## **CALIFORNIA STATE GRANGE**

**PATRONS OF HUSBANDRY**

**NINETY-NINTH ANNUAL SESSION**

**SANTA CRUZ, CALIFORNIA**

**1971**

1. The first part of the paper is devoted to a general discussion of the problem of the existence of a solution of the system of equations (1) for arbitrary values of the parameters  $\alpha$  and  $\beta$ .

2. In the second part, the problem of the existence of a solution of the system of equations (1) for arbitrary values of the parameters  $\alpha$  and  $\beta$  is solved. It is shown that for arbitrary values of the parameters  $\alpha$  and  $\beta$  there exists a unique solution of the system of equations (1) in the class of functions which are continuous in the domain  $G$  and have continuous derivatives up to the second order in the domain  $G$ .

3. In the third part, the problem of the existence of a solution of the system of equations (1) for arbitrary values of the parameters  $\alpha$  and  $\beta$  is solved. It is shown that for arbitrary values of the parameters  $\alpha$  and  $\beta$  there exists a unique solution of the system of equations (1) in the class of functions which are continuous in the domain  $G$  and have continuous derivatives up to the second order in the domain  $G$ .

**NINETY-NINTH ANNUAL SESSION**

**of**

**CALIFORNIA STATE GRANGE**

**SANTA CRUZ, CALIFORNIA**

**TUESDAY, OCTOBER 19, 1971**

The 99th annual session of the California State Grange was called to order at the Santa Cruz Civic Auditorium in Santa Cruz, with Worthy State Master Chester Deaver presiding.

Presentation of State Grange Officers.

The invocation was given by Worthy Chaplain Harleigh Gallup.

Opening song, "It's a Good Thing To Be A Granger" was sung by all.

Grange was opened in the Sixth Degree.

Presentation of the flag by State Grange Flora, Ann Larson. "The Star Spangled Banner" was sung by all.

Grange was closed in the Sixth Degree and lowered to the Fourth Degree, and all Fourth Degree members awaiting in the lobby were escorted into the hall.

Do Not Pass—Lost.

21—"Relative to Grange Benefits." G. of O. 5

Do Not Pass—Lost.

22—"Resolution Concerning Suspending of G. of O. 6

Grange Members for Non-Payment of Dues in California."

Do Not Pass—Motion made and passed to amend the resolution—Passed As Amended.

Master Deaver announced that the voting time would be extended one half hour, making the closing time for the voting at 12:30 p.m.

Recess: 12:00 noon.

#### Thursday Afternoon

1:30 p.m. Memorial services conducted under direction of Worthy Chaplain Harleigh Gallup.

Election Committee Report.

Of 482 members eligible to vote—462 voted.

By a majority vote the following officers were elected for a two-year term for the California State Grange:

Master—Chester Deaver

Overseer—Vayne O. Ralston

Lecturer—Ruby Duncan and Helen Cramer (re-run)

Steward—Leonard Hendricks

Assistant Steward—Kenneth Bley

Chaplain—Harleigh Gallup

Treasurer—George C. Schmidt

Secretary—Marjorie Brown

Gate Keeper—Albert Moody and Paul Layher (re-run)

Ceres—Lillian Wild and Gladys Montgomery (re-run)

Pomona—Ardythe Ward

Flora—Ann Larson

Lady Assistant Steward—Carrol Coast

Executive Committeeman—Lloyd V. Piper

Musician—William C. Campbell

Convention City for 1973—Fresno

Having a majority vote, Master Deaver declared Fresno the 1973 Convention City. Election Committee report submitted by Chairman Dave Thomson accepted.

There will be a run-off for the offices of Lecturer, Gate Keeper and Ceres, Master Deaver announced.

The time for the balloting has been set for 8:00 a.m. Friday.

Master Deaver displayed and spoke of the Samuel Williams Trophy. It is a perpetual trophy that will be presented to the Grange with the largest number of youth present at the convention. Brother Samuel Williams was a Past Deputy of Humboldt County who was very interested in the Youth movement.

Sister Elsa Rodrigues presented Award Trophies:

Brother Jess Dorris accepted two first place trophies won by the Bachelor Valley Junior Grange Team and the Lake County Pomona Drill Team.

Meredith Painter, Captain of the San Diego Second Degree Youth Team accepted a trophy for First Place winner.

Deputy Thomas Wright accepted a trophy on behalf of Sebastopol Grange Adult Ritual Team—First Place winner. Tulare Grange was second and Representative Brother Kirkpatrick accepted a trophy on their behalf.

Laurie Rupp of Kern County won the afghan raffled by the Junior Grange. \$250.00 was made on this project.

Sister Betty Smith announced that Past State Lecturer donated seventeen records of spiritual songs. These will be sold at \$1.50 each and the proceeds will go into the Youth Fund.

Master Deaver congratulated Junior Grange Superintendent Eve Rowe on her work with the Junior Grange and presented her with a gift on behalf of the Junior Granges.

President of the Grange Insurance Association of Seattle Don Rowe and Sister Arlene Rowe were escorted to the Master's station. Brother Rowe addressed the assembly and presented Master Deaver with a check for \$4,215.60 to be used for promotional interests.

Brother Ray Wheeler, President of Grange Insurance Association of California introduced his officers and directors. Annual meeting of the Grange Insurance Association of California Advisory Board was held. Motion was made and passed to discontinue the Advisory Board with the close of this session. Brother Wheeler thanked the Advisory Board for all their work and Master Deaver for Grange support.

Conservation Committee Chairman Roger Baker made a partial report:

8—"Protecting Intertidal Ecology." Cons. 1

Do Pass As Amended—Adopted.

9—"U. S. Offshore Fishing Limits." Cons. 2

Do Pass As Amended—Adopted.

- 10—"Relative to Deteriorating Condition of our Environment." Cons. 3  
Do Pass As Amended—Adopted.
- 11—"Resolution on Mad River Erosion." Cons. 4  
Do Pass As Amended—Adopted.
- 12—"Favoring Public Access to All Government Owned Beaches and Streams." Cons. 5  
Do Pass—Adopted.
- 13—"Opposing Law Which Would Outlaw the Taking of Preatory Animals by any kind of Steel-jawed Traps." Cons. 6  
Title was amended to read:  
"Taking of Predatory Animals."  
Do Pass As Amended—Adopted.  
Recess: 5:00 p.m.

### Thursday Evening

8:00 p.m.—Reconvened.

Director of Women's Activities Gladys True announced that \$1,712.35 had been collected for the Building Fund in the C.W.A. March.

Exemplification of the Fifth Degree under direction of Sister Betty Smith. Class of 74 candidates.

### FIFTH DEGREE TEAM

Master .....	Bill Booth, Antelope Valley
Overseer .....	Pete Miller, Stanislaus County
Lecturer .....	Robin Ricks, Tuolumne County
Steward .....	Michael Schultz, San Diego County
Assistant Steward .....	John Buzzetta, Santa Clara County
Treasurer .....	Dana Lane, Mendocino County
Secretary .....	Reta Shaw, Tuolumne County
Chaplain .....	Karen Anderson, Sacramento County
Gate Keeper .....	Roger Heaton, San Luis bispo County
Lady Assistant Steward .....	Delphine Allen, Mendocino County
Executive Committeeman .....	Gordon Lewis, Antelope Valley
Executive Committeeman .....	Steven Hansen, Orange County
Executive Committee .....	Paul Cramer, San Bernardino County
Musician .....	Rick Waitley, Idaho
Pomona .....	Lu Ann Fraguero, Tuolumne County
Ceres .....	Polly Dorris, Lake County
Flora .....	Nancy Dorr, Butte County
Court .....	Brenda Hitt, San Diego County; Cleta Shaw, Tuolumne County; Jane Tisselman, Tuolumne County; Clair Sheffer, Santa Clara County; Margie Bush, Butte County; Vivian Baker, Los Angeles County; Dottie McClain, San Diego County; Doris Callison, Siskiyou County.
Spector .....	John Luft, San Diego County
Captain .....	Mike Smith, San Diego County

Exemplification of the Sixth Degree by Officers of the California State Grange. Class of 313 candidates.

10:45 p.m.—Closing of the Grange.

### FRIDAY, OCTOBER 22, 1971

The California State Grange was opened in the Fourth Degree by the Youth and Young Marrieds Officer Team at 9:00 a.m.

Opening prayer by Worthy Youth Chaplain, Vonda Caldwell.

Flag presented by Worthy Youth Ceres, Edwina Brown.

"America, The Beautiful" was led by Brother John Bertozzi and sung by the assembly.

Brother Don and Sister Karen Larson, Young Couple of the year from Oregon and Sister Mariann Layher were escorted to the Master's station. Brother and Sister Larson addressed the Assembly. Master Deaver, Director of Youth Activities, Betty Smith and 1971's Young Married Couple of the Year, Brother George and Sister Doris Schmidt were escorted to the Master's station.

Master and Sister Deaver were presented a gift from Brother and Sister Larson in appreciation of the week spent at the session. They also presented Brother and Sister Schmidt with a gift for being their host and hostess during the week. A gift was also given to Sister Betty Smith by the couple and to Brother Layher. Brother Layher presented his wife, Mariann, to the Assembly. Brother and Sister Layher were chosen the 1972 Young Couple of the Year for California.

Introduction of Youth and Young Marrieds Fourth Degree Team, George Schmidt, Captain.

### FOURTH DEGREE OPENING TEAM YOUTH AND YOUNG MARRIED

Master.....	Paul Layher, El Dorado County
Overseer.....	Roger Baker, Los Angeles County
Lecturer.....	Tom Callison, Siskiyou County
Steward.....	Jerry Hames, Humboldt County
Assistant Steward.....	LeRoy Larson, Fresno County
Chaplain.....	Vonda Caldwell, Santa Cruz County
Treasurer.....	Delmar Cheeseman, Butte County
Secretary.....	Hank Hitt, San Diego County
Gate Keeper.....	Hank Allen, Santa Cruz County
Ceres.....	Edwina Brown, Santa Clara County
Pomona.....	Joylin Renstad, Stanislaus County
Flora.....	Sue Squire, Fresno County
Lady Assistant Steward.....	Elizabeth Geissler, Kings County
Musician.....	Rick Waitley, Meridian, Idaho
Executive Committeemen.....	Murray Lewis, Sacramento County
	Mario Stefani, San Bernardino County
	Gary Rutherford, Shasta County

The Youth and Young Married Officers marched out of the hall.

Roll call found all officers present.

Reading of Journal of Yesterday was approved as read.

Agriculture Committee Chairman George Schmidt made a partial report:

8—"Relative to Section 22002 of California Agriculture Code" Agr. 8  
Tabled In Committee.

68—"Rural Development Bank" Agr. 9  
Do Pass—Adopted.

Good of the Order Committee Chairman Washington Mannering gave a partial report:

23—"Relative to Grange Float in 1974 G. of O. 7  
Tournament of Roses Parade"  
Do Not Pass—Lost.

24—"Proposed Amendment to the Constitution G. of O. 8  
of the National Grange"  
Do Pass—Adopted.

C.W.A. District Chairman Florence Sheffer, Berryessa Grange No. 780, C.W.A. Chairman Dorothy Konkel and Sister Lois Sakamoto were escorted to the Master's station. Sister True introduced Sister Sakamoto who won First Prize in the National Sewing Contest.

Good of the Order Committee Chairman, Washington Mannering continued with his report:

E.C.R. "Grange Action Plan" G. of O. 2  
Do Pass—Adopted.

62—"Relative to Grange Mutual Life Company G. of O. 9  
of Nampa, Idaho"  
Do Pass as Amended—Adopted.

63—Good of the Order Committee Resolution G. of O. 10  
Do Pass—Adopted.

64—Good of the Order Committee Resolution G. of O. 11  
Do Pass—Adopted.

A G.I.A. prize was won by Sister Margaret Trebino of Martinez Grange No. 747, Contra Costa County.

Legislation and Tax Committee Chairman Robert Null made a partial report:

E.C.R. No. 13 Leg. & Tax "Rural Isolation."  
Do Pass—Adopted.

E.C.R. No. 17 Leg. & Tax "Tax Reform."  
Do Pass—Adopted.

25—"Relative to Senior Citizens Property Legis. & Tax 1  
Tax Exemption Law S.B. 100"  
Do Not Pass—Lost.

26—"Relative to Property Taxes" Legis. & Tax 2  
Do Not Pass—Lost.

- 27—"Relative to Property Tax Limitations" Legis. & Tax 3  
Do Not Pass—Committee report rejected.  
Motion made and passed to adopt resolution.  
Resolution Adopted.

Oregon State Master Ted Sims expressed his pleasure at being with us at this Session. Delegation sang "God Be With You" as he and Sister Sims and Mildred Norman, Secretary of Oregon State Grange were escorted from the hall.

Brother Null, Legislation and Tax Committee Chairman continued with his report.

Combined Legis. & Tax numbers 4, 10, 11, using No. 10.

- 34—"Welfare Reform" Legis. & Tax 10  
Do Pass As Amended—Adopted.  
Combined Legis. & Tax numbers 5, 7, 9, using No. 7.

- 31—"Opposing Unnecessary Obligations on Legis. & Tax 7  
Property Owners Where Property has been  
used for Public Recreational Purposes"  
Do Pass As Amended—Adopted.

- 30—"Relative to Parks and Recreation" Legis. & Tax 6  
Do Pass As Amended—Adopted.

- 32—"Resolution to Abolish the Little Hoover Commission" Legis. & Tax 8  
Do Not Pass—Lost.

Combined Legis. & Tax numbers 12 and 13, using 13.

- 37—"Relative to Health and Welfare Recipients" Legis. & Tax 13  
Do Pass As Amended—Adopted.

Credentialed Committee Chairman Ulysses Rose gave his final report. He reported a large number of delegates had registered this year. Report accepted.

Voting Polls will close at 12:30 p.m.

Recess: 12:00 noon.

### Friday Afternoon

Reconvened: 1:30 p.m.

Junior Grange District Chairmen appointments made by State Master Deaver:

Marjorie Gregory, District No. 11.

Elizabeth Geisler, District No. 9.

Agriculture Committee Chairman George Schmidt made a partial report:

- 68—"Rural Development Bank" Agr. 1  
Do Pass—Adopted.

Sister Doris Deaver, Brother Roger Baker, Sister Vivian Baker and Sister Doris Schmidt were escorted to the Master's station. Brother Baker presented Sister Deaver with a gift on behalf of the Young Marrieds. Sister Deaver expressed her gratitude. Sister Schmidt read a card stating "What The World Needs Now Is More People Like You" and presented it to Master Deaver.

Brother Deaver announced that Brother Levi Richman had attended 38 National Grange Sessions and 46 State Grange Sessions. Happy Birthday was sung in his honor as he is 86 years old today.

Conservation Committee Chairman Roger Baker made a partial report:

Combined Cons. number 7 with E.C.R. Cons. number 11, using E.C.R. Cons. number 11.

E.C.R. No. 11 Cons. "Water Development"

Do Pass—Adopted.

E.C.R. No. 10 Cons. "Rural-Urban Planning"

Do Pass—Adopted.

60—"Resolution to Amend Section 6530 Cons. 8  
and 653p of The Penal Code, Relating to  
Endangered Species"

Tabled In Committee.

61—"Resolution Relating to Oil Polution Cons. 9  
in our Coastal Waters"

Do Pass As Amended—Adopted.

Legislative Representative Herman Grabow reported on Legislative Bills now in Legislature. He urged all to write to the Governor to pass the peach bill and the gas bill and the reapportionment bill. William Geyer reported that the covering of the Grange Convention is outstanding in the Sacramento newspapers.

National Welfare Committee Chairman Theodore Bliss made a partial report:

E.C.R. No. 1—Nat'l. Wel. "The Nader Report"

Do Pass As Amended—Adopted.

E.C.R. No. 12 Nat'l. Wel. "People's Lobby Initiative"

Do Pass—Adopted.

E.C.R. No. 15 Nat'l. Wel. "Consumer Protection"

Do Pass—Adopted.

Chairman of National Welfare Committee Theodore Bliss gave his final report. Report accepted.

Transportation Roads and Highways Chairman Paul Layher made a partial report.

53—"Regarding Air—California's Petition to Trans.  
Public Utilities Commission for Intra-State R. & H. 1  
Jet Service from Arcata to San Francisco  
and other California Counties"

Do Pass As Amended—Adopted.

54—"Resolution Relative to Fieldbrook- Trans.  
McKinleyville Road" R. & H. 2  
Tabled In Committee.

55—"Supporting Assembly Bill No. 101 Trans.  
Relative to Vehicle Weight Limitations" R. & H. 3  
Tabled In Committee.

56—"Relative to Roadside Advertising Trans.  
Do Pass As Amended—Adopted. R. & H. 4

- 57—"Relative to Construction Signs on Highways" Trans.  
Do Pass As Amended—Adopted. R. & H. 5
- 58—"Saving the Seal Beach Area Eco-systems" Trans.  
Do Pass As Amended—Adopted. R. & H. 6
- 67—"Supporting President's Task Force Report on Highway Safety—Mobility Without Mayhem" Trans.  
Transportation, Roads and Highways R. & H. 7  
Committee Resolution.  
Do Pass—Adopted.

George Schmidt, Chairman of Agriculture Committee made a motion to send a telegram to the Governor urging the Governor to sign the peach bill. Motion carried.

Election Committee Chairman Dave Thomson announced the results of the re-run for the Offices of Lecturer and Ceres.

He announced that Worthy State Gate Keeper Albert Moody received 221 votes on the first ballot and did not run on the second balot because 221 votes was a majority vote.

#### LECTURER

Ruby Duncan .....	183
Helen Cramer .....	278
Helen Cramer elected Lecturer.	

#### CERES

Lillian Wild .....	243
Gladys Montgomery .....	217
Lillian Wild elected Ceres.	

Dave Thomson, Chairman of Election Committee, gave his final report. Report accepted.

Tax Advisory Committee Chairman Harry Schmidt made his report. Report accepted.

Agriculture Committee Chairman George Schmidt made his final report. Report accepted.

Legislation and Taxation Committee Chairman, Robert Null made his final report. Report accepted.

Education Committee Chairman Mario Stefani made his final report. Report accepted.

Transportation, Roads and Highways Committee Chairman Paul Layher made his final report. Report accepted.

Good of the Order Committee Chairman Washington Mannering gave his final report. Report accepted.

Past Master James B. Quinn was escorted to the Master's station where he addressed the assembly. Encouraged all to support the State Master and Officers and to support their respective Granges.

Recess: 4:10 p.m.

---

**Friday Evening**

7:30 p.m. Reconvened.

G.I.A. prizes were won by Sister Etna Lemon from Watsonville and Sister Margaret Lopez of Winton Grange No. 531.

San Marcos Grange No. 633, San Diego County with 39 points won the perpetual Samuel Williams trophy for having the most number of youth present at the 1971 session.

A resolution of appreciation was read by Brother Fred Metzger, Master of Rainbow Valley Grange No. 689, San Diego County. Motion made to accept the resolution as corrected—adopted.

State Treasurer Harry P. Schmidt thanked his wife, May and the help he has received through these past years.

Per diem chairman Lloyd V. Piper gave the mileage and per diem report. Report accepted.

Master Deaver spoke of the need of a group legal service, its problems and its benefits. He asked all to respond if interested in this service through their Deputies.

Musician William C. Campbell expressed his appreciation to all.

Motion passed that the minutes of today's session be approved by the Executive Committee and printed in the Journal of Proceedings.

A motion was made and passed to have a badge or emblem ordered for the State Junior Superintendent, State Youth Director and State Membership Chairman.

Grange declared at ease for preparation of Installation of Officers.

S. E. "Dick" Rafter, Executive Committeeman of the State Grange was in charge of the Installation.

Marshall: Jessie Rafter

Chaplain: Marjorie Bley

Emblem Bearer: Elsie Landgren

Regalia Bearer: Sam Landgren

Musician: Diane Pettipiece

Soloist: John Bertozzi

Accompanist: Helen Stith

Flowers and Seating: Mildred Painter, Meredith Painter,  
Dorothy Newsom

Master: Chuck Coast

Installation of State Grange Officers.

The Delegation sang "God Be With You 'Til We Meet Again," and the Worthy Overseer, Vayne Ralston, by order of the Worthy Master proclaimed the Ninety-ninth Annual Session of the California State Grange closed at 11:00 p.m.

Fraternally submitted,  
Marjorie Brown, Secretary  
California State Grange

## MASTER'S ANNUAL ADDRESS

Thirteen years have passed since we last convened our annual session in this beautiful City of Santa Cruz.

A review of the records of that session reveals the most urgent subject for consideration, not only by the delegates assembled, but also, the citizens of this great State of California was the development of our water resources and its equitable distribution in the best interest of the family owned farm operator.

Each succeeding year has recorded its historic, economic, social or political achievements.

This year, to further assist the delegate body in meeting or surpassing this past record of achievement, I am departing somewhat from the traditional format of the Master's address.

On behalf of the Executive Committee, I am not only attempting to focus the attention of the delegate body upon the issues we deem likely to be most critical during the coming year, but I am offering for your consideration recommendations and resolutions to implement programs in the manner consistent with established Grange policy.

These resolutions, which we have called Executive Committee Resolutions (ECR's), should be considered only suggestions, and will be subject to the same democratic process as all other resolutions submitted to the assembled delegates. As I speak to you now, some of them may already have been changed or rejected by the various committees to which they were referred. In addition, I would expect that other issues of equal or even greater importance than these I have identified may be brought to our attention by individual delegates and melded into our policy and action program for the coming year. I and the Executive Committee have been delegated by you the task of leadership of this great organization and we have made these recommendations in the belief that we were meant to accept the responsibilities of leadership. We are equally aware that such power as we possess rests not within ourselves, but within the full membership and brotherhood of our organization and that we lead only to serve the organization and the democratic decision-making process that our annual convention represents.

## THE NADER REPORT

Although it is much too soon for any comprehensive evaluation, it is possible that for rural Californians, 1971 may be remembered as the "Year of the Nader Report". So far, Nader's credibility has suffered from the extravagance of some of his charges and revelations on the inaccuracy of some of his facts and the one-sidedness of his research, a problem compounded by the scarcity of copies of his published report. In short, the report appears to be what one

would expect from a research project run by a score of enthusiastic and dedicated students with thesis to prove and no one can yet tell how seriously it deserves to be, or in fact will be, taken.

However, it behooves Grange members to follow the ensuing events closely, and to read the report itself if they have the chance, because at least some parts of that thesis closely parallel the fundamental principles of our organization as they apply to the ownership of rural land and the proper economic and social construction of rural society. Indeed, the report is almost an encyclopedia of issues and arguments that have been of vital concern to California Grangers, past and present.

As it is actually read, many of these issues may gain a currency and receive public discussion to a degree that we ourselves, or any other organization, could not have elevated them. For the Grange there is opportunity in this, but also danger. Where the report opens doors for us, we must walk in, but at our own pace; where it leads falsely, we must stand our ground and refuse to follow. Ultimately we must place our reliance in the free market place of ideas, and trust that the citizens of California and their elected representatives will be able, with our assistance, to separate the wheat from the chaff and use the former as the basis for building a better rural California. *I recommend a careful study of the Nader Report (ECR No. 1).*

### THE GRANGE ACTION PLAN

A year ago, the California State Grange set out to develop a program to provide a better internal focus on its organizational objectives, and to successfully translate these objectives into accepted public policy. This program, the Grange Action Program (GAP), was based on the principle that the Grange should concentrate its efforts on the issues that other rural organizations were either neglecting or upon which they were maintaining short-sighted policies, or where the push that the Grange could give might make the difference between victory and defeat. We are completing a successful year in Sacramento following the principles of GAP, but the structure itself awaits fuller development. One of our objectives next year will be to create the opportunity for a fuller and more rewarding participation in this program by subordinate Granges and individual Grange members. This in turn will allow the program to realize the potential for affecting public decisions that only "people power" can provide. *I recommend improved implementation of GAP at the grass roots level (ECR No. 2).*

### AGRICULTURE

In commercial agriculture, the successful marketing of the farmer's product is the key to a prosperous rural society. All of you are familiar with the lag of farm income behind other

commercial and industrial income, with the increasing percentage of the food dollar that goes to processing, packaging, and retailing, and the ultimate "man bites dog" story of subsidization of the consumer by the farmer that this entails Farmers have customarily tried to combat this situation by improving production efficiency. However, paradoxically their relative success at this has only worsened the more fundamental cause of the problem, which is that farmers have the least bargaining leverage in the entire food production and marketing chain. Furthermore, efforts to improve either production efficiency or marketing power imply both increasing bigness, or diversification through vertical integration. When these developments are controlled by the farmer, they can be beneficial. But when they are dictated to him as conditions of survival, or are used as weapons to divide, isolate, or undercut fellow participants in the production process, they can have a disastrous effect on the rural economy.

Our challenge for the decade ahead would appear to be to develop the machinery that will permit the independent farm operator to harness bigness and its legitimate advantages to his own use as a tool for his own survival. In the marketplace, processing cooperatives have a long history of assistance and some are sufficiently powerful to permit producers collectively to participate effectively in setting the prices of their commodities. Although bargaining cooperatives are somewhat newer, they, too, are coming into their own. However, first they will probably need some additional protection from government, perhaps of a type similar to that provided for labor by the National Labor Relations Act. The Grange is currently watching legislation sponsored for this purpose very closely, both to help it pass, and to be sure that any additional powers these cooperatives receive remain under the control of the farmers from whom they ultimately originate.

Farmers can also use government marketing programs to complement the work of cooperatives, or to do things that voluntary organizations are unable to do. I personally foresee the continuing de-emphasis of direct government intervention in commodity programs through the use of production controls and publicly-funded price supports, and in their place, the expanded use of the "self-help" programs we in California are familiar with under the state and federal marketing order laws. To make these programs work for the benefit of the independent farmer, something must be done to eliminate their present bias in favor of large corporate operations, which can manipulate the marketing order machinery in such a way as to force other farmers, through it, to subsidize their own speculative over-production. The Grange is still refining the concept of a "farm base unit" which would enjoy priority in the returns from commodity marketing, and might have ever wider application to such problems as water development

projects. In the meantime, the Grange has supported proposals to protect the historical rights of producers of canning peaches and manufacturing milk through marketing programs. Both of these plans met with defeats by narrow margins in the Legislature and there is hope that they may be successful in the coming year.

*I Recommend: 1. The establishment of the self-help marketing concept as the basic approach to commodity policy (ECR No. 3)*

*2. The continued development of the farm base unit concept (ECR No. 4).*

*3. A guarantee of the right of producers to bargain effectively with the purchasers of their commodities (ECR No. 5).*

### LABOR

Any organization that advocates the publicly guaranteed power of representative organization for bargaining purposes for farmers should also be prepared to support the extension of the same type of guarantee to the farmers' employees. It is a peculiar tragedy that the farmer's lack of bargaining power in the marketplace has been a fundamental contributing factor to labor relations difficulties in agriculture. To be blunt, farmers and farm workers have for too long been forced to quarrel over a piece of the pie that was not large enough to feed both. It is also disturbing that at the time that organized agriculture has come to accept the need for public sanction of the right of farm workers to bargain collectively, a union movement built upon outside forms of economic power has rejected proposals to subject labor relations in agriculture to an orderly framework of public supervision.

The twin issues here appear to be the right of a union to use a commodity boycott that may ultimately destroy a source of jobs for its members, and to avoid a mechanism for democratic control by the workers it claims to represent. The Grange will not tolerate this kind of unregulated organizational power over farmers under a farm bargaining act, and it becomes no less intolerable when the victims are farm workers. Although efforts to enact an equitable state labor-management relations act for agriculture at this writing, appear to have failed this year, the Grange hopes to supply some of the initiative for a renewed effort next year.

The support by the Grange this year for unemployment insurance coverage for farm workers constituted a major change in the Granges previous policy, and the first significant step taken by a major California farm organization in behalf of the extension of jobless benefits to agricultural work. This change was born of a conviction that it is desirable to upgrade and professionalize agricultural employment and bring it more closely into the socio-economic mainstream, and that there is no reason to force farm workers to bear the

full effects of unemployment when the employees in other seasonal industries do not have to. Further, although the extension of coverage would impose the same payroll tax on farm employers now paid by the other employers, the benefits paid to agricultural employees are estimated to total more than twice this amount. Finally, unemployment insurance should unquestionably be a stabilizing influence on rural communities by promoting permanent residency and bringing money into the local economy during months when agriculture cannot provide full employment. A bill to provide unemployment insurance coverage has, with Grange support at this writing, passed the Assembly and is pending in the Senate.

*I recommend: 1. The enactment of labor-management law covering agriculture (ECR No. 6).*

*2. The extension of unemployment insurance to agricultural employees (ECR No. 7).*

### ENVIRONMENTAL PROBLEMS (CONSERVATION)

The use of chemicals in the control of agricultural pests has been the center of a storm of public controversy in recent years. We can take pride in the fact that our state has a regulatory program that is the soundest in the nation and appears actually to be a jump ahead of the federal government in this regard. This has come about not by chance but through the determined leadership of the California Department of Agriculture and responsible industry organizations. The Grange has been pleased to play an important part in supporting changes in our basic pesticide law which provides for direct controls over environmentally hazardous materials and their recommendation, formulation, and application. We must recognize the need to support a continuing trend towards professionalization of the use of these inherently toxic materials, and the development of better coordination and balance in private pest control programs. Even more important, we must continue to look into the future for technological breakthroughs and for ways of organizing commercial pest control and related regulatory programs so that the objective of maximum control with minimum risk is realized. The Grange intends to continue to supply leadership in developing innovative solutions to these problems, as well as working to defeat proposals that constitute overreaction or retrogression.

An equally serious environmental problem for rural Californians is land use. Foremost among these considerations is the preservation of prime agricultural land. Balancing the needs of the state as a whole for a solid economic base in agriculture against the desires of individual landowners to convert their own property to higher paying uses is a difficult task. And it is understandable that few if any, states have successfully come to grips with this issue. We are fortunate in California that we at least have the beginnings of such a program in the Williamson Act, and that it rests upon the voluntary

choice by local government and farmers to dedicate land to future agricultural use. However, the next necessary step is to bring in a much larger percentage of the state's prime land, and to balance the utilization of the program, particularly in areas where nothing is yet being done.

In addition to the preservation of prime land, there is a need to do a better job in managing these parallel rural and urban land uses in the rural-urban fringe. Here, too, the use of devices like the Local Agency Formation Commission has helped to curb some of the excess of annexation competition, but fringe dwellers still lack anything more than piecemeal protection against the invasion of the type of urban blight that many of them initially moved out of the city to escape. Since such fringe-dwellers are heavily represented in the Grange, it behooves us to make constructive suggestions to deal with this problem, and support the efforts of others to work out equitable solutions.

Water is a traditionally scarce resource in California and for that reason its presence or absence has played a key role in the shaping of California social and economic development. Shifting environmental interests have lead to the public re-examination of many of the state's long-standing water development and distribution policies. Changes in these policies may have far-reaching impact on the rural areas of this state. The Grange should be an active participant in this process of re-evaluation, and make the case both for protecting rural interests and using water development as a positive force in structuring the future growth of the state.

Finally, an omnibus environmental initiative has been qualified for the ballot by the "People's Lobby". In lumping pesticide, oil drilling, smog, and water project bans together, it creates a meat-axe approach to the resolution of exceedingly individual and complex problems, and prevents the consideration of each of these issues on its own merits. I believe the Grange has no choice but to offer its voice in opposition to this proposal, together with a growing number of other responsible and concerned groups.

*1 recommend: 1. Continued improvement in pest control regulation and technology (ECR No. 8).*

*2. The preservation of prime agricultural land (ECR No. 9).*

*3. Improved planning in the rural urban fringe (ECR No. 10).*

*4. A careful review of water development policy in California (ECR No. 11).*

*5. Opposition to the "people's lobby" initiative (ECR No. 12).*

## RURAL LIFE

We have devoted a considerable amount of attention to factors influencing the physical quality of the rural environment. However, at least equally important is the human quality of this rural community. The Grange has long believed that rural living provides opportunities for human fulfillment that are difficult or perhaps even impossible to reproduce in an urban atmosphere. At the same time, if we freely recognize that rural living can also be accompanied by disadvantages, we can develop imaginative solutions to eliminate them as formidable obstacles to the fulfillment we seek.

One problem that comes up time and again and bothers me perhaps more than any other is the physical isolation of many rural citizens from government. With government seeming to become an ever more pervasive factor in our everyday lives, some of the most routine government transactions for an urbanite assume the proportions of a major project for rural dwellers. I think government, and particularly its services, can be made more responsible in rural areas. It is our intention to take the initiative during this coming year in developing proposals for a number of pilot projects that could be used to test different approaches for bringing this about.

An important aspect of rural life is contained in our district and county fair programs. The fairgrounds and buildings provide the only available facilities for community activity in many rural areas, and the fair programs themselves tie together activities that many rural citizens engage in throughout the year as well as bringing new ideas and technology into the community. Of greatest importance is the role that fairs play in supporting rural youth activities. Despite these important functions fairs have been under heavy attack the last few years in Sacramento, and in my opinion, they are not without a share of the blame for this. For example, the present system of fair financing is outmoded and irrational, and gives no real credit to local effort and program quality. Horse racing generates new money each year, but fairs are unlikely to receive any of it until they develop a budgetary system that can be clearly related to the objectives of the fair program. The Grange, while vigorously opposing proposals to abolish existing fairs, pointed this out last year to the "Little Hoover Commission", and some of our suggestions were reflected in their report. We believe the fair concept is a sound one, and needs to be expanded rather than retrenched. For this reason, we have supported the creation of new fairs in urban areas such as Watts, and will continue to press the fairs themselves to develop a constructive response to legitimate problems raised by their critics.

Although most rural citizens have a better opportunity to be more self-sufficient than the typical city-dweller, it is getting increasingly difficult for anyone to escape being part

of the consuming public to some degree. In the food area, particularly, Grange members may have a dual interest in being vigilant consumers, since deceptive practices and low quality products that originate at the processing or retailing level actually cost the farmer sales in terms of his raw products. We believe the Grange can serve as a valuable watchdog on consumer affairs, and are investigating ways of bringing the talents of our members more squarely in focus on this issue.

The fairs are but one part of the over-all educational opportunities available to our youth. This year the Grange has seized the initiative and spearheaded a drive to expand the state's contribution to vocational educational programs. We have succeeded in moving legislation to require the state to match federal contributions to vocational agriculture programs through the State Senate, and hope to broaden our efforts in future years to other types of vocational programs that would benefit rural youth. Lest this be thought to be a parochial concern, it should be understood that even the vocational agriculture program enjoys strong enrollment in urban areas, and is a source of employment opportunities for disadvantaged urban youth. We would also like to help these vocational programs and focus on employment skills beneficial to both continuing and terminal students. In fact, for many of our youth a program combining continuing education and related employment over a period of years might constitute a realistic alternative in the face of our society's inability to fully employ the large number of young people born in the post World War II years. Finally, we think it is important that similar training and education programs be made available to the adult unemployed. In many cases, we appear to be faced with the necessity of backing up and reprocessing the earlier failures of our educational system. Although such a step may increase the cost of public assistance in the short-run, it is probably the only way to decrease these costs in the long run, and to make a mandatory work program for assistance recipients not a dead-end but a new start.

*I recommend: 1. Pilot programs to minimize the disadvantages of rural isolation (ECR No. 13).*

*2. Improved financing for county and district fairs (ECR No. 14).*

*3. More active participation in consumer affairs (ECR No. 15).*

*4. Expansion and redirection of vocational education programs (ECR No. 16).*

#### **PUBLIC FINANCE**

In principle, Grange policy on taxation favors a balanced revenue program that falls equally on all segments of society, coupled with a formula to relate the major burden of financing

as many government programs as possible upon the beneficiaries of those programs. These principles themselves occasion little debate, but it is their application that requires distinctions between the interests of specific groups and society at large, and is responsible for creating controversy. In general, agriculture has long felt that the property tax weighed too heavily on its shoulders, and has sought both to minimize its impact and to promote alternative forms of taxation. Use value assessment programs such as the Williamson Act are a partial answer to this problem, and should be enhanced by state funding of resulting tax losses experienced by local governments. However, almost any alternate source of revenue will have some impact, direct or indirect, upon agriculture and the rural community at large. Business taxes such as transaction, licensing, and value-added taxes undoubtedly will have to be passed on to purchasers of the products or services involved. Sales and income taxes fall both directly on the people and indirectly through business. Even such potential innovations as anti-pollution taxes, which will not be long term revenue sources since their purpose is to deter pollution, will still be passed on to the public in some way.

Current evidence indicates that there will be tax reform legislation this year, and that the major beneficiaries of any property tax reform will be home owners and renters. Withholding on income taxes will probably pick up some tax money that previously escaped. Lowering the depletion allowance on oil and increasing the vehicle license tax will increase the cost of automobile use. A future shift in this direction may occur if the sales tax exemption for gasoline is lifted to permit urban counties to use the money for alternate transportation systems.

Meanwhile, the State Supreme Court has just mandated an overhaul of the state's educational financing system. At a minimum, this will require some equalization of the property tax effort put forth by each district, and could result in a net decrease in the responsibility of the property tax for education. However, proposals such as a statewide property tax for education are likely to increase actual taxes paid by many rural residents, because many rural districts now are relatively "rich" in terms of the ratio of assessed value to student population. This problem will undoubtedly be a high priority assignment for the 1972 Legislature. The Grange does not intend to defend special privileges for anyone, but will look over all proposals carefully to see that they do not unjustly increase property tax burdens in rural areas.

Finally, regardless of what the Legislature does, there are likely to be continued efforts to use the initiative process to enact measures which meet somebody's definition of "tax reform". The Los Angeles County Assessor (Philip Watson) has announced he will make a third attempt to pass a plan limiting property tax rates and this time will provide specific alternate sources of revenue. The Grange position on this

initiative will depend on who the real beneficiaries of the proposal are and what the Legislature does in the meantime.

*I recommend: Careful scrutiny of all tax reform proposals (ECR No. 17).*

### NATIONAL WELFARE

As we gather here today in our 99th session, people of our Nation are face to face with matters of great concern. We see demonstrations, race trouble, arson, murder, subversive acts, defiance of authority, civil disobedience and general breakdown of law and order. We also observe blurring of the image of America in more and more parts of the world.

We can all agree that the preservation and the enhancement of a Democracy as a way of life is dependent on an alert, informed and educated people. To insure this, we should insist that no one be denied the opportunity for education who can reasonably assimilate knowledge. Dollars alone cannot provide a true education, determination, ability, sincere desire plus a real willingness to advance, should be a part of the criteria to determine the necessity of higher learning. Taxpayers should not be obliged to pay the bill for those who take advantage of our educational system year after year and seek to destroy our democracy. We must in our efforts to provide a necessary level of education, insist that rigid business practices be applied—basic fundamentals must be taught in elementary schools. Responsibility, respect and discipline should be emphasized in the school as well as in the home.

Our rural population continues to decrease and our cities continue to spread and burst at the seams like a growing boy with only one pair of pants. This imbalance of population has upset normal economic and social relations and spread havoc throughout the land. Rural slums and city ghettos cause equal or perhaps a greater volume of political rhetoric than the outworn "farm problem". Yet, the problem continues to grow rather than decrease.

The Grange has long taught that "the welfare of each is bound up in the good of all". The cities suffer equally or even more as a result of the rural depression from which we seem unable to extricate ourselves. Families unable to make a living on the farm migrate to the city. If there is no job to be had, they are added to the welfare list or relief rolls. If they take a job that was being held by another, they simply change places, either way, the city is worse off and so is the country.

We should urge the Grange to continue its stand for patriotism, respect for law and loyalty to God and country. We should also urge all citizens to give full support to police and law enforcement officers but with equally positive denunciation and penalties in cases of proven brutality. We should call upon all departments of government at all levels, to take appropriate action to protect society from loss of life and property resulting from lawlessness. As we, therefore, approach the labors of this session, let us remember a part of our

responsibility is to recognize that, though this America of ours is a part of an unsettled and bewildered world society, the basic factors in whatever degree of illness may exist in our society or in that of the world, will of course, be in part, generated or decreased by proper organization. But never let us forget that, though the history of the world is but the history of organizations, there is perhaps even a more important role for our farm family, fraternal type of organization now even more than that which existed a century ago.

### **JUNIOR GRANGE**

As we in California move along the Grange organizational pathway, we should remind ourselves that no greater opportunity or challenge exists for improving and revitalizing the Grange than through the effective use and sponsorship of the Junior Grange.

An active and progressive Junior Grange adds a lift and a new life to a Grange that no other project can or does give. Our work with Junior Granges affords the opportunity to inculcate that lasting impression of personal responsibility, cooperative attitude and respect for law and the flag of our country.

Early in life, they come to realize that in an organized free society, there are stable and constructive channels by which corrections and improvements can be made. It provides an approach to discovery, realization and significance of use of talent. The teachings of our order of Christian principles form a real and positive influence in guiding the activities and conduct in the home and in the meeting place.

Under the able leadership of Sister Eve Rowe, State Superintendent of Junior Granges with the support of her Regional Superintendents, Junior Matrons and Patrons, and the cooperation of Subordinate Grange units, the Junior Granges in California have shown steady progress and improvement during the past year.

I would suggest to all Subordinate Granges where there are enough children to organize a Junior Grange, they give attention to starting one of these worthwhile organizations. It is the responsibility of Masters of Subordinate Granges to appoint a committee to investigate the possibilities of organizing a Junior Grange, thus making available to children, the great value they receive by belonging to a Junior Grange.

A more concise report of Junior Grange activities will be rendered by Sister Eve Rowe, State Superintendent.

### **YOUTH**

California has concluded another successful and progressive year of Youth activities.

The Young Married Program is showing great promise. This year, two successful Organizational and Young Married Planning Conferences were held, and several Regional Youth

Conferences. The Easter Conference, held at Cal Poly, San Luis Obispo, was another outstanding event, with the registration reaching the maximum capacity, which the campus is able to accommodate. If this growth continues (and we certainly hope it does), we will be forced to make other arrangements for the conference.

The Youth Camp held this year at Mendocino-Woodland Park for the first time included the Junior Grangers, had the largest number registered since the camp program was instituted three years ago. Attending these Youth conferences, one gets the impression that these young people are not only interested in the Grange, but during their discussions while in conference, it is apparent that they have a keen appreciation and insight in public affairs that are of importance to the community, county, state, and nation.

We were pleased and most gratified to have our Young Marrieds, Brother and Sister George Schmidt, State Prince, Brother Mike Smith and State Princess, Sister LuAnn Fraguero, selected to represent the National Grange as Grange Ambassadors.

I am sure deep in everyone's heart, there is a wish or a yearning that what is now begun be continued or that it form the basis for improvement.

If we want the Grange to live, and I am sure we do, then all along the line, we must revitalize our thinking, our programs and our activities to fit the needs of the generation in which we live and serve. It is only by providing youth opportunity to participate in our determinations that we can adapt programs to meet the needs of today's society.

Sister Betty Smith, State Director of Youth Activities, will render a more detailed report to this session.

#### **WOMEN'S ACTIVITIES COMMITTEE**

During the Grange year just closed, the California State Grange CWA Department, under the able leadership of State Director, Sister Gladys True, her Regional Directors, and with the cooperation of her Pomona and Subordinate Chairmen, has again made outstanding progress in the valuable contribution this department makes to Grange growth and activities in California.

In all State Grange Programs, even legislative and economic movements, the women of the Grange have had an important role. To attempt to even present a limited number of activities of WA Committees in California might well occupy a greater portion of this entire report. The funds they have raised for Pomona and Subordinate Granges and their charitable work is not only outstanding but constitutes a record for such work in the State of California. The California State Grange is very appreciative of this contribution by our Women's Activities Committee.

### MEMBERSHIP

The Membership Builder Program instituted in 1968 continues to bear fruit. Each of the past four years, we have recorded a net gain in membership, this year being the largest with 190 Subordinate Granges making a net gain — seventeen held even.

Two new Subordinate Granges have been organized since our convention in Santa Maria: Copper Mountain No. 814 in San Bernardino County and Pony Express No. 815 in El Dorado County.

A more concise and detailed report will be rendered by Sister Elsa Rodrigues, State Director of Membership, at the session.

### CREDIT UNIONS

The Grange Credit Union movement in California began in 1934. During its 37 years of service, untold benefits have accrued to individual Grange Credit Union members and by this record of service the Credit Union movement has grown until today, California leads all Grange States in the number of credit unions in operation. Not only do Grange Credit Unions make loans available to our membership, but at the same time constitute a most satisfactory savings organization. In some instances, Grange Credit Unions have reached the point where they can supply all their credit union members financial needs. During this session, time will be set aside for a credit union conference. I would suggest that all Grange members who have not affiliated with a credit union, investigate the advantages which are available from these worthwhile organizations.

Sister Eunice Smith, Chairman of the State Grange Credit Union Advisory Committee will render a report on Credit Union Activities to be made a part of the Journal of this session.

### CALIFORNIA GRANGE NEWS

The California Grange News continues to expand and improve its position as a recognized outstanding agricultural publication in California.

This recognition and acceptance by public agencies is most encouraging. The Grange News stimulates interest in all Grange activities throughout California as well as our Sister Grange States of the Nation.

Under the able guidance of Editor and Business Manager, Brother Jack Berry and his efficient staff, the *News* looks forward to still greater accomplishments and service.

A more concise and detailed report will be rendered by Brother Berry and made a part of the Journal of this session.

### GRANGERS BUSINESS ORGANIZATION

This cooperative supply system of the Grange in California justifies its existence in continuing money-savings in the purchase of petroleum products, wire, fencing, pipes, roofing and

all necessities for modern home and farm equipment. The GBO during its years of service has saved Grange members millions of dollars on items purchased.

Business Manager, Brother Paige Harper, and the GBO staff continually seek ways to better serve Grange members. All Grangers are encouraged to investigate the bona fide savings that can be affected in day to day purchases. The office of the supply warehouse is located on the Grange triangle in Sacramento at State Grange Headquarters.

### **INSURANCE**

Without adequate insurance protection, it would be difficult, if not impossible, for modern business and enterprise to continue progress under our present day escalated cost structure. Recognizing this need, the Grange continues to provide, through its affiliated service organizations, a wide variety of coverage at a most reasonable cost.

### **CALIFORNIA BLUE SHIELD**

This hospital and health program has since 1946 rendered outstanding services to thousands of Grange members in times of medical need and hospital care. Blue Shield offers a program that is well worth evaluation by Grange members.

### **COMMERCIAL INSURANCE COMPANY HOSPITAL AND MEDICAL PLAN**

The Commercial Insurance Plan instituted in 1965 has by service rendered to thousands of Grange members in our State, proven its worth. It is considered one of the most liberal hospitalization and surgical policies now in existence.

### **WORKMEN'S COMPENSATION COVERAGE**

Through agreement with Truckers Insurance Exchange, California Grange members employing agricultural labor are afforded compensation coverage at a reasonable premium cost. Grange members in this category of qualification and need should contact California State Grange Headquarters, 2101 Stockton Boulevard, Sacramento.

### **GRANGE INSURANCE ASSOCIATION OF SEATTLE**

This association, owned and operated by Grange members, writes general, automobile, fire and extended insurance coverage in seven Western Grange States. The continued increase in policy holders in our State would indicate the programs offered are being well received by Grange members.

The Grange Insurance Association of Seattle is located in its own headquarters building at 925 Howe Avenue, Sacramento, with agents located at convenient points throughout California to properly serve all Grange members.

Representatives of these service organizations will be present at this convention to discuss with Grange members, any problem they might have related to their particular area of service.

## IN CONCLUSION

The Order of Patrons of Husbandry was conceived and brought into being, as a vital and necessary part of the processes of self-government. To the extent that we believe in ourselves, and in the principles of self-government, therefore, it is ours to build the Grange; build it to a structure worthy of the glory and dignity of living in rural America, of the importance of providing the material necessities for fellow Americans and (to an appropriate extent under existing conditions) to the earthly human race.

Great as has been the record of the Grange in the past, we must here determine how we can further improve its value; build its membership; improve its service to Subordinate Grange communities, so that they become better communities because there is a Grange there; and extend its membership to include those who see good in their fellow beings; are interested in agriculture, and have generous hearts and open hands to help the needy, raise the fallen and aid in making the labors of this life cheerful. We must then stimulate these members to greater service, out of which greater life's satisfaction can come. This is the Grange.

Just as the Grange in California has been identified with agriculture and rural progress for the past 99 years, so must this Grange of ours make known and understood its influence and impact on rural life and agriculture in the course of events which will constitute California history in the years to come. Our immediate purpose and objective must be an even more vigorous and growing Grange. We must strengthen and extend our network of Junior Granges. We must further build and improve upon our program of Youth and Young Married activities. We must expand and supplement our program of Women's Activities.

In short, we must extend the science of better living within and beyond the Grange. We must continue to emphasize the beauty and high privilege of rural life; its rich rewards and its inspirational background which gives birth to a keener perception of mind and a sharper focus of action. We must continue to reason together for our mutual instruction and protection to lighten labor by defusing a knowledge of our aims and purposes, by improving the communities in which we live and serve, by enriching our minds, and by constantly seeking to develop a higher manhood and womanhood among ourselves.

We must be a part of the rapid evolution. But we must revitalize those fundamental philosophies which are changeless and timeless.

The Grange must contribute to this evolution by extending our constructive relationships between government and the people. Who is better able to assume this responsibility than the Grange, with its dynamic self-governing processes?

Conversely, as we stimulate and develop the Grange activities in rural communities within California, we will enlist our fellow citizens in stimulating the desires and objectives of individuals thereby further increasing the prospect of human progress and development.

Therefore, there is a need for a vigorous, viable Grange Program in every Pomona and Subordinate Grange in California. The Order of Patrons of Husbandry has the tried and tested organizational structure, which has demonstrated a capability of meeting the needs of rural Californians—of giving them an effective instrument through which they may work and by which they may give voice that can be heard; and thus, become a tool, an organization through which they may work in Fraternity to better themselves, their community, their country and their fellowman.

It is our purpose that during this session, you will receive comprehensive reports covering virtually all phases of Grange activity during the past year, and carrying some suggestions and recommendations for your consideration for the future progress.

Suffice it to say here that we can be proud of the past. But we must do better. We can define the challenges and opportunities, but we must also meet them. We can formulate purposes and objectives, but we must achieve them.

### IN MEMORIAM

Since last we assembled in annual session in the City of Santa Maria, many members have been called from Granges at all levels, they will be missed by their families and friends.

But life continues on and we here assembled dedicate our lives to the tasks before us in memory of those who have labored so diligently down through the years. Their positive influence for good remains with us. None of us knows when the summons will come calling each to his final rest.

Events of earth do not challenge in the eternal home—they are at rest for Eternity.

In memory of these deceased Sisters and Brothers, this session will pause in its labors on Thursday afternoon and under the direction of our State Grange Chaplain, Brother Harleigh Gallup, a fitting memorial service will be conducted.

## OVERSEER'S REPORT

*Worthy Master, Officers of the California State Grange, Greetings:*

This ninety-ninth session of the California State Grange has been called to order in this fair City of Santa Cruz, situated in this beautiful, productive agricultural area.

The Grange officers and members of this county and the officers of this city, have put forth great effort to make this session of the California State Grange a successful and pleasant policy building session.

We wish to compliment the C.W.A. for the fine work that has been performed throughout the State. We highly commend the Directors of the membership committee, director of the youth group, also the chairman of the Junior Grange, and all others who have had a hand in the building of a better and strong Grange in the State of California.

I want to thank all of the Granges who extended invitations to come to their meetings, I also express my regrets to those we were unable to attend.

It is hoped that during this session of the delegate body that legislation may be forth coming which will build a stronger America, promote a strong incentive, to stop the war, to enact a stronger penalty on all drugs, and to again put forth laws which will bring the criminal to much quicker justice and stiffer penalty.

We hope for a pleasant and fruitful session and for a great year ahead.

Fraternally submitted,  
Vayne O. Ralston, Overseer  
California State Grange

## LECTURER'S REPORT

*Worthy National Executive Member, State Master, Sister Doris, State Officers, Delegates and Members of the California State Grange:*

This year has been a happy year for me. Rich in experiences, love and honors so generously lavished on me by the Lecturer's and members of the Grange. Your kind words to help and encouragement have made it a pleasure to carry out my work. To all of you, I express my profound thanks. While I have not accomplished all I had hoped to do, still I hope I have not proven unworthy of the trust you reposed in me. Whatever has been accomplished has been the results of splendid cooperation and loyalty of the Lecturer's, Officers and members throughout the State of California.

I wish to thank all Grangers who have extended invitations to Robley and I and express our regrets that we were not able to accept all of them. Ending of 1970 year I sent 173 Subordinate Lecturer's certificates and 31 Pomona Lecturer's Certificates for prompt reports, a gain of 47 over 1969.

The Executive Committeemen have been given a complete report on the Lecturer's Library Fund. 110 Lecturer's sent one dollar each for 1971. I spent \$129.45 on stamps and other material I needed for my work, leaving a balance of \$28.66 up to August 30th 1971. I gave 17 Regional Lecturer's Conferences throughout the state, most of them were well attended, and all who came, I am sure gained by them. The CWA and members of the Granges always served us a delicious pot luck dinner to start our conferences off right. I want to thank the Deputies, Masters and all those who helped to make these conferences a success.

"Community More Beautiful," was one of the Lecturer's main projects to work on this year. There were 15 essays sent to me on this project. Subordinate Lecturer Melva Simpson of Whitehorn Grange No. 792 won first place award at state level. Her essay was sent to the National Lecturer for judging. Subordinate Lecturer Mamie Maryfield of Morro Bay Grange No. 749 won second and Pomona Lecturer Ruby Schuler, Fresno Madera No. 24 won third place.

So far there has been 28 Booster Night reports sent in. The three winners on this report are Ocie Lee Brent, Concow Grange No. 735, first; Mamie Maryfield, Morro Bay Grange No. 749, second and Fannie Mae Errico, Penngrove Grange No. 740, third.

Booster Night has been well received again this year. We need Booster Nights. This encourages the members who have not been to Grange to come, and also promotes interest in the community, and we gain new members by giving them. In 1972, Booster Night will be called Community Night, which will be the same as Booster Night. The National Grange will again recognize it.

The winners of the Talent Contest will be announced right after the State Lecturer's program this evening. The awards will be: First Award, \$80.00; Second Award, \$60.00; Third Award, \$40.00.

The California State Grange will pay up to \$300.00 for transportation to the State Talent Winner to go to the National Grange to enter their Talent Contest.

The "Family Musical Group", has one award at State Level which is \$80.00. The State Grange will not pay their transportation to National. We feel their Pomona Grange or their Grange will help furnish their transportation.

I again thank all who have made this year such a pleasant one for me. In closing I have this little verse to read—

Many times my thoughts will turn  
Now that this year's work is through  
In happy memory ever new;  
And thank God for the joys I found  
In my friendly work with you.

Fraternally submitted,  
Ruby A. Duncan, Lecturer

**STEWARD'S REPORT**

*Worthy Master, Fellow State Officers, Brothers and Sisters:  
 Hello Everyone,*

Once again it is with great honor and pleasure that I greet and serve you at this 99th annual session of the California State Grange here in this beautiful city of Santa Cruz.

In reviewing the accomplishments of the past years and considering the problems facing agriculture, which effect the economy of our State and Nation, we find that progress has been made in many phases of the programs adopted by the Grange.

There have been tremendous changes in everything since this California State Grange was organized some 99 years ago. However, amid all these changes that have come about, and that will continue to take place, there will always be families and there will always be communities, and the Grange will always fit in because it is a family community organization. The Grange was founded upon great needs and it was formed on broad basically sound principles. We must continue to build upon these principles.

I think we must more and more systematically stress the importance of membership growth.

This is important in any organization. They grow or they decline. This is true of the Grange as of any other organization. The greater our membership the more power and influence we have on legislation. Brothers and Sisters, we need the best Grange we can build for the future.

Would like to thank Brothers Earl Jones and Russell Spain and their committees and all the Grangers of Santa Cruz County for their diligent and untiring hours of work in setting up the plans for this 99th annual session.

Once again my many thanks to those Granges for their kind invitations to their many functions. Sister Hendricks and I regret we were unable to attend them all, and wish them every success in the future.

Fraternally submitted,  
Leonard Hendricks, Steward  
California State Grange

## **ASSISTANT STEWARD'S REPORT**

*Worthy Master, Officers and Members of the California State Grange:*

Greetings and best wishes from the office of Assistant Steward at this the Ninety-ninth Session of the California State Grange.

It has been a pleasure and an honor to serve the Grange in this station this past term. I want to take this opportunity to thank the many Granges for all the kind invitations they extended to Sister Bley and myself this past year; we are just sorry we were unable to attend all of them.

Fraternally submitted,  
P. Kenneth Bley, Assistant Steward  
California State Grange

## **CHAPLAIN'S REPORT**

*Worthy Master, Fellow State Officers, Delegates, Brothers and Sisters:*

It seems only yesterday that I reported to you for 1970.

The duties of Chaplain have been very pleasant throughout the past year. I appreciate all the assistance given me. Without it I would not have been able to fulfill the duties of my office.

Many of our loyal workers have been called to the Great Grange Above, may their souls rest in Peace.

May our Faith in God guide and direct us all in our deliberations, on the issues brought before us at this Convention as it has in the past.

Fraternally submitted,  
Harleigh Gallup, Chaplain  
California State Grange

**TREASURER'S REPORT****1970-1971**

*Worthy Master, Officers and Members of the California State Grange:*

The day to day expenses of the California State Grange have had to increase to meet the demands of inflation, pay for new and more expenses as directed by the delegate body at our annual conventions. Thus we find our expenses this year higher than any year previous. The Master, Secretary, and their staffs work many long and hard days to promote the Grange and its many achievements.

<sup>1</sup> The report of the treasury is as follows:

Fraternally submitted,  
Harry P. Schmidt, Treasurer  
California State Grange

*To the Officers and Delegates of the California State Grange:*

The honor of being your treasurer has been one which I shall always cherish as long as I live. I have attended every Grange convention since 1935 and shall make every effort to continue that record. However other duties beyond my control make it impossible for me to carry out the duties of the office as they should be, therefore I shall have to decline the nomination for State Treasurer at this time.

Fraternally submitted,  
Harry P. Schmidt, Treasurer  
California State Grange

## 1970 - 1971 SECRETARY'S ANNUAL REPORT

*Worthy Master, Officers and Members of the California State Grange:*

Best Wishes from the Office of Secretary. Once again we are assembled in the City of Santa Cruz to hold our Ninety-ninth annual Session. The records show that our last Session held in this fair city was the year 1958.

I would like to thank each of the Granges for their special invitations extended to me and my family throughout the year. Also my sincere thanks to the Secretaries for their wonderful assistance in cooperating with the State Office.

Many building donations have been received and recorded in the files that we maintain for each Grange. I'm very happy to announce that 62 Granges have fulfilled their pledge of paying \$3.65 per member. The names of these Granges are:

- |                          |                              |

It has been a pleasure to again serve you as your State Grange Secretary.

The following report has been duly audited by a Certified Public Accountant.

## MEMBERSHIP

As of the June 30, 1971 quarter, membership reported to the National Grange was 42,156 members with 328 Subordinate Granges reporting. This showed a net gain of 465 members from the March 31, 1971 quarter. Compared to these figures we had an increase in membership of 1,693 members for the year, as the June 30, 1970 report recorded a membership of 40,463 members. Greenhorn Grange No. 384 in Siskiyou County, again leads the Subordinate Granges with the largest membership of 544 members. Followed by Hangtown Grange No. 464 in El Dorado County with 532 members, followed by Orangevale Grange No. 354, Sacramento County with 525 members.

Pomona Grange membership showed a membership of 9,450 in 47 Pomona Granges. Butte County Pomona Grange No. 16 again heads the list for the largest Pomona Grange membership with a total of 782 members. Mendocino County Pomona Grange No. 10 was second with 596, followed by Sonoma County Pomona Grange No. 1 with 547 members.

Junior Granges in California reported 851 members with 22 Granges reporting. There are 35 Junior Granges recorded as of the June 30, 1971 quarter.

## NEW GRANGES

Two Subordinate and four Junior Granges were organized during the past fiscal year.

Copper Mountain No. 814—

Organized Feb. 23, 1971 by Ulyuss Rose,  
Deputy, San Bernardino County

Pony Express No. 815—

Organized June 30, 1971 by Leland Miller,  
Deputy, El Dorado County

Prunedale Junior No. 21—

Reorganized Feb. 21, 1971 by Clesson Buhler,  
Deputy, Monterey County

Scott Valley Junior No. 189—

Organized March 10, 1971 by Vayne Ralston,  
Deputy, Siskiyou County

Three Forks Junior No. 66—

Reorganized March 12, 1971 by Leland Miller,  
Deputy, El Dorado County

Garberville Junior No. 190—

Organized April 21, 1971 by Otto Heinrich,  
Deputy, Humboldt County

## GRANGE HALL DEDICATION

Two hundred thirty six Grange Halls have been dedicated to date in California, including Marshall Grange No. 451, El Dorado County which was dedicated this past year. Worthy Master Deaver presented a check in the amount of \$50.00 from the California State Grange.

### GATE KEEPER'S REPORT

*Worthy Master, Fellow Officers, Delegates of the 99th Annual Convention and Members Present:*

This year I greet you alone. Sister Moody is off with 44 other Grangers enjoying the GRANGE JET-TO-EUROPE trip. At present writing she says to send money, she is broke; and sends her greetings and regards for a good convention.

We enjoyed attending your meetings where we were able and are sorry we were unable to accept all the invitations received.

The Gate Keeper's office, with the aid of the Deputy force, continues to strive for ease of admission to our daily sessions, with a minimum of inconvenience, we hope, to all. The Deputies and myself thank you for your cooperation.

Once again we are trying harder.

Yours for a happy convention.

Fraternally submitted,  
Albert E. Moody, Gate Keeper  
California State Grange

### CERES REPORT

*Worthy Master, Distinguished Guests, Officers and Members of the California State Grange:*

A memorable year has past for me and my family. My husband and I were privileged to serve as the Young Couple of the Year and to visit around the state and also in the state of Idaho.

We would like to say thank you for all the invitations and courtesies given to us as the Young Couple of the Year and to me as the States Ceres.

We only regret that we were unable to accept all of the invitations.

My best wishes for an enjoyable and rewarding 99th session of the California State Grange.

Fraternally submitted,  
Doris Schmidt, Ceres  
California State Grange

### **POMONA'S REPORT**

*Worthy Master, State Officers, Delegates and Members of the California State Grange:*

Greetings:

Again it is my privilege to greet you as Pomona of this State Grange; the office I have had the pleasure of fulfilling to the best of my ability for the past four years. It has truly been an honor and pleasure for me.

This is the second time I have had the pleasure of attending state session in beautiful Santa Cruz.

May this session be a fruitful and rewarding experience for each Grange represented here as well as for the state as a whole.

May each in attendance return home inspired with determination in bettering our great organization for the ensuing year.

Fraternally submitted,  
Ardythe Ward, Pomona  
California State Grange

### **FLORA'S REPORT**

*Worthy Master, Fellow Officers, and Delegates of the California State Grange:*

I would like to thank all the Granges for their invitations, my family and I received this year, we wish we could have attended all of them.

It has been a real pleasure serving as State Flora this year, and presenting our country's flag at convention.

Leroy and I have enjoyed working with the Youth and Young Marrieds in our district this year. We have made a lot of new friends through the Young Married's conferences.

Best wishes for a very prosperous and successful 99th session at Santa Cruz.

Fraternally submitted,  
Ann Larson, Flora  
California State Grange

### **LADY ASSISTANT STEWARD'S REPORT**

*Worthy State Grange Master, State Officers, other Dignitaries and Patrons all:*

Once more it has been my pleasure to assist with the opening ceremonies of our Annual State Grange Session and to meet so many friends that we only greet once a year.

Brother Coast and I have received many wonderful invitations and thank you all kindly for thinking of us, although our activities and family have prevented us from accepting all.

Have a wonderful time at this 99th session, and consider well the many things to be decided this week.

Fraternally submitted,  
Carrol Coast, Lady Assistant Steward  
California State Grange

## MUSICIAN'S REPORT

*Worthy Master, Delegates, Brothers and Sisters:*

Welcome to the 99th State Grange Convention. Next year will be the 100th year. It has had some rough spots to take care of, there will be more rough spots, it will succeed with good Grangers cooperation.

It has been a great pleasure to be your musician in the past. I look forward each year in taking part in the State Grange Convention.

Music in a Grange meeting, is a real asset, it helps to liven a meeting.

If any of you are elected to the office of musician, try to fill the office, you are important.

It is a great feeling to shake hands with so many loyal friends. Sister Campbell and I have received these wonderful handshakes at many Grange meetings, both in California and across the U.S.A.

Fraternally submitted,  
Bill Campbell, Musician  
California State Grange

## MINUTES

### MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

Santa Maria, California, October 19, 1970

The California State Grange Executive Committee met at the Vanderberg Inn, Santa Maria, October 19, 1970.

The meeting was called to order and the minutes of the preceeding meeting of September 18, 1970 were approved and signed.

In addition to State Master Deaver, there were persent, Committee Members, Lloyd Piper, S. E. Rafter and John Freitas.

The Committee met with Mr. Ray Cramer and Mr. H. Allen who reported on a service offered by their company; Independent Tax Corporation, in connection with problems concerned with Estate Planning and Estate Conservation.

The Committee reviewed the California State Grange Financial Statement and report of examination by C.P.A.

The Convention Program was discussed and it was agreed to adopt the program without reading.

The reading of the Credential Committee Report was discussed and it was agreed to adopt reading of only those Granges which are not represented.

The Committee discussed suggested change in Chapter IX, Section 15 of the Digest deleting "sell" on first line and insert "transfer title".

No further business offering, the meeting was adjourned.

Approved: 12-11-'70

S. E. Rafter, Member

John Freitas, Member

### MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

Santa Maria, California, October 24, 1970

The California State Grange Executive Committee met at the Vanderberg Inn, Santa Maria, October 24, 1970.

The meeting was called to order and the minutes of the Journal of Friday, October 23, 1970 were read and approved.

In addition to State Master Deaver, there were present, Committee Members, Lloyd Piper, S. E. Rafter, John Freitas and State Grange Secretary, Marjorie Brown.

Sister Brown presented financial report of September 1970. Convention expenses were discussed in detail.

Plans and expenses for sending Prince and Princess, Young Married Couple and Youth Director to National Grange were discussed. It was agreed to formulate rules for these expenses and guidelines to follow in the future: five cents a mile and \$5.00 per day for food.

December Deputy Conference was discussed. Executive Committee will meet Friday, December 11, 1970 before the Deputy Conference.

Brother Piper was asked to check on Office Equipment Insurance Floater.

Itemized cost of Regional Conferences for Sisters, Rowe, Hadley and Smith was discussed.

Committee discussed printing of vouchers for various department heads.

No further business offering, the meeting was adjourned.

Approved: 12-11-'70

Lloyd V. Piper, Member

S. E. Rafter, Member

John Freitas, Member

#### Ukiah Autumn Leaves Incorporation

Committee reconvened at 11:50 a.m. October 24, 1970 and the meeting of the Board of Directors of the Ukiah Autumn Leaves Incorporation was called to order.

Present were: Mr. Claude Trimble, Chairman; Mr. Arthur Burke, Treasurer; Mr. Chester Deaver, Director; Mr. Lloyd Piper, Director; Mr. John Freitas, Director and Mr. Dick Rafter, Director.

By-laws of the organization were read.

Discussion on progress of financing of project was held.

Chairman Trimble brought members of board up to date on progress of getting the project underway.

Election of officers was held. It was moved and seconded that same officers be elected. Adopted.

Result: President: Claude Trimble; Vice President: E. Munson; Treasurer: Arthur Burke; Secretary: A. Eldrick.

Meeting was adjourned at 12:30 p.m.

Approved: 12-11-'70

Lloyd V. Piper, Member

#### MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

December 11, 1970

The Executive Committee of the California State Grange met at the headquarters building in Sacramento, December 11, 1970 at 9:30 a.m. In addition to State Master Deaver, there were present, Committee Members, Lloyd V. Piper, S. E. Rafter and John Freitas.

The meeting was called to order and the minutes of the two preceding meetings of October 19 and 24 were approved and signed.

Jack Berry, Editor and Business Manager of the Grange News presented his report.

Sister Marjorie Brown, State Secretary presented her report.

Herman Grabow, Legislative Representative presented his report.

Howard Herbes, Advertising Salesman for the Grange News conferred extensively with the Committee as to his problems with ads in the News, such as errors in the ads—need for business stationery with correct name and address, ads killed that are still running, ads omitted, names and signals left out or incorrect. Problem in understanding the limit to number of lines used in ads.

Sister Ruby Duncan, Lecturer presented her report and conferred with Committee as to number of conferences and plan to conform to the schedule of CWA conferences. Awards for talent contest: Motion by Brother Rafter, seconded by Brother Freitas that maximum amount of \$300.00 be paid to defray expenses for talent contest winner in trip to National Session. (State Awards: First—\$80.00, Second—\$60.00 and Third—\$40.00). Family Group Talent Award: This was discussed and it was decided that first award at state level would be \$80.00—no provision made to defray expenses to National Grange.

Brother Grabow returned with Bill Geyer to confer with Committee on legislative program for Grange—especially GAP (Grange Action Program).

No further business offering, the meeting was adjourned.

Approved: 1-22-'71

## MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

January 22, 1971

The Executive Committee of the California State Grange met at the headquarters building in Sacramento on January 22, 1971 at 9:30 a.m. In addition to State Master Deaver, there were present Committee Members, Lloyd V. Piper, S. E. Rafter and John Freitas.

The meeting was called to order and the minutes of the preceeding meeting of December 11, 1970 were approved and signed.

Jack Berry, Editor and Business Manager of the Grange News gave his report. Problems involving finances and personnel were discussed extensively.

Thomas Olson, Jr., Attorney at Law, presented new concept of legal service for Grange Membership — particularly in Sacramento and adjoining areas. Motion by Brother Piper, seconded by Brother Rafter authorizing State Master to proceed with the proposal presented by Mr. Olson for this legal service. Carried.

State Grange Secretary, Sister Marjorie Brown, presented her report. Purchase of new copying machine was also discussed. Sister Brown was authorized to obtain figures in such purchase and report at the next executive committee meeting.

Mr. Oscar Pfanner joined with committee to discuss adjustment of lease in renting of the upstairs offices. Further figures will be obtained and final agreement will be reached by the February meeting.

Brother Berry returned to meeting with figures relating to curbing expenses of the Grange News. No action at this time.

Committee agreed on February 19, 1971 as next meeting date.

Youth Expense voucher for LuAnn Fraguero: Motion by Brother Rafter, seconded by Brother Piper that this voucher be paid.

State Master Deaver presented pamphlet, "Grange Leadership Guide" to Committee. It was agreed that this was excellent and will be sent to all Masters.

Herman Grabow, Legislative Representative presented his report and discussed recent testimony given at Los Angeles on "Little Hoover" Commission. Other legislative matters were discussed.

No further business offering, meeting was adjourned.

## MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

February 23, 1971

The Executive Committee of the California State Grange met at the headquarters building in Sacramento on February 23, 1971 at 9:30 a.m. In addition to State Master Deaver, there were present Committee Members, Lloyd V. Piper, S. E. Rafter and John Freitas.

Jack Berry, Editor of the Grange News presented his report. It was agreed by the Committee to pay the News \$5,000 in subscription money. (\$4,000 for Auburn Journal and \$1,000 payment to Oscar Pfanner).

John McCommish, Wright & Kimbrough Real Estate, presented an evaluation of CSG lease with Oscar Pfanner, including tax increase clause, 5 year lease, adjustment of insurance on building. It was agreed that an approximate increase of 33% be presented.

Code Reading cards were discussed. It was agreed that that should come under the jurisdiction and supervision of the Deputy force.

Reprinting of Cook Books was discussed. Will be looked into further. No action at this time.

Budget for the California State Grange was discussed.

Workmen Compensation — Farmers Insurance letter was read by committee.

Convention plans for 1971 — Santa Cruz were discussed. It was agreed that State Master Deaver would go to Santa Cruz this spring to firm up plans.

Keychains purchased by Youth: Brother Rafter was authorized to investigate this and see that bill for these keychains is paid and remaining keychains sold.

Regional contests for various teams were discussed.

No further business offering, meeting was adjourned.

Approved: 3-23-'71

Lloyd V. Piper, Member

S. E. Rafter, Member

John Freitas, Member

#### MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

March 23, 1971

The Executive Committee of the California State Grange met at the headquarters building in Sacramento on March 23, 1971 at 10:00 a.m. In addition to State Master Deaver, there were present Committee Members, Lloyd V. Piper, S. E. Rafter and John Freitas.

The meeting was called to order and the minutes of the preceding meeting of February 23, 1971 were approved and signed.

State Grange Secretary, Sister Marjorie Brown presented her report. Problem of new ruling of Franchise Tax Board involving forms to be filed by individual Granges was discussed at length. Payments for new supply of cookbooks was discussed. Committee discussed transfer of funds to form new Cookbook Fund. Sister Brown presented prices on new copy-makers and demonstrated A. B. Dick Machine.

Jack Berry, Editor and Business Manager of the Grange News presented his report.

Oscar Pfanner joined the Committee to confer about renewal of the lease and problem of air conditioner. Mr. Pfanner suggested committee contact Jim Vendley Air Condition Service. Committee agreed.

Herman Grabow, Legislative Representative, CSG presented report to Committee and handed out a number of the current bills to the Committee.

April 22, 1971 was tentatively set for the next meeting of the Executive Committee.

State Master informed Committee that he and Sister Gladys True would meet in Santa Cruz on April 4 to make preliminary arrangements for convention in October.

No further business offering, meeting was adjourned.

MINUTES OF THE EXECUTIVE COMMITTEE MEETING  
CALIFORNIA STATE GRANGE

April 22, 1971

The Executive Committee of the California State Grange met at the headquarters building in Sacramento on April 22, 1971 at 10:00 a.m. In addition to State Master Deaver, there were present Committee Members, Lloyd V. Piper, S. E. Rafter and John Freitas.

The meeting was called to order and the minutes of the preceding meeting of March 23, 1971 were approved and signed.

Herman Grabow and Bill Geyer presented legislative report to committee. The Grange plans to endorse bills (1) Extending unemployment funds to farm workers (Duffy Bill) (2) Financing of District and County Fairs (Monagan). (3) Cooperative Education Program, and (4) Farm Base Unit (Senator Marler will introduce spot bill).

Sister Marjorie Brown presented State Secretary's report. Purchase of new copy machine was discussed. Motion by Brother Freitas, seconded by Brother Piper that A. B. Dick 675 Demonstrator be purchased. To be paid for in three payments. Carried.

Oscar Pfanner and Robert Boley met with the Committee to discuss adjustment and renewal of the lease of upstairs offices. This was extensively studied by the Committee and the State Master will present the adjusted figures to Mr. Pfanner and Mr. Boley.

Jack Berry, Editor, presented the report of the Grange News to the Committee.

Correspondence from Betty Smith, Youth Director, was read to Committee and discussed at length.

Santa Cruz Convention plans were briefly discussed.

Tentative date of May 27, 1971 was scheduled for next Executive Committee meeting.

No further business offering, meeting was adjourned at 5:30 p.m.

MINUTES OF THE EXECUTIVE COMMITTEE MEETING  
CALIFORNIA STATE GRANGE

May 27, 1971

The Executive Committee of the California State Grange met at the headquarters building in Sacramento on May 27, 1971 at 10:00 a.m. In addition to State Master Deaver, there were present, Committee Members, Lloyd Piper, S. E. Rafter and John Freitas.

The meeting was called to order and the minutes of the preceding meeting of April 22, 1971 were approved and signed.

Jack Berry, Editor and Manager of the Grange News presented his report. Brother Berry reported that the Howard Herbes note has been completely paid off. Brother Berry also reported that a new salesman, Al Miguel, has been hired for the Grange News.

Sister Marjorie Brown, State Grange Secretary presented her report. Payments on new order of cook books was discussed. First payment check to be issued on receipt of books.

Lease with Oscar Pfanner was discussed. It was agreed that there would be a 25% increase.

Problem of parking space in Grange lot was discussed.

State Master Deaver read legislative report from Herman Grabow who was attending a hearing at the State Capitol.

Report from Farmers Insurance Group relative to Compensation Insurance was read by Committee.

Correspondence concerning resuscitator belonging to Julian Grange was read to committee. Brother Rafter will look into the matter and advise Grange to donate resuscitator to Fire Department or other qualified party.

Vendley Air Conditioning Service was discussed.

Parking problem was again discussed at length. State Master will investigate and report to committee.

State Master's appointment to represent the National Grange at the Oregon State Session was discussed. It was agreed that the State Master take the Prince and Princess of the California State Grange to the Oregon State Convention.

Committee discussed mileage for Regional Chairmen at convention.

Per capita raise for Grange News was discussed by committee. No action at this time.

Tentative date of June 24 was set for next meeting.

No further business offering, meeting was adjourned.

#### MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

June 24, 1971

The Executive Committee of the California State Grange met at the headquarters building in Sacramento on June 24, 1971 at 10:00 a.m. In addition to State Master Deaver, there were present Committee Members, Lloyd V. Piper and S. E. Rafter. Brother John Freitas was absent.

The meeting was called to order and the minutes of the preceding meeting of May 27, 1971 were approved and signed.

Brother Jack Berry, Editor of the Grange News presented his report. Various tours were discussed.

State Grange Secretary, Sister Marjorie Brown presented her report. Sister Brown discussed making up the difference in Grace Lemos' wages while recuperating from operation.

Committee agreed that this should be done. Lease of upstairs offices was discussed. It was agreed that said lease must include tax clause.

Letter from Betty Smith dated June 14, 1971 requesting sashes for Young Married Couple of the Year was read. It was agreed that these be offered. Also letter dated June 20 from Sister Smith relative to Camp for Youth at Mendocino Woodlands Camp Association, Inc. was read. Insurance for this camp was discussed. Brother Piper will look into this matter and report to committee.

Brother Herman Grabow gave legislative report and also discussed updating salaries for employees with committee suggesting that this be 10-15% raise. Brother Grabow announced that Grange-Dairy Day at the Fair will be Friday, August 27, 1971.

Thomas Olson, Jr. Attorney at Law presented a Legal Aid Plan for Grange Members. This plan was discussed in detail with the Committee and it was decided that Plan would be confined to wills—either drawing up new wills or revamping old ones.

Parking was again discussed and it was suggested that GBO move their fence back a certain number of feet to afford more parking space.

Mileage for Regional Chairmen was discussed. It was decided for the time being, to pay one way to convention only. New rules for payments of this type will be drawn up at next meeting.

The next meeting date was set for July 22, 1971.

No further business offering, meeting was adjourned.

## MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

July 22, 1971

The Executive Committee of the California State Grange met at the headquarters building in Sacramento on July 22, 1971 at 9:30 a.m. In addition to State Master Deaver, there were present, Committee Members, Lloyd V. Piper, S. E. Rafter and John Freitas.

The meeting was called to order and the minutes of the preceding meeting of June 24, 1971 were approved and signed.

State Secretary, Sister Marjorie Brown presented her report. Problem of enough space in parking lot was discussed. Brother Freitas was authorized to ask Brother Paige Harper to consider moving GBO fence back to provide more parking space. Also parking spaces for CSG employees will be marked with names.

Brother Herman Grabow, Legislative Representative presented his report. Brother Grabow provided various bills

coming up in the current session of the Legislature. Motion by Brother Piper, seconded by Brother Freitas that \$30.00 be donated for prizes at Junior Livestock Auction. Carried. Grange-Dairy Day contribution: Motion by Brother Freitas, seconded by Brother Piper that \$100.00 be contributed to this fund. Carried.

Committee met with Mr. Dave Wilson of the Council of California Growers, Agriculture Expo Committee concerning Poster plan to boost agriculture at fairs. Motion by Brother Rafter, seconded by Brother Freitas that \$400.00 be contributed as California State Grange's part in this program. Carried.

Correspondence from Brother Rush Dolson dated 7-14-71 relative to memorial to Grange member, Samuel Williams was read to committee. This will be studied further by State Master.

Grange News report was studied by Committee (Brother Berry was absent). Correspondence dated 7-20-71 from Howard Herbes of the Grange News was read and discussed at length. The committee discussed having Brother Herbes come to Sacramento for consultation. Matter of raising advertising cost to \$72.00 for renewals (action of Board June 12, 1970). Motion by Brother Rafter, seconded by Brother Piper that the date for this increase be moved from August 1, 1971 to August 31, 1971. Carried.

Payments at convention were discussed.

State Master read Brother Bob Frederick's letter and presented booklet, "Community Action for Environmental Quality" to committee.

Surrendering of Rohner Grange Charter was discussed.

Date of August 26 was set for next meeting.

No further business offering, meeting was adjourned.

#### MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

August 26, 1971

The Executive Committee of the California State Grange met at the headquarters building in Sacramento on August 26, 1971 at 10:30 a.m. In addition to State Master Deaver, there were present, Committee Members, Lloyd V. Piper, S. E. Rafter and John Freitas.

The meeting was called to order and the minutes of the preceding meeting of July 22, 1971 were approved and signed.

Brother Jack Berry presented his report on the Grange News. A discussion on the rise in cost of ads resulted in a decision to hold off the increase until the expiration of the President's Freeze.

Brother Herman Grabow, Legislative Representative, met with the Committee to report on the Grange Day activities tomorrow. Some discussion held on recent legislation at the Capitol.

Brother Howard Herbes met with the Committee to discuss the Grange News and some of the problems relating to advertising.

Brother Berry joined the meeting together with Brother Herbes to continue the discussion on the Grange News ads and other items. Motion by Brother Rafter, seconded by Brother Piper that the raise from \$60.00 to \$72.00 for renewal ads be extended to January 1, 1972. Carried. Some discussion was also held regarding reshuffling of territory between Brother Herbes and Brother Miguel.

Discussion on memorial check from Brother Rush Dolson. Motion by Brother Piper, seconded by Brother Freitas that a perpetual plaque be purchased to present to the Subordinate Grange which had the largest number of Youth Members registered and participating at the State Grange Convention each year. Carried.

Sister Brown, State Grange Secretary presented her report. Another payment authorized made on Building Mortgage (\$5,000).

Discussion held on question of hosting the Western Leadership Conference in 1972. Committee authorized State Master to extend invitation.

Memo from Tom Olson discussed and it was agreed that additional information on the newly adopted legal service program be given at the next State Grange Convention.

The report on Region 7's Youth Activities for the second quarter 1971 was read and favorable comments expressed.

Report of LuAnn Fraguero's visit to the Colorado Youth Camp was read by Committee Members. An informative and well-written report.

Discussed program of the Sinclair's regarding "Inspirations in Sight and Sound." A decision was reached to try to engage this program for Monday night at the convention.

No further business offering, meeting was adjourned at 5:40 p.m.

## MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

September 23, 1971

The Executive Committee of the California State Grange met at the headquarters building in Sacramento on September 23, 1971 at 10:30 a.m. In addition to State Master Deaver, there were present, Committee Members, Lloyd V. Piper, S. E. Rafter and John Freitas.

The meeting was called to order and the minutes of the preceding meeting of August 26, 1971 were approved and signed.

Brother Herman Grabow, Legislative Representative presented his report. Matter of invitations to various functions from Legislators was discussed. It was agreed that letter of appreciation be formulated to send out at the end of each Legislative session to those who have cooperated with the Grange in their efforts.

Brother Jack Berry, Editor of the Grange News presented his report.

Sister Marjorie Brown presented her Secretary's report. Motion by Brother Piper, seconded by Brother Rafter that \$3,000 be transferred out of the General Fund into the Extension Fund for convention expenses. Carried.

Letter from Elsa Rodrigues, Director of Membership dated September 20, 1971 relative to Memorial Trophy and its inscription. It was decided that lettering on silver cup should read: *Samuel M. Williams Perpetual Memorial* and under this (several inches of space) *Youth Convention Participation Trophy*.

Letter from California Blue Shield was read to committee. Committee discussed phasing out this company.

Matter of raising price of cookbooks to \$2.25 was discussed. This will be discussed with Sister True and if agreeable, will be announced at the convention at Santa Cruz.

1970 Resolutions to be worked on by Executive Committee and reported at the 1971 session were discussed. Good of Order No. 12 relative to Certificates for Junior Granges—National Grange is preparing these certificates. Good of Order No. 25 relative to State Grange Centennial Stamp. State Master will contact Post Office and find out what steps can be taken and report to convention in Santa Cruz.

No further business offering, meeting was adjourned.

## DEPUTY REPORTS

### EAST BUTTE COUNTY

*Worthy Master, State Officers, and Delegates, Brothers and Sisters:*

Once again it is a pleasure for me to report for the six Granges in East Butte County.

I am glad to say they are all in good condition, and five out of the six have shown a very nice gain in membership. A net total for the five of ninety-seven members through the year September 30th.

All the C.W.A.'s are very active making money from their many projects, donating to many good causes and helping with the finances of their halls.

Berry Creek No. 694 has a new roof on hall, still furnishes hall for church and Sunday school. Also organized a volunteer Fire Department for the community.

Concow No. 735 finished storage room on front for storing equipment and supplies. Thermalito No. 729 put in air conditioning and heating, also new ceiling in hall. Palerma No. 493 finished in side hall and put side walks all around the building and gave three scholarships to students of Grange families. Wyandotte No. 495 putting on an addition to hall of 430 square feet, also front walks and ground lights. Donated to circular bed for county hospital, also retarded children and Feather River Opportunity Center. Sent youth to Cal Polly Easter Conference, also all Youth from Butte County attended Camp at the Mendocino Redwoods.

We are proud of our Youth. They all attended convention and took the Sixth Degree here in Santa Cruz.

Our Credit Union has grown by leaps and bounds this year over \$140 thousand. G.B.O.'s business is increasing all the time here in Butte County.

Fraternally submitted,  
Leonard Hendricks, Deputy

### WEST BUTTE COUNTY

*Worthy State Master, Officers and Members of the California State Grange:*

West Butte Granges have been active the past year. As of September 30, 1971 they have made a net gain of 16 members for the quarter. All Granges made a gain except two who broke even, which gives us for West Butte a net of 1344 members.

Our C.W.A. clubs have all been active, the Pomona C.W.A. held a rummage sale and netted \$260 for the retarded schools of Butte County. DeSabla has been having pancake breakfasts to raise money for a new hall. They are presently negotiating for property on which to build.

Chico and DeSabla have had their elections and installed the officers. Five Granges were represented at the State Convention, several also sent some of their other officers.

The Fifth Degree work has been exemplified twice this year. Chico Grange has exemplified four degrees once and will put it on again in November. The Chico drill team put on their drill before the 5th degree work and will put it on before the 3rd and 4th at Chico Grange.

Fraternally submitted,  
Justus Borchers, Deputy

### COLUSA COUNTY

*Worthy State Master, Officers and Members of the California State Grange:*

It is once again my privilege to report to you from Colusa County. Colusa-Yolo Pomona Grange has started what is called the Colusa-Yolo Pomona Death Benefit Association which is like the one that is in Butte County. This was organized with the help of Butte County Deputy Justus Borchers, as another tool in trying to give benefits to our Grange members and encourage them to join the Pomona Grange; as this is one of the requirements to join the Death Benefit Association.

We once again held our joint installation of officers on the first Sunday in December, with Brother Lloyd Piper being the installing officer.

We again held "Grange Day" at the Colusa County Fair and was pleased to have Brother Herman Grabow as our guest speaker. Williams Grange No. 687 entered the Colusa County Fair in the 100 square foot agricultural booth and placed third, featuring "Around the World with Rice."

Most of the Granges have been active this year with their different activities, and have sponsored awards for the outstanding 4-H members. This year it was necessary to consolidate the Arbuckle Grange with the Williams Grange, leaving three Granges in Colusa County. They are Stonyford, Maxwell and Williams.

Fraternally submitted,  
Delbert M. Garrison, Deputy

### CONTRA COSTA COUNTY

*To the Officers and Members of the California State Grange, Greetings:*

As 1971 comes to a close the Granges in Contra Costa County are showing a nice gain in membership.

They all have put on the obligation work and two have put on the degree work twice for a small gain.

Our Junior Grange is also doing well. Two Granges entered booths at the County Fair and received First Prize.

C.W.A. have worked helping the Crippled Children's Home, Veterans Hospital. Also an active part in community services, beside their rummage sales, dinners etc.

Our Lecturers are also doing a good job. The Credit Union is still giving good service to its members.

All Granges were installed before the first of the year.

I sincerely hope that the convention to be held in Santa Cruz this year will be a pleasant and successful one for the California State Grange.

Fraternally submitted,  
Manuel J. Trebino, Deputy

#### EL DORADO COUNTY

*Worthy State Master and Officers of the California State Grange:*

The Granges in El Dorado County showed a nice gain. Sister Miller and I have attended many C.W.A. meetings.

My wife and I have attended many Granges in neighboring counties.

Three Forks Junior Grange was formed on May 14, 1971 and is going very well.

Pony Express Grange was organized June 30, 1971 and is moving ahead.

The 3rd and 4th degree was conferred three times this year.

El Dorado-Amador Credit Union is still helping many of the Grange members.

Fraternally submitted,  
Leland E. Miller, Deputy

#### NORTH FRESNO-MADERA COUNTIES

*Worthy Master, Officers and Members of the California State Grange. Greetings from Northern Fresno and Madera Granges:*

The past year has been a busy year for the Granges.

Their activity has been in 4-H-FFA projects. Visiting rest homes and helping in Community affairs. They all give scholarships, some two. There are four Granges that were 100 per cent in the Burn the Mortgage project. All Granges are helping. One of the Granges though small in number, has made a 10 per cent gain in membership. They are in the process of purchasing a hall.

Brother Saint and I held an officers' meeting and instruction on Grange law and procedure. Well attended.

I had the honor of installing San Benito Pomona and Subordinate Granges. I want to thank them for their hospitality. A fine group.

I also installed the Granges of Madera and Fresno along with the Pomona in a joint installation.

We have attended the Anniversary and Booster Nights and they all had fine programs.

Ruth and I want to thank the Granges for the wonderful hospitality shown us.

We wish the State Grange a very successful and pleasant convention here in Santa Cruz.

Fraternally submitted,  
Harold C. Harding, Deputy

## SOUTH FRESNO COUNTY

*California State Grange Worthy Master Deaver, Brothers and Sisters, Greetings from South Fresno County:*

Another year has passed and the State Grange is nearing its Centennial year.

South Fresno regrets it has lost membership this year. Many were voted in and given the obligations, but never returned to take the degrees or pay their dues, so the Granges were forced to suspend them from the rolls. We have lost quite a few by death also.

The Granges have had many dinners and drawings etc. to raise money for scholarships, and meet their regular bills. Each Grange has given one or more such scholarships.

The C.W.A. has been very busy this year giving scholarships and giving dinners for their respective Granges.

The Coalinga Grange is busy giving dinners, etc. to raise money to build a new Grange hall. They are pretty close for the ground-breaking ceremony.

I've attended meetings in my own jurisdiction and many in other Granges and other counties by invitations.

Our Pomona put on the Fifth Degree to 14 in our County and two from Kings County. They were given in the Kingsburg Hall. A very good attendance was present.

Our Credit Union is doing a very big business under the management of Doug Garrison. It gets larger each year, and has helped the farmers finance their crops and helped the members buying cars, furniture etc.

Sister Saint and I visited the National Grange in Boise in November, then motored to Washington to visit friends and relatives.

South Fresno hasn't given up yet and are still in there fighting.

See all of you at the convention in Santa Cruz.

Fraternally submitted,

J. Ed Saint, Deputy

## MOUNTAIN AREA - SOUTH HUMBOLDT

*Worthy Master, Officers and Delegates of the California State Grange:*

It is a pleasure to bring you greetings from the Garberville Grange Mountain Area.

I am happy to report that this year has been a very busy one.

I have visited all of my subordinate Granges several times; encouraged them in membership growth; assisted them in giving the degrees; attended all Pomona meetings, and with the help of our Grange members organized a Junior Grange. We were happy to have State Junior Grange Superintendent, Eve Rowe with us as installing officer on this occasion.

I have served as chairman of the Grange Blood Bank for Del Norte and Humboldt Counties.

The Garberville Subordinate and Junior Granges received first place trophy for participating in our annual July Rodeo parade with a float.

I have encouraged all Grange members to make use of the Grange Credit Union, Grange Insurance, the G.B.O. and all other Grange benefits.

Fraternally submitted,  
Otto W. Heinrich, Deputy

#### NORTHERN HUMBOLDT COUNTY

*To the Officers and Members of the California State Grange:*

Greetings from North Humboldt County.

Nineteen seventy-one has been a year of progress in many ways for the Granges in this area. There was increased activity in fair booth participation, as well as the serving of breakfasts, harvest dinners, card parties, holiday dinners, rummage sales and etc.

There seems to be a gain in youth membership with attendance to the district youth camps by youth and advisors from at least two Granges.

I especially want to say thanks to State Master Chester Deaver and to legislative representative Herman Grabow for their untiring efforts to keep the state legislature from consolidating our county and district fairs over the state.

I received several nice compliments for their presentation to the Little Hoover Commission on this matter from fair directors and other interested people in my area.

Due to circumstances beyond the individual Granges control, there were no entries competing in the drill or opening and closing ceremonies. It is my sincere hope that we can have at least one group competing next year.

I have attended each Grange in my area at least twice in the past year and all the Granges seem to be progressing. The Booster Nights I have attended, have been well attended and should be good boosters toward membership.

I would like to say thanks to the State Officers, State Committee Chairmen and District Chairmen who visited meetings in our area, for their efforts to boost the Grange and giving the overall activities of the Granges throughout the State.

Best wishes for a progressive ninety-ninth annual convention.

Fraternally submitted,  
Erwin Fredrickson, Deputy

#### KINGS COUNTY

*Worthy Master, Officers and Members of the California State Grange. Greetings from Kings County:*

Last fall I organized a Young Married Grange and we had a large group.

Also organized a Youth Grange, several of our youth went to Cal Poly on Easter vacation.

We also had a hamburger fry for the Young Married, and Youth Granges, at our place, with our State Master and Sister Deaver here also, and Brother Deaver gave an interesting talk.

One of our Granges supported an all-star 4-H by donating money.

Another gave a dinner for F.F.A. and also had a speaking contest.

One of our Granges gave four trophies to F.F.A. and 4-H Granges. Also had a booth at the Kings County Fair and took second place. This Grange also went to Sacramento to support the way Cling Peach bill SB 522.

Our C.W.A. have been busy, putting on dinners, helping boys and girls, also fixing up the Grange Halls.

Fraternally submitted,  
John I. Ellberg, Deputy

### LAKE COUNTY

*Worthy Master, State Officers, Brothers and Sisters:*

Lake County continues to make a net gain in membership for the county as a whole. Four of our Granges have made a net gain for this year but unfortunately the other three have lost more than they gained. However all have taken in new members and are still working to gain more.

Joint installation for all the Granges in the county was held on the first Saturday in December 1970, with the State Grange Master as the installing officer. This was the first joint installation in many years. Right after that it was decided to have the installation on the first Saturday in December each year, with the State Grange Master being invited to be the Installing Officer. It worked well since the installation was far enough ahead of the Christmas holidays and still allowed the officers to be installed before January 1st.

All but one of the Granges own their own hall and have done considerable work to improve or just keep them in good condition.

Lake County had the honor of having one of the members of the Bachelor Valley Junior Grange chosen as Junior Grange Princess at our last convention. This Junior Grange is the only one in the county but is quite active and stresses Ritualism and learning to be a good Granger rather than just having all fun. Several have now joined the Subordinate and Pomona Grange and two were at the convention this year to take the Sixth Degree.

The Junior Grange Drill team won the trophy for their excellent drill at the convention. Our Pomona Women's drill team also won the trophy at the convention this time. Although they were the only ones competing at the state level, they were both very good and we feel they would have won if there had been others there to compete.

All four Degrees have been given by several of the Granges and each time all of the Granges are invited to bring their

~~~~~

candidates, so that there is Degree work done more than once in each quarter somewhere. In some cases the Degree team is made up of members from more than one Grange and this kind of cooperation is very good.

We have a very fine Pomona Women's Degree team, as well as the Drill team, and they have been invited to several counties to display their ability to exemplify the 5th Degree. We think this is quite a compliment to them and they have worked very hard to make themselves as near perfect as possible.

Fraternally submitted,

James True, Deputy

### MENDOCINO COUNTY

*Worthy State Master, Officers and Patrons:*

I am happy to report from Mendocino County that our Granges are all very active in local and civic welfare, most have a gain in membership. We have held degree days, and four of the Granges each put on one degree. This makes good relation for all involved. Other Granges confer the four degrees on their own candidates with sometimes some help from other Granges.

We are having a net gain this quarter and an overall gain for the year. The Granges have completed entrance in the 12th District Fair in Ukiah and are now preparing for the Mendocino County Fair and Apple Show, in Boonville.

Some of the Granges came away with First Place, many members entered fruit, vegetables, canned goods and fancy work.

The C.W.A. in all Granges have been very active in their work, earning money for projects such as, retiring the State building debt, scholarships and taxes.

There are two very active Youth Committees. The Ukiah Youth help by conferring one of the degrees and do a very good job.

We hope that all Granges will be represented at the Annual Meeting in Santa Cruz in October. We have had all eleven Granges in Mendocino County represented of late.

The Grange Credit Unions in California have been well represented by California Credit Union Directors.

The camps held in Mendocino County have been a big success for youth and young marrieds.

A chartered bus was filled and attended the 1970 National Grange annual meeting plus others who went on their own, to Boise, Idaho. We all enjoyed the trip immensely.

We will see you all in Santa Cruz this year.

I am pleased to represent Mendocino County Granges .

Fraternally submitted,

Arthur F. Burke, Deputy

## MERCED COUNTY

*Worthy Master, Sister Deaver, Officers, Delegates and Members of the California State Grange:*

Once again I am pleased and happy that Sister Agnes and I are privileged to bring you greetings and report from Merced County.

I have visited each of my eleven (11) Granges at least twice during the past year. Each have taken in new members and we show a net gain for the year. We are hopeful this spirit will carry on and that we may continue to show gains in the coming years.

All Granges, in some way, are active in Community Service. Some are sponsors of Little League ball clubs and many give scholarships to deserving students.

I have had the honor and pleasure of obligating many new members during the past year and also installed the newly elected officers of four of my Granges who were unable to attend our joint installation.

Many anniversary parties, money raising dinners and conferences were attended by Sister Agnes and me.

Our Pomona SWA has been most active and Sister Mary Carson (Chrm.) is to be highly commended for the excellent job she has done during the past year.

Our Federal Credit Union has been most active in helping members in this area and continues to pay good dividends. We have 545 members with shares totaling \$297,133.67. Our total assets are \$333,896.09 with total loans of \$222,565.31. Sister Lucy Eignor and our Board of Directors are to be highly commended for the efficient job they are doing.

The insurance program along with the other valuable benefits the Grange has to offer seems to be helping to increase our membership.

We are hopeful of having several degree team organized during the coming year.

At present we are confronted with two very serious problems: (1) reaching our youth; (2) attendance.

Any suggestions as to the solution to the above problems will be most highly appreciated.

Our best wishes for a rewarding 99th session at Santa Cruz.

Fraternally submitted,  
Edward R. Whitson, Deputy

## MODOC COUNTY

*Worthy State Master, State Officers, Brothers and Sisters:*

Greetings from the Northeast corner of California. In looking back on the events and things that have happened this past year. One can not, but question, if he has done all he could for the benefit of our beloved Grange. We are a widely scattered group up here and of course, everyone so busy.

Our five Granges have each gained some in membership. But have also lost some through death. It is interesting to

note, the different reasons some express for becoming Grangers.

Our Credit Union and Insurance program definitely exert their influence.

The C.W.A. is a most helpful part of our groups here. Without its help, it would be most difficult for some to survive.

We are looking forward to more and greater things in Grange this coming year.

Fraternally submitted,  
Everett Starkebaum, Deputy

### MOJAVE VALLEY

*Worthy Master, Officers, and Members of the California State Grange:*

Again it is my pleasure and happy privilege to send greetings from Mojave Valley.

The Granges in this district have been very active this year. They have taken in many new members and we have again shown a gain in membership, and it is gratifying to know that many are young and we hope will take an active part in the Grange.

This year, as in all the years since its inception, the San Bernardino County Fair was well supported, and the Granges are justly proud of their promotion of the Fair. Five feature booths were entered and all received prizes for their efforts, the total being nine hundred dollars. One of our Grange Brothers, Oren Robertson, who has been Secretary-Manager of the Fair for twenty four years and has helped to bring it to its present position is retiring and will be deeply missed. Two Granges operated food booths which were a success. Many of the Granges donate trophies for deserving 4-H winners. Grange Day has become a yearly feature of the Fair and was a success. Brother and Sister Deaver were unable to be in attendance and were missed, but Past Master Quinn and Sister Quinn helped to make it enjoyable.

Hinkley Valley Grange achieved 100% in the youth fund drive and also held its own very successful 4-H Fair for its youth. All the Granges are active in community service and several sponsor 4-H, Boy Scouts, Girl Scouts, and the giving of scholarships to deserving students. One Grange finished paying the mortgage on its hall and another purchased land for a building. We have been able to reactivate all our degree teams and they have done very well.

Our Federal Credit Union is active in helping our members in the Valley and continuing to pay good dividends. We have over 300 members with shares totaling over \$150,000. Our total assets being over \$176,000 and total loans of over \$133,000.

The insurance program and other valuable benefits are helping to increase our membership.

Looking ahead with optimism and every good wish for a successful and helpful convention at Santa Cruz, I remain,

Fraternally submitted,  
Lester E. Wendt, Deputy

#### NORTH MONTEREY COUNTY

*Worthy State Master and Members of the California State Grange:*

Monterey County can report a gain in membership the last year. The four subordinate degrees were conferred and the Prunedale degree team traveled to San Benito County, to confer the four degrees. A Junior Grange was organized at the Prunedale Grange and is very active, also the Springfield Junior Grange. Five Granges entered booths at Monterey County Fair and received \$1200.00 in premiums. The Credit Union has made a substantial gain in members, shares and loans. The Committee of Women's Activity is very active in community projects, card parties, and rummage sales. A Young Married Couple was sponsored by the Pomona Grange, attending the Sacramento Conference.

Sister Buhler and myself, have visited the Granges several times and wish to express our thanks to the officers and members for the cooperation and the many courtesies extended to us. It has been a pleasure working with you.

With every good wish for a pleasant and constructive 99th Convention at Santa Cruz.

Fraternally submitted,  
Clesson Buhler, Deputy

#### NAPA COUNTY

*Worthy Master, Officers, and Members of the California State Grange:*

Greetings from Napa County Granges.

The following is a report of the activity of our members.

Napa Pomona Grange No. 7 meets every two months with very good attendance. We entertained Lake-Mendocino County Granges which put on the Fifth Degree and exemplified drill team work on Sunday, September 12, 1971.

Napa Grange No. 307 is very active with good attendance. They have taken in 39 new members this year. Napa Grange gave \$50.00 to the Youth Program, donated \$25.00 to 4-H Club sponsoring committee, sponsored an agriculture booth at the Napa Fair taking second place. The C.W.A. served a corned beef and cabbage dinner and are also making a quilt for entry in the competition at the State Convention at Santa Cruz. Most of this Granges efforts have been concentrated on membership.

Rutherford Grange No. 371 is very active and also has good attendance. They have gained 22 new members this last quarter. Rutherford Grange sponsors a \$200.00 scholarship for a student of St. Helena High School who advances his or

her studies in agriculture. They serve their famous ranch style breakfast every three months as their main money-making project. They also have donated to several charity organizations.

Silverado Grange No. 370 is the smallest Grange. Meetings are held at the Calistoga Fair Grounds. This Grange is a working Grange, they have taken in three new members and have two applications pending. They have made substantial contributions to the following projects: Burning the State Mortgage; National Youth Leadership Fund; National Education Fund; Community Service; Fire relief, when a home was destroyed; Creative Living Center; one Student Scholarship; Cancer Fund; Easter Seal Fund; Gave many hours of Welfare work at local convalescent Hospitals; provided transportation as needed to various hospitals; prepared bandages for use in Leper Hospital; and conducted a rummage sale.

Welcome Grange No. 791 is also a very active Grange. They made a net gain in members this past quarter. They hold regular meetings with pot luck on the second meeting of each month. The Lecturer has had very good programs. They serve Ranch style breakfasts every quarter to pay for the maintenance of the Grange Hall. They won first place at the fair with their agriculture booth. They also manned a sandwich booth at the fair. This Grange joined with the Napa Grange in putting on Degree work. They donated to the Crippled Children Fund and to the projects designated by the State Grange C.W.A.

Fraternally submitted,  
Leonard McGlone, Deputy

#### NEVADA COUNTY

*Worthy Master, Officers and Members of the California State Grange:*

Another year has passed and it is a pleasure to bring greetings from the Nevada County Granges.

Have attended the three Granges in my district several times and others in the outlying areas. Banner, Golden Empire and Rough and Ready Granges have each shown a nice gain in membership. Each Grange have regular public parties, rummage sales and dinners which have been successful as money makers. All three Granges had exhibits at the Nevada County Fair and won prizes.

Golden Empire Grange have a beautiful new building which is almost completed with the dedication scheduled for January 30, 1972. It was unfortunate that their master had to resign soon after the first of the year because of illness and several other officers had to be replaced. It was my responsibility to take over the meetings until a new officer was installed. The Junior Grange have had a little difficulty as their matron demitted and moved from the area. Her son was master and had other children that belonged to the Grange. They have

missed holding a couple of meetings but I believe that they will soon get started again.

Banner Grange did some work on the roof of their building, graveled the road and planted some ornamental trees, dedicated to some of the older members. Their Grange is also active with the County Blood Bank.

The three Granges and the Junior Grange had a colorful installation of their officers in the Banner Grange Hall in December 1970. Have been invited again along with the Placer Nevada Pomona Grange for a joint installation to be held December 5 at the Banner Grange Hall. California State Grange Master Chester Deaver has accepted an invitation to be the installing officer.

Rough and Ready Grange have material for a new roof on the old part of the building and voted to buy aluminum siding for part of the building. A new porch and steps have been completed.

Have attended the C.W.A. district meetings also membership meetings.

Placer Nevada Pomona Grange gave an award of \$100 to a F.F.A. student of the Nevada Union High School, the only one eligible. I had the pleasure of presenting the award to Michael Tigard at a nearly morning breakfast at the high school. I received a nice card of thanks from him to the Pomona Grange.

The Placer Nevada Credit Union has been very active in getting new members and increasing their amount of loans.

Our insurance agent Ola Lee Hale has enjoyed a nice increase in business.

It has been a pleasure to see our District Membership Chairman Don McKeever and wife at the three Granges in this district.

With best wishes to all for a successful convention in Santa Cruz, Calif.

Fraternally submitted,

Charles A. Deardorf, Deputy

#### ORANGE COUNTY

*Worthy State Master Deaver, State Officers, Deputies, Delegates and Patrons:*

It is an honor and pleasure to represent Orange County as Deputy. With a full year as a new Deputy there are some good and unfortunate activities to report.

The unfortunate activity is the loss of Subordinate Grange No. 774, Los Angeles Harbor area Grange. Several years of assistance and help from the Deputy, Pomona and Orange County Granges could not sustain this Grange. Los Angeles Harbor No. 774 was one of the 'Farmers of the Sea' Granges in California. The loss of commercial fishing members in this Grange was also its loss for unity, direction and purpose. The members left could no longer maintain a Grange in this

highly populated area. The small membership have demitted or affiliated with other Granges.

From Orange County two 8th region directors have been appointed. Rosemary and Arnold Hansen for Youth and Florence McDougall for Membership. Each have contributed greatly in time, communications and regional meetings. We give them continued support and wish them success in the coming year.

The four Subordinate degrees and the Fifth Degree were conferred during the year with new candidates participating.

Four Granges entered the Orange County Fair with Garden Grove No. 613 winning first place. The Orange County Pomona No. 36 entered the Los Angeles County Fair and was first place in their class.

Even with a limited number of Youth and Young Marrieds in our county we were able to send representatives to Cal Poly and Young Marrieds conferences.

Two Granges were active with Future Farmer chapters within their communities. Keeping Future Farmer chapters in this fast decreasing agriculture has been a challenge. Efforts have been successful in this area.

The Pomona and Subordinate C.W.A.'s have been active as usual with community projects, rummage sales, and assisting when and where needed. I wish to especially thank Emily Grant, our Pomona C.W.A. chairman for expanding and developing projects for the C.W.A. in our county.

The Credit Union has done well this year, but as in many areas growth with new members is essential. An annual Credit Union dinner has helped in our program.

Insurance plays an important part of Grange activities. We have many out of state 'insurance Grangers' who come under our jurisdiction and do not affiliate with local Granges to give their support. We feel this problem should be given consideration.

Membership has made a gain. I feel a special program is required to gain membership in densely populated areas where communities have lost much of their identity as agricultural areas. A newer purpose and direction to become Grange member is a prerequisite.

Best wishes for a pleasant and successful convention in Santa Cruz. We bid you welcome to Orange County anytime, and I thank you.

Fraternally submitted,  
Stephen M. Tait, Deputy

#### PLACER COUNTY

*To the Officers and Members of the California State Grange:*

Another year has gone by and we are now at the fair city of Santa Cruz. Our Granges have all had a very busy year, participating in public parties, bazaars, rummage sales, bake sales, dinners, card parties and breakfasts. Most of the Granges

have had feature booths at district fairs and some had concessions at both county and district fairs.

We have a very active seventh degree club. We visit other Granges to assist and help them in their work. This year our Pomona gave a deserving boy a F.F.A. scholarship of \$100. Many of our Granges sponsor 4-H groups. Our C.W.A. clubs have been very active in assisting the Granges in many money making activities.

We have three Junior Granges in our County. We have exemplified the first five degrees in our area with the help of Fair Oaks and Orangevale Granges from Sacramento County. I have attended the District C.W.A. meetings in my area and thoroughly enjoyed them.

Sister Dean and myself have tried to visit all granges in each quarter. All Granges have showed a splendid gain in membership. We attended Grange Day at Cal Expo this year for the first luncheon at the new fair grounds. Hope next year there will be a larger crowd.

Most of our Granges have been working on beautifying their grounds and halls. We had our annual fun nite on our Pomona Grange level with a big crowd attending with dancing following. Our Credit Union has showed a large membership with over 700 members.

Fraternally submitted,  
Jay Dean, Deputy

#### SAN BERNARDINO COUNTY

*Worthy State Master Deaver and Sister Doris, State Officers, Fellow Deputies and Delegate Body:*

Once more I have the pleasure of reporting to you as Deputy of San Bernardino County. Again in this year of 1971 I have managed to form one more new Subordinate Grange. They started with seventy-seven Charter members and now have ninety-three. More join at each meeting. I had the pleasure of installing their officers and feel that they are doing nicely.

The Junior Grange in Yucaipa was re-activated. They have a full set of officers and are taking in new members every meeting. They have a Matron who is interested in this type of activity and keeps them interested and busy. We installed their officers in a beautiful candlelight ceremony and had a large crowd present with Yucaipa Subordinate C.W.A. ladies serving refreshments, thus creating more interest in not only the Junior Grange but also the Subordinate.

Our Pomona Grange won First and Sweepstakes at Victorville at the San Bernardino County Fair and a Third Prize at the Los Angeles County Fair with lots of First Prizes for Featurettes and Booster Items.

Betty and I seldom miss a Subordinate Grange meeting in our area and although Road Runner Grange was chartered

over two years ago, we have met with them at every meeting, so we can help them in their splendid advancement.

I take much pleasure in all Grange activities such as those mentioned above and intend to do my very best this coming year of 1972.

Fraternally submitted,  
Ulyuss G. Rose, Deputy

### SAN DIEGO COUNTY

*Worthy Master, State Officers, Delegates, and Patrons:*

For the fifth year in a row, using June 30th as a base, San Diego County has shown a gain in total Grange membership. I believe that Grange membership in the County has grown in other important aspects too. Interest in Grange programs, both State and local, is improved; participation in degree work is greater; and the enthusiasm of many of our leaders, on both State and local levels, is catching and spreading.

Two of our Granges entered the County Fair this year and won prizes. We expect to see a return to four or five entries in next year's Fair.

We held classes on the Unwritten Work this past year and seven Grangers were successful in receiving an Award of Merit. Several others need only a little brush-up to earn their awards.

The Youth in our County continues to be fortunate to have inspirational leadership from Sister Betty Smith, Director of Youth Activities. When the four degrees were exemplified on Degree Day, the youth took charge of the second degree in a masterful way. The youth are always active in projects to raise funds to pay their ways to Grange Camps and other events. And who can forget the spark set by the Youth of the State which developed into a prairie-fire to burn more than half of the mortgage on the State Grange Headquarters Building?

Our Credit Union was successful in qualifying for Share Insurance. Each member's shares are insured up to \$20,000 by the National Credit Union Administration.

As always—the ladies of the Grange, officially the C.W.A.—continues to excel in projects to raise funds to operate the Granges.

Jessie and I appreciate all the help and kindness shown us in our efforts to serve as Deputy Master for San Diego County. Our very best wishes for a successful Annual Convention in Santa Cruz.

Fraternally submitted,  
S. E. "Dick" Rafter, Deputy

## SAN FERNANDO VALLEY

*Worthy Master, Officers and Members of the California State Grange:*

My second annual report for the Grangers of San Fernando Valley is far more optimistic than last year.

Our Granges have shown a net gain for 1970 through 1971 to date and, with the avowed determination of all membership chairmen, we will continue to grow in the next twelve months.

Fraternally submitted,  
Theodore Bliss, Deputy

## SAN LUIS OBISPO COUNTY

*Worthy Master, Officers and Members of the California State Grange:*

The year 1971 almost gone and the Granges of San Luis Obispo County are looking forward to the new year, in the hopes that it will bring a better and more prosperous one.

The C.W.A. can be commended on their ability to put together programs and make them into paying projects. Each year expenses are greater and through the untiring efforts of these ladies they are promptly met.

San Luis Obispo, El Paso DeRobles and Estrella Granges had booths at the San Luis Obispo County Fair, each coming away with a ribbon and a nice purse. Triangle Grange displaying a booth at Santa Barbara County Fair and winning a ribbon.

El Paso De Robles and Triangle Granges sponsoring 4-H Groups and Grover City Grange sponsoring a Future Farmer boy here in the Arroyo Grande chapter.

Booster night programs of all the Granges here in San Luis Obispo County were well attended each bringing out the benefits offered by the Grange.

The California State Grange Youth Group held their annual youth conference at Cal Poly in San Luis Obispo in April with a good attendance. The banquet and reception held in the Staff Dining Hall, with Dr. Dale Andrews Vice President, giving the welcoming address. The three days spent here was enjoyed by various shop work and a demonstration in horsemanship and Rodeo techniques. A trip out to Estrella Grange where the youth conferred the Second Degree.

The farewell breakfast was at Madonna Inn with Owen Servatius, business administrator giving the farewell address.

I attended the Eighty-sixth annual session of the California State Grange in Santa Cruz back in 1958 and as I recall it was a very successful one. As we are again to return to Santa Cruz, Sister Walker and I wish the California State Grange success in this 99th session.

Fraternally submitted,  
Gerald Walker, Deputy

## SANTA CLARA COUNTY

*Worthy Master, State Officers, Delegates and Members of the California State Grange:*

Another year has come to pass and again my privilege to report for eleven Subordinates and Pomona Granges. The two southern Granges held their installation in Morgan Hill Hall and nine Subordinates and Pomona held installation at Santa Clara County Fairgrounds November 29, 1970 at 2 p.m. Installing Officer, Chester Deaver, State Master, and our own team put on the floor work. We were honored with the presence of State Officers, Masters, Deputies and members of adjoining counties. C.W.A. Pomona Chairman, Beulah Emery, vice chairman and Subordinate Chairman served refreshments at the close of installation.

We had our Masters planning meeting in January for degree dates, fair booths and membership programs.

Ten Subordinate and Pomona Granges along with Cupertino Juniors and Youth Group entered agriculture booths along with five C.W.A. booths in H.E.C. division, all receiving premium money. Grange Day at our Fair was August 15th with a pot luck and the largest attendance yet.

The C.W.A. strawberry shortcake booth under the direction of Pomona Chairman Beulah Emery, Vice Chairman Helen Smith and Co-Chairman Irene Voss and Sisters and Brothers was again a big success money wise.

C.W.A. will sponsor the annual Doll Tea again this year with the profits going to Goodwill Industries to rehabilitate the handicapped.

Once a month a Grange serves refreshments at the U.S.O.

Sister Ruby and I wish to express our thanks to the Officers and Members of Santa Clara County Granges for their cooperation and so many courtesies extended to us. It certainly has been a pleasure working with you.

With every good wish for a pleasant and constructive 99th Convention at Santa Cruz.

Fraternally submitted,  
John W. Buck, Deputy

## SANTA CRUZ COUNTY

*Worthy Master and Members of the California State Grange:*

The six Granges in Santa Cruz county show a net gain of thirty-four members for the Grange year through June 30. Twenty-nine more were gained during the last quarter.

All of the Granges are active, taking part in Pomona, C.W.A., and other activities in the county.

Soquel conferred the first and second degrees and Aptos conferred the third and fourth degrees twice during the year. The fifth degree was conferred by the Pomona team.

Pomona and Madonna entered booths at the Fair, winning first and second places.

More than a hundred members from our and other counties enjoyed the big dinner in connection with out "Grange Day" at the Fair.

We were hosts for a two day Youth Conference in July.

Our credit union is still growing in a very healthy manner. It shows increases in membership, shares and loans and is providing a real service for its members.

I am very proud of the way our members have showed their interest in planning for the State Session here. They have worked on the various money raising projects and have worked tirelessly on their assignments for making the convention week as pleasant and profitable as possible.

We are also proud of Soquel Grange ,the largest in the county for going over 100% on the "Burn the Mortgage" project.

We are pleased that this 99th session is being held in Santa Cruz. We trust it will be fruitful of much good for the State as a whole and anticipate much benefit for our subordinates during the years ahead.

Fraternally submitted,  
Erle E. Jones, Deputy

#### SISKIYOU COUNTY

*Worthy Master, Officers and Members of the California State Grange.*

I take great pleasure in reporting from the northern part of this great state, with its productive land and scenic views.

The eight Granges in this county of Siskiyou are steadily growing, even in the mountainous areas.

A new Junior Grange has been organized in Scott Valley. There are about fifty Junior Grangers in that valley. They are working with much enthusiasm. This same Grange is also planning on a Youth Grange in the near future.

The Young Marrieds are working on degree teams and take office in the Grange, also take part in other activities.

Booster night programs are now being held all over the county which are proving to be very beneficial to the Grange.

We have already had three installations and more are planned before winter sets in.

Our Credit Union is growing by taking in new members, also loaning money to those who need it.

Several Granges entered booths at the fair in Siskiyou County, who did very well, some sponsor 4-H clubs and give scholarships to deserving students.

Some new halls are being planned, land has been purchased, and funds are being raised, to start new construction.

With every good wish for a prosperous year and a successful State Grange session at Santa Cruz.

Fraternally submitted,  
Vayne O. Ralston, Deputy

## SOUTHERN SONOMA COUNTY

*Worthy Master, Officers and Members of California State Grange, Greetings:*

It is my pleasure as Deputy, to again report on the activities of my district.

The eight Granges under my jurisdiction have been active in all phases of Grange work. Three Granges entered booths in the Sonoma County Fair and received cash prizes of \$1150.

Since the last State Grange Convention, the Granges in the southern half of Sonoma County have showed a gain of 53 members.

On November 29, 1970 it was my pleasure to install the officers of ten (10) Subordinate and one (1) Pomona Grange at Hilmar Grange hall in Merced County. Also on December 27, 1970 to install the officers of twelve (12) Subordinate and one Pomona Grange in Sonoma County in the Veterans Memorial Auditorium in Sebastopol, and on January 3, 1971 to install the officers of Cloverdale, Geyserville and Healdsburg Granges at the Healdsburg Grange hall. On January 25, 1971 to install the officers of Sonoma Valley Grange in their Grange hall at Sonoma.

In closing I want to wish the officers and members of the California State Grange a most successful and constructive 99th convention.

Fraternally submitted,  
John B. Freitas, Deputy

## SUTTER COUNTY

*Worthy Master, Officers and Members of the California State Grange:*

Since this is my first opportunity to send in a report from the Sutter County Grange, I wish that I could make it sound more encouraging.

I have visited all of the Granges in my county many times and have tried to stimulate more interest and have succeeded in at least holding our own in attendance and membership.

Together we attended Grange Day at the Fair, also the Grange picnic at Dobbins 4-H Camp and have had various other activities headed by the C.W.A. ladies. I wish here to express my thanks to the C.W.A. for providing financial help by giving luncheons and various other functions to raise money, and by the same token keeping up the Grange spirit.

Hopefully, the coming year will bring joy and success to us all.

Fraternally submitted,  
Peter C. Weiss, Deputy

## TEHAMA COUNTY

*Dear Worthy State Master Deaver:*

Again it is my pleasure to greet, and wish you, your fellow state officers and patrons, a happy and successful 99th State Grange Convention. I wish to express my thanks to the Grangers of Santa Cruz County for their gracious hospitality.

It is a pleasure to serve as Deputy of Tehama County. I have visited each Grange several times during the year. I am pleased that there is excellent fellowship between the Granges and am pleased that they are active in community affairs.

The Granges of Tehama County are continuing their fight to keep our Tehama General Hospital open and now have lent their support for the building of a new jail as the present one is antiquated and too small for present day standards.

It was our pleasure to have you perform the duties of Installing Officer for the Installation of our 1971 Tehama County Grange officers on November 28, 1970. The C.W.A. chairmen and their committees served an excellent dinner before the installation ceremonies.

Our 19th annual Grange Day and Public Barbecue was successful which is due to the wonderful cooperation of all the Granges and hard work of the various committees. We have voted to have Talent contests again for the honor of being on the program of our 1972 annual Grange Day and Public Barbecue.

The Committees of Women's Activities have been active in their Granges and community affairs with the assistance of their Granges in such things as County Fair, Los Community Fair, parades, dinners, raising funds for Heart, Cancer, Easter Seals, etc. and the latest is assisting the Opportunity Center of Tehama County for Retarded Persons to raise funds to buy a new bus for the transportation of their retarded workers who are acquiring work skills so they can help support themselves out in the community.

Pine Creek and Capay Granges have remodeled their Grange Halls and others have plans to do so this coming year. Manton Grange has acquired land on which to build their Grange hall and hope to do so in the not too distant future.

The Independent Junior Grange has also been very active in community affairs, parades, bake sales, cleaning the Grange hall grounds, and helping to paint the restrooms of the Grange hall. Nine of the Junior Granges and two Adult Advisors attended the Youth Camp this year. They were accompanied by one Youth Granger of West Side Grange. Transportation for this trip was provided by Matron Lois White and myself.

We are proud of our two degree teams for they not only confer the degrees in this county but in surrounding counties when requested. A drill team consisting of men and women was formed for the first time and were well received at our Grange Day and Public Barbecue. The first and second degree team is the men's team and the third, fourth and fifth degree team is the women's team.

Fraternally submitted,  
James V. Ryan, Deputy

## VENTURA COUNTY

*Worthy Master, Officers, and Delegates of the 99th Session of the California State Grange:*

The time has arrived again, to report the activities of the Ventura County Granges in 1971.

The Ojai Valley Grange has initiated new members at almost every meeting this year. Due to migration, to other communities in this state and nation, other communities in the Great Beyond, and adult dropouts, we will show very little gain in the number of members on the rolls. We hope to have a gain in membership due to the inactivity of the third listed category above.

The Ojai Valley C.W.A. have been holding card parties to help in securing an Artificial Kidney Machine for a hospital in Ventura County

We have also put on chicken dinners to support the Ojai Valley Grange Hall.

The Fillmore Grange have been holding their own and have taken in some new members.

Again they have given a \$100 Scholarship to a deserving Fillmore High School Senior. The student will attend college in either some agricultural pursuit or Home Economics.

The Fillmore C.W.A. again helped in the Fillmore Flower Show and some of their members, or more specifically, one member took more than her share of blue ribbons in this event.

They have also continued their other charitable endeavors.

La Avenida Grange has initiated some new members, and have continued their card parties for support of the organization and charities. They also gave several breakfasts which were well attended. These helped to support their causes.

The Pomona Grange has continued, but it is not doing the job it is supposed to do. We have had some discussions and will have some more, so we hope to show some progress next year. (This is also the Los Angeles Dodger's old cliché for next year.)

The Ojai Valley Junior Grange will need some reorganizing soon!

Now, brag time:

The Ventura County picnic was very well attended, but we obviously lost control of the weather. It was *warm* to say the least!

The Pomona Grange again won first prize in Feature Variety, the 300 foot booth, at the Ventura County Fair. Ojai Valley again won first prize in the 200 foot class. La Avenida won third prize in the 200 foot division. The three Granges won \$725 of prize money in this year's competition. This made it all worth while, I suppose.

So another year is completed, and we in Ventura County wish the State Grange Convention every success.

Orval M. Stubbs, Deputy

 Rank and File:

## 1971 POMONA GRANGES CREDENTIAL LIST

### POMONA GRANGES

Antelope Valley No. 39—Adam Tustison, Mary Beth Tustison  
 Butte No. 16—Edwin Barrett, Betty Barrett  
 Colusa-Yolo No. 40—Henry L. Davis, Clara E. Davis  
 Contra Costa No. 45—Velma North, Joe North  
 Del Norte No. 42—Emil Hartig, Blanch Hartig  
 El Dorado - Amador No. 14—Paul F. Layher, Mariann Layher  
 Fresno - Madera No. 24—Floyd Eckert, Orene Eckert  
 Glenn No. 12—Bethel Bryson, Vera Bryson  
 Northern Humboldt No. 48—Jerry Hames  
 Southern Humboldt No. 19—Leo Plympton, Ruby Plympton  
 Kern No. 26—Robert T. Harris, Fern Harris  
 Kings No. 28—Laurence Workman, Marie Workman  
 Lake No. 43—Jess Dorris, Bonnis Dorris  
 Lassen No. 11—Not represented  
 Los Angeles No. 37—Roger Baker, Vivian Baker  
 Mendocino No. 10—Claude Trimble, Alice Trimble  
 Merced No. 23—Arthur Eignor, Lucy Eignor  
 Modoc No. 9—W. E. McGirr  
 Mojave Valley No. 33—Eddie Fuller, Irene Fuller  
 Monterey No. 17—Clesson Buhler, Thelma Buhler  
 Napa No. 7—Herb Cilley, Catha Cilley  
 Orange No. 36—Malcolm Thurston, Florence Thurston  
 Placer - Nevada No. 29—Marie Rasmussen  
 Plumas - Sierra No. 18—William Pullen, Oliva Pullen  
 Riverside No. t31—Edwin Kraus, Lola Kraus  
 Sacramento No. 2—Robert Null  
 San Benito No. 47—Clarence Pritten, Minnie Pritten  
 San Bernardino No. 32—Mario Stefani, Caroline Stefani  
 San Diego No. 35—Meredith E. Painter, Mildred Painter  
 San Fernando No. 41—Not represented  
 San Joaquin - Calaveras No. 20—Francis M. Sanford, Edith Sanford

San Luis Obispo No. 27—R. A. Findley, Golden Findley  
 San Mateo No. 49—Clarence P. Hynes, Charlotte Hynes  
 Santa Barbara No. 38—Walter I. Long, Evelyn Long  
 Santa Clara No. 4—Stanley Smith, Helen Smith  
 Santa Cruz No. 22—Russell Spain, Mildred Spain  
 Shasta No. 13—Gary L. Rutherford, Marian Rutherford  
 Siskiyou No. 6—John Cawley, Laura Cawley  
 Solano No. 30—Emma Anderson, Walter Anderson  
 Sonoma No. 1—Julius Faoro, Irene Faoro  
 Stanislaus - Tuolumne No. 21—Pete Miller  
 Sutter No. 25—Dorothy Martin  
 Tehama No. 15—Violet O. Clark, George Clark  
 Trinity No. 44—Not represented  
 Tulare No. 5—Elmer W. Killelte, Lucy Killelte  
 Ventura No. 50—Orval Stubbs, Amy Stubbs  
 Yuba-Sierra No. 46—William J. Brunell, Vera Brunell

### 1971 SUBORDINATE GRANGES CREDENTIAL LIST

#### Amador County

Ione No. 681—Tom Harris, Laten Harris  
 Shenandoah - Willow Springs No. 491—Not represented

#### Antelope Valley Subordinate Granges (Los Angeles County)

Alpine No. 665—Jack Tumber, Dorothy Tumber  
 Joshua Tree No. 664—Vern Kief, Zetteth Kief  
 Quartz Hill No. 697—La Vern Gentert, Beulah Gentert  
 Wildflower No. 663—Eugene Flower, Margaret Flower  
 Yucca No. 736—Not represented

#### East Butte County

Berry Creek No. 694—Not represented  
 Concow No. 735—Paul Nalley  
 Mountain Springs No. 754—Not represented  
 Palermo No. 493—Hugh B. Kell, Abbie J. Kell  
 Thermalito No. 729—Glen Collinson, Leona Collinson  
 Wyandotte No. 495—Frank Dorr, Dorothy Dorr

#### West Butte County

Biggs No. 459—Not represented  
 Chico No. 486—Harold R. Strong, Dorothy Strong  
 DeSabra No. 762—Henry Hamon, Vera Hamon  
 Durham No. 460—Earl Bonner  
 Gridley No. 457—Joseph Jonko, Florence Jonko  
 Paradise No. 490—Errol Tait, Harlene Tait

#### Calaveras County

Calaveras No. 715—Not represented

#### Colusa County

Maxwell No. 701—Not represented  
 Stonyford No. 686—Not represented  
 Williams No. 687—Delbert Garrison, Darylene Garrison

#### Contra Costa County

Clayton No. 734—Joe Malta, Antonia Malta  
 Danville No. 85—Dixie Feremey  
 Martinez No. 747—Manuel Trebino, Margaret Trebino  
 Pleasant Hill No. 737—Maxine Kent

#### Del Norte County

Crescent Redwood No. 596—Victor Anthony, Wilma Anthony  
 Klamath Valley No. 712—Not represented  
 Lake Earl No. 577—Clarence Davies, Julia Davies

#### El Dorado County

Gold Trail No. 452—Not represented  
 Hangtown No. 464—Tom Neeley, Elsie Neeley  
 Marshall No. 451—Tom Robinson, Grace Robinson

Pilot Hill No. 1—Not represented  
 Pleasant Valley No. 675—Kenneth Dayton, Mildred Dayton  
 Pony Express No. 815—Leonard C. Payton, Charlotte Payton  
 Three Forks No. 449—Sue Hicks  
 United Rescue No. 450—Ruth Smith, George Smith

#### **Northern Fresno County**

Central No. 626—Russell Konkel, Fern Konkel  
 Clovis No. 536—Ray Willingham, Mildred Willingham  
 Fowler No. 481—George Hoover, Jr., Rose Hoover  
 Kerman No. 484—W. B. Floyd, Dorothea Floyd  
 Roeding No. 707—Jack Terwilliger, Ruby Terwilliger  
 Sanger No. 478—Not represented

#### **Southern Fresno County**

Caruthers No. 549—Glenn P. Dorn, Pearl Dorn  
 Coalinga No. 779—John Kirk, Jean Kirk  
 Easton No. 706—Gottlieb Frisch, Jr., Emma Frisch  
 James Ranch No. 628—Douglas Garrison  
 Kingsburg No. 679—Not represented  
 Riverdale No. 624—Harold Hill, Clara Hill

#### **Glenn County**

Elk Creek No. 441—Not represented  
 Golden State No. 429—Not represented  
 Jacinto No. 431—Walter Soeth, Ethel Soeth  
 Orland No. 432—Roy Holten, Mollie Holten

#### **Mountain Area - Southern Humboldt County**

Alderpoint No. 516—Not represented  
 Garberville No. 514—Walter Benbow, Vera Benbow  
 Mattole No. 569—Not represented  
 Miranda No. 690—Not represented  
 Whitehorn No. 792—Frank Look, Reva Look

#### **Northern Humboldt County**

Bayside No. 500—Not represented  
 Dow's Prairie No. 505—Not represented  
 Fieldbrook No. 771—Not represented  
 Freshwater No. 499—Paul Bent, Dorothy Bent  
 Mad River No. 590—Not represented  
 Orick Valley No. 508—Albert Don Comstock, Mary Lou Comstock

#### **Southern Humboldt County**

Humboldt No. 501—Pearl Zeck  
 Redwood No. 504—Not represented  
 Rohner No. 509—David O. Thomson, Betty Thomson  
 Van Duzen River No. 517—Not represented

#### **Inyo County**

Owen's Valley No. 808—Not represented

#### **Kern County**

Delano No. 546—Not represented  
 Fairfax No. 570—J. Paul Hollett  
 McFarland No. 543—Not represented  
 Panama No. 566—Paul Rupp, Lorene Rupp  
 Rosedale No. 565—Arthur A. Hart, Nellie B. Hart  
 Tehachapi No. 662—Not represented

#### **Kings County**

Central Union No. 559—Not represented  
 Kings River No. 562—Alan Turner, Mildred Turner  
 Riverbend No. 677—Ed Kautz

#### **Lake County**

Bachelor Valley No. 667—George Mead, Kate Mead  
 Clear Lake No. 680—William Gillette, Cora Gillette  
 East Lake No. 727—G. R. Redenbach, Dorothy Redenbach  
 Guenoc No. 373—Harry Mortensen, Gladys Mortensen  
 Kelseyville No. 778—Elbert S. Moon, Elsie Moon  
 Konocti No. 755—George Berry, Helen Berry  
 Scotts Valley No. 725—Ewart Howard

**Lassen County**

Janesville No. 434—Not represented  
Johnstonville No. 437—Not represented

**Los Angeles County**

(Also see Antelope Valley and San Fernando Valley Area)  
Fair Valley No. 752—Herbert Marshall, Mae Belle Marshall  
Ranchito No. 654—Ruth Cleland  
San Dimas No. 658—Evelyn Ray

**Madera County**

Dixieland Berenda No. 784—Not represented  
Madera No. 783—Lee Ziegenfuss, Jewell Ziegenfuss

**Mendocino County**

Anderson Valley No. 669—Not represented  
Comptche No. 671—Edith Kaser  
Fort Bragg No. 672—Chester Bennett  
Garcia No. 676—Winifred Maxson  
Laytonville No. 726—Not represented  
Little Lake No. 670—Hattie L. London  
Potter Valley No. 115—Martha Brimmer  
Redwood Valley No. 382—Delbert Solgat, Helen Solgat  
Round Valley No. 805—Otto Kaser  
Ukiah No. 419—Albert Elderick, Lois Elderick  
Whitesboro No. 766—Eve Rowe

**Merced County**

Applegate No. 764—Not represented  
Bear Creek No. 530—William Warner, Lillian Warner  
Delhi No. 741—Not represented  
Dos Palos No. 541—Roscoe Brightup, Audra Brightup  
Hilmar No. 537—John Lubbers, Mildred Lubbers  
Hopeton No. 760—Not represented  
Le Grand No. 538—Harry Maxwell, Edith Maxwell  
Los Banos No. 79—Myrtle Sturgeon  
Merced Colony No. 527—Glenn H. Brown, Veronica Brown  
New Era No. 540—George Schmidt, Doris Schmidt  
Winton No. 531—Tony Lopez, Margarita Lopez

**Modoc County**

Alturas No. 406—Everett Starkebaum, Nellie Starkebaum  
Cedar No. 402—Not represented  
Davis Creek No. 404—Zelma McGirr  
Eagle No. 411—Not represented  
Lookout No. 415—Robert Nichols, Lora Nichols

**Mojave Valley Subordinate Granges****(San Bernardino County)**

Adelanto No. 603—Frank Jensen, Marie Jensen  
Apple Valley No. 593—William J. Schultz, Georgia Schultz  
Hesperia No. 682—Ray Cramer, Helen Cramer  
Hinkley Valley No. 674—Not represented  
Lucerne Valley No. 673—Malcolm Olin, Edith Olin  
Oro Grande No. 592—Dorothy Loomis  
Phelan No. 607—J. Frank Jones, Kathryn Jones

**Northern Monterey County**

Aromas No. 361—Julian Marion, Faith Marion  
Big Sur No. 742—Not represented  
Marina No. 518—Carl L. Lembach, Marie Lembach  
Monterey Bay No. 492—Mabel Isakson, John Isakson  
Prunedale No. 388—Edgar Gerberick, Ethel Gerberick  
Springfield No. 523—Gordon Preston

**Southern Monterey County**

Wheatland No. 811—Not represented

## CREDENTIAL COMMITTEE REPORT

*Worthy State Master, State Officers and Delegate Body:*

I want to publicly express my thanks to the three girls who helped on my committee. Marie Rice, Myrtle Gallup and Betty Rose. They surely worked under handicap.

Most of those Delegates and Alternates registering were certainly patient and understanding. As is always the case, we were told of better ways to do the work but with the space allotted us, etc., we got along and finished our work. I would say, all-in-all, everyone was very nice, and we thank you for this.

In the many years we have been registering Delegates and Alternates, this was by far, the largest number we have ever had with some 486 in all.

Sincerely,  
Ulyuss G. Rose, Chairman  
Marie Rice  
Myrtle Gallup  
Betty Rose

## DEGREE CANDIDATES

### Fifth Degree (74 Candidates)

Bauer, Glenn E.—Julian No. 643  
Bauer, Viola D.—Julian No. 643  
Berry, Lila M.—Soquel No. 789  
Bley, Kathleen A.—Greenhorn No. 384  
Boland, Wanda—Sacramento No. 12  
Bradshaw, Elva Mae—Soquel No. 789  
Brown, Dorothy—Armas No. 361  
Brown, Fern—Soquel No. 789  
Chappelle, Gladys—Rio Linda No. 403  
Conger, Fern—Aptos No. 800  
Daniels, Isabella—Soquel No. 789  
Davidson, Agnes—Mt. Bolivar No. 218  
Downend, Dorothy—Fair Oaks No. 724  
Draghi, Angelina—Napa No. 307  
Eignor, Jaklyn—New Era No. 540  
Engman, Amanda—Soquel No. 789  
Ert, Samuel B.—Santa Cruz-Live Oak No. 503  
Faris, Alice—Anderson No. 418  
Fenton, Ralph L.—Soquel No. 789  
Gilliette, Eva—Clear Lake No. 680  
Gilliette, William—Clear Lake No. 680  
Greenwald, Dan—Anderson No. 418  
Greenwald, Helen—Anderson No. 418  
Hansen, Verne O.—Road Runner No. 813  
Harralson, Dwayne—James Ranch No. 628  
Hart, Nelle B.—Rosedale No. 565  
Hofmeester, Florence—Napa No. 307  
Holman, Richard—San Luis Obispo No. 563  
Jonko, Joseph J.—Gridley No. 457  
Langley, Brad—Coyote No. 412  
Look, Frank—Whitethorn No. 792  
Look, Reva—Whitethorn No. 792  
Magee, Sandra—Santa Cruz-Live Oak No. 503

Malkon, Agnes—Aptos No. 800  
 Malta, Joe—Clayton No. 734  
 Malta, Antonia—Clayton No. 734  
 Maynard, Betty—Monterey Bay No. 492  
 Maynard, Ernest—Monterey Bay No. 492

## WOMEN'S ACTIVITIES REPORT

1971

*Worthy Master, State Officers, Brothers and Sisters:*

From the beginning of this year I have been saying that the ROAD to success is always under construction. It is time now to report on how much of our ROAD building has been finished. The main work should be done and all the signs put up, with the last one in place "This Way to Santa Cruz."

Our Bible Fund ROAD has been well paved. Although we did not include this in our 1971 program, we have received \$45.00 since our last convention. We built a good foundation under this ROAD with a total of \$404.55 received since May 1968. Three Subordinate and twelve Junior Bibles have been purchased since that time. The amount we have in this fund should carry us for several years into the future, though we would be glad to spend the money if we could have many more Granges organized.

The debt on the State Grange building has received many contributions during this last year as a result of efforts to give an individual Grange 100% status. The C.W.A. have not forgotten this ROAD and so have done a little paving of their own to help finish the job. Although much of this has gone directly to the State Grange Secretary, the amount of \$519.28 has been sent to me along with C.W.A. Quarterly Reports. With the Youth theme of GOAL TO GO I'm sure that we will have this debt paid off in the near future. I'm also sure that the C.W.A. will play a big part in raising the money to make their own Grange 100%.

The ROAD to better education, for many young people, has been aided by the women of the Grange, with Scholarships. During this past year they have reported a total of \$9,724.00 being given to 139 young people. These were given for many things such as Agriculture, Home Economics, Nursing, Music, and many other subjects.

Where a Grange has no Youth Group or Junior Grange we have suggested that a contribution be made to the California State Grange for their use. \$43.00 has been received and sent on to Sister Eve Rowe, for use in the Junior Grange work and \$41.00 has been sent in for the Youth Group work.

Several years ago we paved a ROAD to better education with the money we gave to Cal Poly and to Humboldt State College. This has made smoother traveling for several young

women. This money is for the use by the school to aid young women who would otherwise have to drop out and not be able to even finish a semester. It is not loan or scholarship money and the girl does not have to belong to the Grange or in a Grange family. The report from Humboldt State College indicates that 5 Grants were made during the past year, in the sum of \$424.20. These ranged from \$61.20 up to the maximum amount of \$100.00. I have received no report from Cal Poly and perhaps this means that none was used since the last report. There is still \$1,293.14 in the fund at Humboldt State College. The last report from Cal Poly indicated there was \$1,417.00 left in their fund.

"Charity begins at Home" but we must not forget those away from home who need help. We have tried not to burden the Grange women with a lot of requests for money for charitable purposes. We want them to choose their own place to give their aid. There are just two projects for which we ask your aid. The National C.W.A. project is for CARE, Inc. and our State project is Meals For Millions. We have traveled the Meals For Millions ROAD for many years and it seems always to be under construction as more parts of the world have hungry people. Our money helps to provide a food supplement, a multi-purpose food for hungry people. Although in the past it seemed a good deal of this food went to foreign countries, we now hear of more of it being provided to hospitals, childrens homes, schools and Indian Reservations, especially in some of the poorer parts of the United States in the South.

In March 1971 observance of the 25th Anniversary of CARE, Inc., was made. A 'Mad Hatter' 'tea was held in the home of Janet Leigh, in Los Angeles and another was held in the French Consulate in San Francisco. Sister Christine Kearne, District 4 and Sister Rosa Burdick, District 8 attended the tea in Los Angeles. Sisters Flora Lee Schlundt, District 9, Eulalia Archer, District 10, Velma Sutliff, District 7, Florence Sheffer, District 5 and I all attended the one in San Francisco. Many of the heads of Women's Organizations in the State of California were guests at each of these. We were asked if we would have our women make some kind of a special contribution in observance of this important anniversary and the Grange women responded by giving \$192.00. This came in 99 separate donations. Our regular CARE project for this year has been for the benefit of the country of Panama. The money is being used to improve the conditions of the people living in the rural areas by improving their schools and roads. Roads are badly needed in order for the people to get their produce to a town market. Our regular contributions during the year amounted to \$820.25, making a total of \$1,012.85.

Our Women's March money, at our convention, went into our State Grange building fund last year, with a contribution of \$2,485.28. The money in 1971 will also go into this fund.

All contributions will be credited to the Grange from which it came through the C.W.A. and this will help your Grange attain their 100% status.

During the past year we have added \$353.00 to the Mabel Glenn Memorial Fund. There is a total of \$2,589.75 in the fund now. We will be using some of this during our Centennial year and perhaps all of it as we celebrate this important occasion in our Grange history.

Not long after the first of the year we found our supply of cookbooks depleted. There were still so many requests coming in for supplies of these books that it was decided to order a 4th printing. In order to be able to continue to sell the books at \$2.00 we ordered 15,000. So—if you would like to have some of these books to sell please just ask for them. They are still a "Best Seller." From this money we will be able to do things we would not otherwise be able to do and some of this will also be done during our Centennial year.

We will continue to give \$100.00 to the winner in the State Grange Talent contest, which is under the direction of the State Lecturer. This is not prize money but is expense money to help the winner get to the National Grange convention for final competition. If the winner does not go to the National Grange then the money is to be returned to our fund.

We are having a cookie contest at our State Grange convention again this year. The same four classes will be entered; Class 1—Drop Cookies; Class 2—Filled Cookies; Class 3—Bar Cookies; and Class 4—Rolled Cookies. The cookies will be sold for 50c a plate of 12 cookies. Contributions of extra cookies are always welcomed and we have always had quite a few of these. Prizes are \$5.00, \$4.00 and \$3.00 in each class.

This year we have a new State contest. This is for quilts which are the work of the C.W.A. women as a group. Most points in the judging will be on the quality of quilting, along with neatness, cleanliness and color combination. There will be six prizes for this contest, starting with \$10.00 for 1st, \$6.00 for 2nd and on down \$5.00, \$4.00, \$3.00 and \$2.00.

The National Grange C.W.A. has continued the doll dressing contest again this year. We are giving prizes of \$5.00, \$4.00 and \$3.00 for the best three dolls. The 1st place doll will then go on to the National Grange for final judging. We had 21 dolls entered last year.

Prizes for all three of these contests are being financed by the sale of the cookies. We're very glad that we can make enough money so we do not have to go to the State Grange Executive Committee to finance any of our contests.

Once again we had a small increase in the National Grange Sewing contest in 1971. There is another big change in the contest for 1972 and we hope this will result in many more entries. Simplicity Pattern Company is going to be a Sponsor and will be offering some fine incentive prizes. McCalls is no longer a sponsor — so do NOT use their pattern for your entry

next year. We had quite a few entry blanks sent in by women who were not Grange members last spring. I'm wondering how many of them joined the Grange later. If you had some of these non-member entries I do hope that you did try to get them to join the Grange. Of course if they won a prize in any class, at the State level, they would be required to join if they want to enter again in 1972.

We hit the "Jackpot" last year in the Needlework contest. Sister Nancy Kennedy, Santa Ynez Valley Grange, won the Grand Award in Group 2, with a beautiful afghan. She received a total of \$1,160.00 in prizes and it was my great pleasure to be able to go down to her Grange, with our State Grange Master and Sister Doris to present her with her National prize. We hope to have this afghan on display in our C.W.A. room. Sister Margaret Jensen, also of Santa Ynez Valley Grange was also a first place National winner with a crocheted edging on a pair of pillow cases. She received \$60.00. Sister Arlie Frazee won 2nd place at National and a total of \$55.00 in prizes for a 3 piece babysset.

The Cancelled Stamp project, which we have had for so many years, lost it's main outlet with the Sons of Norway. The Norwegian ships stopped coming into San Francisco harbor so we had no way to get the stamps to Norway. We have found a number of new outlets for the stamps, however, so we are continuing to urge the women to collect and cut them out. Perhaps you may know of some group who would like to receive the stamps and can help them out with what you have. The sale of these stamps can mean a lot to many groups, so there is no reason to stop saving them. If you cannot find an outlet I will be glad to receive them any time I am in your area. That way you can save the postage.

As I have said "Charity Begins At Home" and this means doing something for those who need help in your own area. The ROAD to those in hospitals, Rest Homes, or even in their own home can mean more than you can ever realize. The Grange women do a great deal for these people. To those at home it may be a trip to the doctor or to do some shopping, or just a visit to brighten their day. To those in a hospital or Rest Home may have small gifts brought for their birthday or at Christmas time. Small articles suitable for Bingo prizes may be taken, along with refreshments and the women also run the games. Many things are made for the patients, such as laprobes, bibs, scuffies, etc.

Where there has been a death in the family food is almost always taken to the family. If there is a large gathering it may be served in a Grange hall or a church social hall. Fire, flood and other disasters sometimes may strike a family and the Grange is quick to come to their aid. This may be for a family which does not belong to the Grange either. Some of the Granges keep a supply of things on hand, which could be used for these purposes.

Good times are not forgotten as wedding receptions, for just marrieds, are held in a Grange hall, with the women of the Grange providing or catering the refreshments. 50th wedding anniversaries are observed in a Grange hall also.

Grange hall improvements have been varied but each one has added to the pleasure of the members and enhanced the looks of the building. We're going to be approaching our Centennial year during this coming year so we want to continue to do all we can to put our Grange homes in the best possible condition. Why not take a picture of your hall now and as work progresses during the coming year take a few more. When we are ready to really begin our Centennial year another picture should be taken. This could also include pictures of the improvement of the grounds around your hall. Many times the work is done by the men but the women often are the ones who earned the money to provide the materials. Then on work days, while the men are doing the heavy work, the women provide a good meal for all to enjoy. It all adds up to a good time as well.

Our Fairs still are very important to our Granges. They would lose a lot if there were no Grange booths, but on the other hand, the Granges would lose even more in a monetary way. We had to work hard this year to keep our local, District or County Fairs intact, but it was a good battle and we won. We will have to continue our support in every way possible to keep them in the future.

We are so pleased that we have gotten a start in getting a "spot to call our own" at our State Fair. This may make it possible to have the name "Grange Island" assigned to the spot. We certainly want to continue having a real Grange day at the State Fair. The State Grange has never stopped working to find a place for us in the set-up of the Cal Expo grounds. Credit should also go to the men and women of Sacramento County in their work to establish this spot as ours. Let's support this effort in every way possible.

The Recognition Reports were judged at the Subordinate and Pomona level and Sister Emily Grant won 1st place with her Orange County Pomona Report. In the Subordinate judging Sister Joan Boyle, Millville Grange won 1st, Sister Merle Lussan, Fair Oaks Grange won 2nd, and Sister Belle Simas, French Camp-Lathrop Grange won 3rd. I regret to say that I received no Junior Grange Recognition Reports. It is from the reports I receive that I am able to get the material for my report to the National Grange. Of course some of the material in my report comes from the regular Quarterly reports and a few things I have heard as they were reported in meetings I was attending. I sent out 298 Recognition Report forms but only received 130 of them back. This means that I was not able to really report for the majority of you.

16 of the Wall Charts which were sent in were really completed. Some of them did not have enough Sewing contest

entries to make them eligible for the 1971 certificate from the National Grange and I really regret this.

26 District meetings were held during this past year, most of them before June 1st. In September four more meetings were held, which included five Districts. We had a combined meeting between Districts 4 and 8. This gives us a chance to go over the work of the Women's Activities with a majority of the Chairmen and of course with a large number of the rest of the workers.

We've been quite successful in gaining new members during these past few years and I certainly hope that we can keep up this effort. Many of the applications for membership have had one of the Sisters as a sponsor and we hope that each of you who has been a sponsor will remember this. These new members need to be made to feel that we really want them in the Grange. So, if you sponsored someone for membership don't think that your duty is done when they have been initiated. Do call them often and remind them of when the next meeting is to be held. Maybe you could offer to go and pick them up. If you really make them feel that they belong then they will want to bring more people.

I want to pay tribute to each of the District Directors. No one could do the work at the State level without your help. They spend a lot of time and effort to do a good job, with very little compensation except for the satisfaction of knowing they have done an important job. Under them we must depend on the work of the Pomona Chairmen and they do a fine job of keeping in touch with their Subordinate chairmen and then reporting to their District Director. Of course the work really begins with the Subordinate Chairman and sometimes this may be made harder because of some misunderstanding among the members but I certainly appreciate all of their work. So, if you have not had all smooth traveling on your ROAD this year try "Jes' Laughlin"

It's curious what a sight o' good a little thing will do;  
How you can stop the fiercest storm when it begins  
to brew.

An' take the sting from what commenced to rankle  
when t'was spoke,

By keepin' still and treatin' it as if t'was a joke.  
Ye'll find that we kin fill a place with smiles instead  
o' tears,

An' keep the sunshine gleamin' through the shadow  
of the years.

BY JES' LAUGHIN'

Folks sometimes fail to note the possibilities that lie,  
In the way yer mouth is curvin, the twinkle in yer  
eye;

It ain't so much what's said that hurts ez what ye  
think lies hid

It ain't so much the doin' ez the way the thing it did.  
An many a Grange's kep' happy an contented day  
by day,  
An' like as not a kingdom has been rescued from  
decay,

BY JES' LAUGHLIN'

The cooperation of all those working in the State Grange office and in the Grange News, has aided the work of my office greatly and I certainly appreciate it. Their assistance in obtaining judges, both for the Sewing and Needle work contests, means a great deal to me.

The cooperation of our State Grange Master, Chester Deaver and the Executive Committee, and the personal courtesies of both Brother Chester and Sister Doris is important, for without their help this department could not function properly.

Fraternally submitted,  
Gladys True, Director  
Women's Activities  
California State Grange

## DIRECTOR OF MEMBERSHIP REPORT

*Worthy State Master Chester Deaver, Sister Deaver, State Officers, Delegates, Brothers and Sisters:*

It is important to define the duties and responsibilities of the Regional Membership Director. Under the organization's approach to administration, the Regional Membership Director is only one member of our Worthy State Master's Membership Team. The Regional Membership Director should, and does report directly to the State Director of Membership, and he should, like other team members, contribute whatever special skill he has to the solution of the many problems which beset our membership program today.

The Regional Membership Director is not a decision maker—although he may make suggestions from time to time. He is not the man behind the wheel. He is, by comparison, the companion or passenger. In other words, he does not determine the destination, side trips, or stops along the way. But he watches the road, the signs, the scenery. He raises questions. He plans. He waits. Finally, he recommends the best resource in dealing with a problematical situation.

The leadership role requires him to plan for and secure the acceptance of the task of achieving regional membership conferences for participating Subordinate and Pomona Membership Chairmen. In doing so he plans his own program; defines the responsibilities of each membership chairman as well as the entire membership in the process; evaluates, encourages, and develops capacities for participation; constantly reminds all parties of the decisions that need to be made; and uses

innovative measures in the program to keep it operating as designed.

Things today are changing so fast that what seems meaningful and relevant this week, one month later may, as a tactic, have to be changed in order to meet the rapidly changing thinking, desires, aspirations, and developments that surround us.

Planning, then, must concern itself with what we have which needs to be disseminated, who we must reach with our membership program, and what tools will best do the job at hand.

And the job at hand is *not* to give information. If local membership chairmen take over these innovative programs, the job then is to gain *acceptance* and *active support*, not just understanding among the membership. If our own members do not fully understand our goals, and if they do not fully support those goals, any attempt to supplement our cause is almost certainly doomed from the start.

Consider, too, the growing awareness of the importance of Regional Membership Directors, and the accumulating evidence of their varied activities. More Subordinate Grange activities have been noted through successful membership meetings among Subordinate units. It would seem, then, that masters, officers, and active members would take special effort to contact prospects—instill the message of Grange assurance—invite them to join. It would even seem logical to give those prospects brochures, pamphlets, and explain the resource material to them, thus making it easier and understandable for any newcomer entering a Grange hall for the first time.

Therefore, it is obviously necessary that all Subordinate and Pomona Masters select and appoint an untiring member as their membership chairman; a zeal-filled person that will take action, rather than be a membership chairman for sake of a title. The attendance at one conference during the year is a reasonable request of a membership chairman. Remember, your Regional Membership Director has family and other obligations to uphold also, yet, giving of his personal time and support for our grand fraternal organization. These meetings are directed to membership chairmen and any other interested personnel, and are not being conducted on a grand show basis. The meeting held in your area may be conducted in the nearest available Grange hall, or a Grange member's home.

We are now ending the first year of Regional Membership Director activities. The statistical report astounds us, showing a gain for the year ending June 30th at 1,693.

Two regions had a loss, nonetheless, the membership loss in those two regions totaled only 21 members. The other nine regions flowed upward with increases ranging from 1.2% to a high of 8.6%.

I had designated a "Director of Membership Award" to the Regional Director with the highest increase of membership

within a region for the fiscal year, July 1, 1970 through June 30, 1971, and publicized this in the Membership Bulletin. In fairness to regions with a small membership from those regions with a large membership enrollment, the winner was chosen on a percentage basis, rather than just the greatest number.

The winning region this year goes to Region 6 with an 8.6% increase in membership. The counties involved in Region 6 are: Amador, El Dorado, Nevada, Placer, Plumas, and Sacramento. Your Regional Director of Rembership for Region 6 is Donald McKeever.

I am happy to report that region 2 came in second with a 7.2% increase and Region 4 with a 7% increase. Region 2 consists of the following counties: Butte, Colusa, Glenn, Sutter, Tehama, Yolo, and Yuba. Region 2 Director of Membership is Violet Clark. Region 4 counties are Los Angeles and San Bernardino. Your Regional Rirector is Byron Kearne. At this time I wish to extend to those directors and those regions my warmest congratulations.

A factual report shows the young marrieds, youth, and Junior Grangers have contributed greatly to this membership gain. No one has more pride in this membership growth than our elderly members. The refreshing young that have taken over our hearts, have presented us with wisdom in our acceptance.

We elders have begun to help the youngsters toward greater openness and sensitivity in their relations with others, and toward a responsible identity in Grangemanship.

Young people are not irresponsible, as many people believe; actually, they want the adult world to give them much more responsibility. We are beginning to understand the young, in terms of their potential, their growing process, and communication. World understanding and cooperation are very important. Children of today are living in an era when man has landed on the moon. The future holds the possibility of manned landings on other planets as well. To keep pace with scientific advancements, human relations education begins in the home with the development of attitudes—one manner, position, and state of mind. We can build moral stamina and a toughness of fiber to stand the acid of our times. We can deliberately open the way to gentle sensitivity and compassion coupled with firm, though stick-to-it-iveness in action. We can cultivate fineness of character—for what is good character but sound values backed up by commitments? We can do this with our very young in their need to learn.

All this—and much besides—will be easier for us because our young people crave it so. We cannot impose our values upon them; thank goodness, they are past that, but if we genuinely and without reservation *join them in their quest*, we can help them to combine the best of their new with the best of our old.

There is a rugged power latent in today's youth. Of all the people on the face of the earth they are the most idealistic, the most eager to serve, to be of worth to humanity. And they are the most energetic. In this future era they will undoubtedly be moving to the vote at age 18, and there is no reason why they cannot be amongst our most valuable citizens even several years before that.

In conclusion, I am pleased to say, as a family oriented organization, the Grange and its members are already leaders in the future era relevant to youth participation. By looking ahead at our goals we are guiding our actions as we go toward them.

We are letting our image show! Our growth, membership wise, is essential. The most delicate and important task of our Worthy State Master is to keep the channels of communication open to both the Grange and the general public. No matter how acrimonious the debates may become, no matter how tempers flare, along a wide battle front, the leaders of our organization must never break off diplomatic relations with either inside or outside groups. Those groups which oppose us today may join us tomorrow if the way is left open.

Fraternally submitted,  
Elsa Rodrigues,  
Director of Membership,  
California State Grange

## DIRECTOR OF YOUTH ACTIVITIES REPORT

*Worthy State Master, and Sister Deaver, Worthy State Officers, Visiting Dignitaries, Brothers and Sisters:*

It is a pleasure to bring to you the report from the Youth Committee which, this year includes, as it should, happenings from the Young Marrieds' Section, as well as the Teen Section. Our Young Unmarrieds have also been busy in our Grange Life.

As you are aware, our report to the Delegate body, and to you visitors covers the year from Annual Session to the next Annual Session.

We had no sooner returned home from Santa Maria last year than many of us packed our bags and took off to the Session of the National Grange in Boise, Idaho. We took with us many young people who represented California officially, and unofficially during Youth Activities Days.

Hank Hitt and Nancy Garrison were our Prince and Princess contestants, and LuAnn Fraguero held the position of Lecturer on the Youth Opening and Closing Team that opened and closed the National Grange one day. George and Doris Schmidt represented California in the Young Couple of the Year contest, and to our great joy, won for California the position of First Runners-Up in the Young Couple contest.

They later represented the National Grange at a Young Married Conference in Idaho, the expenses being borne by the National Grange Youth Leadership Fund.

The Schmidts deserve much credit for the work they have done as Young Couple of the Year. This evening during Youth Night you will all witness the Crowning of a new Prince and Princess, and a new Young Couple of the Year.

The Young Couple will not enter the National Contest until next year, but will be hard at work this year in building a record in and for Grange that will make them hard to beat when they go to National a year from now.

Mike and LuAnn, current Prince and Princess will be in competition in Charleston, West Virginia, during November of this year. They will be ready for that competition.

George and Doris have used their Grange and National experience in the very best interest of the State Grange and its Youth Committee.

They planned and helped to carry out the first Young Married Conference in Sacramento in February. They attended Cal-Poly in April, hosted a Planning Meeting of the Teen Officers and Young Married Officers, the Prince and Princess and the Young Couple of the Year in May, attended the second Young Married's Conference in July, and Doris and the boys attended Camp at Mendocino Woodlands in August.

Besides this they have made every attempt to honor all invitations issued to them to visit Granges as Young Couple of the Year. George is Master of New Era Grange in Gustine and Doris is Ceres of the California State Grange. Over and above all of this is the fact that they accepted the position of Regional Directors of Youth Activities in Region 3 and have worked actively in this capacity for the entire year.

At the Deputies Conference in December, both the Young Couple and the Prince and Princess, made reports and beat the drum for THE PROJECT and for the Youth Committee. Ten of the eleven newly appointed Regional Directors also attended that meeting.

LuAnn and Mike accompanied Brother and Sister Deaver to the Oregon State Grange session where they were honored guests, and where they had opportunity to tell the California Grange Story to both the Delegate body and to the Oregon Youth in their own Assembly.

While there they were interviewed by a reporter from the *Oregon Farmer* and subsequently the interview was written up, along with interviews with Brother Deaver and some Oregon Youth under the title "Grangers Look to Youth to Firm Up Ranks."

After discussing the question of WHY don't more Youth belong to the Grange, the article concludes with these two paragraphs:

"But California appears to be aiming directly at the heart of the matter with its Grange Action Program. GAP is going

to try to direct the efforts of the Grange to programs and problems that relate to young people," Deaver said.

And when Youth do get involved in an organization, the results can be amazing. Miss Fraguero and Smith noted that the California Grange young people took it on themselves to raise money to pay off the mortgage on the California State Grange Building in Sacramento. Since March 1970 they have collected enough money to reduce the mortgage from about \$140,000.00 to \$73,000.00."

This is true recognition, not only of our young people, but of our PROJEST. Since June, when this Oregon paper went to press, the \$73,000.00 has been reduced by another \$6,860.03, leaving, as of October 1, \$68,139.97 to be paid. Our program of GOAL TO GO is in effect, and TOGETHER WITH YOU we will ALL be winners in this project to eliminate the mortgage on the State Grange Building, OUR building.

Two important points in the quoted paragraphs are worthy of note:

First—Our Chief Administrator, Brother Deaver, is aware of the problems of our Youth. Our greatest problem is that many Grange members don't know there is a problem. They certainly don't realize that their negative attitudes are the Youth's biggest problem. They prefer to ignore the Youth as serious members of the Grange, in the hope that he will just go away. Attitudes must change. Loving *must* replace self-serving.

Secondly—the importance of the word "involvement". (Paragraph 2). Without Youth involvement, California Granges would go partly unrecognized by other State Granges, and even, to some extent by the National Grange itself. And, without Youth involvement, we older people would still owe about \$120,000.00 or more on the State Building, with more money still going each month for interest than on the Principal. In fact, that interesting state of affairs would continue for several more years, had it not been for the Youth's BIG PROJECT.

As it is, we can look forward, together, to a gala Mortgage Burning Ceremony in the foreseeable future.

The Youth do not, nor have they EVER, claimed to have paid this money themselves. Their only claim to fame is that, by promotion and education, you have made the IDEA your own, and that because we think alike, and are of a will to work together, we are accomplishing our heart's desire.

Our Prince and Princess each entered a National Contest, sponsored by the National Grange Youth Department early last January. They entered, and they each won, the two of them being among the highest six in the Nation. This is known as the National Youth Recognition Award, and to the winners went the honor of representing the National Grange at some Grange, or other organizational function during the year.

LuAnn had the honor, and the fun, to attend the Colorado State Grange Youth Camp in June. She had a wonderful time, of course, and upon returning to California she wrote such a fine report that Bill Steel, National Youth Director, had it printed and sent to all State Masters and to all State Directors of Youth Activities. This is great recognition for a young Granger.

Mike had the honor to represent the National Grange at the Convention of American Cooperatives, whose annual session was, this year, held at Colorado State University at Fort Collins, Colorado. Michael's report was termed "excellent", and he has been invited by Bill Steel to prepare a presentation for a work shop session during Youth Activities Days at National Grange session at Charleston, West Virginia.

The expenses for these trips were borne by the National Grange Youth Leadership Fund, to which many of you have contributed.

Winners, these young people are, but first and foremost they are knowledgeable and dedicated Grangers.

In fulfilling the obligation as set forth by Major White, the first Master of California State Grange, when he wrote in the Declaration of Purposes, which, in the language of the Digest, under "Specific Objects", says that "we shall endeavor to advance our cause by laboring to accomplish the following Objects:

and, Brothers and Sisters, the very first one of those specific objects is:

"to develop a better and higher manhood and womanhood among ourselves"

Do we really *work* to develop a higher and better manhood and womanhood in our Granges. Some do.

We have seen grown, even retired people, come in to Grange unable to speak before a crowd, unable even to form their thoughts into good sentences, so nervous were they to be expressing themselves in public. We have seen these persons slowly gain confidence, surely develop latent talents that had lain dormant through the years, until finally they reached a point of being completely at ease with their brothers and sisters and able not only to put their good ideas into words, but more important, able to translate the words into actions, thus accomplishing many good things for their Granges, and for the membership.

The Fraternal Spirit must be nurtured, the Character building Principles of Grange must be exercised if we are to develop a higher humanitarianism within our ranks. The older can teach the younger, and the younger can sustain the older if we grow together.

Mind is ever new and is constantly at work with new ideas. Our job is to recognize the value of a new idea, and to work to bring it to fruition.

In the Youth Department we are constantly listening for Good Ideas for programming, for ways in which to develop the talents of young people and for places of opportunity to give them a chance to perform and to be successful.

In Grange we can guarantee young people, middle aged people and older people *alike* a chance to grow, and to develop from immature Grange members to fully educated, involved and dedicated Grangers. Believe me, Brother, there is a difference!!

This does not occur over night. To stand before the altar and take an obligation, or to march in all six degrees, does not make one a Granger.

It takes time and energy and a large portion of CARING on some body's part to provide that new member with some education about Grange procedures, courtesies, Grange manners, Grange history and the aims and purposes of the Order before he develops into a true Granger.

The Youth believe that new, or prospective members should be educated. They believe that a new member has a right to be educated, and we should not be permitted to neglect him.

Because we believe in Grange Education, Cal-Poly and Grange Camp are largely educational. It pays.

Cal Poly this year was a sell out. Next year we'll be staying at an Educational Camp about three miles from Cal Poly Campus, and we will be able to accept all Grange Youth who care to attend. We will have an expanded program. We expect Youth Advisors from each Pomona sending young people to attend every session at which Youth are present. This is simply an extension of existing policy.

One of our goals has been reached, and our more experienced young people have reached a point of maturity and responsibility that enable us to include them in decision making in a greater degree. These decisions will be reached after searching out facts and comparing points of view. They will not be arbitrary, nor will they be hasty. We will work together on an expanding program.

The Young Marrieds of California's Granges had an organizational meeting in February in Sacramento. It was very successful, there being 81 registered. This was great, especially since the Pomona Granges were invited to send official delegates. We hoped they would pick up the tab. Not all of them did, but all but one or two did. It's hard to bat a 1000 in any league.

George and Doris Schmidt, Young Couple of the Year, made the initial plans for this meeting, and Fred and Marie Dwight, Regional Directors for Region 6 arranged for motel and food details. Work Shops were conducted, and elections were held. Roger Baker, Master of Los Angeles Pomona Grange was elected Chairman of the Young Married's Section of the Youth Committee of the California State Grange, and Brother Paul Layher, Pomona Master of El Dorado-Amador area was elected

Vice-Chairman. Their wives, Vivian and Mariann were elected Secretaries to their husbands.

The keynote Speaker at the Banquet was Bill Geyer, Legislative Representative for California State Grange. He spoke, introducing the Grange Action Program and the hope that the Young Married Grangers would be able to identify with this program in each Grange in the State.

It is a recognized fact, apparent to anybody with any discernment at all, that there must be interesting work available to those young people who are ready, willing and able to be Grangers, otherwise they'll be members of some other organization.

To meet and eat is not enough of a challenge to men and women of action.

Not everyone, of course, was happy with the Conference. There is no such thing as a program that everyone is completely happy with. Some were disappointed that they didn't go home with the answers to all of their Grange problems.

The answer to a problem is usually within the problem itself. If one, or an organization, has a problem there is a pretty good formula to follow:

First, define the problem.

Secondly: analyze the problem, dividing it into all of its parts. Following that should be orderly thinking to solve, part by part, the problem in a logical way.

Emotion has little to offer a problem solver. Clear thinking, good judgment and a sense of humor usually are good qualifications. It's usually a mentally lazy person who uses problems as an excuse for his own inability, or his own unwillingness to work out reasonable and sensible solutions, or compromises.

In June a second Young Marrieds Conference was held in Santa Cruz with about half as many young couples attending. Many of these young couples had been to the first Conference in February. They were at this Conference because they believed in what they were doing. They were all paying their own expenses at this Conference, and it wasn't all that easy.

I have permission to quote from a lovely young woman who, with her husband, had been at both Conferences, and she came to me and said "Betty, I just want you to know that we believe so strongly in what we are doing here, that I went out and chopped cotton to earn the money for us to come". This young woman is a teacher's aide, and a young mother. She and her husband are Regional Directors of Youth Activities in Region 9, and she is Flora of California State Grange. Ann and LeRoy will you please stand up.

Do you think a few discontented members are going to deter us from our course when such as Ann and LeRoy Larsen, and many, many other young Married Grangers in California have the faith that Grange, when properly understood, is one answer to some of our problems?

Answers are not handed out on silver platters, they are worked for. And the WORK is the GLORY of the accomplishment. We know that no matter what Grange needs, "TOGETHER WE CAN DO IT". All discontented members need to do is to change their minds, and they will immediately change their situations.

In May we held a Planning Session of the Officers of both sections of the Youth Committee plus the Prince, Princess and Young Couple of the Year. During the work sessions some guide lines for the year ahead and for programs and money making projects were determined.

The Note paper that we have for sale is one of the ideas worked out while there. We try to make our own money so that it is not necessary to draw from the General Fund. We have been very successful.

The Resolution relating to the Ritual was written there.

Camp was discussed, and Convention plans were decided upon and coordinated.

The Regional Director program is off the ground and operating. Some have been busies than others. Some have been asked to work more than others for Camps, and Conferences have been in their areas.

Two have resigned for reasons of health, and one has been inactive because of an injury. Five Regional Conferences have been held with varying results.

Enthusiasm is high, next year will see increased activity on the Regional level. There are eight Regional Directors here at Convention, (couples) all busy, having accepted assignments of responsibility for differing parts of the Youth program.

Grange Camp this year was another educational experience. Bill Steel, National Youth Director was with us, and one of us.

We had a total of 114 Reservations, some full, some partial, a gain of 52 over last year. To quote Bill, "we studied hard, and we played hard."

There were two classes in the Unwritten work, each held for an hour a day for four days. An Advanced class was taught by Hugo Wild, Regional Director from Antelope Valley, Region 4. Four young people who had had previous lessons at Camp and at Cal Poly earned their Award of Merit Card.

A Beginners class taught by Mike Smith had lessons for the four days, took the test composed by Brother Deaver, and after taking the test one young man had missed only two words, the second only five, and the third missed nine. Very good scores for beginners.

Worthy Deputies John Freitas and Arthur Burke acted as Judges for the Advanced Class, and Brother Wild and Brother Bill Steel judged the Beginners Class.

The first three Degrees were studied and a complicated quiz was given in which 25 passages from the Degrees were read aloud. The Contestants were to write down which Officer was

quoted, and in which Degree it was said. It was a most difficult test, but LuAnn won with a score of 36 out of a possible 50 points. Very fine score. I really wonder how many of us could do as well.

Brothers and Sisters, the Youth in your Granges have really been working. They have worked on Degree teams, on Officer Corps, on money-making projects of every kind. They have swept floors, put up tables, washed dishes, waited on table, poured coffee, cut weeds, scraped dishes, practiced, studied, lost needed sleep on school nights in order to attend Grange meetings, given pep talks to boost the Youth program and argued with parents who thought they should stay home tonight instead of filling their stations at Grange; in short, they have acted like Grangers. Nothing more, nothing less. But they have done it. They have been Grange Builders.

They have worked in the warmth of Granges where they are repudiated and ridiculed. But they have worked.

Youth Advisors have been deeply appreciated in some areas, totally ignored in others, and made to feel unwanted and unnecessary in still others.

I appeal to your sense of justice and fair play. Please go home from this session, after observing the young people here, determined to correct the injustices that may be going on in your area. Get involved!! Be kind to the aggressors, please explain the facts of Grange life to these uninformed, or simply super-critical people.

Tell them that membership in Grange starts at 14, and that these people have the right, under Grange Law, to attend, to participate, to hold office, to speak up, to be heard, and to WORK TO BUILD GRANGE the same as the member of any other age.

The Youth Committee does a pretty good job of keeping the Department solvent by our money making projects. Please buy some of the Note Paper if you will use it, or give it as gifts. Makes a fine Blue Bird gift. Please come to Breakfast tomorrow morning, and have fellowship with the Youth, and at the same time help us make money for the Youth Fund of the State Grange Youth Committee.

If you turn up at about 5:00 a.m. to help with this breakfast you will be invited, along with all Youth who work on the Breakfast—and we expect them all—to attend a Hot Fudge Sundae party hosted by the Grange Insurance Association, Bert Montgomery in charge.

A thousand thanks to all of you wonderful Grange people who are Youth Boosters, to all of you who, throughout the year help in so many ways to make the Youth Program a success. I wish I could thank you individually, in public, but of course there isn't time. But the Youth and I thank you very, very sincerely.

The 1971 project for the Youth Committee is EACH ONE WIN ONE. If each one in our Granges will sign up just one new member during the project year we will double our membership, more than double our influence in our country, and make your Youth Committee very happy, all at the same time.

In order to end this report in a big way, the Youth are preparing a Demonstration to impress upon you the importance of the project, and they hope you will each one enter into the Spirit of the thing and join in when you are invited.

Fraternally submitted,

Betty Smith,

Director of Youth Activities

California State Grange

## **REPORT OF CALIFORNIA STATE GRANGE YOUTH COMMITTEE CHAIRMAN**

*Worthy State Master and Sister Deaver, Worthy State Officers, Visiting Dignitaries, Sister Smith, and Fellow Grangers, Hi:*

It is an honor and a privilege for me to be here, and on behalf of the California State Youth I'd like to extend a warm welcome to you!

I want to thank all of you here tonight for coming to our Youth Night, which, as you know, is a traditional part of the Annual Session of the California State Grange. It is a great pleasure for me, personally, to share the same platform with the Master of the State Grange and with the visitors from other State Youth Organizations.

It was my privilege to have been elected Chairman of the Teen section of the California State Youth Committee at Cal Poly last Easter. Since then I have attended, and participated in, several planning and work sessions, most important of all being "THE PROJECT". We have adopted as our new theme, the slogan "GOAL TO GO", which I'm sure that you are familiar with by now. It's purpose isto pay off the State Grange Building, free and clear. I'm sure that it would be a moral victory, as well as an economic one for all of us to see the mortgaged burned. Together *we* can do this, and when I say "*we*" I mean everybody! I'd like to see the Youth invited to take part in the burning of that mortgage, along with every other Grange member, whether they be here tonight or not. And I'd like to see it done very soon.

At this time I want to invite all of you to attend the Youth Breakfast on Thursday morning, which is tomorrow. If you haven't already bought tickets for the breakfast, you may do so by going to the entry of the Eagles' Hall and purchasing them there, tomorrow morning, starting at 6:00 a.m.

On behalf of the Youth I invite all of you to accept the Youth's invitation to the "Coronation Ball" tonight, immediately following the "Coronation Pageant."

The Youth wish to express their gratitude to every Grange member who is a Youth Booster. We truly appreciate the expression of confidence that has come to us from not only those in our own State, but also those in other States, and from the National Grange Office. We glory in our acceptance by many of you older Brothers and Sisters, and we will prove it by our actions. Special thanks go to Sister Smith, the Director of Youth Activities, who has been the light in the window through many a dark night, and to our most esteemed Brother, Chester Deaver, Master of California State Grange, and Executive Committeeman of the National Grange, who sees in the young member, not only strength and enthusiasm for the work at hand, but the perpetuation of the Order in the years to come.

Fraternally submitted,  
John Buzzetta, Chairman  
California State Grange

## GREETINGS FROM NATIONAL GRANGE YOUTH COMMITTEE

### THE NOW GENERATION

1. What seems to be the new trends young people are looking for today?
2. Why are things so much different than 40 years ago?
3. Where can we as youth go to find answers to the millions of problems we are faced with?
4. Does the Grange hold solutions to solving any of these problems?

We as young people today are by far the most tested, tried, experimented with, preached at, learned generation to set foot on the face of this earth. No generation before us has observed such great events, as witnessing instantaneously the assassination of a President of the United States or, from our own living rooms, viewed the first walk of mankind on the craters of the moon. No generation before us has known such rapid modes of travel, advances in medicine and been involved in such a great knowledge explosion. And no generation has been faced with such demoralizing social problems, such deadly temptations or such evil acts of violence. We are all a part of the "NOW GENERATION."

Many of you here today are on the other side of the fence called the Geritol Generation, the old man and old woman and the establishment, along with various other titles, most of which are insulting and unfair.

How do you react when being called one of these titles? Why are kids the way they are today? Why the disrespect?

Youth speaker, Tex Yearout, points out it is because the adults are trying to play too much the role of the stereo generation. Out of one side of their mouths adults are telling my generation "do this and do that." Oh! you must be a part of

this group, or you must decide to go to this college and you must set these moral standards so every one will like you, and you must be very careful who you select for your friends. While out of the other side of the mouth, far too many adults are interested in a new home, 2 cars, longer vacations, larger paychecks, and to get drunker this weekend than the last.

Too many homes find Dad sitting at home cheating on his income tax while Johnny's getting a scolding in the 6th grade for cheating on a math test.

In a recent article I was reading entitled, "Now, when I was your age," it was pointed out to the readers that the article was not for members of the Pepsi Generation to read. It instructed young people to leave the article in an inconspicuous place for your parents, such as in the kitchen sink or under the windshield wiper of the family car.

The Author points out to parents, "Too many of us talk a lot, we intone our opinions and sometimes we set standards for young people which we ourselves have not kept." A missionary was instructed when arriving in a foreign field to do three things: "*Learn the language, learn the customs and remember, it's not wrong, it's just different.*" I'd like to pass this on to some of you adults and see if it doesn't help to close the generation gap.

I feel the problems facing young people can be broken into two categories:

1. Communication
2. Being a part of the gang

1) **COMMUNICATION**—with the fast world of mass communication, the sad part of the matter is the largest problem exists within the framework of the family home.

What makes good parents? My definition of a *good parent*—is someone who really cares.

The late Robert F. Kennedy remarked, "Each time a man stands for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope."

"And crossing each other from a million different centers of energy, those ripples builds a current that can sweep down the mightiest walls of oppression and resistance. Few are willing to brave the disapproval of their fellows, the censure of their colleagues, the wrath of their society. Moral courage is a rarer commodity than bravery in battle or great intelligence. Yet it is the one essential vital quality for those who seek to change a world that yields most painfully to change."

Young people you are upset with your parents, then what do you think our kids are going to think about us when we become parents?

The Grange holds some answers to some of these problems we have just discussed.

- 1) giving youth something firm to grasp onto.
- 2) chance for interaction between the young and the old.
- 3) we spend time training the young members in the Grange about moral standards.

For instance, in the Junior Grange Obligation, a new member pledges that "I will heed the advice of my parents and teachers and will not knowingly wrong a brother or sister of the Order. I will try to avoid bad company, intemperate habits, the use of tobacco and all intoxicating drinks and will guard against the sinful habit of taking the name of God in vain."

Through the merit badge program in the Junior Grange Department, a badge is given for *Faith and Service*, the purpose being to stress the importance of putting God first, others second and ourselves third. The *Citizenship in the Grange* badge, the purpose being to teach the proper presentation of the flag and encourage respect and loyalty to the flag and our Country.

Myself, I would be very proud to have my children raised in an organization that has these as backbone standards.

We in the Grange must not let our organization rot from the inside out as some have done in years past. We must remember what the original seven founders founded the Grange on and hold these principles in highest esteem if we are to progress forward into the future of serving mankind, God and our Country.

Grangers, I feel that our lives can be broken down into three important areas: 1) *PHYSICAL BEINGS*—keep your good health, don't go around inhaling, injecting, and getting drunk as an answer to your problems. The drug problem is one of the most terrifying things to hit our society.

2) *INTELLECTUAL BEINGS*—each of you have some very important skills and talents, use these to the best of your ability. No matter what the rest of society thinks, one person will always love you no matter what you do, that being God.

3) *SOCIAL BEINGS*—Have fun while you are young. Too many people have let the fruitful years of their lives slip away before they actually knew what was happening. Remember, and I plead with you, not to live our social life in the gutter. You can find good clean fun in life and these will be golden moments you will remember forever.

4) *SPIRITUAL BEINGS*—something that is very dear to my heart. No you may say that God is dead and all creation can be explained by science. Well, you are wrong my friends, because God isn't dead. Why? for two very good reasons:

- a) I talked to him before coming up here to speak to you, and I don't think he has died in the last 30 minutes.
- b) I know that he is alive because he lives in my heart through his son Jesus Christ.

Now some of you are probably sitting out there saying to yourselves that this isn't a Sunday service and that I am some kind of religious kook. Frankly, I am fed up with religion and all the hypocrisy that goes along with it. The relationship I have with Christ is not a religious one by a living natural way within my personal life.

The crisis facing our nation today is much more of a spiritual and moral problem, instead of scientific and technical.

A new song that has recently been released has a good thought and I would like to relate it to you. "More than 1900 years ago a man was born, contrary to the laws of nature. He never traveled extensively. Only once did he cross the border of that small country where he lived and that was during his exile. In infancy he startled Kings. In childhood he puzzled doctors, in manhood he walked upon the oceans billows as if they were pavement, and he hushed the seas to sleep.

He never studied anatomy and he healed the multitudes without medicine and made no charge for his services. He never studied psychiatry, and yet he has healed far more broken hearts than all the psychiatrists far and near. He never wrote a book, never composed a song, and yet he alone has furnished the theme for more books and songs than all the libraries of this land could hold. Although time has spread more than 19 wide centuries between the people of this generation and the scene of his crucifixion, yet he still lives. Herod could not kill him. The Grave would not hold him. He stands forth on the highest pinnacle of heaven of glory—proclaimed of God, Acknowledged by Angels. Adored by Saints and feared by devils . . . as the one—living—incomparable—CHRIST!!!

Young people, we are the concerned generation, we are the idealist generation and we are the *now generation*. Let's not drop the ball as the generation before us has done.

It has been said that the fields are white unto the harvest. Many look to us in the Grange for constructive service. The greatest opportunity in the history of our organization is at hand. Let us meet the challenge by giving more of ourselves to our order, to God, our country and mankind.

Bill Barth, Robert Busch, Steve Moore.**SUPERINTENDENT OF JUNIOR GRANGES REPORT***Worthy State Master, Sister Deaver, Members of the California State Grange and Young Members, Greetings:*

It is with a great deal of pride and pleasure that I once again report the activities of the Junior Granges of the California State Grange.

I want to extend my appreciation to the Regional JG Superintendents, Matrons and Patrons for the many hours they have given to our work.

A lot of work still remains to be done in our society if we are to realize the hopes that we have for our young children. We need to think beyond the services that professional educators customarily provide for children to a broader educational context if we are to make significant improvements in those services and in the lives of our children.

Our main aim as leaders and parents, too, should be to see that the environment in which each child grows up contributes as much as possible to his full development as a human being. Grange leaders must be willing to demonstrate that they are willing to accept change, that they are training potential replacements and successors, and that they value new ideas. We MUST be a family organization in practice, as well as in principle.

We have a "climate" where young people can learn by doing, and the Grange "concept of values" can be of real help to our nation in serving these young people.

We have the organizational structure with which to work. It is largely the product of our predecessors.

We now have the opportunity and the challenge of improving our organization . . . by building and strengthening its full fiber and structure. But we must build with confidence, WE must have youth in our organization.

These young people have courage, wisdom and vitality necessary to triumph over the obstacles in their pathway, and so doing accomplish much more than those of us who are older and who lack the courage in many instances to take that important step so necessary for success.

The key to the future is service and growth, through service there can be growth.

You know, each generation creates and shall we say "wills" problems to the next, which must be shouldered by the on coming generation.

They must have courage, patience and faith to help parents and society in correcting past mistakes and build a better world. In this way they find membership in the Junior Grange of great value as it opens the door of self improvement and encourages them in all worthy endeavors.

But they need the encouragement and co-operation from the members of the Subordinate Grange.

This is why we stress the importance of a Junior Grange committee as part of the Grange structure, they should be involved in the "planning process as well as the doing" and who will give time necessary to assist in the work.

Working with the Juniors will help you shape the lives of many boys and girls. By "inspiring them with the highest ideals of character, conduct, Patriotism and service." Our children—are our country's most valuable resources. But like anything else, it takes time and work, but anything worthwhile is worth all the time we can give.

It would be very interesting to find out just how many Patrons in attendance today at this session have a Junior Grange. And just how many of you offered your service to assist them, even for just one meeting?

I dare say "very few."

In going over the reports for this year, one can easily see those Junior Granges who have a working committee, as the accomplishments are outstanding. While others are just existing.

Children, like adults, need a push, they need guidance. It is not enough to attend meetings they should be encouraged to participate in the many programs offered to them.

I was very disappointed in the returns of the achievement reports and the Prince and Princess contest.

I know from the quarterly reports that everyone of the Junior Granges accomplished at least six of the achievements listed but only five made a report.

These five were judged and the Junior Grange submitting the best report for California went to the Redwood Valley Junior Grange. This is the 6th year that this Grange has taken this honor, but then again they were the only one to have additional information in a note book form.

As for the Prince and Princess contest, only one entry was received, and was from the Bachelor Valley Junior Grange.

The young lady to have the title of Princess for this year is Verna Pauline Dorris.

We added to our program this year "Community more beautiful" and entries were received. The first place winner was the Elk Grove Junior Grange No. 140. Second place, Wyandotte Junior Grange No. 178 and the third place Independent Junior Grange No. 184. They will all receive a certificate from the National Grange.

We also added a Statewide JG Ritualistic contest—the opening, closing and ballotting plus a drill team competition. The runoff will be held this evening.

A new venture was the State Grange campout though we were small in numbers we feel that it was very successful. This was a wonderful opportunity for these 19 Juniors. Just being with the adults and youths of the Grange, was an inspiration to these young people, this could give them an incentive to keep up in the Junior Grange, so that they too will one day graduate into the Subordinate Grange and continue in the youth movement.

Some of the interesting activities and projects carried out by the Juniors this year, are as follows:

We had C.W.A. reports made to be returned while only six were received it shows that the JGs can and do earn money, and donate to many causes.

Donations were made to the State Grange building fund; CARE, Penny Pines, Meals For Millions, Youth Fund, Junior Grange Fund, Subordinate Granges for use of halls and to fix up the halls.

138 Merit Badge Awards were given out to the Juniors for completing their projects.

24 Juniors received the Super JG Award.

328 Juniors are working in the State Grange Red books program.

Some of the activities that have created added interest for the children are picnics, snow trips, skating parties, parades, swimming parties, dances, Diamond hunt, and visit to other Granges, State Capitols, Children's Hospitals, and Historical sites.

In the Lecturer's Hour, many lessons have been learned, such as Safety, Fire Prevention, discussions held on ways to display the American Flag, Citizenship, Nature study, hobbies, and History of the Grange.

Some of the Community services performed by the JGs were road side cleanups, save papers, cans and bottles for recycling, raised money to have the Grange Hall repainted, cleaned up a public park, rest area, Grange yards, and donated two microphones for a P.A. system in the Grange Hall.

Now just a small handful of Junior Granges reported the above accomplishments, just think what a wonderful report we could give if all of the Matrons would get in a report.

And in some cases this is asking too much, as they have enough to do keeping the members interested.

So we are now asking, each and everyone who has a Junior Grange or who will be organizing a Junior Grange, give them a hand. Because if there is a problem, it is not with the JGs, but the lack of leadership.

The job will not always be easy, but it will be worthwhile.

At this time I would like to thank Sisters, Elsa Rodrigues, Edith Becker and Mildred Painter for judging the JG exhibits. Lois White and Bonnie Dorris, taking over the afghan ticket sales. And to all of the Juniors for the beautiful tote bag presented to me at the State Grange convention.

And now in closing, let us all remember the wise words of Worthy Pomona that "if we work upon brass, time will corrode it—if we rear temples they will crumble into dust; but if we work upon the immortals minds, if we imbue them with just and true principles, the reverence of God and the love of our fellowman, we engrave upon something which will brighten to all eternity."

Think about it! God Bless all of you.

Fraternally submitted,

Eve Rowe,

Superintendent Junior Granges

## REPORT OF STATE LEGISLATIVE REPRESENTATIVE

*Worthy State Master Chester Deaver, Executive Committee, State Officers, Delegates, Brothers and Sisters:*

In keeping with the trend of the times the "in-thing" is "mini" whether shorts or pants or blouses. Therefore, this is a "mini" report.

However, the Grange's legislative program, the testimony before committee's the results obtained are "maxi".

Under the guidance of Master Chester Deaver, it was a very good year for the California State Grange's Legislative Program for carrying out the aims and policies, as determined through Resolutions passed at Grange Conventions, for the introduction of Legislation, Resolutions and the supporting or opposing of Bills introduced by Legislators.

It was a very good year: for your Legislative Representative personally and for your Consultant, Brother Bill Geyer, as many Legislators requested information about, not only Grange Bills, but others that we were knowledgeable about.

It was a very good year: in fact the best year since 1937, for not only opposing legislation, but having Grange bills passed through both Houses of the Legislature, to the Governor's desk and being signed by him.

Examples: AB 691. Bridges. 1970 Convention Resolution No. 14 in Legislation & Taxation Committee, relative to the Insurance Code of California, provides for the Director to issue regulations assuring equal opportunity for all companies to write policies. California leads the way for other States that the Grange Insurance operates in, to assure the Granges have the right of selection of their insurance company.

SB. 843. Carrell. Removes the previous exemption of some motor vehicles travelling 25 miles or less, from displaying a "slow-moving vehicle emblem".

SB. 522. Way. On the Governor's desk. Provides for acreage quotas for Cling Peach Growers. The Grange supported this Bill.

AB. 3031. Mobley. Grange Grand Jury Bill. Passed through the Assembly. When heard before the Senate Judiciary Committee, Senator Bradley moved, seconded by Senator Grunsky that a "Do Pass" be given to the Bill. The vote was short two votes, therefore was "Held in Committee".

AB. 1355. Fenton. Farm Workers Unemployment Insurance. Grange supported. Passed the Assembly, awaiting a vote in the Senate.

SB. 1216. Zenovich. Grang Bill. Provides for a "matching fund" of \$1,500,000 for VO-AG education. Needs only a favorable Assembly vote to move to the Governor's desk. Every Grange member should request him to sign this bill.

AB. 432. Ryan. This Bill, which would force every school district, still outside of a Unified District, to become a part

of such a District, was "Dead" time after time, but was resurrected each time on "Reconsideration" until the active opposition of the Grange buried it properly.

AB. 2037. Bill Greene. Watts Industrial Fair Bill. This Grange Bill has 25 co-authors from both political parties. The financing will be obtained from the "Racing Fund". This Bill is on the Senate floor, where a favorable vote will send it to the Governor's desk. Contact the Governor.

Last year the financing for the Industrial Arts and Crafts exhibits at the State Fair was deleted, from the education budget. The Grange requested this item be included in the budget for the 1972 State Fair. This was done.

THE FARM BASE UNIT, continues to be the Grange's ultimate goal for the Independent Family Farmer. This year was one of preparation for legislation to be initiated in the 1972 Session.

Personal contacts are invaluable, whether by your Legislative Representative, your Consultant, Pomona or Subordinate Grange or individual Grangers. Legislators want information about legislation, especially your position on specific Bills, the reasons that you either support or oppose the passage of these Bills. Invite your Legislator to open meetings, where he can discuss with you the problems, the various solutions and policy questions that every Bill covers. The Grange News, as in the past, has been delivered to every Legislator's office. The "AG ROUND TABLE" has invited many legislators to its 7:30 a.m. breakfast for discussion of legislation effecting agriculture.

Agriculture was, is, and will always be the most important industry in America. The health of a nation, of its citizens, depends on enough high quality food produced by efficient Family Farmers. In turn, they contribute financial strength to the towns and rural cities through using available credit, personal services and purchasing farm machinery and tractors, trucks and autos. Also, the responsible leaders of America, come from rural communities.

The Grange, and more important, the Grange members, could become "Catalyst" to start a movement for better government. Remember these legislators are elected by your votes. They strive to carry out your Resolutions passed at Grange conventions because we are non-partisan and believe that the Prime Purpose of Government is the protection of its citizens from aggression, both physical and economic. The Grange seeks no legislation that is self-serving, rather for the good of all, especially youth.

The Grange is growing in influence in Sacramento, with both the Legislative and Executive branches of Government.

LET'S KEEP UP THE GOOD WORK!

"A mini report of maxi results."

Fraternally submitted,

Herman Grabow,  
Legislative Representative

## REPORT OF CALIFORNIA GRANGE NEWS

*Worthy Master, Delegates and Grange Members:*

I am pleased to report that the California Grange News, in step with the growth of the California State Grange, is making substantial progress.

As to the appearance and content of the publication, you, our readers, are the judges when twice each month you receive the publication. Be assured that your staff is working to the objective of bringing you an informative, interesting and attractive newspaper, serving the best interests of Grange members and forwarding the goals and progress of the Grange.

This has been a year of accomplishment for the Grange News.

First, as the Grange has grown in membership, the Grange News has grown in circulation — an important measure of the strength of a publication.

This year our promotional program, the Sales Slip Booster Barrel contest in support of Grange News advertisers, has grown appreciably in both number of players and in total dollars volume reported.

Our Grange News tour program for the past year has been the most popular and most successful yet—with every indication that it will be even more popular next year.

Most important, our advertising revenue has increased.

Above all, I am pleased to report that the financial position of the California Grange News has improved substantially. Despite continued rising costs and the greatly increased postal rates we are now paying, the Grange News has changed a deficit trend of the past several years to a sizeable profit for this year. This removes a large proportion of the deficit which has encumbered us. The trend is now most encouraging.

In the operation of the Grange News we invite your suggestions and constructive criticism. We seek constantly to improve it and to make it of more service to our readers and to the Grange. We express our thanks to those Granges who regularly report the news of their Granges and we urge those not now reporting to do so. Copies of a "Guide to Grange News Reporters" are in the hands of Wanda Boland of the Grange News staff who is here, and will be given to those of you who wish it.

We want all of you to become familiar with our Grange tours. During the past year we have had extremely successful tours, as those who have taken the trips will attest—to name a few: to the Caribbean, annually to Death Valley, to Alaska, the Trans-Canada Fall Foliage Tour, to Europe, another to Africa, and now, leaving soon after convention a tour to Hawaii. The tours are not only rewarding to those who take them, but they are of major importance to the Grange News as a means of revenue. For this reason, we wish at this

time to express our gratitude to Gladys True for the great service she has performed and is performing for the Grange News as escort for some of our most successful tours. Being a tour escort is a difficult, demanding job and she does it extremely well.

We have an excellent tour program scheduled for the coming year and we hope all of you will become familiar with it and the opportunities for travel to new, interesting places with the good fellowship of friends. Today and tomorrow, Wanda Boland of our staff, who has just returned from escorting our Africa tour, will be at a desk in the lobby ready to tell you of the Grange News tours and to give you a schedule of our tours for the coming year.

Looking to the future—advertising, of course, is the lifeblood of the California Grange News. We want our advertisers to get full value for their investment in advertising in our publication. We hope each of you, and each Grange member of your area, will become extremely aware of who our advertisers are and we hope you will patronize them whenever it is to your own interest. And say to them, when you have the opportunity—"I'm here because I've seen your advertisement in the Grange News."

We express our thanks to all who have helped our advertising representatives. The continued cooperation of all of you will help to build the Grange News so that it may serve the California State Grange more fully in the years ahead.

Respectfully submitted,  
Jack S. Berry  
Editor and Business Manager  
California Grange News

## CREDIT UNION REPORT

*Worthy Master, Distinguished Guests, Officers and Grange Friends:*

The Grange Credit Unions in the State can be very proud of their achievements—as a whole. From December 1968 to December 1970 — the assets of all of the Grange Credit Unions rose from \$10,350,000.00 to \$11,530,000.00 — a net gain of \$1,180,000.00. I think this is a fantastic growth when we consider that this figure is for only 40 credit unions.

Now, on the other side of the ledger, I note that there are several credit unions with decreases in assets as well as several with huge gains. I don't like to quote statistics in a report such as this, because most people don't like them; but nevertheless, I think one of the things we need to be most concerned about is the continued growth of *each* credit union and not just the net gain of all. In the year 1969, there was one credit union with a net gain of \$229,000.00—the largest amount of any one Grange Credit Union in the State, and since I think we could all learn something from them, I'm going to tell you who it was: It was Sonoma County Grange Credit Union in Santa Rosa. My own credit union made the highest gain in assets in 1970. On the other hand there was also one with a decrease in assets of \$72,500.00; so some of the credit unions are still not growing as well as could be expected. When the report shows that 14 out of 40 Grange Credit Unions had decreases in assets last year, it tells me there is a need that is not being met. In 1970 the net decreases were much less than in 1969; so some of them have been able to overcome their lack of growth.

Our conference is set for Thursday at 10:00 a.m. at the Holiday Inn. Any one interested, of course, is invited; but I want to particularly invite you if you are a credit union officer. This is how we learn from each other. We hope to get ideas and suggestions that will be helpful to all attending. I have invited a man from the Department of Corporations, a League Consultant, and I'm hoping our own Dick Rafter, who has now retired as a Federal Examiner, will be excused to help us.

The figures I quoted at the beginning of my report were as of December 1970, and from the California Credit Union League Yearbook. Almost another year has gone by since then and it will be interesting to see if there have been larger and more net gains and fewer decreases in growth in the individual credit unions in the year 1971. I really believe so from the reports and information I'm getting.

When I was appointed Chairman of this committee I asked for monthly reports from the Grange Credit Unions with the idea in mind that I would fix growth charts and possibly could help in areas where we thought we could see a need; but this hasn't worked out as far as the reports are concerned—so; I want to say “thank you” to those of you who were so faithful

in sending me your reports each month. Interestingly enough, these were ones showing a steady growth! Since I didn't get the picture I needed we have decided to discontinue it. We will try to help in some other way. I don't know just how we, as a committee, can help; but I *can* say — and I'm sure I'm speaking for the others, also — that we are willing to try.

Credit unions have a great deal to offer our membership that they can't get any other way. If you, as Grangers, aren't taking advantage of your credit union it's because you don't understand all of the benefits. I'm going to ask a few questions now that I hope will make each of you think, even if you aren't now a credit union member.

Is the new membership in each Grange being told about the credit union when they join? We need to combine youthful thoughts and energy with the experience of older leadership. Are we talking to young people — asking them to be officials in our credit unions? When annual meeting time rolls around, elect some of your responsible young people as officials. Let's take advantage of the energy of youth. I think we can learn a great deal from them. Let's find out what *their* needs are. I am thrilled at the growth of our Youth Granges and what the Young Marrieds are doing. I believe credit unions can do the same; but it means work! Are the policies of your credit unions meeting the needs of your members. Are you encouraging new Grange members to join *and* getting the members of their immediate family to join also? We can increase our membership and gain younger members which will be one way to insure our future potential. Did you realize this younger group — at the same time it is increasing our assets — will be reducing and diluting the insurance risk and costs per dollars in shares. I believe this is one of the major costs and reasons for decreases in assets in our credit unions.

If you aren't a credit union member why haven't you joined? I realize that I am probably talking to many who aren't credit union members and I really would be interested in knowing why. (My address is in the Grange Roster). Age should have no bearing on your belonging. One person told me they didn't need to belong to a credit union because they never borrowed. In this person's mind a credit union meant a place to borrow and had nothing to do with saving. Are we telling our members about all of the benefits of belonging? If you don't need to borrow, you are probably able to save. Why not save in the credit union and help your fellow Grangers? The money loaned to its members is the same money saved by its members. I think one fear many people have, especially in credit unions the size of most Grange Credit Unions, is that every body will know their financial condition — which they rightly feel is no one else's business. This should not be one of your concerns; because each credit union official recognizes that *any* transaction is a confidential one and must be treated as such.

If your credit union isn't meeting your needs have you talked to the Board of Directors about it? It could be that they don't know all of the needs of their membership. Are the office hours flexible enough that you can get to the office during office hours or can get a special appointment, if necessary? The credit unions showing the biggest growth are ones in offices, with specific hours, and a willingness to make an extra effort to meet a member's needs.

Does it take too long to process a loan? Are your members going elsewhere because it's more convenient? If you are a credit union member and this is a problem — talk to the Board. I'm sure most managers of credit unions will tell you that this matter of convenience directly affects the loan demand.

I believe one reason Grange Credit Unions are doing so well is the fact that we are a fraternal organization. We are concerned about each other. In many other types of credit unions this isn't true. Their rate of delinquency is higher, and can be traced, I think, directly to the fact that in ours, a Granger doesn't want to hurt another Granger. When a borrower realizes the money he's borrowing is that saved by another Granger he's more apt to think twice before causing a loss to the credit union and its members.

Another factor is the personal touch that you can't get at other financial institutions. I hope we never get away from being concerned about each other—whether it's those working in the office itself, the borrower or the saver. We all need each other. Without the borrower we couldn't pay dividends to the saver. Without the saver we wouldn't have any money to loan to members needing to borrow.

Are you reading the credit union column in the Grange News entitled "Money Talks". It is printed once a month and is presently in the middle of the month issue. I invite your comments and suggestions. I want the column to be informative and should tell Grangers what a credit union is, what it can do for them, and this, of course, I think should make them want to join! Is it accomplishing this? I don't know. I do know it's a challenge I've accepted and enjoyed. I've had many good comments and suggestions; but I also think no one would say anything if they didn't like it; so if you think there is something to tell that I haven't done, please say so. I always run out of room before I run out of material! I believe there isn't ONE person in this room right now who can say "the credit union has nothing to offer me!"

I want to close with these comments: If you don't belong to your credit union, why not? If you do, are you using it to the best advantage or are you one of the huge number who put in \$5.00 when you joined and have never added anything since? If you are using it and are happy with the service and help you get — tell your friends and other Grange members. The best advertising in the world is from a satisfied customer and

while we don't think of our members as our customers, we think the same principle applies. My best wishes to all of the credit unions in the State. If any of us on the committee can help you, we'll be more than glad to do so.

Respectfully submitted,  
Eunice Smith, Chairman  
State Grange Credit Union  
Advisory Committee,  
California State Grange

## REPORT ON TAX REFORM PROGRAM

The Tax Reform Programs seems to be static. The Governor, at all levels, has not succeeded in resolving any legislation that would give meaningful tax relief to the over-taxed property owner. In my opinion the tax program, as adopted two years ago and reaffirmed last year is still a sound program.

The job before us is one of communication—to educate those legislators needed to have our tax programs resolved. Communication — preferable by personal contact to educate our representatives of the real danger that exists, if we continue the same piece meal legislating every year.

It is not *enough* to merely juggle, shift and confuse the tax programs to cover deficits, and balance budgets: We must, as Grange members, be more vocal in pointing out the plight of the family sized farm. We have far too many officials elected and appointed who do not understand or even seem to be concerned.

I have some statistics that should be of interest to the farmers of this organization. Residential use of land cost almost  $2\frac{1}{2}$  times as much in services as received in tax revenue. Industry demands 10% plus in services compared to tax revenue. Commercial interest demands 50% more in cost than tax revenue received. Agriculture receives .01% of the taxes paid in services.

Let me, while I have the opportunity, clear up any doubts, concerns or questions in regards to my not continuing as your Treasurer. I have a long record of perfect attendance at State Grange Conventions. Since 1935, May and I have attended every convention. It is our desire to continue to attend each and every convention as long as our health permits, not only attend but hopefully help to contribute to the Grange and its high ideals.

Let me say in conclusion, the Grange is the one organization that is big enough to get the job done, and small enough to really care. Let us encourage the youth. Let them have the opportunities to serve—you cannot be in business today using yesterday's tools and expect to be in business tomorrow.

Thank you,  
Harry Schmidt, Chairman  
Tax Advisory Committee  
California State Grange

## GRANGE INSURANCE ASSOCIATION REPORT

*Worthy Master, Officers and Members:*

We are pleased to report to you that the Grange Insurance Association had a very successful year during 1970. The loss ratio of 57.8% was good when compared to industry standards. This good loss ratio resulted in an underwriting gain or profit of 7%, which in dollars amounted to \$998,672. This gain, coupled with an investment gain of \$553,290, resulted in an increase of surplus of 17.7%, up to \$5,303,842.

The volume of business by premiums written increased during 1970 by 14.9%. This increase in the volume of business was accomplished with the same numbers of employees companywide and with 7.7% fewer employees in the Home Office. This indicates greater efficiency and I think we are just getting a good start in this area. Unfortunately the largest expenditure of your premium dollar, that of paying for losses, is in an area in which we have little or no control. Increases of natural and man made catastrophies, higher replacement and repaid costs, the deterioration of our cities (where a larger percentage of our new Grange members are coming from, and consequently an increased percentage of our insurance business), protest bombings, soaring crime rates, greater claims consciousness, liberal juries, and soaring medical and hospital costs are areas where we have little control.

We need, now more than ever, to bring sanity to our highways. Each year one out of every four autos is involved in an accident. Nationally this adds up to 20,000,000 crashes, 30,000,000 damaged vehicles, 4,000,000 injuries, 55,000 deaths, and an economic loss of \$16 billion, which is \$75 for each man, woman and child in the United States today. Therein, Brothers and Sisters, lies the real cause of the increased cost of auto insurance.

As a result of our excellent experience last year, our Board of Directors was able to declare a dividend last December of \$1,014,970. The dividend ranged from 4% to 15%, depending on the various lines of business.

I am pleased to report that the excellent experience of 1970 is continuing into 1971 at an even better rate. During the first six months of 1971 our Association's underwriting gain, investment gain, and surplus gain have equalled or exceeded the entire year of 1970.

Our congratulations go to the California State Grange on your outstanding growth in membership during the past 12 months to a new total of 42,156 members. Worthy Master I am pleased to present to you a payment of \$4,215.60 to be used at your discretion in promoting the welfare of the Order.

Fraternally submitted,  
Donald E. Morton, President  
Grange Insurance Association

## AGRICULTURE COMMITTEE REPORT

*Worthy Master, Delegates and Visitors:*

We, the members of the Agriculture Committee have met and discussed all of the resolutions presented to us. The decisions of the committee were presented to the delegates for their approval.

That portion of the State Master's Address concerning agriculture was discussed and the members of the committee strongly endorses the position of the State Master in his presentation of the Grange position on agricultural matters.

It was a pleasure for the members of this committee to work together and we wish to thank Brother Bill Geyer, Brother Herman Grabow and Brother Bob Frederick of the National Grange for their invaluable assistance.

Fraternally submitted,  
George C. Schmidt, Chairman  
Tom Callison  
George DeLacy  
Antonio Iantosca  
J. Paul Hollett

## CONSERVATION COMMITTEE REPORT

*Worthy Master, Officers, Delegates and Friends:*

We, the committee on Conservation, having completed our assignment at the 99th Session of the California State Grange wish to thank all of those who have helped us in our deliberations making our decisions easier.

I would like to take this time to thank the members of the Conservation Committee for the work that they rendered and the diligence they have shown in all of our decisions. It has been a great opportunity for me to work with the Conservation Committee and to show that young people can accept responsibility of important work at a State Session.

Fraternally submitted,  
Roger Baker, Chairman  
Malcolm Olin  
Edgar Gerberick  
Walter Long  
Gary Rutherford  
Albert Cedros

## EDUCATION COMMITTEE REPORT

*Worthy Master, State Officers, Delegates, Brothers and Sisters:*

The Education Committee has completed its assignment, and we wish to thank the California State Grange for placing this trust in us. We hope that we have met this responsibility.

It is our hope, that as we return to our homes, that we as interested citizens, will strive to provide responsible leadership in this field and demand this from our Educators and Legislators.

We support the State Grange stand on Education and Youth and hope that we all can provide responsible, moral leadership and demonstrate how to be good Americans in these difficult times. Thank you.

Fraternally submitted,  
Mario Stefani, Chairman  
Laurence Workman  
Adam Tustison  
Floyd Eckert  
Eddie Fuller

## **GOOD OF THE ORDER COMMITTEE REPORT**

*Worthy State Master, Officers and Members of the State Grange:*

Having completed the assignments to this Committee for this convention, we sincerely thank all of you for the opportunity to serve the Grange at this convention in this capacity.

We also thank all those called upon for assistance and guidance during our deliberations.

We trust that all "Good of the Order" resolutions passed at this 99th State Convention, will be beneficial to the Order of Patrons of Husbandry.

Fraternally submitted,  
Washington Mannering, Chairman  
Herbert Cilley  
Pete Miller  
Don Comstock  
Don McKeever

## **LEGISLATION AND TAXATION COMMITTEE REPORT**

*Worthy Master, Officers, Delegates, Brothers and Sisters:*

Your Legislation and Taxation Committee having completed the assigned work of the 99th Annual State Convention, wish to thank the State Master and the Delegate Body for the privilege of serving you.

We have had excellent cooperation from everyone concerned. The National Grange Legislative Representative, Robert Frederick, the State Grange Legislative Representative, Herman Grabow, the State Grange Legislative Consultant, Bill Geyer and sponsors of the various resolutions plus many concerned Masters, Deputies and Delegates.

Fraternally submitted,  
Robert A. Null, Chairman  
George Melhart  
Julius Faoro  
Eugene D. Moberg  
William W. Pisenti

---

## NATIONAL WELFARE COMMITTEE REPORT

*Worthy Master, Officers of the California State Grange, Brothers and Sisters:*

The National Welfare Committee is grateful for the opportunity of serving you at this 99th Session. We thank the Granges for the improvement in the careful thought given to the preparation of their resolutions and the clarity of language in most of them, in setting forth their objectives.

Fraternally submitted,  
Theodore Bliss, Chairman  
Harley Wilder  
Florence McDougall  
Meredith Painter  
Clarence F. Cook  
Charles Neumayer

## TRANSPORTATION, ROADS AND HIGHWAY COMMITTEE REPORT

*Worthy Master, Officers, Delegates, Brothers and Sisters:*

Having finished our work for this, the 99th Session of the California State Grange, we wish to thank everyone that helped to make our job easier to deliberate.

We wish to thank Brothers Grabow and Geyer for their help in our committee, as well as the Pomona and Subordinate Masters who assisted us.

We feel honored and privileged to have served the California State Grange in this capacity.

Fraternally submitted,  
Paul Layher, Chairman  
Maxine Kent  
Violet O. Clark  
Don E. Rowe  
George Neiley

## ELECTION COMMITTEE REPORT

*Worthy Master, Officers and Members of the California State Grange:*

I wish to thank you on behalf of my Committee and myself for the trust imposed in us and to thank you for the considerations shown us as your Election Committee. We always consummate under trying conditions at any State Grange Convention.

We, of the Election Committee feel that it would be of inestimable help to your committee to fully vote your ballots. It complicates tallying and we feel it a poor Grange spirit to not vote for those you put on the ballot, whether you know them, don't like them or plain don't care. We have recommended that the information in the Constitution so be clarified as to tallying of votes when your vote indicates a lessor

number than the total cast be established so that the type of mistakes made in the Gate Keeper's instance, will not occur.

My Committee is hereby discharged with heartfelt thanks.

Fraternally submitted,  
Dave Thomson, Chairman  
Pearl Zeck  
Mary Lou Comstock  
Emma Anderson  
James Frost  
Alex McAllister  
Ed Whitson  
Orval Stubbs  
Floyd Layher  
Gail Morgan  
John Tendeland

## **RESOLUTIONS PASSED AT THE 1971 ANNUAL CONVENTION CALIFORNIA STATE GRANGE**

### **AGRICULTURE**

1. "Amendments to Williamson Act" AGRI. 1  
NEW ERA GRANGE No. 540

WHEREAS: The California State Legislature enacted the Land Conservation Act of 1965 (known as the Williamson Act) and,

WHEREAS: The Legislation is permissive in nature and not all County Boards of Supervisors have adopted the Act, and,

WHEREAS: Many of the legislators in Sacramento have stated both publicly and privately that this is the only tax relief that agriculture will get,

THEREFORE, BE IT RESOLVED, that the California State Grange seek introduction and support of amendments to the Conservation Act of 1965 and related open space legislation so that,

1. The state will make up any tax losses from enactment of the act on a local level;
2. That all counties be mandated to adopt the act, and
3. That a state land use program be instituted to set up land use priorities on a state level.

2. "Assessment of Agricultural Land" AGRI. 2  
SHASTA COUNTY POMONA GRANGE No. 13

WHEREAS: Agriculture, the foremost industry in California, is being forced out of business, in some areas, due to excessive and unfair taxation based on the concept of assessing land on its POTENTIAL VALUE instead of assessing it according to the value of its use, and changing the assessment when the use changes, and

WHEREAS: The effect of the present POTENTIAL value concept is to force farmers and ranchers to change the land use to conform with the assessor's opinion of highest and best use, placing him in a dictatorial position, and

WHEREAS: The POTENTIAL value denies the farmer or rancher the right to manage his own property to the best of his ability and to be taxed fairly,

THEREFORE, BE IT RESOLVED, that the California State Grange work for the passage of legislation requiring THE STATE BOARD OF EQUALIZATION and the COUNTY ASSESSORS to appraise agricultural property for the value of its agricultural production.

Following Granges concur:

Anderson Grange No. 418

Buckeye Grange No. 489

Millville Grange No. 443

3. "Opposing House Resolution No. 7138 AGRI. 3  
And Senate Bill No. 1483"

MERCED COUNTY POMONA GRANGE No. 23

WHEREAS: The Farm Credit Board of Berkeley provides extensive and necessary agricultural financing service to Agriculture through its Land Bank, Intermediate Credit Bank, Local Production Credit Associations and the Berkeley Bank of Cooperatives, and

WHEREAS: House Resolution No. 7138 and Senate Bill No. 1483 would drastically alter the purpose and operations of these institutions to the detriment of their present patrons through:

- a. Emasculation of control by their owners and substitution of extensive, detailed and unnecessary regulations by the Farm Credit Administration,
- b. Use of the equity provided by farmer patrons for loans to non-farmers for non-farm housing.
- c. Jeopardizing the investment of the present owners in the various districts by making them responsible for losses in other districts through an arbitrary cross-liability formula and single securities for the entire system,

THEREFORE, BE IT RESOLVED, that the California State Grange support the efforts of the Berkeley and Houston Farm Credit Boards to obtain the necessary and desirable changes in the proposed legislation which will avoid the potential abuses outlined above.

4. "Opposing Assembly Bill 1056" AGRI. 4  
TULELAKE GRANGE No. 468

BE IT RESOLVED, that the California State Grange oppose rural zoning under the county-wide land use plan and oppose the passing of Assembly Bill 1056 that will create a State Environmental Quality Board and Regional Quality

Boards, as their powers will supercede those of the local planning boards and other established agencies to remove our local government still further from home.

Some agencies to be eliminated by this bill are:

Office of Planning and Research  
 State Air Resources Board  
 State Water Resources Control Board  
 California Regional Water Quality Control Board  
 State Environmental Quality Study Council  
 County Air Pollution Control Districts

The wording of this bill gives unreasonable dictatorial powers into the hands of a few appointed officials.

68. "Rural Development Bank" AGRI. 9  
 AGRICULTURE COMMITTEE

WHEREAS: The Farm Credit Administration and the Farmers Home Administration were established to financially assist commercial agriculture, and

WHEREAS: There is a definite need to provide similar financial resources for the planning and development of rural America,

THEREFORE, BE IT RESOLVED, that the California State Grange and The National Grange support legislation that will establish a rural Development Bank, similar to the Farm Credit Service, to provide the financial resources needed for rural development.

CONSERVATION

8. "Protecting Intertidal Ecology" CONS. 1  
 VISTA GRANGE No. 609

WHEREAS: The preservation of the eco-systems is one of present day's most important problems, and

WHEREAS: This preservation of the eco-systems includes the maintenance of the proper balance in tidal life, and

WHEREAS: The intertidal community is becoming greatly unbalanced and even destroyed by youngsters and adults who collect marine specimens, thereby destroying marine ecology,

THEREFORE, BE IT RESOLVED, that the California State Grange initiate and support legislation making illegal the collection of marine specimens in the intertidal community, unless it is done by conducted field trips for scientific purposes.

9. "U.S. Offshore Fishing Limits" CONS. 2  
 NORTHERN HUMBOLDT POMONA GRANGE No. 48

WHEREAS: One of the important phases of our coastal economy is our commercial fishing, and

WHEREAS: Foreign fishing fleets do not observe our regulations set up to perpetuate the supply of fish or the food supply for these fish,

THEREFORE, BE IT RESOLVED, that the California State Grange and National Grange strongly favor the estab-

ishment and enforcing of a continental shelf offshore limit line.

BE IT FURTHER RESOLVED, that the National Grange bring this problem which may result in an international incident to the attention of the State Department and/or other governmental agencies in an effort to bring about international negotiations regarding fishing rights and territories of sovereign nations and to start negotiations toward international fishing regulations to protect and conserve our future food supply from the sea.

10. "Relative to Deteriorating Condition of Our Environment" CONS. 3

LA HABRA GRANGE No. 622

WHEREAS: We are all much concerned with the deteriorating condition of our environment, since that is where we live and have our being, and

WHEREAS, Since Colonial days, Americans have planted trees in woodlands, in parks, city streets and home gardens. Now, as then, their investment returning an almost infinite number of benefits and services for man and the environment,

THEREFORE, BE IT RESOLVED, that the California State Grange implement a program for replacing all trees and shrubs, where taken out for the purpose of social progress with the hope that this may be a small segment in the job of getting our environment back to a health-giving and pleasant-living atmosphere. We believe every household must plant at least one tree on each lot in the immediate future.

Following Granges occur:

Orange County Pomona Grange No. 36

11. "Resolution on Mad River Erosion" CONS. 4  
MAD RIVER GRANGE No. 590

WHEREAS: Mad River at Blue Lake is cutting a new channel and endangering the West End Road leading to the new state hatchery, and

WHEREAS: If not corrected soon it will become a costly project, and

WHEREAS: It will cause a lot of inconvenience to the people of West End,

THEREFORE, BE IT RESOLVED, that the California State Grange go on record as proposing action on this condition and recommend action to remedy the situation.

Following Granges concur:

Northern Humboldt Pomona Grange No. 48

12. "Favoring Public Access to All Government Owned Beaches and Streams" CONS. 5  
YUBA-SIERRA POMONA GRANGE No. 46

WHEREAS: The public has enjoyed long-standing access to many government-owned beaches and streams which is now being illegally barred by neighboring property owners, and

WHEREAS: The Attorney General of the State of California reportedly does not have either money or manpower to correct this situation,

THEREFORE, BE IT RESOLVED, that the California State Grange encourage the California State Legislature to take whatever steps necessary to provide needed access to all government-owned beaches and streams so that they may be enjoyed by the people of this state.

---

13. "Taking of Predatory Animals" CONS. 6  
GARBERVILLE GRANGE No. 514

WHEREAS: We have been informed by reliable sources that the coyote prey on young fawn in early spring as well as being a spreader of rabies, and

WHEREAS: We believe that with the rapid buildup of the coyote, and depredation to livestock also game animals, that they should be controlled by any means possible.

THEREFORE, BE IT RESOLVED, that the California State Grange go on record supporting the continuation of the use of mechanical devices for the taking of predatory animals.

61. "Resolution Relating to Oil Pollution In Our Coastal Waters" CONS. 9

SANTA CLARA COUNTY POMONA GRANGE No. 4

WHEREAS: In the past several years, there has been many oil spill accidents from boats and oil wells in our coastal waters and in other navigable waters, and

WHEREAS: This has caused the death of many birds, fish and other wild life, and spoiled many of our fine beaches for long periods of time, and

WHEREAS: A moratorium was imposed to stop any more drilling in our off shore oil wells, and

WHEREAS: We need stricter laws and enforcement powers, covering the transportation of oil and its by-products, and the drilling and operation of off shore oil wells,

THEREFORE, BE IT RESOLVED, that the California State Grange and National Grange urge our State and National Legislators to enact some laws that will control this oil pollution of our waters, from transportation of oil and seepage from the oil wells.

---

EDUCATION

15. "Relative to Elementary School Basics" EDUC. 1

FRESNO-MADERA COUNTY POMONA GRANGE No. 24

WHEREAS: Apparently our elementary schools are striving to turn out a well rounded child knowledgeable in many areas. In so doing, in too many cases we are lacking in giving our children a firm foundation in the basic three R's, and

WHEREAS: We are defeating our purpose when our curriculum is so diversified that a child has a little knowledge in many areas but lacks a firm foundation in the basics. Recent findings reveal many students in the 10th grade test below 8th grade level in reading and mathematics,

THEREFORE, BE IT RESOLVED, that the California State Grange do all in its power to urge the State Department of Public Instruction to return to a more rigid course in the basic three R's.

Following Granges concur:

Fowler Grange No. 481

16. "Opposing Assembly Bill No. 432" EDUC. 2  
FRESHWATER GRANGE No. 499

WHEREAS: There are many elementary school districts in California with less than fifty students in attendance, and

WHEREAS: Those school districts are usually in isolated areas and should be governed by their own local board of trustees,

THEREFORE, BE IT RESOLVED, that the California State Grange oppose Assembly Bill No. 432, or any other bill pertaining to the same matter.

Following Granges concur:

Northern Humboldt Pomona No. 48

### GOOD OF THE ORDER

18. "Recognition of Memorial Donations" G. of O. 2  
PLACER NEVADA POMONA GRANGE No. 29

WHEREAS: Many Granges are now making donations to the California State Grange Building Fund in memory of deceased members and persons, and

WHEREAS: It is desirable that the California State Grange acknowledge such contributions by sending an appropriate certificate or card to the family of the deceased and to the sponsoring Grange or person,

THEREFORE, BE IT RESOLVED, that the California State Grange design an appropriate certificate or card to accomplish this purpose.

19. "Relative to Judging of Contests" G. of O. 3  
SAN MARCOS GRANGE No. 633

WHEREAS: The judging of art contests sponsored by the National and State Granges are not governed on the age basis, and

WHEREAS: The Youth and the Adult art contests are judged on the same basis which is a handicap for the youth because of the experience of adults,

THEREFORE, BE IT RESOLVED, that the National Grange and the State Grange enact rules to separate this judging into two categories, one for age 14 to 21 and the other an adult judging.

22. "Resolution Concerning Suspending G. of O. 6  
of Grange Members for Non-Payment  
of Dues in California"

YUCAIPA VALLEY GRANGE No. 582

WHEREAS: Grange Secretaries are instructed to notify members sixty (60) days prior to the date their dues become payable, it would seem that an additional dues-paying period of ninety (90) days or three months, would be ample time for a member to pay their dues. With the 60 days advance notification and 90-day grace period for payment, it gives the Grange member 5 months in which to pay, and

WHEREAS: As it is now set up, the member cannot be suspended for non-payment of dues before the end of six months and this causes the Grange to make payment to the State Secretary for an additional quarter's Per Capita dues, thus taking additional funds from the Subordinate Grange,

THEREFORE, BE IT RESOLVED, the California State Grange Constitution and By-Laws,—Section 3, page 27, be changed to read — "Any member who shall refuse or neglect to pay his or her dues for the space of three(3) months, having been notified by the Secretary under Seal of the Grange, may be suspended by a majority vote of the members present at a regular Grange meeting."

24. "Proposed Amendments to the G. of O. 8  
Constitution of the National Grange

Chapter IV (The Constitution Article III, Section 1, page 20, of the National Grange Digest be amended to read:

The officers of a Grange, Junior, Subordinate, Pomona, State and National consist of and rank as follows: Master, Overseer, Lecturer, Steward, Assistant Steward, Lady Assistant Steward, Chaplain, Treasurer, Secretary, Gatekeeper, Ceres, Pomona, Flora, and an Executive Committee of at least three members.

This Proposal having received more than two-thirds of the vote cast at the National Grange is therefore being referred to the State Granges for their acceptance or rejection.

62. "Relative to Grange Mutual G. of O. 9  
Life Company of Nampa, Idaho"  
FOWLER GRANGE No. 481

WHEREAS: The Grange has many benefits for members, and

WHEREAS: There has been a request for the State Grange to endorse the Grange Mutual Life Company of Nampa, Idaho,

THEREFORE, BE IT RESOLVED, that the State Master and State Executive Committee investigate the feasibility of signing an agreement with the Grange Mutual Life Company of Nampa, Idaho.

---

63. GOOD OF THE ORDER G. of O. 10  
COMMITTEE RESOLUTION

WHEREAS: Registration of delegates at this Session of the California State Grange appeared to be a matter of increased confusion and tension, and

WHEREAS: Minor revisions of procedures for registration would do much to alleviate the strain on the workers and reduce the complaints of delegates,

THEREFORE, BE IT RESOLVED, that the California State Grange Executive Committee work with the Registration Committee and devise a more efficient procedure for registering the Delegates and Alternates at the next State Convention.

---

64. GOOD OF THE ORDER G. of O. 11  
COMMITTEE RESOLUTION

WHEREAS: The C.W.A. Committee of the Grange is one of the most important of all committees, and

WHEREAS: The State C.W.A. Director has a tremendous and responsible position, and

WHEREAS: Many Grangers feel there should be more recognition given this Director,

THEREFORE, BE IT RESOLVED, that the California State Grange design or acquire an appropriate sash, badge or regalia to be worn by the State C.W.A. Director as a recognition of this most important office.

---

LEGISLATION AND TAXATION

27. "Relative to Property Tax LEGIS. 3  
Limitation" & Tax.

SONOMA COUNTY POMONA GRANGE No. 1

WHEREAS: The Jarvis Amendment will be on the November ballot to limit property taxes at one percent of the cash value, and

WHEREAS: This will be the only means of giving tax relief to the property owner, and

WHEREAS: The Congress and the Legislature can devise another method of raising taxes for schools and welfare programs that they mandate to the counties which is unfair as the counties can only raise the money by raising the value of the land and homes and local tax rate, and

WHEREAS: This amendment will put the burden of raising money on the two governing bodies that can so easily say they have no funds,

THEREFORE, BE IT RESOLVED, that the California State Grange strongly support the Jarvis Amendment when placed on the November ballot.

## 30 "Relative to Parks and Recreation" LEGIS. 6

## SONOMA COUNTY POMONA GRANGE No. 1 &amp; Tax

WHEREAS: Proudctive lands, and lands that are paying taxes, that are being condemned by the Government for more public parks, and

WHEREAS: It is known that the Government owns as much as fifty percent of the land in some states, and

WHEREAS: We believe that present lands that already belong to the people be developed for more parks as needed, and

WHEREAS: This will lessen the tax burden on the present property owners who are grossly over taxed now,

THEREFORE, BE IT RESOLVED, that the California State Grange go on record to seek legislation to develop presently owned public land before acquiring more.

31. "Opposing Unnecessary Obligations LEGIS. 7  
on Property Owners Where Property Has & Tax  
Been Used For Public Recreational Purposes"

## GARCIA GRANGE No. 676

WHEREAS: Due to a recent California Supreme Court ruling, owners of private property who have permitted the public to use land for recreational purposes or access routes will find it necessary to close the land for fear that it will be taken from them through implied dedication, without compensation, and

WHEREAS: Only through corrective legislation can the private property owner be relieved of the threat of his land being taken from him by means of unlicensed public use over a five year period as was the basis for the Supreme Court Ruling, and

WHEREAS: Garcia Grange strongly endorses legislation which will add to the law provisions that no future use of private property by the public will imply a dedication,

THEREFORE, BE IT RESOLVED, that the California State Grange recommend the legislature relieve the private property owner of being placed in the position of the one who, when he sought to close his property to public use, found he could not — that although he still had to pay the full tax burden, he had inadvertently dedicated his property to public use.

## 65 "Welfare Reform"

## LEGIS.-TAX.

(Combined

4-10-11

Using No. 10

(REVISED)

## YUCAIPA VALLEY GRANGE No. 582

## SAN BERNARDNO CO. POMONA GRANGE No. 32

## TULELAKE GRANGE No. 468

WHEREAS: There seems to be an uncontrollable upward spiraling of the welfare case load in our nation, and

WHEREAS: A sense of reality must be attained in the present National and California welfare set up, and

WHEREAS: Welfare has become such a huge burden to the home owner or property owner,

THEREFORE, BE IT RESOLVED, that the California State Grange go on record as favoring any legislation that would create a more equitable solution of financing welfare programs with the thought of relieving local property owners of this high cost,

BE IT FURTHER RESOLVED that the California State Grange endorse any revision or additional regulations that could cancel all or part of welfare benefits to able bodied men and women who refuse to accept available employment for which they are qualified.

37. "Relative to Health and Welfare LEGIS. 13  
Recipients" & TAX

SACRAMENTO COUNTY POMONA GRANGE No. 2

WHEREAS: There are many Health and Welfare recipients who are aged and/or disabled to the extent that they will never ever be able to support themselves or to ever be removed from the welfare rolls, and

WHEREAS: This type of person will always be a large expense to the County Government,

THEREFORE, BE IT RESOLVED, that the California State Grange introduce or support any legislation that would remove these people from the County Government and place the directly under a Federal Government Program.

#### NATIONAL WELFARE

66. "Relative to the Government NAT'L.  
Officials Raising Their Salaries WELFARE 1  
(Revised)

RIVERSIDE COUNTY POMONA GRANGE No. 31

WHEREAS: Our elected government officials, at all levels, presently receive substantial salaries, and

WHEREAS: Our strained economy is demanding relief through reduction in Government spending and ultimate lowering of taxes, and

WHEREAS: A permissive policy of "self-salary" increases by certain elected officials is discriminatory—not economical, and not in the interest of taxpayers,

THEREFORE, BE IT RESOLVED, that the California State Grange and The National Grange oppose those permissive policies and recommend a schedule of pre-established salary increases, as specified times, and to coincide with the elective term of office, and said proposed salary increase schedule be made a matter of public information relating to the respective offices and announced candidates, prior to public election, and we propose this should be voted on by the people at a regular election.

39. "Supporting National Health Insurance" NAT'L. 2 Wel.

MIRANDA GRANGE No. 690

WHEREAS: The health of a Nation's people is very important to its well being and prosperity, and

WHEREAS: The rapidly raising cost of medical care is a severe hardship to many with low income and those suffering from prolonged illness, resulting often times in the lack of medical care for many who are in serious need of it, and

WHEREAS: While there are a variety of health and medical insurance plans available, there are still many who cannot afford it or cannot get coverage, and

WHEREAS: Members of the armed forces and of Congress have for years received medical care and aid, paid for by the Government, with no harm to themselves or to the medical profession,

THEREFORE, BE IT RESOLVED, that the members of the California State Grange support the idea of a National plan for health insurance for all people,

BE IT FURTHER RESOLVED, that the California State Grange urge all who are concerned with the health and well being of our fellow man, to express their support for such a plan to their congressman.

Following Granges concur:

Southern Humboldt Pomona No. 19

40. "Curbing the Entry of Foreign Radicals" NAT'L. 3 WEL.

VISTA GRANGE No. 609

WHEREAS: During recent years certain foreign radicals who visited university campuses openly preached sedition, the overthrow of our government, attacked the President in their public speeches, also the U.S. Armed Forces and our entire economic system, and

WHEREAS: The leniency of the State Department in granting visitor's visas to these known foreign revolutionaries who caused burning, rioting and all manner of disasters on our campuses,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the National Grange to continue to recommend measures to prohibit the State Department from issuing visitor's visas to known foreign radicals.

41. "Supporting a National Cancer Authority Senate Bill S-34" NAT'L. 4 WEL.

FRESHWATER GRANGE No. 499

WHEREAS: Cancer is one of the most serious diseases in the United States, and

WHEREAS: There is much suffering and loss of life from cancer, and

WHEREAS: There is a definite need for more cancer research on a national level,

THEREFORE, BE IT RESOLVED, that the California State Grange recommend the National Grange support the passage of Senate Bill S-34.

Following Granges concur:

Northern Humboldt Pomona No. 48

43. "Relative to Billing of Movies      NAT'L. 6  
Rated X and R"      WEL.

RAMONA GRANGE No. 632

WHEREAS: The quality and subject matter of the movies being filmed have necessitated rating movies to protect the young,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the movie industry, distributors, and theatre managers to cease and desist showing X and R on the same bill with those rated G and GP.

Following Granges concur:

San Diego County Pomona No. 35

52. "Pertaining to High Hospital      NAT'L. 15  
and Doctor Costs"      WEL.

JOSHUA TREE GRANGE No. 664

WHEREAS: Hospital and doctors' fees are still inflating from 50% to 100% faster than other segments of our economy, and

WHEREAS: The American Hospital Association has requested investigation and advice from the Federal level regarding the high cost of hospital care, and

WHEREAS: The A.M.A. has promised to police their own organization regarding the high cost of medical care, and

WHEREAS: They have failed to do this,

THEREFORE, BE IT RESOLVED, that the California State Grange introduce a resolution at the next National Grange Convention urging that the Federal Government enact more effective control over doctor and hospital costs.

Following Granges concur:

Antelope Valley Pomona Grange No. 39

#### TRANSPORTATION — ROADS & HIGHWAYS

53. "Regarding Air—California's      TRANS. 1  
Petition to Public Utilities Commission      R. & H.  
For Intra-State Jet Service From Arcata  
To San Francisco and Other California Cities"  
DOW'S PRAIRIE GRANGE No. 505

WHEREAS: The Dow's Prairie Grange No. 505 in McKinleyville, does endorse and support the application of Air-California to the Public Utilities Commission of the State of California to provide service between Humboldt County, San Francisco and other California cities, and

WHEREAS: This Grange disapproves of the recent rate increase granted to the only airline which provides jet service to California points from Humboldt County, and believe this action to have adverse effect on air traffic to and from Humboldt County, as reflected in the decrease in Fare Income since said rate increases were granted, and

WHEREAS: Air-California has offered comparatively lower fares and increased service convenience in its application to the Public Utilities Commission, and

WHEREAS: This Grange feels it is in the best interests of Humboldt County that the Public Utilities Commission of the State of California should, as promptly as possible, grant the application of Air-California to provide service to Humboldt County,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the Public Utilities Commission of the State of California to act as soon as possible, on the application of Air-California to provide service to Humboldt County.

---

56. "Relative to Roadside Advertising" TRANS. 4  
R. & H.

NEW ERA GRANGE No. 540

WHEREAS: Many businesses that cater to the motoring public (i.e., motels, service stations, restaurants) have signs advertising their business along the state highways, and

WHEREAS: Other times they are no longer open for business, yet they continue to advertise, thus causing motorists delays in their travels,

THEREFORE, BE IT RESOLVED, that the California State Grange seek the introduction and passage of legislation which would require that these advertising practices be stopped.

---

57. "Relative to Construction Signs on Highways" TRANS. 5  
R. & H.

GARDEN GROVE GRANGE No. 613

WHEREAS: In California there are many utility company, county and city projects being worked on on our city and county roads, and

WHEREAS: Many times a roadway will be cut down from two or three lanes to one where these projects run along side of the roadway or down the middle of the roadway, and

WHEREAS: This creates a severe traffic hazard, and

WHEREAS: Only a caution flasher or marker cones are set up a very short distance before the project,

THEREFORE, BE IT RESOLVED, that the California State Grange encourage a law to be recommended whereby sign of such construction be posted at sufficient distance and at a place that would be seen by on-coming traffic.

58. "Saving the Seal Beach Area      TRANS. 6  
Eco-systems"      R. & H.  
VISTA GRANGE No. 609

WHEREAS: The California Division of Highways has proposed a freeway across the center of the Seal Beach marshlands, and

WHEREAS: The Seal Beach area is the site of one of the last undisturbed tidal marshlands in Southern California, being a unique and unmolested habitat of 103 species of birds among which are several rare and endangered species, and

WHEREAS: There are not less than 53 species of fish using this natural area for nursery, like the California halibut, and

WHEREAS: The proposed highway could destroy a considerable part of this natural eco-system,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the California Division of Highways to use proper construction to allow free flow of tidal water and thereby save this marshland.

67. "Supporting President's Task      TRANS. 7  
Force Report On Highway Safety—      R. & H.  
'Mobility Without Mayhem' "

TRANSPORTATION — ROADS & HIGHWAYS  
COMMITTEE RESOLUTION

WHEREAS: Achieving safer motor vehicular travel on our highways is one of the most urgent domestic problems facing our country, and

WHEREAS: Realization of safer highways in our nation will require the dedicated commitment on the part of everyone from the President of the United States to the individual motorist and including all levels of government, safety oriented organizations and industry, and

WHEREAS: President Nixon in October of 1969 appointed a Presidential Task Force to:

Appraise the effectiveness of present safety programs; Suggest how such programs might be improved or better coordinated; and Determine what actions might be taken to further increase the effectiveness of our highway safety efforts, and

WHEREAS: This Task Force completed its report in December of 1969 which was published in October of 1970 titled "Mobility Without Mayhem", and

WHEREAS: This report states that significant progress can be made in improving highway safety, describes steps essential to improvement of highway safety, and recommends realistic solutions to making inroads to solving the highway safety problems,

THEREFORE, BE IT RESOLVED, that the California State Grange endorses and supports the Report of the President's Task Force on Highway Safety published October 1970 and titled "Mobility Without Mayhem," and recommends and

urges the President of the United States and the Congress to take immediate action necessary to implement the recommendations of this report including sufficient financial authorization and appropriation to insure obtaining the goals being sought.

---

EXECUTIVE COMMITTEE RESOLUTIONS

for the  
1971 CALIFORNIA STATE  
GRANGE CONVENTION  
SANTA CRUZ, CALIFORNIA

ECR. No. 1

"THE NADER REPORT"

NAT'L.  
WEL.

WHEREAS: The Nader study, *Land and Power in California*, is a compendium of information of subjects of interest to rural Californians, and

WHEREAS: Some of Nader's announced objectives on land use may coincide with long-established Grange policy, and

WHEREAS: Both the facts and the conclusions of the report are now the subject of widespread public controversy,

THEREFORE, BE IT RESOLVED, that the California State Grange make a study of the Nader Report for the purpose of determining its accuracy and points of agreement or disagreement with its recommendations, and convey its conclusions to the Governor, the California Legislature, and the National Grange.

---

ECR. No. 2

"GRANGE ACTION PLAN"

G. of O.

WHEREAS: The California Grange Action Plan (GAP) has been developed to allow the Grange to maximize the impact of its membership upon public policy in California, and

WHEREAS: The implementation of this program will require a coordinated effort at all levels of the Grange,

THEREFORE, BE IT RESOLVED, that the California State Grange continue to put the Grange Action Plan into effective operation, with increased emphasis upon the participation of the Young Marrieds, Subordinate Granges, and individual Grange members.

---

ECR. No. 3

"SELF-HELP MARKETING  
PROGRAMS"

AGRI.

WHEREAS: California has pioneered the use of "self-help" marketing programs such as marketing orders under the California Marketing Act and related legislation, and

WHEREAS: There is an increasing lack of support, both in agricultural circles and among the general public, for farm commodity programs based upon direct production controls and price supports funded out of the public treasury,

THEREFORE, BE IT RESOLVED, that the California State Grange endorse the "self-help" marketing concept as the appropriate direction for future federal and state commodity programs to take, and support legislation broadening the powers of producers under existing laws, or under new laws as necessary.

---

ECR No. 4 "FARM BASE UNIT" AGRI.

WHEREAS: There is a critical need to develop a basis for government policy in agriculture which will protect the efficient independent farm operator from the adverse effects of the existence of corporate giants in all phases of agribusiness, and

WHEREAS: The identification of the optimally efficient independent farm unit and the integration of this concept into state and federal farm policies would constitute a major step in this direction,

THEREFORE, BE IT RESOLVED, that the California State Grange continue work on the development of the "farm base unit", and that public agencies, including the State Department of Agriculture, the University of California, and the State Legislature, be urged to participate in this development.

---

ECR. No. 5 "FARM BARGAINING COOPERATIVES" AGRI.

WHEREAS: A healthy farm cooperative movement is vital to the economic well-being of agriculture, and

WHEREAS: Bargaining cooperatives are potentially of great importance to farmers in gaining equality in the marketplace, but are frequently hamstrung by the refusal of purchasers to recognize and bargain with them, and by other tactics designed to undermine their ability to speak for the farmers they represent,

THEREFORE, BE IT RESOLVED, that the California State Grange endorse federal and state legislation to protect the bargaining status of cooperatives, including requirements that purchasers must recognize and negotiate in good faith with the designated representatives of their producers to the end that a fair price be established for transactions in the relevant farm commodities, and provisions which guarantee the right of producers to control by democratic means the selection of bargaining cooperatives to represent them.

---

ECR. No. 6 "LABOR-MANAGEMENT LAW" AGRI.

WHEREAS: Both farmers and farm workers are adversely affected by the absence of a governmentally supervised system for the selection of employee representatives and good-faith bargaining between the representatives so selected and farm employers, under which employers and employees can work out their differences with a minimum of economic loss to either party,

THEREFORE, BE IT RESOLVED, that the California State Grange continue to seek the passage of federal and state legislation to establish a labor-management relations law applicable to agriculture.

ECR. No. 7 "UNEMPLOYMENT INSURANCE" AGRI.

WHEREAS: The extension of unemployment insurance coverage to farm employees would grant them benefits long since received by industrial and related agribusiness employees, provide economic assistance when agriculture has no employment available, and bring additional social and economic stability to rural communities,

THEREFORE, BE IT RESOLVED, that the California State Grange continue to seek the passage of state and federal legislation to require the inclusion of professional farm workers under the present unemployment insurance program.

ECR. No. 8 "PEST CONTROL" AGRI.

WHEREAS: The effective control of pests in agriculture and elsewhere is important to mankind, and

WHEREAS: Maintaining such control without creating unwanted side effects or undue hazards to human and ecological health is one of the major challenges for our technological capabilities,

THEREFORE, BE IT RESOLVED, that the California State Grange support legislative and administrative action to develop balanced programs for pest control utilizing improved monitoring and research facilities, creative approaches to the development, regulation, and use of pest control materials, and increased professionalization in the handling of sensitive or potentially hazardous materials.

ECR. No. 10 "RURAL-URBAN PLANNING" CONS.

WHEREAS: Urban sprawl frequently brings the disadvantages of urban life to rural areas without compensating advantages, and

WHEREAS: Persons seeking a rural or semi-rural way of life require some assurances that their objectives will not be violated by unplanned or unwanted urbanization,

THEREFORE, BE IT RESOLVED, that the California State Grange seek the passage of legislation which will improve land use planning in the rural-urban fringe.

ECR. No. 11 "WATER DEVELOPMENT" CONS.

WHEREAS: California's historic water development policies have been called into question in recent years, and

WHEREAS: Water development is an issue affecting the entire population of the state, and

WHEREAS: Rural California is particularly dependent upon an adequate supply of water from present sources and upon intelligent systems for effecting its distribution,

~~~~~  
THEREFORE, BE IT RESOLVED, that the California State Grange supports a comprehensive study by competent persons of future water development needs in California, as a prerequisite to any major changes in traditional programs and policies.

ECR. No. 12 "PEOPLE'S LOBBY INITIATIVE" NAT'L.  
& TAX

WHEREAS: The so-called "People's Lobby" anti-pollution initiative proposes an oversimplified answer to a number of exceedingly complex problems,

THEREFORE, BE IT RESOLVED, that the California State Grange oppose the People's Lobby initiative, and continue to support more sophisticated solutions to these problems through legislative and administrative channels.

ECR. No. 13 "RURAL ISOLATION" LEGIS.  
& TAX

WHEREAS: The physical isolation of rural citizens from centers of government makes everyday transactions with government at all levels difficult, and deprives these citizens of the use of many governmental services routinely available to urban dwellers,

THEREFORE, BE IT RESOLVED, that the California State Grange support the establishment of experimental programs to bring government closer to rural citizens, as a first step to a systematic program to eliminate unnecessary disadvantages of rural residency.

ECR. No. 14 "LOCAL FAIRS" AGRI.

WHEREAS: Agriculture was intended to be a primary beneficiary of state funds generated from horse-racing at the time pari-mutuel betting was legalized, and

WHEREAS: These funds have historically been the chief source of support for county and district fair programs, and

WHEREAS: The current method of funding fairs in California appears to require some revision to properly reward local initiative and efficient management and to refocus state expenditures on those fair activities which are most fundamental to the fair concept, and on new functions which fairs can perform in contemporary society.

THEREFORE, BE IT RESOLVED, that the California State Grange support an increase in horse-racing funds used for fair purposes, together with a modernization of the funding formula and re-evaluation of fair programs in terms of basic objectives and future needs.

ECR. No. 15 "CONSUMER PROTECTION" NAT'L.  
WEL.

WHEREAS: Grange members are everyday consumers of the fruits of the American economy, and

WHEREAS: Rural Californians may have a unique understanding of the common interests of farmers and consumers in assuring that food products are sold without fraud or deception,

THEREFORE, BE IT RESOLVED, that the California State Grange support reasonable consumer protection proposals giving particular emphasis to food products.

ECR. No. 16 "VOCATIONAL EDUCATION" EDUC.

WHEREAS: Education for rural citizens must prepare them to meet the needs of a fast-changing society, and

WHEREAS: Study leading to the establishment of a rewarding vocation is an essential part of any educational program, and

WHEREAS: Our educational resources ought to be placed at the disposal of those of all ages who require vocational assistance,

THEREFORE, BE IT RESOLVED, that the California State Grange initiate a study of all vocational education and training programs, and seek to provide added support for promising new approaches to job-related education, and to programs which emphasize the needs of agriculture and rural Californians.

ECR. No. 17 "TAX REFORM" LEGIS.  
& TAX

WHEREAS: Over the last several years many proposals have been made for tax reform, and

WHEREAS: Most of these proposals include provisions to reduce or eliminate the impact of property taxes, and

WHEREAS: Any significant reduction in property taxes is not only likely to require an increase in taxation in other areas, but may redistribute the impact of the property tax burden itself,

THEREFORE, BE IT RESOLVED, that the California State Grange scrutinize all tax reform proposals carefully to determine how the suggested changes affect rural Californians, and support only those which raise the necessary amount of revenue most efficiently and equitably.

## RESOLUTION OF APPRECIATION

WHEREAS: The success of this 99th Annual Session of the California State Grange at Santa Cruz has been one of fulfillment and satisfaction of a job well done; it is necessary and important that a permanent record be made of all the organizations, committees and individuals who gave such untiring devotion to the good of the order and made this possible.

On behalf of the Officers and Members of the California State Grange we would like to thank the following:

To the General Convention Chairman Erle Jones and his Co-Chairman, Pomona Master Russel Spain; and all committees who functioned as follows: Auditorium, Earl Lemon and Martin Ricard; Hospitality, Vonda Caldwell and Walter Gordon; Courtesy cars, Owen Bevans and Gene Charter; Parking, Herbert Hansen, James Kennedy and Al Sonnebeck; Harvest Feast, Russell Spain, Manuel Ferreri, and Jim Nielson; Decorations and Corsages, Mildred Spain assisted by the Pomona and Subordinate Granges of Santa Cruz County with the corsages furnished each day by the following: San Mateo, Santa Clara, Monterey and Santa Benito Pomona Granges. Baskets of fruit for Officers furnished by Santa Cruz Pomona Grange. The flowers and decorations were beautiful; Lunch concession, Ethel Brookshire, assisted by the C.W.A. Chairman of the Subordinate Granges; Grange Housing Chairman, Maxine Silva; Rose Drill, Isabel Rickard with drill captain Bess Gray; and all those unnamed hard working Grangers who with the committee chairmen made all of the events run so smoothly. Thank you for being such wonderful hosts.

To the Honorable Lorette Wood, MAYOR OF SANTA CRUZ, thank you for the welcoming address and the promise of beautiful weather for our convention and for the parking passes which we gladly welcomed and appreciated.

The sincere words of welcome from County Supervisor Don Forbus in behalf of the Board of Supervisors were greatly appreciated. Keep on being the "good" Supervisor, Mr. Forbus.

To the participants in the degree work we extend a thank you. To the San Diego County team who presented the second degree and to Sebastopol and Tulare County Ritual Teams who entered the opening and closing of the Grange competition. Many Grangers learned the proper procedure from your efforts. Thank you for the hours of practice and bringing your teams to the convention.

To Sister True and her many helpers from Santa Cruz Pomona area and all the other C.W.A. ladies for the many hours spent working to make the convention a success and more enjoyable. For handling the reception so efficiently, handling the C.W.A. displays from all over the State, running the snack shop and the many other tasks called upon to perform. It is remarkable how Sister True can call so many people by name from all over the State and still have trouble remembering her relationship to a certain member of her family who must be a tremendous help to her in fulfilling the strenuous duties and responsibilities of her office, especially during convention, when time is short and organization is the key word to success.

To Sister Eve Rowe, Supt. of Junior Granges for her enjoyable program and the crowning of the Junior Princess, Pauline Dorris of Bachelor Valley Junior Grange No. 177. Congratulations on the performance of the Junior Grange Drill Team.

To Sister Betty Smith, Director of Youth Activities and her capable assistants for a very enjoyable display of our most capable youth. Her assistant Sister Jessie Rafter who planned and produced the Coronation Pageant. Sister Jessie would like to thank the following for helping with the activity. Bro. and Sister Sam Landgren, Bro. and Sister Chuck Coast, Seward Rice, Hugo and Lillian Wild, Marjorie Bley, Karen Larsen and Rick Waitley for helping with the production of the pageant. She would also like to thank Diane Pettipiece for the delightful music and Lester Wendt and Helen Cramer for their traditional song at the close of the Coronation, and Dorothy Haines and Harriet Robinson for their assistance with the floral arrangements.

It was a beautiful pageant and coronation and congratulations are extended to Robin Ricks of Sonora Grange, the new Youth Princess, and to Michael Schultz of Rainbow Valley Grange, the new Prince.

Also, congratulations to the Young Couple of the Year Paul and Mariann Layher of Eldorado-Amador Pomona Grange. With leaders like Sister Betty and Sister Eve Rowe pushing the Juniors and Youth of the Grange it will keep growing.

To the Young Marrieds on their opening of the Grange Friday morning with George Schmidt as Captain of the team. Your floor work was excellent.

Sister Betty Smith would like to thank Deputy Erle Jones and the Santa Clara C.W.A. for all the pre-planning for the youth, all those who worked on the breakfast under the direction of Rosemary and Arnold Hansen; Regional Directors Ericksons and helpers, GIA, Sister Jessie Rafter, Regional Director Dwight, Hugo and Lillian Wild, George and Doris Schmidt, Tom and Doris Callison, Steven Tait and Rick Waitley and his inspirational talks and his willingness to be helpful in every way.

Thank you, to Sister Williams who gave the trophy in memory of her husband for the most active youth attendance at the convention. It is a beautiful trophy and we are very pleased with the gift.

To John Buzzeta, Chairman of the California State Grange Youth Committee: Jim Robinson, President of California Young Farmers; Paul Muller, President of FFA; and to Cindy Machado, California Dairy Princess for taking time to appear at our convention and for their appropriate words.

To Brother Chester Deaver, State Grange Master, for the outstanding way he guided the course of our Grange the past year and at this session. For always having the ability to say the "rat" thing at the "rat" time. And to Sister Doris Deaver, wife of our State Master for her graciousness and cheerfulness even when the hour was late and the chairs were hard.

To Brother Vayne Ralston, Overseer, for the efficient way he was able to share the load of the State Master and the fine

response he delivered to the dignitaries of Santa Cruz on opening day of this session. Also, for taking care of the lost and found. We hope he was able to deliver Cinderella's shoe.

To Brother Hendricks, for a job well done at the Steward's station keeping all the Laborers and Maids in proper attire and supplied with the proper implements of work as well as delivering the many messages.

To Brother Al Moody, Gatekeeper, who with the help of the many Deputies, kept our gates secure from intruders.

To our beautiful Graces, whose presence at the front of our hall, hour after hour, still were smiling and inspired us all to continue on with the work of the session.

To Brother Harry Schmidt, after 11 years as a devoted hard working officer with the responsible job of treasurer, we extend a special "thank you" for the many years of faithful attendance.

To Brother Herman Grabow, our energetic Legislative Representative, for all of his functional gifts to visiting dignitaries. Brother Herman may be the start of a "back to the farm" movement. Americans being what they are, recipients probably will buy cows to see if the stool really works.

To Brother Lloyd Piper and his assistants, for their fine work on the per diem program. They strive to get the checks out so we will not leave any tired, displaced delegates cluttering up the beautiful city of Santa Cruz.

To Sister Ruby Duncan, Lecturer, for her fine presentation of the Art competition and to the patrons who participated. A big thank you to Sister Odell Allen and her assistants for handling the details of the art show for Sister Ruby. Sister Ruby would also like to thank Mildred Spain, George Burroughs, Robley Duncan, Francis McElhinny, Glen Burrows and Alice and Claude Trimble for all the work of preparing the main program. A special thanks, Sister Ruby, for your devotion to the office of Lecturer during your term in office. Thanks to all those who competed in the talent show and to those who performed on the Lecturer's program.

Also, thanks to the judges of the talent show. This was not an easy task as there were many fine displays of talent. It was a most enjoyable evening.

To Sister Carrol Coast and Brother Kenneth Bley, our outstanding Assistant Stewards for their flawless floor work. It was a delight to behold and an inspiration to all Grange Masters to improve the floor work in their own Granges.

To Sister Marjorie Brown and her very efficient assistants for all the services so cheerfully rendered, "thank you."

To our Worthy Chaplain, Brother Harleigh Gallup, for a most impressive Memorial Service. He was aided by Ray and Helen Cramer, Catherine Smith, Glen Obert, Paul Kramer, Gordon Lewis, Bill Booth, Delphine Allen, Cleta and Rita Shaw, Barbara Crandall, Seward Rice, Herb Marshall, Ruth Harding, Myrtle Gallup, Charlene Todd, Brother and Sister

Deaver, the L.A.S. and Assistant Steward of the State Grange and the Pomona Chaplains.

Thanks to all the individuals whose presence help to make a convention such a pleasant memory. Master of the Oregon State Grange and wife, Brother Ted and Sister Mabel Sims and to Sister Mildred Norman, Oregon State Grange Secretary; Don and Karen Larsen, young couple of the year from our good neighbor to the North, as representatives of Oregon State Grange; Past Master James Blaine and Sister Ruth Quinn; Rick Waitley, National Youth Representative and a fine example of Youth for our Grange; Brother Robert Fredericks, Our National Legislative Representative.

To Brother David O. Thompson and his 10 assistants, many thanks for the quick and efficient way the election was conducted.

To Brother Ulyuss Rose and his hard working assistants, Betty Rose, Marie Rice, and Myrtle Gallup, thank you for a difficult job handling the largest registered delegation in our history.

To our Executive Committee for the inauguration of the E.C.R. resolutions. This has been a giant step in the right direction for a better and more comprehensive legislative program.

To Brother Bill Campbell, one of the few Grange members who can communicate so well, in the only truly universal language in the world.

To Mr. John P. Morris, Head Auditorium custodian and his crew. Cooperation was the only word they knew and no job was too large or too trivial for them. Many thanks for keeping the material things in line. Also, thanks to Chuck Coast and Seward Rice for helping with the P.A. system and all the stage props.

To Elsa Rodrigues, Director of Membership, for her enthusiastic report on membership growth. We hope it will continue to climb and congratulations to the winner of the Subordinate Growth membership trophy.

Also to Brother Jack Berry, Manager of the *Grange News*; Sister Eunice Smith, Credit Union Advisory Committee; Mr. Harry Krade, California Marketing Representative; Ernie Dunisch, G.B.O.; Peter Marinoff and secretary of the Commercial Insurance; Mr. Misuraca of the California Soil Conservation District.

To Legislative Consultant Bill Geyer who was seldom seen on the floor but very active with the boys in the "back room" working on resolutions.

Thanks to the Fifth Degree Youth Team under the direction of Mike Smith. To the State Grange officers for a beautiful presentation of the Sixth Degree. And again thanks to the Rose Drill team for a beautiful presentation which adds so much to the impressiveness of the degree work. Thanks to Russell Spain and his crew for the bountiful Feast of Flora.

To the drill teams who participated in the drill work.

To all the Grangers who live in this beautiful area on Monterey Bay for making this 99th Session of the California State Grange such a success. Thanks to you and to the Santa Cruz Convention and Visitor Bureau for a beautiful program folder. Thanks again to the City officials and citizens who so patiently overlooked our transgressions.

To all State Officers installed at this session of the California State Grange by Brother Dick Rafter and his installation team, may your term of office be enjoyable and fruitful allowing you to play an important part in formulating and advancing this great organization in the society of today.

To the listed committees, who like the privates in the army are seldom heard and hardly evert receive credit but are responsible for success and accomplishment. We appreciate the long hours of screening, investigating and rewriting innumerable resolutions for presentation on the floor. Many accolades to these untiring workers: AGRICULTURE: George Schmidt, Chairman, J. Paul Hollet, George DeLacy, Antonio Iantosca and Tom Callison;

CONSERVATION: Roger Baker, Chairman, Malcolm Olin, Edgar Gerberick, Walter Long, Gary Rutherford, Albert Cedros;

EDUCATION: Mario Stefani, chairman, Adam Tustison, Floyd Eckert, Laurence Workman, Eddie Fuller;

GOOD OF ORDER: Washington Mannering, chairman, Don McKeever, Herbert Cilley, Pete Miller, Don Comstock;

LEGISLATION AND TAXATION: Robert Null, chairman, Eugene Moberg, George Melhart, Julius Foaro, Bill Pisenti;

NATIONAL WELFARE: Theodore Bliss, chairman, Meredith Painter, Clarence Cook, Harley Wilder, Florence McDougall, Charles Neumayer,

TRANSPORTATION, ROADS AND HIGHWAYS, Paul Layher, chairman, Violet Clark, Maxine Kent, George Neiley, and Don Rowe.

- And finally to all of the delegates whose contribution and presence makes any State Grange Convention a success, thank you for coming to Santa Cruz.

Thank you to anyone who worked at this convention and was not mentioned by name, accept my sincere apologies and thanks from all of the State Grange.

Therefore, Be It Resolved, that the 99th Convention with its many achievements continue to serve those interested in Agriculture to the best of our ability and hold our principles and ideals for this great land in which we live.

Fraternally submitted,  
Fred B. Metzger,
