1968

1968
NINETY-SIXTH ANNUAL SESSION
OF
CALIFORNIA STATE GRANGE

FRESNO, CALIFORNIA

TUESDAY, OCTOBER 15, 1968

The 96th annual convention of the California State Grange was called to order at 9:30 a.m. in the Fresno Convention Arena, October 15, 1968.

Presentation of the State Officers.

Patrons who were not members of the Sixth Degree retired and the California State Grange was opened in the Sixth Degree with the Deputies assisting the Assistant Stewards in taking the password.

Worthy Chaplain, Leta Littler, led the assembly in seeking devine guidance.

Opening song, "America, The Beautiful," led by Brother Lester Wendt was sung by the assembly.

Worthy Acting Flora, Marjorie Bley, presented the flag. "The Star Spangled Banner" was sung by all.

The Grange was lowered to the Fourth Degree. The Youth Grangers and 4th and 5th Degree Members entered the hall.

The Grange was declared at ease.

Brother Fred Garrison, Chairman of the Convention was introduced to the assembly. Brother Garrison introduced Joseph Reich, Chairman, Board of Supervisors, Fresno County who represented the City and County of Fresno. Mr. Reich welcomed the Grange and presented the County Seal to State Master Deaver. Robert A. Schoettler, Executive Director Fresno Convention Bureau was introduced. Mr. Shoettler invited the Grangers to visit the shopping centers and industries in Fresno and thanked the Grangers for making Fresno their convention city.

Worthy Overseer, Emmett Ivey gave the response.

Master Deaver thanked the Grange members who made the arrangements for this convention. Brother Garrison introduced Brother Harold Harding, co-chairman of the convention committee. Brother Harding addressed the assembly and welcomed the Grangers.

The Worthy Assistant Stewards escorted National Grange Overseer and Master of Washington State Grange Lars Nelson and Sister Nelson; California State Grange Past-Master James

Blaine Quinn and Sister Quinn; Sister Elizabeth Shelmeyer wife of California State Grange Past-Master George Shelmeyer; Oregon State Grange Master and National Grange Chaplain Alan Wheeler; Oregon State Grange Past-Master Elmer McClure and Sister McClure; Oregon State Grange Overseer and Ted Sims and Sister Sims to the Master's station where they greeted the delegation.

Dr. John W. West, Associate Dean of Agriculture, Cal-Poly College, San Luis Obispo and Mrs. West were escorted to the Master's station. Dr. John West spoke on the Seven C's of Leadership. One must be *Communicative*, have a *Competitive Spirit*, *Cooperative Attitude*, *Creative Talent*, *Citizenship Participation*, *Character Traits*, and be *Competent*. "Family is still the basic unit in our society today," he said.

Brother Everett Chapin, Master El Dorado-Amador Pomona Grange No. 14 was escorted to the Master's station where he presented Worthy State Master Deaver with a contribution box for the Youth Program. The box was a gift from Pilot Hill Grange No. 1, and it contained the first donation towards the building of the Youth Program Fund. State Master Deaver announced the box would be available during the convention. Contributions would be counted and announced daily.

Legislative Representative Herman Grabow introduced Assemblyman Mobley who addressed the delegation and commended the Grange for their work and efforts.

The dahlias at the Master's station were presented in honor of Sister Doris Deaver. Sister Deaver thanked all for their kindness towards her.

The session was declared open in the Fourth degree.

National Grange Overseer and Washington State Grange Master Lars Nelson, Sister Nelson, Past-Master of the Oregon State Grange Elmer McClure and Sister McClure were escorted to the Master's Station.

Brother Nelson presented Master Deaver with a box of Washington apples. Master Deaver thanked Brother Nelson for the gift. Brother Nelson spoke on "Change and Where We As An Organization Are Going To Go and Are We Planning For It.

Sister Nelson thanked all for the many courtesies shown towards her and Brother Nelson and invited the delegates to visit Washington State Grange.

Brother McClure spoke on the challenges facing the Grange and wished the Delegation success in their endeavors. Sister McClure thanked the Grangers.

"God Be With You" was sung by the assembly as they were escorted from the hall.

A telegram from National Grange Master Herschel New- some was read by State Secretary Marjorie Brown.

National Welfare Resolutions Chairman Florence McDougall made a partial report.

National Welfare No. 3, Substituted by National Welfare Resolution No. 15. ¶

- 84—"Relative To Voting System In Primary Nat'l Wel. 15
Elections"

Do Pass—Adopted.

National Welfare Numbers 6-7-8-9-10 Sub-
stituted by National Welfare No. 16.

- 85—"Opposing Firearms Registration" Nat'l Wel. 16
(National Welfare Committee Resolution)

Do Pass—Adopted.

National Welfare No. 11 Substituted by
National Welfare Resolution No. 17.

- 86—"Doctor Fees and Hospital Fees" Nat'l Wel. 17
Do Pass—Adopted.
- 82—"Relative To Formulation of a Program Nat'l. Wel. 13
To Build Respect and Understanding At
Community, State and National Level"
Do Pass As Amended—Adopted.

Florence McDougall, Chairman of the National Welfare Committee made her final report—Report Accepted.

Sister McDougall was given a standing ovation for her work on the resolutions presented on National Welfare.

"It's A Good Thing To Be A Granger" was sung by the assembly on behalf of the voting delegate from Three Forks Grange No. 449, El Dorado County, Brother Jack Wood. Brother Wood served with Teddy Roosevelt at San Juan Hill when he was 16 years old.

Recess—12:30 p.m.

AFTERNOON

2:00 p.m. Memorial Service under the direction of the State Grange Chaplain, Sister Littler.

EVENING

7:30 p.m.—Reconvened.

Fifth Degree conferred by California State Grange Youth Degree Team, under the direction of Youth Director Betty Smith.

FIFTH DEGREE TEAM

Captain: Charles Mudge, Vista Grange No. 609, San Diego County.

Master: Jerry Hames, Mad River Grange No. 590, Humboldt County.

Overseer: Hank Hitt, Rainbow Valley Grange No. 689 San Diego County.

Lecturer: Ira White, Ceres Grange No. 520, Stanislaus County.

Steward: Robert Nielsen, San Marcos Grange No. 633 San Diego County.

Gatekeeper: David Littler, Ranchito Grange No. 654, Los Angeles County.

Chaplain: Mike Smith, San Marcos Grange No. 633, San Diego County.

Flora: Marcia Sheffer, Orchard City Grange No. 333 Santa Clara County.

Ceres: Nanci Garrison, James Ranch Grange No. 628 Fresno County.

Pomona: Terri Sammons, Shiloh Grange No. 575, Stanislaus County.

Secretary: Alberta Polumsky, Shiloh Grange No. 575 Stanislaus County.

Treasurer: Janet Parker, Ramona Grange No. 632, San Diego County.

Assistant Steward: Larry Smith, San Marcos Grange No. 633, San Diego County.

Lady Assistant Steward: Barbara Crandall, Ramona Grange No. 632, San Diego County.

Executive Committeemen: Jack Coast, Rainbow Valley Grange No. 689, San Diego County; Ed Pippin, Garden Grove Grange No. 613, Orange County; Lynn Boles, Ceres Grange No. 520, Stanislaus County.

Master Deaver was presented with a gift of dried fruit by the Youth members. Youth Director Betty Smith spoke to the assembly.

Sixth Degree conferred by Officers of the California State Grange.

After the Feast of Pomona, the Grange was lowered to the Fourth Degree.

Grange was closed in the Fourth Degree at 10:55 p.m.

FRIDAY, OCTOBER 18, 1968

The California State Grange was called to order at 9:45 a.m. by the Worthy Master.

Opening prayer by Chaplain, Leta Littler.

Opening song "Peggy O'Neill."

Grange opened in ample form in the Fourth Degree.

Presentation of the flag.

Roll call found all officers present.

Reading of Journal of Yesterday, approved as read.

Transportation, Roads and Highways Resolution Committee Chairman Robert Null made a partial report.

68—"Pertaining To Use Of Flynn Creek Road From Highway 128 to Comptche, and From Comptche to Highway 1 as Alternate For Highway 671" Trans. R. & H. 1

Emblem Bearer, Kenneth Bley
Musician, William Campbell
Installation Of Officer.

The California State Grange as a Delegation circled the Altar and sang "God Be With You 'Til We Meet Again."

Worthy Overseer, Emmett Ivey, by the order of the Worthy State Master proclaimed the Ninety-Sixth Annual Session of the California State Grange closed.

Fraternally submitted,
Marjorie Brown, Secretary
CALIFORNIA STATE GRANGE

MASTER'S ANNUAL ADDRESS

Worthy Master, Officers and Members of the California State Grange:

It seems only yesterday we were assembled in annual session in the City of Riverside. Yet another year has swiftly passed and we find ourselves gathered in the City of Fresno for our 96th annual session, a city located in the heart of the agricultural industry of this great State of California.

Grange members are present here today who I am sure can reflect back upon the past and recall the first State Grange session held in this city, thirty-six years ago. As they gather here today, they will surely observe great progress attained by the city which comes only through dedicated leadership and the cooperation of its citizenry. The agricultural industry surrounding this city, composed of hundreds of efficient family type units, has made an important contribution and if given equal opportunity and equality with other like industries, will continue to provide a sound basis for its future growth.

AGRICULTURE

The problem of the hour is how to restore and maintain agriculture on equality with other industries to the end that the labor contributed and investments involved be as rewarding when engaged in raising the necessities of life as in any other occupation or industry.

The American farmer is striving nobly to maintain agriculture and the American farm home on the high plane of the past and on an equality with every other honorable calling, but he is at present hopelessly handicapped by the dual and unjust economic system which he is forced to patronize.

The present condition of agriculture is not the result of any single or overt act on the part of organized society nor is it the consequence of inefficiency or the failure of intelligent application by those therein engaged, but rather the accumulated effect of taking the course of least resistance in legislative enactment, of yielding to the allurements of politi-

cal expediency and of granting special privilege and preferred consideration in the regulation and promotion of business property.

Our problem is one of unfair relations with other industry and with labor. The past several years have seen so many changes in our cost of operation as farmers by reason of attempts to raise American living standards higher and higher above the world level. We should seek such adjustment of fixed costs imposed upon agriculture by taxation, interest charges, rigidity in wage levels and transportation rates, as will equalize existing inequalities.

We should insist that any agricultural policy shall favor the preservation of the independent family-owned farm as an essential support of Democracy and favor promotion of such ownership. A stable prosperous and expanding American Agriculture is essential to a sound and progressive national economy. So dependent and inter-dependent is each upon the other that without either both must suffer. It is important, therefore, that every phase of American agriculture be maintained in such a position that it is stable, prosperous and expanding.

Since farmers provide consumers with an abundant supply of food and other agricultural commodities, an honest equity for agriculture would assure farmers a fair price for what they produce. If this is done, it will be a potent factor in maintaining a high level of employment and prosperity in the nation.

There is no simple solution to the farm price problem. The farm program must be broad enough to enable the producers of any commodity to develop a plan and set up the machinery for handling their specific problems. While farm programs must leave the individual farmer free to use his own land, labor, and other resources to his best advantage, they must not prevent producers from working together to achieve a balance between supply and demand when the need arises, must induce privately and publicly needed soil and water conservation practices, and must promote economically sound family sized farms in every practical way. The Grange has been since its inception, a unique family organization and will continue to promote family farms.

We should base our Grange approach upon recognition of the naked truths that if we as producers are to be saved we must save ourselves, that this process will require a far greater degree of understanding and joint action between producers than exists at the present time, and that the solution of the farm problem lies largely in education, organization and co-operation.

It can always be expected that the American farm family will expend the fullest measure of energy, ability and ingenuity, through every available avenue, to earn a standard of living comparable to that enjoyed by their fellow citizens off

the farm. It is *unjustifiable* to expect farmers to accept a lower standard for comparable investment and labor. We should seek to achieve an acceleration of effort to develop a self sustaining, stable agricultural economy. We should give concentrated attention to ways and means of rebuilding family farm income without dependence upon government handouts.

It is necessary to push boldly and energetically forward in seeking understanding and equity for American agriculture. The seeds of suspicion, distrust, and discord which have been sown must not be allowed to mature and thus poison the minds of Americans, both farm and non-farm.

Without understanding and cooperation in all segments of our economy, there can be but little hope that we can meet and solve the difficult problems that both exist now and lie ahead of us. The attainment of that objective should take priority over all others. Under these circumstances, it is important that much more attention should be given to providing the public with full and accurate information on the economic position of agriculture, on the relative income position of the American farmer, and on the importance of agriculture to the well-being of all people.

Finally, we as an agricultural organization, should work in cooperation with other agricultural organizations, leaders of business, labor, professional groups, and representatives of the press, radio and television to help bring about a better and more accurate portrayal of agriculture's position, and to implement the following seven point recommendations.

1. The abundant production of farm commodities at prices which are fair to both producers and consumers.
2. The preservation of the family owned and operated farm unit.
3. The conservation and most efficient use of our basic soil, water, forestry and mineral resources.
4. A constantly rising standard of living for all farm families.
5. The opportunity for youth to climb the ladder to farm ownership and security in proportion to their ability and effort.
6. A marketing and price structure that will maintain agriculture on a satisfactory self-sustaining and stable basis.
7. Farm control of all programs designed to aid agriculture.

EDUCATION

The founding fathers of the Grange recognized the importance of education to our society. From the dawn of Grange history to the present hour, our organization has recognized that our Democratic system of government cannot survive unless all of our citizens enjoy a fair standard of education.

Knowledge alone is not enough. The Grange has always emphasized character building, integrity and patriotic honesty, as well as intelligence. Recent investigations have made shocking revelations of corruption in high places—this demands that we focus the thought and attention of all people on educational programs, placing emphasis on individual and personal responsibility if we are to lift the level of citizenship. Unless the Youth are trained to preserve the principles of free government, then we shall have failed.

The teacher is the heart of the school. Within the teacher, lies the greatest strength or the greatest weakness of American education. The effectiveness of the teacher is in direct proportion to the support of the home. Nonetheless, we should stand firm in supporting the removal from our schools and institutions of higher learning, any subversive teaching and seek the elimination from the public payroll of any teacher who may be disloyal to American principles, American Government and the American Way of Life.

Our public schools cannot be schools of the people, by the people, and for the people unless both educational and lay people study and understand the needs of our children and participate in developing a program to meet these needs. Now, when so much depends on rural America, its thinking and its leadership, the Grange must take a greater responsibility in helping to determine what the school curriculum shall be, as well as helping to formulate other policies which effect the welfare of the schools. In many cases today, too much stress is being put on "how to teach," rather than "what to teach."

Greater emphasis should be placed in our educational program on the development of human resources. Better preparation should be given for family and community living.

Mass education is the vogue of the day, but we hope that this can be controlled so that there will not be such a *levelling* off as to impair the development of leaders and persons of outstanding character. Rural life has changed rapidly, and this change has brought its problems. Rural areas, however, still account for nearly half of the pupils and half of the teachers in the Nation's schools. It is generally agreed that the preservation and the enhancement of Democracy as a way of life is dependent on an alert, informed, and educated people. To assure this, we would recommend:

1. The recruitment, education, and retention of well qualified teachers for both rural and urban America.
2. Assistance in providing educational opportunities, high quality administrative and supervisory service are needed. These should be sufficiently close to the school itself to make certain that local needs are fully understood.
3. School district structure should be based on providing good school programs at a reasonable per pupil cost.

4. Equalization of school support burden is needed to assure good quality school programs. Dependence on one source of taxation is unwise, and property taxes for school purposes should be supplemented with revenue from other sources to assure equality of support.

We strongly urge local participation by representatives of Pomona and Subordinate Granges in councils and conferences dealing with education and health problems.

COOPERATIVES

Over the years, the Grange has emphasized the important role of cooperatives to the successful and economic operation of our farms and has encouraged farmers to make greater use of farmer cooperatives as a means of increasing economic strength and well being.

The relative weakness in the bargaining power of farmers in relation to other segments of industry is due in large part to the failure of farmers to make greater use of the cooperative principle. Not only can farmers increase their bargaining position through cooperative action, but they can bring into action, measures which will reduce costs, increase marketing efficiency, improve credit facilities, improve quality standards, pool supplies, and expand market outlets.

Acting separately, farmers have too small a voice in a distribution pattern and as a result, tend to become the residual receiver of that part of the consumer's dollar which is not siphoned off by other forces in the distribution channels. Therefore, farmers have not been able to resist having passed back to them, the rising labor and other costs involved in marketing the commodities that farmers produce and sell. Consequently, the farmers' share of the consumer's dollar has continued to decline. The Grange, therefore, should re-emphasize the need for farmers to renew their efforts to make greater use of cooperatives as a means of mobilizing their economic strength.

We should recognize that the current trend in all business is toward increased economic integration with larger volumes of business and more functions in production and distribution being controlled by single managements—We should also recognize that vertical integration in agriculture may continue to grow. We should be particularly concerned with contract farming as a phase of vertical integration which, if not controlled by farmers, will result in shifting from the farmer to others, the responsibilities for management decision as well as benefits resulting from the transfer.

Contract farming is a direct challenge to the ability of the American farmer to retain control over his farming operations. The trend, when imposed by processors and others outside of agriculture, tends to reduce the farmer to a status of a tenant on his own land in the absence of adequate bargaining power. To cope with these new situations, there is a

growing tendency among some farmers to affiliate with labor unions. In my opinion, the control of agriculture by outside business interests and labor unions would be a serious blow to our economic system. We should recommend that farmers use their own cooperatives and organizations in meeting this new challenge.

As farmers, our problem is to use agencies of our own—choosing which will enable us to share jointly, risks of management decisions, maintain control of our farming operations and at the same time, gain many of the benefits of integrated operations.

I firmly believe that through sound cooperative organization, we can make substantial progress toward these goals. We should recommend a sound reappraisal of all cooperatives, strengthening and increasing their efficiency where possible and consolidating into larger units where practicable. We can thus meet and control the threats of contract farming and also improve our competitive and bargaining positions with respect to other businesses in the field of private enterprise.

In these efforts, we should not lose sight of these basic cooperative principles on which successful organizations are founded and developed. We should make certain that cooperatives provide service for producers at all levels of efficiency and volume of production.

NATIONAL WELFARE

The United States became a great and prosperous nation under a system of agriculture, industry, and government which for lack of a better name, has been called the "American System." It is a capitalistic system based on free enterprise and competition, under it the government through the formative years protected the rights of the citizens and the citizens in return supported the government.

Although the American system is not a perfect system, it has made an important contribution to the rapid increase in wealth, and income in the United States. Enterprise, initiative and thrift have been encouraged. Men and women have produced goods for their own use and for exchange. Since few persons ever have as many useful material goods as they wish to use, anyone can succeed under our system who is a low cost producer of goods and services that will satisfy a human want.

Unfortunately for the welfare of the nation, a few of our citizens have been infected with the idea that purchasing power and prosperity can be increased by taking a dollar from some thrifty person and handing it to someone else. These persons disregard the simple, elementary fact that all wealth comes from production and that wages, rent, and interest must be paid from the product.

In order for the United States or any other nation to maintain permanent prosperity, every able bodied person must be willing to work and produce goods and services and exchange them at prices which permit goods produced by an hour of labor in one industry to be exchanged for the product of an hour of labor in other industries which require about the same amount of skill and training for the satisfactory performance of work. In addition, other costs of production must be considered and appropriate returns made to labor, land capital and management.

Grange policy recognizes that the National Welfare will be promoted by adhering to the governmental policies that have contributed to our well being through the years, and rejecting those that have failed repeatedly either in the United States or in foreign countries.

We should urge every citizen of this republic to give thoughtful study to all proposals which have for their objective a change in our system of government or which seek to grant special favor to any group of citizens or take away any of the rights guaranteed by the Federal Constitution.

In the prevailing climate of uneasy peace, many problems of crucial importance to the American people press for solution. Matters of policy designed to maintain international equilibrium have an impact on the domestic economy and the soundness of all policies adopted must be carefully scrutinized to anticipate their possible effects on the international and national scenes as well as the local picture. The last several decades have seen an increased concentration of authority in the National Government. This concentration of authority has come about through orderly process whereby the diverse interests of our people are traditionally expressed, including the constitutional process. It should be the responsibility of the Grange in these circumstances to give vigorous expression to the particular interest of the Nation's farmers in so far as those interests can be clearly identified.

Because of this special knowledge, the farmers of the Nation have a traditional and abiding responsibility to safeguard the country's food supply and protect its sources of vital water. While fulfilling this responsibility, the social, economic, and political views of farmers and their families warrant full, appropriate recognition. By the very nature of their work in agriculture and their position in the maintenance of a strong, independent rural society in America, they have an intimate and detailed knowledge of policies and practical measures necessary to the progress of both.

Numerically, farmers and their families represent a smaller and smaller portion of the American population with each passing year. The vigorous participation of the agricultural minority in the conduct of state and national affairs, however, has not diminished and will not diminish. The position

of agriculture and the men and women of agriculture must always be a dynamic part of American Policy. In an atmosphere of intensified economic adjustment and social change, the Grange is challenged with the opportunity and the responsibility of developing basic policies for the welfare of our country.

The strength and security of America depends largely upon our ability to utilize to the utmost, the natural and human resources of our nation. Traditionally, Grange policy recognizes that natural development of human resources can be attained only by our belief in God, which emphasizes the dignity, the rights, and the freedom of the individual—consistent application of this basic principle to problems posed by the confused, complex, and somewhat frightening environment now enveloping us will provide guidance and enable us vigorously to seek solution of specific economic, social and political problems.

TAXATION

All tax programs should conform to the following fundamental principles of taxation:

1. Taxes should be equitable.
2. In general, taxes should bear a definite relationship to ability to pay or to benefits received.
3. Tax rates should be definite and should be known to the taxpayer. The levying of hidden taxes should be avoided.
4. The tax base—including national, state, and local taxes should be broad so that the burden of taxes will be as widely distributed as possible in conformity with these principles in order that the public will have a direct interest in government expenditures.
5. Taxes should be used for securing needed revenues and should not be levied primarily as a means to social reform.
6. The tax program should be designed to reduce the National debt when production and employment are high.

In a republic, the only acceptable purpose of local, state, and federal taxes is to provide the revenue needed by citizens collectively to protect themselves from physical and economic aggression, and to permit those citizens to provide for themselves, economic, social, and cultural benefits not otherwise satisfactorily attainable.

If the yearly total of these revenues needed or used by government becomes too large, the benefits provided by the expenditure of the revenues become *out-weighted* by the economic ill effects of the resulting heavy tax rates or accumulating public debt.

Risk of capital and employment of labor in business and industry are discouraged. Purchasing power of the public is

reduced, production of new wealth is decreased. Private support of churches, charities, and educational institutions is lessened. The entire economic and social machine is slowed down, resulting in an ever increasing demand for government aid of many kinds. This increased aid results in still higher taxes or larger public debt. Continuation of this vicious cycle leads gradually to national socialism or dictatorship. The power to tax can become the power to destroy freedom. These truths must be squarely faced by the American people. Today, the public debt is nearly equal to the total wealth of the Nation and is constantly increasing. Planned future spending continues to exceed expected tax receipts. Free enterprise and freedom itself, will be destroyed in this country if the system of deficit financing is long continued.

To combat this danger, the following policies should be considered essential.

1. Federal expenditures should be severely curtailed.
2. Federal Tax income should be sufficient to meet current expenditures and substantially reduce the public debt.
3. Taxes should be more direct that citizens may realize who pays for government spending.
4. Tax rates should leave sufficient corporate and individual income after taxes to provide an incentive to invest savings in enterprises which provide jobs.
5. In order to discourage corporation farming and capitalists acquiring large acreages of farm land, amendments to the Federal Income Tax Law should be supported to provide that losses on agricultural operation could only be deducted from income derived from agricultural production.

LABOR RELATIONS

The Grange recognizes the complementary interests of the farmer and laborer. A prosperous laborer can provide a continuous and increasing outlet for the produce of farmers and in turn, a prosperous agriculture can sustain employment for a large segment of the labor force through the distribution, processing, and manufacture of raw materials from the farm and through the manufacture of machinery and equipment needed by farmers. The U. S. Farmer desires that wages remain as high as is consistent with laborers' productive output.

A fully employed labor force at good wages will result in high domestic consumption of farm products. In turn, labor has a stake in restoring the purchasing power of the farmer. Our community of interests with labor should be promoted to the fullest by constructive policy.

The current activity for organization of farm workers has caused extreme hardship and tremendous uncertainty exists over the rights of farmers and workers in these situations.

Legislation should be supported which would forbid the use of boycott in the market place against the sale of agricultural commodities produced by farmers where no labor dispute exists, and to initiate studies to investigate possible methods of avoiding untimely and crippling strikes during peak harvest by providing appropriate bargain procedures with necessary safe-guards to both farmers and workers, so that such bargaining may take place prior to harvest time.

COMMITTEE OF WOMEN'S ACTIVITIES

This committee under the leadership of Sister Gladys True, State Director of Women's Activities, with the support of her District Directors and with the cooperation of the Subordinate Grange Committees, continues to merit the recognition as a strong right arm of the Grange. Without this cooperative effort, it would be impossible for our organization to compile annually such a meritorious record of service to community and human needs.

A detailed report of this past year's activities of this Committee will be rendered by Sister True and made a part of the record in the Journal of this 96th Annual Session.

JUNIOR PROGRAM

The Junior Grange Program instituted by Sister Eve Rowe, State Superintendent of Junior Granges appears to have generated great interest and enthusiasm among Subordinate Grange membership.

Inquiries now coming to your State Office requesting information on procedures as to organizing Junior Granges, would indicate the program now being put into operation, should have great success.

Sister Eve Rowe will render her report on this past year's Junior Grange activity during the Session.

YOUTH ACTIVITIES

In this field of opportunity and need, under the guidance of Sister Betty Smith, State Director of Youth Activities, we are now moving to institute programs that will be of interest to and serve the needs of the Youth.

Although this program is in its infancy, there is every indication by the interest generated and the cooperation extended that we will be successful in this effort. A full report as to the present status will be submitted by Sister Smith and entered in the Journal.

MEMBERSHIP

In compliance with the National Grange Program relative to membership gain, a comprehensive program has been instituted under the supervision of Sister Elsa Hadley as State Director. Under Sister Hadley's leadership and enthusiasm and with the cooperation of Pomona and Subordinate Granges

throughout the state, we have been successful in recording a net gain in the quarter ending June 30th of 325 which indicates that the membership program is beginning to bear fruit.

Following in the Journal will be a more comprehensive report by Sister Hadley.

GRANGE NEWS

The first issue of the California Grange News was published in January 1932.

Since its inception, it has continued to carry the story of agriculture and provide a very valuable and necessary means of communication among the Grange Membership of this state.

Plans for continued improvement in this field of service are being made by Managing Editor, Brother Jack S. Berry who will render a detailed report for the Journal of this annual session.

GRANGE AFFILIATES

Since the inception of the Grange more than 100 years ago, it has constantly worked toward the development of co-operative programs, which would accrue benefits to the individual member. Through this continued effort, we enjoy today many such services as:

Grange Insurance of California: This association chartered fifty two years ago, owned and operated by Grange Members, has continued to provide a real service to Grange Members in the field of fire protection and extended coverage.

Grange Insurance of Seattle: This association owned and operated by Grange members offers a service in the field of Automobile Insurance, Fire Insurance and extended coverage making it possible to write a Home-Owner Policy for Grange members.

Workmens Compensation Coverage: Through agreement with the Truck Insurance Exchange, Grange members of California employing agricultural labor may secure compensation insurance at a reasonable premium with an annual dividend return of a high percentage of the cost.

Blue Shield Health Plan—CPS: This program adopted in 1946 continues to render hospital, medical and surgical services to Grange members throughout the state. Grange members are urged to contact State Grange Headquarters for detailed information as to complete coverage offered and premium rates.

Commercial Insurance Company Hospital & Medical Plan: The Commercial Insurance Plan entered into in 1965 continues to furnish a most liberal hospitalization-medical and surgical program for Grange members.

Time will be allotted during this Convention for a more detailed report by the representatives of Grange Service affiliates.

Grangers Business Organization: This cooperative buying and supply system organized more than thirty-five years ago, continues to offer Grange members the opportunity to purchase

all needed articles at considerable savings and under the management of Brother Paige Harper and his staff, continues to seek ways and means of improving the level of service.

IN MEMORIAM

As we assemble here today for this first session in the second century of our organization, we look forward to a bright future in the field of service to mankind.

Standing upon the sound basis provided in great part by those loyal members who have laid aside their tools of labor and passed on to their final reward, we have every confidence that our second century of service will equal if not surpass the first.

It is therefore fitting and proper that we pause during this session and under the direction of the Worthy State Chaplain, Sister Leta Littler pay reverence for their untiring contribution.

GOOD OF ORDER

The membership records indicate a slight gain over the June 30 1967 report. With a substantial gain of 325 members in the last quarter ending June 30, 1968 over March 30, 1968.

This would indicate that with the newly instituted membership program and with the cooperation of the Subordinate Grange Membership, we have been able to reverse the loss trend and are now moving into the gain column.

Your State Secretary, Sister Marjorie Brown and your State Treasurer, Brother Harry Schmidt, will render a complete and detailed financial report which will be entered in the Journal of Proceedings of this 1968 Session.

OVERSEER'S REPORT

Worthy Master, Fellow Officers and Delegates:

It has been my pleasure to attend by invitation many Grange meetings in many areas of the state and I wish to express my appreciation to all for the gracious hospitality extended to me during these visits.

At some of these meetings I have noticed a decline in attendance over that of previous years, and a non-uniform standard of procedures, as well as a lack of real enthusiasm among the members. This is a matter which should be of grave concern to all of us and one which should be overcome.

Apathy can become our worst enemy for it presents a rising danger to our country and to our organization. The secret of success is infectious enthusiasm and it should be our goal to maintain a high standard of enthusiasm among our members at all times. The Grange is a just and generous organization with the best interests of the nation at heart and we must remain steadfast in our purposes to hold fast to that which is good and we must continue to make conscious efforts at self improvement.

Happenings are taking place in the world around us and we must keep abreast of the changing times. Never in all of history has there been such a mass assault upon the secrets of nature as is now in motion around the world.

Changes in agriculture appear to come at an increasing pace. These changes have never been without strain. In the 1920's the stresses upon farmers were so great that it became necessary to accept government intervention to improve farm prices, farm incomes and the well being of farm peoples. To-day less than ten percent of our people are actively engaged in farming. This does not mean that agriculture is any less important than it once was. Far from declining in importance agriculture is actually increasing in scope and now includes much more than the act of tilling the soil. Nearly forty percent of the persons employed in the United States today are engaged in producing food and fiber, processing and distributing farm products and manufacturing of machinery used in and on today's farming operations.

The time has come, I believe, for government to get out of the farm business and let our farm people solve their own problems. When people are encouraged to turn to government for a solution to their problems the basis for revolution is established. For then the people expect the government to provide them with all the material needs and things they want. And when these things are not forthcoming violence becomes the rule.

The time has come, I believe, when we must improve our communications with the young people of America. Certainly we should not condemn all young people because of the actions of a few. Most of our young people are competent of logical and coherent thinking. We surely need them to carry on the work of this great Order in the years to come. We must make them feel that we regard them as important by assigning them appropriate responsibility within the Grange structure. Give them the opportunity to contribute their knowledge and demonstrate their abilities by participation in our projects.

Surely we must take a more direct part in public affairs. We must stand up and be counted. For our success will be determined by the way we learn to work together for the good of all mankind.

The Grange, by holding fast to that which is good and just by making conscious efforts at self improvement can perpetuate our heritage. A heritage rich and good of wisdom and knowledge and understanding that will carry us into the future.

Fraternally

EMMETT W. IVEY, Overseer
California State Grange

LECTURER'S REPORT

Worthy Master, Fellow Officers and Members of the California State Grange:

Here we are with one year under my belt as your State Lecturer—wiser I'll admit and learning more each day—a great honor and challenge. Our State Grange started the year with many new officers—all enthusiastic and optimistic; our Goal for "68" increased membership—this "Goal" was stressed in my State Conferences, the Bulletin and Grange News Column, and certainly the response and results have been rewarding. The Lecturer's Office has made every effort to co-operate and co-ordinate its activities with that of the State Master in his aims to improve and expand our exposure to the many good Americans who deserve the opportunity of being a part of this great forward looking Fraternity. The past accomplishments of our Order have made it an important part of our American History.

The many Subordinate and Pomona Lecturers deserve a pat on the back for their efforts far and above and beyond the call of duty—they keep me busy going over the material their capable hands prepare.

It is true, there is a substantial turn-over in our Lecturers each year, which means extra effort in aiding these new officers, but I find this rewarding and satisfying for without new blood where would our growth be?

Twenty-six Pomona and one hundred twenty-seven Subordinate Lecturers received Certificates for their prompt reports during 1967. We hope that there are more for the year 1968. The number of Lecturers who have qualified for Performance Certificates from the National Grange this year are 29 and Certificates will be presented to them. Many of these will be Gold Star Certificates.

Twenty-eight entries in the Art Contests, including the Color-Photo were on display in the Exhibit Hall. These were judged on Wednesday afternoon. Nine of the Pomona Granges have had Talent elimination Contests this year and the winners will participate in the State finals on Tuesday night on the stage in the Arena, starting at 7:30 p.m. The winner to be selected by the panel of three judges, will be eligible to enter the National Grange Finals.

Correspondence occupies a considerable time and most all letters have been answered to the best of my ability. Two thousand quarterly bulletins have been printed and sent to Lecturers, State Officers, Deputies, and other State Lecturers during this year.

The Lecturer's Loan Library consisting of 332 books and articles are a help to the Lecturers using them for program material. There is now a balance of \$19.76 in this project

and a report of the income and expenses has been presented to the Secretary and Executive Committee and will appear in the Journal of Proceedings.

District Lecturers Conferences were held this year, however they were few because of my work as a Tax Consultant in the early part of the year, a Commitment before being elected to State Lecturer. The ones that were held were well attended and quite gratifying. The new Conferences for 1969 have been explained.

The pleasure of visiting Granges during this year was curtailed as I was called to Jury Duty and being retired was unable to be excused, and the lack of accepting Grange invitations was my loss.

I would sincerely like to express my thanks to Jack Berry Editor of the Grange News for his cooperation in printing each month the "From the Lecturer" Column, and all the rewarding response I receive concerning these articles.

In conclusion we endorse the MOTTO: "In essentials Unity; in nonessentials, Liberty; in all things, Charity;" and further implore the continued assistance of our Divine Master to guide us in the work of this office.

With all best wishes for the continual progress of our grand Fraternity and with sincere appreciation to all who have assisted me so greatly.

Fraternally Submitted,
KENNETH C. GREENE, Lecturer
California State Grange

STEWARD'S REPORT

Worthy Master, Fellow State Officers, Delegates, Brothers and Sisters:

Hello Everyone:

Once again it is an honor and a pleasure for me to welcome and serve you from the Steward's Station. May this 96th annual session prove to be a most fruitful and enjoyable convention. In this beautiful convention center in this great City of Fresno.

Would like to thank Brothers Garrison and Harold Harding and their committees and the Grangers of Fresno County for their diligent and untiring hours of work in setting up the plans for this 96th annual session here in this beautiful City of Fresno.

You, the delegate body will have many challenges awaiting your sound and just decisions on the resolutions brought before you, and by adhering to Grange principles. The action taken will further good legislation and a sound program and bring forth advancement in our way of life in the field of agriculture.

I wish to thank the many Granges throughout the State for kind and generous invitations extended us to their many functions this year and regret we were unable to attend them all, and wish them every success in the future.

Fraternally Submitted,
LEONARD HENDRICKS, Steward
California State Grange

ASSISTANT STEWARD'S REPORT

Worthy Master, Fellow State Officers, Delegates and Members of the California State Grange:

Greetings once again from the Station of Assistant Steward at this 96th Session of the California State Grange.

It would seem that every year brings new and complex problems for our consideration; this year being an election year is no exception. Let us deliberate with diligence and vigor but let us not be disagreeable in our disagreements. The question facing the Grange, this State and Nation are very difficult indeed. Let us hope we have the wisdom to provide some of the answers.

Once again my many thanks to those Granges for the many invitations extended to my wife and I, we would hope that someday we can eventually accept them all.

Fraternally Submitted,
P. KENNETH BLEY,
Assistant Steward
California State Grange

CHAPLAIN'S REPORT

Worthy Master, Officers and Members of the California State Grange, Greetings:

It is a pleasure and privilege to greet you from the Chaplain's Station, and present to you a report from this office. We are all looking forward to this session being held in the great agriculture area of Fresno County. This will indeed be a most important and significant Convention, as momentous problems confront our Nation, which will necessitate sound progressive action. This the Grange has sponsored during a century of time.

Without a doubt the Grange will promote a program of stability and balance whereby agriculture may produce and progress with guidelines of fairness and equality.

Conditions appear at times to be unsurmountable, yet we cannot and will not fail to rise to our responsibility as citizens of this great Country, and as members of a Fraternal organization.

Our part in this great land today and tomorrow is to keep the light of freedom burning. To this end we pledge ourselves to work and wait, with Faith in the power of God.

The past year in my new location has been one of activity. I have been invited to speak before civic organizations regarding the Grange, and there is a possibility of promoting interest in Grange organization in my locality. I will work toward this end. This year I am presenting to the Youth Committee 150 books "Thoughts For Everyday Living," which will be on sale during this session. Entire proceeds to go toward their funds.

It has been my pleasure to attend many Grange activities and sorry I could not accept all invitations from the various Granges, thank you for your thoughtfulness.

In this time of stress and turmoil throughout our land may we stand firm and true to the principles of Faith, Hope and Charity.

Through my column in the Grange News I speak to you of the Spiritual truths which for centuries have led men from darkness to light. May we continue to serve our fellow man in His name.

Fraternally Submitted,
LETA M. LITTLER, Chaplain
California State Grange

TREASURER'S REPORT

Worthy Master, Officers and Members of the California State Grange:

Each year the pace becomes faster and faster. The year 1967-1968 has been no different. In fact, we find ourselves in a vacuum that seems to have no stopping.

Inflation is everywhere. We buy; we sell; we move to new endeavors. We strive for more and more, hoping that somehow we may eventually reach our goal.

The past year has been a busy one for your treasurer. The duties of government become more and more demanding. Travel and committee work are almost a daily necessity. Therefore I would like to express my deepest regrets for not having been able to visit and attend the many functions to which you have so graciously invited me.

I wish to express my appreciation to the officers and staff for their helpful assistance throughout the year.

The financial report of the treasurer is as follows:

1967-1968 SECRETARY'S ANNUAL REPORT

Worthy Master, Officers and Members of the California State Grange:

Best wishes from the office of Secretary. Another interesting and enjoyable year has past and once again we have assembled, this year to hold our ninety-sixth Annual Session in the new Convention Center in Fresno.

My sincere appreciation to all Secretaries throughout the State for their fine cooperation with this office.

Again it has been my pleasure to serve you as your State Grange Secretary.

The following report has been duly audited by a certified Public Accountant.

MEMBERSHIP

Grange Membership in California as reported to the National Grange for the June 30, 1968 quarter was 39,419 members in 332 Subordinate Granges. This showed a net gain of 325 members from the March 31, 1968 quarter. Greenhorn Grange No. 384 leads the Subordinate Granges with the largest membership of 552 members.

Pomona Grange Membership for the same quarter showed a membership of 10,140 members in 47 Pomona Granges. Butte County Pomona Grange No. 16 again heads the list for the largest Pomona Grange Membership with a total of 786 members. Sonoma County Pomona Grange No. 1 was second with 533 members, followed by Mendocino County Pomona Grange No. 10 with 507 members.

Junior Granges in California reported 480 members with 15 Granges reporting. There are 20 Junior Granges in the State.

NEW GRANGES

During the fiscal year closing, September 30, 1968, One Subordinate and two Junior Granges were organized.

Nipomo Galaxy Grange No. 812—

Organized December 15, 1967 by

Gerald Walker, Deputy of San Luis Obispo County

Lake Francis Junior Grange No. 180—

Organized March 1, 1968 by

Homer Stevens, Deputy of Yuba-Sierra County

Glen Avon Junior Grange No. 43—

Re-organized September 7, 1968 by

Harleigh Gallup, Deputy Riverside County

GRANGE HALL DEDICATIONS

Two Grange Halls were dedicated this past year, making a total of 229 Grange Halls dedicated to date, in California. Concow Grange No. 735 in Butte County and Centerville Grange No. 797 in Shasta County. Each Grange was presented a check in the amount of \$50.00 from the California State Grange.

CERTIFICATES OF AWARDS

Certificates were awarded to all Secretaries qualifying by making prompt and efficient reports to the State Grange.

SIXTY YEAR AWARDS

Two distinguished Grangers have been honored this year for having completed sixty years of continuous Grange Membership.

GATE KEEPER'S REPORT

Worthy Master, Fellow Officers, Delegates and Members of the 96th Annual Session:

During our visits to your meetings, have been impressed with the maintaining of the formality and Grange ritual in your meetings. Without it, we become an ordinary group meeting.

Have enjoyed being able to serve you this past year and will be looking forward to a great year in 1969 and seeing you all return to Ukiah.

If we missed coming to your birthdays and other celebrations, we were the losers and we'd like to try again next year.

The Deputies and myself thank you for your patience while taking up the words.

Fraternally,
ALBERT E. MOODY, Gate Keeper
California State Grange

CERES REPORT

Worthy Master, Fellow State Officers, Brothers and Sisters:

I would like to take this opportunity to thank everyone for the kind invitations extended to me and my husband and family during the past year. We were not able to attend as many functions as we would have liked because we were blessed with the arrival of a daughter in late August.

We have, however, appreciated the invitations and the good wishes of our fellow Grangers.

May each of you have an enjoyable convention in Fresno and a successful year in your own Granges.

Fraternally,

DORIS SCHMIDT, Ceres
California State Grange

Worthy Master, Fellow Officers and Members of the California State Grange:

POMONA'S REPORT

I want to extend my sincere thanks for having been given the opportunity to serve as Pomona of this State Grange. I feel it is an honor and privilege and will fulfill the office to the best of my ability.

I sincerely hope this convention will be instrumental in helping to maintain the prestige of our nation in these times when we are beset with critical social and political crisis both at home and abroad. It will take an organization like ours to preserve the true American way of life, which is being challenged and attacked today by many who lack sincere desire for and understanding of peace, liberty and justice for all.

Thank you for the invitations I received during the year. I'm sorry I was not able to accept all of them.

Fraternally Submitted,

ARDYTHE WARD, Pomona
California State Grange

FLORA'S REPORT

Worthy Master, Fellow Officers and Delegates of the California State Grange:

Welcome from the office of Flora. I would like to take this opportunity to thank all of the Granges that invited my husband and I and express regrets for those invitations that were too far to attend. My wish to you is for a great convention in Fresno at this 96th Annual Session.

Fraternally Submitted,

DONNA BERTOZZI, Flora
California State Grange

LADY ASSISTANT STEWARD'S REPORT

Worthy State Master, Fellow State Officers, distinguished guests and Patrons all:

Heavy are the labors set before us this week. Our efforts may not effect our lives but the youth and all yet unborn.

I've heard it said, this campaign year, think wisely on your vote, as if the whole world depended upon your decisions, and so it is with the deliberations here. Having a large family of mostly teen agers and working closely with the Juvenile problems, perhaps closer than many to a growing need, but also evidenced here, last night and at all Grange functions, our youth are well adjusted, thinking, future citizens and voters, well able to shoulder our plans and carry forth, for a brighter tomorrow. What greater feat do we have than to set a pace for future generations.

My most hearty thanks to all for the many invitations and sorry that time did not permit me to accept many, but sincerely appreciate receiving them.

Have a wonderful time here at this 96th Annual Session in Fresno.

Plan well your vote on the many issues before us and thanks again for the many warm welcomes my husband and I have received. Your thoughtfulness has touched our lives deeply.

Fraternally,

CARROL COAST

Lady Assistant Steward

MUSICIAN'S REPORT

Worthy Master, State Officers, Brothers, Sisters:

Greetings from the Musician's Station. Welcome to the 96th State Grange Convention.

It is indeed a pleasure and an honor to serve you as musician.

I look forward each year to serve you, and really enjoy supplying the music for you.

One of the best times in a person's life is when you are doing something for someone else.

Each Grange should have music of some kind.

I am here to serve you, if any of you have a favorite song you would like played, please let me know, and I will try to play it for you.

I wish to thank all Granges that sent Sister Campbell and I invitations to attend their celebrations.

It is impossible to attend all, because I cannot be in two places at one time.

Many thanks to Sister Trimble for playing for the seating of the State Officers, also Brother Wendt for leading in song, both doing wonderful jobs.

Fraternally Submitted,

BILL CAMPBELL, Musician

MINUTES OF THE EXECUTIVE COMMITTEE MEETING
CALIFORNIA STATE GRANGE

Sacramento, California, October 8, 1967

The Executive Committee of the California State Grange met at the headquarters building in Sacramento, Sunday October 8, 1967 at 1:30 p.m.

In addition to State Master Quinn, there were present Committee Members Piper, Rafter and Deaver, including State Grange Overseer, Vayne Ralston.

Prior to the Committee meeting, the Tax Study Advisory Committee met at 9:00 a.m. The State Master, members of the Executive Committee, Brother Ralston, plus Brother Harry P. Schmidt, Chairman of the Tax Study Committee and Brother Wm. Booth were present. Brother Glen Brown was absent.

The Committee formulated a presentation for delivery at the State Session in Riverside, and copies were to be prepared and mailed to the Committee members. Corrections, if necessary, be made when the report is read before the delegate body at Riverside.

The formal Executive Committee meeting followed the Tax Committee gathering.

State Master Quinn called the meeting to order. Minutes of the previous meeting held September 24, 1967 were approved and signed.

State Secretary Marjorie Brown's report showing transactions to 9-30-67 were read, also supplemental statement showing balances to Grange accounts as of 10-6-67.

Matters pertaining to 95th Annual Session were discussed.

Communication from the National Grange dated 10-1-67 relative to bill-board advertising in California in connection with a nation-wide campaign was discussed. There was still doubt as to the actual financial outlay by the California State Grange for the 89 billboards, size 12' x 25', to be posted throughout California. The State Master told the Committee that an Air Mail letter was supposed to have been sent from Washington, D.C., October 3rd, but had not been received. Brother Quinn advised the Committee he would contact them soon as the Air Mail letter from the National Grange reached Sacramento and the Members could then make their decision.

Other matters surrounding the Centennial Session at Syracuse and the events connected with the celebration were discussed.

The matter of the \$2500.00 advanced as a loan to the Building Fund by Sunnyvale Grange was discussed. The State Grange Executive Committee's action at their 4-29-65 meeting was read and it was moved by Piper, seconded by Rafter that this \$2500.00 be returned to Sunnyvale Grange as the

terms of the Building Loan required there be only one lender. Motion carried.

Letter dated 9-20-67 from Brother L. E. Avery and State Master's reply dated 9-26-68, relative to Fair Exhibit Booths being placed in the Riverside Municipal Auditorium Lobby were read.

Letter dated 10-6-67 from legal firm of McCutchen, Doyle, Brown & Enersen relative to suit of the Estate of Pat Martin resulting from participation in the Lunardi Legislation on the Ballot was read.

Financial statement of assets and liabilities to be read at State Session in Riverside was discussed and after suggestions by the Executive Committee the State Master was authorized to compile same.

No further business offering, the meeting adjourned at 4:45 p.m.

Approved 10-16-67

MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

Riverside, California, October 16, 1967

The Executive Committee of the California State Grange met at the Mission Inn, Riverside, California, Monday October 16, 1967 at 5:30 p.m.

In addition to State Master Quinn, there were present Committee Members, Piper, Rafter, and Deaver, including State Grange Overseer, Vayne Ralston.

The meeting was called to order and the minutes of the preceeding meeting of October 8, 1967 were read and approved.

Statement of Assets and Liabilities was presented and reviewed. Motion by Brother Piper, seconded by Brother Deaver, that financial statement of 9-30-67, as corrected, be accepted for printing in Journal of Proceedings. Carried.

Mr. W. C. Flannery's report of examination was distributed to the Committee Members. After some discussion and review, it was accepted.

No further business offering, meeting was adjourned.

MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

Riverside, California, October 21, 1967

The Executive Committee of the California State Grange met in the Mission Inn, Riverside, California, Saturday October 21, 1967, at 9:20 a.m.

In addition to State Master Chester Deaver, there were present, Committee Members, Piper, Rafter, and Freitas, including Past State Master J. B. Quinn and State Secretary Marjorie Brown.

The meeting was called to order and the minutes of the preceeding meeting of October 16th were read.

Plans for the next Executive Committee Meeting were discussed by State Master Deaver and the Members of the Committee. Members will be notified of date of next meeting.

Former State Master Quinn discussed matters of Farmers Insurance, annual Extension Rules for Deputies, roster and other Grange policies with newly elected State Master Deaver and Members of the Committee.

No further business offering, meeting was adjourned.

MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

Sacramento, California, December 8, 1967

The Executive Committee of the California State Grange met at the headquarters building in Sacramento, December 8, 1967 at 2:30 p.m. In addition to State Master Deaver, there were present Committee Members, Lloyd Piper, S. E. Rafter and John Freitas.

The meeting was called to order and the minutes of the preceeding meetings of October 16th and 21st were approved and signed.

Mr. Max Epstein and Mr. La Favre of the American Compensation Service were presented to the Committee. Committee asked Mr. Epstein to bring in a detailed plan for the Committee to consider at the next Executive Meeting to be held in January.

State Secretary, Sister Marjorie Brown presented her report to the Committee. Motion by Brother Rafter, seconded by Brother Piper authorizing Sister Brown to transfer \$3,000.00 out of the Extension Fund to the General Fund, if

necessary. Carried. Sister Brown discussed problem of having tenant on same electric meter as CSG with Committee. Sister Brown also presented idea of having CSG Master and Secretary's offices on separate phone from the Grange News. Committee authorized her to investigate cost of this.

Two Rock Grange Building and property: Motion by Brother Piper, seconded by Brother Rafter that Brother John Freitas be authorized to investigate possibility of donating building to Fire District for practice burning and selling the land (one acre) to State for widening the highway.

Sister Gladys True, Director of Women's Activities of the California State Grange presented her program to Committee. Motion by Brother Piper, seconded by Brother Rafter that Sister True's mileage allowance be increased to 7½ cents per mile and her salary adjusted to \$150.00 per month. Carried.

Jack Berry, Editor-Mgr., Grange News gave his report. There was some discussion held on the trend of advertising (State and County) income declining. Several ideas were considered for adoption.

The Executive Committee took up the matter of the check from the Sunnyvale Grange for the Headquarters Building. It was decided to wait until the next Committee Meeting to ask the Sunnyvale Grange what their desire is for the returning of the check.

Moved by Brother Piper, seconded by Brother Freitas that we subscribe to the Weekly Histories of the Legislative Sessions and the chaptered laws as paperbound. Carried.

The need for a chairman of the Grange Credit Union Committee was discussed. This office is to be filled as soon as possible.

A review of the resolutions submitted since previous meeting was made and passed for filing and action.

Christmas Bonus for office employees: Motion by Brother Freitas, seconded by Brother Piper. Carried.

Letter dated November 30, 1967 from California State Fair and Exposition read.

Letter dated December 4, 1967 from Claude F. Trimble on subject of insurance for Junior Grangers was read and discussed.

No further business offering, the meeting was adjourned.

MINUTES OF THE EXECUTIVE COMMITTEE MEETING
CALIFORNIA STATE GRANGE

Sacramento, California, February 1, 1968

The Executive Committee of the California State Grange met at the headquarters building in Sacramento, February 1, 1968 at 9:30 a.m. In addition to State Master Deaver, there were present Committee Members S. E. Rafter and John Freitas. Brother Lloyd V. Piper was unable to be present.

The meeting was called to order and the minutes of the preceding meeting of December 8, 1967 were approved and signed.

Report of the Grange News was presented by Jack Berry Editor and Manager.

State Grange Secretary, Sister Marjorie Brown presented her report. Matter of separate phones in the State Office and Grange News was considered and Sister Brown presented figures. It will be given further consideration and no action was taken at this time.

Mr. Max Epstein, American Compensation Service presented detailed plan for Grange Members. This will be given further study by Committee.

Thomas Olson, Grange Attorney was presented to Committee. Plans to complete payment to Petersen and Associates was discussed. Original lease with upstairs tenant was also discussed. Two Rock Grange property: Brother John Freitas was authorized to get figures as to worth of property to county and to also contact prospective buyer.

Procedure on Student Loans was discussed with Brother Olson. Matter of settling the Pat Martin Case amounting to \$245.11. Motion by Brother Rafter, seconded by Brother Freitas that this be paid. Carried.

State Master Deaver informed Committee that after due consideration and investigation of facilities in Fresno that the Californian would be the Headquarters Hotel for 1968. Auditorium facilities were discussed.

Expense Sheet by J. B. Quinn. Motion by Brother Freitas seconded by Brother Rafter that this be paid. Carried.

Sutton Oldsmobile: \$2,439.00. Motion by Brother Rafter seconded by Brother Freitas that this be paid. Carried.

Various insurance matters were discussed.

Letter from Cal Poly 1-15-68 relative to scholarships was read to Committee.

Letter dated 12-21-67 from Western States Water and Power Consumers Conference read and discussed.

Letter from Ken Greene, State Grange Lecturer, dated 12-26-67 was read and discussed (relative to National Grange Talent Contest.)

Herman Grabow reported on various legislative matters. No further business offering, the meeting was adjourned.

MINUTES OF THE EXECUTIVE COMMITTEE MEETING
CALIFORNIA STATE GRANGE

Sacramento, California, April 19, 1968

The Executive Committee of the California State Grange met at the headquarters building in Sacramento, April 19, 1968 at 9:30 a.m. In addition to State Master Deaver, there were present, Committee Members, Lloyd V. Piper, S. E. Rafter and John Freitas.

The meeting was called to order and the minutes of the preceeding meeting of March 7, 1968 were approved and signed.

State Secretary, Sister Marjorie Brown presented her report. Check being held for Petersen & Associates was discussed. State Master will contact Petersen and Associates to find out status of bill and report to Committee. Sister Brown informed Committee on problems of broken sprinkler pipes on grounds, obtaining janitorial service for Wisteria Hall, and replacing Richard Welti as gardener. Motion by Brother Rafter and seconded by Brother Freitas that Larry Brown be employed to care for lawns at the salary of \$50.00 per month. Carried.

Pitney Bowes Contract for postal machine: Motion by Brother Piper, seconded by Rafter that contract be obtained. Carried.

Expense Sheet from Brother S. E. Rafter was explained to Committee relative to reimbursement of San Luis Obispo Grange for Youth Group, at Cal Poly meeting. Motion by Brother Piper, seconded by Brother Freitas that bills pertaining to Youth Conference at Cal Poly be paid by California State Grange. Carried.

Grange News: Jack Berry, Editor of the Grange News presented his report. Brother Berry informed Committee that Mr. Bill Becker had been hired as new advertising salesman for the News. Yellowstone and Orient Tours were discussed. Idea of having Herman Grabow, Legislative Representative write up a regular legislative report for the News was discussed.

Workmen's Compensation Checks—Farmers Insurance Group—Will be delivered in near future.

Letter to Erle Jones, Deputy dated February 16, 1968 relative to Musicians' Charge was presented to Committee. Selection will be made by Committee and placed on the floor of the convention at Fresno in October, 1968.

Invoice from Downtown Ford. State Master pointed out to Committee that perhaps a procedure should be formulated pertaining to providing cars for incoming Masters of the CSG.

It was decided by Committee that Spring Deputy Conference will be held June 8th and 9th.

Latest resolutions coming in from Granges were presented to Committee. Committee adjourned for lunch.

Brother Herman Grabow joined Committee to discuss his legislative activities.

Mr. Bill Schuster and Mr. Maury Hartzell (Commercial Insurance Company) presented an insurance estate plan to Committee. No action.

Mr. Bob Woods, of Yamas Corp. presented plan for re-vamping faulty air-conditioning system. Mr. Woods was authorized to work up a letter confirming proposal for this work.

No further business offering, the meeting was adjourned at 5:00 p.m.

Approved 6-7-68

MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

Sacramento, California, July 19, 1968

The Executive Committee of the California State Grange met at the headquarters building in Sacramento, July 19, 1968 at 9:30 a.m. In addition to State Master Deaver, there were present, Committee Members, Lloyd V. Piper, S. E. Rafter and John Freitas.

The meeting was called to order and the minutes of the preceeding meeting of June 7, 1968 were approved and signed.

State Secretary Marjorie Brown presented her report. Sister Brown informed the Committee of the need to reorder and also revamp brochure, "Grange Membership in California—Its Advantages." Prices for printing this brochure will be investigated by State Master Deaver and Sister Brown.

Student Loan for Marcia Sheffer, amount \$400.00. Motion by Brother Piper, seconded by Brother Rafter that this loan be approved. Carried.

Sister Brown was also authorized to transfer \$500.00 from Extension Fund back into Education Fund.

Ukiah Proposal. Brother Claude Trimble and Mr. Vulcovitch of the Federal Housing and Urban Development Program presented plans and blueprints for senior citizens housing project in Ukiah for Grange endorsement. This will be presented to the delegate body of the CSG at Fresno, October 1968 in the form of a resolution by Mendocino County Pomona Grange.

Jack Berry and Oscar Pfanner of the Grange News presented report and financial status of the paper.

Herman Grabow, Legislative Representative presented his report.

Letter dated July 14, 1968 from Harold Harding was read to the Committee.

Letter from Henry Bisterfeldt dated July 12, 1968. State Master will refer Brother Bisterfeldt to the 1967 Journal of Proceedings wherein desired information on building is printed.

Motion by Brother Rafter, seconded by Brother Piper that permission to buy new robes for the Three Graces be granted Sister Doris Schmidt. Carried.

Letter from Farmers Insurance Group dated June 20 1968 read to Committee. No action.

Bill from Thomas Olson, Attorney at Law, dated July 8 1968. Motion by Brother Piper, seconded by Brother Freitas that California State Grange discontinue this legal service. Carried.

Youth Activities — Betty Smith, Director. Motion by Brother Piper, seconded by Brother Rafter that State Grange pick up bus cost to extent of \$350.00 for entertaining group of 30 Young Japanese Farmers.

Eve Rowe, Prize money — Motion by Brother Freitas seconded by Brother Piper that Sister Rowe be allowed funds to award said prizes.

State Master Deaver informed Committee that booth such as has been maintained in past at State Fair, was out of the question at the New Cal Expo, but that perhaps a Grange Day of a different sort could be arranged.

No further business offering, the meeting was adjourned.

MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

Sacramento, California, August 30, 1968

The Executive Committee of the California State Grange met at the headquarters building in Sacramento, August 30, 1968 at 9:45 a.m. In addition to State Master Deaver, there were present, Committee Members, Lloyd V. Piper, S. E. Rafter and John Freitas.

The meeting was called to order and the minutes of the preceeding meeting of July 19, 1968 were read and corrected by adding, "Brother Freitas presented a check for \$225.00 being the proceeds of the sale of a portion of the Two Rock Grange property (17 foot strip)"

Letter from Helen Merkley—Re: Student Loan was read and discussed. A general discussion was held on the whole lending program for students. Some additional study will be made on the government and sponsored programs.

Letter from Santa Maria Convention Bureau was read and Master Deaver stated he planned to look over the facilities there.

Report of State Secretary, Marjorie Brown was given. Programs for Fresno Convention decided upon.

Transportation of office supplies arranged for.

Secretary's Report interrupted to permit Sister Gladys True, Director of Women's Activities to meet with Executive Committee. Sister True submitted report which included a possible change in District No. 4 Director. Moved by Brother Piper, seconded by Brother Freitas that we concur in appointment of Sister Christine Kearne as District No. 4 Director and approve attendance at State Convention in Fresno. Carried.

Herman Grabow reported on Legislative Activity of his office.

The State Master reported on the steps taken to obtain information to provide the Executive Committee with facts to consider a plan of salary continuation or pension plan for State Grange employees.

12:00 noon. Committee retired for lunch.

Jack Berry, Editor and Business Manager of the Grange News gave his report. Some discussion took place on state-wide advertising. The question of raising the quarterly dues to the State Grange was debated. A resolution will be prepared for presentation to the delegates at the Fresno Convention.

Janice Holbrook — Student Loan (Second Loan) Moved by Brother Rafter, seconded by Brother Piper to grant \$450.00 loan to Janice Holbrook with first interest payment to be one year following date of first interest payment on first loan.

Letter from Grange Mutual Life Company of Nampa read and reply discussed.

Discussion held on the question of the Freeman Organ. Moved by Brother Freitas, seconded by Brother Rafter to accept offer of Mr. R. T. Freeman to reimburse CSG for costs incurred. Carried.

Continuation of Report of State Secretary, Sister Brown. This was approved.

No further business offering, the meeting was adjourned at 4:30 p.m.

Approved 9-20-68

MINUTES OF THE EXECUTIVE COMMITTEE MEETING
CALIFORNIA STATE GRANGE

Sacramento, California, September 20, 1968

The Executive Committee of the California State Grange met at the State Grange Headquarters in Sacramento, September 20, 1968 at 9:30 a.m. In addition to State Master Deaver, there were present Committee Members, Lloyd V. Piper, S. E. Rafter and John Freitas.

The meeting was called to order and the minutes of the preceding meeting of August 30, 1968 were read, approved and signed.

Jack Berry, Editor and Business Manager, together with Oscar Pfanner, Auditor, presented report of the Grange News. Financial condition of the Grange News was discussed in detail.

Mr. Richard E. Plesha and Mr. William A. Briggs, Jr. of the Connecticut Mutual Life Insurance Company presented a proposed Retirement Program for the employees. This will be given further study and consideration.

State Grange Secretary, Sister Marjorie Brown presented her report. Various convention items in relation to State Secretary's office were discussed.

Herman Grabow reported on legislative activity of his office.

Flood Fund: State Master Deaver will confer with District Deputy of Humboldt County and perhaps a part of this fund may be retained for future emergencies.

Convention plans for Fresno in October 1968 were again discussed.

Salary adjustment for employees, CSG. Motion by Brother Piper, seconded by Brother Freitas that salary adjustment be approved per schedule. Carried.

Student Loan Fund was discussed.

No further business offering, meeting was adjourned at 4:45 p.m.

Approved 10-14-68

Chester Deaver, Master
Lloyd V. Piper, Member
S. E. Rafter, Member
John Freitas, Member

DISTRICT DEPUTY REPORTS
ANTELOPE VALLEY

To the Officers and Members of the California State Grange:

The Granges in Antelope Valley have maintained their membership during the past year. In view of the urbanization and industrialization of this area I think we are fortunate to maintain our status quo.

The A.V. Pomona has collected varying amounts for the building fund, CARE, meals for millions. The amount collected for the student loan fund will be presented at the 'March' at the state convention.

The Valley Granges contributed \$50 for a 'Calf Scramble' at the Antelope Valley Fair. This money was won by a very deserving student and will, I'm sure, be used to good advantage.

Several scholarships were presented by Granges in this jurisdiction during the past year.

Two of the Valley Granges entered feature booths in the fair. Namely Yucca and Wildflower.

The 49ers at Lake Hughes sold chances on a Dodge Pick-up or \$2000. Yucca Grange held the winning ticket and will receive the \$2000. They also will receive \$25 for holding the winning ticket.

All five degrees have been exemplified during the past 60 days.

Yucca Grange exemplified the first and second degree Joshua Tree Grange the third and fourth, and the Antelope Valley Pomona Grange exemplified the fifth degree.

The Antelope Valley Grange Credit Union has maintained a steady growth during the past year. We now have over a Quarter Million assets and have loaned out well over one million dollars since organization.

Ladies from the C.W.A. were in charge of the canned goods and baked goods during the A. V. Fair.

Quartz Hill Grange had a booth at the flea market held at the A. V. Fair grounds.

State Master Deaver attended the A. V. the afternoon of 'Grange Day.' The Antelope Valley gave a 30 minute program at the fair each year.

State Master Deaver spoke briefly at this program.

It has been an honor and a privilege to again serve as deputy for this jurisdiction this past year.

Fraternally,
Vern Kief, Deputy

EAST BUTTE COUNTY

Worthy Master, State Officers, Delegates, Brothers and Sisters:

Once again it is a pleasure for me to report for the Six Granges in East Butte County.

I am glad to say all six are in good condition and own their halls. All are active with their membership chairmen doing a good job. A net increase for the six of (84) members this year through September 30th. All the C.W.A.'s are very active, making money for their many projects, such as State

Grange Bldg. fund, National Grange Youth Fund and Scholarship Funds. Making lap robes for wounded soldiers and numerous other projects.

Wyandotte No. 495 placed (4) Grange Centennial History Books, one each to the two high school libraries and one each to the city and county libraries. Wyandotte Jr. Grange is very active with arts and crafts, penny pines being their favorite project. Their ritual work is very good. They gained (6) six new members this year. They entered a float in the Annual Regatta Days Parade.

C.P.S. and Commercial Ins. are doing very well. G.B.C. is getting more business all the time from Butte Co. Our Credit Union is growing and giving very good service to its many members.

We were honored to have our State Master and Sister Deaver at Wyandotte's Booster Day, Sept. 22nd. They also visited Butte Pomona No. 16 at Berry Creek on Sept. 30th.

We attended the membership conference at Anderson Grange No. 418, Shasta County.

I installed the officers of (4) four of my Granges, also our Junior Grange.

I have visited all my Granges (3) three or more times this year, and aided and assisted them in what ever way I could.

Fraternally Submitted,
Leonard Hendricks, Deputy
WEST BUTTE COUNTY

Worthy Master, Officers and Members of California State Grange:

The Granges in West Butte have all been very active this year which is what we are all striving for.

Biggs Grange has taken in several youth Grangers and they are most of them working in offices and enjoying it which helps to make them better members. I have been stressing on membership wherever I go and my Grangers have made a small gain over the last quarter.

The Granges have been having very successful Booster night programs with good attendance. Master Deaver and Sister Doris have attended several booster meetings in Butte County, also Grange meetings.

Chico and Wyandotte have put on the first, second, third and fourth degrees in their halls and for other Granges.

Pomona C.W.A. gave a \$118 HEC scholarship and one for a nurses loan fund at Chico State College. This was done by money earned from a gift box donation.

Pomona Grange also gave a \$118 Agricultural Scholarship, also several subordinate Granges gave scholarships.

I have visited most of my Granges once a quarter and enjoy their meetings.

Fraternally,
Justus Borchers, Deputy

COLUSA COUNTY

Worthy State Master, Officers, Delegates, Brothers and Sisters of the California State Grange:

It is with great pleasure that I can report from Colusa County at this 96th annual session. The first of this year I was honored by the appointment of Deputy for Colusa County by our Worthy State Master Chester Deaver. We have had our ups and downs the same as all Granges do, but we have gained members in two out of five of our Granges and have taken in new members in all of our Granges. Some of the things we have accomplished are: built Maxwell Grange up to a membership of sixty-five from sixteen at the start of the year. The Master, Elmo Prine brought in the biggest part of the new members. Williams and Colusa Granges entered booths at the Colusa County Fair and Williams won 1st place with a 100-foot booth, and Colusa won 2nd place with a 200 foot booth, Williams Grange sponsored the 4-H dress review awards at the fair. They have also started the 1st and 2nd degree team and are making plans for doing the 3rd and 4th. The Colusa-Yolo Pomona Grange with help from Williams, Arbuckle, Colusa and Maxwell held our first Grange Day at our County fair this year. This was a very successful event thanks to all Grange members that came. Guest speaker was Chester Deaver, our Worthy State Master who gave a talk on the Importance of Small County Fairs. The fair board has asked we make it an annual event which we plan on doing.

In summing this report up, it has been a very busy few months for my wife and I—but very rewarding for us. Again I would like to take this means to thank all State Officers Deputies, C.W.A. chairmen and all Grange members who helped me this year as deputy and we look forward to the months and years ahead to be very successful with the continued support of our fellow Grangers.

Fraternally submitted,
Delbert M. Garrison, Deputy

CONTRA COSTA COUNTY

Worthy Master, Officers and Members of the California State Grange:

Greetings from Contra Costa County:

I am glad to report that our Granges are in good condition but there has been about 60 new members initiated this year and we are showing a little gain. The members are showing a lot of interest and hope to show a larger gain this coming year. The Martinez Grange has 18 youths and young married couples and they are working hard to bring in more members. Our Junior Grange is enlarging its membership also, I expect to have a new Junior Grange soon.

I installed three of our Granges this year and our Junior Grange. Also, I have visited the Granges whenever possible and have attended Pomona meetings and our Junior Grange meetings.

I attended water meetings and also a special meeting of San Luis Drain and Interagency Delta Report.

Our Home Economic Committees have been very active making money to support their Granges. This was done by giving dinners, rummage sales, gift sales and others. Many welfare hours were reported.

The County Fair was actively supported by the Granges and over \$600.00 was made in prizes.

Grange Day at the fair was a great success. The yearly pot luck picnic was well attended. State Master Chester Deaver and his wife Doris were present. County Fair officials, extension service officials and 4-H leaders were also present. A perpetual trophy and a personal trophy was presented to the 4-H Home Economics winner.

At an earlier date, our Pomona Master presented the 4-H All-Star boy with a sweater and money to go to the conference. We were asked to form a fair committee to work with the Fair Board.

Booster night programs are being conducted about this time.

The four degrees have been exemplified by all the Granges and the fifth degree was conferred at our last meeting.

The credit union is doing well and is able to lend money to our members.

Yours truly,
Manuel Trebino, Deputy

EL DORADO COUNTY

Worthy Master, Officers of the State Grange:

It has been a pleasure to work with the officers of the State Grange.

We had fair booths again this year as we did in 1967 and again came up with some first places.

Some of the Granges are giving scholarships, also giving to 4-H and girl and boy scouts.

The Granges of El Dorado County have all made improvements on their halls.

The worthy state Master has been in El Dorado County several times this year. I have only visited two Granges out of my county this year, due to sickness and work.

The C.W.A. has been working very hard to do the things that has been asked of them.

The 3rd and 4th degree team of Gold Trail was very active.

Sister Miller and I were able to attend Grange Day at the Monterey County Fair.

El Dorado County made a small gain in membership for 1968 and hope we can do better in 1969.

I hope to have a new Junior Grange and a new subordinate in 1969.

The El Dorado - Amador credit union is still doing a good job of helping members in need.

Fraternally Submitted,
Leland E. Miller, Deputy

SOUTHERN FRESNO COUNTY

Worthy Master, Officers and Members of the California State Grange:

Greetings:

Fresno County Grangers have made an increase in membership for the year 1968.

Since the death of Sister Ada Doss, I have been trying to help the Granges in her district who have called on me to help.

Although Fresno County has now, only 2 Granges in Madera County and 12 in Fresno County we have not decreased in membership. We have had two Granges consolidate with other Granges. Reedley with Kingsburg and Selma with Fowler. This has made the two Granges much more active.

Of course, we lose members by death but there seems to be enough new members to off set this loss.

I have visited all my Granges and some more than once and I have accepted all invitations possible. We have just returned from a long vacation and am now looking forward to seeing all of you at the California State Convention in Fresno.

I wish the Grange a successful 1969.

Fraternally,
J. E. (Ed) Saint, Deputy

SOUTH HUMBOLDT COUNTY

To the Worthy State Master, Officers and Members of the California State Grange, Greetings:

This year has seen a mild growth in the Granges of my jurisdiction. We concentrated on the problems of Redwood and Eel River Granges and hope that they are resolved. I made official visits to all of my Granges and held schools of instruction. We gave all the help we could to the State Lecturers first visit and encouraged the visitation of the Pomona officers to all the Subordinate Granges.

We attended a work day at Redwood Grange and can report that the floor is poured cured and the Pomona work day saw the walls erected and the workers enjoyed a picnic lunch that was a great morale booster.

Eel River has its membership problems and the visit of the State Master I think did much to change their outlook. They are now beginning to have a breakfast a month and are enjoying a membership gain. The annual Pomona Booster night saw a good turnout and I believe a good bit of enthusiasm was generated.

This report submitted October 15, 1968.

Fraternally Submitted,
Dave Johnson, Deputy

KINGS COUNTY

Worthy Master, Officers and Members of the California State Grange:

Greetings from Kings County. We have had a fairly good year, we have several new members, most of them young men and women.

We have two degree teams, so are planning to confer the 4th degrees the first of the year. We had our annual Sunday morning breakfast, and go to church. The 4th of July picnic and our annual Ellberg Hamburger fry, with a record crowd.

We received the traveling gavel from Tulare County, we had it two months, and a large delegation took it to Kern County.

One of our Granges gave two scholarships, one to a F.F.A. boy, and one to a 4-H boy.

This Grange also had a booth at the Kings County Fair and received 2nd place.

Our Women's Activity Committee has done a very good job.

Fraternally,
John I. Ellberg, Deputy

LOS ANGELES COUNTY

Worthy Master, Officers and Members of the California State Grange:

Los Angeles County wishes to report enthusiasm and success in their membership gain. Each Master has had cooperation from his officers and members. Brother Lee Shawhan, our Pomona Master has been very conscientious and energetic—visiting the Subordinate Granges regularly—confering the Fifth Degree twice during the year—competing in the Los Angeles County Fair. Our Subordinate Masters were very active here too; Brother Wagner, Master of Fair Valley came away with a First Prize—Brother Cuddeback of Rancho, a Second and Brother Marshall of Fair Valley a Third. This gives us exposure to over a million folks who go through those turn-stiles, plus the monetary rewards for their efforts and the competition here is keen and ingenious. All of these

Granges had the First, Second, Third, and Fourth Degrees conferred twice during the year; also many C.W.A. projects—keeping up with these Granges is a problem. The Lecturers all had excellent Booster Night Programs.

Now before closing, I must take my hat off to Herbert Marshall, and his Fair Valley Grange, who bought themselves a new home. They are a beehive of activity in their remodeling. This can only be a giant step forward for them—we all wish them extreme success.

Fraternally submitted with a Prayer for Peace; and Happiness to All.

Kenneth C. Greene, Deputy

MENDOCINO COUNTY

Worthy Master, Officers and Delegates:

Greetings from Mendocino County. It is my pleasure to report, as Deputy, of this county. All Granges are active in projects such as improvements on their halls and grounds and fair booths, only one Grange in the county that does not own their hall. Five subordinate Granges have Junior Granges in this county, there are also Granges who sponsor the 4-H, FFA Boy Scouts and Camp Fire Girls.

Most of the Granges have been taking in new members with a small overall gain. Degree work has been given in all Granges.

Our 7th Degree club sponsors visits to subordinate Granges, we try to make them a surprise.

The subordinate and Pomona Granges have been supporting the supervisors in the fight to have Round Valley as an agricultural valley and not a lake.

We had five youth from the county attend the Cal Poly Easter Conference. Sister Burke and I had the pleasure of attending as advisors.

Our Youth Group in Pomona Grange is not too active due to the distance and mountainous roads.

We have a very good 5th degree team here, have gone to Humboldt County and Lake County to confer the 5th degree.

Lake County 5th degree team came to Ukiah with their Ladies team, well supported by their members, also Humboldt Pomona No. 19 came to Laytonville Grange with their all ladies team, a large group supported them.

The Pomona Grange sponsors an information booth at the 12th District Fair, also have a hamburger booth at the Mendocino County Fair and Apple Show in Boonville.

The Pomona W.A.C. has been very active, will have a candy booth at the 12th District Fair and the Mendocino County Fair and Apple Show.

Have attended all Granges in the county several times as Master of our Pomona. We have been active in all phases of Grange work.

The credit union has been growing and gaining in membership. Most of the time have money available for loans.

We are looking forward to being host to the 1969 convention.

Fraternally submitted,
Arthur F. Burke, Deputy

MODOC COUNTY

To the Officers and Members of the California State Grange Greetings:

It is again a pleasure and privilege to report for the Granges of Modoc County.

In this beautiful part of Northern California where it is white in winter and green in summer, our Granges take part in the benefits of Grange membership. We are active in community activities and the County Fairs.

We had the pleasure of a visit from our State Master Deaver and wife, at our Pomona picnic. I hope you have a very successful convention.

Dan Casey, Deputy

MOJAVE VALLEY

Worthy Master, Officers, and Members of the California State Grange:

Again it is my pleasure to send greetings from Mojave Valley.

The Granges in this district have been quite busy this year. They have all taken in many new members and have shown net gain in various quarters. With this spirit and work we hope to show more net gains in the following year.

Again this year, as in the years since its inception, the San Bernardino County Fair was well supported and the Grangers are justly proud of their promotion of the Fair. Five feature booths were entered and all received prizes for their lovely efforts. Oro Grande Grange received the Sweepstakes prize given jointly by Mojave Valley, and San Bernardino County Pomona Granges. Grange Day was again its usual success, with both State Master Brother Deaver, and Past Master Brother Quinn, and their wives in attendance.

The Granges are all active in community service and several are sponsoring 4-H, Boy Scouts, and Girl Scouts, and giving scholarships to deserving students. One Grange was successful in the promotion of exhibiting the American flag.

Many improvements have been made by the various Granges on their halls.

Our Federal Credit Union is active in helping our members in the Valley and continuing to pay good dividends. We have over two hundred members and shareholders totaling \$132,704.06. Our total assets are \$149,210.88 with total loans

of \$105,200.65. Since its inception more than twenty-five years ago almost fourteen hundred loans have been made by the Credit Union totaling almost two million dollars.

We are increasing our membership with our insurance programs and various benefits to our members.

With every good wish for a successful and helpful State Convention in Fresno.

Fraternally submitted,
Lester E. Wendt, Deputy

NAPA COUNTY

Worthy Master, Officers, Delegates, and Friends:

Another year has passed since we were at Riverside. Many things are the same as last year, but there are changes and we hope and trust that the future will bring more happiness and peace to all. Napa County seems to be progressing. There is more enthusiasm among our membership, and I believe this is the result of the program of the State Grange.

I have faith we will have a good convention at Fresno and that next year will be a goal year for everyone.

It is a great pleasure to attend the convention and visit with old acquaintances, and making new ones.

Fraternally submitted,
Leonard C. McGlone, Deputy

NEVADA COUNTY

Worthy Master and Officers of the California State Grange:

It is with pleasure to report the activities of the three Granges of Nevada County, Banner, Golden Empire and Rough and Ready.

Each have showed a gain in membership in the last year. They all have regular public parties, dinners and other means of raising money for their Granges. Feature booths were entered at the Nevada County District Fair with each Grange winning cash awards. The women have been very busy in Grange projects and community affairs.

Had a joint installation of the 1968 officers of the three Granges and Junior Grange in the Banner Grange hall. Brother Quinn was the installing officer assisted by Sister Quinn.

Banner Grange has again invited the Nevada County Granges to have their 1969 officers installed in their hall. The invitation has been accepted and the State Master Chester Deaver will be the installing officer.

Golden Empire Grange suffered the loss of their master Ferne Knight by death. Sister Donis Davis the new master is doing very well. They have their land clear and were considering building a hall but the cost of a new well has delayed plans for a while. Their Junior Grange is a very active group.

Banner Grange has completed their well, refinished the hall floors and considering new siding for the building. Their members take an active part in community affairs.

Rough and Ready Grange is very proud of their new kitchen and dining room. They rent the hall to groups that meet several times each month.

Our Placer Nugget Pomona Grange has had a very good attendance at their meetings. Held the annual picnic for the nine Subordinate Granges of Placer and Nevada Counties. Also held two public parties to raise money for the treasury.

Being chairman of the Placer Nevada Credit Union have been present at all meetings. Our Credit Union has had a very good year.

Attended two District Six meetings of the Committee on Women's Activities and gained some new ideas on the activities of other Granges.

The sudden death of Eldon Gage, Deputy of Placer County and a fifty year Grange member was a shock to all of us. He will be missed at the convention which he always attended and was a faithful worker.

The Granges of Nevada County will be well represented at the convention at Fresno this year.

With best wishes.

Fraternally submitted,
Charles A. Deardorf, Deputy

ORANGE COUNTY

To the Master, Officers and Members of the California State Grange, Greetings from Orange County:

We now have seven active Granges in the county. All Granges who have working committees of Women's Activities seem to progress.

We have a problem in this metropolitan area in getting members out at night, due to congested traffic conditions, and the driving for older people.

This year \$675 was realized on the Fair booths. Over a ton of clothing was contributed to worthy causes, such as an orphanage, and the Salvation Army. One Grange has active Blood Bank workers. There have been many lap robes knitted for our amputee veterans in hospitals. Over 6,000 hours of welfare work hours have been chalked up by the ladies. It would take many pages to tell everything that is done by these dedicated women.

We will continue the Grange policy of the true American way of life.

Fraternally submitted,
William A. Booth, Deputy

SAN BERNARDINO COUNTY

Worthy State Master and Sister Deaver, Officers and Members of the California State Grange and Delegate Body:

Once more I have the pleasure of reporting to you as San Bernardino's County Deputy.

Membership wise, I honestly believe we are on the verge of showing substantial increases in all of our Granges. We are in the process of re-organizing one of our Junior Granges. This will give us two Junior Granges in our area and many of the parents have indicated they will join this Subordinate Grange.

We have had the pleasure of installing the 1968 officers of San Bernardino County Pomona Grange with one subordinate in conjunction, and the other subordinate individually. Also the officers of one Junior Grange. In addition we again installed Mojave Valley Pomona and their seven subordinates.

The activities in our subordinate C.W.A. program have been excelerated and give promise of future advancement.

Our new Junior Grange recently celebrated their first birthday and they have been active in furnishing programs for the subordinate Granges. They have shown great advancement and their membership increases right along.

Our Pomona Grange entered Fair Booths in the County Fair of San Bernardino held at Victorville, and also in the Los Angeles County Fair. We won 2nd prize at Victorville and 1st prize in the Los Angeles Fair.

Junior and Senior Degree teams confer degrees from time to time. We attend District C.W.A. meetings as time will permit and are present at practically all of our Junior and Subordinate meetings, visiting Granges in other Counties whenever we find it possible.

Betty joins me in wishing you the very best in the year ahead.

Sincerely,

Ulyuss G. Rose, Deputy

SAN DIEGO COUNTY

Worthy Master, State Officers, Delegates, and Patrons:

It is a pleasure to report that Grange activity in San Diego County continues at a high rate. Many of our subordinate Granges have shown gains in membership in the past year. Our quarterly reports to the State Secretary for the previous five quarters show that our total membership in the county is at its highest for several years.

All the subordinates that took part in the County Fair won good prizes this year. It is our hope that our participation in the local fairs will even increase.

The ladies of the Committee of Women's Activities continue to do important work in keeping our Granges in financially sound condition as well as providing leadership and enthusiasm in Grange functions.

Our credit union continues its fine record of service and is still growing.

The joint installation this year was held in the Palomar Cafetorium—a much larger auditorium to meet our needs. Julian held a separate installation rather than take a change on bad mountain weather.

A Master's Conference for the Southern Counties was held at Rainbow Valley in February. The Secretaries and Membership Chairmen also attended as well as Brother Hadlock, the National Grange Youth Director, and his family.

We are looking forward to another successful Grange Year in San Diego County in 1969. Jessie and I join in wishing the California State Grange a very successful convention in Fresno.

Fraternally submitted,
S. E. "Dick" Rafter, Deputy

SAN FERNANDO VALLEY

Worthy Master, Officers and Members of the California State Grange:

Greetings from the San Fernando Valley Granges, may you have the most successful convention.

I am sorry we can not attend this year.

The first of this year we consolidated Bay Grange with Winnetka Center Grange as they were unable to continue on their own and requested to demit to Winnetka, there were eight members all made the change.

Verdugo Hills Grange has shown no improvement although they are having regular monthly meetings at various members homes.

Both Reseda and Winnetka Center are very active and have gained in membership, Winnetka has one couple in the young married bracket, four Teenagers, three are elected to office and the fourth is in the armed service.

With this start we should be able to have an organized Youth Group by this time next year.

Fraternally,
Nelson W. Van Horn, Deputy

SAN LUIS OBISPO COUNTY

Worthy Master, State Officers and Members of the California State Grange:

I bring you greetings from San Luis Obispo County, and feel that this 96th annual session will be an interesting one as well as successful.

I started a new Grange in the southern part of the county making a total of eight subordinate Granges.

The new Grange Nipomo Galaxy is doing well, showing an increase in membership and taking an interest in their work, of course they lost a few that were not interested after finding they had to support themselves through a little work but their loss has been more than overcome by new members.

I believe we will make a good showing county wide for the year.

Three of our Granges won ribbons on booths at the County Fair, one a blue ribbon. Two of our Granges sponsor 4-H Clubs. A steer shown by a F.F.A. boy and sponsored by one Grange won a blue ribbon.

All eight Granges meet their financial obligations by putting on bazaars, card parties, dances, rummage sales, dinners and breakfasts thus creating an interest among the members and friends.

Sister Veronica and I look forward to seeing all of you at the convention in Fresno and wish the California State Grange a very successful session.

Fraternally submitted,
Gerald Walker, Deputy

SAN MATEO COUNTY

Worthy Master, Officers and Members of the California State Grange:

During the past year it has been my pleasure working with the San Mateo County Granges.

We had a joint installation of officers at Pescadero High School Auditorium that was put on by our State Overseer Brother Ivey. He did a very fine job.

The Committee on Women's Activities have done a fine job putting booths at the fair with nice prize money from each one. Also the four Granges displayed very nice agriculture booths. I was chairman of the county booth which took first place with \$300.00 as the prize money.

The Credit Union has been doing a fine job this last year, including an annual picnic that was a big success.

I have visited all of the Granges in the county a lot where I have answered all the questions that were asked, to the best of my knowledge.

All of our Granges have brought in some new members. Pescadero Grange voted on thirty-six new members to be initiated on October 26, 1968.

I have enjoyed being Deputy this year very much.

Fraternally submitted,
Joseph H. Marsh, Deputy

SANTA BARBARA COUNTY

Worthy Master, Officers and Members of the California State Grange:

It is a pleasure to report that the four Granges in Santa Barbara County have had a successful year. They have worked hard on membership and will show a gain for this year.

Sisquoc and Los Alamos Granges entered booths in the Santa Barbara County Fair and received first and second prizes.

All four C.W.A.'s are very active and doing excellent work in raising funds for improving and repairing their halls and donating to many worthy projects.

The Grange Credit Union has shown a substantial gain and rendering a fine service to its members.

Fraternally submitted,
John A. Tendeland, Deputy

SANTA CLARA COUNTY

Worthy Master, State Officers, Delegates, Members of the California State Grange, Greetings:

Santa Clara County held joint installation of Pomona and the 12 subordinate Granges December 3, 1967 at the Santa Clara County Fair Grounds at 2 p.m., installing officer was Past State Master J. B. Quinn and assisted by Sister Ruth Quinn, Marshal. We were honored by many State Officers with their presence, also Pomona Masters, Subordinate Masters and members from adjoining counties. As always, Pomona H. E. Chairman Barbara Carter and her Subordinate chairman served refreshments, many thanks to you all.

On January 14th in conjunction with Gilroy Grange breakfast, we held our Masters meeting and made plans for 1968.

As in the past, 10 Subordinate, Pomona, Youth Group and Junior Granges entered booths in our county fair, all qualifying for premium money. Four Subordinate H.E.C. entered booths in the women's division and also received premium money. Grange Day was August 18th at the fair with a pot-luck at 4 p.m. and enjoyed by many State Officers and visitors from adjoining counties.

All of our Granges gave or contributed to scholarships contributed to all charity funds and State Grange Building Fund.

Under the leadership of Pomona C.W.A. Chairman Barbara Carter, the Sisters of the C.W.A. take part in the following programs: Veteran's Hospital in Palo Alto, Goodwill Industries Doll Tea (dressing and selling 700 to 800 dolls) to assist in the rehabilitation of the handicapped, and serve once a month at the U.S.O.

Membership still is our number one problem, losing many by death and for other reasons.

The officers and members enjoyed the Regional Conference held her June 22nd for six counties. Speakers were State Master Chester Deaver, Youth Director Betty Smith and Membership Chairman Elsa Hadley. We hope these conferences will continue.

Our credit union is sound, showing a steady growth.

Pomona Legislative and Taxation Committee have been active this past year in keeping two of our railroad trains ordered to continue their schedules. Chairman John Ashley and Dudley Darneal, Resolutions Chairman, attended many meetings in San Francisco and Sacramento.

Sister Ruby and I wish to express our thanks to the officers and members of Santa Clara County Granges for their courtesies extended to us during the year and also the many invitations we received from other counties, many thanks to you all.

With every good wish for a pleasant and constructive 96th convention at Fresno, California.

Fraternally submitted,
John W. Buck, Deputy

SANTA CRUZ COUNTY

Worthy Master, Officers and Members of the California State Grange:

This is my first opportunity to report as Deputy, having been appointed last February.

All of the six granges in Santa Cruz County are active, holding meetings regularly, visiting with each other and participating in the Pomona program. All are represented here at State Grange.

Two subordinates built agricultural display booths at the County Fair. One won first prize the other third. All of the subordinates have performed various community services, made their halls available for churches, 4-H Clubs, Boy Scouts and other worthwhile groups, gave scholarships to worthy students, furnished needed transportation to hospitals and clinics, made cash contributions to worthy causes, gave clothing and other needed items to the Missions and Good Will and many others.

The Pomona has been very well attended and conferred the fifth degree. It sponsored a very successful Grange Day at the County Fair with the members and visitors enjoying a chicken pot-luck dinner and sitting in a group for the grandstand show. The Pomona also recently participated in a community conference on delinquency prevention.

The members of Aptos Grange have been busy building a new Grange hall which will be ready for occupancy by the first of the year. It is a large building with separate dining room, stage and a room for the Committee on Women's Activities. It is being built with the idea that it can be used for many community activities which is needed in that locality. The date for dedication will be announce soon and we hope many of you can attend. In fact, we invite all Grangers in the State to visit Aptos Grange—but not at the same time please. Many members of Aptos Grange have given manv hours of volunteer labor on this project without which the new hall would not have been possible. Aptos is also very grateful for labor from the other Granges in the County and some from outside the county. The true Grange spirit.

Santa Cruz County has made a net increase of seven new members during the past year—not many but that is much better than a loss. This was out of an intake of 95 new members. We plan to continue to secure new members during the coming year and we mean really secure them. We will concentrate on stopping the drop outs.

There is a Grange breakfast within easy reach of our members four Sundays every month. Also there are numerous Grange dinners and pot-lucks besides generous supplies of food at every Grange meeting. So we figure that besides the approximate 1050 pounds that we gained with our seven new members, each of our 800 members have netted an average gain of five pounds so our Granges carry 5150 pounds more weight than they did a year ago. I doubt if this will help Brother Grabow much in the Legislature however.

Sometimes we hear that there isn't enough of interest in Grange meetings to encourage attendance. Santa Cruz County hopes to counteract this by encouraging more interesting lecturers programs with more member participation, a closer tie in and more help to 4-H Clubs, Scouting and other youth groups and more participation in community affairs and the affairs of our State and Nation. We would say loud and clear that the members of the Order of Patrons of Husbandry pledge to "conform to and abide by the laws of our State and Nation," to uphold the Constitution of the United States and abide by the laws of the land" and that this means that we do not break the laws with which we do not agree, we do not condone rioting, killing and destroying property, that we will not stand idly by and watch our form of government be destroyed by alien interests and that we do not try to prevent people from eating grapes.

Fraternally,
Erle E. Jones, Deputy

SISKIYOU COUNTY

To the Officers and Members of the California State Grange Greetings:

It is again my privilege to report from Siskiyou County the farthest county north, in the shadow of that famous mountain—Mt. Shasta.

Siskiyou County Granges are slowly but surely gaining members and performing such duties as are needed in their district.

We are building a new hall at Greenhorn Grange and other Granges are building new dining rooms, kitchens on their halls, and making many repairs.

We have all ready started installing officers. We like to get this job done before snow flies. The various degree teams of young Marrieds are doing an outstanding job.

There seems to be a trend toward Insurance and other activities in many communities.

The most prominent activities to raise money seems to be dinners. Rummage sales, bingo, also the sale of promisory notes of different denominations to raise money for needed repairs.

Yours fraternally,
Wayne O. Ralston, Deputy

SOUTHERN SONOMA COUNTY

Worthy Master, Officers and Members of the California State Grange, Greetings:

Again it is my pleasure as Deputy to report on the Grange activities of Southern Sonoma County.

The eight Granges under my jurisdiction are in satisfactory condition. The last quarterly report showed a good increase in membership.

It was my pleasure on December 17, 1967 to install the officers of 16 subordinate and one Pomona Grange in Sonoma County. The installation was held at the Veterans Memorial Auditorium in Sebastopol and again on January 6, 1968 to install the officers of Redwood Valley Grange in Mendocino County.

Sonoma County Pomona Grange No. 1 has been very active this year and has exemplified the Fifth Degree in June and again in October.

Best wishes for a successful and pleasant convention in Fresno.

Fraternally submitted,
John B. Freitas, Deputy

TEHAMA COUNTY

Worthy State Master Deaver:

It is with pleasure that I greet you, your fellow State Officers, and patrons and wish you a most successful 96th State Grange Convention and to thank the Grangers of Fresno County for their gracious hospitality.

Again I have found, and had, much pleasure in my work as Deputy for Tehama County. I have visited each Grange at least four times, some more often. Throughout the year the Granges have worked together and we are proud that each Grange has had a gain in membership. Those Granges with their own halls have been improving them by painting and some remodeling.

Our Granges participated in our Joint Installation of Officers with Lloyd Piper, member of the California State Grange Executive committee, performing the duties of installing officer with 90 per cent of officers present to be installed.

Each Committee of Women's Activities has been active throughout the year doing their usual good work.

All of the Granges also participated in our most successful Grange Day and Barbecue held on April 27, 1968 with several State Grange Officers present for this festivity.

Some of our members provided meals for the Adult Youth Advisors Conference held at Mt. Lassen Church Camp, Inc. near Mineral, which was enjoyed by all present.

We are proud of our two degree teams who have been active throughout the year conferring the first, second, third fourth and fifth degrees not only in our county but others.

Faternally,
James V. Ryan, Deputy

TULARE COUNTY

Worthy Master, Officers and Members of the California State Grange:

Greetings from Tulare County.

Welcome to our neighboring county Fresno. We hope while you are in Fresno for the convention you will take some time to visit Tulare County and enjoy its beauty, the Sierras and the Valley. The two great agriculture counties in the U.S.A.

After the convention at Riverside Tulare County Pomona Grange held their installation of officers with five Subordinate Granges at Tulare Grange Hall. I had the pleasure of installing these officers.

I was installed as Master of the Dinuba Grange by former Deputy Bill Jeter. I also installed the officers in the other two Granges, Elbow Creek and Alpaugh.

We continued the membership and attendance contest for the year. Porterville winning the membership award and West Visalia the attendance award.

Early in February we held a Master's Conference at our house, with most of the Masters present. State Master Deaver was in charge of this meeting and urged all to get behind the many programs which the State Grange is undertaking. Most important is the membership.

In May we held a Youth and Membership meeting in Tulare Grange Hall. Included was Fresno, Kings and Kern Counties. State Master and Overseer were with us also Youth. Membership and JG's State committee chairmen, each gave important talks on their parts in building the Grange. This meeting was well attended and much information was given.

The women of the Porterville and Dinuba Granges finished their Penny Pine programs.

All the C.W.A. are doing their fine work throughout the county and in their own Granges, with many projects and sending many things to several hospitals and rest homes as well as the handicap schools.

Held our Grange Day at the Tulare County Fair September 19. This year we had one of the smallest attendances in several years. We hope in the future this will continue to be one of our highlights of our Granges.

Tulare County Pomona Grange again sponsored the F.F.A. speaking contest with the help of Kings County Pomona and the Subordinate Granges.

Booster night programs were held and are planned for all the Granges, and are being well attended by the members and prospective members, where the Grange story is being told. We hope this leads to some new members.

We had a small net gain in membership in the County this past year.

Sister Nielson and myself started to visit the Granges early in the year, until Sister Neilson took sick. Then we had to curtail our visits very much.

We missed visiting these Grange meetings and socials now as Sister Neilson is doing better we again are starting our visits and we hope we can continue.

We want to thank all our friends in the Grange here in the county as well as up and down the state for all the wonderful cards and your prayers while Sister Neilson was ill.

We enjoyed working with all this past year and hope we can be of some help in the future.

Our credit union is doing well but I would urge more members to take advantage of this one program. It is run by your members and in saving you money you can help your fellow Grange member.

Best wishes for a wonderful convention in Fresno.

Fraternally submitted,
Samuel Nielson, Deputy

VENTURA COUNTY

Worthy Master, Delegates and Members of the California State Grange:

It seems to be time for another Deputy's report.

The Granges in Ventura County are all holding their own.

We have obligated several members in the last two months.

Ojai Valley and Fillmore will both show a small gain for the year and La Avenida will stay even.

The bright spot of the year is that the three Subordinate Granges finished one, two, three in the 200 foot class in Feature Variety Fair Booths:

Fillmore, First.

Ojai, Second.

La Avenida, Third.

The Pomona Booth won first prize again, over a couple of very good booths from San Bernardino and Orange Counties. The four booths won \$950.00.

All of the Granges are busy with community service work.

The Pomona Grange presented the winner of the Ventura County 4-H sewing contest a \$50.00 check to help pay her expenses to the State Contest.

All of the elections will soon be upon us: National, State and County; also Grange elections. We hope that no Granges look to any of these other elections for examples.

We from Ventura County are looking forward to this State Convention in Fresno and know we will have our usual fine convention. We also know that there will be some resolutions that will need and receive much deliberation and discussion. Some of them we hope, will become policy of the National Grange.

Again, Worthy Master and Delegates, we from Ventura County wish you every success in the coming years work.

Respectfully submitted,

Orval M. Stubbs, Deputy

COMMUNICATIONS—WESTERN UNION

Chester Deaver, California State Grange Convention, Hotel Californian,

Congratulations and best wishes to all Grange members in the Golden State for a year of outstanding activity and growth. May your 96th State Grange Session be one of the best yet and result in continued progress throughout the year ahead.

Fraternally,
Herschel D. Newsom, Master
The National Grange

LECTURER'S PROGRAM

October 15, 1968—7:30 p.m.

CONVENTION ARENA, FRESNO

Fresno and Madera County Lecturer's Program

Fred Garrison, Pomona Master, Fresno County
"Natasha"

American Fashion Designers, often borrow fashion ideas from famous women in history. Also from foreign countries.

Last year saw the Empire style of Princess Eugenia and the introduction of the Nehru Jacket.

This year the Cossacks from Russia have loaned us on an cultural exchange program, Natasha, The blond Russian.

Emmet Taylor, Master Kerman Grange
"Emmil Taylor"

Here comes our Famous Senorita, she is wearing an Authentic Mantilla, and a colorful costume from Spain. Where else will you find another beauty like this lovely Senorita? Fellow Grangers I give you Miss Fresno County.

Orban Savage, Pomona Lecturer, Fresno Co. Kerman Grange.

The next model is Miss 00-00 Savajay from Hate Raspberries. Miss Savajay's gown is produced by the exclusive designer, Man Sewer Rummage Sale. For morning and evening wear, in fact she wears it all the time. The print material is very popular this season. Beads and Charms accentuate the graceful cut of the garment. The flowers are emblematic of the dream world in which she lives. On breezy days the eyes are automatically drawn to the adornment on the hem. Miss 00-00's ever popular bag is found in all the shops throughout the Nation.

Don Paukert, Kerman Grange
"Veronica Lake"

This, ladies and gentlemen is a 1940 lovely Movie Queen. Notice the lovely shoes she is wearing, and just take a look at that lovely Mink. She got this Mink the hard way, on the lay away plan. It looks like it was laid away too long.

Dode Ciesielski, Master Coalinga Grange
"Martinea Deitrich"

These Hostess Pajamas are suitable for an intimate dinner party and are made of a soft blue print with touches of Coral and White. The fitted bodice contrasts with the flowing lines of the full skirt.

Tom Patton, Coalinga Grange

"Miss Della Patton"

This year no one should be without a knit dress, therefore Della Patton has chosen a two piece basic black. You will notice it has white accents in the collar and is repeated at the hip line. For this occasion Miss Patton has chosen a black purse and shoes and a small white hat and white gloves. If anyone is interested in this outfit, Miss Patton would be happy to sell it to you including the hair piece.

Bob Roberts, Coalinga Grange

"Miss Mi Mi"

Who has just arrived from Paris, is wearing a dress made of Lido. It requires no pampering, just a little care and it will keep flower fresh. Her accessories are from one of the most fashionable stores in Paris.

18th Century Models

Paul Kelley, Master of Dixieland Berenda Grange

Mrs. Dora Ba-Hoo Balhorn"

She is modeling an 18th century French costume, if you were to walk along a narrow cobble stone street in Brittany the home of this bewitching breton Mother, carrying her baby on her arms, you would see her most pleasing expression on her face, and her starched white bonnet and her fancy costume which is most pleasing to the men. She is a lover of home and children. Grange Batchulars, here is the little lady you have been looking for.

Paul Waag of Dixieland Berenda Grange

"Mrs. Amelia Bloomer"

She is wearing an old American costume of the 18th century, she was a champion of womans rights, she became famous in 1851 for her Turkish Pantalooms. What about her corn cob pipe and her percky hat and purse, this is one of her fanciest dress up dresses, she courted the young men in, she is very talented.

Raymond Sesock, Dixieland Berenda Grange

"Mrs. Alberta Bootfield"

Is modeling a Polish costume of the 18th century. She is wearing a striped skirt with many colors, and a brilliantly decorated head band and belt. She is tall and slender, her favorite sports are hay rides on her Papa's farm in Poland and she loves dancing. Now don't some of you fellows want a dancing pardner?

Steve Smith of Dixieland Berenda Grange
 "Miss Zaza Gabor"

At very first sight, you're sure to call her a trim little trick. From the long ribbons of her cute pillbox hat, even the lace insert in her apron is cute, she is wearing an old time German costume, of the 18th century, she is very attractive and loves cooking and sewing, she hopes to be married by 1974. Now fellows, here is your chance.

TALENT CONTEST

"1968"

- THREE FOSS BROTHERS SANTA YNEZ No. 644
 Instrumental Act—Two Guitars & Drummer
- THE RUIZ FAMILY GARBERVILLE No. 614

9. Melva Simpson, Whitehorn No. 792 Briceland, Calif.	2720
10. Mamie J. Maryfield, Morro Bay Grange No. 749 2704 Studio Drive, Cayucos, Calif.	2700
11. Arline Jones, Dixon No. 574 Rt. Box 696, Dixon, Calif.	2700
12. Lois White, Independent No. 470 Route 1 Box 332B Corning, Calif.	2700
13. Esther Eldridge, Vista Grange No. 609 1009 Fern, Escondido, Calif.	2700
14. Emily Grant, Garden Grove Grange No. 613 853 E. Normandy Place, Santa Ana, Calif.	2530
15. Luella Neckels, French Camp Lathrop No. 510 Box 537 French Camp, Calif.	2600
16. Kathleen McAllister, Vacaville Grange No. 575 624 West St., Vacaville, Calif.	2500
17. Elsie Stoffel, Butte Co. Grange No. 16 1605 - 18th St., Oroville, Calif.	2500

SILVER STAR CERTIFICATES

1. Mary Ellen Wallace, Rough & Ready Grange No. 795 821 Zion St. No. B4, Nevada City, Calif.	2400
2. Virginia Riddle, Orangevale Grange No. 354 5310 Paragon St., Sunset Whitney Ranch	2230
3. Frances Lawson, Valley Center Grange No. 631 Box 288 Valley Center, Calif.	2210

BLUE STAR CERTIFICATES

1. Sandra Lasso, Wintersburg Grange No. 583 410 So. Illinois, Anaheim, Calif.	1850
2. Mrs. Robert Pritchard, Manton Grange No. 732 Manton, Calif. 96059	1800

From the Lecturer: "THANKS" for assisting with the "Art Display" Brother Edwin Langley and Brother Robert Humphrys from Coyote Grange—Brother and Sister Wiseman, Bro. Herbert Marshall from Los Angeles County. Brother and Sister Kraus and Sisters Sadie Helmer, Harriet

Berry and Bovet. I want especially to thank Brother Savage Pomona Lecturer of Fresno-Madera for all his valuable help with the "Art and Talent Contests," and for providing the Judges for the Art. They were local school teachers.

Deputys Wendt, Ralston, Saint and their wives were Judges for our Talent Contest; from them I know came the extremely difficult and wise decisions for our "68" winners. Their's was a difficult job well done. "Many Thanks."

The following members deserve thanks: Sister Trimble of Ukiah for being our Musician for the opening March Tuesday A.M. Brothers Wendt, Cramer and our State Musician Brother Campbell for assisting in the opening and closing songs and other community singing.

A special thanks to Sisters Hendricks, Thomson, Stubbs for their fair and impartial judging of the Booster Nights Programs.

And finally to my wife, Sister Bertha Greene for all her able and valuable help.

Fraternally Submitted
Kenneth C. Green, Lecturer

MEMORIAL SERVICES — 1968

Candle Lighters—Youth Grangers

Processional	Softly Now the Light of Day
Opening	Shall We Gather At The River
Prayer	Chaplain
Wonderous Love—Choir	Tableaux
Scripture Reading	Chaplain
Children of the Heavenly Father	Choir
Roll Call of Deceased—Celia Harding	Tableaux
Jesus Walked The Lonesome Road—Choir	Tableaux
Tribute to Service Men—Ted Bliss	Tableaux
Placing of Wreath	
In Memoriam	Chaplain
How Great Thou Art—Choir	Tableaux
Benediction	Chaplain
Recessional	Open Curtain
Sweet Bye and Bye	Barbara Harding
Taps	

The Memorial Service under the direction of Worthy Chaplain Leta Littler was presented in the Convention Theatre. The entire service was given on the stage. A 20 foot elevated platform of three levels, covered with white satin was the setting for four beautiful tableaux. A large electric cross in the center of the stage was gradually lighted as the roll call was given and a floral tribute placed beneath the cross in their honor.

Thirty-four Pomonas were represented which included 43 past masters, their wives or husbands, and four district state deputies. The rank and file were represented collectively on a scroll and a floral tribute of pink roses placed in their honor.

Youth Grangers were posed in the effective tableaux dressed in white satin robes with golden crowns. A recording angel inscribed all names read in a large white bible beneath an arbor of flowers. Special tribute was given to our service personnel by Brother Ted Bliss and a wreath placed beside the American flag in their honor. Beautiful music was given by the choral group from Fresno State College under the direction of Dr. Larry Walkenstin. Barbara Harding served as organist and sang a solo for the recessional. Taps concluded the service.

REPRESENTING THE DECEASED PROCESSIONAL

Led by Margaret Saracco and Bill La Caille

REPORT OF CREDENTIALS COMMITTEE

Worthy Master, Officers and Members of the California State Grange:

This year of 1968 it has been our pleasure to again serve as your Credentials Committee. This was a very interesting registration, as they all are. We feel there was very little friction. Thanks for this opportunity to serve you. I think it is appropriate that I take this means of thanking the members of my Committee and those who assisted in the heavy work.

Forty-two Pomona Granges reported out of 47 listed—74 delegates and alternates. 239 subordinate Granges reported out of 332. Also 406 delegates and alternates.

Sincerely,

Ulyuss G. Rose, Chairman
Edward Dennett, Messenger Boy
Harleigh Gallup, Luggage Carrier
Myrtle Gallup, Member
Betty Rose, Member
Anita Elorduy, Member

REPORT OF THE DIRECTOR OF YOUTH ACTIVITIES

Worthy State Master Deaver and Sister Doris, Worthy State Officers, and Brothers and Sisters:

The Youth of the Granges in California bring you greetings, and many thanks for the support you have given them this year.

We thank the State Master for being a forward thinking person who sees a need for more expressed interest in Youth and who believes, and has faith in them. He realizes the great potential that lies within the heart and mind of each young person.

We are extremely grateful for those Masters, who, when requested, appointed an adult to be a Youth Advisor in their Grange, whether or not there were any Youth in the Grange.

A special thanks to those Grange members who undertook the job of Youth Advisor, and we know if you have directed yourself to the job, you have had certain satisfactions that no other kind of Grange work gives.

A report, in its literal sense, is a record of a past action whether exceptional, or mediocre, or a complete failure.

Fortunately for us, this report is not a failure, neither is it a brilliant success. Our Worthy State Master has told me that I can lay it on the line. Call a Spade a Spade, and I can Tell It Like It Is ! ! ! !

In February of this year we were asked to undertake the job of Youth Director for the California State Grange, and we did.

The first thing we did was to request the State Master to send out a directive to the Masters of our 334 Subordinate Granges and to the 47 Pomona Granges to appoint an adult as a Youth Advisor for their Grange.

The reasons for this were three-fold:

1. I'd know they were interested in a youth program, at least to the extent of going to the trouble of getting a proper Advisor.
2. There would be a line of communication established between the young people and the State Grange.
3. I'd have a way in which to establish some concrete facts on which to build this very report.

I would like you to know that out of a total of 381 Granges there were a total of 130 Youth Advisors appointed by the Masters. That's less than one out of every three.

And while I'm talking about statistics of response——— Out of the 130 Youth Advisors who were appointed and asked to make a factual report in September, only 26 carried through with a report. A ratio of 1 to 5.

The really interesting thing about this is that after the State Office had sent out the report to the 130 Advisors there were about 50 report sheets left over and they sent them to me, and I turned right around and sent them to 50 Masters of Granges who had not sent in the name of an Advisor, and had their Secretary fill it out and send it to me.

So this report is based, in part on these few reports, and I treasure them, and I thank the person who sent them in.

The second thing we did last Spring, was to get busy on the Annual Cal-Poly Easter week conference in San Luis Obispo. We shortened it by one day thereby pleasing the college and, I think, making for a better conference.

We had a fine conference. There were 45 young people and 16 Advisors, at least one from each county that sent young people.

Believing as we do that teen age young people have the right to BE Teens and NOT young adults, we insisted upon and got, fine, understanding, and firm counseling and guidance from ALL Advisors. As a result, the behavior of this year's group of young Grange members, to quote the head housekeeper of the Anderson Hotel was "The quietest, best behaved, and most cooperative, with no damage to property," in her 22 years on the Anderson staff.

I believe teens have a right to be teens, and have a right to friendly but firm supervision. This is the reason we asked that every county sending delegates to the Easter Conference send also an Advisor. Two would be better, one woman, one man. It worked out very well indeed, and will be policy from now on.

A third important step last spring was the invitation from the State Master to join with Sister Elsa Hadley, Membership Chairman, Sister Eve Rowe, Junior Grange Superintendent, and Brother Deaver in a series of Regional Conferences, setting forth our projected plans and programs.

As these meetings progressed we found ourselves in ever closer harmony and found that we all had the same basic Philosophy of Grange, and what it is all about.

To over-simplify, I believe those Conferences can be expressed in three simple terms, predicated upon the premise that the Subordinate Grange is the strength of our whole organization.

The first of these is "Family." We found ourselves all stressing the Grange Family Organization, and we all feel that we in our century must place as much emphasis on family as did the 7 Founding Fathers who saw its importance so long ago.

Over 45 years ago the Junior Grange was added to our Organization, and we can now stress the Grange family from age 5 to 105.

2. Involvement. It seems to all of us that Involvement is second only to family Membership. We all need to become involved in the programming, the planning, and the execution of all Grange work. Those who sit timidly by and are not motivated to get a piece of the action will soon lose interest and we will lose them.
3. Then comes the third word, most important of all perhaps but very seldom thought about, and scarcely ever mentioned, and that is "Committment."

One can join the Grange, become interested in its activities, take part and become involved. But until he becomes truly committed to the principles and precepts of our Order we stand a chance of losing him. It is a more or less magical quality that gradually develops within those people who really and truly love the Grange, and prefer it, even with its imperfections and frustrations, to any other Organization. That is not to say that it in any way preceeds home, church, or school.

After the eight Regional Conferences were history we went right into the planning for an Advisor's Conference, and we decided to have it in the mountains since Forest Camps for Grangers enjoyment is something we'd like to see come about.

The Advisor's Conference was a small one. There was lots of publicity, word was gotten to each and every Advisor it appeared in two issues of the Grange News and ignorance of the Conference was not a possibility. Nevertheless there were only 13 persons representing 7 Pomonas present. We had a marvelous time at a lovely, rustic but not primitive camp up near Mt. Lassen. Brother Ryan and his good wife and Brother and Sister Clark of Tehama County hosted us and prepared meals for us, and we did have a grand time. There was a spirit of Brotherhood that spoke of Committment. We were just large enough group that we could raise a question and argue it from every angle, and maybe you think it didn't get hot and heavy at times, yet we all knew it was the topic that was being shredded and put back together, not each other. The Conference was a success, and there'll probably never be another just like it. I truly feel that the Advisors who were there will never lose their love of Grange.

These have been extremely busy months. We had plans that failed to materialize. We spent six intensively busy months of planning for a National project that thought had fallen through. Instead of coming in August, the 30 young Japanese Farmers are now slated to come to San Diego County in November. There is no time now to tell you about this program, but it's terrific, and I'm glad we will be able to carry it out. It's almost total cooperation between nine

Granges and nine Communities. Watch for the story and pictures in the Grange News.

We began planning the Youth Activities for this 1968 California State Grange Convention back in July. I could write a book on People I have known who Don't answer letters—that would include people from the National Grange office right down and including people for the 5th Degree team. When I was moaning about this to Brother Ivey he just laughed at me, and said it served me right, cause I used to keep him waiting when he was State Lecturer and I was a Lecturer in San Diego County.

The balance of this report will have to do with programs both State and National.

At the Cal-Poly Conference the young people voted unanimously to adopt as many of the National Programs for Youth as they felt applied to California. Number one for this year was the Prince and Princess Contest. You saw the results of that program on Wednesday evening. Now that these two young people are Prince and Princess for the 1968-1969 term I hope you will invite them to your Granges to talk to your young people. They should be young Ambassadors for Grange. Please don't invite them on school nights except during the summer, all modern day students have much home work.

We shall encourage greater participation in the Prince and Princess contest. The honor and the glory of winning is wonderful, but the real value of this contest lies in the fact that a lot of work goes into it. These young people must have been Grange members for at least 2 years, and their Entry book shows practically everything these people have done leadership wise, for two years.

They must have studied ritual, Grange History, the degree work, etc. for they are judged both on their entry book and by a panel of judges. The judges for this year's contest were very carefully chosen by the Judging Committee Chairman, Sister Jesse Rafter. The Executive Committee was asked to compile the questions that were asked of each contestant. They were graded on their Entry book, correctness of answers poise, delivery, and the Judges had in mind the question "What kind of an Ambassador to the Grange will you make."

This National Program is the only one we completed this year, but please remember we got a late start. There are others for next year.

The action of the group at the Cal-Poly Conference in organizing a formal State Grange Youth Committee is an encouraging sign of increased interest and a dedication to Grange work. They elected their officers, and then decided that in order that all sections of the state might be represented it was voted that each Pomona Youth Committee should

elect an official representative to an Augmented State Youth Committee to function at all Conventions and Conferences. This Committee has had several Conferences at this Convention. In this way it is hoped that eventually one official delegate from each Pomona will attend this annual California State Convention. How would you like to see over 50 young people, of the teen group, at each Convention?

It is hoped too, that each Pomona Grange will find this idea so worthwhile that they will have a special money making project in order to raise the money to pay this delegates expenses to the Convention. San Diego County Pomona agreed with our thinking and had a cake-walk at the last Pomona meeting and within an hour over \$50.00 had been made, and it was a fun time too.

We've been talking about the teen group up to this point but they are not by any means the only Youth group we are concerned with.

More and more emphasis will be given to the Young-Marrieds, and the Young Unmarrieds. The age group here is up to 36 and as far as I am concerned this means as long as one of the couple is under 36 they are both members of the Young-Married group. The Grange has been missing a bet for a hundred years by not recognizing in a special way the people in this group. These people have endless drive and energy, they are full of enthusiasm, and are still idealistic. They have great purpose in living, and are interested in everything that is going on in their communities. Here is the material for fine young Masters, Matrons and Patrons of Junior Granges.

They are the parents of small children, and every one of these children should be in an active Junior Grange.

These people are already in the Grange, they just aren't coming to Grange meetings. I suggest you carefully go over your membership role and list these people. I'll bet you get as much of a shock as we did in my Grange when we discovered that 32 of our membership of 104 were in this age bracket. It was a shock because only 2 or 3 of them are coming to Grange. They don't come to WAC either. There's a message there, we just have to find it. The first Grange that discovers a way to get these people in Grange on meeting night should get a medal. I think I'll suggest it.

We hoped to get some kind of a summer work program under way for the teen age group, for next to a loving family and a personal relationship with God, and an education, the most important thing a boy needs is a job. And these should begin during summers during high school years. Up until this time, hopefully, he's had a Dad who was interested enough

in him to teach him to work. But I can tell you this is more the exception than the rule.

Now, in the Youth Program, eventually there should develop a workable, practical, summer work-program that has money and job training as part of its advantages. Last summer was too soon to get such a program under way. I hope next summer can be different. Last summer one of our brand new members was instrumental in getting one of our young members a job with the Dept. of Forestry. Unfortunately for our young people, the old business of "it's not what you know but who you know" is still in effect. And on top of that at their tender years they can't be expected to know too much to begin with. The Grange is a real hope for young people in this direction. Whether we get a work program going or not, you in your Granges can be a real help to the Youth in your Membership. It could be that this is the proper place for such a program to develop. It's a cinch it's the proper place for it to start.

We are still hoping that an Exchange Program can become a reality. It seems to us that boys and girls spending a week or so in another area of the State, learning about its agriculture, its geography, its people and their view-points would be a good idea. We are going to be working on such a program. Maybe we can give it a trial run when school is out. If you like the idea tell me so.

We will be having the Cal-Poly Conference again next spring. We are also hoping to have a Grange Youth Camp up in the mountains. The plans are only in the pre-planning stages, but it will be some time next summer, probably along toward fall, just before school starts.

We have high hopes that Forest and Recreational Camps for Grangers may become an eventual reality, and we will work toward that end.

Regional Youth Leadership training conferences are in the planning stages, and the Grange News will carry these notices, and of course a letter will go to all Youth Advisors with details. The Granges should help these Advisors with finances for this purpose. It's your Grange and your children that will be helped as the end result.

To get back to the number of Reports that were sent in the scarcity of entries in the Prince and Princess Contest, the few people that showed up at the Advisor's Conference the apathy and the "don't give a damn" attitude of some people—all of these things could make a person wonder if all the time, energy and money spent were worth it. But once you have grown in Grange so that you understand its Principles, its history and its accomplishments, then you have a proper tool for measurement, and that tool is COMMITMENT.

Because by then you'll realize that the Grange IS WORTH IT.

Sure, I'm disappointed, but the lack of enthusiasm in the Youth groups doesn't really surprise me. Boys, and girls, even older people are much better at following than they are at leading, usually. Kids aren't self-starters.

That's what I meant when I sent a welcoming letter to the newly appointed Advisor in which I said "It will be your duty to have Enthusiasm to Think and to Do. Your success will be in direct proportion to the planning and thinking you direct to the job."

In order to move a program forward, SOMEONE in your Grange will have to act as a Spark Plug to generate enough enthusiasm to get people started. If there is a problem, it is not with the Youth, but with the lack of leadership.

The Grange has been in preparation for this moment in history for 103 years. The challenge to the Grange is greater now than in all of its stormy existence. In the 50's, the 60's and the 70's of the last century the Grange led in Social and Agricultural revolution, we advocated Change and Progression.

We fought for citizen's rights, we led in Women's suffrage, we recognized the value of American youth when all others said they were to be seen and not heard. The Grange was strong for Social Reform.

How can we, at this point in time, sit complacently in our little Grange islands and not prepare our Youth for Leadership roles in the world of tomorrow, which actually dawned yesterday. The revolution is on, and would you believe the battles we are fighting with guns are not the biggest battles we MUST win?

The battles we must win are in changing people's minds about a number of things. When you change a person's mind you have changed a situation. And this is the name of the game. To change a person's mind means that you educate him. And you educate him TO something.

If he is dirty you educate him to want to be clean.

If he is ignorant you educate him to want to be informed.

If he is hateful you educate him to be loving.

If he is riotous you educate him to be peaceful.

If he is lazy you educate him to be ambitious.

In other words the person that can change people's minds is the more Powerful person.

This is true Power, and it's not any one color, nor is it confined to any one race.

With five sons to educate, and being smart enough to know that it takes teachers, and school buildings, and vast amounts of money to do it, *I'm still not talking about your tax rate* when I am talking about education.

There is much that the Grange can do about educating the young people in our membership. We can help our Youth both teens and young adults, to become educated, and to become educators, by giving him a chance to learn and to perform in Grange.

We can help by providing many many more scholarship opportunities for him. Even one year of college is an advantage. Plenty of our young-marrieds would make an effort to take night classes if they had the money the books and lab fees would cost. Many times that much money is just that much TOO much when trying to keep a new home going.

One year in a vocational training school might change a young person's whole life. The Granges in California give thousands of dollars in scholarships every year. I wouldn't change that for anything, but you are giving them, in many cases to people outside of the Grange. I appeal to you to match those funds for scholarship help to young people within the Grange.

The Granges in California sent the National Grange Youth Committee over \$600.00 this year, don't you think you might at least match those funds for your own State Youth Committee?

There are so many fine things we could do if we had some money to operate on.

The youth and I are very grateful for every act of kindness, we want to be your co-workers in every aspect of Grange work, we wish to live up to our responsibilities, and we wish you to recognize us as true and faithful Patrons of Husbandry.

Thank You,

~~XXXXXXXXXX~~

Betty Smith

WOMEN'S ACTIVITIES REPORT—1968

Worthy Master, State Officers, Brothers and Sisters:

Never has the choice of the theme, HARMONY, seemed more timely. The changing of the name of our committee has caused some confusion and in a very few cases, unhappiness. We thought that the use of Women's Activities Committee would be a fairly easy change, not realizing that the initials would cause two things to happen. First we found that there was confusion between our Grange committee and the Women's Army Corps, which also used the initials W.A.C. The other was that too many of our Grange members were calling us "wacks," and in many cases thought it quite amusing. Neither of these things was conducive to HARMONY.

In this uneasy time, in our country and all over the world, it was natural for all of us to feel that we would like to cling to the old and familiar things, and this included "Home Economics Committee." By the middle of the year the final decision was made, as per the notice in the National Grange Monthly, that the name of our committee would definitely be the "Committee on Women's Activities" and when using initials it would be C.W.A.

As I have stated several times in the column "Yours True-ly", in the California Grange News, it really is time for our women to have a name which will give their work the prestige and respect it deserves, especially from those who are not familiar with the wonderful work they are doing. As with all changes, this one will become familiar, and in a few years many women, who join the Grange after this change, will know the former H.E.C. as part of the fine history of our Order. In relation to the number of years that the Grange has been in existence, the use of H.E.C. was relatively short.

We have had other changes in the State Grange this year, with a new State Grange Master, Overseer, Lecturer and some of the other officers, as well as the appointment of a new Youth Director and Director of Membership. Many other changes also have been made in Pomona and Subordinate Granges, and all of this has been done with relative "Harmony." All of this, along with the name change, seemed a little hard, but by this time we can say that we are back "in tune," and our women are working just as hard as ever.

Our Cookbook project is still going strong and I'm happy to be able to tell you that by the first of March, 1968, we had finished giving the \$11,000.00 to the State Grange to pay for the furniture, drapes, carpeting and landscaping, at our new building. Since then we have done some necessary work in Wisteria Hall, our Women's building in Sacramento. This included putting in new front doors and having the floors of the entire building stripped and waxed. These were the two most expensive items, and in addition several other smaller things were done. The entire bill came to a little less than \$300.00. Near the end of 1967 we donated \$100.00 to the National Grange Building Debt Retirement project. We also asked permission to pay for the Assembly of Demeter Sashes which were presented to Brother Blaine Quinn, Past Master of the California State Grange and to Sister Ruth Quinn, who was also a member of the National Grange Home Economics Committee for several years. These sashes are presented to each outgoing State Grange Master, in the various states, and may be worn by them on any occasion where it is appropriate.

We plan to give \$100.00 each year, to help with the expense of sending the state winner of the Grange Lecturer's Talent Contest, to the National Grange for the top competi-

tion. The rest of the money, coming in from the sale of the cookbooks, will be kept in the Mabel Glenn Memorial Fund but earmarked "cookbook money." Most of this will be kept for use when we are celebrating our California State Grange Centennial. We now have just a few dollars more than \$4,000.00 "to the good", after paying for the items listed above. This has proved to be a wonderful project, and we are getting down to the end of our supply of books. There are still a good number in the hands of the various Grange C.W.A., so there will be more money coming in for some time. I want to again thank everyone who has bought a book or sold the books. We have had many interesting stories of how these books have gotten to places all over the world, literally, and they are still selling very good.

This past year we asked that each C.W.A., or Grange have some kind of money making project and donate the proceeds to the State Grange Building fund. The sooner we can pay off the debt on the building the less it will cost us. While again many of the Granges have contributed directly to the State Grange Secretary, I have had \$642.25 sent in to me mostly coming in with quarterly reports, and this also has been turned in to the State Grange Secretary. We hope that you will continue to make generous contributions to this fund.

The Mabel Glenn Memorial Fund has had a total of \$2,446.87 put into it since we started it. The proceeds from the cookies sold after they have been judged, in the cookie contest, has been added to this fund each year. The rest has come in from contributions from the various C.W.A. We gave the State Grange \$600.00 a few years ago to help pay for the airconditioning of Wisteria Hall. For two years the State Grange gave the women a credit on this bill of \$1.00 for each new member they brought into the Grange.

Our Women's March is held each year at our State Grange Convention, on Wednesday morning, and contributions from that March are used for the California State Grange Student Loan Fund. Last year \$1,577.03 was turned in during the convention. Other contributions have been sent in which added \$124.65, making a total of \$1,791.68 for this very good and worthwhile project. Grange members who may want to go to college, or other type of schooling may apply for a loan through the State Grange Secretary. It may be a young girl or boy who wants to go to college, or possibly some older person who must learn a new skill or brush up on an old one. Age has nothing to do with eligibility to apply for the money, but all must belong to the Grange.

It was quite a long time ago that a Bible fund was started to provide a new Bible to each new Subordinate, Pomona or Junior Grange which is organized. The Bibles are inscribed in gold, with the name and number of the Grange. Since 1960

there have been 29 Junior and 15 Subordinate Bibles presented. We have also given a Bible to a Grange which was burned out and lost everything. It was my pleasure to present a Bible to the newly organized Nipomo Galaxy Grange in San Luis Obispo County this year. In addition I was pleased to be able to present a Bible to the re-organized Maxwell Grange which had never had one from the State Grange level. The money from the original Bible fund was all gone this year, so we began asking for contributions to start it again. At the time it was originally started, I believe each women's group was asked to contribute \$1.00, and we will have this in our Women's Activities program for 1969. In the meantime a few contributions have come in, with Jacinto Grange C.W.A. being the first one received. Up to October 1st, 1968 we have received \$49.00, so we are off to a good start toward building this fund again.

We have tried to be careful not to ask that you participate in too many welfare or charity funds from the State level. We believe that each of you should choose the ones you are most interested in as an individual Grange group. However, we have had the Grange CARE program as the one National project, and Meals for Millions as our State level project. During this past two years we have contributed \$609.44 to the Grange CARE program to help the "Young Farmers of India." This money has been given to help teach the farmers how to raise better and more crops. In turn these young people then go back to their villages and teach the new methods to others. The money has also provided some tools and equipment. There will be a new Grange CARE project beginning in 1969.

Meals for Millions has a long history of contributions from the Grange women of California. In fact so long that we forget sometimes that new people joining the Grange may not know what this project is all about, until someone asks the question "What is Meals for Millions?" Then we go over the story again of the beginning, during the depression, of the compounding of a formula for a "Vitamin and Mineral supplement" to add to other food. Three cents worth of this "Multi-purpose" food additive is enough for one meal to keep a person from starving to death. It has been used a great deal in East-Asian countries, India, Japan, South and Central America, Africa, as well as right here in our own country. Pilot Plants for the manufacture of this Multi-Purpose food have been set up in India, Japan, and a number of other countries. This enables them to use something like soybeans, peanuts or fishmeal, which may be in abundance in their country, thus saving the cost of shipping the food, as well as helping them to help themselves. Schools, hospitals and orphanages are some of the principal places that use this food. It is also given to families in some of the areas where there has been starvation at some particular time. We have given \$1,698.11

since October 1st, 1967, to this project and this will provide almost 51,000 meals.

Many other charity or welfare funds have been helped by contributions from our Granges. There is a long list of these, which indicates that you are interested in a wide variety of aid to those less fortunate. The total sum reported since October 1st, 1967 is \$28,757.43. This sum also includes Scholarship money, which many Granges give to deserving students each year. This project alone has received \$7,333.55.

Many families have been helped by contributions or "showers." Fire, death and other disasters are things which none of us know when we will be the next one. The Grange women are quick to render help whenever and wherever it is needed. Needy families, outside the Grange membership, have also been helped, sometimes with money, and/or material things, such as clothing, furniture, bedding and other things.

It was necessary for us to find someone to send the cancelled stamps to after the death of Mrs. Muriel Moe if we were to carry on this fine project. We were fortunate to find another woman with the same connections who said she would be happy to carry on with this project for us. She is Sister Anna Wilhelm, P.O. Box 6724, Clearlake Highlands, California 95422. She was not a member of the Grange at the time she was asked if she would take our stamps, but she has since joined, along with her husband. She has received a great many stamps and if the name and address of the one sending in the stamps is on the package, she will send a note of thanks for the stamps. This project helps in the fight against TB, and other respiratory diseases, especially in children.

We have made contributions of eyeglasses, old nylons and plastic bottles to the Veterans Home near Yountville, Napa County, for use in their therapy work and the hobby shop. Eyeglasses have also been sent to New Eyes for the Needy, Short Hills, N. J., as well as being given to other hospitals in California, where they have indicated that they would like to have them.

Work, by the women, in making things for hospital patients is done in a good many places. Not only have they made lap-robies, toe stocks, scuffies, bibs and many other things, but they have also gone to entertain the patients. They take cookies, punch and other goodies with them and it helps to let the patients know that they are not forgotten. I have had quite a few reports of our Grange women participating in rolling bandages for cancer patients and also help has been given in making dressings for a Leper hospital.

We encourage the help of the Grange to the Youth who belong to our Granges, or if they have no Youth, then a contribution to our State Youth fund is a big help. This is also

true of the Junior Grange. Some of our women have reported assisting their own Junior Grange with money, material or just moral support, especially to the Matron. We hope that more Granges will be able to get a Junior Grange started, but the most important part of that is to find the right woman who is willing to give of her time, to be the Matron.

The Youth should be encouraged to take an office and thus show them that we expect the same responsibility from them as from any other Grange member. We are first and foremost Grangers, not young people or older people, and each should expect the same respect from all the others. We must remember, however, that respect must be earned before it will be given.

Two girls have been helped during this past year by the money we have placed at Cal Poly. A note of appreciation has been received from each of them. There is a balance of \$1,567.14 in the fund at Cal-Poly. Humboldt State College did not have to use any of the money this past year, and there is \$2,324.43 still in the fund there. This money is there to provide for aid to girls who might have to drop out of college because of a lack of funds, and can be given in an amount up to \$100.00, with no strings attached. They do not have to be Grange members to receive this money.

The National Grange Cotton Sewing contest was not quite as well participated in as the last few years. This is the first year in quite awhile that we have not shown a gain in the number who entered, over the previous year. We were only about 20 below the number in 1967 and since the contest was over I've heard of several Granges who had entries, but their "Blue Judges Sheet" was not sent in, so we lost that count. The required picture has been a problem and we hope to be able to do something different this coming year to make it easier for you to enter. This is a very good contest and it helps a lot of women to improve their skill in sewing. Home sewing is becoming more popular every year.

The Needlework contest has not been judged as this report was prepared. The list of winners will be printed in the Grange News as soon as possible.

Our State C.W.A. Cookie contest is being held again this year for fun and to benefit a good cause. We are giving prizes again in four classes . . . \$5.00 first, \$4.00 second and \$3.00 for third. Last year we were able to pay for the prizes, from the sale of the cookies, and still put \$146.25 into the Centennial fund. Extra cookies, besides those entered in the contest, were given to us to sell and this helped to swell the sum.

We have endeavored to persuade the women of the importance of each Grange being represented at the State

Grange convention by sending a Voting Delegate. If the Grange does not have enough money to help pay the expenses of their Delegate, then we hope that the women will earn some extra money to help with this. During this past year it was reported that \$15,036.92 was raised by the Granges or the women for this purpose. Of course I hope that as many as possible of the Women's Activities Chairmen will be able to attend. I would be a pretty sad State Director if they were not here. I need their moral support.

While most of the chairmen faithfully file their quarterly reports each year, we have a hard time getting them to write an annual report. This is for the National C.W.A. Recognition Report contest. We had only 40 of these this year and out of 337 Granges, that is not a very good showing. These reports are judged and the best one from the Subordinate Grange is sent to the National Grange for further judging. This year the Subordinate winner in the California judging is Sister Betty Gorsuch, LeGrand Grange, Merced County. Second place goes to Marjory Sivetnam, Riverdale Grange, Fresno County, and she had the largest number of dresses entered in the sewing contest that we have had from one Grange, I believe. Third place winner is Edna Mae Johnson, Hilmar Grange, also in Merced County. First place in the Pomona Grange goes to Christine Kearne, Chairman of San Bernardino Pomona Grange C.W.A. We are so sorry that there were no Junior Grange Recognition reports. Quite a number of those who sent in reports also sent in a completed "Wall Chart" and each of these will receive a small Certificate of Appreciation from the National Grange Director.

The participation of our Granges, as well as many of the C.W.A., are what make our County and District Fairs so interesting. We encourage each of you to continue this. We need to keep the public reminded that Agriculture is the No. 1 industry in California. It certainly is a pleasure to wander through the exhibits and see what fine agricultural or floral products are raised by our Grange members. The special booths put in by the women are always very interesting and let the public know that the women of the Grange are also very busy. In addition to showing off our products the Granges are earning quite a lot of money by winning prizes with their booths. During this past year only dinners and food sales earned more money for the Granges . . . \$32,536.26 was won and dinners brought in the enormous sum of \$101,014.05.

Our District Women's Activities meetings have been very well attended this year. We were able to work in a meeting for Trinity County also this year up in District 1, and were so pleased with the attendance and their enthusiasm. They are in such an area of long distances and rugged mountains and it is difficult for the women to get to a District meeting.

Sister Enid Wiseman of District 4, in southern California has resigned so she and her husband can do more traveling and so it was necessary for us to find someone to take her place. It is not easy to find just the right person for this kind of a job. Someone with the time and the right personality and we feel that we have found the right one in Sister Christine Kearne, a member of Yucaipa Valley Grange, San Bernardino County. This appointment has been made by the State Grange and has been announced for the first time here at the convention. We welcome her to this job and hope that she will receive the full support and cooperation from all her district as she begins her duties as Director.

Once again I want to express my appreciation for all the cooperation I have received from the District Directors. Without them the job would be impossible for any State Director in a state as large as California. Again I would like to thank all the women who helped to make the District meetings interesting and successful, and a special thanks for all the lovely gifts which have been given to me. I am very proud of all the fine things which have been accomplished by the women—and the brothers of the Granges, here in California.

I want to thank Brother Deaver for his support, encouragement and cooperation, to Sister Doris Deaver for going with us when we traveled to the two northern districts for meeting last spring, and to both of them for their hospitality when we have been overnight guests in their home. My thanks go also to the members of the Executive Committee for their whole-hearted support.

Please let me leave you with this thought:

Why put off the pleasant things ,the kind word,
The smile or anything at all, that makes life worth-
while?

Every difficult thing well done is just another victory
won.

So take the bitter with the sweet,
Procrastination is just defeat.

Remember there is another way, Just do that job today.

Fraternally submitted,
Gladys True

DIRECTOR OF MEMBERSHIP REPORT

Worthy Master and Sister Deaver, Officers and Members of the California State Grange:

The easiest thing to talk about today is change—it is all around us. Change has become the expected not the unusual. What makes it frustrating is that today's change is so explosive—coming on in ever diminishing time spans. It is the speed, with which change is transforming practically every aspect of our daily lives, that is so overpowering. Man has always faced change—but never so fast. In 1492 man stood on an ocean beach and wondered if he dared to sail beyond the horizon. Four hundred years later man stood on another beach and wondered if it was possible to fly an airplane from one continent to the other. Forty years later man stood on a Florida beach and wondered if we could send men around the earth and get him back. Four years ago we found out we could. Four weeks ago we found out that we can

rocket to another planet with great confidence of success. Four days from now—who knows.

We are at a point in time where we must educate people in what nobody knew yesterday, what no one really knows yet, but what most people will have to know tomorrow. We are at a point where if you aren't doing it while you're saying it—it's already too late. Now, education changes, grows and develops like any living thing. It grows out of its past. Nevertheless, its present has a continuity with its past. Therefore if education is to thrive and develop and to achieve its full potential, its future must be guided at least in part, by what is usable from its past. And, in the same respect, in building our Grange to its full potential, we must be guided somewhat by what is usable from our past. But the hitch is that we must decide what is usable from our past that will really be usable in the future.

Building membership in the Grange is the bulwark of our very existence. Here is where we must seek what is usable from the past that will enable us to compete successfully today. You might ask of your Grange, "Is your membership showing?" Or, as in today's lingo, "Is your membership a real mini mini?" Let us not be so old fashioned. With this rapid change in our society, we cannot afford the luxury of a slow deliberate approach to change. We need to make an all-out attack on our membership problem NOW.

Subordinate membership chairmen will be asked to develop their own innovative membership programs. Earlier this year I gave you the definition of innovation. Surely you haven't forgotten. And now, Pomona membership chairmen your position must be more than that of permitting some changes to be made, you need to get involved, to participate in and encourage change. You might argue the point that this sounds too much like change for the sake of change—and even that isn't such a bad idea—as someone said, and I quote "There is a certain relief in change, even though it be from bad to worse; as I have found in traveling in a stagecoach that it is often a comfort to shift one's position and be bruised in a new place." (Unquote) Let's face it, the changes we make in obtaining membership growth today, will have to be revised in time, but the least we can do is shift our position and take our bruises in a new area for awhile.

But, let me move into some of the areas that need our attention in the days ahead. To get the job well on its way we need:

1. To seek out a new breed of member to work with us. Let's put the emphasis on our youth.
2. We need Grange units that are willing to experiment with new programs.

-
3. We need Masters that will assign a membership chairman—give that chairman time to prepare a solid program—and then see that assistance is given to that chairman.
 4. In meeting the challenge of the youth for membership in the State of California, we need to encourage special programs for the youth.
 5. We need to become more involved and to involve others.
 6. We need membership chairmen who are equipped to do more than just disseminate information.
 7. We need to help our membership chairmen and become better equipped to deal with the special problems of the dropout, the potential flopout or stay-at-home.
 8. We need to followup in visitations.

I now ask the assistance of all Pomona Masters. In the coming year, do not ask for a volunteer, but select and appoint a Pomona membership chairman, one person you know who will be a leader, one who will involve others and who will be able to contribute some time to all Subordinate Granges within your jurisdiction.

It is difficult for me to correspond with over 300 Subordinate Membership Chairman, and give satisfactory responses. Yet, with having Pomona membership chairmen to be my assistants, I can meet the challenge head on and equally do my share and assist you too. Without Pomona chairmen, I cannot function properly, nor do justice in my services for the California State Grange. Our innovation, our program, idea, concept, or media, rests upon your first step in selecting that Pomona membership chairman.

Listen—boosting your membership potential: A family affair. Let us start revisiting our present members that are not coming to Grange meetings—let us take special thought in spending a few moments with those ill or the invalid. Let us always see if our car can seat one more who hasn't been to a meeting in a long while. Let us start at home. Let us concentrate on keeping our current members happy and busy. Let us get a project going. Oh, I know you are going to say there are only the few of us that always do. I hear it at my Grange too. But, once you get involved, you'll find that others are helping you, and you are not burdened with the load alone. I wish you would just try it instead of listening to me repeat this over and over again. Then you will believe me. And the glorious satisfaction of doing a service for others will make you feel like you are 10 feet tall, standing in front of a mountain of luscious strawberry ice cream, topped with delectable whipped cream, nuts, and a cherry, with a spoon in your hand ready to dig in.

A handful of Pomona membership chairmen have come through with reports. I am grateful to have made up small packets for the Subordinate membership chairmen which I distributed during the Regional Conferences—otherwise a good portion of the Subordinate chairmen would have nothing. There are counties with no Pomona membership chairman. Why not? Are you going to leave the load for those counties that have Pomona membership chairmen to carry you for the state?

Let us not age with the past but stay young for the future. There is no tomorrowland. Grange improvement and membership growth is NOW—and you must realize this fact. Begin today on retaining and seeking members for your Grange in California.

Now—let us go back to that mountain of ice cream and start eating. It is indeed a pleasure to announce the California leaders in bringing in the most new members or reinstated members into our wonderful order. From the letters I have received, the LEADING MAN AND WIFE TEAMS ARE:

J. R. and Sue Rogers, Orangevale No. 354 with 44 new members.

Bro. and Sister (Leonard) Dunnahoe, Lake Francis No. 745—24 new members.

Sam and Irene Montgomery, Riverdale No. 624 with 18 new members.

THE INDIVIDUALS ARE:

Elmo Prine, Maxwell No. 701 with 49 new members.

Abbie Kell, Palermo No. 493 with 49 new members.

Ted Tower, South Sutter No. 207 with 29 new members.

A. Welty, Ripon No. 511 with 15 new members.

Bonnie Doris, Bachelor Valley No. 667 with 12 new members.

James Bush, Concow No. 735 with 10 new members.

Congratulations to all of you for this magnificent contribution.

And now, hold on to your hats. It is time to give recognition and honor to those Subordinate Granges which have had an increase in membership from July 1, 1967 to June 30, 1968. At this time we are presenting you with an attractive plaque to adorn your Grange hall. If your Grange does not receive one this year, be not dismayed—for you may still be awarded one next year if you show a membership gain. So work for it—it only takes one new member. In addition, for the next two years, as you gain in membership, a gold sticker will be given to be placed on the plaque.

As I now read off the Granges, would the rightful delegate please promptly come forward to one of the Executive Committeemen and pick up your award, let us do this as quickly as possible so we may hear Sister Betty Smith's report.

In conclusion, with 159 Granges having an increase of membership over the June 30, 1967 report, I am pleased to say that 19 Granges held their own with no loss, no gain. This puts us over the half way point, and the California State Grange can rightfully state that for the year July 1, 1967 through June 30, 1968, the statistical report shows a gain in membership for the first time in several years. What could be more rewarding? Our thanks go to our leader, Worthy Master Deaver and to YOU, our magnificent workers. Your faithfulness rubs off—let us all walk in faith. Thank you.

A TOTAL OF 159 GRANGES.

REPORT OF THE SUPERINTENDENT OF JUNIOR GRANGES

Worthy Master, State Officers, Brothers, and Sisters:

As we open this 96th annual session of the California State Grange, never in the history of our country have we had a greater need of the Grange. With the urban conditions in many places often breeding delinquency, frustration, and waste of opportunity, the Grange through its self-development activities can be a "Savior of our youth."

It is a thin line that many of our children are walking on these days, and on which side of it they end depends on the hand that leads them. The Grange can reinstate a sense of value to these young people by giving them the opportunity to discover the capacities of endurance, for positive achievements, self discovery, and train for leadership.

We must never lose sight that the Patrons of Husbandry is a family fraternity, encourage your young married to bring the children to the Grange meetings. If we can interest the parents in the Grange, the children will also take an interest. We should make an effort to have a Junior Grange for each Subordinate Grange, and there would be if we could find adults willing to give up a little time, some personal pleasures and perhaps some other things. Is this too much to ask for our future citizens? I do not think so.

Today the Junior Grange with its inspiring plus work programs, ritual, and community service activities for the children under 16 years of age, is without equal in America.

As long as the Grange has a continuing stream of boys and girls pausing before its altar for obligation and instruction, and as long as it holds these boys and girls through their mature years of life it will never die, but will continue to serve and bless all mankind.

This year 10 regional conferences were held, which proved to be very beneficial to all. Much to my surprise I found that many of the members did not know that the Junior Grange is a distinct unit in itself. The members have their own ritual and degree work, order of business, initiation and installation, conduct an educational hour at their meetings, carry on wholesome activities and even undertake community service projects.

The Junior Grange is really a school out of school. It is not enough to teach our children to be smart, in these days more than ever before they need more social, moral and spiritual training. It trains for leadership, teaches the love for ritualism, interests the young in rural affairs, builds character, teaches business methods, inculcates honor, patriotism, truth and benefits the community and strengthens the Grange.

Some of the interesting activities and projects carried out by the J.G.s this year are as follows: Held membership drives, 11 put on the degree, and entered the county fairs floats in parades, worked on State and National crafts, 37 received merit award certificates and seals, 8 earned their super J.G. pin, held go to church Sundays, and donated \$14.00 to CARE. Activities that created interest were visiting other Junior Granges, joint picnics, swimming parties, Halloween parties, bus trips, and dances.

Community service projects included adopting shut-ins remembering the less fortunate, making and donating candy cookies, gifts and scrapbooks for the children in hospitals donating food, clothes, and money to the needy, supporting the seeing eye dog foundation and taking care of the grounds around the Grange halls.

They assist the Subordinate Grange lecturers with programs, and on their own lecturers hour they include programs on history of the Grange, litterbugs, and pets and how to care for them, bring and talk on their hobbies, know your government, and how to display the American Flag, plus many more worthwhile subjects.

The J.G.s are self supporting and raise money by having bake sales, bazaars, making and selling crafts, and having dinners and other money making projects.

We had 15 Juniors graduate into the Subordinate Grange 5 more than last year. We had 7 National Grange achievement reports. Those that we received will be judged and the first place winner will be sent to the National Grange. The first place was given to Redwood Valley Jr. Grange No. 174. 17 Matrons and 8 Patrons will be given a certificate in recognition of faithful service and outstanding leadership.

Many of the Junior members, were disappointed by not being able to participate in the California State Fair this year, we do hope that next year, that the Fair Board will be able to include the Junior Grange in on the program. But not was all lost, as most of the J.G.s went ahead with the crafts and they can be seen in the Junior Grange room, while viewing the exhibits, also look for the new road sign that has been made for the Junior members.

As we attempt to evaluate the work of the past year, we must look ahead to the future where all our hopes center. We need to continue and improve our program so that the young members find it challenging, rewarding, and worthwhile, and we will if we all make an effort.

We want to extend our appreciation and pay tribute to the Junior members of the Sonora and Wyandotte Junior Grange, their leaders and parents for their efforts in taking part in the program at this session, and to all of the Dedicated Matrons and Patrons we say "thank you," for your cooperation and time given to our young folks.

It has been a great privilege to have the opportunity during this past year to work with our new State Master, Brother Deaver, and the many courtesies extended to me by he and his wife are things that I shall cherish always.

In closing I would like to read this poem from Mr. Davis Director of the Texas Youth Conference.

DON'T BLAME THE CHILDREN

We read in the papers, and hear on the air,
Of killing and stealing and crime everywhere.
We sigh and we say as we notice the trend,
"This young generation, where will it end?"
But can we be sure it's their fault alone,
That maybe a part of it isn't our own?
Are we less guilty who place in their way,
Too many things that can lead them astray?
Too much to spend and too much idle time,
Too many movies of passion and crime.
Too many books not fit to be read,
Too much evil in what they hear said.
Too many juke-joint and too many bars,
Too many hot-rods and rattle trap cars.
Too many reasons for children to roam,
And too many parents who don't stay at home.

Kids don't make the movies, they don't write the books
that paint a gay picture of gangsters and crooks.
Kids don't make the liquor, they don't buy the cars,
They don't make the laws, and don't run the bars.
They don't sell the reefers that addle their brains,
That's all done by older folks greedy for gain.

We're shocked at their morals, amazed at their crimes
and grieve that we live in such perilous times.
By the rule of the blameless the Savior made known,
Who is there among us to cast the first stone?
Remember these words, for oh, they're so true,
The Label "Delinquent" fits older folks too.

Fraternally submitted,
Eve Rowe, Superintendent

REPORT OF CALIFORNIA STATE GRANGE NEWS

The staff of the California Grange News is working to bring you, twice a month, an interesting, informative newspaper, accurately reporting the activities and objectives of the California State Grange, and offering current news of developments in agriculture, in legislation and in other areas of general interest to Grange members. We attempt to present bright pages with full use of pictures to invite and hold reader attention. We are, in part, an agriculture publication and attempt, within limits, to present the full story of California's agriculture. But even more, our goal is to present the continuing story of the California State Grange and its members, in action, and moving forward—in service to their communities as well as in agriculture, and to present this in such a manner that it will be interesting and informative, not only to Grange members but to all others who may, regularly or occasionally, be readers, so that they may be aware and better understand the role of the Grange in California.

The record of how well the Grange News may be succeeding in bringing you the kind of newspaper which best serves the Grange lies in each successive issue of the paper itself. We believe that it is serving well. We are open always to ideas and suggestions. We seek new innovations to make the Grange News more readable and of greater service.

Because of our program of local advertisers, we are able to have a large section in which to give coverage to the activities of the local Granges. We want and welcome these reports on Grange activity and on the special accomplishments of local Grange members. We call again for pictures from local areas that will be of interest to our readers, and we thank all of those throughout the state who are our reporters at the local level.

As you watch the columns of the Grange News you will note that many special features for information and enjoyment are offered as are timely special issues in fields of interest to Grange members. New regular features, for example, are the column "Your World" appearing regularly in the county sections and "Helen Homes" on the Woman's Page both especially written by members of your Grange News staff.

Most important to the California Grange News are our advertisers who provide our most important means of income. We ask that you be aware of these advertisers and that you be responsive to their sales messages, as you can. Tell them you have seen their advertising in the Grange News.

Our intent is to give the advertisers full returns for their advertising investment in the Grange News. This is the reason we conduct the annual Booster Barrel Sales Slip contest for

Grange members—it is fun and a chance to win—for the advertisers it is a “built in promotion program” that costs him only the price of his advertisement. We hope that you will all continue to play “Booster Barrel,” and we hope that you will win.

The “Grange Tours” is an excellent program that was started many years ago by the Grange News and is growing in popularity. Many have taken advantage of these trips—short jaunts and long adventures to other lands in the good company of other Grange members. They offer new horizons to all who take advantage of the opportunities, as those can testify who have taken the Caribbean tour . . . the Canadian Rockies tour . . . or the short Death Valley tour, to name just a few of our last seasons trips. Watch for these tours as they are announced in the Grange News and sign up for one yourself.

Soon to be announced is a special travel club of the Grange News, open on a complimentary basis to all persons who have taken Grange News tours.

I have reported on the plus factors of your newspaper the California Grange News—what it is and what it can be for your organization.

Now I must report on another situation, which without help, could be critical. As is the case of business in general your newspaper must face up to rising costs. Despite the advances we are able to report to you today, your Grange News faces a difficult year. As you can understand, costs have been gradually rising all along the line, yet there have been no appreciable upward changes in income. Coupled with this has been an extremely tight advertising market—and advertising is an area of major income.

The situation demands attention. Means must be found to increase this revenue now. With a slightly increased income the Grange News can sustain not only its present size, coverage and standard of quality, but can continue making improvements to match the growth of the California State Grange.

Without increased revenue now, there is no choice but to make drastic changes, reducing the size of the newspaper, its staff, its appearance, and, of course, its content. It would represent a big step backwards for the California Grange News.

This convention will be considering means to assure that your newspaper, the California Grange News, can continue to move forward. The supporting action, necessary to maintain a growing Grange News, will bring invaluable returns to the California State Grange—now and in the future.

In closing this report, may I say, the staff and I are very grateful for the invaluable guidance and support of the Executive Committee and State Master Deaver, the editor-in-chief. We are grateful, also, to all who have contributed to the Grange News and all who have helped us with their expressions of interest and cooperation.

Fraternally submitted,
 Jack S. Berry,
 Editor and Business Manager

REPORT OF LEGISLATIVE REPRESENTATIVE

Worthy Master, State Officers, Delegates and Brothers and Sisters of the California State Grange:

The affect of the actions or lack of action by the California State Legislature covers a wide scope of daily living for every individual. For instance, the kind and amount of Taxes you pay, the education of your children, the protection of your Home and Property by law enforcement officers, the wages, unemployment, the retirement benefits paid by you and in some cases to you, are only a portion of the broad scope of the Legislative field! Whether it is Fish from the Sea, harvesting crops from the land, Hunting in the Mountains, Rules of the Road for driving on the Highways or "Here come the Judge" every one of us live under the Intent, the Mandates of the Legislature.

So the Grange fills the previous void between the People and the Government and, being a Family Organization, we are concerned with every member of the Family and have available many individual benefits such as Insurance on your Life, Home, Automobile and Health. The G.B.O. saves you money on appliances, fencing and other Farm and Home needs. This is good!

Also the Grange provides for the Youth through the "Youth and Junior Grange Programs."

However, one of the most important services that the Grange provides, not only for its members, but also in the public interest, is the support or opposition to issues or programs that come before every level of government, whether local, county, state and National. We support or oppose Bills and Resolutions during every Legislative Session and at Interim Hearings, according to the policies adopted at the Annual Conventions of the Grange. These are implemented by your Legislative Representative, and as time permits, by your Master, Chester Deaver, presenting testimony before Committees, at Interim Hearings and calling on Legislators in their offices. There is another method known as the "Agricultural Round Table" that has provided more "political muscle" here in Sacramento. This is a group of rural oriented statewide organizations that meet every Tuesday at 7:30 a.m. to discuss the Bills that are set for hearing before committees during the week. The Agricultural Round Table's influence has been such that bills harmful to Agriculture have been defeated or amended so farmers could live with them. Bills helpful for Agriculture have been passed and signed by the Governor.

The Grange, during this Legislative Session, has also cooperated with the Supervisors Association of California on

Tax measures, Local Control Issues and Financial Assistance for the counties from the state. The Subordinate and Pomona Granges are where the votes for the Senators and Assemblymen, to be elected into offices of the Legislature are available for support on important issues. Grange Committees, individual members as well as Deputies have responded in the past when called upon, for letters, telegrams and phone calls to your Legislators, that have helped to Pass Bills out of Committees. You have our thanks for these contacts.

These are invaluable! Now as to the Resolutions presented to this Convention. They were in better shape than ever before, for which Mary Wendt thanks you. The Resolutions Committee studied, discussed, requested additional information on many of the Resolutions from your Legislative Representative and either amended or in some cases wrote new ones to cover several Resolutions. These Committees deserve a real hand!

How can past Resolutions and new ones adopted here in Fresno become the law of the land?

Right now, PROMISE ME, that as soon as you arrive home, you will invite your Legislators to the next Grange meeting, have the meeting "open" or why not "open" at least during the time he can be there. Explain the Grange's position on the Resolutions affecting you, request his support, either to sponsor or co-author a bill to cover the problem or request an "AYE" vote .

Also you can attend meetings where the candidates are speaking, ask their stand on your problems, or phone them for information. CONTACT is the word! Here is an example of what can be done.

The seemingly hopeless case of at least delaying the demise of passenger train service in California and elsewhere in the nation was alleviated through the action taken by a Subordinate and Pomona Grange in Santa Clara County and the testimony given by this local Grange and Master Chester Deaver of the California State Grange of the Sacramento hearing and then on the national level by the National Grange!

Do not become discouraged if a bill fails the first time around! Remember the Imitation Milk Bill took FIVE YEARS and the MILK POOLING BILL, TEN YEARS to become the law of the land!

Another suggestion that could be worked out is to have a special column in the Grange News, "Resolution Column" to report the action (or inaction) taken on Grange Resolutions during the coming Legislative Session. This would not be a day by day blow, which the newspapers, radio and TV

cover, but rather, to report when a bill was introduced covering a particular Resolution, the Committee Hearing date, when and where it was moving in the Legislature. This column would be feasible until near the end of the Session, when the action is FAST. It would then become necessary to phone Sacramento, either the Grange Office or the Legislators office. Be sure to understand the INTENT of a Resolution, as one Senator received many postcards with the word "Eradication" transposed in eradicating the Resolution in place of the Pink Boll Worm.

The 1967 Grange Convention passed 49 Resolutions, some applying only to the National Grange, some went part way through the Legislature, some wound up in similar bills and the rest were never introduced.

Here is a verbal report on the Resolutions adopted: Ag. Conservation, Education, Good of the Order Legislative and Taxation, National Welfare, Transportation and Highway.

Your Legislative Representative is proud to represent the Grange in Sacramento.

Fraternally submitted,
Herman Grabow,
Legislative Representative

REPORT OF SPECIAL COMMITTEE

Worthy Master, Officers and Members of the California State Grange, Greetings:

The Delegate Body meeting in annual session in River-side last October adopted a resolution requesting the State Master to appoint a committee to study the feasibility of changing the present meeting dates of the California State Grange annual session. Adopted Resolution: Page 227, Resolution 79, Good of the Order 17, 1967 Journal of Proceedings.

This committee through the State Master's office, sent a questionnaire to each Grange in the state seeking information on which to base our report.

All questions were important however, three were imperative to secure the needed information.

No. 1—If changed to an earlier date would more young people attend? No. 72—Yes 3.

No. 5—If changed to an earlier date will more members attend? No. 78.—Yes 4.

No. 6—What date do you prefer?

There were 131 votes for the present date and fifteen votes for a change ranging from January to November. Many Granges did not state a preference therefore, we are of the opinion they were not interested in changing the meeting date of our convention.

Basing our report on the information received the committee recommends that the date of the annual session of the California State Grange remain the third Tuesday in October.

We wish to thank the California State Grange for assistance in this matter and the Granges for reporting their views.

Fraternally submitted,
L. H. Harding, Chairman
Alan Turner
Clarence Gray

COTTON COMMITTEE

Worthy Master, State Officers, Delegates, Alternates and Patrons All:

We the members of the Cotton Advisory Committee met several times this past year. We endorsed the eradication program, which calls for plowing under all cotton stalks by January 10th.

Herman Grabow, Legislative Representative, was present and presented testimony before the Senate Agriculture Committee supporting the eradication program.

We also recommended to Earl Coke, Director of Agriculture, that private cotton seed breeders be allowed to develop a better wilt resistant cotton within the 1 variety strain of cotton.

Respectfully submitted,
STATE GRANGE COTTON
ADVISORY COMMITTEE
Jack Kilette, Chairman
Alfred Utt
W. A. Nelson
Edgar Wheat
Fred Garrison
Paul Kelley
Orban Savage

REPORT OF THE ADVISORY COMMITTEE ON TAXATION CALIFORNIA STATE GRANGE

Worthy State Master, Members of the Delegate Body, Patrons And Friends:

The Advisory Committee on Taxation brings before you its annual report and recommendations.

The State Legislature struggled for almost eight months for some sort of tax reform or tax relief to no avail. The Governor, County Supervisors and the Grange fought long and hard for legislation to give property tax relief to local government. The legislature, the Governor and other interests could not find a workable tax program that the majority was agreeable to.

A.B. 149 by Assemblyman Veneman died in the closing days of the legislature. The Watson amendment now commonly known as Proposition 9 on the ballot qualified by petition to be on the ballot.

Governor Reagan called the legislature back into special session during the Veto session to again consider tax relief for local government.

The legislature, after compromises from both branches of the legislature and the Governor's office passed Senate Constitutional Amendment No. 1 of the special session—now known as Proposition 1A on the November ballot.

The Advisory Committee studied and considered both measures that will be on the ballot on November 5th and found no solid definite indication that real property tax reform or relief could be attained by either measure. Proposition 9 would propose to limit taxes to 1 per cent of market value to be used to finance property related services. Schools, Welfare and other services required to keep our economy and standard of living moving forward—to keep up with a fast growing state, would require a massive tax shift. Language in Proposition 9 is such that courts, not the people or their elective representatives, will decide how Proposition 9 is to operate if it passes.

Proposition 1A would exempt from taxation \$750 of the assessed value of a dwelling occupied by an owner thereof would give 15 per cent reduction on business inventory tax and no overall tax relief for property as such.

The Advisory Committee asks that you reaffirm the recommendations as presented last year, to wit:

Tax exemptions, special tax depreciation, oil depletion, so called religious exemptions in the broadest term, tax write-offs, from one profitable business to a capital gains business, and many other tax gimmicks only add to the property tax especially to the home owner and the family sized farm.

Assessments. The art of assessing has become a college degree nightmare. Values have no relation to realistic values; values have no relation to ability to pay. They are not based on true historical values. Assessing should be based on common knowledge such as usage, past, present and future.

FARM LAND

1. Should be assessed at a fair market value of what it will produce in crops common to the area.
2. Agricultural land should not be assessed as subdivision land—unless it is idle strictly for speculative purposes.

RESIDENTIAL PROPERTY

1. Should be assessed on a cash market value instead of a false market value, the difference being in an all cash deal, as opposed to a small or no down payment.
2. Single family home owners should not be penalized on assessments for major repairs or upkeep, such as painting, roofing and improvement of their properties.
3. The property owner using it as a home should not be assessed except as such, regardless of zoning.
4. Household furnishings and personal effects should be exempt from taxation.

BUSINESS INVENTORY

1. Should be assessed on average of previous year.

SPECIAL DISTRICTS

There are approximately 5,700 special districts in California. The rapid expansion of these special districts with broad taxing powers has become a serious contender for the California taxpayer's dollar. The overlapping of special districts should be eliminated, and where possible, consolidated.

There are many avenues of services now being rendered at the request of people that great tax savings might be affected by a review of the following:

TAX EXEMPTIONS:

Tax exemptions in California now have reached approximately 2 billion dollars. It is the feeling of the Committee that this is the time to re-examine and re-evaluate its impact on the total tax structure.

THE ABUSE OF WELFARE, POVERTY PROGRAM AND SPECIAL ASSISTANCE PROGRAMS.

Everyone wants to relieve poverty, ignorance, crime, disease and all the manifest afflictions of society, but the mere appropriation of additional billions in public funds will not answer all needs.

In the space of 20 years, the total expended by tax supported agencies for so-called public relief programs has increased 266 per cent. In 1940, there were 891,000 people receiving this relief assistance—the 1966 figures total 5,660,000. Programs of unlimited disbursement of tax collected funds encourage a way of life which breaks down the moral fibre of any great nation. Today, we find 1 out of 10 households fatherless and in certain minority groups, 1 out of 4. If this trend continues, by 1972 we can expect 1 out of every 12 children born in these United States will be illegitimate, and also in certain groups, 1 out of every 4 will bear the stigma of illegitimacy.

It would seem that the best recommendation would be to ask for a complete Congressional study of the whole Welfare Program that would hopefully upgrade the recipients of aid to become self sufficient.

FEDERAL AND STATE AID

Consideration should be given to any demands made for State or Federal aid.

False economy exists if a taxpayer believes that he does not have to pay for "assistance" obtained from the State and Federal Governments.

We recommend a study be made to determine if it is economically sound that, for example, a district must be bonded to the limit before certain percentages of aid can be obtained from the State or Federal Governments.

The Grange has for many years favored local Government operating its own affairs with a minimum of outside assistance."

Economy in Government must be practiced—each citizen should know that every service provided, costs money.

EDUCATION

Approximately 50 per cent to 60 per cent of your property tax dollar goes for education.

Over 50 per cent of the State Budget goes to education.

No one should deny the opportunity for education to anyone who can reasonably assimilate it. Dollars cannot provide a true education. Determination, ability, sincere desire, plus a real willingness to advance, should be part of the criteria to determine the necessity of further education.

Taxpayers should not be obliged to pay the bill for those who take advantage of our educational system year after year, those who seek to tear down our Democracy.

We must in our efforts to provide the necessary tax dollars for education, insist that rigid business practices be applied—basic fundamentals must be taught in the elementary schools. Responsibility, respect and discipline should be emphasized in the school as well as the home.

SUMMARY: The Tax Advisory Committee has presented some of its views and statements relative to the complex field of our tax structure. We urge that:

1. Every taxing authority use all the care entrusted in them to prudently provide the necessary tax money for the reasonable operation and duties required.
2. Social programs at all levels be directed towards self-determination to enable self-sufficiency.

3. Education be made the responsibility of the student, the parent and the school rather than self-creativity of a loosely run self-imposed student with no discipline, no respect and no allegiance to himself or his fellow man.
4. Each business corporation or enterprise should be taxed separately and apart to prevent tax dodging and tax write-offs.
5. That more realistic assessment practices be applied—as outlined in our report.
6. That a real in-depth study be made of an overall gross transaction tax of $\frac{1}{2}$ of one percent of all services and transactions, to broaden the tax base.
7. Consideration of withholding tax to be applied for all enterprises in California, including farmers.
8. The property tax base has reached its limit be it the home, the farm, personal property, business inventories or business property, a broader and more equitable tax base must be found to better provide the vast amount of money so necessary to carry out and perform the day to day operations and functions of a growing economy geared to our standard of living as we know it today.

**GRANGE INSURANCE ASSOCIATION
REPORT FOR CALIFORNIA STATE GRANGE SESSION**

October 17, 1968

Worthy Master, Brothers and Sisters:

Again, it is Connie's and my great privilege to attend your session, participate in its pleasures and serious work, and renew friendships and make new ones.

Your GIA continues to meet successfully the challenges of a rapidly changing industry and to fulfill the purpose for which it was organized, supplying cooperatively many of the insurance needs of the Grange members in seven western states. Brother Arnold T. Millner, our highly regarded California Resident Vice President, keeps you well informed, but I will summarize by saying that the Association's growth continues at a rate of 14.5 per cent. Assets are now over \$15 million, with surplus of \$5.2 million.

Premiums written now are almost \$1 million per month for a total of \$5.8 million in the first half of 1968. Losses averaged 49.9 per cent, but in automobile averaged 56.9 per cent and in California were 49.8 per cent. One place where we're finding our losses excessive (and our rates inadequate) is in comprehensive and collision coverages, especially in the under-age driver group.

After losses and adjusting expense of 59.2 per cent and commissions and general expense of 28 per cent, the remaining 12.8 per cent amounts to \$680,720 in underwriting savings (other companies call it profits) for the first half of 1968. Thus, the year promises close to a \$1½ million revolving refund in 1973. California, writing \$1 million, will receive one-twelfth of this or \$125,000. Under our bylaws, revolving refund payments are uniform in all states, irrespective of losses in a particular state.

In comparing our operating report with the reports of other insurance companies, I can only conclude that our consistently better results while selling at low market and returning substantial savings to our members can be attributed largely to the type of people we insure, their fraternal cooperative attitudes, their feeling of participation and ownership. Also, I believe we use two superior screening devices not available to other companies: The investigating committee and the ballot box on the altar in the Fourth Degree.

The Board and management of Grange Insurance have a keen appreciation of the need and value of the close bond the Association has with its parent, the Grange. We will continue to so operate that this pleasant and mutually profitable relationship will continue.

We are pleased with our growth and the excellent business and fraternal relations we have in California with the State Grange and with GIA of California. We also compliment you on your Grange membership growth, reflected in this check for \$2000.

Again, I wish to express my great pleasure in being here with you and of your Association's appreciation of our relationship.

MILEAGE AND PERDIEM REPORT

1968 Fresno, California

AGRICULTURE COMMITTEE REPORT

Worthy Master, Officers and Delegates of the California State Grange:

We, the members of the committee on agriculture, have completed presentation of resolutions submitted to us for study and recommendation.

It has been a great privilege and educational experience to serve as your committeemen on agriculture this 96th Annual Session of the California State Grange. We sincerely thank all those who met with us for their interest and help in our work.

The committee goes on record as endorsing the Worthy Master's address.

Reporting on my own behalf, I could not complete this work without commenting upon the interest towards agriculture in our organization. I speak in reference to the declining number of resolutions presented concerning agriculture at our California State Grange convention. Agriculture is California's and the United State's largest and most vital industry. Agriculture has come a long way in skills and technology but the road's end remains out of sight before us. We must be willing to change to meet the terrain ahead. Agriculturists must preserve and never give up hope. We must analyze what we have done and where we have been but always keeping our eyes forward, for it is true that we are our grandparent's grandchildren, but we are also our grandchildren's grandparents.

Fraternally submitted,
 Lowell G. Krumm, Chairman
 Hugo V. Wild
 Paul Preston
 Ernest E. White
 J. E. Maryfield

REPORT OF THE COMMITTEE ON CONSERVATION

Worthy Master, Officers, Delegates and Brothers and Sisters of the California State Grange:

The members of the Committee on Conservation at this Session, acting as a Recommending Committee to this Delegate Body, are pleased to have been able to complete their assignment relatively early in the session.

This was made possible in great measure by the clarity in which the Resolutions assigned to us were stated—sufficient detail for us to recognize the inequities, and conservative in their requests whereby it was not difficult to grant them.

We wish to express our appreciation to all who contributed their information and knowledge on those subjects which we questioned. This too, made it possible for your Committee to function in your best interests.

When speaking or thinking in the terms of "Conservation" we automatically envision our lands, our waters, our natural resources which are necessary to the survival of a vital and aggressive nation. Let us for a moment think of "Conservation" in broader and in basic and simple terms—namely the "putting aside" or "saving" interpretation.

We are admonished in the Bible to "put aside in the days of plenty as against the days of famine"—and there can be "famine" in other things than food, to which this admonishment applied, and using this interpretation in the Legislative Halls of our Order, let us be thoughtful, sincere, firm but not arbitrary, put forth integrity in the things we advocate. Let us not fritter away on trivial involvements our "words of plenty," and then find when the vital issues of our freedom are at stake, we are in the days of famine, and have no words left to preserve the things which we hold most dear—all of our freedoms as given to us by both God and Man—which were intrusted to us for use and preservation for all men.

We are in full accord with all sections of the State Master's Address through which the strains of "conservation" in its broadest sense is urged, and we consider it a distinct honor to have served your Delegate Body. My personal appreciation is extended to all the members of this Committee for their harmonious and constructive action.

Fraternally submitted,
Meredith Painter, Chairman
Earle Harper
Domingos Ferriera
Eugene Reese
Virgil Harp

EDUCATION COMMITTEE REPORT

Worthy Master, State Officers, Delegates, Alternates, and Patrons All:

We the members of the Education Committee having completed the assignments given us, wish to express our pleasure for the honor of having been permitted to serve in this capacity at this 96th annual session of the California State Grange.

The resolutions as submitted were considered with careful deliberation, and we extend our sincere thanks to Brother Herman Grabow and those others who gave of their time and knowledge to assist us in our work.

The chairman in expressing his personal gratitude for the privilege of having been allowed to work with such an excellent, dedicated committee regrets only that more resolutions were not presented for study and action, and it is fervently hoped this situation will be rectified at the 97th session.

The committee goes on record as being in accord with that portion of our Worthy State Master's address relative to education.

Fraternally submitted,
Francis Holland, Chairman
Ed Whitson
Mildred Brown
Mary Lou Comstock
Frank LaRoza
Byron Kearne

**EDUCATION COMMITTEE REPORT TO THE NINETY-SIXTH
ANNUAL SESSION OF THE CALIFORNIA
STATE GRANGE**

One has but to read a daily paper, listen to a radio or watch a TV news broadcast to be made aware of the fact we face matters of great concern in the field of education.

However basically, the principles for which our great fraternity stands are sufficient to enable us to assume the roll of active participants in matters concerning our schools and education at the local level. Probably the greatest problems we face in the world today are ignorance and apathy, and it is difficult to say which is the forerunner.

The challenge has been presented. There is no other organization on the American scene today more capable of gradually assuming the stabling roll of leadership as does the Order of Patrons of Husbandry.

Each and every Subordinate and Pomona Grange should have a *working* education committee—a committee that will *get the facts* and report them back to the membership for appropriate action. In order to be effective, recommendations, suggestions and action on the local level must be accomplished.

Get The Facts, and Make Them Known

Not only can the Grange spearhead action in the field of education, but also can encourage and enlist the aid of other fraternal groups in this endeavor.

Generally speaking, members of our order are not only welcome at school board meetings, but are oftentimes given the respect accorded a visiting dignitary, and frequently are called on for comments and advice. The inherent publicity which follows is of inestimable value to our order.

On the local level we can encourage, and work with youth related groups, such as 4-H, FFA, Scouting groups, Little League, and our own Junior Granges and Youth Groups. Ideas and suggestions, together with the results of successful programs can be reported to the education committee chairman to be passed on to our membership. For a better dissemination of information, Brother Jack Berry has offered space in the Grange News for an education committee column, which, it is hoped, will eventually prove to be a permanent one.

Step by step we weave the pattern proving our interest and concern in educational matters.

There is work to be done. The time is now. Frequently our endeavors will be centered around things we oppose, however we should work with equal zeal for those programs we wish to support. All too frequently there is a let-down in those things we support, even if it is the most worthy project of the year. The inclination is to feel that "George" will do it, and "George" is probably thinking that someone else would do it.

A Grange on the move "gets the facts, then acts." In addition to Grange participation, we must urge our members to a greater awareness. Whenever we read an article in the paper we find objectionable (and this is not a difficult task today) we should write to our legislators voicing our opinions, and why we feel the way we do. It has been my experience that letters to the State Superintendent of School, and the State Board of Education have oftentimes returned less than desirable results. However, even this attitude can be changed . . . be changed by a vigorous, active aggressive attitude .

In keeping with the glorious heritage and traditions of our Order, I am confident the coming year will prove fruitful and produce some effective progress in the field of education.

Keep those cards and letters coming in, folks. It has been a real pleasure and honor to have served in this capacity this past year.

Respectfully submitted,
Francis B. Holland, Chairman
Education Committee

ELECTION COMMITTEE REPORT

Worthy Master, Officers and Delegates:

We of the Elections Committee wish to thank you for the opportunity to serve the State Grange Members. We have served the members to the best of our abilities and I wish to thank all the members who served with me.

Fraternally submitted,
Dave Thomson, Chairman
Pearl Zeck
Alex McAllister
John Tendeland
Don Comstock

LEGISLATIVE AND TAXATION COMMITTEE REPORT

Worthy Master, Officers, Delegates and Members of the California State Grange:

We, the members of this committee, have now completed the task of examining the resolutions concerning Legislation and Taxation of this 96th session of the California State Grange.

We sincerely thank all those who furnished this committee with information and facts which helped immensely in our deliberations.

We would urge all patrons to contact and communicate with your elected representatives, keep informed on all matters in legislation, and by all means make your wishes and needs known to them. *They work for you.*

We concur with the remarks of the State Master in his address and make them a part of this report.

It has been a pleasure and a great honor to serve you at this session.

Fraternally submitted,
Mario Stefani, Chairman
G. H. Brown
Harry T. Simons
Forrest Burns
Leo A. Plympton

REPORT OF THE COMMITTEE ON NATIONAL WELFARE

Worthy Master, Officers, Delegates and Members of the California State Grange:

The members of the Committee on National Welfare at this Annual Session, acting as an Advisory and Recommending Committee to the Delegate Body, have completed their review of the Resolutions assigned to them, and have conscientiously endeavored by their recommendations to preserve the intent and request of the authors, and equally preserving the basic principles of democracy and integrity of our Order.

We wish to express our appreciation to Brother Bob Fredrick, Legislative Representative of the National Grange, for securing and reporting the current status of Resolutions involved in Legislation at this time, thereby enabling us to make such revisions as to reflect the existing facts.

We also wish to express our appreciation to Brother Herman Grabow for his interest and suggestions in those Resolutions dealing with State Legislation.

In these times of extremism in all areas of our National Society, it should be our abiding resolution to exert every opportunity to make the improvements we believe are necessary through the full use of our right of individual ballot; to work toward and support every constructive effort to rebuild the weak spots in our government structure, using those sections of the State Master's Address as a guide, and fully approving of his recommendations.

As an admonition, we quote from the Preamble to the First National Grange Constitution, adopted on January 9, 1873 and which has never been changed—quote

To those who read aright, history proves that in all ages society is fragmentary, and successful results of general welfare can be secured only by general effort. Unity of action cannot be acquired without discipline, and discipline cannot be enforced without significant organization.

It has been a pleasure and privilege to serve, and I wish to express my personal thanks to the members of this committee who so ably judged the assignments and made their recommendations accordingly.

Fraternally submitted,
Florence McDougall, Chairman
Ray Cramer
Arne Hansen
Washington Mannering
Edwin Terrell

TRANSPORTATION, ROADS AND HIGHWAYS REPORT

Worthy Master, Officers, Members of the Delegate Body and Patrons:

We the members of the Transportation, Roads and Highway Committee have completed the work assigned to us to the best of our ability.

We sincerely thank all of those who furnished this committee with information.

We appreciated this opportunity to serve the Grange at this convention.

Fraternally submitted,
Robert G. Null, Chairman
Everett E. Chapin
Otto Busch
Edward R. Hoch
Clarence Hynes

**RESOLUTIONS PASSED AT 1968 ANNUAL CONVENTION
CALIFORNIA STATE GRANGE****Fresno, California, October 15-18, 1968****AGRICULTURE**

- No. 1 "Resolution Relative to the Burning AGRI. 1
 of Agriculture Waste"
 LIVE OAK GRANGE No. 494

WHEREAS: Burning is used as an economical way of disposing of agriculture waste, and

WHEREAS: In studies made by University of California Agricultural Extension Service and the Statewide Air Pollution Research Center it has been found that (a) The total hydrocarbons emitted from burning of agricultural wastes is relatively insignificant when compared to the total hydrocarbons from other sources. (b) Agricultural burning is highly seasonal with most of it being done during the period of low oxidant level. (c) Agriculture has adopted alternative methods to open burning for disposal of waste and will continue to do so as economically feasible methods are developed,

THEREFORE, BE IT RESOLVED, that the California State Grange oppose vigorously any legislation which will prevent the burning of agriculture waste.

- No. 4 "In Favor of Amending 1937 AGRI. 4
 Marketing Agreement Act Relative
 to California Plums"
 VACAVILLE GRANGE No. 575

WHEREAS: California plums have been heavily planted in recent years and a normal crop now exceeds 100,000 tons, and

WHEREAS: It is necessary to invoke marketing order quality and size controls which divert from the fresh market plums of small size and those which are affected by grade defects, and

WHEREAS: These controls serve to create a large pool of cull fruit available only to processors which is often sold to them for less than \$10.00 per ton, a price which fails to recover any of the cost of production, and

WHEREAS: So long as there is a large captive supply of the raw product, processors will never have to pay fair prices for processing plums,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the Agricultural Marketing Agreement Act of 1937 be amended to permit quality and size controls for California plums destined for processing to the end that growers may develop an additional outlet for plums of good quality and size with consequent benefits not only to them but also to the consumers of the finished product.

No. 5

"Relative To Government
Agricultural Subsidy Payments"

AGRI. 5

PRESCOTT GRANGE No. 519

WHEREAS: It appears that Federal government agricultural subsidy payments are excessively high, and

WHEREAS: There is no justification for the extremely high subsidies, most of which are paid to agricultural corporations, and

WHEREAS: Senator John J. Williams, Senator from the State of Delaware, is urging an individual subsidy limit of Ten Thousand (\$10,000) Dollars, a proposal which Congress has consistently rejected in recent years,

THEREFORE, BE IT RESOLVED, that the California State Grange go on record as being in favor of Senator John J. Williams' proposal to limit individual agricultural subsidies to Ten Thousand (\$10,000) Dollars.

Following Granges Concur:

Stanislaus County Pomona Grange No. 21

No. 7

"Resolution on Dairy Imports"

AGRI. 7

DAIRY ADVISORY COMMITTEE

WHEREAS: The QUOTA SYSTEM of allocating foreign imports of Dairy Products in the form of Butter, Cream, Cheeses has been evaded, and circumvented for example, when the yearly QUOTA of five million pounds of 45 per cent frozen cream was fulfilled in five months, frozen cream continued to flood the cream market by lowering the test to 44 per cent since this was not covered in the Quota, and

WHEREAS: Under the "Most Favored Nation Clause" an increase in the Quota of one nation automatically increases the Quota of other nations, and

WHEREAS: Foreign dairy imports not only cost our domestic producers valuable domestic markets, but contributed to our national balance-of-payments deficit extra millions of dollars, and

WHEREAS: Since the excessive import of dairy products displaces domestic dairy products in the market place, the U. S. price support program is, in reality, supporting, not U. S. dairy producers but foreign producers,

THEREFORE, BE IT RESOLVED, that the California State Grange actively support the passage of the "Dairy Import Act" which would effectively close loopholes now open, because the imports would be based on butterfat and nonfat milk solids instead of on the product-by-product basis, and to request the National Grange to actively support this Resolution.

No. 8 "Resolution on Fish Protein" AGRI. 8
DAIRY ADVISORY COMMITTEE

WHEREAS: The U. S. Food and Drug Administration has approved the sale, for human consumption, of "Whole Fish Protein Concentrate" which is another name for whole ground fish with heads, tails, fins, viscera and intestinal contents included, and

WHEREAS: This "Whole Fish Protein Concentrate" could replace non-fat milk powder and edible fish flour (from which heads, tails, fins, viscera and intestinal contents have been removed) which are produced under high sanitary standards on a basis of price,

THEREFORE, BE IT RESOLVED, that the California State Grange go on record as opposing the lifting of any of the requirements on edible fish flour; that it be composed only of fish meat with the heads, fins, viscera and intestinal contents removed and to request the National Grange to actively support this Resolution.

No. 10 "Opposing Boycott of California Grapes" AGRI. 10
CLOVIS GRANGE No. 536

WHEREAS: The United Farm Worker's Organizing Committee headed by Cesar Chavez, has attempted to strike California table grape growers, and

WHEREAS: In so attempting to strike, the UFWOC has intimidated and coerced other workers who are satisfied with working conditions and wages of the grape growers, and

WHEREAS: The UFWOC has further enlisted the aid of Eastern labor unions and church groups in attempts to convince New York chain stores not to buy and stock any California grapes, and

WHEREAS: This so called "Boycott" of California grapes now involves table grape growers, many of whom could be forced out of business or into crops other than grapes and which in turn would put an end to jobs for many workers, if present UFWOC tactics succeed, and

WHEREAS: Such a practice could spread to growers and workers of other perishable crops if markets can be denied one commodity,

THEREFORE, BE IT RESOLVED, that the California State Grange voice its opposition to the tactics of the UFWOC in that the growers be not forced into recognizing unions that their workers do not want, and that the California State Grange use all its influence to strongly and vigorously oppose the boycott of California grapes.

No. 73 "Opposing the Importation of Dairy Products and the Blending of Said Products and Not Being Properly Labeled as Such" AGRI. 12

ELK GROVE GRANGE No. 86

WHEREAS: It is a matter of public record many dairy products are being imported into the United States, and

WHEREAS: Such products are either sold to the consuming public as is, or being blended with local brands, and

WHEREAS: The dairy products so mixed or blended do not bear labeling as such or the percentage of the blend or the place of origin, and

WHEREAS: Proper labeling clearly stating contents, place of origin, inspection and labeling at port of entry, sanitary conditions if any, where produced are all protective measures the consuming public is entitled to,

THEREFORE, BE IT RESOLVED, that the California State Grange request the National Grange to support any additional legislation needed for proper inspection and labeling of imported dairy products.

No. 74

"Opposing Closure Of Plant
Quarantine Inspection Stations and
Urging The Same To Be Continued"

AGRI. 13

AGRICULTURE COMMITTEE RESOLUTION

WHEREAS: The cost of preventing pest infestation by discovery at border inspection stations is minimal when compared with the disastrous affect and cost to California presently recognized as the richest agricultural state in the nation; that such costs may include permanent damage to various crops and increased cost of production both in manpower and insecticide or pesticide materials expended for the control or eradication of the pest; that such cost sustained by the producer and ultimately by the consumer adversely affects the economy of California, and

WHEREAS: The population growth in California and the resulting increase in interstate automobile traffic intensifies the danger of introducing said pests harmful to California crops, urban residences, National Forests and recreational areas; and high yields of food crops remains the first priority of the food problem, and

WHEREAS: Assembly Bill 445 was introduced in the 1967 legislative session proposing to close the Plant Quarantine Inspection Stations situated along interstate highways at various California border locations. The California Department of Agriculture has proposed a plan phasing out all border inspection activity over a five-year period, and

WHEREAS: It is reasonably anticipated that the closing of said border inspection stations would result in the entry of various pests as defined under Section 5006 of the California Agricultural Code and further identified in Title 3 of the California Administrative Code; that said pests, among others, include various forms of noxious weeds, insects, viruses and bacteria which may result in irreparable harm to California, and

WHEREAS: Our current annual expenditures of \$1,300,000 for border station maintenance is protecting agriculture from an annual potential loss conservatively estimated at \$183,000,000, and

WHEREAS: The expense of adequate detection and eradication programs at the county level will increase excessively,

THEREFORE, BE IT RESOLVED, by the California State Grange that it urge the California Department of Agriculture continue the Border Quarantine Station Inspection Program for the reasons more particularly set forth above.

No. 88 "Relative to World Farm Center" AGR. 14

AGRICULTURE COMMITTEE RESOLUTION

WHEREAS: The business of agriculture is a basic industry vital to the economy and sustenance of the United States of America and the entire world; and

WHEREAS: The development of techniques, research and procedures for the improvement of the agricultural industry is necessary to the well-being of the farmers and consumers of farm products; and

WHEREAS: World Farm Center advocates from all segments of the agri-business industry are cooperating in the founding of a World Farm Center at Ontario, San Bernardino County, California, as a service organization which is designed to—

(1) serve as an agricultural "clearinghouse" and marketing information center;

(2) encourage, assist, and cooperate in agricultural research programs with universities, governmental agricultural agencies, and private agencies;

(3) develop the site of World Farm Center as a manufacturing and/or demonstration and display center for all types of agricultural machinery and equipment;

(4) establish prototype agricultural enterprises for display and production;

(5) establish a convention center for agricultural organization meetings;

(6) engage in other service and educational functions which will advance the agricultural industry;

(7) establish a center for offices or companies, associations, governmental and others; and

(8) improve public relations between agriculture and the general public.

THEREFORE, BE IT RESOLVED, by the California State Grange in 96th Annual State Session convened at Fresno, that the concept of World Farm Center be seriously studied as a means of furthering the advance of agriculture in California and the United States.

CONSERVATION

- No. 15 "Opposing Governor's Special Task Force Proposed Modification of 160-Acre Limitation of Federal Reclamation Law" CONS. 4

CHICO GRANGE No. 486

WHEREAS: Evaluations continue to be made of the recommendation of the Governor's special task force proposing modification, of the 160-acre limitation of the Federal Reclamation Law, and

WHEREAS: In reviewing the task force report and the recommended bill, it would be our judgment that, instead of an amendment, this bill would constitute repeal of the acreage limitation provision of the Reclamation Act, and

WHEREAS: The intent of the acreage limitation imposed within the act is to provide a means of assuring equitable benefits to the many farmers from federally-financed reclamation projects, and to preclude disproportionate benefits accruing to the few owners of large holdings. We believe the principle is as sound today as when it was enacted into law,

THEREFORE, BE IT RESOLVED, the task force's proposed modification, permitting excess acreage to qualify for reclamation water through supplemental payment, would in effect, destroy the acreage limitation provision. It is contrary to the intent of the Reclamation Act. We stand firmly opposed to this proposal,

BE IT FURTHER RESOLVED, the California State Grange recommends no change should be made in the 160-acre limitation provision at this time, especially taking into consideration that, because of the California Community Property Law, the actual limitation is 320 acres for husband and wife.

- No. 16 "Relative to Saving Food Producing Agricultural Lands" CONS. 5

NEWPORT HARBOR GRANGE No. 776

WHEREAS: The population increase in Southern California, particularly in Orange County, in the past 10 years has established an unprecedented national record, and

WHEREAS: Industry is continuing to be solicited to establish in this area, which will bring with it still more people and will require still more land on which to settle, both industrially and residentially, as well as requiring provision for additional fast highways, and

WHEREAS: At the present time every public facility is taxed to the limit to provide necessary services for these people and industries, and

WHEREAS: These additional expansions must take over prime agricultural land to situate in prominent, strategic locations, and

WHEREAS: This valuable land, primarily agricultural food-producing acreage, once removed and placed under industrial, residential, and highway development is lost forever for productivity, and

WHEREAS: The 1967 Orange County Grand Jury in its closing reports stressed most emphatically that we must face the responsibility of providing food for the future by conserving our greatest natural resource, our prime food-producing agricultural land, admitted to be the richest in the world, and which we are destroying at an ever increasing, alarming rate, and

WHEREAS: Not only this 1967 Grand Jury, but previous Juries have voiced deep concern over this vital subject, however, their warnings apparently have not been heeded since the destructive removal of this land still continues in favor of the so-called "asphalt jungle," and

WHEREAS: While this situation is spotlighted in the Southern California and Orange County area particularly, it also is prevalent in all areas of California, and in various other agricultural, horticultural, and forest producing States throughout the United States, and

WHEREAS: The seriousness of a continuance of past action in destroying the productivity of the land is such that there is no longer time for wishful hoping but vigilant and concerted action must be initiated if this land is to be saved,

THEREFORE, BE IT RESOLVED, that the California State Grange go on record as demanding that there be greater study and consideration, at all levels, toward saving this prime food-producing land as against its replacement by large industrial, residential, and highway development with all of their associate problems and requirements, and stress instead the development of less valuable lands,

BE IT FURTHER RESOLVED, that the California State Grange take the lead and invite and urge all other Agricultural Associations to stress and work toward this extremely important need to save our food-producing lands for the future, and to bring to bear all of their influence at all levels of authority and government when and where there is eminent danger of further permanent removal of this land from productivity.

No. 17

"Dos Rios and English Ridge
Water Project"

CONS. 6

MENDOCINO COUNTY POMONA GRANGE No. 10

WHEREAS: The Corps of Army Engineers has proposed a high level dam at Dos Rios, and

WHEREAS: The California State Water Resources Committee have proposed a so-called grindstone tunnel to the Sacramento Valley, and

WHEREAS: This would not materially benefit Mendocino County but would create a hardship, and

WHEREAS: The Bureau of Reclamation have approved the English Ridge high level dam, and

WHEREAS: The English Ridge dam would be routed through Lake County and Clear Lake, and

WHEREAS: This southerly route would definitely benefit Mendocino and Lake Counties, and

WHEREAS: This would benefit Little Lake, Potter Valley, Redwood Valley and Ukiah Valley,

THEREFORE, BE IT RESOLVED, that the California State Grange urge that Mendocino County Board of Supervisors vigorously support the high level English Ridge dam and a low level Dos Rios dam, all routed southerly through Clear Lake.

No. 18 "Relative to Development of Flood CONS. 7
Control and Water Conservation Dams"

MONTEREY COUNTY POMONA GRANGE No. 17

BE IT RESOLVED, that the California State Grange urge the Board of Supervisors of Monterey County to support the Pajaro Valley Flood Control; in the building of dams on rivers and streams flowing into the Pajaro River; as this will provide water conservation, recreation and flood control.

No. 19 "Relative to Tax Supported CONS. 8
Public Utility's Districts"

SAN DIEGO COUNTY POMONA GRANGE No. 35

WHEREAS: Privately owned Public Utilities are regulated by the Public Utilities Commission, and

WHEREAS: Before any change in rates or service, a public hearing must be held and all interested parties be heard, and

WHEREAS: A tax supported Utilities District has a free hand to increase taxes, rates and policies of service, without public hearings or appeals from the consumer,

THEREFORE, BE IT RESOLVED, that the California State Grange go on record, through State Legislation or existing commission, to regulate tax supported Utility Districts in the same manner as privately owned Public Utilities, and that 30 days prior to contemplated changes, the public be notified of the place and time of such a meeting.

No. 20 "Relative to Cutbacks in Yosemite CONS. 9
National Park"

MERCED COLONY GRANGE No. 527

WHEREAS: Press reports indicate federal cutbacks and elimination of certain services which have been enjoyed by the American and foreign tourist for so many years within the confines of Yosemite National Park are about to be discontinued or altered, and

THEREFORE, BE IT RESOLVED, that the California State Grange protests any cutback of services as now provided by National Park Service, including the Historic Firefall and Wawona Golf Course.

KONOCI GRANGE No. 755

WHEREFORE, BE IT RESOLVED, that the California State Grange does hereby give formal expression of its objections to the Glenn County routing of the Eel River, and that the aforementioned agencies be requested to reverse their decision of the Glenn County route and endorse the Clear Lake route instead.

EDUCATION

No. 24 "Relative to Educational Program" EDUC. 2

SAN MARCOS GRANGE No. 633

WHEREAS: There is an evident need for a means of curbing high school drop-outs, and

WHEREAS: There is an apparent need for job training courses in high schools currently offering college preparatory and business courses, and

WHEREAS: California has not met this need in its present school program, and

THEREFORE, BE IT RESOLVED, that the California State Grange sponsor legislation to include a program such as this in the public schools of the State of California.

No. 75 "In Support of Proposition No. 6 EDUC. 5
On November 5th General Election Ballot"

EDUCATION COMMITTEE RESOLUTION

WHEREAS: The broad effect of a recent California Supreme Court decision will result in a discriminatory tax on the retirement programs of independent colleges and universities while not affecting the retirement programs of State-supported institutions, and

WHEREAS: Independent colleges and universities in California educate 25 per cent of all college students at a savings to taxpayers of millions of dollars annually, and

WHEREAS: Historically the retirement programs of teachers and administrative employees of California's colleges and universities have not been subjected to State premium taxes, and

WHEREAS: The Grange recognizes the need for recreation for all of its members, and the need for family "togetherness."

THEREFORE, BE IT RESOLVED, that the Executive Committee of the California State Grange, or whomsoever they may designate, make a study of the feasibility of establishing such regional recreational area camps to further the California State Grange as a Family Organization.

No. 33 "Relative to Increasing Grange Membership" G. of O. 7

BERRYESSA GRANGE No. 780

WHEREAS: Many older organizations are set, inflexible and cannot function effectively in our rapidly changing society and are destined to disappear from our society, and

WHEREAS: The Grange is too valuable and beloved to be discarded by the world, and

WHEREAS: Youth must be enlisted in large numbers by their own desire or inspiration or by modern goals and hopes,

THEREFORE, BE IT RESOLVED, that the California State Grange make a serious research study project on this subject and intensely pursue this vital course of action in light of the findings.

No. 35 "Favoring 'In Memoriam' Space in California Grange News" G. of O. 9

ESCALON GRANGE No. 447

WHEREAS: Grange members form many warm fraternal friendships throughout the State, and are often uninformed through the news media when members pass away; thus sometimes causing embarrassment and pain,

THEREFORE, BE IT RESOLVED, that an "In Memoriam" space be provided in the California Grange News,

BE IT FURTHER RESOLVED, that the Secretary of each Subordinate Grange report the name, date of death, and name of Subordinate Grange to the State Chaplain, who will in turn, compile and forward this information to the Grange News.

No. 36 "Relative to Youth Program Material" G. of O. 10

SAN MARCOS GRANGE No. 633

WHEREAS: There is a very evident need for better dissemination of material pertaining to youth activities, and

WHEREAS: It is recognized that the National Grange is understaffed, and

WHEREAS: This could be better, more rapidly, and efficiently distributed by each State Grange, and

WHEREAS: The cost of postage would be greatly reduced,

THEREFORE, BE IT RESOLVED, that the National Grange forward photo ready copies of National Grange youth program material to each State Grange Headquarters for their duplication and distribution as needed.

- No. 77 "Invitation for the National G. of O. 19
Grange to Convene in the State of California on
Their 107th Annual Meeting"

SACRAMENTO COUNTY POMONA GRANGE No. 2

WHEREAS: The year 1973 will be the Centennial year for the California State Grange, and a number of the Subordinate Granges in this state, and

WHEREAS: We the Patrons of Husbandry in California have not had the pleasure of being host to the National Grange since the year of 1959,

THEREFORE, BE IT RESOLVED, that the delegate body in session at the 96th Annual Meeting of the California State Grange go on record favoring this resolution.

- No. 78 "Relative To Historic Old G. of O. 20
Bayley House In Pilot Hill"

PILOT HILL GRANGE No. 1

WHEREAS: Pilot Hill Grange No. 1 stood alone for three years prior to the organization of any other Grange in California, and

WHEREAS: The Granges have played such an important part in the growth and history of this state, and

WHEREAS: In the year 1970, Pilot Hill Grange No. 1 will celebrate its 100th anniversary,

THEREFORE, BE IT RESOLVED, that all the Granges in California give their support to the El Dorado County Recreation and Historical Society and to the Pilot Hill Grange No. 1 in their efforts to obtain the Historic Old Bayley House in Pilot Hill which was the home of California's First Grange Deputy, and a portion of the adjoining property where the First Grange Hall in California stood. If this property is obtained, it will be made available to the Pilot Hill Grange No. 1 for the purpose of rebuilding the original hall as it was some 98 years ago for use as a Grange Museum and as a monument to those who have worked so hard to build California's Granges.

Following Grange Concur:

El Dorado-Amador County Pomona Grange No. 14.

- No. 79 "Relative to Housing Project For G. of O. 21
Grange Members"

UKIAH GRANGE No. 419

WHEREAS: There is a great need for elderly housing among our Grange members, and

WHEREAS: The present form of housing for the elderly require that they move to other parts of our country and put up large amounts of cash to enter these projects, and

WHEREAS: There has been a plan worked out by your California State Grange and others so that this can be accomplished locally and without large deposits, and

WHEREAS: The Federal Government has offered to finance such a project 100 per cent, provided it is a non profit project such as we are planning, and

WHEREAS: There is a project now started in Ukiah and it is just waiting for a sponsor, and

WHEREAS: There are other areas in the State of California that have expressed a desire for such a project,

THEREFORE, BE IT RESOLVED, that the California State Grange sponsor this and other such projects as this as they come up, providing there is no financial obligation or liability on the part of the Grange,

BE IT FURTHER RESOLVED, that the Board of Directors of this Corporation be: California State Grange Master, the three State Executive Committeemen, the local District Deputy State Master, the local Pomona Master, and three members elected from the local Pomona Grange, these three elected from the Pomona Grange will have the same terms as the Executive Committee, all three year terms after the first election.

LEGISLATION AND TAXATION

No. 45 "Supporting Watson Proposition" LEGIS. 1
SONOMA COUNTY POMONA GRANGE No. 1 & TAX

WHEREAS: California taxpayers have been promised property tax relief for several years, and

WHEREAS: Study commissions have been set up to study the tax structure, many dollars have been spent and all that came out of it is more and higher taxes, and

WHEREAS: Most property owners are at the limit and beyond the paying stage, and

WHEREAS: Proponents of the Watson Amendment Claim the proposition provides desperately needed property tax relief in sufficient amount to allow people to keep their land, homes and businesses,

THEREFORE, The Sonoma County Pomona Grange No. 1 does hereby urge the delegate body at this 1968 annual meeting to support the said Watson Amendment,

THEREFORE, BE IT RESOLVED, that the California State Grange urge its members to support the Watson Amendment, Proposition No. 9 as the best form of tax relief and reform presently offered and to do all possible to support equitable property tax reform.

No. 47 "Opposing Proposed Reorganization LEGIS. 3
of the State Department of Agriculture" & TAX.

SIERRA VALLEY GRANGE No. 466

WHEREAS: The Legislative Committee of the Sierra Valley Grange was directed at the January 17, 1968 meeting

to prepare a resolution concerning the proposed reorganization of the State Government which would combine the State Department of Agriculture with several other agencies,

THEREFORE, BE IT RESOLVED, that the California State Grange believes that the agricultural industry of California, because of its size and importance to the economy of the State, should be represented in State government by a full and separate Department, and is opposed to the plan of combining the State Department of Agriculture with other departments or bureaus in the name of economy.

No. 49 "Favoring the Establishment LEGIS. 5
of a Veterans' Hospital in the Inland Empire" & TAX

DEL ROSA GRANGE No. 711

WHEREAS: The Veterans Administration is considering the establishment of a hospital for Veterans in the inland area of Southern California, and

WHEREAS: The most desirable location for such a hospital has not at this date been definitely decided upon, and

WHEREAS: The rapid population growth of the Inland Empire Area of Southern California includes a heavy percentage of disabled and retired war veterans who find present veteran hospital facilities grossly inadequate, both from a location standpoint and a capacity standpoint, and

WHEREAS: It is the policy of the Veterans Administration to locate such hospitals in close proximity to approved medical schools, and

WHEREAS: The Loma Linda University School of Medicine ranks among the nation's finest, and

WHEREAS: The Loma Linda University School of Medicine is outstanding in the field of tropical disease research, a field which in view of the present difficulties in Viet Nam and Southeast Asia, is of extreme significance, and

WHEREAS: Ample and reasonable priced land is available in close proximity to this institution, and

WHEREAS: The need for a veterans' hospital in the Inland Empire is immediate and urgent, in order to more adequately serve the more than 200,000 veterans residing in a circle with a 125 mile radius, which area includes the eastern edges of Los Angeles County, western Arizona and southwestern Nevada,

THEREFORE, BE IT RESOLVED, that the California State Grange go on record as favoring the establishment of a Veterans' hospital in the Inland Empire at the earliest possible date,

BE IT FURTHER RESOLVED, that the full cooperation and complete resources of Del Rosa Grange No. 711 are available to assist in the endeavor to locate a Veterans' Hospital in this area.

No. 50	"Relative to Endorsing the Names Lake Oroville and Oroville Dam"	LEGIS. 6 & TAX.
--------	---	--------------------

CONCOW GRANGE No. 735

BE IT RESOLVED, that the California State Grange goes on record as unanimously endorsing the names Lake Oroville and Oroville Dam for the recently completed facilities of the State Water Project in our area.

No. 53	"Resolution Relative to Communist Party Member's Names Permitted on County, State and National Election Ballots"	LEGIS. 9 & TAX.
--------	---	--------------------

YUCAIPA VALLEY GRANGE No. 582

WHEREAS: There seems to be an ulterior force at work in this great land of ours in all the worth-while fields of endeavor, including our free enterprise, using all means that are unacceptable and fiendish, to destroy our form of Government as handed down to us by our hardworking pioneer forefathers, and

WHEREAS: The Grange, Order of Patrons of Husbandry —pledges to support the laws of our State and Nation, and

WHEREAS: Grange Members pledge on their sacred honor that they are not members of any subversive group that seeks to overthrow our Government, and

WHEREAS: Some Officials of our land do not seem to stand for the great masses of our freedom-loving people, who love our country and do not want the ideology of any other land, and

WHEREAS: This foreign force seems to have already infected many of our young people, who are unaware of the diabolical way of this teaching,

THEREFORE, BE IT RESOLVED, that the California State Grange and National Grange urge our Federal Government to do everything possible to prevent the Communists from placing a candidate's name on the ballot of this or any future election.

"Taxation of Government
ContractsLEGIS. 10
& TAX.

FRESNO COUNTY POMONA GRANGE No. 24

WHEREAS: It is becoming a custom for county and/or state taxing agencies to tax Government contracts entered into with private individuals for grazing rights on Government lands, and

WHEREAS: There is no private taxable property involved, and

WHEREAS: The only physical property involved is the growing grass on Government land, and

WHEREAS: Livestock grown or fed on Government land is taxable,

THEREFORE, BE IT RESOLVED, that the California State Grange urge that this practice by local taxing agencies be prohibited by Legislative or administrative action.

Following Grange Concur:

Coalinga Grange No. 779

No. 55

"In Support of Senate Bill
No. 2613"

LEGIS. 11

RIVERBEND GRANGE No. 677

WHEREAS: Farmers and their families engaged in bona fide farming operations, are being forced to leave the farm, as a result of farm income being at a depression level and not sufficient to pay the mortgage, interest, taxes, operational cost and the grocery bill, and

WHEREAS: A study made by the Internal Revenue Service in 1965 shows that 119 individuals with an income of over \$1,000,000 and having farm operations, 104 of them reported losses, and

WHEREAS: It is a known fact that there are persons and businesses, not bona fide farmers, use non-farm profit to purchase land and use the farming loss as an income deduction for the business furnishing the capital from the business profits, and

WHEREAS: THE BONA FIDE FARMER IS DISCRIMINATED AGAINST BY THE VERY FACT the business firms the farmers must buy from, use their profits to buy farm land to incur a business loss, and force the farmer to leave the farm., and

WHEREAS: Agriculture leaders are fearful of a food shortage in the near future, and

WHEREAS: If millionaires and big business are at the reins of farming, and business is not too profitable, this type of farming would be abandoned, and as a result less food and fiber, and a food shortage would result, and

WHEREAS: The members of the Riverbend Grange No. 677, Kingsburg, California, County of Kings, have studied and considered Senate Bill No. 2613 introduced by Senator Lee Metcalf of Montana to be a step in the right direction to correct this gross injustice being forced on to the bona fide farmer,

THEREFORE, BE IT RESOLVED, that the California State Grange use its influence and urge our elected representatives in Congress, to consider and work toward the passage and enactment of the bill to be added to the Internal Revenue Code of 1954.

NATIONAL WELFARE

No. 59	"Opposing Increase in Federal Income Taxes"	Nat'l. 4 Wel.
--------	--	------------------

MERCED COLONY GRANGE No. 527

WHEREAS: There is at present time a great amount of discussion in Washington, D.C. concerning higher Federal Income Taxes, and reduction in Federal Spending, and

WHEREAS: We do not believe that it is sound fiscal policy to increase taxes to sustain or expand the present excessive level of Federal spending,

THEREFORE, BE IT RESOLVED, that the California State Grange adopt and urge the adoption by the National Grange of measures to oppose any tax increase in the name of fiscal responsibility while at the same time promoting programs which, if adopted, would result in a budget deficit.

No. 82	"Relative to Formulation of a Program to Build Respect and Understanding at Community, State and National Level"	Nat'l. 13 Wel.
--------	---	-------------------

HESPERIA GRANGE No. 682

WHEREAS: The founding of the Grange was out of necessity to protect the interest of the farmer a century ago, and was conceived to build fraternal respect and understanding at the individual, Community and on the State and National level. The Grange organized Insurance Associations, Credit Unions and Business Co-ops, beneficial to the farmer, which would help him as he was denied such help from others. Grangers today enjoy many benefits that were fought for and won by the early Grange,

To us, as Grangers it is clear that the responsibility of our organization is similar in purpose and function at the beginning of the second century of the Grange, as were the needs and demands which gave birth to the Grange itself a century ago. The difference is that our demands must be considered on a larger scale. Today it is equally clear that our responsibility must be expanded. We must promote respect

THEREFORE, BE IT RESOLVED, that the California State Grange, and the National Grange, indicate their approval and support every effort to bring FISH AND FISH PRODUCTS under Pure Food and Drug Control, and that the National Grange be requested to use every influence with our Legislators to have these Bills, or substitute Bills of equal strength, submitted to the next Congress for action, the Public Hearings having already indicated vast approval of such legislation by the Fishing Industry; Department of Commerce; Department of the Interior; Department of Health, Education and Welfare, and has the personal endorsement of President Johnson.

SUBSTITUTE RESOLUTION (For National Welfare No. 3)
 No. 84 "Relative to Voting System Nat'l. 15
 In Primary Elections" Wel.

SANTA CLARA COUNTY POMONA GRANGE No. 4

WHEREAS: The present system of voting in PRIMARY ELECTION BY PARTY acts to disenfranchise all voters who wish to vote for the man of their choice, and

WHEREAS: Voting a straight party ticket has served to unseat experienced, capable men whose services are needed to preserve continuity, and contrawise has installed less capable men, lacking in experience, in office to which they aspire,

THEREFORE, BE IT RESOLVED, that the California State Grange support such legislation as may be introduced whereby all qualified candidates, irrespective of party affiliation, be listed on a Master Plan type ballot, thereby offering a free choice to the voting public in PRIMARY ELECTIONS for the Office of President of the United States; Senate and House of Representatives; Governor of the State and State Legislators.

NATIONAL WELFARE COMMITTEE RESOLUTION
 (In Substitution of National Welfare Resolutions
 6, 7, 8, 9, and 10)

No. 85 "OPPOSING FIREARMS Nat'l. 16
 REGISTRATION" Wel.

WHEREAS: The Congress of the United States prior to its adjournment did pass, and the President did sign, a restrictive Rifle-Shotgun Control Bill primarily restricting the manufacture, sale, and interstate shipment of firearms as described; ammunition for such firearms; and total restriction from sale to minors and certain undesirable and incompetent persons, and which was accepted as a Compromise Bill, the President having requested the registering of all firearms and the licensing of the owners, and

WHEREAS: The 1967 Session of the California State Grange (Journal of Proceedings, page 229) did approve a

resolution of Monterey Bay Grange No. 492 relative to Hunting License and Firearms, and did adopt "quote—" to take the necessary steps to promote and support legislation on the control of mail order purchase of all firearms"—thereby being in essence in agreement with the Control Bill just passed, and

WHEREAS: Individual registration and licensing will not act as an effective deterrent of crimes involving firearms; will not eliminate danger from criminal elements; will act to the detriment and safety of law abiding citizens, and would be an invasion of the Constitutional Rights of a free people,

THEREFORE, BE IT RESOLVED, that the California State Grange go on record as opposing any additional compulsory firearms registration and licensing and so inform the National Grange for their guidance in opposing any future proposals for Legislation of this type as being superfluous and serving no good purpose.

SUBSTITUTE RESOLUTION (For National Welfare No. 11)
 No. 86 "Doctor Fees and Hospital Fees" Nat'l. 17
 Wel.

ANTELOPE VALLEY POMONA GRANGE No. 39

WHEREAS: Doctor fees and hospital fees have increased to a point where hardship is invoked on many citizens who are on a fixed income,

THEREFORE, BE IT RESOLVED, that since the Department of Health, Education and Welfare is already engaged in intensive investigation in these areas, making its initial report to the President and members of the Cabinet within the last 30 days, the California State Grange adopt, and urge adoption by the National Grange, measures to insure a constant review and continuance of these investigations, recommending corrective action within the professions rather than enactment of further legislative restrictions to be forced on a segment of free enterprise. Failing to receive professional co-operation, adequate corrective measures may be invoked to insure reasonable peace, tranquility and health for the citizenry, with equal consideration toward a reasonable profit to the professions for the actual services rendered by them.

SUBSTITUTE RESOLUTION (For National Welfare No. 12,
 Newport Harbor Grange No. 776; and National
 Welfare No. 1) San Diego Harbor Grange No. 775
 No. 87 "Pertaining To Opposition of Nat'l. 18
 Foreign Encroachment of Our Domestic Wel.
 Fisheries and Seizure of Our Fishing Vessels on the
 High Seas"

WHEREAS: Resolutions pertaining to the above subjects were submitted earlier in the year by Newport Harbor Grange and San Diego Harbor Grange, and

WHEREAS: The lapse of time between submission and this Session has provided significant information supporting and recommending corrective legislative action, and

WHEREAS: The California State Grange at its 1967 Session did affirm their support of a similar resolution (Journal of Proceedings, page 219-220) and the National Grange did concur and included similar approval at the Session in November 1967 at Syracuse, New York, and

WHEREAS: The violation of our fisheries off the Continental United States, and the increased seizure of our fishing vessels by South American countries is actually intensified and has brought about extreme financial hardships upon our Domestic Industry, and

WHEREAS: In August of 1968 Governor Ronald Reagan of California did recommend and urge the President of the United States to call a high-level international conference with the offending countries to put an end to these seizures, and if necessary to extend the United States territorial sea beyond the existing 12 mile limit to protect the domestic fisheries traveling and maintained close to American shores, and

WHEREAS: Appreciation was given President Johnson for signing into legislation a Bill requiring that federal-aid funds to the nations which illegally seize United States ships be reduced by a sum equal to the amount of the fines imposed upon the owners of the seized vessels prior to release,

THEREFORE, BE IT RESOLVED, that the California State Grange reaffirm their approval given in 1967, notifying Governor Reagan of such approval and support, and that the National Grange also concur with this resolution and reaffirm their approval, conveying this information to President Johnson in support of the suggested high-level international conference to correct these flagrant aggressions.

TRANSPORTATION - ROADS AND HIGHWAYS

No. 69 "Concerning Increases and TRANS. 2
Decreases as Ordered by the Public R. & H.
Utilities Commission of California and the
Interstate Commerce Commission"

KINGS COUNTY POMONA GRANGE No. 28

WHEREAS: Each freight rate increase is passed on to the farmer, thus decreasing his already low income, and

WHEREAS: The low freight rates from the midwest to California and the high truck rates within California have taken away some of our markets,

THEREFORE, BE IT RESOLVED, that the California State Grange appoint a committee on Freight and Transportation. The purpose of this committee would be to check on all proposed changes in freight rates and to protest any changes they believe would be harmful to California and especially those detrimental to farm economies.

No. 71 "Favoring Needed New Highway Construction" TRANS. 4
R. & H.

DEL NORTE COUNTY POMONA GRANGE No. 42

WHEREAS: Del Norte County is without railroad transportation and is totally dependent on the highways for movement of products and consumers goods as well as for personal and tourist travel, and

WHEREAS: The present highways are out-moded, not having been designed to carry the amount of traffic required at the present time, and

THEREFORE, BE IT RESOLVED, that the California State Grange use its influence in the State Legislation to bring the out moded highways up to date, also in the routing of needed new highway construction.

Following Grange Concur:

Butte County Pomona No. 16

No. 72 "Relative to the Alderpoint Bridge" TRANS. 5
R. & H.

ALDERPOINT GRANGE No. 516

WHEREAS: The Alderpoint bridge was the main route during both of the floods of 1955 and 1964 when the Highway 101 was closed to traffic, also it is necessary for access to both Six Rivers National Forest and Ruth Lake recreational centers and the source of logs for mills, and

WHEREAS: Both Humboldt and Trinity County livestock raisers and the Piling Companies depend on the Alderpoint bridge to get their wares to market and present day conditions are far from favorable, and

THEREFORE, BE IT RESOLVED, that the California State Grange assist these Granges in their endeavor to have this out moded bridge replaced.

RESOLUTION OF APPRECIATION

WHEREAS: The success of this 96th Annual Session of the California State Grange in Fresno, California, has been due to the efforts of many individuals, organizations, and committees, this Delegate Body wishes to thank the following for everything done to further the aims of our Order of Patrons of Husbandry:

To Brother Fred Garrison, Chairman, and Brother Harold Harding, Co-chairman, of the Convention Committee for their efforts to make this convention so pleasant and successful and to the following brothers and sisters who worked tirelessly or otherwise helped to put this convention over, we add a big "thanks;"

Ruth Harding—who was everywhere and always busy;
Flora Schlundt, in charge of corsages, decorations and
C.W.A. Breakfast;

Bob Schuler for fresh flowers;

Celia and Loyhed Harding, Reception and Information;
Emmett Taylor, Feast of Pomona;

Corene Carlson and Warren Bonsack, Rose Drill; Irene
Taylor, Publicity;

Also: To the C.W.A. members of Fresno County, Tulare
County, Kings County, Merced County and Kern
County for Corsages;

To the Fig Industry and Valley Fig Growers for figs;
Harry Schmidt & Sons for walnuts;

Melikian Bros. for bleached raisins for the Feast of
Pomona;

To the Fresno Convention Bureau, Mgr. Robert A.
Schoettler, the City of Fresno, Mayor Floyd Hyde,
the Fresno Police Dept., and the Convention Center
staff and maintenance crew, as well as Joseph Reich,
chairman, Board of Supervisors, Fresno County.

To Brother Herman Grabow, Grange Legislative Repre-
sentative for his invaluable services to the Resolu-
tions Committees. Also for his presentation of a Milk
Stool to the Fresno Dairy Princess, Patricia Figlo.

To Brother Jack Berry, Editor and Sister Wanda Boland
of the Grange News and to the news media for their
interest and cooperation in reporting news of this
96th Annual Session in Fresno.

To Sister Marjorie Brown, Worthy State Secretary, and
the members of the office staff for the untold hours
of work in handling the multitude of details prior to,
during, and after the convention.

To Brother Kenneth Greene, Worthy State Lecturer, for
his very entertaining and enjoyable program and
talent show on Tuesday evening.

To Brother Harry Schmidt, Worthy State Treasurer, and
his helpers who processed the hundreds of mileage
expense checks.

To the members of the many committees whose work and joint efforts make a convention such as ours a success, namely:

Per Diem Chairman Lloyd Piper, member of Exec. Committee, C.S.G.

Agriculture Chairman, Lowell Krumm

Conservation Chairman, Meredith Painter

Education Chairman, Francis Holland

G. of O Chairman Theodore Bliss

Legislation and Taxation Chairman, Maris Stephani

National Welfare Chairman, Florence McDougall

Transportation, Roads & Highways Chairman,
Robert Null

Education Chairman Dave Thompson

Tax Advisory Committee Chairman, Harry Schmidt

To Andy Tarail, Mgr. of Fresno Granges F.C.U., and the members of C. U. Advisory Committee, Bro. Wm. LaCaille, Sister Emma Smith, Brother Arthur Burke and Chairman Don Stanley, for the informative conference on Tuesday afternoon.

To our Worthy Chaplain, Leta Littler, for a most inspiring memorial service yesterday, including a special thanks to those who helped her, starting with Sister Ruth Harding, Brother Lloyd Harding, Sister Celia Harding, Sisters Barbara and Julia Harding, Brother Geo. Stinebaugh, Brother and Sister Rice, Brother and Sister Saracco, Brother Ted Bliss, and Brother Wm. LaCaille. A special thanks is offered to the choral group from Fresno State College, under the direction of Dr. Larry Warkenstin.

To Brother Bill Campbell, Worthy State Musician, for providing extra music for the pleasure of many patrons during the convention and to Brother Lester Wendt, Mojave Valley Deputy, for leading us in song. To Sister Alice Trimble for playing for the officers entrance march on Tuesday morning.

To the California State Grange Youth Group under Sister Betty Smith, Director of Youth Activities, for youth portion of the convention and to the team which conferred the beautiful 5th degree. To the many youth advisors who gave of their energy to serve with the youth goes a special thanks. We all enjoyed the speakers, David Loguaci, President, California Association of Future Farmers of America and Brother Ira White, Chairman, C.S.G. Youth Committee and Dr. Paul Kovach, for his photographic

essays. The youth have expressed their appreciation for the trip to Yosemite provided by the Grange Insurance Association of California and for extra donations to the Youth Fund from the sale of corsages after the women's breakfast. A vote of thanks is according Brother Everett Chapin, Master of El Dorado-Amador Pomona for gift of Collection Box for the Youth and Junior Granges.

- To Sister Carol Coast for her efforts in assisting the Youth Group with many of the signs, placards, and material they require to function.
- To Sister Donna Bertozzi, Worthy State Flora, for an enjoyable rose drill presentation from Fresno-Madera Counties. Special thanks go to those who served in the Court and assisted with the curtains and stage settings to produce the Court of Flora during the 6th degree.
- To the officers of the California State Grange for the 6th degree conferred Thursday evening.
- To Sister Eve Rowe, Superintendent of Junior Grange for the enjoyable presentation Wednesday evening with special thanks to the following Junior Granges: Cupertino, Golden Empire, Mount Vernon, Redwod Valley, Sonora and Wyandotte.
- To Brother Albert Moody, Worthy Gate Keeper, and to the many deputies and members who spent many hours manning the gates to our deliberations.
- To Brother Ulyuss G. Rose, Deputy San Bernardino County, and his hard working committee who did a splendid job of conducting the strenuous job of registering delegates, alternates, and visitors.
- To Sister Gladys True, State Director, Committee of Women Activities and members of her hard-working committee for the enjoyable reception program for the State Grange Officers on Monday evening. A special thanks to the women of Fresno County, under the direction of Sister Flora Lee Schlundt, Fresno-Madera Pomona Chairman, Women's Activities and to Brother Orban Savage, Fresno Pomona Lecturer for arranging such a lovely program for that evening.
- To Sister Elsa Hadley for a report on membership gains by approximately 150 Subordinate Granges and an encouraging report on continued future gains.
- To our honored guests:
 - Brother Lars Nelson, Overseer of Nat'l. Grange and Master of Washington State Grange and Sister Nelson.

Brother J. Blaine Quinn, Past Master of C.S.G. and
Sister Ruth Quinn,
Sister Elizabeth Sehlmeier, wife of Past Master of
C.S.G.
Brother Allen Wheeler, Chaplain of Nat'l. Grange
and Master of Oregon State Grange,
Brother Elmer McClure, Past Master of Oregon State
Grange and Sister McClure,
Brother Ted Simms, Overseer of Oregon State Grange
and Sister Simms,
Mr. Ray Rianda, President of Calif. Assoc. of Soil
Conservation Districts.
Dr. and Mrs. John W. West, Assoc. Dean of Agri.
Cal Poly College, San Luis Obispo,
Assemblyman Mobley, Fresno - Madera County.
Brother Ray Wheeler, President Grange Insurance
Association of California,
Brother Peter Marinoff of Commercial Insurance Co.
of New Jersey,
Brother Van Horn, President of Grange Insurance
Association of Seattle,
Mr. Gus Barlas of California Blue Shield,
Brother Paige Harper, Manager Grangers Business
Organization Inc.
Brother Wallie Hammond, Representative of Phillips
66 Petroleum,
Patricia Figlo, Fresno Dairy Princess,
Bob Conrad, Representative of Farmers Insurance
Group.

THEREFORE, BE IT RESOLVED, that until we meet
again the delegate body of the 96th Annual Session of the
California State Grange take back to their respective Granges
a renewed determination to work for gain in Grange member-
ship and Grange influence in our communities.
