youth Activities, Moderator.
 Introduction of Resolutions Not Submitted to State Grange Office.
 Placing Closing Time for Introduction of New Resolutions.
 12:00 Noon—Recess.

AFTERNOON

- 1:45 PM—Reconvene—Purdy Hall.
 Address: Roy Killgore, President, California Association of Future Farmers of America, North Hollywood Chapter.
 Report—California Physicians' Service, L. Paul Putnam.
 Report—Home Economics, Chairman, Gladys True.

Report—Director of Youth Activities Carle Fiedler.

California Grange News—Booster Barrel, Craig Hazlewood, Jr., Editor.

Report—State Superintendent of Juvenile Granges, Eva Rowe.

Report—Occidental Life Insurance Company.

5:00 PM—Evening Recess.

EVENING

7:30 PM—Reconvene—Purdy Hall.

Exemplification of First, Second, Third and Fourth Degrees, Order of Patrons of Husbandry

Degree—Chairman, H. L. Skinner.

Portrayals:

First Degree: Ralph Hobbs, Captain, Penngrove Grange No. 740, Sonoma County.

Second Degree: Mrs. Lorena Erickson, Captain, Freshwater Grange No. 499, North Humboldt County.

Third Degree: Pauline Ewers, Captain, Ukiah Grange No. 419, Mendocino County.

Fourth Degree: Zed Terry, Captain, Clear Lake Grange No. 680, Lake County.

Closing California State Grange.

THURSDAY, OCTOBER 20

8:00 AM—Lecturers' Conference—Emmett W. Ivey, State Lecturer—Ukiah Theatre.

9:30 AM—Opening California State Grange.

Roll Call of Officers.

Reading of Journal of Yesterday.

Address by National Grange Master, Herschel D. Newsom.

Presentation of Community Service Awards.

Business Session.

11:00 AM—Presentation of the Golden Jubilee Year Plaque by William Moores, Vice President of the Golden Empire Council.

12:00 Noon—Recess.

Delegates and Visitors Assemble in front of Purdy Hall for Official Convention Photograph.

AFTERNOON

- 1:30 PM—Reconvene—Purdy Hall.
Memorial Service under Direction of State
Grange Chaplain Leta Littler.
Grange Called to Order Following Memorial
Service.
- 3:00 PM—Grange Insurance Association of California Meeting.
- 4:00 PM—Secretaries' Conference—Fair Grounds.
Juvenile Building.
Masters' Conference.

EVENING

- 7:30 PM—Reconvene—Purdy Hall.
Fifth Degree, Conferred by State Grange Youth
Degree Team.
Sixth Degree, Conferred by Officers of California
State Grange.
Closing California State Grange.

FRIDAY, OCTOBER 21

MORNING

- 7:30 AM—Men's Breakfast—Ukiah Grange Hall.
- 8:00 AM—Home Economics Breakfast, Mendocino State
Hospital.
- 9:30 AM—Opening California State Grange—Purdy Hall,
Fair Grounds.
Roll Call of Officers.
Reading of Journal of Yesterday.
Reports of Committees.
Actions on Resolutions.
Report—Grangers Business Organization, Inc.,
Paige Harper, Manager.
Report—California Grange News, Craig Hazle-
wood, Jr., Managing Editor.
- 11:00 AM—Juvenile Grange Program, Eva Rowe, Superin-
tendent.
- 12:00 Noon—Recess.
- 12:00 Noon—Lecturers' Luncheon—Redwood Valley Grange
Hall—Emmett W. Ivey, Lecturer.

AFTERNOON

- 1:30 PM—Reconvene—Purdy Hall, Fair Grounds.
Action on Resolutions.

-
- 2:00 PM—Pomona: Home Economics Coffee Hour.
Presentation of State Awards of Merit for exhibits.
- 5:30 PM—Afternoon Recess.

EVENING

- 7:30 PM—Reconvene—Purdy Hall, Fair Grounds.
Business Session.
Installation State Grange Officers.
Closing 88th Annual Session, California State Grange.

Convention Program
California Grange Youth

MONDAY, OCTOBER 17, 1960

1:30 PM—Registration—Fair Grounds.

Visit the Youth Building on the Fair Grounds.

8:00 PM—Reception—Purdy Hall.

TUESDAY, OCTOBER 18

8:30 AM—Registration—Fair Grounds.

10:00 AM—Opening of the 88th Annual Session of the California State Grange—Purdy Hall.

10:25 AM—Entrance of Youth in Main Auditorium.

11:00 AM—Meeting of Youth Committee Advisors, Youth Building.

12:00 Noon—Recess for Lunch.

AFTERNOON

1:30 PM—Reconvene—Purdy Hall.

Annual Address—J. Blaine Quinn, Master, California State Grange.

2:15 PM—Tour—Parducci Winery.

4:00 PM—Youth Conference—Youth Building.

EVENING

7:30 PM—Reconvene—Purdy Hall.

Lecturer's Program.

WEDNESDAY, OCTOBER 19

8:30 AM—Assemble—Youth Building.

Roll Call, Announcements.

9:30 AM—Opening of California State Grange—Purdy Hall.

10:00 AM—Business Session—California State Grange Youth Attend.

10:30 AM—Panel Discussion: "Youth In The Grange".

Carle Fiedler, Director of Youth Activities, Moderator.

Panelists: George Schmidt, Master New Era Grange; Bob Austin, Master, Joshua Tree Grange; Rita Butler, Trinity Valley Grange; Irene Kehoe, Prundale Grange.

11:15 AM—Youth Conference—Youth Building.

12:00 Noon—Recess for Lunch.

AFTERNOON

- 1:45 PM—Reconvene—Purdy Hall.
Address: State President California Future
Farmers of America.
Report: Home Economics Chairman, Gladys True.
Report: Director of Youth Activities, Carle Fied-
ler.
- 2:30 PM—Youth Conference—Youth Building.

EVENING

- 7:30 PM—Reconvene—Purdy Hall.
Exemplification of the First, Second, Third and
Fourth Degrees of the Grange.

THURSDAY, OCTOBER 20

- 9:00 AM—Youth Conference—Youth Building.
Report: "Cal Poly" Conference
Humboldt State Conference.
Shorthorn Project.
Guide Dog Project.
Address by National Grange Master, Herschel D.
Newsom—Purdy Hall.
- 12:00 Noon—Recess for Lunch.

AFTERNOON

- 1:30 PM—Reconvene—Purdy Hall.
Memorial Services.
- 3:00 PM—Youth Conference—Youth Building.

EVENING

- 7:00 PM—Assemble—Purdy Hall.
- 7:30 PM—Fifth Degree Conferred by State Youth Degree
Team.
Sixth Degree Conferred by Officers of The Cali-
fornia State Grange.

FRIDAY, OCTOBER 21

- 8:00 AM—Home Economics Committee Breakfast—Girls
Attend.
Farm Boys Breakfast—Boys Attend.
- 9:30 AM—Opening California State Grange—Purdy Hall.
Business Session.
Report of Committees.
Action on Resolutions.
- 12:00 Noon—Recess for Lunch.

AFTERNOON

1:30 PM—Reconvene—Purdy Hall.

3:30 PM—Youth Conference—Youth Building.

5:30 PM—Youth Banquet—J. Blaine Quinn, Master, California State Grange and Sister Ruth Quinn, Honored Guests.

EVENING

8:30 PM—Attend Final Business Session and Closing of the 88th Annual Session of the California State Grange.

Ralph I. Buxton, Mayor of Ukiah, gave an address of welcome followed by an additional welcome by Joseph Hartley, Chairman of Mendocino County Board of Supervisors. Other members of Board of Supervisors introduced.

COMMITTEE MEMBERS ANNOUNCED BY MASTER QUINN

COMMITTEES FOR 1961 CONVENTION

ELECTIONS

Chairman—Russell Spain, Santa Cruz; Kenneth Greene, Ranchito; J. H. Alexander, Springfield; Robert E. Arnold, Long Valley; Floyd E. Davis, Humboldt County. Charles Lee.

CONSERVATION

Chairman—Ed Howell, North Humboldt; Justus Borchers, Butte County; George Ingram, Shasta; Vern Kief, Antelope Valley; H. M. Center, Martinez.

GOOD OF THE ORDER

Chairman—Vayne Ralston, Siskiyou; Wm. Bragga, Two Rock; Thomas Eide, Marina; Samuel Neilsen, Dinuba; Ralph M. Emery, Morgan Hill.

LEGISLATION

Chairman—Elmo Ward, San Joaquin; Wm. Waters, Stanislaus; Kenneth Bley, Siskiyou; Wm. F. Gillett, San Benito; Harleigh Gallup, Riverside.

ROADS AND HIGHWAYS

Chairman—S. E. Rafter, San Diego; E. C. Kimberley, Tehachapi; Joseph Marsh, San Mateo; Jesse Smith, Merced; Frank Brothers, Central Union.

EDUCATION

Chairman—Ulyuss G. Rose, San Bernardino; Jess Mitchell, Ramona; Pansy Froom, Klammath Valley; Rawley Hill, Ventura; Ione Miller, Eel River Valley.

AGRICULTURE

Chairman—W. L. Hepworth, Sonoma; Rolin Eslinger, Tehama; Charles Newsome, Farmersville, George Hoogeven, Mojave Valley; Raymond Armstrong, Live Oak.

Telegram read from National Master, Herschel D. Newsome, announcing death of Brother Taber, Past National Master.

WESTERN UNION TELEGRAM

1960 Oct. 16 PM 4 58

Washington, D. C.
Mr. and Mrs. J. Blaine Quinn,
2101 Stockton Blvd., Sacramento, Calif.

Regret Sunday passing Brother Taber. Funeral two o'clock Tuesday Fairchild and Meech Funeral Home. Interment service eleven o'clock Thursday, Friends Meeting House, Barnesville, Ohio. Family requests no flowers. Memorial contributions may be made American Friends Service Committee, 20 South 12th Street, Philadelphia, or to Taber Memorial Fund, First Methodist Church, Syracuse.

Herschel D. Newsome, Master

GREETINGS FROM MAYOR McKINNEY OF SACRAMENTO WELCOMING 1961 CONVENTION

WESTERN UNION TELEGRAM

1960 Oct. 17 AM 9 45

Sacramento, Calif.
California State Grange in Session, Mendocino
County Fair Grounds, Ukiah, Calif.:

Greetings from Sacramento and best wishes for a successful conclave. Sacramento is looking forward to hosting your group in October, 1961.

James B. McKinney, Mayor, and Bert Geisreiter.

Address by Brother McClure, Master, Oregon State Grange.

Recess for lunch, 11:45 A.M.

TUESDAY AFTERNOON

Reconvened at 1:30 P.M.

State Master surrendered his station to Overseer Chester Deaver.

State Master gave his annual address.

MASTER'S ANNUAL ADDRESS

This City of Ukiah in the Redwood Empire of California is most fitting for the gathering of those dedicated to the principles and practices of the Grange. Many precedents have been shattered in the 11 months since our meeting in Long Beach during November, 1959. Time marches on, and in these days of lightning changes, those who do not keep abreast of the march of events are left behind. The California State Grange owes its existence to the efficient, independent family farmer, and our task is to dedicate our lives, energy, and fortunes to keep this practical and necessary ideal a reality.

It is a never ending battle to keep these independent men and women on their land—every known trick and device is used by those who would trample on a way of life, to hypnotize the general public in their sponsorship of corporate agricultural installations—a reversion to feudal Europe of 100 years ago.

AGRICULTURE

Man lives a few minutes without air, a few days without water, and has been known to exist with a fast of forty days; but the production of food and fibre is still the basic occupation of the two billion humans who inhabit this planet.

Man has ever tried to by-pass the laws of nature and economics, and in all known instances has caused more havoc than good. We are now witnessing the tragic results of years of support prices on certain agricultural products—the piling up of billions of dollars worth of surplus commodities with no safeguards as to proper limitations on the total amount allotted to any one producer—storage costs on these supported commodities mounting to over six hundred million dollars yearly. This has expanded the operations of large land-owners and is gradually forcing out of business the efficient independent farmer it was originally intended to assist.

Common sense indicates these unworkable support prices without limitation should end, and in their place a system of compensatory payments that will enable efficient, independent farm owners to take their place along with their brothers in industry and professional life with some degree of equality. ALWAYS, with a definite limit on the amount any one operation can receive in any 365 day period. Instead of limiting acreage, place the amount of compensatory payment on Bushels, Pounds, Bales, and Tonnage, clearly spelled out.

Naturally, this will bring howls of anguish from operators who have been fattening on the taxpayers during these years of the free ride.

When the President and Congress of the United States have the courage to sponsor legislation of this kind—then we may be on the road to some semblance of order in agriculture.

This plan is no cure-all and is not perfect, but it is far more sensible than the present system, and would restore the agricultural and economic balance that is fast getting out of control. This plan should be implemented on a flexible basis, with changes in amount of compensation from time to time as the need developed. Then with National and State Marketing Acts, in a period of years, when production came in line with consumption, these direct compensatory payments could be released.

In 1937, the California Marketing Act was put into operation by legislative action, largely through sponsorship of the California State Grange, it has served its purpose well and could be the pattern for National Legislation.

The President of the Chicago Board of Trade, Mr. Robert C. Liebenow, announces that present support prices are unworkable, and the only logical method to get back to normalcy in agriculture is for reasonable compensatory payments direct to agriculture producers, with a limit. Mr. Liebenow is a hardheaded businessman, and he sees the damage the present system of support prices has done to the independent farmer, and is realistic enough to know that this loss of buying power in the American Market can never be made up with large corporate interests with the usually indifferent help, largely with Nationals of another nation or migrant workers.

LABOR STRIFE IN AGRICULTURE

The threat to orderly production and harvesting of California's three billion dollar agricultural output must not be ignored. We take the position that the present labor strife is an indirect result of greed on the part of large landholders who brazen their way with unlimited expansion of all farm products, with little heed to supply and demand. Naturally, they depress the market for all similar products and force the independent producer to seek the cheapest labor supply available in order to get enough out of their year's effort to keep above board. This forces wages for farm labor down below those of any other scale in the American nation.

The day the agricultural producer can take his place along with the organizations that process his products, the transportation agencies that haul them, the wholesalers who distribute them, and the retailers who sell them to the American public, and, like them, get a fair return on his investment and labor—then and then only will he be in the same dignified position as his fellow men, and he will not quibble over the price paid to those who assist him in growing and harvesting his output.

This is the main answer to the labor question, and when the producer will unite as all his suppliers are united, as all the people who process, distribute, and retail his products are, as all the organized workers who make up this distributing system; and calmly and rightly demand a decent return, labor unrest as far as his operations are concerned will be reduced to a minimum.

True, for a limited time there may have to be some system of licensing, to prevent the unnecessary entry of gigantic operations into agriculture. Ponder the present professions and see how they limit the entrance of additional members—the Federal Government limits the establishment of banks or branch banks unless it can be shown there is need for these additional services. Down the entire line of practically every form of business and professional life there are limitations on the entrance into these fields. Agriculture asks nothing different than is accepted practice in other lines of endeavor.

CALIFORNIA STATE FAIR, DISTRICT AND COUNTY FAIRS

California's three billion dollar agricultural output is graphically portrayed at the California State Fair and the various district and county fairs throughout the State. In practically all areas, these annual district exhibits would be drastically curtailed without participation of California's close to four hundred Pomona and subordinate Grange booths, individual exhibits, and Juvenile Grange cooperation. The management of these fairs throughout the State are happy to endorse the Grange support and participation.

These District and County Fairs contribute much to the education and enlightenment of its 15 million citizens by stimulating interest in its farms, fields, forests and natural resources. The California State Grange is proud and happy to support and perpetuate these necessary expressions of California natural wealth.

Every citizen who values the continuance of these regional fairs should make their wishes known to legislators, Fair Boards and State agencies and insist they be kept alive to further stimulate and improve agricultural leadership in California.

The annual Grange Day luncheon at the California State Fair is a recognized institution and each year attracts hundreds of guests to enjoy an expression of Grange fellowship and appreciation of the influence and stability of our Order. This luncheon is made possible by the various Home Economics Clubs of Sacramento County, and is a tribute to the devotion and efficiency of this vital portion of Grange activities.

The Grange Hospitality Booth, this year under the supervision of Sister Gladys True, State H. E. Chairman, was ably staffed by her corps of dedicated assistants—the arrangements were original and refreshingly beautiful.

A tribute to the Juvenile Exhibits under the forceful leadership of Sister Eva Rowe, the present Juvenile Superintendent, ably assisted by Sister Jane Johnson. The awards were difficult to select, due to the uniform excellence of all these youngster's exhibits. The well deserved cash awards should increase their participation in the years ahead. An expanding future is assured with Sister Rowe's able guidance.

Recognizing the inner man's necessity for nourishment, the Grange Food Corral, under the able sponsorship of the Sacramento County Pomona Grange, supplied palatable food, as only the Grange HEC women know how to serve—clean, delicious, reasonably priced and healthful. More power to these determined, dedicated women.

EDUCATION

A certain sense of satisfaction may be taken by the California State Grange in that an editorial in the Grange News in December, 1959, calling attention to the serious defects in our first nine years of basic school training was recognized by the Committee on Primary Education in their recent report and recommendations on necessary improvements in California schools. This committee, headed by Robert Gordon Sproule, practically word for word endorsed the position taken by the Grange in that we must turn to the basic elements in education and leave the frills, if used at all, until later years. Every Grange member is responsible for insisting that a realistic course of study be adopted by their respective school districts—only by concerted action can our educational system be restored to its needs.

School districts have become over-burdened with administrative offices, in many cases overlapping one another—the education of the pupils has been relegated to a minor role, and instructors have scrambled for administrative positions at the expense of needed instruction. School budgets have been thrown out of balance and wasteful practices have snow-balled until the money spent on actual instruction is way below its necessary level. Only by insistent demand that the schools be required to expend their funds contributed by the taxpayers to proper instruction of the pupils will our educational system perform the task designed for it. Constant vigilance is needed to keep active interest in all school matters to see that suitable citizens are elected to Education Boards and that all school personnel be informed that extravagance in any form is on the way out. When this condition is restored to our schools, then the tax dollar will begin to reflect in proper education, true efficiency will govern.

AGRICULTURE COURSES IN HIGH SCHOOLS AND COLLEGES

A threat to independent agriculture is posed now by the alarming tendency in high school districts throughout the State to abandon agricultural instruction. The recent demand for more emphasis on science has panicked many school boards, and in their haste they have abandoned agricultural instruction. This is unsound—and every thinking citizen realizes the need for expansion of all scientific instruction, but not at the expense of nature's basic need, food and fibre. There is ample room for both necessary agricultural courses, as well as scientific instruction. Every Grange member, as well as every citizen, who has regard for the preservation of agriculture, should make their wishes known to all school boards, Superintendents of Instruction, that to abandon scientific instruction in agriculture is to invite disaster—with three quarters of the world's two billion inhabitants going to bed hungry every night. This is no time to abandon instruction in improving the production and output of food. Only by determined action now will many agricultural courses in our high schools be saved.

LEGISLATION

The Grange is not in partisan politics, but to ignore the proposed amendments to the California State Constitution at the coming November election would be disastrous. The Grange News has published the intent of the entire fifteen

propositions and urges members to study them carefully. Proposition Number 1 has been explored in other sections of this message, as well as by the supplemental brochure.

Equally important is proposition Number 15, the so-called Reapportionment Plan of the State Senate. This measure, if approved, would upset the present system of checks and balances so wisely used in the Federal Government since the Constitution was adopted—it gives the centers of population their proper majority in the House of Representatives, and the area representation is equally safe-guarded in the United States Senate.

The system in the Assembly and State Senate of California has been observed since Statehood and is sound, logical representation—it keeps the proper perspective in California State Government.

The centralization of power in both branches of California's Legislature in the hands of politicians in its most populous city would create bitterness, sectional differences, and would eventually cause a division of California into two separate States.

We urge the membership to register their protest against this attempted grab of power by certain City Political Bosses.

HOME ECONOMICS COMMITTEE

Sister Gladys True, the State HEC Chairman has taken the leadership maintained so ably by Sister Mabel Glenn during the previous years. Sister True assumed her duties with vigor, optimism, and intelligence. She has the ability to enthuse her assistants with her energy and resourcefulness. True, the Grange that is blessed with a working HEC is an expanding and successful Grange. We look for increasing horizons under the leadership of Sister True.

GRANGE INSURANCE

The Grange Occidental Life Insurance Plan is steadily gaining in favor—prudence suggests that every member who can, avail themselves of this remarkably low-priced protection. A six month premium of \$23.00 for a single member, and a figure of \$27.50 for a family for protection up to 70 years of age is so reasonable that it should be investigated by the entire membership. It is just what the policy states, Term Insurance, but is a valuable supplement to prudent providers for their families. We recommend this type of protection to California State Grange members.

Also there is the Grange Compensation Insurance policy.

open to all Grange members engaged in agriculture. Members hiring help of any kind are responsible for injury while they are at work. This valuable protection has saved many of our members costly expenses for injured employees.

Granges, both Subordinate and Pomona, should avail themselves of the protection of Compensation Insurance. This will afford protection when a member is performing some service for the Grange. Liability coverage by the Grange will not provide protection for members in such cases—this is done through compensation insurance.

Liability policies are available to Granges with attractive rates—this policy covers all visitors to Granges, including members from other Granges, but not for their own individual members. These policies may be secured with varying amounts of personal liability and property damage. Some Granges, we understand, are paying relatively high prices for these compensation and liability coverages—we strongly recommend that each Grange inquire as to the favorable rates through Farmers Insurance Group representatives or through the Farmers Group offices direct.

GRANGE MEDICAL PROTECTION THROUGH CALIFORNIA PHYSICIAN'S SERVICE

This is a medical service provided for members of the California State Grange. We consider it the most comprehensive medical, hospital and surgical protection available to the present Grange membership.

As outlined many times previous, when the plan was adopted by the California State Grange in 1947 the three-bed ward in most hospitals cost \$6.00 to \$8.00 per day—now the same room generally is from \$22.00 to \$25.00 per day. Other medical expenses have increased accordingly.

For members now without medical protection, we urge they investigate the provisions of the California Physicians' Service contract with the California State Grange—it is the only contract of its kind that has no age limit. If your Grange has no literature on this valuable form of medical protection, write to the State Headquarters in Sacramento for details.

GRANGE FIRE INSURANCE

The Grange Fire Insurance Association was formed in 1916 by the members of the California State Grange, under its sponsorship with a special charter that is enjoyed by just one other organization of its kind. In its 44th year of operation, it provides fire insurance coverage to California State

Grange members only—with headquarters in Sacramento and agents generally in all parts of California. We urge the membership to avail themselves of the savings afforded by the Grange Fire Insurance Association.

These insurance benefits form some of the many reasons why membership in the California State Grange continues to be a privilege that should be guarded by all who enjoy its protection, fraternalism, and actual financial savings.

GRANGERS BUSINESS ORGANIZATION

This valuable and necessary arm of the Grange still reflects the farsightedness of its members and officers who piloted its course during troubled times. Now firmly entrenched, with a widely expanding petroleum program, with its headquarters store in Sacramento next to the Grange headquarters building, it provides genuine service and savings on farm needs. During its life it has returned to its purchasing members far in excess of one million dollars in savings.

Members fortunate enough to live within the trading area of Sacramento know its advantages. We urge all members whenever possible to visit the headquarters and personally see the savings from which they may benefit.

In most areas of the State the petroleum program can be gainfully used by Grange members. Those interested should contact the Grangers Business Organization headquarters at 3823 "V" Street, Sacramento 17, California. Under the management of Paige L. Harper, the Grangers Business Organization looks forward to still greater service and savings to the Grange.

TAXATION

Reams of paper and tons of newsprint are consumed each day relative to taxation; but little is done to curb the ever-mounting mania for all governmental bodies depending on tax funds to steadily and relentlessly increase their expansion. California, with its mounting population, seemingly faces an uphill fight to maintain expenditures within tax collections. As long as citizens demand new and increased services, taxes will continue to mount. The day the taxpayer insists on strict economy in government, with no overlapping services and a determination to abolish all useless and frivolous expenditures, then and then only will a return to sanity be approached. No vital and necessary functions of government should be curtailed, but we have long since de-

parted from the basic principle of representative government—the protection, education and safety of its citizens.

Every Grange member in California should take an increased interest in its tax levying bodies, its elected representatives, and demand from them honesty, efficiency, and a realization of their responsibilities. It is not yet too late to restore order in Government spending, and the Grange can lead the way.

COMMUNITY SERVICE

It is gratifying to see the increasing number of Granges each year participating in National, State, and local Community Service projects. In reality, Granges should recognize their right to exist depends largely by the measure in which they help serve their communities. In this respect, Granges with smaller memberships usually can assist their communities far in excess of the percentage of their numbers. It is to be hoped that in the future each of the 350 subordinate Granges in California will take an active part in community betterment projects—since its inception in California in 1873, this has been one of its foremost objects. We commend those public-spirited members who keep the fires of community interest burning. The thought of performing services with no expectation of reward is the height of Grange ideals, the very hope that inspired the seven founders of our Order—they builded better than they know.

ROADS AND HIGHWAYS

The ever increasing use of the highways for commercial transportation, and individual use, together with the largest registration of motor vehicles in the Nation, creates knotty and vital problems for the entire State of California.

In the zeal to construct more freeways, we must recognize the feeders to our freeways, the access roads, and the improvement of highways removed from the main north and south as well as east and west highways across California.

Millions of California motor vehicle owners prefer to use less crowded highways throughout the State and Grange members should take interest in their local, County, as well as State, plans for improvement of roads. See that the budgets include funds for the proper upkeep and improvement of necessary roads removed from the freeways. This will not only relieve stress on the main arterial highways, but in a large measure promote safety for California's eight million motor vehicle owners.

Grange members should unite in demanding that highways be routed so as not to divide or ruin existing farm operations. Many ill-planned highways have ruthlessly removed valuable farm lands from the tax rolls by condemning property that could have been saved by judicious highway planning. Enough pressure by a roused citizenry will preserve many present farm lands from future extinction.

SAFETY IN THE HOME, FARM, AND ON THE HIGHWAYS

In spite of all crusades, the slaughter on the highways continues to mount. Improved highways and automobiles tantalize some motorists to speed-craze. Grange members can promote safety by respecting all travel and highway regulations, by encouraging safe and sane driving, by refusing to allow anyone to take the wheel of any motor vehicle owned by them unless the driver is competent and will observe the laws of courtesy. Every automobile owner has a definite stake in highway safety—automobile insurance rates are fast approaching a confiscatory figure, each accident raises the cost of annual insurance premiums. A marked reduction in accidents will be reflected in lower automobile insurance rates. Strict enforcement of all traffic regulations should be demanded by all citizens, and the elimination of chronic traffic violators from the highways may be the ultimate answer to reducing the ever mounting accident losses.

GRANGE CREDIT UNIONS

Members were saddened by the death of Brother Charles Busick, who for years so faithfully headed the California State Grange Credit Union Committee.

Now, under the chairmanship of Brother Ray Clow of Sacramento, ably assisted by Sister Mildred Boyd of Fresno and Brother Hullen of Napa, members can look for continued intensive and aggressive expansion.

Grange members can be proud that California boasts more Grange sponsored Credit Unions than any State in the Union. The education and spread of the value of Credit Unions for Grange members should continue.

Not only are Grange sponsored Credit Unions valuable for their loans to members, but as an investment source they are steadily proving this fact to those with funds to invest, or with a desire to create an Estate Loan. We urge the membership generally to acquaint themselves with this valuable arm of the Grange.

MEMBERSHIP

The past six months, from December 31, 1959, to June 30, 1960, shows a net membership gain of 496. This, while conservatively modest, is a real step in the optimistic direction, and is comforting. We should not rest here, the agricultural situation in California and the Nation demands the best brains and vigorous leadership to insure the survival of the Grange's ideal, the efficient, individual family farmer. In some areas, Granges have stood still in membership, and younger minds have been neglected. This is the lifeblood of the Order, new and vigorous membership to participate with present members and to take up the burden of future leadership. This goal is the vital need of the Grange, to interest more agriculturally minded people to join hands with us to perpetuate the God-given right of man to till his own soil under his own roof-tree, and not to be replaced by immense corporate installations reminiscent of feudalism in Europe over 100 years back.

We look to the future of the California State Grange with optimism, and feel that the already upsurge of interest will bring the desired results, the growth and expanding influence of the Order of Patrons of Husbandry.

WORLD AFFAIRS

The continued ominous trend of world affairs impresses on the minds of all members the tensions now rampant in practically every continent. Millions of people, long exploited and dominated by predatory interests, have risen against their former masters, and most of them, tragically, are not ready for individual, free government. This requires almost superhuman patience, guidance, and understanding by the World Powers who are interested in the freedom of humanity. Our Nation, with the help of its citizens, can lend an understanding hand to those peoples emerging from ignorance and poverty to help them chart their course toward a better life. In so doing, though, let us remember that there is room for improvement in some sectors of our own economy. We read in the press of entire communities literally being starved out by unemployment due to shut-downs in mines—where intelligent leadership and ingenuity might process coal at the mine portals so that it could be converted into developing needed electric energy for distant areas. In our own State we see the effects of corporate agriculture on the economic, social and moral life of entire communities—substandard living, degrading environments, all under the guise of modern agriculture. When the thinking people of

California, led by the Grange, demand an end to this ruthless exploitation of humans in the name of Corporate Agriculture, then we may point at others who have kept millions of people in serfdom. Let us clean our own house first, and then help the rest of the world do likewise.

CALIFORNIA'S WATER PROBLEM

Tied with this address is the brochure on California Water problems—this issue is so vital that it practically transcends all matters before the California electorate.

The California State Grange still stands on the principle that Federal construction and operation of dams on the Feather River will more adequately serve California than the present so-called State Water Plan.

The present condition of the Bond Market, the inconsistencies and undefined areas of the proposed State Water Bond Act, make it dangerous to California's economy to embark on a venture that even sound financial underwriting houses have guardedly approved—then with reservations that the proposed one billion seven hundred fifty million dollar bond issue definitely will not be enough to construct the Oroville Dam and the canal systems—that it would probably take double this amount to complete this one feature. This is on today's costs, and inflation might bring total expenditures still higher.

California's credit is already being strained in the financial markets of the Nation, and this additional burden might bring a collapse in marketing all other securities from the communities in the State—a serious threat to the stability of the entire financial structure of California. From all indications, the probable cost of the water in the proposed State Project would be far beyond the reach of most agricultural installations to use it without its being heavily subsidized. This would have to come out of the General Obligation Bond revenues. The thought of subsidizing several million acres of land in the western side of the Central Valleys to large corporate interests is shameful to perpetrate on the fifteen million taxpayers of California.

It is to be hoped the voters of California will reject this proposed State Water Bond Act until the legislature has thoroughly investigated and discussed its objectionable features. There is need for water conservation in California, but it will be far better for the entire state to ponder for a year over these multi-billion dollar expenditures than to sponsor the present unworkable proposal.

CONSERVATION

After years of neglect and exploitation of our fields, forests, and streams, we have awakened to the need of conservation of natural resources.

Our existence as a Nation demands the conservation and scientific approach to greater returns from the land. Careless disregard for the productivity of our soil could relegate our Nation to a secondary place in the world—always remembering that Soviet Russia has a potential agricultural capacity to out-produce the United States by a ratio of two to one. This demands that every acre of our land be preserved, by conservation, proper fertilization, intelligent crop rotation, and soil replenishment. All the more need for an increasing number of our young people to seek careers in the conservation and improvement of our land resources.

The rapid march of cities, placing millions of acres of some of the most productive soil in America into miles and miles of pavement and dwellings strikes an ominous note—conserve that land which is left that it may not only feed our increasing millions, but help provide food for the expected one billion increase in the population of Asia alone by 1980. The mark of a good Grange member will be the interest and actual help given to proper soil conservation. The Grange is proud to support and encourage Soil Conservation, both on a State and National level.

STATE GRANGE YOUTH ACTIVITIES

With two dedicated members, Brother Carle Fiedler, Director of Youth Activities, and his wife, Katherine, the youth activities of the California State Grange assume added responsibilities and value.

It would be fortunate if every member in California could witness the Spring Youth Conference at California Polytechnic College, as well as the Mid-Summer Conference at Humboldt State College in Arcata. It is amazing the breadth and depth of the accomplishments of these young people, who are being so ably trained for places of leadership in our Granges, as well as leaders in their communities.

Brother and Sister Fiedler are contributing almost around the clock concentration of their time and energies to expand the activities of the Grange Youth.

The day each Subordinate Grange or, when impractical for Subordinate Granges, then from the Pomona Grange level, sponsor and assist active Youth Groups to participate in Grange activities, then we will have achieved at least a portion of the goals for the future. The future of the Grange

depends on present training of these young people—the promise of the principles of our Order being preserved for future generations.

JUVENILE GRANGES

No less important than the Youth groups are the Juvenile Granges under the wise and refreshingly stimulating guidance of Sister Eve Rowe, the present Superintendent of Juvenile Granges. Visitors to the California State Fair caught a glimpse of the achievements of these lively youngsters in their exhibits at the Grange Booth. Sister Rowe has a wealth of ideas, and from the increased interest already apparent the Juvenile Granges look forward to an expanding future.

It is recommended that all Subordinate Granges, whenever possible, take steps to form Juvenile Grange groups. The rewards in the training and guidance of these young folks will more than repay the time and effort—another reason to justify the existence of the Grange.

CALIFORNIA GRANGE NEWS

This voice of California agriculture has reached such stature that it is now recognized as one of the most widely read and respected rural publications in California.

With pardonable pride, its financial position continues to strengthen, much to the admiration of many of our sister State Grange publications. It stimulates interest in Grange happenings throughout the State, and its special editions such as Conservation, State Fair, Education, and other feature issues have gained National commendation.

Craig Hazlewood, the Managing Editor, and his efficient staff are to be congratulated on their increasingly valuable contribution to the advancement of the California State Grange.

IN MEMORIAM

The test of an organization is the manner in which it respects the memory of those who have departed after serving faithfully through the years. It is comforting to know that in all instances Granges pay reverent tribute to their loved ones. As long as this is kept a permanent portion of Grange procedure, then our Order has reason for survival. Many dear ones are absent at our councils this year, and it is fitting that we pause during our deliberations to respect their memory.

MUSIC IN THE GRANGE

Music supplies that unknown ingredient in our Grange ritual and procedure that makes it so distinct and compelling to our members. Every Grange should encourage the development of musical talent, more especially in the younger members—in this mass-production music age, parents sometimes neglect the priceless gift of their young ones being given the ability to produce suitable music not only in the home, but in our Grange, and in all walks of public life.

A Grange without music is difficult to maintain—let every member dedicate their aims toward providing and increasing the musical development amongst all its members—its rewards will be beyond measure in the enrichment of our lives.

AIR AND WATER POLLUTION

The increasing spread of health-destroying air pollution now so prevalent in the crowded centers of California's populace is causing growing concern, and to one traveling the entire State can see it spreading through all densely populated areas. The same is true of the pollution of streams, rivers, lakes and the beaches of California.

This is a threat to the very existence of the health and growth of the State and the time to stop its spread and in some measure undo the already serious damage is right now.

Corrective steps should be taken to curb the fumes now poisoning the air; and severe measures be taken to remove the discharge of life-destroying chemicals and residue in the rivers, lakes and ocean shores of this State.

By immediate action and a determined citizenship, these dangers to life and our very existence can be eliminated—the Grange can take the lead in wholesale cleaning-up of this menace.

GOOD OF THE ORDER

Many important milestones in Grange life have occurred in the past year. One outstanding feature was the dedication of the National Grange Headquarters Building in Washington, D. C., June 29, 1960. It was officially dedicated by the President of the United States, with the National Grange officers and most of the State Masters and their wives in attendance. The 11-story building, close to the White House, is a fitting monument to the Grange, dignified and modern as tomorrow, it gives the National as well as State Granges a stature not heretofore attained.

Granges in California continue forward—many Grange halls have been dedicated in the past year. Three new

Granges have been organized, Aptos in Santa Cruz County by Deputy Russell Spain; Loma Rica in Yuba County by Deputy C. Wesley Reed, and Garden Valley in Santa Barbara County by Executive Committeeman and State-Wide Representative Jackson C. Raines. We congratulate these new members of the California State Grange and encourage them in their labors. Several additional fields for Grange expansion are in process of organization, and this is a necessity for progress—constant and steady growth.

Truly, the privilege of membership in the Grange is to be taken seriously and to be cherished for the fellowship it provides.

The Grange will not stand still—eternal vigilance is the order of the day—every one of its forty-five thousand members in California can look to the future with confidence only as they do their part in maintaining the principles and practices of our Order. With this motto ever in mind, the future is ours.

WHAT PRICE WATER?

Water Policy of the California State Grange

Historically, the California State Grange has endorsed the Federal Construction of key water and power dams in California. This sound reasoning has resulted from years of study and acutal performance of the wise provisions under which Federal Reclamation Laws are administered.

Millions of dollars of new taxable weath have been creaeated by the economical distribution of water and electric power. Entire communities in California, particularly those on the east side of the Great Central Valleys, are a living demonstration of the efficiency and advantages from every standpoint of this system of multiple-purpose dams.

This East side of these Central Valleys, boast of thriving cities, modern schools and public buildings, energetic and efficient independent family sized farms. All of this is possible under Federal Projects and the protection they afford the family farm.

As a comparsion, examine the Western side of these Valleys, in Kern and portions of Kings, Tulare and Fresno Counties, where the large corporate operations are centered. Here you see the disadvantages of Corporate type agriculture. Miles and miles of agricultural operations, few schools, very few homes, business housess and towns of a secondary nature. But you do see barracks for seasonal

laborers of another nation and the shabby shacks of migrant workers. Compare the total retail sales, school population, and taxes collected by city, district, county, state and nation with those of a corresponding area on the East Side. The difference is startling. Yet some supposedly thinking people try to justify corporation type of agriculture as the proper way for farming in California.

If this corporate type of farming generally was in operation now on the East side of the Central Valleys, 90% of the business houses would be gone, 90% of the banks would be inoperative, 90% of the schools would be vacant, 90% of the farm houses would be without families, and what about tax collections! They would drop to figures almost unbelievable.

Instead of happy, independent farm homes, thriving business houses selling the products of American Industry. you would have barracks for Nationals of another nation, migrant workers' quarters and a busy life, as we now see it, gone.

Who can justify a form of agriculture like this? Yet among farm organizations in California today, the California State Grange is alone in fighting for the survival of this type efficient, independent family farm home.

In every public hearing, the California State Grange stands firm for the continuation of the family sized farm. This is not sentiment; it is naked, economic good sense. Without the independent, efficient family sized farm, revenues of California would be seriously affected. The remaining millions in California would be called on for still higher taxes to take care of the billions of dollars of taxes each year. The city dweller has a big stake in the welfare of the independent farmer, if for nothing else than to keep his already prohibitive taxes from going still higher.

Proposed California State Water Plan and Bond Issue On the November 1960 Ballot

Proposition No. 1 to be voted on in the November elections is the result of too hasty action on the part of Governor Brown and the State Senate and Assembly. Instead of a carefully conceived plan of financing and engineering the so-called "Plan" was rushed through the 1959 Session with definite promises that a Special Session of the Legislature would be called in 1960 to iron out its inconsistencies. This Special Session was not called and Governor Brown cannot explain his refusal to back up his promises.

Had the so-called "Empire Builders" in California, representing the immense landholders, kept out of the picture, suitable Water and Power dams would already be 60 to 70 per cent completed on the Feather River, built by the Federal Bureau of Reclamation. There still are drawings and prospectus of various dams on the Feather River in offices of the Bureau of Reclamation.

When the State of California moved into the picture of Feather River development, the Bureau of Reclamation stepped out. This was an expensive day for the entire fifteen million citizens of California. Due to selfishness of large, corporate interests, water development was halted, largely because under limitations of the Federal Bureau of Reclamation standards they could not reap millions of dollars for their immense acreages.

In the areas to be served by the proposed \$1,750,000,000 general obligation bond issue to appear on the November ballot, here is a list of a few larger landowners:

Kern County Land Company.....	343,000 Acres
Tejon Ranch Company (Los Angeles Times interests).....	168,000 Acres
Southern Pacific Company.....	201,000 Acres
Standard Oil Company.....	218,000 Acres
In addition, other private and corporate holdings of 1000 acres or more, total.....	
Government Land.....	192,000 Acres
Other property under 1000 acres, including all city, county, and state subdivided land or 31 per cent of the total.....	
	1,242,000 Acres

This area roughly extends on the Western side of the San Joaquin Valley from the Grapevine near Wheeler Ridge in Kern County northward to approximately Los Banos. All of the land is located on the Western side of the Central Valleys.

A glance at the above figures shows who will profit most by the spending of this multi-million dollar venture by the State of California.

At a meeting of the California Water and Power User's Association in Sacramento on January 30, 1960, Mr. William Gianelli, who then was the Hydraulic Engineer for the State Department of Water Resources for California, told the anticipated water costs under the State plan:

Western side of San Joaquin Valley, from San Luis Reservoir to the Tehachapi Tunnel.....	\$15.00 to \$26.00 per acre foot
--	----------------------------------

Coastal areas, San Luis Obispo, Santa Barbara Counties.....	\$20.00 to \$22.00 per acre foot
Western branch, Ventura County.....	\$45.00 to \$50.00 per acre foot
East branch, Antelope Valley, San Bernardino and Riverside Counties.....	\$70.00 per acre foot

These figures show that in most instances, all waters passing thru the proposed San Luis Reservoir under the proposed State Water Plan would be priced far in excess of the amount most general farming crops could pay.

In March 1960, a pamphlet called the Feather River Water News, issued by the State Department of Water Resources, published a paragraph to the effect that the 2,750,000 acres in the Mojave Valley in San Bernardino and Los Angeles Counties were eagerly awaiting the formation of Water Districts to receive the proposed Feather River Water. We ask Mr. Banks to tell the people of California just what crops will afford \$70.00 per acre foot for irrigation water—possibly petunia seed, opium poppy or orchids?

But the State Water Bond proponents are nothing if not versatile. Lately they have proposed that water for irrigation purposes will be subsidized to the farmer and the difference charged to municipal, domestic and industrial users. If you take \$15.00 per acre foot as the maximum lands in the Mojave Valley can stand for their crops, then for every acre foot of water subsidized at \$15.00 per acre foot, this means \$55.00 per acre foot has to be added to the original cost price of \$70.00 per acre foot for the non-agriculture users, making a total of \$125.00 per acre foot. This is something for the potential water users to ponder.

Several times during the past year the Los Angeles Times editorially has stated that the prohibitive price of the proposed State Project water must be "equalized" to aid the "poor Kern County Farmer". The Los Angeles Times Interests have around 168,000 acres in the area to be served by the proposed State Water Canal. No further comment necessary. Any corporation owning 168,000 or more acres naturally would be interested in having their irrigation water "equalized" at the expense of California taxpayers.

The Federal Bureau of Reclamation announced a figure of \$7.50 per acre foot for water deliveries for irrigation purposes from the Federal waters that are to be impounded in the proposed San Luis Reservoir. The lowest estimates

we have heard of tate Water out of the same reservoir is \$12.50 per acre foot, at canal portals.

This plainly shows that owing to the greed of large land owners, the smaller farmers in the path of the proposed State Water line will be forced to pay \$5.00 per acre foot more for water out of the same Reservoir as the Bureau of Reclamation users will pay. This is the pattern of the large landholders. They care little for the welfare of anyone or anything but their own interests.

The State Department of Water Resources repeatedly has played down or repressed all engineering or financial reports that were unfavorable to its plans. Recently the firm of Dillon, Reed and Company reported on the financila features of the proposed tate Plan. They celarly stated the proposed \$1,750,000,000 Bond issue would not be sufficient to complete the State plan, advising construction of the Oroville Dam should be postponed to a later date. Even with this elimination, there were doubts if the present State estimates were high enough.

The Dillon, Reed report further states that at the present level, the bonds could no doubt be marketed, providing that NO GREAT AMOUNT OF ADDITIONAL CALIFORNIA GENERAL OBLIGATION BONDS WERE ISSUED. Is the State Department of Water Resources so naive as to think the entire State of California with its rapidly expanding cities and towns will automatically cease issuing general obligation bonds because the State is trying to market a multi-billion dollar series of Water Bonds?

Anyone conversant with the present financing problem of the State Treasurer's Office in California knows the increasing difficulty in repeated attempts on the part of the State to market already issued Bonds in the bond markets of the nation; and as well, the growing difficulty of finding satisfactory buyers at reasonable rates to absorb the present State offerings. There are offerings from all parts of the State of California from its county, city and districts available every day. The State already has authorization for \$700,000,000 worth of Bonds approved in June 1960 by the voters.

The truth is, the State of California is rapidly exhausting its premium in the bond markets and serious difficulties may be ahead with unbridled issuance of General Obligation bonds.

In the financial section of the Los Angeles Times of July 15, 1960, a report by Barron's, the financial weekly, warns California not to over play its hand in wild issuance

of General Obligation bonds. It is well worth reading—bearing in mind it was published by a newspaper that is using every effort at its disposal to shove these proposed bonds down the throats of the voters of California.

Common sense indicates solemn thought should be given before hastily approving another \$1,750,000,000 bond issue to further depress an already sensitive market for California bonds.

The recent report by referee Simon Rifkind in the Colorado River Water apportionment was embraced by the State Water people as proof that a crash developemnt of the Feather River was paramount. Let Mr. Banks, Governor Brown and the members of the State Department of Water Resorces read the debate between the City of Los Angeles, the Metropolitan Water District and the State Department of Water Resources after the Rifkind Report. They all contained in recent press dispatches from the Los Angeles Daily papers.

Both of these Southern California water agencies state clearly they did not expect to use much of the proposed State Feather River Water until 1960. This did deter the State Department of Water Resources and all who will benefit financially from this venture from sounding panic buttons and alarms that all Southern California would be out of water and the only salvation was a crash construction of the proposed State Water facilities. The year 1990 when these two large Southern California agencies expect to use this proposed State Water is 30 years removed—not too much cause for panic today.

Attention is called to the battle in the United tates Senate in 1959 and more recently in the House of Representatives in the spring of 1960 when the Federal authorization for the San Luis Project was approved. In 1959 through the help of Senators Wayne Morse and Paul Douglas, the large landholders in California wer blocked in trying to drive an opening wedge in the Federal 160 Acre Limitation clause. As usual, the California State Grange was the only farm organization in California fighting for the independent farmer. The large landowners and their hirelings were defeated. In the closing June 1960 Session of the House, this same issue came up, in H. R. 7155 and it took every ounce of diligence and fight to again defeat the efforts of the large landowners who tried to write the same crippling wedge in the Federal 160 acre limitation.

Large landowners had lobbyists working around the clock in Washington, D. C. and even after the legislation

~~~~~

was approved by both House and Senate, they flooded the White House with telegrams demanding that the President veto the bill. This is the pattern of these interests. They never let down. It is something to be thankful for that there are still men of courage and vision in the Senate and House who are not cowed down and in fear of these powerful financial interests who would by-pass every law and statute not to their liking.

At a recent meeting of the State Department of Water Resources in Sacramento, the question of agreements between the State of California and the Bureau of Reclamation were discussed. The State Director of Water Resources was asked if the Sisk Bill H. R. 7155, as approved by the President, with the objectionable paragraph 7 eliminated, was to his liking and he regretfully remarked that he was very much chagrined by this elimination; but that the State Department of Water Resources was using every effort at its disposal to see that the provisions of paragraph 7, eliminated in the Congressional legislation, was by some manner incorporated in the agreement with the Bureau of Reclamation. This is the pattern of these people. They will deliberately thwart the legislative action of the highest legislative body in America; try to by-pass legislation signed and approved by the President of the United States in order to appease the big landowners they fear. This is the kind of people who are determined to brazen their way through even legislative action—for one purpose only—to further increase their attempted stranglehold on California agriculture.

This is not the end of their propaganda. It has been extended to our schools and colleges with their press agents and lobbyists. They have gone so far as to try to hypnotize instructors in Agricultural Schools, Government agencies, both State and Federal, into their way of thinking, that honest farm labor is "Stoop Labor," beneath the dignity of an American boy. They would deliberately degrade necessary farm labor, discouraging young people from staying on the land—with one possible exception. It would, in their opinion, be satisfactory for the youth to become an employee of corporate installations. But "Stoop Labor" is for the Nationals of another nation and when these Nationals are unavailable, then migrant workers. This is stark, plain fact in California in the year 1960.

These corporate land owners and their apologists would revert American agriculture to the pattern of Feudal Europe of 100 years ago, under the guise of modern agriculture.

We believe the people of California will wake up to this threat to the existence of efficient, independent family farmers. The crisis faces California right now and will be speeded up materially if voters approve this \$1,750,000,000 State Bond Issue without safeguards against the unrestricted use of State impounded water by gigantic corporate installations.

The California State Grange hopes the thinking people of California will reject this proposed State Bond Issue and allow the 1961 Session of the California Legislature to openly debate the issues involved and place before the voters at another election their findings.

Also it is reasonable to hope the Federal Government can be called into the picture to construct necessary facilities on the Feather River and finance the entire construction of the proposed San Luis Reservoir. This would properly tie in the Feather River water with the already successful and beneficial Central Valleys Project of the Bureau of Reclamation. It would not only save the taxpayers and farmers of California, sums that will run into billions of dollars, but provide a more efficient and equitable distribution of its cost. It will in addition, protect the efficient, independent family farmer which still is the backbone and keystone to a proper way of rural life as well as to bolster the economic stability of the rest of California.

## **STATE OFFICER'S REPORTS GIVEN OVERSEER**

**WORTHY MASTER, OFFICERS AND MEMBERS OF  
THE CALIFORNIA STATE GRANGE:**

It seems only yesterday we were in session in the city of Long Beach, California.

Nonetheless, another year has passed, and we find ourselves again assembled in this lovely city of Ukiah for our 88th convention.

Reviewing the accomplishments of the past year, and considering the problems facing agriculture which affect the economy of our country, we find that progress has been made in many phases of last year's program.

In my visits to the various Granges I have observed great interest in the current problems of their communities and the country at large. This interest is also further indicated by the many resolutions presented at this convention.

I am confident that the Delegates and members, after careful consideration of the resolutions before us, will close this 88th State Grange session with an objective program upon which even greater progress can be made.

In conclusion, let me say that it has been a pleasure, indeed and honor to have served as your Overseer for the past year. The many fine people that I have met, and the courtesies extended in my visits to the Granges, shall never be forgotten.

Wishing you a pleasant and fruitful convention,

Fraternally,  
CHESTER DEEVER.

---

### REPORT OF THE LECTURER

This year of 1960 has been one of Enthusiasm to those of us in the Lecturer's office and our enthusiasm has I know, spread to many other members of the Grange throughout the entire state. Attendance at Grange meetings has shown a decided increase and reports show a definite gain in membership. Some of this increased attendance and gain in membership is a direct result of the work of our Lecturers.

It has been my privilege to attend more than 100 Grange meetings and functions in every part of the state this past year and I am grateful to all of you for your invitations to visit with you. One of the objectives of the program this year is to stimulate visiting with other Granges. Many of our Granges carried on an active project in this respect, and I am sure benefited greatly for it.

In January, Lecturer's scrolls were sent to all Lecturers for their installation. This project will again be repeated this year, excepting that the scrolls will be sent to all Deputies for distribution.

One hundred and fifty-eight subordinate and twenty-two Pomona Lecturers received certificates for prompt reports last year and to date 168 Subordinate and 29 Pomona Lecturers are eligible for this award for this year's reports.

In March and April, thirteen district conferences were held in various locations throughout the state. 205 Lecturers or 52% attended one or more of these conferences. In addition 461 members also attended making a total of 666 representing 246 Granges. This was a substantial increase over the attendance of last year. Participating in this

program were Deputies, District H. E. Chairmen and Lecturers and I would like to extend my appreciation to all of them for their excellent cooperation and service. I would also like to thank all the Granges who invited us, to meet in their halls, and for the excellent lunches they prepared for us. These conferences, I feel, were successful in their objective and should become a permanent part of the Lecturers projects.

Five hundred National Grange song booklets, "Lets All Sing" were sent Granges who had requested them. A Lecturers column appeared in each issue of the Grange News during the year and will be continued next year. 1800 six and seven page bulletins were mailed to all Granges during the year as a quarterly project. I have received more than 500 letters requesting material and information and other general subjects and have answered most of them as soon as possible, after receipt.

Participation in several of the contests in the Lecturer's work resulted in the following:

Highway Safety Essay Contest:

- 1st. John Braun, age 15, Sunnyvale Grange 416.  
Awarded pin and \$15.00 check.
- 2nd. Velma Mae Sutliff, age 16, Fort Bragg Grange 672.  
Awarded pin and \$10.00 check.
- 3rd. Ralph Perry, age 14, Sonora Grange 705. Awarded pin and \$5.00 check.

Cash awards were presented by the Automotive Safety Foundation of America.

Brother Braun's essay was forwarded to the National Grange and was selected by the judges as winner of the Regional VI contest, for which he received a \$100.00 U. S. Savings Bond. These awards have been presented to each winner in their own Granges.

The State Talent contest will take place tonight during the Lecturer's program and the State Quartette contest will be held during the Lecturer's conference on Thursday morning at 8:00 A.M. at the Ukiah theater.

A catalog list of all books in the Lecturer's library have been sent to all Lecturers. 27 new books were added to the library this making a total of 252 books in this library. 141 loans were made to Lecturers and most books have been returned. 111 Granges contributed to the support of the library providing \$1.00 each, and there is now a balance of \$64.95 in the fund. A financial report has been forwarded to the Executive Committee.

The Art contest which is now on display in the H. E. Building will be judged this week by a selected and qualified expert and certificates will be awarded for all classes.

I am confident that the Lecturers of our Subordinate Granges will contribute an even greater effort in this year ahead of us. The many Booster Night programs I have attended these few months are evident of the progress made and an indication of future activity. To improve our qualities of leadership will be our objective for this year to come and to enthuse our membership with their responsibilities and cooperative efforts will be our goal. So that all of us working together may have faith in the future.

Fraternally submitted,  
EMMETT W. IVEY, Lecturer

## STEWARD

WORTHY MASTER, OFFICERS AND MEMBERS OF THE CALIFORNIA STATE GRANGE, GREETINGS:

It is with great pleasure that I greet and serve you from the Stewards station.

As this 88th session of the California State Grange convenes, problems confront not only American rural life, but our national economy as well.

Resolutions dealing with many subjects will be considered by the delegates. Before this delegate body are not only resolutions dealing with legislation and economic questions, but likewise some which are of great importance to the grange itself.

The all important question of Water Conservation and Power Development will be before the delegate body.

I am confident, that when the gavel falls and the 1960 State Grange Convention ends, a program will have been adopted, which will be sound and constructive, not only as far as water development is concerned, but also to protect the interest of the home-owning farmers of California.

In closing, I wish to thank all the Granges for their invitations to their installations, hall dedications, social affairs and etc. My very best wishes to every one for a pleasant and successful convention.

Fraternally submitted,  
JOHN B. FREITAS, Steward,  
California State Grange

---

## ASSISTANT STEWARD'S REPORT

TO THE OFFICERS AND MEMBERS OF THE CALIFORNIA STATE GRANGE:  
GREETINGS:

I am again honored to serve you at another State Convention. It is always a real pleasure to be with such a wonderful group of people. I was able to attend the dedication of two new Grange Halls this year, and have taken part in the third, fourth, and fifth degree work in my county of San Diego this past year.

My greatest wish at present is that this be a pleasing and successful convention, and I shall do my best, in my own small way, to make it so.

Fraternally,  
BILL LaCAILLE,  
Assistant Steward

---

## CHAPLAIN

WORTHY MASTER, OFFICERS AND MEMBERS OF THE CALIFORNIA STATE GRANGE, GREETINGS:

With pleasure I greet you from the Chaplain's station and present to you a report from this office. A very busy year has passed since the last convention and it has been one of continuous activity in and for the Grange work.

I have been called upon many times to perform duties appertaining to my office as Chaplain, and I deem it a privilege to work in His service of ministering to others.

Several times I have been guest speaker on various programs, and have represented the Grange on the Farm Reporters News Broadcast, on Station KNX.

It has been a pleasure to greet you from the Chaplain's Corner in THE GRANGE NEWS, and I appreciate your letters and comments on the articles I have written.

A great deal has been accomplished this past year in welfare service, with combined efforts and wonderful cooperation from this special committee. The Sunshine Mission at 2600 So. Hoover St. in Los Angeles has been furnished with new carpet, Venitian blinds, drapes and a Wurlitzer Electric Organ, also a monthly donation of food and milk is given, besides clothing and baby layettes. The Grange is given credit for this great humanitarian work, and it has been rewarding indeed to each and every one who assisted with the project.

The principles of hope, faith and charity are exercised by the Grange in establishing peace, prosperity and harmonious relationships. Therefore, each and every one must do their part to strengthen the Order and increase its influence by exemplifying in our daily lives the precepts for which we stand. As this delegate body considers the many resolutions placed before them, may their decisions reflect the Grange standard of truth and justice for all. May we seek divine wisdom, exercising tolerance, confidence in the right, and understanding compassion for each other.

Fraternally submitted,  
LETA LITTLER, Chaplain,  
California State Grange

## TREASURER'S REPORT

WORTHY MASTER, OFFICERS AND MEMBERS OF THE  
CALIFORNIA STATE GRANGE:

GREETINGS:

With the passing of another year and another milestone down the journey of Grange progress in our Golden State of California, I am proud to present to you from the treasurer's office the following report. These figures will show our financial standing of the California State Grange at the close of the fiscal year on September 30, 1960.

## 1960 ANNUAL REPORT CLARA WILLIAMSON STATE GRANGE SECRETARY

WORTHY MASTER, OFFICERS AND MEMBERS OF  
THE CALIFORNIA STATE GRANGE:

It has been my pleasure to serve you again as State Grange Secretary.

Subordinate Grange membership has shown an increase this past year. It is my hope that we continue to grow in the year ahead.

California, through the efforts and cooperation of the Subordinate Grange Secretaries has had a 100% report to the National Grange for the fiscal year.

I extend greetings to this 88th Annual Convention and Best Wishes for a successful session.

The following report has been duly substantiated by a Certified Public Accountant.

### MEMBERSHIP

The report to the National Grange for the June 30, 1960 quarter reported a membership of 44,198—in 346 Subordinate Granges. All Granges reporting. Greenhorn Grange No. 384 being the largest in the State with 444 members.

Pomona Grange membership for the same quarter, showed a Pomona membership of 12,749 members in 47 Pomona Granges.

Butte County Pomona Grange No. 16 again reports the highest Pomona membership in California, with 785 members. Sonoma County Pomona No. 1—2nd with 709, Santa Clara County Pomona No. 4—3rd with 561; San Luis Obispo County Pomona No. 27—4th with 537; Stanislaus County No. 21—5th with 530.

Juvenile Grange membership on June 30, 1960—reported 549 members—32 Granges reporting.

### GRANGE HALL DEDICATIONS

Five Grange Halls were dedicated the past year by State Grange Master J. B. Quinn, making a total of 209 Grange Halls dedicated to date in California.

A check for \$50.00 from the California State Grange was presented to each of the following Granges at their Hall dedication ceremony. Calaveras Grange No. 715 Calaveras County; Orchard City Grange No. 333 Santa Clara County; Gazelle Grange No. 380 Siskiyou County; Fowler Grange No. 481 Fresno County; Alpine Grange No. 665 Los Angeles County.

### CERTIFICATES OF AWARDS

Certificates were awarded to all Secretaries qualifying by making prompt and efficient reports to the State Grange.

### NEW GRANGES

Three new Granges were organized in California during the past fiscal year.

Aptos Grange No. 800—organized April 6, 1960—in Santa Cruz County by District Deputy, Russell Spain.

Garden City Grange No. 801—organized May 31, 1960—in Santa Barbara County by Jackson C. Raines, Statewide Representative and State Grange Executive Committee Member.

## GATEKEEPER

WORTHY MASTER, OFFICERS AND MEMBERS OF  
THE CALIFORNIA STATE GRANGE, GREETINGS:

It is a great pleasure to extend to you greetings and very best wishes from the station of Gatekeeper.

May this 88th session of the California State Grange meeting here in Ukiah be one that will stimulate the Grange interest to those who are here for the first time and will give those that have attended before a more active part in Grange affairs.

We have before us this year a very definite part in our National, State and Local affairs to participate in. Always keeping in mind the Grange principals to do our best for the common man.

I am here to serve you and help anyway I can to make your part in this convention a most enjoyable one.

I wish to thank all the Granges for the invitations during the year and their kindness shown to me during the illness of Sister Davis during the last Convention.

Fraternally yours,

WILLIAM J. DAVIS, Gatekeeper,  
California State Grange

---

## CERES

WORTHY MASTER, STATE OFFICERS, DELEGATES, BROTHERS AND SISTERS OF THE GRANGE:

It is with great pleasure that I attend these Annual Grange Sessions greeting old friends and acquaintances and meeting new members of our great order.

With so much turmoil and unfriendliness in the world it is truly wonderful to meet in peace and fraternity and harmoniously discuss, and act on, measures for the good of all.

I wish to thank the many Granges who have invited me to their special affairs and sincerely regret that I could not attend all.

I deem it a great privilege and honor to serve you as Ceres and know the deliberations of this session will prove to be forward looking and successful.

Fraternally submitted,  
MARJORIE MILLS, Ceres,  
California State Grange

---

## POMONA

WORTHY MASTER, OFFICERS, MEMBERS OF THE CALIFORNIA STATE GRANGE, GREETINGS FROM THE OFFICE OF POMONA:

Once again it is my pleasure to greet you from my office while you are attending this 88th Annual Session of the California State Grange. During this past year I have made so many new friends and have had the pleasure of meeting again many old ones. It has been a wonderful year for me and I hope that it has been the same for all of you.

Fraternally submitted,  
GLADYS TRUE, Pomona

---

## FLORA

WORTHY MASTER, STATE OFFICERS, AND MEMBERS: GREETINGS TO ALL FROM MY OFFICE OF FLORA

I am truly sorry I could not attend all the invitations I received from the Grange throughout the State. I am truly thankful to all who sent them and I am truly grateful to Bro. Myron Keesling and Bro. Paul Kelly for their assistance and to all the ladies for their part in the 6th Degree Floral drill.

I wish to thank the members for the confidence that you have placed in me to fulfill my office to the best of my ability. I love flowers, and to me, the members are the flowers of the Grange. Also the blossoms bring out the best in all of us. So may we as Floras, always keep a few blossoms at our stations, even though artificial sometimes. They enhance the beauty of our halls and may brighten someone's life.

Fraternally submitted,  
EFFIE SPENCER, Flora,  
California State Grange

---

## LADY ASSISTANT STEWARD

WORTHY MASTER, OFFICERS, DELEGATES, BROTHERS AND SISTERS OF THE STATE GRANGE. GREETINGS:

For many months I have been looking forward to the

pleasure of attending this 1960 State Grange Convention. To meeting again all the good friends, and to the honor and privilege of again acting as your State L. A. S.

I wish to thank the Brothers and Sisters for the many cards, invitations and kind wishes during the past year, and to wish all a most happy, enjoyable and successful 1960 Convention.

Sincerely and Fraternally,  
MARGARET SARACCO,  
Lady Assistant Steward

---

## PIANIST

WORTHY MASTER, OFFICERS, AND MEMBERS OF  
THE CALIFORNIA STATE GRANGE.

GREETINGS from the Station of your State Grange  
Pianist:

It is a pleasure to entertain you at these Conventions. I really enjoy every minute of it. I am looking forward to entertaining you Thursday evening just before the Degrees take place.

Each Grange should have music of some sort each meeting.

If any of you have a favorite song you would like to hear, just let me know, and I will try to oblige. I am here to serve you.

Your song is in this piano, all I have to do is to try and get it out.

Thank you for your invitations to the celebrations at your Grange halls, sorry I couldn't attend them all.

I wish to thank Sister Katherine Fiedler for marching the State Officers to their stations this morning. A good job, well done.

Respectfully submitted,  
BILL CAMPBELL,  
Your State Grange Pianist

Motion made by North Humboldt Deputy, Harry Jones, seconded by Santa Cruz County Deputy Russel Spain, and adopted by the delegation for the District Deputy's reports and minutes of the Executive Committee meetings to be printed in the Journal of Proceedings and not read at this time.

---

**EXECUTIVE COMMITTEE MEETING****Wilton Hotel, Long Beach, November 13, 1959**

Meeting was called to order by Worthy Master, J. Blaine Quinn.

The minutes of the last day's session were read. Moved by Brother Piper, seconded by Brother Mensinger, the minutes of the last day's session be accepted and printed in the Journal of Proceedings. Carried.

Meeting adjourned 12:30 A.M.

Respectfully submitted,  
CLARA WILLIAMSON, Secretary

---

**MINUTES OF THE CALIFORNIA STATE GRANGE  
EXECUTIVE COMMITTEE****December 11, 1959**

The meeting of the California State Grange Executive Committee was opened by State Master Quinn, presiding. Brothers Piper, Mensinger and Raines present.

The By-Laws of the Grange Insurance Association were discussed. The Committee reached the decision that they wished the Fire Insurance Association in the same relative position with the California State Grange as the present arrangement is being carried out with the Grangers Business Organization, Inc.

California Physician's Service was discussed. State Master Quinn presented a current case, i.e., Isaac Dixon, CPS No. 421 91 95, which it is hoped will be submitted to arbitration in the near future. It was decided that a more effective presentation before the Grange membership should be worked out.

Samples of work being done by the mechanical copying machine now on trial in the State Office were presented to the Committee. The need for the machine was recognized. Motion by Brother Raines, seconded by Brother Mensinger that the State Grange be authorized to purchase a suitable copying machine. Carried.

Brother Mensinger moved, seconded by Brother Piper, that the proper signature cards for safe deposit, compensation account, and other necessary signature cards, be signed by State Master Quinn. Carried.

The Committee approved the purchase of either a suitable second-hand filing cabinet or a new cabinet. Motion made by Brother Piper and seconded by Brother Raines. Carried.

Dr. Carle Fiedler is disturbed by the confusion caused by his being termed Youth Committee Chairman, when the presiding Officer of the Youth Group is designated by a similar term. Brother Raines moved, seconded by Brother Mensinger, that Dr. Carle Fiedler be designated officially as DIRECTOR OF YOUTH ACTIVITIES FOR THE CALIFORNIA STATE GRANGE. Motion carried.

State Master Quinn advised the Committee that Sister Michalk, the present State Superintendent of Juvenile Granges, has declined to serve after December 31, 1959. The name of Sister Eva Rowe of the Whitesboro Juvenile Grange No. 130 at Albion, Mendocino County, be considered as a possible successor. Sister Rowe will be at the State Office on December 19, 1959, for interview. The Committee decided it would not be necessary to call them for this interview, and suggested that the State Master make the selection.

The subject of the successor to Sister Mabel Glenn, State HEC Chairman, was discussed. State Master Quinn submitted the name of Sister Gladys True. She is intelligent, tactful, has good qualifications and will get along well with people. The Committee approved the selection, effective January 1, 1960.

The State Grange Office Christmas Party checks for employees were discussed and the Committee approved the following: Those of the Staff with over one year's tenure, \$10.00; those under one year tenure, check for \$5.00.

A letter dated December 9, 1959, from E. L. Jenkins, Group Service Representative of the Occidental Life Insurance Company, was read. He attached to his letter a questionnaire directed to San Bernardino County Grange members for their views on the present Term Life Insurance contract with the Occidental Company. It is designed to get the member's views to help determine the general plan to be adopted, and vigorously presented to the members in an effort to stimulate further participation. It was moved by Brother Piper that the proposed questionnaire be sent to the members. Seconded by Brother Mensinger. Carried.

Another letter from Allan A. Martin of Sacramento, dated December 3, 1959, was read. Mr. Martin now has group life insurance with employees of the Grange News and wanted to enlarge the scope of all the StateGrange per-

sonnel in the State Grange office. The Committee suggested the State Master obtain rates and other necessary information on the plan for the Committee Members to consider before any action be taken.

State Master Quinn gave a brief resume on the National Grange Convention in Long Beach, as to their Grange Building Program, budget, California Grange Monthly and other items. The National Grange has adopted a building debt retirement project, whereby each member (around 780,000) will contribute \$1.00 to the debt retirement on the Headquarters building now under construction in Washington, D. C. This project will be presented to the Deputies at their meeting on December 12 and 13 for their reaction. Brother Raines gave the thought that some Granges in California may decide to make this \$1.00 contribution per member as a project. He suggested that the National Grange should recognize the gift and commend the Granges and individual members who contribute, by a certified or some other suitable form of recognition. The Committee was of the opinion that if individual Granges in the State wish to make the retirement of the National Grange headquarters building debt a project or program, it would be agreeable. Material for participating in this project is now on hand at the State office, and will be mailed on request to Subordinate or Pomona Granges.

The organ and hair wreath bequeathed to the State Grange, and now in storage at Paso Robles was discussed. The Committee agreed that the State Master be authorized to have the organ and hair wreath brought from Paso Robles to the State Headquarters in Sacramento.

The present lawn sweeper used by the Gardener has worn out and past the point of repairs, so Brother Raines moved that the State Grange purchase a suitable lawn sweeper. Seconded by Brother Piper. Carried.

The State Master told the Committee the trees on the curbing in front of the building needed trimming. In addition, the cornice in front of the Headquarters Building should be examined by competent people, as it appears to be loosening. The Committee approved of the Master taking steps to repair the cornice and to arrange for the trees to be trimmed.

Regarding the present status of the California Water and Power Users Association, and the proposed 160 acre limitation petition, the total expense of printing, circulation and other necessary outlay would run up to around \$70,000.

Information relative to the California Water and Power Users Association is published at intervals in the Grange Deputy Letters, and special requests for individual contributions by Subordinate and Pomona Granges were solicited. Brother Raines requested that Brother MacBride make his request for funds in more brief forms instead of such lengthy letters.

Resolutions received at the State office were read: Los Angeles Harbor Area Grange No. 744—That members requesting hearings before Committees at the State Grange Conventions be limited as to the time allowed for each individual. This will be presented at the next State Convention. Ripon Grange No. 511—That the San Joaquin Telephone Company provide service between the communities of Ripon and Manteca as one unit so that the expense of toll calls between these two places be eliminated. Suitable action by the State office will be taken on this resolution.

Sacramento Juvenile Grange No. 150 recently applied for a permit to hold a rummage sale and paid the fee of \$1.00 to the State for a temporary permit. This will necessitate their paying the customary sales tax on the proceeds. The Committee suggested that the Juvenile and other Granges in the Sacramento district refrain from these projects.

Sister Gladys True appeared before the Committee and wished an expression as to continuing the present arrangement for \$1.00 to the State H.E.C., in the applications for membership initially signed by a Sister of the Order. The Committee approved and the arrangement will be carried on throughout the year 1960.

Brother Raines brought to the attention of the Committee that he was of the opinion the members of this Committee and the State Master should receive copies of the minutes of the Board Meetings of the Grangers Business Organization.

The proposed Lecturer's Conferences for the year 1960 was presented to the meeting under a letter and outline from State Lecturer Ivey. Brother Raines read to the Committee some of the expenses incurred from former district Lecturer's conferences held in 1959. Motion by Brother Piper and seconded by Brother Mensinger that the Committee accept the State Lecturer's program for 1960 conferences, as presented. Carried.

Brother Hazlewood of the Grange News appeared and requested approval by the Committee for joining the Sac-

ramento Advertising Club, whose dues are \$15.00 per year. Brother Mensinger inquired as to whether he would be obligated to the Club, and Hazlewood replied "No." Brother Raines moved the Committee authorize the Grange News to obtain a year's membership in the Sacramento Advertising Club at \$15.00 per year dues. Seconded by Brother Piper. Carried.

There was discussion regarding the change in the partnership agreement with the members of the firm that prints the News. The Committee recommended that we continue the present arrangement with the firm.

The financial statement of the California Grange News for the month of October 1959 was presented to the Committee and filed.

The Committee approved of two \$10.00 Christmas checks and one \$5.00 Christmas check for the Grange News employees. Brother Mensinger moved that \$25.00 be paid the salesman of the News who work on a commission basis. Seconded by Brother Piper. Carried. Request for \$10.00 a month increase in salary for Grange News employees Marilyn Davis and Ellen Walrath was approved. Motion on the above was made by Brother Mensinger and seconded by Brother Raines. Carried.

The question of State-Wide Representatives for the California State Grange was discussed. State Master Quinn felt that there should be one in the Southern, one in the Central, and one in the Northern areas.

Since Brother Mensinger would not be able to attend the Deputies Conference, the State Master reviewed the membership gains and losses for the quarter ending September 30, 1959.

The question of safe keeping for the vital records of the Grange was again discussed, and it was moved by Brother Raines that the State Master be authorized to consult with a reliable building contractor as to the construction costs of a fireproof vault either inside or outside the Headquarters Building. Seconded by Brother Mensinger. Carried.

State Master read a letter from Kirtley MacBride requesting an increase in salary. Brother Raines moved his salary be raised \$25.00 per month. Seconded by Brother Piper. Carried.

The Committee approved the suggestion of the State Master that Brother Penner of the Grange Fire Insurance

Association be requested to speak before the Deputies Conference on December 12th.

Motion made by Brother Mensinger and seconded by Brother Piper that the California State Grange authorize Brother George Sehlmeier to purchase a 1960 Custom Chrysler New Yorker automobile, a model similar to the 1958 Chrysler now being driven by him. The depreciation on the 1958 Chrysler to be borne by the State Grange as in former years. Motion carried.

Rotary Club dues in the amount of \$60.00 per year were discussed by the Committee members. Brother Raines moved that the California State Grange pay for the membership in the Sacramento Rotary Club for the year 1960, and take Brother Quinn's recommendation at the end of the year (1960) to determine if it is beneficial to the California State Grange. Motion seconded by Brother Mensinger. Carried.

The resolution from Lookout Grange, concerning changing of their annual dues, was signed by the Committee.

The subject of Brother Sehlmeier being assigned the position of Legislative Counsellor for the California State Grange was discussed and Brother Raines moved that Brother Sehlmeier as legislative counsellor shall act under the direction of the State Master and Executive Committee. Seconded by Brother Piper. Carried.

A public reception in Wisteria Hall, honoring Brother and Sister Sehlmeier, Sister Mabel Glenn and presenting to the people of the State, Brother and Sister Quinn, Sister Gladys True, was discussed. Motion by Brother Raines and seconded by Brother Mensinger that this be carried out. Motion carried. Sisters True and Glenn will arrange the details.

Committee members approved check for salary due George Sehlmeier from November 1, 1959 to November 15, 1959, be issued.

There being no further business, the meeting was adjourned at 4:45 P.M.

Respectfully submitted,  
ELIZABETH J. BRUEGGER,  
Secretary to the State Master

## MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE

January 12, 1960

State Master Quinn presided at the meeting of the California State Grange Executive Committee Tuesday, January 12, 1960, in the State Grange Headquarters Building. Brothers Lloyd V. Piper, Merle Mensinger and Jackson C. Raines were present.

State Master Quinn gave a resume of his discussion on January 11, 1960, with Treasurer Marshall Dopkins. The treasurer's report for the period October 1, 1959, to January 11, 1960, was reviewed. The procedure to be adopted in the routine of the treasurer's records was approved by the Committee.

State Secretary Williamson reported on the General Fund, Extension Fund, Wisteria Hall Fund, General Fund on Interest, and Student Loan Fund.

Paul Stewart, the newly elected President of the Grange Insurance Ass'n., 1315 - 18th Street, Sacramento, paid a short visit, and was introduced to the members of the Committee.

California Grange News Editor Hazlewood presented copies of the Grange News financial report to the members. The suggestion of earlier payment of the printing bill for the Grange News was discussed and it was moved by Brother Mensinger and seconded by Brother Piper that the Grange News arrange for a two percent discount for payment within ten days of the printing bills. Motion carried.

Hazlewood requested the Committee approve a professional photograph of State Master Quinn be obtained because of the many requests throughout the State. The Committee approved.

Group Life Insurance for Grange News employees was discussed. Moved by Brother Piper and seconded by Brother Raines, that the Grange News change the present form of Group Insurance to the present Term Policy of the Occidental Life Insurance for the present employees of the Grange News. Motion carried.

Editor Hazlewood also presented a retirement plan of insurance for Grange News employees. The Committee suggested more thought and exploration be given this before making formal presentation to the Committee.

State Grange Overseer, Brother Chester Deaver was welcomed by the Committee.

Expense bill from Sister Emma Michalk, former Juvenile Superintendent, was approved by the Committee; amount of bill \$21.90.

The bulk mailing permit for the year 1960 was approved.

The State Lecturer's Award Certificate resulting from a Statewide Contest was reviewed and discussed. It was moved by Brother Raines that certain revisions in the copy and arrangement be made, and that printing be made in one color. That 450 forms be printed for Subordinate and 50 be printed for Pomona. Seconded by Brother Mensinger. Carried.

Printing estimates for State Grange Constitution and By-Laws were discussed. Brother Raines suggested the 1956 Edition be reviewed for conflicting statements or necessary changes, or deletions. Moved by Brother Meinsinger, seconded by Brother Piper that 250 copies only be printed at present. Carried.

A bill from Sister Ellen Thompson, Alternate Delegate from Dry Creek Grange at the November Long Beach Convention was presented and handed to Brother Piper for processing and payment.

State Master Quinn read a resolution from Napa Grange No. 307 commending Brother Sehlmeier for his 30 years service as Master; a copy be sent to Brother Sehlmeier, and the original filed in the records of the California State Grange.

Grange News Editor Hazlewood again appeared before the Committee requesting permission to open a temporary bank account to accommodate the funds that were coming in for the Grange sponsored trip to Mexico. The Committee granted the request.

Mr. Herbert M. Bishop was interviewed by the Committee as a possible replacement for Kirtley MacBride, former Public Relations Representative. Mr. Bishop was informed the Committee would contact him further if they wished to explore his further qualifications.

Space reservations for the California 1960 State Fair were discussed. Brother Raines moved, seconded by Brother Mensinger that the State Grange, in conjunction with the Grangers Business Organization, apply for the same amount of space used in former years for the Juvenile, Hospitality, and Grangers Business Organization Booths. Carried.

Estimates for trimming the seven trees in front of the Headquarters Building were presented, ranging from \$110.00 per tree to a minimum of \$45.00 per tree. Moved by Brother Raines, seconded by Brother Piper, that we contract for a fee of \$45.00 per tree, provided a satisfactory job is guaranteed. Carried.

State Master Quinn read a letter from the National Grange suggesting we honor Brother and Sister Sehlmeier who are automatically life-time voting members of the Assembly of Demeter by presenting them with the Assembly of Demeter sashes. Brother Raines moved, seconded by Brother Mensinger that sashes be purchased for Brother and Sister Sehlmeier. Carried.

Confirmation has been received from the Sacramento Convention Bureau, for the use of the Civic Auditorium for 1961 Convention, October 16, 1961 through October 20, 1961. Letter dated December 22, 1959. Committee approved.

The Committee approved organizing new Granges along the lines suggested in a letter from the National Grange dated December 9, 1959.

A letter from David L. Shumate, regarding an education loan, read. Moved by Brother Raines and seconded by Brother Mensinger that Brother Shumate be refunded the amount of interest applicable for the four and one-half months of his military service. Carried.

State Master Quinn informed the Committee of the Board of Directors meeting of the Grange Insurance Association attended by him on January 11th in Sacramento. An excerpt of the minutes of the annual meeting of the Association held at Long Beach during the 1959 State Grange Convention was read to the members, relative to the State Grange Executive Committee resolution adopted in November 1959 relative to Veto power being invested by the members of the State Grange Executive Committee as permanent members of the Insurance Association Board. It was moved by Brother Raines, seconded by Brother Mensinger that the State Master inform the members of the Grange Insurance Association Board that the Committee re-affirm its stand, and refers them to the resolution adopted by the Delegate Body of the California State Grange at their 1959 Convention in Long Beach, confirming the position of the State Grange Executive Committee. Carried.

State Grange Attorney Olson recommended signing the agreement for a six month's period with the Occidental Life Insurance Company on the Grange Term Life Insurance Plan. Moved by Raines, seconded by Brother Piper that the contract be signed. Carried.

State Chaplain Leta Littler presented a bill of \$15.60 for flowers used at the 1959 Grange Convention in Long Beach that was not handed in at the Convention, and it was approved for payment. The State Chaplain also requested stationery for her office. Brother Raines moved that suitable stationery be furnished the State Chaplain for official business; seconded by Brother Mensinger. Carried.

The Oregon State Grange Bulletin was presented for review of the members.

An addressograph pamphlet was presented to the Committee, and it was suggested the State Master give further study and investigation of other makes, and if found necessary, to purchase a suitable machine.

The plan of the National Grange to retire the National Headquarters Building in Washington, D. C., indebtedness of \$800,000.00 was discussed. It is hoped the 780,000 members of the Grange will contribute \$1.00 each by April 1, 1960. The Committee decided to have the National Grange mail the publicity covering this project direct to the Subordinate and Pomona Granges in California for their individual action.

A letter from the American Broadcasting Company was read asking the California State Grange to participate in a farm program being sponsored by the Pacific Gas and Electric Company. The Committee requested the State Master to investigate other television programs, and report at a later meeting.

Brother Mensinger reported on T. V. Station KTRB in Modesto, under the direction of Brother Grabow. A program for the Grange on Monday and Friday from 6:35 to 6:50 A.M., would be \$25.00 for each 15 minutes per week. Brother Grabow will talk with the State Master on Monday, January 18th and report to the Committee.

Resolution from Bodega Bay Grange No. 777 was read, opposing the Bureau of Reclamation plan to construct a harbor development in that area. The fishermen at Bodega Bay are opposed to the plan inasmuch as they want the area held as spawning grounds, etc. Committee suggested the State Master study the Master Plan, and then communicate with the Bodega Bay Grange.

Brother Sehlmeier asked the Committee consider the present condition of the California Water and Power User's Association. State Master suggested the members of the Committee visit with Brother Sehlmeier at his office in the Grangers Business Organization Building. On their return to the State Headquarters, motion was made by Brother Raines, seconded by Brother Mensinger, that \$200.00 be contributed to the California Water and Power User's Association. Motion carried.

The fireproof vault for the Headquarters Building was discussed. The inside measurements suggested are 12' x 16'. The vault door will stand intense heat for four hours. Approximate figures of \$5,000.00 for the construction was given. The Committee asked for additional firm bids.

It was made known that Sister Mabel Glenn, Past State H.E.C. Chairman, would be very happy with a Life Membership in the Redwood League. Brother Piper moved, seconded by Brother Mensinger, that the Life Membership costing \$100.00 in the Redwood League be procured for Sister Glenn. Motion carried.

State Master Quinn verified the appointment of Brother Horace Fleming, 1229 Second Avenue, Salinas, California, as Deputy for Monterey County, to replace Brother Chester Deaver, who was appointed Statewide Representative. Brother Jackson C. Raines was also named as Statewide Representative.

In line with resolution adopted at the 1959 Long Beach Convention, prices from various suppliers of the new 50-star U. S. Flags were read. Committee members agreed that these prices should be circulated among the Deputies.

Concerning the proposed 1960 State Convention in Ukiah, Mendocino County, Mendocino County Pomona Master Brother Louis Skinner was asked to report to the State Office, the total number of hotel and motel rooms available in Ukiah, also the facilities for serving food. At the suggestion of the State Master, the Committee members were urged to personally inspect the facilities at Ukiah during the first two weeks of February, 1960.

No further business offering, the meeting was adjourned.

Respectfully submitted,  
ELIZABETH J. BRUEGGER,  
Secretary to the State Master

## MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE

**February 5, 1960**

The California State Grange Executive Committee was called to order at 10:00 A.M., Friday, February 5, 1960, at the Grange Headquarters Building. State Master J. B. Quinn presided over the meeting. Members Lloyd V. Piper, Merle Mensinger, and Jackson C. Raines were present.

State Master Quinn began a discussion on the subject of the Grange Mutual Life Insurance Company of Nampa, Idaho, filing a cross complaint against the California State Grange in the amount of \$200,000.00.

State Grange Attorney Olson appeared before the Committee and stated the Grange Mutual Life Insurance Company usually advertised with the following part of their name in small print: "of Nampa, Idaho."

Attorney Olson summarized the five causes of action, and discussions followed each action. State Master Quinn furnished Attorney Olson with a copy of the resolution which was brought on the floor and passed by the delegate body on November 12 at the Long Beach State Convention. (Copy attached.)

Past Master George Sehlmeier appeared before the Committee and told of the Grange Mutual Life Insurance Company publishing his name on the Board of directors without his permission. Stated also that Oregon and Washington members are very displeased since the foregoing company is an open company.

State Master Quinn discussed with Attorney Olson the possibility of hiring associate counsel. Attorneys Downey, Brand, Seymour were submitted and approved by the Executive Committee.

The Grange Fire Insurance was discussed. State Master Quinn stated they are devising ways and means to revise their charter. In addition, they have attorneys in Stockton devising means to avoid Federal Income Taxes. Past Master Sehlmeier stated the California State Grange in 1916 named the first Board of Directors for the Grange Fire Insurance Association.

The State Master contacted Mr. Paul Satterly, manager of the Ukiah Chamber of Commerce, relative to facilities in Ukiah. That he should expect a visit from Executive Committee members Merle Mensinger and Jackson C. Raines

who will arrive noon Saturday, February 6, at the Chamber of Commerce office. Mr. Satterly was requested to go over all the facilities with them.

State Home Economics Chairman Gladys True appeared before the Committee to discuss dividing the southern counties. Brother Mensinger suggested leaving it up to Brothers Quinn and Raines since they are familiar with the areas in question. After discussion, the Executive Committee members recommended the territory be divided with due care being used in exploring the possibilities of a suitable chairman and proper area. Moved by Brother Raines and seconded by Brother Mensinger. Motion carried.

The purchase of small white bibles for Juvenile Granges was discussed by the Committee. A motion made by Brother Mensinger, that the California State Grange purchase small white bibles for Juvenile Granges was seconded by Brother Piper. Motion carried.

The pamphlet 'Benefits for Grangers' published by the Grange Fire Insurance Association was read by the State Master. They wish new copies printed. The Committee recommended the pamphlet be distributed to all secretaries of the Subordinate Granges throughout the State.

The following resolutions were read by the State Master with action as indicated:

(a) Williams Grange No. 687—Brother Mensinger advised that no action could be taken as the Governor's appointments were not subject to review by the State Senate.

(b) Fairfax Grange No. 570—Approved.

(c) Manteca Grange No. 507—Approved.

(d) Merced County Pomona Grange No. 23—Same action as on Resolution (a) above.

(e) Sacramento County Pomona Grange No. 2—Approved.

A request for tiling the kitchen floor in the Grange Headquarters Building was approved by the Committee. The tile will be odd pieces from the Grangers Business Organization which Mr. Harper volunteered to furnish.

State Master Quinn read both letters from the Home Economics Club of the Valley Oaks Grange No. 368 desiring to serve the State Grange luncheon at the State Fair next September; they also would like to serve the luncheon at the Deputies conference in June. Discussed by the Committee members. Brother Raines made a motion to delay action on both of these requests until a later date, and then have the State Master contact the Sacramento County

Pomona Master Clow and the Sacramento County Home Economics Chairman. Motion seconded by Brother Mensinger. Carried.

The Grange-Occidental Insurance policy was discussed.

The State Easter Youth Conference was announced for April 10th in San Luis Obispo. There will be a panel discussion for the Master and the three Executive Committee-men. Wednesday night will be the exemplification of the First Degree at Morro Bay Grange. The Agenda for the 1960 Easter Youth Conference at San Luis Obispo was presented. The Committee agreed to appear on the program Monday, April 11 at 2:00 P.M.

The contract between the State Home Economics Committee and "Cal Poly" for the State Scholarship fund is set up so it can be cancelled or terminated at any time.

State Master Quinn presented another bill for the month of February for the organ and hair wreath. Also informed the Committee that Deputy Campbell promised to bring both articles to Sacramento in the near future.

State Master Quinn announced that Deputy Ellberg reorganized a Juvenile Grange in River Bend. The application was passed around for review.

Information on the price of flags should be inserted in the Deputies letter.

Since there was no further business, the meeting was adjourned at 4:45 P.M.

Respectfully submitted,

ELIZABETH J. BRUEGGER

Secretary to J. B. Quinn, Master.  
California State Grange

## MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE

**March 24, 1960-March 25, 1960**

State Master J. B. Quinn presided at the meeting of the California State Grange Executive Committee Thursday, March 24 and the latter part of the afternoon Friday, March 25, 1960, in the State Grange Headquarters Building.

Sacramento. Brothers Lloyd V. Piper and Jackson C. Raines were present. Brother Mensinger was absent. Brothers Piper, Raines, and Mensinger were present for the latter part of the afternoon Friday, March 25.

The minutes of February 5, 1960 meeting of the Committee were approved and signed by Committee members.

The legal papers compiled by Attorney Downey, legal associate counsel for the California State Grange versus the Grange Mutual Life of Nampa, Idaho, were discussed by the Committee. After discussion, the Committee was of the opinion they should prosecute the action vigorously. The retainer fee of \$500.00 for John F. Downey, Associate Legal Counsel, was approved. A motion made by Brother Raines was seconded by Brother Piper that the retainer fee in the amount of \$500.00 be paid John F. Downey. Motion carried.

The date for the Grange Day luncheon at the California State Fair was set for Wednesday, September 7, 1960, by Mrs. Redding of the Fair Board. A motion was made by Brother Piper, seconded by Brother Raines that the Grange have the State Fair Grange luncheon Wednesday, September 7. Motion carried.

The student loan requested by Donna Beane was approved by the Committee. Motion made by Brother Raines, seconded by Brother Piper that the California State Grange approve the loan in the amount of \$200.00. Motion carried.

Brother Charles Davis, District Deputy of Trinity County, appeared before the Committee and discussed a new Grange at Hoopa.

Brother Raines recommended the California State Grange Home Economics Committee divide District No. 4 into two districts, comprising of San Diego, Riverside and Orange Counties and calling it District No. 8, with Rosa Burdick as Chairman of the new district. The remaining area of District No. 4 to be retained with Sister Frances McAllister as District Chairman. Brother Piper made a motion that Brother Raines' recommendation be adopted. Motion carried. The Committee suggested Sister True, State Home Economics Chairman, be advised accordingly.

Assembly Bill No. 8 on Credit Unions was discussed. State Master Quinn attended the legislative meeting and informed the Committee Assembly Bill 8 was amended to conform with Senate Bill No. 7, restoring the \$25.00 yearly tax on State Chartered Credit Unions.

The following resolutions were endorsed, unless otherwise stipulated, by the Committee.

(a) Commercial and Sport Fishing—Butte Pomona Grange.

(r) Commercial and Sports Fishing—Fort Bragg Grange endorsed by Sonoma County Pomona Grange.

(k) Enlargement of Coleman Fish Hatchery—Fort Bragg Grange.

(b) Proposed California State Water Bond Act—AB 1106, Sonoma County Pomona Grange.

(d) California State Grange General Obligation Bond Issue—Stanislaus County Pomona Grange.

(g) Amend Sisk Bill, HR 7155—Kings County Pomona Grange.

(h) Amend Sisk Bill, HR 7155—Fairfax Grange, Kern County.

(i) Acreage Limitation be Included in The Water Development—Manteca District Grange.

(j) Laytonville Grange No. 726—The State Water Bill.

(m) Acreage Limitation—California Water Plan—Dinuba Grange.

(o) Opposing Water Bond Issue—Penngrove Grange.

(p) Protest further Increase in First-Class Postal Rates—Central Grange.

(q) Protest Further Increase in First-Class Postal Rates received from Napa Grange, Hayfork Valley Grange, and Kingsburg Grange. State Master Quinn read aloud the letters of commendation and informed the Committee the resolutions were being published in the Grange News. No further action was taken.

(n) Oppose Beaches and Parks Acquiring More Land in Humboldt County—Humboldt Pomona Grange.

The resolution was read by the State Master; discussion followed, and a motion was made by Brother Piper that the California State Grange obtain additional information regarding exact location of land, etc., and upon receipt of this, suggest it be presented at the next Committee meeting. Motion seconded by Brother Raines. Motion carried.

(l) Retain 50 Cent Admission, State Fair—Yolo Grange.

(f) American Cancer Society—Brownsville Grange No. 708. Motion made by Brother Raines, seconded by Brother Piper that the resolution be held for debate on the floor of the coming State Grange Convention. Motion carried.

(c) National Pure Food and Drug Administration—Sonoma County Pomona Grange.

A motion was made by Brother Piper and seconded by Brother Raines that a letter be written Director Fleming

along those lines, also that the resolution be endorsed by the California State Grange. Motion carried.

(e) Stay of Execution Granted Caryl Chessman—Stanislaus County Pomona—Discussed by Committee and no comment necessary.

A request made in a letter from Samuel Geddes for a list of Grange addresses was disapproved.

Dr. Carle Fiedler, Director of Youth Activities appeared, and invited the Committee to the Sunday evening dinner and reception, April 10 at "Cal Poly", San Luis Obispo for the Easter Youth Conference which starts April 10 through the 14th. The State Master and the Executive Committee members will appear on the panel Monday, April 11 at 2:00 P.M. The theme is "Initiative in the Grange." Dr. Fiedler informed the Committee Wib Justi, Youth Director of the National Grange will attend. Motion made by Brother Raines that the California State Grange pay Brother Wib Justi's expenses for meals and hotel while he is at the youth conference, and that we do not assume his transportation costs. Brother Piper seconded the motion. Carried.

A discussion was held on the California Association for Health and Welfare meeting May 1, 2, 3 and 4 at Claremont Hotel in Berkeley.

Editor Hazlewood of the Grange News, and Accountant Pfanner appeared before the Committee. There is such an increase in correspondence that it has been necessary to add four extra pages to each section with no advertising. There will be heavy additional costs. After discussion, upon motion by Brother Piper, seconded by Brother Raines, the California State Grange was directed to reimburse the Grange News for this additional expense; also the additional expense incidental in publishing the Annual Soil Conservation issue dated February 25, 1960. Motion carried. Financial statement for the Grange News, month of February, was presented to the Committee and filed. State Master Quinn spoke of his desire to have Publicity Chairmen send their publicity to their local papers.

State Secretary Clara Williamson appeared before the Committee and presented a statement of Grange finances. The procedure of transfer of receipts from the Secretary to Treasurer was discussed.

The question of additional office help in the State office was discussed. Brother Piper moved, seconded by Brother Raines that the State Master be authorized to obtain additional, competent office assistance. Motion carried.

The \$100.00 Defense Bond, Series F No. C78918F for Chualar Grange No. 542 was discussed. Chualar Grange surrendered this Charter April 1946. Moved by Brother Raines, seconded by Brother Piper that the State Master convert this bond into negotiable funds and place the proceeds in the General Fund earmarked for Chualar Grange No. 542 in accordance with National Grange Digest, 1958 Edition, Section 14 b, page 40, Chapter IX. Motion carried.

State Master Quinn read a letter from the National Grange dated March 11, 1960, inviting the State Master to attend the dedication ceremonies Friday, June 24 and Saturday, June 25, 1960. A motion was made by Brother Raines, seconded by Brother Piper the California State Grange authorize the State Master to attend the dedication ceremonies. Motion carried.

Check dated February 9, 1960, No. 6 033 245 in the amount of \$349.41 from the Occidental Life Company was discussed. Motion made by Brother Piper, seconded by Brother Raines that the Grangers Business Organization be allotted this sum with the understanding that the clerical work of the program be transferred to the State Grange office as soon as there is adequate assistance to handle the affairs. Motion carried. The progress of the term life insurance policy with the Occidental Insurance Company was discussed. Twenty-eight new policies were issued since January 1, 1960.

Place in the Grange procedure of Grange Credit Unions was discussed and the members of the Committee took the various recommendations under advisement and will report at a later meeting.

It was the opinion of the Committee that the California State Grange hold its 1960 Convention in Ukiah on October 18 thru 21, 1960, and the State Master shall proceed with the arrangements. The State Grange Office be authorized to announce the 88th Annual Session in Ukiah, California.

The matter of the booklet entitled "Benefits for Grangers" was discussed, and the Committee recommended that the March 16, 1960 suggestion of the California Physicians' Service Health Plan be included: that the Grangers Business Organization be consulted as to changes; the Grange Insurance Association; the Grange Credit Union, and adequate representation be given the Grange Life Insurance Plan; and that each service pay their portion of the total cost.

State Master Quinn invited the Committee members to attend the dedication ceremony and mortgage burning cere-

mony and dinner at 5:00 P.M., at Fowler Grange April 30; the meeting will start at 8:00 P.M.

The National Grange Builder Program was discussed, and the Committee directed the State Master instruct the National Grange to mail direct to all Subordinate Granges in California, the particulars of the program.

Radio Station KTKB 860 was discussed and the Committee recommended the Grange try a six months' program of one weekly, 16 minute broadcast; the fee, \$25.00 for 15 minutes.

The pamphlet entitled "California Agriculture" published by the University of California, Berkeley, was presented to the Committee. The Committee recommended it be sent without charge to the Grange Deputy list.

The letter dated March 7, 1960, from the Agricultural Council of California was read. The Committee recommended the State Master attend their meeting March 31 and report to the Committee.

A letter from the Council of State Governments and National Grange was read relative to representation at the coming meeting in Phoenix, Arizona, on April 10 thru 13. If possible, the California State Grange should be represented.

Since there was no further business, the meeting was adjourned at 5:00 P.M.

Respectfully submitted,  
ELIZABETH J. BRUEGGER  
Secretary to State Master J. B.  
Quinn

## **MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE**

**May 12, 1960**

The Executive Committee of the California State Grange met at the Grange Headquarters Building in Sacramento, Thursday, May 12, 1960, at 10:00 A.M.

State Master Quinn called the meeting to order and all the Committee members, namely: Lloyd V. Piper, Merle Mensinger, and Jackson C. Raines were present.

State Master Quinn advised the Committee that the action brought by the Grange Mutual Life Insurance Company of Nampa, Idaho, in the Federal Court at San Francisco, had been transferred to the Federal Court in Sacramento; the San Francisco Federal Court having granted the Appeal of the California State Grange for a change of venue.

State Master Quinn reported that at the hearing in the Superior Court at Sacramento on the action brought by the Grange Mutual Life Insurance Company of Nampa, Idaho, the Court required the Plaintiff to present sufficient data to support their claim of \$150,000.00 in damages and to file Surety Bond for faithful performance of their action.

The subject of North Fork Grange in Trinity County relative to increasing their annual dues to \$12.00 per year was discussed. It was moved by Brother Raines, seconded by Brother Mensinger that the Executive Committee did not favor the dues increase to \$12.00 per member per year, but suggested a maximum of \$8.00 per year. Motion carried.

The discussion then moved to the proposal of North Fork Grange to encumber a proposed building they anticipated moving from Camp Beale to Junction City for a Grange Hall. The encumbrance would total \$7,000.00. The North Fork Grange had been offered a mortgage loan of \$7,000.00; but in addition, as additional security, 35 of their members would have to stand surety for \$200.00 each for the faithful performance of the provisions of the loan. The Executive Committee did not favor a double responsibility of the membership of North Fork Grange, so recommended that North Fork Grange arrange a suitable loan of \$7,000.00 from local sources if possible. After the meeting of North Fork Grange, their action is to be reported to the State Office for further action and recommendations.

State Master Quinn read a communication dated April 20, 1960, from the Sonoma County Pomona Grange, requesting payment of \$65.00 for use of the Sebastopol Memorial Hall in conferring the Sixth Degree in October, 1959. Brother Piper moved the bill be paid, seconded by Brother Raines. Carried.

Letter dated May 6, 1960, from Dr. Carle Fiedler, Director of Youth Activities, was read. A motion was made by Brother Mensinger, seconded by Brother Piper that the Committee endorse the present regulations governing ages of eligibility in the California State Grange Youth Group. Motion carried.

California Grange News financial report for the month of April was presented to the Committee. Business Man-

ager Hazlewood requested permission to accept a display "ad" from the Blue Cross Medical Plan. Moved by Brother Mensinger, seconded by Brother Raines, that the Business Manager accept the "ad." Carried.

Moved by Brother Raines, seconded by Brother Mensinger that the salary of Marilyn Davis be increased \$10.00 per month. Carried.

Moved by Brother Raines, seconded by Brother Mensinger that the salary of the State Secretary, Sister Clara Williamson, be increased to a total of \$310.00 per month. Carried.

Business Manager Hazlewood presented a bill from the printers showing an extra charge of \$186.50 for excess news printings in two previous issues of the Grange News. Moved by Brother Piper, seconded by Brother Mensinger, that the California State Grange reimburse the California Grange News for this additional coverage. Carried.

It was moved by Brother Raines, seconded by Brother Piper, that the State Master Quinn be authorized to attend the Washington State Grange Convention in June 1960 if time is available. Carried.

**MINUTES OF THE CALIFORNIA STATE GRANGE  
EXECUTIVE COMMITTEE**

**Friday, June 17, 1960**

The Executive Committee of the California State Grange met at the Office of the State Master on Friday, June 17, 1960 at 7:00 P.M. Present were the State Master James B. Quinn, Merle Mensinger, Lloyd V. Piper, and Jackson C. Raines. The minutes of the previous meeting held May 12, 1960, were signed and approved.

State Master Quinn reported on the developments in the Grange Mutual Life Company of Nampa, Idaho.

The newly suggested revision of the Youth Creed from Dr. Carle Fiedler, Director of Youth Activities, was read to the Committee. After discussion, it was moved by Brother

Mensingher and seconded by Brother Raines, that the election of Youth Group officers remain within the Youth Group, and that the titles of these officers should be Officers of the Youth Group. The Youth Committee should remain as a Committee, appointed by the Master of their Subordinate Grange, as directed by the 1960 Constitution and By-Laws of the California State Grange. Motion carried.

The Committee decided to meet at Ukiah on July 15 to provide meeting rooms at appointed days and hours during the coming 1960 Convention, so that overlapping activities could be reduced to a minimum.

Upon recommendation of the Committee, Ray Clow of Sacramento, was appointed as member of the California State Grange Credit Union Committee.

The suggestion as to the contest for the "Grange Farmer of the Year" was discussed and the Committee decided it would be inadvisable at this time to proceed.

State Secretary Williamson presented a statement showing the present status of the General Fund and the Extension Fund of the Grange.

State Master Quinn presented to the Committee the report of the California State Grange filed with the State Senate Emergency Interim Committee meeting at the State Capitol on June 15 to determine the legal status of the present labor dispute relative to Mexican National Labor. The Committee directed the Master to recommend the extension of the present Mexican National Labor Act for another three years with the recommendation that steps be taken to reduce annually their use in California, and the rest of the Nation.

The matter of the National Grange Program Expansion and the retirement of the debt on the National Headquarters Building was discussed, and the Committee recommended that the California State Grange cooperate in the presentation of the details to the membership in California.

The State Lecturer's report on the Lecturer's Conferences held during 1960 was presented to the Committee.

The Committee recommended that if time permitted, the State Master attend the Eastern States Water and Power Consumer's Conference in Billings, Montana, September 22-23, 1960.

The reports of Brother Jackson C. Raines on the formation of a new Grange, Garden Valley in Santa Barbara County, and by Deputy C. Wesley Reed of Yuba Sierra County, new Grange Loma Rica, was welcomed by the Committee.

The detailed financial statement of the California Grange News for April and May 1960 was presented.

The request of the Subordinate and Pomona Granges of San Luis Obispo County for an allocation of \$100,000.00 to construct a permanent agricultural building at the District Fair Grounds in Paso Robles was approved. The State Master was directed to contact the proper State officials and urge the appropriation.

The revisions by the National Grange of the Extension Rules governing the organization of new Subordinate Granges was presented.

The request of the Eldredge Publishing Company for the State Roster was denied.

Brother Jackson C. Raines was directed to represent the California State Grange if his schedule permitted at the June 27-29 meeting of the Agricultural Council of California at Santa Monica.

Twenty-one separate resolutions from Subordinate and Pomona Granges were reviewed and recommendations for immediate action or referral to the coming State Convention at Ukiah were to be followed by the State Master.

Resolutions of respect to the memory of Deputy Clarence C. Kofahl of Kern County, and Deputy Leo Kloske of Del Norte County, were read and approved. The State Master was requested to acknowledge their receipt to the sponsors.

**MINUTES OF THE CALIFORNIA STATE GRANGE  
EXECUTIVE COMMITTEE—JULY 14, 1960**

**Palace Hotel, Ukiah, California**

Present were State Master J. B. Quinn, Merle Mensinger, and Lloyd V. Piper. Jackson C. Raines was unable to be present. The minutes of the previous meeting held on June 17, 1960, were approved.

The State Master reported on the developments at the

dedication of the National Grange Building in Washington, D. C., June 29, 1960. Also reported on the discussions with Brother Adams, State Master of Idaho State Grange, and member of National Grange Executive Committee, and with National Master Newsom relative to the legal action between the California State Grange, and the Grange Mutual Life Company of Nampa, Idaho.

State Master Quinn advised that National Master Newsom would visit the coming State Grange Convention in Ukiah, and the Committee requested that Master Newsom be extended a cordial welcome.

The invitation by President McPhee of California Polytechnic College at San Luis Obispo to convene the June 1961 meeting of the Deputies on their campus was presented; the Committee decided this could be acted on later in the year.

The Master presented a brochure from the California Wool Growers, and it was referred to Brother Mensinger who would report at the next Committee meeting.

The recommendation of Sister Gladys True, State H. E. Chairman, was read, and the Committee approved of the formation of new District No. 9 of the State H. E. C., comprising of Kern, Kings, Tulare, Fresno, and Madera Counties. Sister Marie Workman of Riverbend Grange, Kings County, was named as District No. 9 Chairman. This was on the recent recommendation of both Sister Grace Warner of District No. 3, and Sister True. The first quarter's (H.E.C.) report as of March 31, 1960, was read and accepted.

Letter dated June 22 from the Occidental Life Insurance Company was read and the Committee approved their decisions to have their appointed agents contact Grange members in the interests of the Grange-Occidental Life Plan.

The State Master suggested a suitable pamphlet outlining the California State Grange position on the Water Issue and Water Bond election be printed, so as to be ready for general distribution from the Grange Booth at the coming State Fair in September 1960. The Committee directed that estimates on the cost be submitted to the Committee.

The National Grange Debt Retirement Fund Plan was presented to the Committee, and they suggested its referral to Sister Gladys True, State H.E. Chairman for her comment.

The State Master presented a copy of letter sent to the National Grange outlining the stand of the California State Grange on the Democratic and Republican Party National Platform relative to Agriculture.

The financial report of the California Grange News for June 1960, was presented to the Committee.

Resolutions submitted were acted on as follows:

(a) Resolutions regarding HR 8123 and also HR 7201—Fresno County Pomona Grange No. 24—Executive Committee concurs.

(b) "Passports to Our Enemies"—Valley Center Grange No. 631—Referred to State Convention—Ukiah.

(c) "Opposing Sale of a Portion of Napa State Hospital Farm"—Napa County Pomona Grange No. 7—Directed the Master to cooperate with Napa County.

(d) "Pacific Northwest (Bonneville) California Inter-tie"—Committee on Interior and Insular Affairs—Endorsed the findings of this Committee.

(e) "Opposing Any Drastic Reduction of Grazing Permits on Bureau of Land Management Land in Modoc and Lassen Counties"—Alturas Grange No. 406—Referred to State Grange Convention—Ukiah.

(f) Investigation of Voting for Rice Control Board—Sutter County Pomona Grange No. 25—Master directed to follow up the wishes of Sutter County Pomona Grange.

(g) Springfield Grange No. 523 to donate to the County of Monterey a parcel of land to house equipment in conjunction with fire protection in the areas of Springfield, Las Lomas and part of The Pajaro District—Concurred with their request and to follow usual procedure of transferring property.

(h) Opposing Any Drastic Reduction of Grazing Permits on Bureau of Land Management Land in Modoc and Lassen Counties—Modoc Pomona Grange No. 9—Referred to State Grange Convention—Ukiah, October 1960.

(i) Misleading Advertising by Certain Private Utilities—Fresno County Pomona Grange No. 24—Executive Committee concurs.

(j) Relieving Commercial Fishermen of Submitting Estimated Income Tax Returns—San Diego Harbor Grange No. 775—Endorsed by San Diego Pomona Grange No. 35—State Master directed to obtain a copy of HR 10305.

Letter dated July 12, 1960, from Contra-Costa County Grangers Credit Union, signed by Brother Jack Kent, was read.

Letter dated July 13, 1960, from Department of Education—Byron H. McMahon, was read.

Letter dated June 23, 1960, from the County Recorder of Kern County relative to the disposition of the Button-willow Grange Hall was read—State Master was directed to

~~~~~  
find out if all provisions of legal action were performed in the matter.

Letter from North Fork Grange, Trinity County, relative to the financing of their Grange Hall, was read.

State Lecturer Emmett W. Ivey's request for 100 Award Certificates for the 1960 Lecturer's Achievement Contest was presented, and 100 copies were approved.

Letter from Committeeman Brother Raines was read outlining the proceedings at the June 27, 28, 29 meeting of the Agricultural Council of California at Santa Monica, was read.

The request of Sister Florence McDougal requesting permission to use the name "Grange" on placards for the difference between the Fisherman and Canneries, was declined.

Copy of letter dated July 13, 1960, to the major dairy processors relative to check-off deduction from productive dairy members of the Grange, was presented.

Application for position of Public Relations Representative from Fred W. Evicci, was read.

Copy of letter from Grange attorney to Springfield Grange No. 523, was read.

Statement of Sol E. Schultz, manager, H. Zinder and Associates to the sub-committee on Irrigation and Reclamation, relative to the proposed Power Tie-In with the Bonneville Dam was presented to the Committee.

Bill covering retainer for period July 1, 1959 and ending June 30, 1960, from Thomas W. Olson, Jr., Grange attorney, was approved.

Expense account and report of Deputy Harry M. Lewis at hearing of Public Affairs in Los Angeles, was read and approved.

Application of Robert W. Finley for Public Relations Representative was presented.

Letter directed to the California Water Commission dated July 1, 1960, from the U. S. Department of the Interior, Bureau of Reclamation, was read.

The discussion of the 1960 Ukiah Convention was entered into. The meeting was adjourned in order to confer with various State and County Grange officials.

MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE

August 31, 1960

The Executive Committee of the California State Grange met at the Grange Headquarters Building in Sacramento, Wednesday, August 31, 1960, at 10:00 A.M.

State Master J. B. Quinn presided over the meeting with two Executive Committeemen present, i.e., Jackson C. Raines and Lloyd V. Piper.

A Claims Report covering Workmen's Compensation for the period January 1, 1960-July 1, 1960 of the Truck Insurance Exchange of the Farmers Insurance Group was presented to the Committee.

A proposed dental service contract from the California Dental Association dated August 26, 1960 was presented to the Committee.

A letter from Byron J. McMahon dated August 25, 1960, regarding the discontinuance of vocational agricultural courses in various high schools.

A brief discussion on the Public Relations Officer vacancy in the State Grange Headquarters resulted in Brother Jackson C. Raines making a motion that State Master Quinn be authorized in his own judgment, to employ Mr. Robert Finley as Public Relations Officer of the California State Grange at a starting salary of \$500.00 per month. Seconded by Brother Piper. Motion carried.

State Master Quinn read a letter from George Hallis, Editor of the Valley Labor Citizen, Fresno, California. Brother Raines made a motion that the State Master be authorized to use his own judgment on the distribution of the pamphlets in question. Seconded by Brother Piper. Motion carried.

Letter from Ventura County Pomona Grange dated August 26, 1960, was presented to the Committee.

State Master Quinn briefed the Committee on the Inter-Tie-Power of the Northwest.

The membership report for quarter ending June 10, 1960, was reviewed by the Committee.

The financial statement of the California Grange News was reviewed by the Committee.

State Master Quinn reported on the Grange Insurance Association.

Liability insurance for the State Grange Convention was approved.

The State Master reported on Grange Credit Unions and suggested that only bona fide Grange members should enjoy their benefits. The Committee agreed with the State Master.

The State Master expressed his desire to have the First, Second, Third and Fourth Degrees exemplified on Wednesday, October 19 at the State Grange Convention and they be portrayed exactly the same as in the Subordinate Manual.

Brother Raines made a motion that car stickers be provided by the State Grange for the State Grange Convention. Seconded by Brother Piper. Motion carried.

Brother Piper moved that the California State Grange be authorized to print for distribution the State Grange Water pamphlet for use where needed. Seconded by Brother Raines. Motion carried.

The dedication of the addition of the Loomis Grange No. 658 was discussed. The Committee suggested the State Master ascertain if the hall has already been dedicated.

The letter from the Kern County Board of Supervisors dated August 4, 1960, was presented to the Committee.

The letter from the Chicago Board of Trade dated August 3, 1960, was presented to the Committee.

The letter from National Master Herschel Newsom dated July 28, 1960, was presented to the Committee.

The letter from Woodbridge Grange No. 482 dated August 12, 1960, was presented to the Committee.

The letter from North Fork Grange No. 763 dated August 5, 1960, was presented to the Committee.

A proposal from Radio Station KFBK, was presented the Committee, and the Committee agreed the budget not permit the expense.

Letter from the Sacramento Inn was presented to the Committee.

The brief from the Superior Court dated July 26, 1960, involving the California State Grange and the Insurance Association of Nampa, Idaho, was read. Other particulars regarding this action were discussed.

The letter from the Midland National Life Insurance Company was presented to the Committee.

Brother Piper moved that the State Master attend the meeting of the Western States Water and Power Users Conference in Billings, Montana, on September 22 and 23. Seconded by Brother Raines. Motion carried.

Resolutions presented to Committee and action taken:

(a) Newport Harbor Grange No. 776—Food Standards: Refer to State Grange Convention.

(b) Newport Harbor Grange No. 776—Fisheries: Refer to Convention.

(c) Newport Harbor Grange No. 776—Amending Health and Safety Code: Refer to Convention.

(d) General Sutter Grange No. 498—Suggesting Delegates Receive Complete List of Resolutions Prior to State Convention. The Committee directed the State Master to confer with Deputy Armstrong.

(e) Durham Grange No. 460—Favoring Grange Automobile Insurance Association of Washington and Oregon. The Committee recommended the State Master inform the Master of Durham Grange that recent comparisons show the Grange Automobile Association rates are higher than two insurance firms now available to California State Grange members.

(f) Tulare County Pomona Grange No. 5—State School Funds: Refer to State Grange Convention.

(g) Yucaipa Valley Grange No. 582—Simplified and Detailed Pamphlet for New Officers: Refer to State Grange Convention.

(h) Yucaipa Valley Grange No. 582—Suggest Delegates or Alternates be Mailed Copies of All Resolutions for Study Prior to Convention: Brother Raines offered to confer with Yucaipa Valley Grange members for referral of this resolution.

(i) Sonoma County Pomona Grange No. 1—Exemptions for Dependents on The Present State and Federal Income Tax Requirement—Refer to State Convention.

(j) Sacramento County Pomona Grange No. 2—Suggested Legislation on Perishable Crop Industry Disputed: Refer to State Convention.

(k) Ojai Valley Grange No. 659—Delegates Seated Separate and Apart from Visitors: Refer to State Grange Convention.

(l) Ojai Valley Grange No. 659—Adopt a Uniform Coin March: Refer to State Grange Convention.

(m) Ojai Valley Grange No. 659—Nominations for Office: Refer to State Grange Convention.

(n) Ojai Valley Grange No. 659—Influence of Professional Lobbyists Upon Legislation: Refer to State Grange Convention.

The pamphlet from the Department of Education, Byron J. McMahon, Chief, entitled "Directory—Agricultural Education—1960-1961, was reviewed by the Committee.

The project of the National Grange Building debt retirement fund is under study by Sister Gladys True, State Home Economics Committee Chairman.

The meeting was adjourned at 4:30 P.M.

ELIZABETH J. BRUEGGER,
Secretary to J. B. Quinn, Master,
California State Grange

REPORT OF STATEWIDE REPRESENTATIVE

WORTHY MASTER, OFFICERS AND DELEGATES, CALIFORNIA STATE GRANGE:

This is a dual report; one concluding my service as Deputy of the San Bernardino Pomona district on July 24th, and the other my first as Statewide Representative of the Grange.

The Granges in the San Bernardino Pomona district have been my pride and joy for five (5) years, during which all have engaged in work to make their communities better places in which to live. Unfortunately, a minor percentage have unwittingly chosen to "keep their lights hidden under a bushel basket" and failed to enter the community service contest sponsored by the National Grange. It is a personal satisfaction that they now have the capable leadership of Brother Ulyuss G. Rose as Deputy, and the assistance of his wife Betty. If hard work can insure success, then Brother Rose will succeed.

My work as Statewide Representative is interesting and challenging. It is a pleasure and privilege to work with Grangers throughout the State in the solution of problems, and to present the Grange program to non-members.

It is my conviction that where the ritual is best observed, there Grange progress is most in evidence. If I can be of assistance to Deputies, Masters or any member of Granges in mastering the Unwritten Work, the development of degree teams, installation of officers or the organizing of Granges where they do not now exist, I am as near as your telephone.

We are the number one agricultural State in the nation, and are fast approaching the number one position in population. Hundreds of former members of the Grange from Eastern States are entering California every week, as well as others who come here for retirement and need the benefits of Grange fraternalism.

It is my hope that every State Grange officer, delegate and visitor to this 88th Annual Session will return with the conviction that we are on the threshold of a new era in Grange growth and influence in California under the dedicated leadership of our new State Master. Let all of us do our part in promoting the welfare of the Order, and make the California State Grange first in membership, service and influence. It can be done. Let's do it by developing programs at this session which will give our State Master the ammunition to wage the battles that face us in 1960!

J. C. RAINES

DEPUTY REPORTS

Amador County

WORTHY MASTER, OFFICERS, AND MEMBERS OF
THE CALIFORNIA STATE GRANGE:

Ione Grange and Shenandoah-Willow Springs Grange of Amador County are holding good meetings and are in a good financial condition.

The El Dorado-Amador Pomona Grange has been active with monthly meetings with Subordinate Granges.

The H. E. C. Club is active and helps the Grange in many ways.

The El Dorado-Amador Grange Credit Union is growing steadily.

Fraternally yours,
JOSIAH H. SAUNDERS,
Amador County Deputy

Antelope Valley

WORTHY MASTER, STATE OFFICERS AND MEMBERS
OF THE CALIFORNIA STATE GRANGE.

GREETINGS FROM THE ANTELOPE VALLEY
GRANGES:

I have almost completed my first year as a Deputy of the Antelope Valley Granges and I have enjoyed the work very much. Having been appointed to fill the vacancy of the late Harry W. Dyer I found the Granges (after being without a Deputy for almost a year) to be in fair condition. Although the membership had fallen off some, it was due to the insecure condition of the Valley.

We have six (6) Subordinate Granges and a Pomona Grange and I have made four visits to all Subordinate

Granges and talked of the importance of building up the membership. I am sure the reports will show a slight gain but not what I had expected. Our Pomona Master has done a good job and should be given a lot of credit.

Our officers were installed in January and the usual good job was done by our State Master J. B. Quinn.

The Yucaipa Grange put on the first and second degree for us and they did a splendid job. Thirty-one (31) candidates were present. The Joshua Tree Grange put on the third and fourth Degree and the Youth Committee put on the fifth degree. Almost all have taken the degrees. We are in the throws now of organizing our own first and second degree team.

I have made two trips to Los Angeles and covered interim meetings for the State Master.

I met with the Pomona H.E.C. and enjoyed watching the Chairman conduct her meeting.

The Youth Committee is very active and several of the members attended the Easter Conference at Cal-Poly. Beverly High of Yucca Grange won a calf and won a blue ribbon at the Antelope Valley Fair with it.

Four of our Granges entered in competitive booths at the A. V. Fair and enlarged their treasuries by \$517.00.

The highlight of the year was the dedication of the Alpine Grange Hall which was done by the State Master. Several State Officers were present as well as Deputies from other districts and many visitors from other Granges outside of the Valley. Yucca Grange is about to start building their own Hall and will be ready for dedication sometime early in the spring. This will be four Granges that own their own Halls.

Our Credit Union is doing a bang up job for a young Credit Union and have assets of over \$165,000.

Our Pomona Lecturer, Sister Elsie Scherrer has done a fine job and some of her programs have been outstanding. She visits other Granges often to help other Lecturers as much as she can. A real hard worker and interested in her office.

All Granges are working hard to build up their membership. One Grange has set 200 for their goal and are doing a nice job, not to long ago they thought they might have to give up their charter.

Have had two (2) meetings with all Masters on Ritual work and the code book.

Our State Master J. B. Quinn met with us in our Pomona meeting of September and gave a good talk on

water. The meeting was attended by over one-hundred (100) members as it was lowered to the fourth degree so every one who wanted to attend could. We are all interested in the water problem here in the south land.

All in all it has been a very pleasant year for myself and my wife, going to Grange almost every night. I have installed Officers and gave the obligation to quite a number of people and I have enjoyed every minute of it.

We hope the convention will be a successful one in Ukiah and hope we can be there to help make it just that.

I wish to thank the State Master, State Secretary and all Officers and members of the Antelope Valley Granges for the fine cooperation and many courtesies extended to myself and wife. Some of the finest people I know pass thru the doors and into a Grange Hall.

Fraternally Submitted,
HARRY M. LEWIS, District Deputy

Butte County

TO THE OFFICERS AND MEMBERS OF CALIFORNIA STATE GRANGE WE EXTEND OUR GREETINGS FROM BUTTE COUNTY:

Again this year we have eight of our 12 Granges entered in Community Service work, sponsoring many worthwhile projects in their respective areas and from reports I receive these services are much appreciated.

Our Home Economics Departments deserve a lot of credit for the many fine projects they sponsor to raise funds for the Granges. These include dinners, card parties, dances, rummage sales and many others. When all of the earnings from these are added up it sums into a sum that enables the Granges to meet their financial responsibility. They have done quite well here.

Some of our Granges entered the local fairs and went home with some very fine prizes. These were at the Silver Dollar Fair at Chico, in the spring season and the County Fair at Gridley in August.

Members of Magalia Grange are active in the Magalia and Desabla volunteer fire department and assisted in completing the fire houses. Some sponsor 4-H Clubs and donate the use of their halls for these young people.

Wyandotte Grange took an active interest in the passage of a permissive operating tax for our high school by sponsoring a meeting where this could be discussed and brought before the public. Our Grange was highly commended for this as was our members for their contributions

towards this meeting. The letter we received was signed by the entire High School Board of Trustees.

All of our Granges do their best to maintain their membership quotas and to date the District shows a net gain of six but we hope to do better next quarter.

Our Youth groups are quite active and take part in all Grange activities. We sent a group of these youth to the Cal Poly meeting last spring and believe me they came back with some very good reports.

Pomona Grange presented a Scholarship to a Chico State student last year and again this year. Names were submitted and one was selected from the list. The one selected last year became a top honor student so Pomona feels honored and hopes for a repeat performance.

During the year we of Butte County have been honored by visits from our State Master and Sister Quinn and also their Daughter on one occasion.

Our Worthy State Lecturer also held a meeting of all Lecturers from several counties at Chico Grange Hall during the early part of this year. This meeting was well attended and helpful to the Lecturers.

As I am Master of Wyandotte this year I haven't been able to visit the various Granges as much as I should but managed one visit each and keep in touch with them and feel that we have had another good year.

Fraternally Submitted,
ERNEST E. RUSSELL, Deputy

COLUSA AND YOLO COUNTIES

WORTHY MASTER, OFFICERS AND MEMBERS OF THE CALIFORNIA STATE GRANGE, GREETINGS:

Once again I bring you a report of the status of Granges in Colusa County, with an added report of those two Granges in Yolo County, for which I was asked to serve as Deputy this past year.

First of all, let us take Colusa County. Conditions are about the same as last year, with this county being different from most of the rest of California, in that the population growth has increased but very little during the past ten years. For instance, figures just released show that there are but 5609 registered voters in the entire county. Because of the large type farms, the county being one of the largest rice producing areas in the country, it is difficult for the Grange to grow as it should.

However, as I have said before, we have many hard

working Grangers in our small county group. For instance, Colusa Grange this year took second place in the large booth class at the Colusa County Fair, and Arbuckle took second place in the small booth class. This proved good advertising for our Granges, as well as providing them with a nice income in prize money.

Richard Dopkins of Arbuckle Grange served as State Grange Youth Chairman this past year, and the county was especially proud of his appointment to the National Grange Youth Committee. He is the first Californian to ever serve on this group. Richard spent six weeks in Washington, D. C. and traveling throughout the country this past summer. He was in 24 different states and traveled over 24,000 miles in his work on the National Committee. He helped considerably with the dedication of the new National Grange Building in the nation's capital on June 29th. Incidentally, your Deputy and his wife, Dick's parents, journeyed east to the dedication and appreciated very much being present when our new headquarters was opened.

We have enjoyed very much our new association with Yolo County and it's two Granges, Western Yolo and Yolo. The latter won first prize in the large booth class at the Yolo County Fair, with a truly outstanding Grange booth. Western Yolo had a good degree team this year, conferring all four degrees in the spring at their hall in Guinda.

With no Pomona Grange in Yolo County, we are urging the Grangers of that county to join Colusa County Pomona Grange, and thus benefit members of both counties.

This past year we installed officers in Yolo County, but asked Brother James True and the Lake County team to install the officers in Colusa County. We appreciated very much that Brother True, his wife, Sister Gladys True, and the entire Lake County team could visit our Colusa County installation and help us out—for this we are sincerely grateful. Likewise, we served as installing officer in other counties where we were invited, and enjoyed this association very, very much.

We think that the visiting of Grangers benefits each individual and each Grange and we urge that members visit whenever possible. Of course, we invite the Grange members of the entire state to feel free to visit any of our Grange meetings whenever held, in Colusa and Yolo Counties.

Fraternally submitted,
MARSHALL DOPKINS, District
Deputy

CONTRA COSTA COUNTY**WORTHY STATE OFFICERS, DELEGATES AND MEMBERS OF THE STATE GRANGE GREETINGS FROM CONTRA COSTA COUNTY:**

It is a pleasure to report for Contra Costa County.

Conditions are about the same as that of last year. We have lost several members, but we are steadily bringing in new members.

We have three out of five Granges that are active and are in good condition. The other two are having a hard time. One is barely existing and the other had sickness among the officers and so did not accomplish much this year. I hope that next year will be a better year for them.

The three active Granges are doing well in their Community Service Work, Home Economics Clubs, and Civic Affairs.

The Pomona Home Economic Club sponsored a June Dairy Dinner and is making this an annual affair. I must say that I am proud of our Home Economic Clubs, beside making money for the Granges they do a lot of welfare work.

One Grange displayed an Agricultural booth and Home Economic booth at the County fair and received 1st and 2nd prizes.

All four degrees were exemplified in the subordinates. Pomona conferred the 5th degree this month.

The Lecturers are giving very interesting and impressive programs.

The Granges have been active and represented on County committees pertaining to water, taxes, welfare problem, smog control, County Fair, and all Granges have been active in community projects.

We have three Youth Groups in our county and they are a great asset to us. They help in our degree teams and some hold office in the Grange.

I installed all five Granges this year and have visited all Granges several times and reported news of interest I received from the Department of Agriculture.

Our Credit Union is progressing and is offering fine service to our members.

I hope that next year the report of the other two Granges will be more improved.

I will continue to work for the Grange to the best of my ability.

Fraternally submitted,
MANUEL J. TREBINO
District Deputy

EL DORADO COUNTY

WORTHY MASTER, OFFICERS AND MEMBERS OF THE CALIFORNIA STATE GRANGE, GREETINGS:

It is a pleasure to report for the seven Subordinate Granges in El Dorado County.

This has been a busy year for our Granges and I think all will show a membership gain and some will show substantial gains.

The Granges are all in good financial shape. Our H.E. Clubs have worked hard and have had dinners, barbecues, card parties, dances, ranch dinners, and dime-a-dip dinners to swell the treasury.

Most of the granges entered booths at the County Fair and took home substantial prizes. Some had food booths and served meals too.

Granges are busy now with plans for Booster Nights and Open House to encourage others to join the Grange.

Our Pomona H.E. Club gives a scholarship to a senior girl in both El Dorado and Amador Counties.

Degree teams have been organized by two of our Granges and have put on the degrees for several classes of candidates at different Granges.

I have held several officers schools of instruction for the new officers in many Granges this past year.

Several Granges sponsor 4-H Clubs and Boy Scouts and do a fine service to the young people of the county.

Our Credit Union, comprising Amador and El Dorado Counties, is growing and helping many of our members.

Fraternally submitted,
GEORGE H. KLARE,
District Deputy

FRESNO COUNTY

TO THE OFFICERS AND MEMBERS OF THE CALIFORNIA STATE GRANGE, GREETINGS:

I visited all the Fresno County Granges, except three, early in the year. It seems, from the late reports, the Granges have been quite active. Most of the Granges have taken in a group of new members. They have lost quite a few. However, Roeding Grange has gained 14 new members. Fresno County initiated 22 members in the degree of Pomona the 4th of October.

I moved to Santa Cruz in April and have not been able to do much Grange work. I have been unable to find a member to accept the Fresno County Deputyship. I and

the State Master have contacted a few members who we thought would make good reliable Deputies, but for different reasons they were unable to accept the responsibility.

I have enjoyed being Deputy for Fresno County, but being in Santa Cruz, I cannot do justice to the work in Fresno County.

Fraternally submitted,
O. M. DAVIS, Deputy

HUMBOLDT COUNTY

WORTHY MASTER, OFFICERS AND MEMBERS OF
THE CALIFORNIA STATE GRANGE
GREETINGS:

I have visited the Granges in my district and find them getting along nicely.

Subordinate and Pomona Granges in my District, took part in the County Fair and all won prizes.

Our Worthy State Master, Brother Quinn and Sister Quinn installed officers of various Granges in my District.

I installed the officers of the Redwood Juvenile Grange. This was very well attended.

Had a very successful State Lecturer's meeting at the Humboldt Grange Hall.

The youth put on the initiation in August, at the Humboldt Grange Hall. Large attendance and a good time.

Some of the Granges have been very active in getting new members, throughout the year.

Fraternally submitted,
FLOYD DAVIS, District Deputy

NORTHERN HUMBOLDT COUNTY

WORTHY MASTER, OFFICERS AND MEMBERS OF
THE CALIFORNIA STATE GRANGE
GREETINGS FROM NORTHERN HUMBOLDT COUNTY:

During the 1959-60 period Northern Humboldt County Pomona Grange has been extremely active. Numerous suggestions, made to various state departments, have been accepted and made part of their program this year.

We have six Granges in the Northern Humboldt district and I must say that we have had wonderful cooperation among the six masters, but not so with part of the membership of one Grange. We hope with the years it will die out and they will work with the other Granges.

We enjoyed having the youth hold their conference in our district this summer and hope they do the same next year.

I have visited all the Granges in my district at least twice this year.

I have organized a Pomona Youth Committee and they have exemplified the 1-2-3-4th degrees during the year.

Salmon fishing was the best in 15 years in Humboldt County. so bring your pole, line and boats next year and we'll be seeing you!

Fraternally yours,
H. R. "BUCK" JONES,
District Deputy

KINGS COUNTY

WORTHY MASTER, OFFICERS AND MEMBERS OF
THE CALIFORNIA STATE GRANGE:

GREETINGS FROM KINGS COUNTY:

It is again my pleasure, as Deputy of Kings County, to report to the State Grange.

Our Granges have done very well this year with a gain in membership. We had the pleasure of having our State Master install our Officers this year. The high-light of this year was the re-organizing of the River Bend Juvenile Grange. Our youth committee is doing a good job taking part in our meetings. They also took part in our Degree team. We conferred all four degrees in September.

We had our John Ellberg Hamburger Fry again this year with many of our State Officers present. We also had our Fourth of July Picnic again at Burris Park. We had our Home Economics District meeting and had a large number in attendance. Our Sister Workman was appointed District Chairman for District 9.

Our Kings County Grange Booth was awarded first place this year at the Kings County Fair. Our Home Economics Booth took first place also at the Kings County Fair in its division.

May 1 was our "Grange Go To Church Sunday." The Grangers met at our house for breakfast. After breakfast, we all attended church together in the Riverbend Church.

This year, we also have a member on the Planning Commission.

Fraternally submitted,
JOHN I. ELLBERG, District Deputy,
Kings County

LAKE COUNTY

Worthy Master, Worthy State Officers, Brothers and Sisters.

GREETINGS:

This year has been a rather dry year in Lake County and the fire hazard in our hills has been very great. We can be grateful that we have had no more fires than we did. Now we have had a rain that has made us rest easier, although there is room for improvement in this regard. We are getting a dam on Adobe Creek and it will help stop the floods in that area.

Our Granges are all working hard, either paying for a hall or trying hard to lay away enough funds to build a hall of their own. There are seven Granges in Lake County and all but two of them own their own hall. One of the two Granges has purchased a lot on which to build, but with building costs so high it will be sometime before they will be able to build:.

Eastlake Grange is the latest one to acquire a hall. The town of Clearlake Oaks built a new grammar school and the contractor would have to demolish the old school. The Eastlake Grange Master's wife, Sister Katherine Hodge, was offered the old school for \$1.00, if it could be used for some Community or Non-profit Organization meeting place. She contacted a couple of the Community Organizations to see if they wanted it but they were not in a position to finance the moving and remodeling of the building. So the Master of the Grange called a special meeting to see what they could do about raising the money to buy a lot and move the building. There was a lot just across the street from the school and it could be purchased for \$1600.00. One of the members said she would buy the lot, Sister Levina Olsen then donated the lot to the Grange. Eastlake in now meeting in their own hall.

All Granges have contributed to the various Charity drives.

Our Granges are beginning to get younger people to join. Now it is up to the older members to keep them interested, by promoting activities that all can enjoy, both young and old.

Konocti Grange sponsors a Little League baseball team. They also bought a lamb for a 4-H Club Member.

Several Granges entered booths at our County Fair. Bachelor Valley Grange won first prize on their Agricultural booth. There were other entries, but I received no report on them.

Clearlake Grange sponsors two baseball teams, the Little League team is sponsored by the Grange and the H. E. C. sponsors the Pony League team.

All the Granges in Lake County are going ahead with their plans and I commend the Masters and members for their support in helping me carry out my work.

Clearlake Grange will have the honor of exemplifying the Fourth Degree at the coming Convention this year. Konocti Grange will present Tableaux to illustrate the Four Degrees.

Fraternally submitted,
JAMES R. TRUE,
Deputy for Lake County

LOS ANGELES COUNTY AND SAN FERNANDO VALLEY

Worthy Master, Officers and Members of the California State Grange.

I take pleasure in reporting my first year as a Grange Deputy. It is interesting, educational and challenging.

The Granges in my jurisdiction have received me with a warm welcome. They are all ambitious and very cooperative.

The Home Economics Committees have been busy with a wide variety of projects.

The Pomona and Subordinate Granges financed a youth to the Youth Conference. Participated in Garden Shows, entered Booths in the Los Angeles County Fair with total prizes of \$1,225.00.

Degree teams have shown additional activity for the year. There is a total of five teams in the two jurisdictions and the Degrees have been exemplified ten times—with a steady increase in membership.

The Granges in Los Angeles County and San Fernando Valley take a lively interest in Local, State, and National affairs, and all look forward to a successful Convention and New Year for our State Master and the California State Grange.

Fraternally submitted,
KENNETH C. GREENE
Deputy, California State Grange

MADERA COUNTY

Worthy Master, Officers and Members of the California State Grange:

Greetings from Madera County. The year 1960 has been a very prosperous one for Madera County Granges.

It is my pleasure to report I am mailing in the Charter member sheet for our third Madera County Grange. I have organized it with the aid of our State Overseer Brother Deaver and Brother O. M. Davis. We have 37 charter members on the list and Chowchilla Grange is well on its way.

My only regrets are that I couldn't get it organized by the last of June. But every one was so busy irrigating and saving their crops, people were unable to attend the meetings.

I think that Chowchilla Grange will be a very successful Grange as they have a wonderful home-owned farm community, old-timers, and everything looks prosperous.

Dixieland-Berenda Grange has made a very good gain in their membership and also our own Madera Grange.

Madera Grange has taken in quite a number of young couples and they are very interested in starting a Juvenile Grange in the very near future, which looks very promising for Madera County.

I, as the G.B.O. Agent for both Granges, have done considerable business in insecticides and fertilizer. Our members are becoming interested in the benefits and are taking advantage of benefits they ignored before.

Attendance has been fair considering the busy summer everyone has had.

Quite a few members of the two Granges took their 5th degrees. My wife and I have visited other Granges and attended several anniversaries of Granges.

Our Grange contributed money towards sending three FFA boys of Madera High to Kansas City, Missouri, to the FFA convention.

Our HEC has been very busy raising money for different projects, such as buying dishes, etc. We had our annual dinner, a spaghetti dinner, which was very successful. More people get to know about the Grange by having dinners, etc.

Fraternally submitted,
JACK G. GOERINGER,
District Deputy

MENDOCINO COUNTY

To the Officers and Members of California State Grange
in Session at Ukiah California, 1960.

GREETINGS:

This month I am finishing up my tenth year as Deputy for Mendocino County and I wish to express my thanks for

the trust placed in me. My dealings with the members of Mendocino County has been one of the highlights of my life, and in many ways there has been much improvement. All Granges have taken an active part in all community service, and in the Fairs and other civic and County improvement. Enclosed you will find three Grange Secretary reports, the only ones I have received, all are too busy with the coming Convention, and so have not sent the reports.

Ukiah Grange; Burning of the Mortgage, a very interesting event, also same night Past Master's program, with the State Master Quinn and wife present, also other State officers and County officers present, including Fred Clark, Grange Deputy of Mendocino County. Community Service Projects such as, The Narcotics Story, a film shown to the public, and other projects with a total of 738 hours spent. Degree work, all four degrees twice during the year, the fourth year in a row have received the Honor Grange Certificate.

Whitesboro Grange reports; Attendance very good, gained 13 new members, graduated two from Juvenile Grange, very active in Community Service, one of these, forming the Albion Fire Department, the Albion Library, took part in the County Fair, have an active Youth Group, and are very happy to have one of our members appointed State Superintendent of Juvenile Granges.

Anderson Valley Grange has also been busy this year in many Community Service Projects, also in the County Fair. Have also put on the four degrees during the past Grange year, raised delegate expense money bby rummage sales.

I have traveled throughout the County and believe that with a little help from California State Grange Officers, Mendocino County could be one of the banner Counties of the State.

Fraternally submitted,
FREDRICK W. CLARK, Deputy
Mendocino County

MERCED COUNTY

Worthy Master, Officers and Members of the California State Grange:

Again it is my pleasure to report Grange activities for Merced County.

Grange activity and interest seems to be about the same as last year. Membership has not come along as much as one might like but attendance is about the same.

About half of the Granges in the County entered booths in the County Fair. Competition was keen.

The ladies of the Home Economics still seem to be the "spark-plugs" of our Granges. They help with welfare work, dinners and this year started a Scholarship fund to be given to some deserving boy or girl interested in furthering their education in the agricultural field or in the economics field.

The Grange Credit Union is growing steadily and is a great help to many of our Grangers.

As the year closed and convention time is here again we wish you a successful convention and turn our eyes and ideas towards planning another year in Grange work.

WILLIAM F. PETERSEN
Merced County Deputy

MODOC COUNTY

To the Officers and Members of California State Grange GREETINGS:

Again it is my pleasure to report on the Grange Activities in Modoc County.

Our Granges are divided into four Valleys: namely Surprise Valley, Goose Lake Valley, Big Valley and Pit River Valley.

All Granges have been active in their respective Communities. Cedar and Eagle Granges in Surprise Valley have taken an active part in their County Fair winning top prizes.

Pomona Home Economics Committee under the leadership of Eunice Staton have carried on various projects with the Subordinate Granges.

Davis Creek Grange in Goose Lake Valley has been active in 4-H and Future Farmer work. Alturas Grange has renovated their hall and rest rooms, also roof and floor.

Master and Mrs. P. C. Weber held a steak barbecue for the members at their cabin on Mill Creek.

Early in the year Lookout Grange in Big Valley held a Style Show which was very successful.

Also held their annual celebration in June.

Our Credit Union is doing good work in caring for the financial and savings of our members.

DAN W. CASEY, District Deputy

MONTEREY COUNTY

Worthy Master, Officers and Delegates of the California State Grange.

May I extend greetings from the Pomona and Subordinate Grange's of Monterey County.

Our meetings have been light in attendance, but those in attendance have worked hard toward the good of the order.

We had good attendance at all three of our joint Installations in January, and also at our County Wide Officers meeting held in the Marina Grange Hall. We were honored with the presence of our Worthy State Overseer, Brother Chester Deaver as guest speaker.

The Subordinate Grange's presented two \$100 Scholarships, one to an agriculture student, and one to a Home Economics student who are now enrolled in 4 year colleges of their choice.

Six Subordinate Grange's and one youth group entered vegetable booths in the Monterey District Fair. They received blue ribbons in the three different size divisions, and also enriched their treasuries over \$1300. Also two Grange's Big Sur and Marina have entered the Community Service Contest.

Our Pomona Grange celebrated its 28th Birthday, September 17, with a lengthy program put on by our Pomona Lecturer Sister Doris Deaver. Eight of the thirteen Past Pomona Masters and several Lecturers, Home Economics chairmen and Secretaries were present and were honored.

Prunedale Grange has been conferring the First and Second Degrees the first meeting of each quarter, and the Third and Fourth Degrees the second meeting of the month of each quarter. They invite all Granges to bring their new members and receive the Degree work along with their own members.

The Granges have been working very close with our local and state government, and are always ready to assist when needed.

In closing, may I say the Granges in Monterey County are working hard to enlighten the present, and improve the future relations of all Patrons of Husbandry.

Fraternally submitted,
HORACE S. FLEMING,
District Deputy

NAPA COUNTY

Worthy Master, Officers and Members of the California State Grange.

GREETINGS:

Again I have the pleasure to report that the Napa County Granges are in good financial condition and with

good attendance at meetings, also there was a small increase in membership during the year.

The year began with a joint installation of Officers of all Granges of the County and again I had the honor of installing same.

All Home Economics Committees were active this year. Pomona H. E. C. with the assistance of all Subordinate Home Economics Committees presented their annual Friendship night. The entertainment was excellent and was enjoyed by a large crowd including a group of State Grange Officers headed by our Worthy State Master J. B. Quinn.

Our Napa County Granger's Credit Union continues to grow and prosper with assets in excess of \$428,000.00.

Faternally submitted,
ALLEN LINDEBECK,
District Deputy

PLACER AND NEVADA COUNTIES

To the Officers and Members of the California State Grange.

GREETINGS:

It is a pleasure to report for Placer and Nevada County Granges this year. I visited all the Granges and some of them several times. I also attended two lecturer conferences this year. We have lost several of our faithful members this year by death.

Placer Nugget Pomona Grange No. 29 has held regular meetings with fair attendance. In July our annual picnic was held at Meadow Vista Grange Hall with a very small attendance. Our annual card party was held at Banner Grange Hall. The proceeds were used for the one hundred dollar (\$100) award to a Future Farmer boy and a Future Homemaker girl.

Loomis Grange is the outstanding Grange this year. They have entered the community service contest. They also sponsored 4-H Club, youth dances, senior citizens club, hot lunches for needy children and many other projects too numerous to mention. They took first prize on their booths at both fairs in Placer County. Also had their hamburger stands at these fairs. The new addition to their hall will soon be completed and ready for dedication.

Gold Hill Grange is still struggling along with small attendance. They have had several public parties as fund raising projects. The County Supervisor of this district was guest speaker at one of the meetings and explained how

county government is run. The front of the hall is undergoing repairs at the present time.

Mount Vernon Grange has had a very poor attendance this year. Their projects are to help needy families, sponsor blood bank, and aid any family who is in distress. Took prizes at both fairs in county this year. They have rented their hall to the Auburn Union Elementary School this year, so no outside activities are held at the hall now.

Long Valley Grange attendance has been very good this year. Several members go to hospital and work one day each month. Have made quite a few improvements on their hall and have installed a cooler in the hall.

Meadow Vista Grange has had good attendance. They sponsor junior baseball club, have fund raising projects for purpose of aiding needy families, have had successful progressive dinners and a Fourth of July Celebration. A new hall for the Juvenile Grange is in the process of being built.

Placer Foothill Grange has not been very active this year due to several of the members moving away.

Sierra Nevada Grange attendance has been very good. They have given donations to Placer County Health Association and helped needy families. They have completed the well on their property and are now ready to start building their own hall.

Banner Grange is still going strong. At their annual Polio Card Party five hundred dollars (\$500) was cleared which was given to the Polio Fund. They have made many improvements and have taken in twenty nine (29) new members so far this year. They also took first prize on their booth at the fair in Grass Valley.

Rough and Ready Grange is also having a very good attendance. They have had candy sales and rummage sales to raise money to help a family, where there was a death also help needy families and those who lost their homes by fire. They had a circus to create interest and bring out their members. I was unable to attend this circus but am told it was very good and amusing.

All the Home Economics Clubs have been very active. They have been busy making money for delegate funds, state scholarship fund, white Bible fund for juvenile project and supply anything their Granges need.

Our Credit Union is still growing. We now have over two hundred thousand dollars (\$200,00) and still going up. Each meeting we take in new members.

Meadow Vista and Mount Vernon Juvenile Granges are still very active.

On Saturday, September 10, 1960, a ham dinner was served to over two hundred (200) people at the Auburn District Fair. Chester Deaver, State Grange Representative was the guest speaker.

Fraternally submitted,
ELDON GAGE, Deputy

PLUMAS COUNTY

Worthy Master, Officers and Members of the California State Grange.

GREETINGS:

I am pleased to report that the Granges in Plumas County are in satisfactory condition. At last report at least two have had a small increase in membership. The Sierra Valley Grange will initiate eight new members at the next regular meeting.

All three subordinate Granges had booths at the Plumas County Fair and took first, second and third places.

All Subordinate Granges have engaged in community projects, including sponsoring 4-H Clubs in their respective areas. Our Granges have raised funds for the foreign exchange student program and at least three Grange families have been host to IFYE youths.

Many of our Grange members have been hard hit by the drouth of the last two seasons and have had to import hay from Sacramento Valley. Another dry season could have very serious consequences.

Respectfully submitted,
BRUCE MILES, Deputy
Plumas County

RIVERSIDE COUNTY

Worthy Master, Officers, and Delegates to the California State Grange Convention:

Again it is my pleasure to report that all Granges, with the exception of two, are in good financial condition. Attendance at meetings is fair and interest is holding at the usual level.

A small net gain in membership has occurred, however the losses have been exceptionally high.

Some of the Subordinate Granges have supported the District and County Fairs and have received good financial awards. Home Ec. Committees continue to be active and all hold regular meetings.

The Pomona Grange continues with its scholarship of \$250.00 to some worthy student each year.

Riverside County Federal Credit Union has had one of its best years since it was organized.

Some of our Granges are active in community service and I believe the interest in the project is growing.

Degree work stands at an all time high. Riverside County has several outstanding degree teams.

It has been a great honor for me to serve as Deputy the past 14 years for Riverside County.

Fraternally submitted,
SIDNEY M. RISPALJE,
District Deputy

SACRAMENTO COUNTY

Worthy Master, Officers and Members of the California State Grange

GREETINGS TO ALL FROM SACRAMENTO COUNTY:

As we are again approaching the close of another year of Grange progress, it is my pleasure and privilege to report to the delegate body of this eighty eight annual session the progress of the Granges in my district.

The Subordinate Granges have made a net gain in membership and are showing more activity than of the previous year. One Grange has improved their hall by installing an acoustic tile ceiling making their hall one of the best in the state, also building a barbecue and a large patio in their picnic area and retiring debt on their hall.

Another of our Granges is serving a most delicious breakfast on the second Sunday of each month. This is to be a permanent project. From the financial proceeds they have aided a child who is afflicted with cancer, and have purchased new furnishings for their hall.

One of the oldest Granges in this county conducted a very impressive memorial service dedicated to our late Sister Margaret Robinson who was our very faithful Lady Assistant Steward of the California State Grange for twenty eight years.

The newest Grange in this district which has accomplished much in community service has again entered the Community Service Contest. Have served their Mans Annual Spring Breakfast (served by the man). Also their annual Country Fair which has just come to a close, September 24, 1960.

A very active Grange in the southern part of this county which has participated in their community festival, served the Grange Day Luncheon at the State Fair and also received two awards on Agriculture Feature Booths.

Three Subordinates and Pomona entered agriculture feature booths at the County Fair each receiving awards.

Sacramento County Pomona Grange and the members of the eight subordinates operated a food concession at both County and State Fairs, the net proceeds being equally divided among the nine Granges.

The Sacramento Grange Degree Team has conferred the degrees to all their candidates this year, also traveling by chartered Greyhound bus conferring the degrees to candidates in neighboring counties.

The fifth degree team has conferred the degree of Pomona to all their candidates.

The members of our Juvenile Granges have entered some very interesting displays at the State Fair and were awarded several very nice prizes for their splendid handy-work.

The ladies of the home economics committee in both subordinate and Pomona Granges have worked diligently on many worthwhile projects.

The Sacramento County Grange Federal Credit Union has made gains in both membership and loans.

One of our Granges has been striving diligently for a 10 per cent net gain in membership but has lost as of this writing, due to the demise of two of their faithful members.

Have visited the Granges in my district and found them to be financially sound and working.

Fraternally submitted,
PERCY R. SIMONS, Deputy

SAN BERNARDINO

Worthy State Master, Worthy Statewide Representative, Officers and Delegates of the California State Grange:

Sincere greetings from San Bernardino County. We are really thrilled and a bit proud to have the Worthy State Master and Worthy Statewide Representative both from our area and members of our local Granges. We feel that it is quite an honor.

Since having been appointed Deputy at our annual July Pomona Picnic I have had some thrilling experiences. It is gratifying to learn first-hand, as it were, of the commendable work and accomplishments of the Home Economics Committees and various other Grange service-groups at both Subordinate and Pomona Grange levels. All our Subordinate Granges own their own halls, and hold one regular and one short business and social meeting per month. As Pomona Master and Deputy we attend most of these meetings. Our

Pomona Grange and one Subordinate entered feature booths at the County Fair.

All our Subordinates participate, and 75 per cent of them entered the Community Service Contest. We feel Grange membership is our major local problem.

Hope to be of service from here on.

Fraternally,
ULYUSS G. ROSE, Deputy
San Bernardino County

SAN BERNARDINO COUNTY (MOJAVE VALLEY)

Worthy Master, Officers, and Members of the California State Grange. Greetings from Mojave Valley Pomona No. 33, San Bernardino County.

It is with pleasure, that we in this area are able to report favorably. We have not made any substantial gain in membership, but we have carried on in our work and are a highly respected organization in this county.

Much interest is manifest in our State water problems. It is interesting to note the reliance our members have for the Grange program.

Four of the seven subordinate Granges have had elaborate programs, celebrating their 25th Anniversaries.

With the changing population and means of making a living, it is a challenge to the Grange to hold its place and prestige and to get those new people in line with Grange thinking.

We have an active Credit Union; many members are participating in the C. P. S. and Fraternal Fire Association.

Most of our Granges have entered the National Grange Community Service Contest, and have thereby been incited to many new projects.

Six of our Granges are now working on Fair Exhibit Booths to open October 4, 1960.

Our thanks and appreciation for the invitation of Ukiah to come to this section of the state.

Fraternally submitted,
HENRY A. JOHNSON,
District Deputy

SAN DIEGO COUNTY

Worthy Master, Officers and Members of the California State Grange.

GREETINGS FROM SAN DIEGO COUNTY:

The Granges in this district have again demonstrated their capabilities in many ways this past year.

The challenge to organize and promote degree work has been accomplished and we are now prepared to initiate new members properly, thanks to all of the members who are taking part in this most important of all Grange activities.

Our scholarship awards to high school graduates have been made and plans for the coming year are already in effect.

Our smallest Grange in membership, Pauma Valley, has won a third place award in the State Community Service program. A fine award for a dedicated group of members.

Our new Home Economics District is showing substantial progress under the direction of Sister Rosa Burdick and the activities of our Pomona and Subordinate H. E. C. are most commendable.

The nine Subordinate and Pomona Granges are at an all time high and we look to 1961 with great interest and our implicit faith that we shall meet our obligations knowing we have the courage and strength of all our Brothers and Sisters to guide us.

In conclusion may I thank you for the honor and privilege of representing the California State Grange in this district and I wish for all of you a most successful new Grange year.

Fraternally submitted,
RAYMOND ZARBAUGH

SAN JOAQUIN AND CALAVERAS COUNTIES

Worthy Master, Officers and Members of the California State Grange

Greetings from San Joaquin and Calaveras Counties as another Grange year draws to a close.

For the second straight year in a row I am pleased to report a new Grange Hall is being built by a subordinate Grange in this district. Ripon Grange is the proud owners, and their members are to be congratulated for this fine accomplishment.

Grange activity has remained steady throughout the year with good interest shown in the Credit Union, County Fair, and Officers' conference.

It has been a pleasure to serve as Deputy and my best wishes to all members for a successful and active Grange year for 1961.

Fratrally submitted,
ELMO O. WARD, District Deputy

SANTA BARBARA COUNTY

Worthy Master, Officers and Members of the California State Grange
GREETINGS:

The year of 1960 has been another hectic year in Santa Barbara County, due to the big Navy and Air Force installations.

Agriculture has been very disappointing this past year, due to the lowered prices.

The Granges of Santa Barbara County have been doing very well for the adverse conditions they are working under. People are on edge, due to the lack of a sense of security. Most people are afraid that somebody else is going to get more than they are.

We have had one youth group organized this past year, and another underway. Brother Raines organized a new Grange (Garden City Grange) at Santa Maria.

The Credit Union is doing very well and the Death Benefit is gaining new members all the time.

All Home Economic groups are working hard, and this is always good.

So there is a lot accomplished, but a lot more to be done.

Fratrally submitted,
VERIL CAMPBELL,
District Deputy

SANTA CLARA COUNTY

Worthy Master, Officers, and Members of California State Grange
GREETINGS FROM SANTA CLARA COUNTY:

Another year has passed and our attention is diverted to our Convention with many important issues to consider.

We, in Santa Clara County, started our year with a joint Installation of Pomona and twelve Subordinate Grange Officers, having had the honor to be installed by our Worthy State Master, J. B. Quinn. This was a public affair held in our Civic Auditorium in San Jose.

The Granges in Santa Clara County have again been active in civic and County affairs. Pomona and ten of our twelve Granges having Fair Booths and receiving cash prizes, not to overlook our Youth Grange, with their fine booth receiving first prize.

The Home Economics Committee again had their Strawberry Booth at the Fair with each Grange, including Pomona, receiving \$355.33 each for their eight hours of work.

The gross returns being over \$8,000.00 for seven days of the Fair.

Pomona Grange again giving a \$100.00 Scholarship to an agriculture student, along with several of the Subordinates, also giving scholarships.

Our Pomona Youth Groups are very active, sending delegates to Cal Poly and Humboldt State College Conference.

I feel Santa Clara County Granges have done very well this past year, gaining a little in membership and making additions and improvements to their Halls. Our attendance at meetings has been very good and interest is high.

I have attended many meetings outside my county and have enjoyed their hospitality very much, not having missed many meetings in my own district. I also attended the two Deputy's Conferences which are always interesting and constructive to the Deputies.

Almost overlooked our Credit Union which is growing every day. Congratulations to the Officers.

In closing, I wish to thank the Officers of the California State Grange for their help and guidance on many occasions. May you enjoy the best of everything. And may we have a harmonious Convention at Ukiah.

Fratrnnally submitted,
JOHN W. BUCK, District Deputy

SANTA CRUZ COUNTY

Worthy Master, Officers and Members of the California State Grange
GREETINGS:

It is the end of another Grange year, time for another annual Convention and our annual reports.

I am happy to report that Grange membership in the county is one hundred-eighty above what it was this time last year. Each Grange has been quite active in Grange work and community activities.

I had the pleasure of installing the Officers of Santa Cruz County Granges in January at Santa Cruz Live Oak Grange Hall. Held an Officers meeting in February at Corralitos Grange Hall.

On April 6, with the help of my wife, I organized Aptos Grange No. 800 with seventy-four names on the Charter list, they now have one hundred-seventeen members. We encountered many obstacles in our work but now most of them have been removed and I am confident Aptos Grange is on the road to success.

Soquel Grange still continues to have their breakfast the first Sunday of each month with great success, they also have their Blood Bank and take part in the Soquel-O-Rama, they also have a First and Second Degree Team.

Santa Cruz Live Oak Grange are paying for their hall with their monthly Turkey Dinners. Their Youth Group won first prize again this year on their Fair Booth. Their Youth Chairman Lauren Morelli took first prize at the County Fair on the Shorthorn heifer given him by the California State Grange last year.

Madonna Grange won first prize on their Booth at the County Fair and Roache Grange won second prize on their Booth.

Corralitos Grange still conduct their dances twice a month and the Youth Canteen dances twice a month. They have taken several Youth into the Grange this year and hope to have an active Youth Group next year.

The Home Economics Committees in the County are quite active in each Grange.

Santa Cruz Pomona Grange once again sponsored two one hundred dollar scholarships which was awarded to the outstanding boy majoring in Agriculture, and the outstanding girl majoring in Home Economics. The Pomona Grange also had a Chicken Barbecue Dinner to raise money which was held at the County Fair picnic grounds.

In conclusion I wish to pay tribute to my wife and the many Brothers and Sisters who assisted me in many ways during the past year.

Fratrnnally submitted,
RUSSELL SPAIN, Deputy
Santa Cruz County

SISKIYOU COUNTY

Worthy Master, Officers and Members of the California State Grange

GREETINGS:

It is my pleasure as District Deputy, to report on the Grange activities of Siskiyou County.

This is a large county with eight Subordinate Granges. Many of them located in isolated mountainous areas. Progress is noted in every Grange. I want to make special mention of Gazelle Grange. Their new hall was completed and ready for use this spring. Our Worthy State Master J. Blaine Quinn dedicated the hall, in an outstanding ceremony. Their membership has doubled. They entered the Community Service Contest, winning first in the State and

in the top ten in the nation. A movement is in the making to organize a Juvenile Grange.

Five Granges entered booths in the Siskiyou County Fair, all of them taking prizes. Gazelle had the distinction of taking three firsts, on their entries.

Greenhorn Grange has Degree Teams for all four degrees, and an installing staff who ably assisted me in the Grange Installations throughout the county. Greenhorn Grange is the largest Grange in the State, and a steady growth continues.

Tulelake and Dorris Granges are active, keeping up their membership and holding regular meetings. Dorris is organizing a Home Economics Club at this time.

Mt. Bolivar Grange holds an important place in their community. Plans are made to organize a Juvenile Grange in the near future.

Scott Valley Grange is taking in new members and have taken part in many worthwhile projects. Much has been done to improve their Grange hall.

Happy Camp and Hornbrook Granges are active and holding regular meetings. Booster night programs are being planned throughout the county.

The H.E. Committees have done good work in their respective Granges. Gazelle Grange was host to the District meeting held in May.

The Siskiyou County Grange Credit Union is making a steady growth and is serving many Grange members.

Best wishes for an interesting and successful convention at Ukiah in October.

Fraternally,
VAYNE O. RALTON,
District Deputy

NORTHERN SONOMA COUNTY

Worthy Master, Officers and Delegates of the California State Grange.

GREETINGS FROM NORTHERN SONOMA COUNTY:

We are happy to have the State Convention held in the northern part of the state. The Granges in the northern part of Sonoma County have been active in all phases of Grange work, and most of them have shown an increase in Grange membership.

Most of the Granges have participated in the county and local fairs. Cloverdale Grange, for example, won first place for the sixth consecutive year in the Cloverdale Citrus Fair which is held in February of each year. Windsor Grange

entered a float in the Healdsburg 4H Fair and Sebastopol Grange always enters a booth in the Sonoma County Fair.

Sebastopol Grange is sponsoring a 4H Club in the Sebastopol community. For the year 1961 they have chosen the Gravenstein 4H Club, and will buy a replacement heifer for one of the 4H members.

Bodega Bay Grange has been working with the Boy Scouts in their community and have done some outstanding work. At present we are in the process of forming a Juvenile Grange at Hessel Grange. The first meeting found 15 present between the ages of 5 and 13. These children are very much interested in Grange work and we are in process of receiving a Charter for them. These children are very fortunate in having a Matron who is as interested in forming the Juvenile Grange as they are in joining.

Sonoma County Pomona Grange No. 1 exemplified the 5th degree in May for approximately 50 members and will exemplify the 5th degree again on the 8th of October.

County degree teams have been formed through our Pomona Grange. We now have 1st, 2nd, 3rd, and 4th degree teams made up of members of different Granges, also the 5th degree team made up of the officers of Pomona Grange. These teams are scheduled through Pomona Grange to exemplify the degree once a quarter.

Pomona Grange has been very active in legislative problems pertaining to the farmer.

Booster nights in the county have just started but they are well attended by non Grangers who are interested in Grange work and are potential members.

A Masters Conference was scheduled for the Masters in the Northern and Southern part of Sonoma County early in the year and was well attended. The conference was conducted by our Worthy State Master. A conference was also held for the secretaries in the county and conducted by Sister Clara Williamson. These conferences have been very helpful for all concerned.

In visiting the Granges several times this past year the interest shown by members has been very satisfactory.

All Grange officers are very much interested in making sure the ritual work is being performed as it should be and are not satisfied unless all officers do their parts. This is very encouraging. The Sonoma County Grange Credit Union continues to grow.

It has been indeed a pleasure to serve as a Deputy for Northern Sonoma County for the year 1960 and we sin-

cerely hope that the 88th California State Grange Convention will be a profitable and enjoyable one.

Fraternally,
HAROLD C. SMITH,
District Deputy

SOUTHERN SONOMA COUNTY

GREETINGS:

Worthy Master, Officers and Members of the California State Grange.

It is with much pleasure that I again report for our Granges of Southern Sonoma County. With the exception of one or two, our Granges in this District are all doing very well. We are hard at work, trying to bolster up, and increase the interest and attendance, and also the membership of those less fortunate than the others.

We have recently reorganized our degree teams, under the direction of our Pomona Grange, which calls for one Degree night each month. The First and Second Degrees are put on one month, the Third and Fourth Degrees, the next month, then the Degree of Pomona the third month, and so on throughout the year. It started out very successfully, and we are looking forward toward increasing our membership throughout the County substantially. The Degrees are conferred on Saturday nights, followed by refreshments and dancing.

Many Granges of the County had outstanding exhibits at the County Fair this year. The booths were well designed and beautiful, and the prizes numerous.

Our Pomona Grange has been very active this year, taking in many new members. Interest and attendance is very good.

Most of the Home Economics Clubs have been very active, and working hard for their Granges.

We had one consolidation this year. Cotati Grange consolidated with Penngrove Grange. We lost very few members. Attendance and interest have been very good.

Fraternally,
RALPH W. HOBBS,
District Deputy

STANISLAUS AND TUOLUMNE COUNTIES

Worthy Master, Officers and Members of the California State Grange:

Once again it is my pleasure to report to you as Deputy from Stanislaus and Tuolumne Counties.

This has been a successful year for our Pomona and Subordinate Granges, for our G.B.O. and Grange Credit Association. Our Home Economics Clubs are active and take part in many activities such as welfare work and Grange Hall improvement.

Throughout both counties our members are well known to one another. After our elections we have a joint installation. Throughout the year our members meet at open house birthday celebrations and they work amicably together at the County Fair Booths and Pomona Grange restaurant which has been one of our most successful projects.

Although the day we picked out for our joint picnic with Merced County Grangers turned out to be one of the hottest of the year, a good time was reported by all who attended.

Wishing you all a pleasant and successful convention, I am

Fraternally yours,
A. H. BOLTER,
Deputy

SUTTER COUNTY

Worthy Master, Officers and Members of the California State Grange

GREETINGS:

The hour of labor has arrived. A work report I must make. I have been passing blindly along the pathway of life, events occurring that I didn't understand or take time to figure out. But woe and behold I was appointed deputy and a lot I have now learned.

There is much to report and I may omit some. In January we had our joint installation at General Sutter Grange with Marshal Dopkins doing the installing, was very well done.

The masters of all three Subordinate Granges have reported on membership. Live Oak dropped several for non payment of dues and had one death. General Sutter dropped several for non payment of dues and had a death. South Sutter lost one by death.

Live Oak and General Sutter have almost gained their losses back with new members.

South Sutter has a membership of 76 as of October 1, 1960. General Sutter's membership as of October 1, 1960, is 92. Live Oak has a membership of 114.

General Sutter held a Past Master's night honoring all Past Masters and charter members. It was very interesting

as most of it centered around the struggle the Grange had during the 1955 flood. They haven't fully recovered as yet.

Live Oak had two big affairs. One was the State Master's visit and second was the honoring of our charter members and 25 year members. We presented pins and certificates.

General Sutter entered the Yuba-Sutter Fair, also the Gridley Fair and won 3rd and 6th awards, respectively. They have also entered the Community Service contest for 1961.

Live Oak Home Economics entered the Yuba-Sutter Fair and added to their coffers by winning a blue ribbon. They also took part in the Fall Festival; served dinners at the hall and several other activities which all added to a better financial standing.

The Granges have all donated to Red Cross, TB and the Heart Fund.

Ostrom Grange from Yuba County has done a fine job of conferring the degrees for both Live Oak and General Sutter. Their work was most impressive.

Live Oak motored to Wyandotte Grange for a visit and were most impressed by their enthusiasm. Came home with new ideas and increased spirit. Several of our members have visited the new Loma Rica Grange.

The Sutter County Grangers Credit Union is slow catching on but as time moves on it gains momentum.

It has been a pleasure to serve Sutter County as a deputy and hope that I have been of some service to them. We invite any Grange members from other counties to drop in and say hello.

Fraternally,
RAYMOND V. ARMSTRONG,
District Deputy

TEHAMA COUNTY

Worthy Master, Officers, Delegates and Members of
the California State Grange:

GREETINGS:

Again I am pleased to report for the Grangers of Tehama County.

The eight Subordinate and the Pomona Grange are doing very well. I think they will all show a gain in membership, and some of them will show a good gain.

All but one Grange entered a booth in the Tehama County Fair. El Camino Grange won the first prize and Westside Grange won second prize.

We had a Grange Day this year and the Granges entered in to make it a success

We were honored by the presence of State Master J. B. Quinn and wife, State Lecturer Emmett Ivey and wife and our Assemblyman Lloyd Lowrey.

The Tehama County Drill Team have put on the Degree work in all the Granges throughout the year.

The Fifth Degree Drill Team put on the Degree work at the Westside Grange September the eleventh with a large attendance.

The Home Economic Clubs are all very active, also, we have an active Credit Union.

We have an active Juvenile Grange and just recently organized a Youth Group at the Westside Grange.

I have visited all the Subordinate Granges in my County.

The Granges all had a Booster Night Program with a pot luck dinner. The Westside Grange, which is my Grange, had a very good Booster Night Program and pot luck dinner. State Master J. B. Quinn and wife and daughter attended this meeting; also, State Lecturer Emmett Ivey and wife.

It has been a pleasure and honor to serve as Deputy of Tehama County.

Fraternally submitted,
ASHLEY ROGERS,
District Deputy

TRINITY COUNTY

Worthy Master, Officers of the California State Grange, Delegates of the 88th Annual Convention, Brothers and Sisters,

GREETINGS FROM THE GRANGES OF TRINITY COUNTY:

This year Trinity County is placing emphasis on Youth. Delegates representing Pomona and Subordinate Granges are all members of Dr. Fiedler's Youth Organization and many of them will be serving as officers in the 5th Degree team at this convention. We are proud of them.

Membership in the Subordinate Granges is holding up very well and we are expecting that 1961 will show a marked upturn in both attendance and new memers. Pomona membership is now at all time high, at the last Pomona meeting five of our six Granges were well represented.

North Fork Grange No. 763 has its new hall 70 per cent completed and has held its first meeting in the new hall. Dedication date will be announced soon.

Hayfork Valley Grange No. 716 has its 1961 community service program well along, with its members working on a community park. Home Ec ladies have contributed over \$200.00 toward lawn seed and a sprinkler system. The men are leveling land and building picnic tables.

Trinity Valley Grange is quite active with its scholarship drive, packages for CARE and local clinic funds drive. The Youth Committee of this Grange is outstanding.

Trinity River Grange has made a remarkable comeback and now has a membership of 68. A year ago it was down to less than 30.

Lake Mountain and Zenia Granges in the southern end of the county are quiet during the summer months but now that fall is here, dances and bazaars are being planned, and plans for the holiday season are well under way.

The Trinity River dam earth fill has been completed and the dam topped. All that remains to complete the project is the building of the three power houses and the Clear Creek dam and tunnel, then Trinity River water will flow into the Sacramento and San Joaquin Valleys.

Fraternally submitted,
C. E. DAVIS,
District Deputy

TULARE COUNTY

Worthy Master, Officers, and Members of the California State Grange:

GREETINGS FROM TULARE COUNTY:

This being my first report as Deputy to the California State Grange, I will just briefly report our activities for the past year.

We had a joint installation of officers of all ten Granges in the County. Also Pomona Grange, with State Master J. B. Quinn as the installing officer, with Sister Quinn as installing Marshal. Your Deputy was installed as Pomona Master.

The annual Pomona picnic was held in June with a good attendance and a good time was had by all.

State Master J. B. Quinn was the speaker on water problems and water bonds of the State at Earlimart on September 19.

The Pomona Grange officers put on the Fifth Degree in full form at Farmersville on September 8, with a good crowd in attendance.

All the Home Ec. Committees of the County are very active with their various projects and working hard for the welfare of the Granges.

Grange Day was held on September 22 at the Tulare County Fair with a dinner at 7:30. State Overseer Chester Deaver as guest speaker. About 100 attended the dinner. The West Visalia Grange had a booth at the fair with many blue ribbons being taken by them.

We were privileged of having the State Booster Barrel drawing at Tulare Grange Hall, with several of the county people getting prizes.

We have had a number of the State Officers visit the county this past year.

I have visited all the Granges in the county this past year and the attendance has been fair. We are holding our own in membership, but things are looking up for us at present.

Sister Neilson and myself attended the Joint Installation of the two Juvenile Granges in the County at Farmersville; also attended other Granges out of the County. We also attended the Deputy's Conference in June, which was a great help to me as a Deputy. Brother and Sister Jeter were guests at the conference and Brother Jeter was awarded a Past Deputy Pin for his good work in Grange work.

Fraternally,
SAMUEL NEILSON,
District Deputy

VENTURA COUNTY

Worthy Master, Officers, and Members of the California State Grange,

GREETINGS FROM VENTURA COUNTY GRANGERS:

It has been a great pleasure to again represent the Grange as Deputy in Ventura County.

Our Granges meet regularly twice a month and Pomona once a month. Pomona Grange had quite an increase this year with fine attendance. The subordinate granges have just about broken even.

There is a possible chance of having some new Subordinate Granges in the county this coming year.

Without our Home Economics Clubs, I wish to say that the Grangers of our State would fall by the wayside. The H.E.C.'s of Ventura County have been very busy the past year in welfare work and when necessary the men have helped out.

In doing this report, it will be my last year as a Deputy. I have enjoyed the work and have had the fine cooperation of all the members of both National, State and Subordinate Granges.

I will help my successor to the best of my ability, and work for the betterment of all Granges wherever I may be.

May God be with us all.

Fraternally submitted,
JAMES B. FROST,
Deputy

YUBA AND SIERRA COUNTIES

Worthy Master, Officers and Members of the California State Grange,
GREETINGS:

It is my pleasure to report a steady and constant gain in membership in all of our Granges during the past year. The Granges are very active in community services. Lake Francis has a very laudable project; securing equipment for first aid, a wheel chair, oxygen tank and accessories etc. Brownsville won National acclaim for their work with the Boy Scouts. Ostrom has won wide recognition for their degree team under the leadership of Master Evans and the very popular card parties, conducted by Brother Henry Stevens. Our Pomona Grange has submitted an important resolution to the Convention, relative to pure food laws.

The Yuba County Grange Obituary Association deserves special mention. This service, organized and financed by our Grange members, is entirely self-supporting. It is one of the most needed and beneficial phases of our Grange community.

Our Credit Union continues to grow both in membership and capital asset. We have an added service to the membership in that we are publishing a newsletter under the editorship of our manager Brother Carl Prater. We feel that there is a great amount of work to be done in this field. Our Credit Union should be twice as large as it is.

The Home Economics Clubs are very active in their very numerous projects and deserve our highest praise and thanks. Ostrom HEC had a booth at the County Fair, serving strawberry shortcake, making a profit of several hundred dollars.

I was very fortunate in being able to organize a new Grange in Yuba County, the Loma Rica Grange. It had a charter list of 59 members and has grown to 100 members. It was a definite satisfaction to install the officers and to

present them their charter. We also reorganized the Lake Francis Juvenile Grange under the leadership of Brother and Sister Rhyno. It was a great thrill to give these youngsters their obligation and install their officers.

It is an honor and a pleasure to serve as your Deputy.

Fraternally submitted,
C. WESLEY REED,
District Deputy

Credit Union Program under direction of Brother Ray Clow of Sacramento, State Credit Union Committee Chairman. Jacob Hullen and Mildred Boyd, State Committee Members. Speaker, Leo Shapiro, Legal Counsel for California Credit Union League. Lance Barden, representative of California Credit Union League. Jack Kent of Central Credit Union of California.

CALIFORNIA STATE GRANGE CREDIT UNION COMMITTEE REPORT

October 18, 1960

WORTHY MASTER, OFFICERS, DELEGATES AND VISITORS:

It has been a pleasure to serve you and the Grange members of California on this very important committee.

The Credit Union movement became part of the California State Grange in the year of 1936 when two Credit Unions were organized, one in Butte County and the other in Sacramento County. Since that time, 40 Grange Credit Unions have been organized. They extend from Siskiyou to San Diego Counties, and from the Sierras to the sea.

They all started out in a very small way, with service to their members as the main purpose; to pool their savings in a cooperative manner so that loans could be made to their members for provident and productive purposes.

Today, these 40 Grange Credit Unions have 13,200 members. Their combined savings in share accounts exceed \$5,931,000.00. Loans outstanding amount to \$6,435,000.00. Combined total assets exceed \$6,954,000.00.

Total reserve fund, \$300,000.00. Total loans made to members since organization, based upon reports received as of September 30th, are in excess of \$25,000,000.00 and the average loss in repayment of these loans is less than 1%. This is a tremendous mark of achievement, further proving the purpose behind the organization of Credit Unions, and shows that the brotherhood of man is not lost in the services rendered by Grange Credit Unions to the Grange members of California.

Respectfully submitted,
RAY CLOW, Chairman

Session closed at 4:15 p.m.

LECTURER'S PROGRAM**October 18, 1960—7:30 P.M.**

1. Introduction of State Lecturer, Emmett W. Ivey.
2. Invocation, Leta Littler, Chaplain.
3. State Talent Contest:
 - a. Roache Grange Kitchen Band, Emma Taylor, Director; Helen Bluff, Zenia Rippey, Anna Radalyac, Myrtle Wilson, Grace Ortner, Esther Hansen, Mabel Ashton, Olive Brownell, Stella Juravich, Leona Longly, Peggy Mitchell, Hazel Brownell.
 - b. Blue and Gold Chorus, Sebastopol Grange, Nona Carington, Director.
 - c. Jeannie Lopez, Little Lake Grange.
4. Hester Knispel, Organist, Clear Lake Grange.
Theme song "California Here I Come".
5. Pageant: History of California, Directed by Anna McCartor, Lecturer, Glenn County Pomona; Violet Clark, Lecturer, Tehama County Pomona; Assisted by Verda Wick, Lecturer, Butte County Pomona and members of Glenn County, Tehama County, Butte County and Mendocino County, as follows:

Dwain Brown, Eugene Stephens, Rollin Stephens, David Jansen, Rodney Lindsey, Mr. and Mrs. Robert Gilfillan, Mr. and Mrs. Justus Borchers, Mr. and Mrs. Leonard Hendricks, Mr. and Mrs. Darwin Shaffer;

Hazel McElroy, Harold Jensen, J. M. McCartor, Mr. and Mrs. John Craytor, Mr. and Mrs. E. J. Salvagno, Mr. and Mrs. Forrest Phillips, Mr. and Mrs. Carl Booth, Christee Booth, Francis Haven, Nellie Snodgrass;

Bertha Michaels, Lloyd Warren, Sarah Richards, Mike Manos, Mrs. Roy Holten, Mr. and Mrs. Walter Reese, James True, W. G. La Caille, Roy Kerr, Emmett Hulen, George C. Schmidt, Mr. and Mrs. Ralph Shaw, Mr. and Mrs. Albert LeFranchi;

Carl Stirewalt, Charles Conway, Joe Ulirach, Lottie Conway, Mr. and Mrs. Vaughn Hurt, Paul Saracco, Karen Kruger, Barbara Wood, Tom Holloway, Saranne Carlson, Joe Pipkin, Ginger Cox, Mr. and Mrs. Rolin Eslinger, Ethel Mendenhall, Alfred Hitchcock, Mr. and Mrs. James Ryan, Florence Ulirach, Assistant Director.

Results of Talent Contest:

Marie Wood, Joe Paul, Martha Todd, Louise Wood
and Virginia Templemann.
- 2nd. Gold Flats, Long Valley Grange—
Gene Breshears, Bob Arnold, Harry Rowe and
Jack Johnson.

Results of Art Contest:**Oils:**

- 1st. Hazel Erkers, Rainbow Valley Grange.
- 2nd. Mrs. Guthrie, Little Lake Grange.
- 3rd. Belle Leroux, Progressive Grange.

Pastels:

- 1st. Louis McNabney, Golden Poppy Grange.

WEDNESDAY, OCTOBER 19, 1960

California State Grange was called to order by Worthy Master J. Blaine Quinn at 9:30 a.m. Session opened in the 4th Degree. State Chaplain, Leta Littler, gave the opening prayer.

Opening Song, "America the Beautiful".

Presentation of Flag by State Ceres.

Roll Call of State Grange Officers—Jackson C. Raines, absent.

Reading of Journal of yesterday.

Lars Nelson, Master, Washington State Grange; Elmer McClure, Oregon State Grange Master; Ray Gill, Past Master Oregon State Grange and Sister Gill, and Past Master George Sehlmeier escorted to Master's Station and introduced.

The ladies of the Home Economics Clubs, led by Sister Gladys True, State Home Economics Chairman, entered the convention hall and presented their tokens for the Humboldt State College emergency fund. The theme was "Bells". Sister Glenn gave a short address and each District Chairman was introduced.

Nominations for State Executive Committeeman: Merle Mensinger, Escalon Grange, San Joaquin County, and Arthur Burekle of Antelope Valley, nominated.

Invitation extended from City of Santa Monica. Representatives of the Convention Bureau of Santa Monica gave the invitation from the City for 1962 convention.

Robert Earley, First Vice-President, Farmers Insurance Group was introduced and gave his annual report.

FARMERS INSURANCE GROUP

I am deeply grateful to Your Worthy State Master J. Blaine Quinn for the very generous words he used in presenting me.

He was so much kinder than a friend of a Kentucky Senator. This friend was a very plain, blunt man.

When he introduced the Senator, he said, "Ladies and gentlemen, I'm not going to bore you with a speech today, but I will present to you a man who will!"

It is a sincere pleasure for me to speak to you because our two organizations—the Grange and the Farmers Insurance Exchange—have enjoyed a very close association during the past 31 years.

We have always maintained a mutual understanding and respect for each other because our two organizations have much in common.

The Grange was formed in the 1870's to fill a vital need of the farmers of America.

Big business and growing cities of that era looked upon agriculture as something to exploit. The helplessness of the individual farmer cannot be appreciated by those who enjoy the organization today. He had no voice in the government—no defender—no consideration by those who were overrunning the country with expansion.

Your organization—the Grange—has changed all of this. The Grange has been an outstanding example of what can be accomplished for the good of all—by a cooperative organization.

The Farmers Insurance Exchange also was formed to fill a need of farmers.

Our founders, Mr. Thomas E. Leavey and Mr. John C. Tyler, had long felt that the farmer was being penalized by the big companies whose rates were based on city hazards.

So, in 1928, the Farmers Automobile Inter-Insurance Exchange was formed to give lower rates to the careful driver—backed by superior claims service.

Like the Grange, the Farmers Exchange was formed on a cooperative basis.

From the very beginning, National, State and Pomona Masters of the Grange have served as members of the Board of Governors of the Farmers Exchange. As an example, George Sehlmeier has been for many years, and still is, a member of our Board of Governors.

In 1932, Farmers was officially approved by the National Grange to sell auto insurance to members living west of the Mississippi River.

An interesting historical item was brought to my attention not long ago.

Like most companies, we publish a monthly magazine to keep our agency force informed. The magazine forms an important link between the Home Office and the Agents in the field.

The lead article in the November, 1929, issue concerned the Grange.

Among other information, the article stated, and I quote—

"For the benefit of those who do not know just what the aims and ideals of the Grange are, we are pleased to give here a brief resume of what has been accomplished by it, and what its purpose is.

"Its main purpose is to assist cooperative associations, by taking up all questions pertaining to the well-being of farmers in general. Each local Grange takes part in community affairs and works for the general betterment of the community.

"Here are some of the outstanding achievements of the Grange:

- "1. It brought about the establishment of rural mail delivery and was instrumental in establishing parcel post.
- "2. It was the Grange that advocated and finally had created the U. S. Department of Agriculture, whose Secretary is one of the President's Cabinet.
- "3. In California, it was the Grange Committee which existed for 12 consecutive years, whose weight materially assisted in having the statute finally embodied in our laws which permitted the forming of County Mutual Fire Insurance Companies, which now save to its former members over a half million dollars annually."

Remember—this was printed in the Farmers Exchange Magazine in November, 1929—when our company was only a little over one year old.

The growth and accomplishment of the Grange since that time are familiar to all of you.

The Farmers Insurance Exchange, too, has grown.

As you know, statistics can be used to support anything. Of course, what they support best is statisticians.

~~~~~

However, only statistics can show growth and public acceptance.

In 1929, the Farmers Insurance Exchange had assets of \$492,600, and a surplus for the protection of its policyholders of \$102,291.

At the close of 1959, Farmers has assets of over \$136,500,000, and a surplus for the protection of its policyholders of more than \$50,000,000.

During this past 30-year period, both of our organizations have met problems—some of great magnitude. We both have adapted ourselves to the changing times—because both of our organizations have leaders with courage, foresight and imagination.

We are not like the old Vermont gentleman who was interviewed by a New York reporter when he'd lived one hundred years.

The reporter said to the old gentleman, 'Sir, you must have seen a great many changes during your hundred years of life.'

The old man said, "Yes, and I've been agin' all of them."

This certainly has not been true of our two organizations.

The Farmers Insurance Exchange has never stood still. We have constantly sought ways to broaden our coverages and improve our service.

To this end, we have added four other companies so that now the Farmers Insurance Exchange is the **parent** company in the Farmers Insurance Group.

In 1935, we formed the Truck Insurance Exchange—also a cooperative. This company insures businesses, trucking lines, churches, school districts, and farming operations.

A third cooperative was added in 1942—the Fire Insurance Exchange.

Then in 1953, we formed the Mid-Century Insurance Company and bought the controlling interest in an established life company—Farmers New World Life Insurance Company.

With these five companies in the Farmers Insurance Group, we can better serve our policyholders with protection against all modern day hazards.

All of these five companies operate under the same principles as the Farmers Insurance Exchange—to give our policyholders broad coverages at low rates, backed by fast, fair, friendly service, which has gained us the public acceptance and loyalty we enjoy today.

As many of you know, the Farmers Insurance Exchange

pioneered in rendering a superior type of service to its policyholders.

From the earliest days, the company has given claims authority to its agents in the field so that most claims are settled by the insured's own agent.

The Farmers Exchange was one of the first companies to reward the careful driver. We have given an accident-free discount for the past seven years. This discount is applied on top of our low rates. In addition, we give a special discount to farmers.

Farmers was one of the first companies to recognize the need for policyholder protection from the irresponsible, uninsured motorist or hit-and-run driver. The Uninsured Motorist coverage has been **automatically** included with liability coverages on our auto policies since 1957.

Farmers was one of the first companies to give a 25% second car discount in rates.

Another benefit is also automatically included. In all states that allow this procedure—we waive the collision deductible if two of our policyholders are involved in an accident with each other.

Farmers is also one of the first companies to include board form benefits in Medical Payments.

We look after our policyholders, too, when legislation may affect them. When State Financial Responsibility Law requirements are changed, we automatically adjust our policyholders' liability limits to meet the requirements of the law.

Our concern extends farther than our own policyholders because we look to the future.

One of the problems which is occupying a great deal of our efforts is the youthful driver, who, today, is causing so many and such costly accidents.

We recognize the fact that the youthful driver of today becomes the responsible driver of tomorrow, if he has the proper guidance.

Consequently, we sponsor and are involved in a large number of driving schools for youthful drivers and safety educational projects.

The youthful driver group at present has to pay a higher rate for insurance because it is neither fair nor just to ask the careful, accident-free driver to help absorb the cost of accidents caused by this group.

We recognize that we have not found the most desirable solution to this problem, and have it under continuous study and experimentation.

Other problems affecting the entire casualty insurance industry have caused us concern.

The past several years have been trying ones in the automobile insurance field.

Inflation has entered into the cost of accidents as in other areas. The cost of hospitalization, doctor bills, car repairs, court verdicts—all have skyrocketed.

Many big insurance companies lost millions of dollars during the past several years trying to hold their rate levels while money was pouring out to pay claims.

The Farmers Exchange also faced this crisis. However, we were not hurt as much as most companies due to our policy of being a selective risk company.

We recognize the fact that one reason why Farmers has been able to weather this crisis—and others in our past history—has been largely due to the sound advice given the company through the years by Grange officers who serve on our Board of Governors—and because of our large group of policyholders who are stable, responsible members of the Grange.

Farmers does not take lightly our close association with the Grange. We feel our responsibility seriously—and through the years, the company has supported the Grange—just as the Grange members have supported Farmers.

We have grown together—cooperatively—in the American tradition of service.

If we each continue to hold firm to the values upon which our organizations were founded, we shall continue to grow—and to contribute toward the betterment of the community, the state and the country.

ROBERT EARLEY,  
First Vice President  
Farmers Insurance Group

Panel discussion "Youth in the Grange" under the direction of Carle Fiedler, State Youth Director. George Schmidt, Master of New Era Grange, Rita Butler, Trinity County, David Austin, Los Angeles County and Serena Petty, San Luis Obispo County, were members of the panel.

Twelve noon on Wednesday set as closing time for presentation of resolutions.

Conservation 1, 2, 10, 11 combined with Conservation 8. Given a do pass by Committee. Adopted as amended.

Credentials list read by Sister Rubie Alberti, Chairman of the Credentials Committee. Motion to accept report as corrected.

Session recessed for lunch at 12:10 P.M.

Reconvened at 1:45 P.M.

---

State Youth Activities Director, Carle Fiedler, introduced Dr. Peterson, head of the Education Department of the State of California. David Austin, member of the State Youth Group introduced Roy Kilgore, President of the California Association of Future Farmers of America, North Hollywood Chapter, who addressed the session.

**Remarks by Roy Kilgore to the State Grange****October 19, 1960****MR. QUINN, MEMBERS OF THE STATE GRANGE.  
AND GUESTS:**

Today is a day of great meaning and significance to me as a Future Farmer, for once again the 12,000 Future Farmers of California are able to extend their greetings and thanks to you, the members of the State Grange.

Only in America could we have these two great organizations working for the benefit of agriculture. Yes, the State Grange and the State Association of Future Farmers of America are indeed two great organizations and I must add, quite alike in purpose and ideal.

It is the purpose of the Future Farmers of America to promote rural leadership and character. It is the purpose of our rural leaders to provide an interest of mutual understanding among farmers, people of urban areas, and the

people of the world. It is only natural that our leaders come from the producers of food and fiber for this is agriculture and agriculture is the basic industry of all nations of the world. Build rural leadership; leadership with a strong backbone of patriotism and democratic ideals — the democratic ideals illustrated in our two organizations.

The American family farm shows a true free-enterprise system found in the United States. Approximately 95 per cent of American farms are family farms. From these farms we find the vast majority of our Future Farmers of America. So in visualizing the family farm, we see that from these farms we will not only have food and fiber, but rural leaders and a primary example of the free enterprise system.

A moment ago I mentioned that we must create a mutual understanding between people of urban areas, and people of the world. It is imperative that our organizations inform every man, woman, and child, that the farms of America are the backbone of the nation. City people must understand the problems of the farmer whether it be in labor, mechanization, marketing, or a form of legislation. In turn, the farmer must supply the American public with a high quality product and the essentials needed to keep America's working population in industrial-manufacturing.

We must inform the American public that we are in favor of the free enterprise system; a free enterprise system where we produce by the laws of supply and demand, a free enterprise system that can and will always remain free and will not allow our farms to become paralyzed by left-wing ideologies. We shall show the people of the world that we shall always have a free enterprise system of farming; we shall always believe in the American traditions for which our forefathers gave their lives; we shall always believe in equal rights and freedom for all mankind. We, the Future Farmers of America, realize that people of the world thirst for leadership and guidance from free nations.

The Future Farmers have therefore instigated an exchange program between the Future Farmers of the Philippines and the Future Farmers of Japan. This exchange program has been labeled "Bamboo Pouch". The bamboo pouch will be an exchange of ideas between the FFP, FFJ, and the FFA. It will concern our organizations, farming in our respective countries, and the American way. It is the hope of the Future Farmers that this will produce close relations and good will between our organizations and nations. I'm sure that you, the members of the State Grange

will agree with me when I say that our organizations both hope to nurture peace and good will.

The Future Farmers of America have many more opportunities available today through the charitable and hard working efforts of the Grange. If only the members of three decades past had the opportunities you have given us, I'm sure they would have been equally as thankful as we are. Even your political policies have helped our farming programs, and we further realize that you are the strong supporters of farmers in the ranks of politics today as they fight the gravest economic and social battle in all history. Loss of this economic and social battle would spell the end of the family farm and our own futures by its own virtue.

Like you, the Future Farmers of America shall always be living to serve—to serve the people of the United States of America. We shall serve through our efforts in agriculture, and agriculture will in turn truly form the "Golden Age." The Golden Age of quality of product, peace for free peoples, and prosperity in free nations. As we mingle with others, we shall remain ever confident that the farm will remain true to the best of American traditions; that through rural leadership we can create public and world understanding in agriculture and will reach the ultimate of peace and and prosperity.

With this as a salutation, I can only say thanks for everything, and best of luck for a fruitful year in the State Grange.

ROY KILLGORE, President,  
California Association of F.F.A.,  
North Hollywood Chapter

Report of California Physicians' Service by L. Paul Putnam.

### **C.P.S. ANNUAL REPORT**

Since 1947, some 13 years ago, when the first C.P.S. contract was made with the Grange—this agreement has saved some hundreds of dollars for members of the Grange in California.

Unless costs get out of control the contract can hold increased costs for one more year.

There will be an increase trend of at least 7% one year from now. This makes it impossible to add any new benefits at the present cost.

The membership is financially sound at this time.

The present contract calls for a health statement for new applicants but not a doctors examination. There are few rejections made for new applicants, however in some cases waivers are placed on the membership.

L. PAUL PUTNAM, Representative,  
California Physicians' Service

Report of State Grange Home Economics Chairman,  
Gladys True.

## H.E. REPORT

WORTHY MASTER, STATE OFFICERS, BROTHERS  
AND SISTERS:

This past year has been such a new and rewarding experience. I have attended 25 District meetings where the work of the year was explained. Besides these, I have attended about 60 other meetings of various kinds, Pomona and Subordinate HEC, Birthday, Booster programs, Installations and just plain meetings. All of which I have enjoyed very much. I have had the privilege of presenting two Bibles this year. One to Garden City Grange, at Santa Maria and another to Riverbend Juvenile Grange, in Kings County. A Bible will be presented to Loma Rica Grange, Yuba County, sometime before the first of the year.

The State is now divided into nine districts and I want to pay my tribute right now to the chairmen of these districts. Without them it would have been impossible for me to even get started in the work. An especially large Thank You goes to Sister Mabel Glenn for the many hours we have spent in talking over the work. Two new Districts have been formed this year, with Sister Rosa Burdick, Encinitas, San Diego County, as Chairman of District 8, and Sister Marie Workman, Kingsburg, Kings County, Chairman of District 9.

I have been received everywhere with great cordiality and it is my wish to thank everyone for the many courtesies and for the gifts that have been given me. I have endeavored to explain the work in such a way that each of the Home Economics Committees would find it a pleasure to take part in the program. Many of the things we have in the program this year are carried over from the past

years. First there is the idea of our Scholarship Fund, to go this year to Humboldt State College, Arcata. To be given as needed to some girl who finds herself in financial difficulty during her school term. This year the sum of \$1,705.51 has been turned in during our women's march. Next is our contribution to the Meals for Millions Fund. To date I have only received \$668.23 but I'm hoping that still more will be coming in, which can be added to this sum. The National Grange Library Fund has had \$94.00 added to it this year by our California Grange Women. We had a new fund this year called the Founder's Day Fund. This is to be the start of a fund to be used in the future and \$123.12 has been received. Cancelled Postage stamps to be sent through Mr. Muriel Moe, Sacramento, to Norway, to help in prevention and cure of Tuberculosis in Children is a project which has received wide support. Another one is the sending of old glasses, gold and silver, to New Eyes for the Needy, so that someone can be helped to see better.

To Promote Peace we urged women to write to women in other parts of the world. This could be done by writing to International Friendship League, Boston, Mass. We also asked again this year for all our Grange Women to participate in our Peace Essay contest. Fifteen essays have been received and the awards will be made at this Convention. First place, Frieda Davies; 2nd place, Lillian Spear; 3rd place, Ora Niegal, 4th place, Hazel Cleeland. There are a number of other good ones and all showed that much thought had gone into the composition of the essay.

Each Home Economics Committee was asked this year to get their History written. Many I know have been written and we wish all could have been brought to Convention for display. We have 13 Pomona and 50 Subordinate Grange Histories now on display in our exhibit room. Do come in and look them over. These books are important to each of the Granges to which they belong, whether they were chosen to be brought to the convention or not. Those on display will be sent back to the Grange to which they belong and it is our hope that they will be kept up to date in the future.

We have a very interesting display also of Craft ideas this year. Ideas which we hope many of the women will want to take home to work out for themselves. A workshop idea for two times during the Convention is a plan we hope we can work out if time permits.

Two conferences are being held this year at Convention. One on Monday afternoon and the other Wednesday morning. Our Scholarship March followed the Wednesday morning conference as you have already witnessed with our "Bells" signalling our entrance.

The National Grange Sewing, Needlework and Baking contests have all had some participation from our Grange women. The sewing was finished early in the spring but unfortunately none of the National winners were from California. The winning recipes in the State Judging of the Baking Contest have been sent on to the National Home Economics Chairman for judging. The Needlework judging was finished just before I left for this convention. Several Pomona and Subordinate National Grange Home Economics Recognition Reports were received and these also have been judged and the results sent on to the National HEC Chairman.

All that I have mentioned up to here in the way of the National and State HEC programs is but a very small part of the work of our Grange women in California. I have had reported to me 19,893 hours of welfare work that has been done and I know this is but a fraction of the time spent. The women have earned \$177,572.35 up to July 1st of this year. In four 3rd quarter reports which I have received to date, \$24,811.94 more has been added to this making a total so far reported of \$202,384.29. Of this amount, \$36,287.10 was used in one way or another in Welfare work up to July 1st. Adding from the four reports received since October 1st, \$3,832.31 makes a total of \$40,119.41.

Another part of the work in our Home Economics Committees is the support, both in money and other assistance, of the Juvenile Grange and the Youth Group. I have attended both Youth Conferences this past year and again must say it was a most rewarding experience. These are the people to whom we must look for the Grange leadership of tomorrow.

I have had two conferences with the District Chairmen, since I took over this office, held at the same time as the Deputies Conference. I attended to the duties of Hostess at our Grange Hospitality Booth during the State Fair. A place where Grangers could meet, greet and visit with other Grangers or where they could park their coats or packages.

I've tried to keep everyone up to date on the comings and goings of the State Grange Home Economics Chairman by the writing of two columns a month for the Grange News.

I've tried to keep this report brief but I find that is not quite possible because so much has been done during this year by all the women. Since this is a most important election year in our country, one of the things I have urged is a committee in each HEC to try and get 100% registration of all Grangers and then we hope we can get them all out to vote. What can be more important in our lives than exercising our privilege of voting. This applies also to our sending Delegates from our Granges to Convention, where they may represent all of you in the legislation which will be passed upon by this Delegate Body. This is why we urge all Home Economic Committees to help with their Delegates Fund.

It has been a great privilege to have the opportunity during this year to work with our new State Master, Brother Quinn, and the many courtesies extended to me by he and his wife are things that I shall cherish always. To Ruth Quinn for acting as driver and companion on many of my trips, my thanks for everything and especially for the opportunity to get better acquainted with a very wonderful person. To my husband, Jim, for the many times he has taken me to meetings and for the many more times when he has stayed at home and cooked for himself, my thanks. To Sister Betty Bruegger, our State Master's Secretary and to Sister Clara Williamson, State Secretary, for their help in so many ways this past year, to say Thank You is but a small way to show my appreciation for your help in my first year of apprenticeship.

Fraternally submitted,  
GLADYS TRUE  
State H. E. Chairman

Resolution 41—Pension Fund of State Teachers. Educ. 2. Committee recommends do pass, as amended. Adopted.

Resolution 42—Special Trust Fund for College Educations. Educ. 3. No recommendation by Committee. Lost.

Report of Carle Fiedler, Director of Youth Activities.

## **ANNUAL REPORT OF DIRECTOR OF YOUTH ACTIVITIES CALIFORNIA STATE GRANGE**

**WORTHY MASTER, OFFICERS AND MEMBERS OF  
THE CALIFORNIA STATE GRANGE. GREETINGS:**

The Youth Group has again made gains in membership and in organized Youth Groups in the Granges throughout the state.

The Easter Conference at Cal Poly and the Summer Conference at Humboldt State Colleges were both larger than any of the previous conferences.

"Training to Become Active Grange Workers" has been the theme for this past year. The training received from the members of the Grange staff and the faculty members of the colleges has inspired many young people to become active workers in the Grange and the communities in which they live.

This morning you have witnessed a panel discussion by four of these young people, you have heard directly from them what they have to give to the Grange and what they expect from the Grange. Surely you must be impressed by their thinking and surely agree that more young people are needed in every Grange and that they must have the opportunity to receive, and the advantage to use, the experience of the older members of the Grange.

The young folks are willing and ready—are the older members giving this as much consideration as should be given the subject?

In a survey, made by the Youth Committee in July and August of this year, it was learned that too few Grangers are giving the youth the co-operation which should be given them. Many Granges report having as members a number of youth, but no youth committee has been appointed by the Master to form them into an organized group and to help them develop a program.

Too many Granges report they have no members under fifty years of age, and too many Granges have no committee to act for the Grange and to endeavor to promote youth activities in the Grange and the communities in which they live.

There is a natural source of material for Grange membership and it must not be ignored nor overlooked; it is in

every community where there is a Grange. These natural resources are the Future Farmers of America and the 4-H Clubs. Every Grange should have a standing Youth Committee to invite and to encourage these young people who are interested in agriculture to put on programs for the Grange and to sponsor these youth organizations in the Grange. These young people will become interested in the Grange and will become good Grange members if they are approached correctly and are accepted by the Grange. After they become members they must be accepted and treated as full members, which they are, not as children. Every master should see to it that this Youth Committee is appointed and functions and reports at every Grange meeting.

At this convention there are exhibits from some of the 4-H Clubs, there are exhibits by Cal Poly and Humboldt State Colleges, also from the Guide Dogs for the Blind Foundation. Each of you is invited to visit the Youth Building and see these exhibits and learn for yourselves what our young people have to offer to your Grange.

Our Shorthorn Project, sponsored by Ed Albaugh of Lookout Grange, Modoc County, is progressing nicely. This year a young lady, Beverly High of Yucca Grange, Los Angeles County, was chosen to receive the heifer. There are now enough recipients of these heifers to form a cattle organization within the Youth Group. This will be done

Donations have come in for the Guide Dog Project and we will have a good contribution for the Foundation.

A Handbook, providing organizing methods and a creed and an order of business for Subordinate and Pomona Grange Youth Groups, was adopted by the State Grange Executive Committee. It is proving helpful in promoting the youth movement throughout the state. These are available to every Youth Committee Chairman and have been sent to all Granges reporting a Youth Group and giving the name of the chairman.

We thank the State Grange for the privilege of allowing the youth to attend the committee meetings at this convention. The young people report that this is one of the most interesting parts of the convention to them. Also, we are happy that the State Youth 5th Degree Team will again confer the 5th Degree at this convention, this is also one of the events the youth look forward to each year.

Fraternally submitted,  
CARLE FIEDLER,  
Director of Youth Activities

Resolution 38—Full Federal Development of Water and Power Resources. Committee recommends do pass, as amended. Adopted. Cons. 12.

Juvenile Rug awarded to Emma Newsome, Matron of Farmersville Juvenile Grange. Award to Sacramento Juvenile Grange and Whitesboro Juvenile Grange.

Report of Juvenile Superintendent Eve Rowe.

1960 STATE CONVENTION AT UKIAH

WORTHY MASTER, OFFICERS AND MEMBERS OF THE CALIFORNIA STATE GRANGE. GREETINGS:

We, the members of the California State Grange Juvenile Committee wish to give thanks to our Worthy Master J. B. Quinn for the assistance and guidance that he has given to us.

To the Worthy State Secretary Clara Williamson for handling the reports and correspondence.

To the State Grange Executive Committee for the financial support, and allowing us the money to have new tables made for our displays at the California State Fair.

To the Worthy State Home Economics Chairman Gladys True, who has requested a program calling for each Subordinate Grange Home Economics Club to contribute to the Juvenile Fund, and the Bible Fund.

To Byron Bruegger, and the Staff of the Grangers Business Organization for making the tables, and for their assistance in setting up the exhibits at the California State Fair.

To Craig Hazlewood, and the Staff of the California Grange News.

To all the Worthy Masters and Deputies for their encouragement; and to all the Pomona and Subordinate Granges, and the Home Economics Clubs who so generously donated to the Juvenile Bible Fund.

We are happy to report that two Juvenile Granges have reorganized this past year. Riverbend No. 49 in Kings County, and Lake Earl No. 114 in Yuba County. We now have thirty-two Juvenile Granges.

Seven Juvenile Granges displayed card table sized booths "Safety on the Farm." One Hundred forty-six individual exhibits were displayed; \$385.00 was won in prize money at the State Fair.

The Juvenile Granges have contributed to the National Grange Projects: Earn for Ears, \$17.50; The Italian Team, \$13.50. We turned over \$182.55 to the State Grange for the Bible Fund.

Eight official visits were made throughout the State for the Juvenile Grange work.

Our one great step forward is with our Children. We can, each of us, do great things by being a factor that keeps our Community doing the right things, even though our efforts are not always particularly recognized by those around us. For the Children of Today will be our "Leaders of Tomorrow."

REPORT OF COMMITTEE ON FISHING

Ukiah, California,
October 21, 1960

TO THE OFFICERS AND MEMBERS OF THE 88TH ANNUAL SESSION OF THE CALIFORNIA STATE GRANGE:

The members of the California State Grange Committee on Fishing wish to submit the following report for the year 1960:

Two members, Brothers Ray Carpenter and Roy Faught have been serving on the Salmon Unlimited Committee for the past year, a Committee made up of sportsmen, commercial fishermen and Department of Fish and Game Biologists. The purpose of this Committee is to study artificial propagation and planting of salmon fingerlings; the effect of pollution on natural spawning areas, and water conservation. They are to be commended for an outstanding job in this very worthwhile project.

Other members have attended interim committee hearings in regard to Small Craft Harbor as there is a great need for refuge harbors for small craft, particularly along our northern coastline.

We have attended numerous meetings with commercial fishing groups concerned with the serious condition within the albacore fishery.

We have attended hearings by both Assembly and Senate Interim Committees in regard to proposed Fish and Game legislation on conservation, maintaining water levels in lakes and streams for the planting of game fish, and for the building of new recreational areas.

Committee members have kept pace with the latest developments in marine research such as oceanography

studies, research on various game and commercial fishes, etc.

We have attended rod and reel clubs whenever possible to promote good will between their members and our organization.

Close contact has been maintained between each committee member and our Worthy State Master through monthly news letters.

We would like to thank our Worthy State Master J. B. Quinn for his support and encouragement over the past year, and to the members of the many Granges that so willingly backed us in our efforts.

Respectfully submitted,
NELLIE E. GILLETTE, Chairman
RAY CARPENTER
GEORGE INGRAM
RAYMOND H. ZARBAUGH
FLORENCE McDOUGALL

Recessed at 5:10 P.M.

Reconvened at 7:30 P.M.

Exemplification of First, Second, Third and Fourth Degrees, Order of Patrons of Husbandry.

- 1st Degree—Penngrove Grange No. 740.
- 2nd Degree—Freshwater Grange No. 499.

Elections Committee report by Chairman, Russell Spain
Total votes cast 502. Brother Merle Mensinger re-elected as Executive Committeeman and Santa Monica chosen as Convention City for 1962.

Recess at 12:10 P.M.

MEMORIAL SERVICE**Oct. 20th, 1960**

An impressive Memorial service was presented by Leta Littler State Chaplain at 1:30 P.M. Thirty Counties were represented with 32 Pomona Granges, the names of 76 deceased were read, including two State Grange officers, Margaret Robinson, Past Lady Assistant Steward, and Stanley Smith, Past Assistant Steward. Brother Louis Taber Past Master of the National Grange was honored in the Memorial service, and a floral tribute placed on the altar in his memory by California State Grange Master Blaine Quinn and Sister Ruth Quinn. The names of the rank and file were written on a scroll and placed on the altar with a floral tribute.

Preceding the service the youth Grangers served as candle lighters. A processional of those representing the deceased entered the hall, carrying arm bouquets to place on the satin covered altar, as the roll call was read by the State Chaplain. The entire service was given by candle light. Beautiful tableaux were presented on the stage by the youth Grangers. Inspirational music by the Mendocino degree choral group, directed by Sister Alice Trimble gave impressive meaning to the service. Sister Trimble of Ukiah served as Pianist for the processional and recessional.

As the beautiful strains of In The Sweet Bye and Bye filled the auditorium, the processional of those honoring the deceased members quietly marched from the auditorium. The Benediction was then given by the State Chaplain Sister Leta Littler.

PROGRAM

Candle lighters	Youth Grangers
Processional	Alice Trimble, Pianist
"Shall we gather at the river"

Do Pass as Amended. Adopted.

Annual report of Grangers Business Organization was given by Paige Harper, Manager.

Annual Report of California Grange News.

REPORT OF THE CALIFORNIA GRANGE NEWS

WORTHY MASTER, OFFICERS AND PATRONS:

The California GRANGE NEWS now has concluded its 26th publishing year. Though as delegates its financial position is of importance to you, and will be covered in this report, we of the staff recognize our basic responsibility is the coverage of Grange activities in our editorial columns.

In the past year your paper has carried more news of State, Pomona and Subordinate activity than in any preceding same period. This is not our accomplishment but concrete evidence of yours; our paper has a vitality, an energy, because the organization itself has these characteristics. We reflect you. The sum total is something of which we all can be proud: the largest state Grange newspaper in the United States.

In 1953 our problem was to find enough news to fill the paper, even though the paper was considerably smaller than today; then scattering of faithful Granges carried the editorial load. In 1960, more than any previous year, our problem has been where to find the space to print all the news. A survey undertaken by the GRANGE NEWS in early Spring of this year revealed that all but 46 Subordinate Granges in California are submitting news on some sort of regular basis.

I would like to call your attention to the fact that your State Master has a dual role: He also is editor-in-chief of the California GRANGE NEWS. This is not an empty title. He is the architect of our editorial policies, working among us in our offices; his signed editorials, which in the tradition of our profession he types himself, have drawn wide comment throughout the state, adding to the prestige of our publication.

As for our financial position, I am pleased to present the key statistics of our annual financial report, covering the fiscal year 1959-60, prepared by the public accounting firm of Oscar Pfanner, Jr., 4332 Stockton Boulevard, Sacramento. Mr. Pfanner has been the accountant for the GRANGE NEWS since July, 1955.

GROSS EARNED REVENUE:

Fiscal Year 1959-60..... \$132,735.70

DIRECT COSTS:

Including Printing, Sales Commissions, etc.	\$80,935.27
---	-------------

GROSS PROFIT	\$51,800.43
--------------------	-------------

OPERATING EXPENSES:

Mailing, office expense, salaries, etc.....	\$48,705.44
---	-------------

NET PROFIT FOR FISCAL YEAR.....	\$3,094.99
---------------------------------	------------

Other details of this report which are of interest to you as delegates:

SALARIES OF GRANGE NEWS EMPLOYEES:

Managing Editor—Per Annum.....	\$6,000.00
Office salaries	\$11,832.63

COMMISSIONS AND BONUSES:

Managing Editor	\$1,547.50
Editor-in-Chief	\$1,547.50

Any Grange member is entitled to examine the financial statement of this paper; we welcome such examination because we are proud of our accomplishments. A copy of both the Balance Sheet and Profit and Loss Statement for the fiscal year 1959-60 is available for examination at the GRANGE NEWS booth in the lobby; another copy has been filed with the Executive Committee of the California State Grange in accordance with required procedure.

The California GRANGE NEWS is unique among all state Grange publications—in fact, in the publishing industry in this state, in that it derives all operating income from advertising revenues. Thus the paper actually returns a profit to the membership.

Delegates are urged to solicit the support of their members in patronizing the 1,700 advertisers who make this possible. These tiny ads in the county pages represent people who believe and have invested their money in Grange members. We ask you to urge your members to justify their faith. The continued strength of our paper depends upon this collective effort.

Our new Booster Barrel program, as approved by the California State Grange Executive Committee, will be explained in detail in the October 25th issue. We feel you will agree with us that a change in the program is desirable every few years to stimulate new interest and enthusiasm. We are proud that our Booster contests have drawn membership support which our national advertising representatives, have termed "exceptional, hard to believe."

As your editor, I would like to thank in the presence of this convention, our staff. Few publications of our size—and we average 48-52 pages per issue—are put out by so few people.

I also would like to thank our many fine regular Grange columnists for their prompt and entertaining reports.

And, in closing, I personally am enormously grateful for the counsel and encouragement of the three members of the California State Grange Executive Committee.

Submitted in fraternal respect,
CRAIG HAZELWOOD,
Editor and Business Manager,
California Grange News

Report of Roads and Highways Committee by Chairman, S. E. Rafter. Report accepted by the Delegation.

ROADS AND HIGHWAYS

The Committee on Roads and Highways is pleased to report that it has considered all the resolutions assigned to it and has presented its recommendations on each to the delegate body.

We wish to thank all those who have assisted us in our deliberations and study of the resolutions presented.

We are also desirous of expressing our support to the State Master's comments on Roads and Highways in his annual address to this convention.

We appreciate the opportunity to have served you.

Fraternally submitted,
S. E. "DICK" RAFTER, Chairman

RUBIE ALBERTI, CHAIRMAN**

TO THE OFFICERS AND MEMBERS, CALIFORNIA
STATE GRANGE:

The Credentials Committee having finished their labor find that forty-nine Counties of our great State sent representatives to State Grange.

Pomona Granges represented—43 with 78 votes.

Subordinates represented—249 with 474 votes.

Total voting delegation—552.

Jackson Raines, by many hours of preparatory work made the registration faster and easier for all concerned. Our thanks to him.

Fraternally submitted,

RUBIE ALBERTI

PERCY R. SIMONS

JOHN REED

Dr. Fiedler, Director of Youth Activities for California State Grange escorted to Master's Station with representatives of Humboldt State College and California Polytechnic College. Address given by Dr. Ladd of Humboldt State College and Dr. Chase of Cal-Poly.

Do pass as amended. Adopted.

No. 77 G. of O. 33—Stimulate Creative Thinking Within Subordinate Granges.
Do not pass. Committee sustained.

**CONSERVATION COMMITTEE REPORT BY
CHAIRMAN ED HOWELL**

Report amended and adopted.

TO THE OFFICERS AND MEMBERS OF THE
CALIFORNIA STATE GRANGE:

The members of the Conservation Committee wish to thank the delegate body for the opportunity of serving you.

We have tried to bring resolutions before you as quickly and efficiently as possible without unnecessary re-writes which, many times, change the entire objective of the Grange submitting such resolutions.

We appreciate the co-operation you have given us and would suggest, for the conservation of time, that the resolutions committees be appointed, the appointments confirmed and the resolutions be in their hands as soon as possible so that the committees may begin the presentation of resolutions to the delegate body earlier in the week, thus reducing the possibility of an extremely long night session of the closing day.

Fraternally submitted,
ED HOWELL, Chairman,
North Humboldt County
JUSTUS BORCHERS, Butte County
GEORGE INGRAM, Shasta County
VERN KIEF, Antelope Valley
H. M. CENTER, Martinez

- No. 107 Legis. 30—Review of Mental Health Program.

Do pass as re-written. Adopted.

Good of Order report adopted.

GOOD OF THE ORDER SUMMATION REPORT

To the Officers and Delegate Body and visitors of the 88th Annual Session of the California State Grange meeting at Ukiah, California:

The Good of the Order Committee after careful consideration of all Resolutions in its category having completed its assignment, wishes to thank those delegates and visitors who so willingly participated in our discussions.

We endorse the Good of the Order Section of the State Master's address.

The committee especially emphasizes that all discussion was frank and open minded and that all final decisions were unanimous.

We are especially appreciative of the final decisions of this Delegate Body in helping to solve the complex problems that face the family farmer today.

The Good of the Order Committee thanks this Delegate Body for the privilege and honor of having been of service at this 1960 annual session of the California State Grange.

Respectfully submitted,
VAYNE RALSTON, Chairman,
Siskiyou County
WILLIAM BRAGGA, Two Rock
THOMAS EIDE, Marina
SAMUEL NEILSEN, Dinuba
RALPH EMERY, Morgan Hill

Final report of Agriculture Committee read and adopted.

AGRICULTURE COMMITTEE REPORT

WORTHY MASTER, OFFICERS AND MEMBERS OF
THE CALIFORNIA STATE GRANGE:

The Agriculture Committee has completed the work assigned to the best of its knowledge and ability.

We wish to express our thanks for having the privilege of serving on this committee.

We wish to thank those who took time from their busy schedules to supply us with information.

The Committee also wishes to go on record as endorsing that portion of the State Master's address pertaining to Agriculture.

Fraternally submitted,
W. L. HEPWORTH
C. M. NEWSON
RAYMOND V. ARMSTRONG,
ROLIN ESLINGER
GEORGE HOOGEVEEN

- No. 126—Legis. 49—Passports to Our Enemies.
Do pass as amended. Adopted.
- No. 128 Legis. 51—Request for an Agricultural Building on the 16th District Fair Grounds.
Do not pass. Committee sustained.

- No. 132 Legis. 55—Local and State Fairs.
Do pass as re-written. Adopted.

Closing report of Legislative Committee.

LEGISLATIVE COMMITTEE REPORT

Your Legislative Committee has given careful consideration to all resolutions assigned and have acted upon them to the best of our ability.

We endorse that portion of the State Master's address not covered in our resolutions.

We recommend that all Subordinate and Pomona Granges make every effort to inform the members of the action taken on their resolutions.

We wish to express our appreciation to those Grange members who assisted with information pertaining to resolutions, and to the delegates for their attention and co-operation.

We wish to express our thanks for this opportunity to serve you.

Sincerely,

ELMO O. WARD, Chairman,
San Joaquin County

WM. WATERS, Stanislaus County

KENNETH BLEY, Siskiyou County

WM. F. GILLET, San Benito County

HARLEIGH GALLUP, Riverside Co.

Brother and Sister Sehlmeier escorted to Master's Station. Each gave a short address.

Sister Quinn responded.

Report of per diem committee given by Lloyd Piper.

Worthy Master commended his secretary, Sister Betty Bruegger.

Response by Sister Bruegger.

Thanks to Ukiah and neighboring counties by Worthy State Master.

Resolution of appreciation read by Brother Bragga.

WM. E. BRAGGA

Past Pomona Master, Sonoma County Grange No. 1

WHEREAS: The success of this 88th Annual Session of the California State Grange meeting in Ukiah, California, has been due to the untiring efforts of many committees, htis Delegate Body wishes to thank the following for preparatory convention arrangements:

Mendocino County Pomona Grange;
 Ukiah Chamber of Commerce;
 12th District Fair;
 Palace Hotel;
 City of Ukiah Convention Bureau;

Mendocino State Hospital;
Ukiah Theaters—for use of their facilities;
To Sister Alice Trimble for flower arrangements;
Sister Velma Sutliff and her committee for a fine reception;

The Ukiah Daily News, Press Democrat;
Radio Station KUKI for news coverage;
To the City of Ukiah Police Department, California Highway Patrol, for their most courteous handling of traffic;
And to the Granges who have so graciously supplied the officers with corsages each day;

Brother Emmett Ivey, State Lecturer, for a fine educational program featuring milestones in California History;
To the following Subordinate Granges for fine exemplifications of the degree work:

Penngrove Grange No. 740, Sonoma County—1st Degree;

Freshwater Grange No. 499, Humboldt County—2nd Degree;

Ukiah Grange No. 419, Mendocino County—3rd Degree;

Clearlake Grange No. 680, Lake County—4th Degree;

California State Grange Youth Group for a fine exemplification and drill in the Fifth Degree under the direction of Dr. Carle E. Feidler, Chairman of the State Grange Youth Group;

To the Officers of California State Grange for the 6th Degree;

Worthy Flora, Sister Effie Spencer, for a fine drill presentation;

Worthy Chaplain, Leta Littler, for a most inspiring Memorial Service;

Brother Charles Hein, Chairman, Master of Lake County Pomona; Brother W. L. Hepworth, co-chairman, Master of Sonoma County Pomona Grange, for Feast of Pomona;

Sister Eve Rowe, State Grange Superintendent of Juvenile Grange for a fine presentation;

To Brother William Campbell, State Grange Musician, and Brother John Gordon, for entertainment;

To the Delegate Body.

Special thanks and appreciation to Brother Louis Skinner, Pomona Master of Mendocino County, Committee Chairman of arrangements for the Grange Convention.

THEREFORE, BE IT RESOLVED, that this 88th Annual Session mark another milestone in Grange progress achievements.

WM. E. BRAGGA

Installation of Executive Committeeman, Merle Mensinger by George Ingram, Deputy of Shasta County. Installing Marshall, Sister Mildred Spain, Santa Cruz County. Honored our Oldest Honorary Deputy, Brother Whitley, Merced County.

Motion made for Executive Committee at a special meeting to adopt the minutes of the final day's session. Motion seconded and carried.

Closing of the 88th annual Session California State Grange as the Assembly sang "God Be With You Till We Meet Again."

Fraternally submitted,
CLARA WILLIAMSON, Secretary,
California State Grange

RESOLUTIONS**RESOLUTIONS PRESENTED 1960
ANNUAL CONVENTION
CALIFORNIA STATE GRANGE****Ukiah, October 18th to 21st, Inclusive**

AGRICULTURE**1. CONTROL OF SCOTCH BROOM Agri. 1
Brownsville Grange No. 708**

WHEREAS: The plant "Scotch Broom" (*Cytisus scoparius*), despite its two desirable traits, namely, ornamental showiness and limited erosion control, possesses the following undesirable characteristics:

1. It is not eaten by range animals and is reported to be slightly poisonous,
2. It is an aggressive invader of burned-over range land, making control of forest fires more difficult by adding a large quantity of combustible material and preventing free movement of men and equipment throughout timbered areas,
3. It crowds out desirable plants and makes forest reseeding unusually difficult; and

WHEREAS: Scotch Broom can be controlled by the application of various herbicides where manpower and funds are available and public awareness and cooperation exist: and

WHEREAS: The expense of controlling this weed is beyond the limits of some of the counties where infestation is greatest,

THEREFORE, BE IT RESOLVED, that the California State Grange be urged to request Federal aid in this project in order to obtain appropriations to properly implement the program of Scotch Broom eradication.

**GOVERNMENT SUBSIDIES AND PRICE
SUPPORTS****74 Roache Grange No. 526 Agri. 4**

WHEREAS: The encroachment of the large corporation farms has made it impossible for the small family farmer to

~~~~~

compete in the production of the various crops and livestock raising, and

WHEREAS: The soil bank subsidies and price supports as presently set up by the U. S. Department of Agriculture has failed to meet the small family farmers' problems, but greatly enhanced the profits of the large farm land owners,

THEREFORE, BE IT RESOLVED, that the California State Grange request legislation favoring Government subsidies, and soil bank payments and price supports be limited to not exceeding \$5,000.00 for operating farmers.

**5 UTILIZATION OF OUR FARM SURPLUSES Agri. 5**  
**Oakdale Grange No. 435**

WHEREAS: Favoring a more extended and more highly vitalized utilization of our farm surpluses to relieve hunger and create good will and greater understanding among the needy Nations of the earth by providing for the elimination of all red tape and strangling technicalities, and making such food surpluses available on a 50 year term of repayment at 2% interest,

THEREFORE, BE IT RESOLVED, that the California State Grange request the U. S. Congress to favor a more extended utilization of farm surpluses.

**AVOCADO INDUSTRY Agri. 5a**  
**Rainbow Valley Grange No. 689**

**Endorsed by San Diego County Pomona Grange No. 35**

WHEREAS: Avocado growing is the principal agricultural enterprise in many southern California communities, and

WHEREAS: Farm income from avocados has dropped to an alltime low because of disorganized marketing procedures and other causes, and

WHEREAS: Unsatisfactory fruit condition has led to poor consumer acceptance of avocados, and

WHEREAS: The entire economic and cultural life of many communities has suffered because of low avocado prices, and

WHEREAS: Unprofitable avocado production has brought into sharp focus the need for improvement in avocado fruit quality and marketing procedures,

THEREFORE, BE IT RESOLVED, that the following steps be taken by the California State Grange to improve and stabilize avocado returns to the farmer and thus strengthen the local business and cultural position:

1. Endorse and support improvements in avocado distribution and selling with over-all control of same in the hands of avocado growers,
2. Strengthen avocado advertising, promotion and selling by unified action of avocado growers,
3. Request the University of California and other agencies to accelerate research as follows:
  - a. Minimum oil content and its affect on consumer acceptance
  - b. Overmaturity and rancidity, and its effect on consumer acceptance
  - c. New avocado varieties with all-around improved qualities
  - d. Field handling, packing, storage, and transportation of avocados
  - e. Marketable avocado products
  - f. Harvesting and marketing procedures with particular emphasis on minimum and maximum oil content in relation to consumer acceptance.

#### **MEXICAN NATIONAL FARM LABOR PROGRAM**

**7 Pauma Valley Grange No. 692 Agri. 7**

**Endorsed by San Diego County Pomona Grange No. 35**

WHEREAS: We do not have sufficient local farm labor supply, and

WHEREAS: The Mexican National Farm Labor Agreement has furnished a supply of good dependable farm labor, and

WHEREAS: In some areas, no dependable alternative farm labor is available,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the Congress of the United States that this very useful program be continued.

**9 FARM LABOR DISPUTES Agri. 9**

**San Joaquin County Pomona Grange No. 20**

WHEREAS: The current activity for organization of farm workers in California has caused extreme hardship to many farmers, and

WHEREAS: Tremendous uncertainty exists over the rights of farmers and workers in these situations,

THEREFORE, BE IT RESOLVED, that the California State Grange request the President of the United States, the Governor of the State of California, the Congress of the United States, and the California State Legislature to exert

strong efforts to clarify the unfair and confused situation now prevailing in the current farm labor disputes and that the rights and privileges of all parties concerned should be clearly defined with appropriate legislation and directives promulgated to attain this goal, and that the aforementioned public officials and public bodies are requested to initiate studies to investigate possible methods of avoiding untimely and crippling strikes during peak harvests by providing appropriate bargaining procedures with necessary safeguards to both farmers and workers so that such bargaining may take place prior to harvest time.

**10                    PRICE DIFFERENCE BETWEEN                    Agri. 10**  
**FARM AND CONSUMER**

**Sunnyvale Grange No. 416**

WHEREAS: The difference between farm prices and consumer prices is increasing beyond reason, and

WHEREAS: This condition is resulting in heavy cost to all the people,

THEREFORE, BE IT RESOLVED, that the California State Grange appoint an interim committee to study the reasons for such difference in range of these two prices, and to report their findings to the California State Grange with recommendations for legislative action to correct this condition.

**11                    GRADE B' MILK PRODUCERS                    Agri. 11**  
**Oakdale Grange No. 435**

WHEREAS: S. B. No. 1167, introduced by Senator Co-bey, would have given the Grade B producers a better price for their milk, and

WHEREAS: A similar bill to be paid for according to usage will give them more money, and

WHEREAS: The cost of production is four dollars and twenty cents per hundred weight for three eight milk,

THEREFORE, BE IT RESOLVED, that the California State Grange request legislation to get the Grade B producers at least the cost of production.

**12                    ASSIST FARMERS TO INCORPORATE                    Agri. 12**  
**San Diego County Pomona Grange No. 35**

WHEREAS: The vigor and production of the California agriculture is still due to the existing family farms, and

WHEREAS: These family farms are a basic element in the American community and experience now a period of

painful adjustments to a rapidly changing agricultural economy, and

WHEREAS: Any type of financial aid will benefit said farm,

THEREFORE, BE IT RESOLVED, that the California State Grange assist those Grange farmers who wish to incorporate, with advice, legal aid, education, or whatever may be helpful to them in this matter, in so far as the finances of the State Grange will allow.

### **ASSIST FARMERS TO FORM COOPERATIVES**

13      **San Diego County Pomona Grange No. 35**      **Agri. 14**

WHEREAS: One of the problems of the family farm is the problem of marketing its produce, and

WHEREAS: These marketing problems are difficult to solve for the individual Grange farmer, and

WHEREAS: Marketing cooperatives proved themselves to render valuable services for their members in disposing advantageously of their crops,

THEREFORE, BE IT RESOLVED, that the California State Grange become the instrument for helping Grange farmers to organize marketing cooperatives for Grange farmers bargaining associations if their commodity justifies it.

14

### **APRICOT INDUSTRY**

**Agri. 14**

**Berryessa Grange No. 780**

WHEREAS: Recent developments in the apricot industry show that the grower, because of the increased cost of production, is barely able to realize sufficient total revenue to come out even, and

WHEREAS: Other lines of farm production have organized into marketing associations through which they are able to negotiate more effectively with the canning industry,

THEREFORE, BE IT RESOLVED, that the California State Grange be authorized and they are especially requested to take up with the Subordinate and Pomona Granges located in the apricot growing sections, the subject of a Grower Canning Apricot Association, that each section should have proper representation in an organization whose object would be to obtain fair and more or less uniform returns to the producers of apricots throughout the State.

**17                    OPPOSE IMPORTATION OF FOREIGN  
                         FROZEN BEEF                    Agri. 17**

**Oakdale Grange No. 435**

WHEREAS: Oppose continued importation into this country of high volumes of foreign beef frozen, which is being done at the present time, since this a having a depressing effect on the American cattle raisers. Propose curtailment of imports by 80% of present volume whenever it can be shown that such imports are depressing the prices of American beef. Propose restoration of treaty making powers governing cattle be removed from State Department and restored to Congress.

THEREFORE, BE IT RESOLVED, that the California State Grange request the State Legislature and the Congress of the United States to oppose continued importation of foreign frozen beef into this country.

**19                    CLASS THREE MILK                    Agri. 19**  
**Oakdale Grange No. 435**

WHEREAS: Most distributors refuse to pick up Class 3 milk, and

WHEREAS: It is dumped into the processing plant and is bought for less price than Grade B milk, and

WHEREAS: This dumping of Class 3 milk into Grade B is working hardships on Grade B producers, causing many to go out of business, and

WHEREAS: This way of handling Class 3 milk brings the blend price of Grade producer, in some cases, near the Grade B producer's price,

THEREFORE, BE IT RESOLVED, that the California State Grange urge legislation to have Class 3 milk stricken from the records.

**24                    OPPOSE CONTINUED IMPORTATION OF SHEEP  
                         INTO THIS COUNTRY                    Agri. 24**

**Oakdale Grange No. 435**

WHEREAS: The continued importation into this country of large numbers of sheep is destroying the market for American sheep,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the Congress of the United States to oppose the continued importation of sheep into this country.

**137 PEAR TREE COLLAPSE EMERGENCY Agri. 27****El Dorado-Amador County Pomona Grange No. 14**

WHEREAS: The \$27,000,000 California pear crop, comprising nearly 40,000 acres of bearing trees in five major producing districts, and representing an output of 420,000 tons annually, is in imminent danger of being wiped out by a heretofore unknown disease called "Pear Tree Collapse," and

WHEREAS: There is no known prevention or treatment methods at present, and

WHEREAS: The State and Federal Departments of Agriculture, the University of California agricultural specialists and various elected officials are acting with the utmost speed and urgency in the situation,

THEREFORE, BE IT RESOLVED, that the California State Grange sponsor legislation to assist officials and scientists in their efforts to isolate and control "Pear Tree Collapse" and further that both Representative Harold T. Johnson and United States Senator Thomas H. Kuchel be commended for their efforts to expedite action on this matter.

**141 REINSTATE SHOWMANSHIP PRIZES FOR YOUTH GROUPS Agri. 31****Orange County Pomona Grange No. 36**

WHEREAS: The future of the United States depends on our youth, and

WHEREAS: The Future Farmer and 4H Clubs of America is one of the training grounds for our future citizens, and

WHEREAS: The County and District Fairs this year dispensed with the cash prizes for Showmanship which have encouraged our youth along this line,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the Fair and Expositions and the director of finance to reinstate the Showmanship prizes for the youth groups in the fairs so that the said youth groups may be encouraged in their interest in Agriculture.

**COMMITTEE RESOLUTION  
RICE MARKETING**

WHEREAS: The irregularities in voting on rice farming areas has been reported in the A.S.C. Office of Sutter County,

WHEREAS: These irregularities advocate these Constitutional rights of the people involved,

THEREFORE, BE IT RESOLVED, that the California State Grange ask the U. S. Department of Agriculture to investigate and correct this situation.

**COMBINE AGRICULTURE COMMITTEE RESOLUTIONS  
6 AND 16**

WHEREAS: We recommend a United States Attorney General investigation into the huge price spread between the low price the farmer receives for his farm products, and the high prices the consumer is forced to pay,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the United States Attorney General to take immediate action.

**COMBINE AGRICULTURE COMMITTEE RESOLUTIONS  
2, 20 AND 21**

**Committee re-affirms stand taken on Federal Farm  
Program in 1959**

WHEREAS: The Federal Farm Program as now administered is unworkable and is resulting in an increase in farm surpluses, and

WHEREAS: The American people are being taxed seven billion dollars annually (which includes storage) to buy farm commodities off the market, and

WHEREAS: This plan is unworkable and has not reduced surpluses, and

WHEREAS: The present subsidy plan has resulted in extremely heavy payments to large producers and has operated to the detriment of the family sized farm and if this present plan is not soon abandoned it will result in destroying the home owning farm population of the United States, and

WHEREAS: We believe the present farm program, including the soil bank, should be immediately terminated, and

WHEREAS: The present parity formula is obsolete,  
THEREFORE, BE IT RESOLVED: That the California State Grange ask for a revision of the parity formula to be brought up to date, and

BE IT FURTHER RESOLVED: That a plan be adopted providing compensatory payment should be based on a post production plan. Agricultural products should be allowed to flow into the market places and if the price is lower than the parity level the farmer will receive the difference

between the parity level and the market price. If the commodity sells at parity level or above there will be no payment. The compensatory payment should be based on the cost of production and the parity level at a point which will return to the farmer a reasonable income. There should be a rigid limitation on the amount any one producer can receive.

---

### **COMMITTEE RESOLUTION CONTROL OF LEPTOSPIROSIS**

WHEREAS: The disease of leptospirosis has not been completely controlled by vaccination, and

WHEREAS: There are three main types with many different sub-types making it difficult to develop research on control of leptospirosis with a one shot calf vaccine,

THEREFORE, BE IT RESOLVED, that the California State Grange use its utmost influence, to urge the University of California at Davis to continue and expand its research on control of leptospirosis.

---

### **COMMITTEE RESOLUTION MILK CONTRACTS**

WHEREAS: The contracts of dairy milk producers are at the present time not uniform, and

WHEREAS: Some contracts are on a 30 day cancellation notice thereby causing hardship and uncertainty among dairymen,

THEREFORE, BE IT RESOLVED, that the California State Grange at the next session of the State Legislature, support legislation setting a cancellation date of six months on all milk contracts providing that all health and sanitary conditions are met by dairymen.

---

### **CONSERVATION**

34

**WATER BOND ISSUE****Con. 8****Valley Oaks Grange No. 368**

In regard to California water plan as proposed in the \$1,750,000,000 water bond act to be voted on in November, 1960.

WHEREAS: It is believed that any water development of this size should be carried on by the Federal Government and include the 160 acre limitation and a public power preference, and

WHEREAS: All existing water rights in northern California, many of them of long standing, will be in jeopardy and may be taken by invoking the clause of eminent domain, and

WHEREAS: Because the measure contains no provisions to prevent water monopoly, and

WHEREAS: Because the entire proposal is in our opinion not feasible and is being presented without a workable plan, many of its own proposals and other facts show it to be almost impossible to accomplish, and

WHEREAS: Because the \$1,750,000,000 is only a start, many subsequent bond issues may follow,

THEREFORE, BE IT RESOLVED, that the California State Grange highly recommend this proposed water plan be defeated in the November elections.

**30 FISH AND GAME, SPORTS FISHING, Con. 4**  
**WILDLIFE CONSERVATION**  
**Fort Bragg Grange No. 672**

**Endorsed by Sonoma County Pomona Grange No. 1**

WHEREAS: Commercial and Sports fishing are important assets to the economy of the West Coast, and

WHEREAS: The encroachment of Civilization has critically depleted the natural fresh water habitat of Salmon and Steelhead, and

WHEREAS: Many members of this organization are gainfully employed in the Commercial Fishing Industry, and fishing is the most important recreational asset,

THEREFORE, BE IT RESOLVED, that the California State Grange request the United States Congress to:

1. Enlarge the Federal Hatchery at Coleman Station to full potential,
2. Establish experimental artificial spawning channel program for Salmon and Steelhead,
3. Establish program of basic research for migratory fish in California rivers and ocean waters.

Following Granges concur:

Solano County Pomona Grange No. 30

Butte County Pomona Grange No. 16

Stanislaus County Pomona Grange No. 21

San Mateo County Pomona Grange No. 49

Contra Costa County Pomona Grange No. 45

38

**FULL FEDERAL DEVELOPMENT OF  
WATER AND POWER RESOURCES**

Con. 12

**Stockton Grange No. 758**

WHEREAS: Years of experience have proved that in the multiple-purpose development of our natural resource of water by the Federal Government, the public interest is served only where the electric energy produced is generated in publicly owned and operated plants, transmitted on publicly owned and operated transmission lines to all present and potential points of use within the project area and there sold at wholesale to municipalities and rural public agencies for distribution to their citizens, and

WHEREAS: This lesson had been so well learned in the development of the watershed of the Tennessee River (TVA) that when the Federal Government undertook the development of the Columbia River watershed, Congress created a new public agency, the Bonneville Power Administration, to have full charge of the transmission and sale of all the electric power produced. The Bonneville Project Act provides that:—"In order to encourage the widest possible use of all the electric energy that can be generated and marketed and to provide reasonable outlets therefor, and to prevent monopolization thereof by limited groups, the (Bonneville) Administrator is authorized and directed to provide, construct, operate, maintain and improve such electric transmission lines and substations and facilities and structures appurtenant thereto as he finds necessary, desirable or appropriate for the purpose of transmitting electric energy available for sale to all existing and potential markets, and, for the purpose of interchange of electric energy, to connect the Bonneville Project with other Federal projects and publicly owned power systems now or hereafter constructed." (Sec. 2 (b) Bonneville Project Act).

THEREFORE, BE IT RESOLVED, that the California State Grange in regular session take action to notify Congress of the result of its omission and request that in this important matter of publicly owned transmission lines the Central Valley Project be forthwith placed on a plane of equality with the Federal developments in the Tennessee and Columbia River basins.

39

**FOLSOM SOUTH CANAL**

Con. 13

**Sacramento County Pomona Grange No. 2**

WHEREAS: The following resolution was adopted by Valley Oaks Grange No. 368 October 9, 1959, and was sup-

ported by Sacramento County Pomona Grange at a regular meeting held October 17, 1959, and was adopted by the Delegate Body at the annual session of the California State Grange convention in November held in Long Beach, California, and

WHEREAS: This canal will bring urgently needed water to two counties, Sacramento and San Joaquin, and

WHEREAS: Said water is now impounded behind Folsom Dam, and

WHEREAS: The Bureau of Reclamation records show a 26 foot drop in the water table in 13 years, and

WHEREAS: Since these records were concluded some five years ago the rate of drop in the water table has been even faster, and

WHEREAS: At this rate of drop in the water table in a very short time water will be down too deep for irrigation use or may be depleted altogether, and

WHEREAS: Thousands of homes in the two counties depend on wells for domestic water, and as this water drops below their pumps sanitary facilities will be seriously affected,

THEREFORE, BE IT RESOLVED, that the California State Grange use all of its influence to get an authorization bill through Congress, also an appropriation of funds to build the Folsom South Canal.

## EDUCATION

40

### STATE SCHOOL FUNDS

Ed. 1

#### Tulare County Pomona Grange No. 5

WHEREAS: The State of California apportions monies to school districts in accordance with formulae established by law for each type of school district, and

WHEREAS: The formula adopted for elementary school districts with an assessed valuation of \$10,000.00 or less per average daily attendance provides a foundation program of \$299 per A.D.A. for elementary districts with an A.D.A. of 100 to 899 and \$309.00 for elementary districts with 900 A.D.A. or more, and

WHEREAS: The above-mentioned districts must apply a computational tax rate of \$1.35 against said foundation program of \$299.00 or \$309.00, with the result that a school district with an assessed valuation of \$10,000 per A.D.A. receives State money in the amount of the foundation program less \$135.00 per pupil, and

WHEREAS: An elementary school district with \$10,000 assessed valuation per A.D.A. operating on the statutory maximum tax rate of 90c per \$100 of assessed valuation receives in total funds from both State and local sources, \$45.00 less than the foundation programs of \$299.00 or \$309.00, and

WHEREAS: It appears to the Tulare County Pomona Grange that the present formulae for apportionment of the State school funds to elementary school districts are inequitable,

THEREFORE, BE IT RESOLVED, that the California State Grange request legislation designed to establish a formulae for a more equitable apportionment of State school funds, to provide the \$299.00 established in the foundation program equally to all school districts.

#### **41 PENSION FUND OF STATE TEACHERS Ed. 2**

##### **Northern Humboldt Pomona Grange No. 48**

WHEREAS: The San Francisco Examiner recently announced the findings of a subcommittee of the Legislature which revealed that there now is \$1,500,000,000 in the pension funds of the State teachers and other State employees, and

WHEREAS: Some of this fund is being sent to New York to be loaned by brokers at the low rate of 3%, less a broker's fee, when any loaning agency in California will pay 4½% and no fee, and

WHEREAS: All over the State, property owners are being forced in hundreds of bond elections to plaster their property, already overburdened with taxes, with bonds, some drawing interest as high as 7%,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the legislative committee which made this revelation to return to Sacramento at the next session of the Legislature and demand that the one and a half billion dollars be put to work in California, and that this resolution, copied almost word for word from the California Mining Journal as of August, 1960, Page 3, be given prime importance, if adopted, for the sake of the property owners and the economy of the State of California.

#### **43 SUGGEST RECONSTRUCTION OF HIGH SCHOOL COURSES Ed. 4**

##### **Oakdale Grange No. 485**

WHEREAS: Favoring a reconstruction of school courses along lines which shall provide a more realistic type of edu-

cation, concentrating more on fundamentals, and eliminating frill courses. It will be noted that a large percentage of high school graduates desiring to enter college could not pass college entrance examinations, indicating an alarming weakness in present day school educational standards. The same alarming lack of adequate student preparation was discovered among those desiring to enter the armed forces,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the State Legislature to request the reconstruction of school courses in the manner referred to above.

**44                    OPPOSING SECTIONS 3581-3587 OF**  
**CALIFORNIA EDUCATION CODE                    Ed. 5**  
**Los Alamos Grange No. 647**

WHEREAS: It is the opinion of this Grange No. 647 that the State Department of Education, the professional educators, and other State officials have gradually attempted to utilize their present powers to exercise control over the educational policy and system of the State, and

WHEREAS: The philosophy of certain well-organized and politically powerful statewide organizations is that of promoting centralized educational control, and

WHEREAS: The centralization as promoted by such organizations in the form of the master plan for county school organization will result in the degeneration and demise of the local self-government of school districts, and

WHEREAS: The local self-government of school districts is the last strong defense guarding the inherent rights of the people concerning public education,

THEREFORE, BE IT RESOLVED, that the California State Grange, realizing that State encroachment upon local control will ultimately create chaos in our public educational system, is on record as being unanimous in its convictions and beliefs that the following recommendations be submitted to the Governor, the State Legislature, and other State organizations for their consideration and support:

1. Reappraisal of the education code to insure the return of local control to the respective districts
2. That the State Department of Education be restricted in scope to an advisory capacity and to continue to insure the legitimate interests of the State in connection with subsidy
3. That immediate action be taken to eliminate the master plan the Code to-wit: Sections 3581-3587 of the California Education Code, to again allow the

school districts the inherent rights and privileges to solve their problems without interference from the State or other governmental agencies.

Following Granges Concur:  
Sisquoc Grange No. 651

**COMMENDATION FOR GEORGE SEHLMAYER,  
PAST STATE MASTER G. of O. 2  
Napa Grange No. 307**

WHEREAS: Brother George Sehlmeier has retired as Master of the California State Grange, become a Past Master of the same, and

WHEREAS: Brother Sehlmeier has served the Grangers throughout the State of California as Chief Officer for 30 consecutive years, and

WHEREAS: Brother Sehlmeier has given his talents as a leader and has provided many advantages for the farmers throughout the State without thought of personal reward or hardship to himself,

THEREFORE, BE IT RESOLVED, that the California State Grange go on record commending Brother George Sehlmeier for his excellent service to the Grange over a 30 year period as Master and to wish him continued good health and success in whatever his future undertakings may be, and a copy of this Resolution be sent to Brother George Sehlmeier and be spread on the record of this 88th Annual Session.

**51 IMPROVE PUBLIC RELATIONS FOR THE  
AMERICAN FARMER G. of O. 7  
San Marcos Grange No. 633**

WHEREAS: For many years a number of National publications and daily papers willingly or unwillingly painted an incorrect and unfair picture of the American farmer before the general public, and

WHEREAS: During all these years the general public has been left unenlightened as to the value and position of the farmer, also as to the fact that he is a social force and an indispensable economic factor in his community, and

WHEREAS: Due to this systematic misrepresentation and misinformation the farmer lost the understanding of his fellow citizens in his community,

THEREFORE, BE IT RESOLVED, that the California State Grange, as a progressive organization, realize the indispensability of reversing this trend; and in the wake

of this realization the California State Grange encourage its officers and deputies to represent our organization at civic functions; also urge them to engage in community activities, to become trustees when and wherever possible, become members of local boards; and generally speaking, to create an atmosphere in their community where the importance of the farmer becomes known, felt and respected.

### **GOOD OF THE ORDER COMMITTEE RESOLUTION**

**53 INCREASE OF PER CAPITA TAX G. of O. 9  
Sonoma County Pomona Grange No. 1**

WHEREAS: The present unfavorable economic situation in agriculture is placing more and more family farmers in an unfavorable position, forcing many to enter other fields of endeavor, and

WHEREAS: It is very apparent that any improvement in our economic situation must come from studies in consumer research and increased activities in the legislative field, and

WHEREAS: It is a physical impossibility for the State Master to carry on the work of this office and devote the necessary time in other fields, and

WHEREAS: If the California State Grange is to grow in these trying economic times compensatory expenses to personnel in the field must be considered, and

WHEREAS: The California State Grange office at Sacramento, due to lack of sufficient funds is placed at a disadvantage in competition for office personnel, and

WHEREAS: It is very apparent that an increase in per capita tax from the National Grange is forthcoming,

THEREFORE, BE IT RESOLVED, that the California State Grange Per Capita Tax be increased 25c per quarter.

**65 AMEND CALIFORNIA STATE GRANGE  
BY-LAWS G. of O. 21**

**Yucaipa Valley Grange No. 582**

WHEREAS: The cost of living has increased considerably in the last ten years, and

WHEREAS: As the last salary increase for the State Master was granted by the Delegate Body at the 1947 State Grange Convention at Sacramento, California, and

WHEREAS: As a detailed study by the Good of The Order Committee of the present salary structure was found grossly inadequate,

THEREFORE, BE IT RESOLVED, that Article I, Section 1 of the By-Laws of the California State Grange, line nine states "and shall receive Six Thousand Five Hundred Dollars per annum, payable monthly," shall be amended to read, "and shall receive Eight Thousand Four Hundred Dollars per annum payable at the rate of Seven Hundred Dollars per month."

**66                    GRANGE AUTOMOTIVE INSURANCE                    G. of O. 22**  
**ASSOCIATION**  
**Pleasant Valley Grange No. 675**

WHEREAS: At the last regular meeting of Pleasant Valley Grange No. 675, the members voted to pass a resolution asking that an automotive insurance association be formed, and

WHEREAS: The Granges of El Dorado County are in need of and asking for a more economical automotive insurance, and

WHEREAS: The States of Oregon and Washington, and other Western States, have such insurance and are on a sound basis, and have been for a number of years,

THEREFORE, BE IT RESOLVED, that the California State Grange form an Automotive Insurance Association in the State of California.

(Committee referred to Executive Committee for further study. Sustained.)

**68                    PAST OFFICERS PINS OR JEWELS                    G. of O. 24**  
**Ranchito Grange No. 654**

WHEREAS: The California State Grange has no standard practice of presenting its past officers with past officers' pins or jewels, and

WHEREAS: Such officers, after faithfully serving the California State Grange for the constitutional term of their office, should be entitled to this small remembrance,

THEREFORE, BE IT RESOLVED, that the California State Grange present all its living past officers with proper pins or jewels, and that this be a standard practice in the future.

72

**IN MEMORIAM—CLARENCE C.  
KOFAHL, DISTRICT DEPUTY G. of O. 28  
Fairfax Grange No. 570**

WHEREAS: Our Heavenly Father, in His infinite wisdom, has taken from our midst our beloved Worthy Master and friend, Brother Clarence Christopher Kofahl, and

WHEREAS: We have lost a true and faithful member, not only of the Grange, but of the community in which he lived, where he took an active part in agriculture and its problems, and

WHEREAS: He had given whole heartedly of his time and efforts to the betterment of Fairfax Grange No. 570 since it was organized in August, 1934, and to all Kern County Granges,

THEREFORE, BE IT RESOLVED, that we the members of Fairfax Grange No. 570 do hereby extend to his bereaved widow, Sister Maggie Kofahl and to the family, our sincere and heartfelt sympathy, and

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to Sister Kofahl, a copy be spread upon our records, and copies be sent to the Kern County Pomona Grange and to the California State Grange.

73

**IN MEMORIAM—MISS DOROTHY  
DONOHUE, ASSEMBLYWOMAN G. of O. 29  
Fairfax Grange No. 570**

WHEREAS: Our Heavenly Father, in His infinite wisdom, has taken from our midst our beloved Sister Dorothy Donohue, Assemblywoman, and

WHEREAS: We shall miss her presence, her personal letters and counsel in matters of interest to the Grange and its members,

THEREFORE, BE IT RESOLVED, that we the members of Fairfax Grange No. 570 do hereby extend to her bereaved mother and to the District she so faithfully served, our sincere and heartfelt sympathy,

BE IT FURTHER RESOLVED, that a copy of this resolution be spread upon our records and a copy be sent to the California State Grange.

75

**COMPULSORY AUTOMOBILE INSURANCE**

**San Mateo Co. Pomona Grange No. 49 G. of O. 31**

WHEREAS: We the officers and members of San Mateo County Pomona Grange No. 49 believe that the laws

on automobile insurance do not deter that first costly uninsured accident.

THEREFORE, BE IT RESOLVED, that the California State Grange urge automobile insurance be compulsory before a license can be issued for the vehicle.

#### **76 GRANGE CREDIT UNION MEMBERSHIP**

**Lake County Pomona Grange No. 43 G. of O. 32**

WHEREAS: There are now over 50 Grange Credit Unions that have proven to be the major Grange benefits in the State of California, and

WHEREAS: Grange members in good standing are offered an opportunity to place savings and borrow for any provident purpose, at reasonable rates of interest, by their own Credit Union, a legally incorporated, non-profit organization, and

WHEREAS: It is necessary that the treasurer-manager of each Credit Union be fully informed at all times of Grange members in good standing, and

WHEREAS: A valuable service could be rendered, and some possible embarrassment may be avoided, if the secretary of each Grange could notify the treasurer-manager of their Credit Union of all members that have been dropped from membership in their Grange by demit or any other reason, making them ineligible for any Credit Union benefits or services other than those contracted prior to their disengagement,

THEREFORE, BE IT RESOLVED, that the California State Grange approve and advise all subordinate and Pomona Granges of California to instruct and urge their secretaries to inform the treasurer-manager of their respective Grange Credit Union of any and all members that have discontinued their affiliation in the Grange.

#### **REQUEST TO AMEND BY-LAWS OF STATE OR FEDERAL CHARTERED CREDIT UNIONS**

**59 Lake County Pomona Grange No. 43 G. of O. 15**

WHEREAS: Credit Unions, either State or Federal, sponsored by Subordinate and Pomona Granges, under the jurisdiction of the California State Grange have provided and are providing services of inestimable value to its members, and

WHEREAS: In order that these benefits may continue to provide such material assistance to its membership, be it resolved that all credit unions sponsored by the Granges

in California, whether State or Federally chartered, be required to amend their By-Laws to read:

(1) That all participants in the Grange Credit Union benefits of any nature, such as shareholdings, loans, or any other of the many benefits accruing to said Grange sponsored credit union membership be limited to bonafide Grange members in good standing in the subordinate Granges under the jurisdiction of the California State Grange; and who have attained membership in credit unions sponsored by Granges within the State of California, and

THEREFORE, BE IT RESOLVED, that the California State Grange request all State or Federal Credit Unions, under the jurisdiction of the California State Grange, to amend their By-Laws accordingly.

## LEGISLATION

**78                    PLACING FISHERMEN IN SAME                    Legis. 1**  
**STATUS AS FARMERS CONCERNING**  
**ESTIMATED INCOME TAX**

**San Diego Harbor Grange No. 775**

WHEREAS: A resolution has been adopted requesting the Government to give the commercial fishermen relief from having to make an estimated income tax return, and

WHEREAS: The Commercial fishermen of the United States earn their living from the sea, and

WHEREAS: It is impossible to predict what nature will do regarding water currents and temperature, which in turn control the movement of the fish, and

WHEREAS: Under these conditions it is impossible to estimate the price or productivity of our industry from year to year,

THEREFORE, BE IT RESOLVED, that the California State Grange request relief of the Government, making the Commercial Fishermen's estimated tax status the same as the farmer and oyster farmer.

Following Granges concur:

Newport Harbor Grange No. 776

**79                    FINANCIAL AID TO FURTHER WEST                    Legis. 2**  
**COAST TUNA RESEARCH**

**Los Angeles Harbor Area Grange No. 774**

**Endorsed by Orange County Pomona Grange**

WHEREAS: A new west coast tuna research laboratory was established in San Diego in 1959, and

WHEREAS: The work of this laboratory and other scientists of the Bureau of Commercial Fisheries must be expanded to increase the knowledge about tuna and to investigate methods of predicting the occurrence and availability of the fish, and

WHEREAS: The government and industry are agreed that the best hope of United States fishermen to meet foreign competition lies in developing better ways to catch fish and preserve them and improve processing methods which will increase sales,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the National Grange to support requests for financial aid for further west coast tuna research.

Following Granges concur:

Newport Harbor Grange No. 776

**MISLEADING ADVERTISING BY CERTAIN  
PRIVATE UTILITIES**

81 Legis. 4

**Fresno County Pomona Grange No. 24**

WHEREAS: The power and water development of the Reclamation Bureau are mostly paid for by the revenue of the power sold, and

WHEREAS: The private power companies are supporting misleading advertising which is aimed at suppressing the development of water projects by the Bureau of Reclamations,

THEREFORE, BE IT RESOLVED, that the California State Grange petition the National Grange to take steps at once to request Legislators to investigate this type of advertising and take steps to stop it.

**AMENDMENT TO PURE FOOD  
AND DRUG ACT**

82 Legis. 5

**Sonoma County Pomona Grange No. 1**

WHEREAS: It is agreed that the recent announcements by the Department of Education, Health and Welfare regarding harmful residue in foods such as cranberries, caponettes, and milk were made with the intention of protecting the public, and

WHEREAS: The announcements by the Department of Education, Health and Welfare were made in such a manner as to create fear among consumers who hesitated to purchase the product in question, even though in each case only a small percentage of the product was said to be

affected. This has brought disastrous financial results and confusion to the various producers of such commodities,

THEREFORE, BE IT RESOLVED, that the California State Grange request Congress to amend the Pure Food and Drug Act so that in the event of future discovery of harmfully affected food products the affected food product shall be removed from the market without premature and harmful publicity, thus protecting the interest of the consumer as well as the producer whose product was not affected.

### LEGISLATION COMMITTEE RESOLUTION

#### 84                      **CANCER RESEARCH**                      Legis. 7

WHEREAS: Millions of persons of all ages and in all walks of life die or are maimed because of cancer, and

WHEREAS: There is an urgent need to accelerate the cancer program to insure the earliest possible discovery of a cure,

THEREFORE, BE IT RESOLVED, that the California State Grange use all its influence in establishing a Federal Cancer Bureau with adequately trained personnel and sufficient financing to insure the earliest possible cancer cure.

#### 85                      **RETAIN THE DEPARTMENT OF                      Legis. 8** **AGRICULTURE AS A MAJOR BRANCH OF THE** **STATE GOVERNMENT**

**San Marcos Grange No. 633**

**Endorsed by San Diego County Pomona Grange No. 35**

WHEREAS: Plans are being made to reorganize the State Government of California, and

WHEREAS: This reorganization as proposed by the Committee on Reorganization intends to place the State Department of Agriculture within a so-called Resources Agency, and

WHEREAS: Agriculture is California's greatest industry with a gross annual income of three billion dollars, and

WHEREAS: Such a move would put the Department of Agriculture into a subordinate position and depreciate its importance,

THEREFORE, BE IT RESOLVED, that the California State Grange vigorously oppose bringing the Department of Agriculture into a subordinate position under another agency.

**87                    DIVERSION OF FUNDS FROM                    Legis 10**  
**STATE FAIRS AND GRANGE MEMBER**  
**REPRESENTATION ON FAIR BOARDS**

**Plumas-Sierra Pomona Grange No. 18**

WHEREAS: In 1933 the voters of California by a large majority voted to allow horse racing in California and the State's share from Pari-mutuel wagers be used for the development and advancement of agriculture, and as a result some 78 fairs have been established and maintained in California, and

WHEREAS: These fairs have played a major part in making California the largest agriculture producing State in the Union, and whereas this high standing is now being threatened by some of our Legislators, who seem to think this money should be diverted to other channels, and

WHEREAS: The Grange throughout the State of California, as a body, on committees and as individuals have had a major part in this successful program of State Fairs,

THEREFORE, BE IT RESOLVED, that the California State Grange protest any diversion of funds from State Fairs, as previously allocated from Pari-mutuel wagers; and be it further resolved that the Grange being the oldest agricultural organization in the State should have at least a 50% representation on the Board of Directors of all Fair Boards throughout the State, including the California State Fair Board, and that all Pomona Granges submit a list of at least three Grange members who are capable and willing to serve as Directors on Fair Boards in their respective districts, and on the California State Fair Board, on or before the first of each year or whenever an opening exists on a Fair Board, to the Governor of the State of California, to the State Senator and Assemblyman of their District or Districts, also a copy to be sent to the County Board of Supervisors.

**88                    CHANGE IN PRESENT INCOME                    Legis. 11**  
**TAX EXEMPTION**

**Sonoma County Pomona Grange No. 1**

WHEREAS: The present income tax for dependents is based on living costs and such living costs have become inflated over the past decade, and

WHEREAS: If the tax law was to be revised to authorize an increase in the exemption for each dependent over the present \$600.00 so that it would be more in conformity with the actual living costs,

THEREFORE, BE IT RESOLVED, that the California State Grange work toward obtaining the necessary legislation to change the present income tax exemption.

**89                    SAN FERNANDO VALLEY FAIR            Legis. 12**  
**Winnetka Center Grange No. 668**

WHEREAS: The San Fernando Valley Fair (known as the Devonshire Downs Fair) has, after many years of successful operation, been discontinued, and

WHEREAS: The State of California now owns the grounds, together with ample facilities, including buildings and auto parking area, to maintain a large agricultural and industrial fair, and

WHEREAS: It is urgently important that the young people of our land not forget, but have the opportunity to learn of, and to compete in our age long heritage and tradition, agriculture, and that agriculture have the opportunity to advance with our population growth, industrial and business progress,

THEREFORE, BE IT RESOLVED, that the California State Grange request legislation to reinstate the San Fernando Valley Fair.

**91            DIVISION OF COMMERCIAL FISHERIES    Legis. 14**  
**Los Angeles Harbor Area Grange No. 774**

WHEREAS: The people of California are working less days a week and have more leisure time, with more people each year turning to hunting and fishing as a means of recreation during these spare hours, and

WHEREAS: The Department of Fish and Game is finding it more and more difficult to keep up with the programs demanded by the sporting public, with less and less time for the commercial fisheries' problems, and

WHEREAS: For the past 10 years the commercial fisheries have shown a great need for assistance from our State and Government in its fight to exist, and

WHEREAS: At a Senate Interim Committee hearing, held earlier this year, it was brought out that the commercial fisheries could better be served by creating a department of its own or placing it within the Department of Natural Resources,

THEREFORE, BE IT RESOLVED, that the California State Grange request legislation to establish a Division of Commercial Fisheries within the Department of Agriculture.

92

**PROPOSITION NO. 15**

Legis. 15

**New Era Grange No. 540**

WHEREAS: At the November election there will appear on the ballot Proposition No. 15, which in effect would reapportion the State Senate, and

WHEREAS: The United States Congress, which is similar to California, has long proven that the present system is fair and equitable, and

WHEREAS: Agriculture would suffer legislatively,

THEREFORE, BE IT RESOLVED, that the California State Grange oppose Proposition No. 15 on the November ballot and use its utmost influence to help defeat this Proposition.

94

**REGULATE FOREIGN IMPORTS  
OF FISH AND FISH PRODUCTS**

Legis. 17

**Newport Harbor Grange No. 776****Endorsed by Orange County Pomona Grange No. 36**

WHEREAS: The tuna industry, and specifically that segment known as the Albacore fishermen, have been subjected for the past ten years to extreme hardship due to the increased allowance of foreign imports, especially from Japan, to the point of near bankruptcy, and

WHEREAS: No amount of appeal from the industry has brought any assurance of relief through the Federal government by reason of quotas, tariffs, or other relief measures, and

WHEREAS: It is a known fact that the matter of imports, including tuna and albacore fish, salmon and crab, to mention only a few food items, are expanding to the point where the American domestic market is fast being relinquished to foreign competition, and

WHEREAS: During this ten year period, Newport Harbor Grange No. 776 has individually and jointly with San Diego Harbor, Los Angeles Harbor, and Bodega Bay Grange, the California State Grange and the National Grange, protested this influx of imports and appealed for methods of relief through every known source, with no such relief forthcoming,

THEREFORE, BE IT RESOLVED, that the California State Grange request the State Legislature and the Congress of the United States to again re-affirm its stand on these imports, their damage to the economy of the State of California, the loss of livelihood to the American workers, the unfair competition of comparative foreign labor costs against

American labor, the futility of using these imports as a conciliatory measure in the fight against Communism in the Far East, Japan in particular, and exert every effort to keep the importation of fish and fish products and by-products within a quota that will provide the domestic market with a majority of domestic products, produced and sold under strict Pure Food and Health standards required of the domestic industry, and still allow a fair percentage of imports, a request that has always indicated the willingness of the domestic industry to share, but not to be sold out.

Following Granges concur:

Wintersburg Grange No. 583

Anaheim Grange No. 621

Bodega Bay Grange No. 777

**95                      CIVIL SERVICE EMPLOYEES                      Legis. 18**

**San Joaquin County Pomona Grange No. 20**

WHEREAS: State employees, who are civil servants, have been actively participating in various election campaigns in California, and

WHEREAS: The direct participation of civil servants in California State and local elections, both for candidates and for measures, is not a healthy influence,

THEREFORE, BE IT RESOLVED, that the California State Grange request that existing State laws controlling the election activities of Civil Service employees of State and local governments be re-examined and strengthened.

**96                      LABELS ON IMPORTED FISH                      Legis. 19**  
**TO CONFORM TO PURE FOOD AND**  
**DRUG STANDARDS**

**Newport Harbor Grange No. 776**

**Endorsed by Orange County Pomona Grange No. 36**

WHEREAS: Every segment of the United States retail market is flooded with imports, including an increasing and alarming quantity of foods, specifically of fish and fish products and by-products, and

WHEREAS: In the more recent years label identifications have provided a legend on some canned foods, including fish, naming the country of origin, and

WHEREAS: The diversity of products and/or by-products now canned for export, specifically fish, has stimulated employment in foreign countries of the Far East in particular, of peoples whose health and living habits are not of the

minimum standards established and required by law in the United States, and

WHEREAS: Raw foods, specifically fish, subject to rapid spoilage and deterioration, are imported to domestic canneries and under reputable brand labels are sold to an uninformed public, who rely on the brand name for purity and quality, and

WHEREAS: In the matter of foods, and specifically canned fish, where purity, cleanliness and quality cannot be determined by sight prior to purchase, the same protection must be assured the American buying public in the matter of imports as is required and assured by like domestic products under existing Pure Food Laws,

THEREFORE, BE IT RESOLVED, that the California State Grange request the State Legislature and the U. S. Congress to initiate inquiry of the Health and Purity Standards required by the Federal and State Governments in the matter of foods, and especially fish, processed, packed, and canned in the foreign countries for export and sale to the public in the United States, and institute action for legislation requiring that ALL LABELS MUST, in addition to the name of the producing and/or processing country, specifically state that the contents are produced, processed, packed and canned to conform to, and are not less than, the Pure Food and Drug standards for the same product produced, prepared, processed, packed and canned domestically.

Following Granges concurred:

Wintersburg Grange No. 583

Anaheim Grange No. 621

Bodega Bay Grange No. 777

## PROFESSIONAL LOBBYISTS

Legis. 20

Ojai Valley Grange No. 659

Endorsed by Ventura County Pomona Grange No. 50

WHEREAS: The professional lobbyists are exerting too much influence upon legislation that is enacted in County, State, and Federal Government, and also are exerting undue influence upon elections of various officials by paying expenses of different officials before and after election,

THEREFORE, BE IT RESOLVED, that the California State Grange exert every influence upon all levels of government to correct this practice.

WHEREAS: Recognizing these inequities, legislation was recommended and passed by both houses of the State Legislature during the 1959 session which would have provided for a 75% State and 25% County sharing in cost, after the County share on the present 50-50 basis had exceeded the 1c on the County Tax Rate of any year, and

WHEREAS: This legislation, unfortunately was vetoed by the Governor,

THEREFORE, BE IT RESOLVED, that the California State Grange seek the re-introduction of Senate Bill 795 introduced and passed in the Session of 1957, or similar legislation, and lend every support to its adoption at the next Legislative Session.

108

**POSTAL RATE INCREASE**

Legis. 31

**Central Grange No. 626**

WHEREAS: Notwithstanding repeated increases in postal rates, especially of first class matter, the Post Office Department continues to operate at a deficit and further increases, especially in first-class mail are advocated, and

WHEREAS: The functions of the Post Office Department cover a wide range of social and economic aspects, and the effects of postal rates can and have most important results on society and business, and

WHEREAS: Taking into consideration the factors mentioned, each mail classification should, within certain limits, pay its own way, and

WHEREAS: Certain mail classifications, notably in third-class matter, have popularly so-called "junk mail" unsolicited merchandise, certain types of advertising and much of the material addressed merely to "Route Patron" or "Box Holder" are not in the public interest to the extent that this matter is entitled to a subsidy, do not pay the expense incident thereto and contribute to the deficit,

THEREFORE, BE IT RESOLVED, that the California State Grange protest any further increase in first-class postal rates until a most thorough overhaul has been made of the classification and rate structure and proper revision has been made in all categories so that each is charged a rate in keeping with its cost and its social and economic impact on the public welfare.

---

**111 TO CONTINUE THE FUNCTION OF THE Legis. 34  
HOUSE UN-AMERICAN ACTIVITIES COMMITTEE**

**San Marcos Grange No. 633**

**Endorsed by San Diego County Pomona Grange No. 35**

**WHEREAS:** There is a strong movement to discredit and abolish the House Un-American Activities Committee, and

**WHEREAS:** The House Un-American Activities Committee has proved itself to be a splendid instrument in combating and bringing into light all forms of subversive groups and individuals, and

**WHEREAS:** The safety of our Nation greatly depends on the militant investigations of said Committee,

**THEREFORE, BE IT RESOLVED,** that the California State Grange vigorously oppose the abolition of said Committee and request the National Grange to support this resolution.

**112 EXECUTIVE BRANCH OF THE Legis. 35  
GOVERNMENT**

**San Joaquin County Pomona Grange No. 20**

**WHEREAS:** Our form of government, both State and National, operates most fairly when the traditional checks and balances are preserved, and

**WHEREAS:** Consolidation of power in the hands of the Executive is contrary to our traditional system of divided authority,

**THEREFORE, BE IT RESOLVED,** by the California State Grange that all appointments made by the Governor of the State of California of the Government of Cabinet level or Department head status be subject to ratification by the State Senate.

**114 STATE DEPARTMENT OF Legis. 37  
FISH AND GAME**

**Northern Humboldt Pomona Grange No. 48**

**WHEREAS:** The California State Department of Fish and Game has planted non-migratory, catchable size fish in streams in many counties in California, and

**WHEREAS:** Much land through which these streams flow are private lands posted with "No Trespass" signs, and

**WHEREAS:** This could be interpreted to mean that the State of California is supporting private fishing grounds by planting fish in areas not available to all sportsmen,

**THEREFORE, BE IT RESOLVED,** that the California State Grange support legislation to prohibit the California

Department of Fish and Game from stocking streams or lakes with non-migratory, catchable size fish on land not available to public fishing.

**116 THE CALIFORNIA STATE PARK SYSTEM Legis. 39**

**Orick Valley Grange No. 508**

WHEREAS: The California State Park System controls 611,180 acres of land in the State of California, 33,608 acres being in Humboldt County, and

WHEREAS: This land is not on the tax rolls of any county, and

WHEREAS: The removal of this land from the tax rolls has thrown an extra burden on the various local taxpayers of said counties, and

WHEREAS: The State Park System has now been instructed to levy unrealistic park fees without regard for local taxpaying citizens who use said parks, i.e., pensioners, the retired, the elderly not having an income, school children, etc., and

WHEREAS: The State Park System should be operated as a public park because of the nature of its existence,

THEREFORE, BE IT RESOLVED, that the California State Grange request legislation establishing a system whereby park fees are set by local Park hearings and subject to ratification of the local board of supervisors.

**121 LITTER ALONG CALIFORNIA HIGHWAYS Legis. 44**

**San Diego County Pomona Grange No. 35**

WHEREAS: The authorities be encouraged to enforce the Litter Law,

THEREFORE, BE IT RESOLVED, that the California State Grange request enforcement authorities to strictly enforce the Litter Law and urge cooperation throughout the State of all the Granges to participate in a vigorous and consistent Litter Program.

**122 EXECUTIVE BRANCH OF THE GOVERNMENT Legis. 45**

**Riverbend Grange No. 677**

**Endorsed by Kings County Pomona Grange No. 28**

WHEREAS: We believe that as far as possible, public officers should be responsible to the electorate, as we believe there is a danger to our democratic processes in delegating undue appointive authority to the Executive Branch Government.

THEREFORE, BE IT RESOLVED, that the California

State Grange request the State Legislature to oppose any proposal which would eliminate the election of any public official by ballot, by delegating appointive authority for such officials to the Executive Branch of the Government.

126

**PASSPORTS TO OUR ENEMIES** Legis. 49**Valley Center Grange No. 631****Endorsed by San Diego County Pomona Grange No. 35**

WHEREAS: Communism succeeds in the Communist countries only because of the fear of the ruling class, and

WHEREAS: Quoting former Secretary of State Dulles, "The international Communist movement seeks on every front to influence foreign governments and peoples against the United States and eventually by every means, including violence, to encircle the United States and subordinate us to its will," and

WHEREAS: The Supreme Court of the United States ruled on June 16, 1958, that the Secretary of State has no authority to deny passports to people because they are Communists, and since that time all Communist citizens of the United States, many of them spies and traitors, can demand passports to foreign countries, and several have broadcast from China, a country forbidden on their passports, denouncing their country and declaring the United States guilty of germ warfare during the Korean War. All this while under the passport protection of a United States citizen, and

WHEREAS: President Eisenhower, former Secretary of State Dulles, and F.B.I. Director J. Edgar Hoover have tried to get Congress to pass remedial legislation, with no action after many months,

THEREFORE, BE IT RESOLVED, that the California State Grange request the United States Congress to enact remedial legislation.

132

**LOCAL AND STATE FAIRS**

Legis. 55

**Fall River Grange No. 422****Rewritten by Committee**

WHEREAS: There is a movement within the State government to require an admission fee at all fairs within the State of California, and

WHEREAS: As the charging of admission fees is not necessarily in the best interest of all fairs,

THEREFORE, BE IT RESOLVED, the California State Grange oppose any effort to require a mandatory fair admission fee.

---

**ROADS AND HIGHWAYS****134 SAFETY AT RAILROAD CROSSINGS R.&H. 2**  
**Panama Grange No. 566****Endorsed by San Diego Pomona Grange No. 35**

WHEREAS: On March 1, 1960, there was a terrible collision between a passenger train and an oil truck and trailer on Allen Road in the community of Rosedale, Kern County, killing several passengers and the truck driver, and injuring a good many more, and

WHEREAS: Trains, especially passenger trains, now travel at speeds in excess of a mile a minute, and

WHEREAS: These trains may be completely invisible to an operator of a vehicle about to cross the tracks, especially where the track crosses the road at an angle, and

WHEREAS: Slow-moving vehicles, such as trucks or trucks and trailers, having come to a complete stop take several minutes to cross railroad tracks, and

WHEREAS: Train traveling at speeds in excess of a mile a minute may be completely out of sight and hearing when said vehicle starts across the tracks and the train can still be upon it before it can clear the tracks, and

WHEREAS: There have been numerous serious accidents at railroad crossings because the warning signals now in use are inadequate,

THEREFORE, BE IT RESOLVED, that the California State Grange request legislation to correct these dangerous conditions.

**135 OPPOSING FREEWAY THROUGH R.&H. 3**  
**BIDWELL PARK****Anderson Grange No. 418****Endorsed by Shasta County Pomona Grange No. 13**

WHEREAS: Present plans of the Highway Department of the State of California contemplate the building of a Freeway through Bidwell Park in the City of Chico, and

WHEREAS: Bidwell Park in its present state of unspoiled natural beauty is an asset to the people of the area and should be preserved as such for posterity, and

WHEREAS: Studies made by competent persons indicate that alternate routes do exist that would serve traffic needs and be less damaging to the community,

THEREFORE, BE IT RESOLVED, that the California State Grange oppose the routing of the proposed Freeway through Bidwell Park.
