Secretary — Gail Turner — Kings River.

Gate Keeper — Joe Jackson — Sunnyvale.

Ceres — Patty Laam — Klamath.

Pomona — Beverly High — Yucca.

Flora — Loreen Rovetti — Cupertino.

Lady Assistant — Beverly Bragga — Two Rock.

Executive Committee — Bill Schmidt — New Era.

Executive Committee — Charles Creasy — Atascadero.

Executive Committee — David Littler — Ranchito.

Sixth Degree conferred by Officers of the California  
State Grange.

11:00 P.M. Closing of California State Grange.

## FRIDAY, OCTOBER 20, 1961

California State Grange was called to order by Worthy  
Master J. B. Quinn at 9:30 A.M.

State Chaplain Leta Littler lead us in opening  
prayer.

Opening Song "Work for the Night Is Coming."

Grange opened in 4th Degree.

Flag Presentation by Worthy Ceres.

Roll Call of Officers.

Reading of the Journal of Yesterday. Adopted as  
corrected.

Report on Election of Officers was made by Election  
Committee Chairman, John Buck:

MASTER—J. B. Quinn

OVERSEER—Chester Deaver

LECTURER—Emmett Ivey

STEWARD—John Freitas

ASSISTANT STEWARD—Wm. La Caille

CHAPLAIN—Leta Littler

TREASURER—Marshall Dopkins

SECRETARY—Clara Williamson

GATE KEEPER—Wm. Davis  
 CERES—Marjorie Mills  
 POMONA—Re-run between Mildred Spain and  
 Gertrude Hendricks  
 FLORA—Effie Spencer  
 LADY ASSISTANT STEWARD—Margaret Sarraco  
 PIANIST—Wm. Campbell  
 EXEC. COMMITTEEMAN—Jackson C. Raines

Selection of the City of Santa Rosa for the 1963 Convention.

Election Committee Report submitted by John Buck, Chairman.

Report accepted.

Worthy Master commended Sister Littler for the beautiful Memorial Service on Thursday.

Partial Report of Good of the Order Committee by Vayne Ralston, Chairman:

No. 107—"Amendment Number 2" G.ofO. 23

Do Pass—Adopted

No. 35—"Grange Insurance Association of Washington and Oregon" G.ofO. 1

Do Not Pass—Resolution Withdrawn

No. 36—"Commemorative Stamp for Phoebe Apperson Hearst" G.ofO. 2

Do Pass—Adopted

No. 37—Combine G. of O. 3 with No. 92

G. of O. No. 17

Do Not Pass—Committee Report

Adopted—Resolution Lost

Report of California Grange News by Craig Hazelwood, Editor.

Partial Report of Education Committee by Kermit Kast, Chairman:

No. 32—"Economizing in Public School Building Program" Ed. 4

Do Pass as Amended—Adopted

No. 33—"Government Subsidies for Schools" Ed. 5

Do Pass As Amended—Re-referred to Committee

No. 34—"Iniquities of Television" Ed. 6

Do Pass as Amended—Adopted

Partial Report of Agriculture Committee by Lou Hepworth, Chairman:

No. 87—"Summer Milk Program" Agri. 15

Do Pass—Adopted

A. Lars Nelson, Master Washington State Grange and Sister Nelson and Sister McClure addressed the Session.

Juvenile Grange Program under the direction of Eve Rowe, Superintendent of Juvenile Granges. (Copy of Program to be printed in the Journal of Proceedings.)

Visitors from Washington and Oregon retired with "Till We Meet Again."

State Master declared ballot open for re-run Election.  
Session recessed—12:00 Noon.

1:30 P.M.—Reconvened.

Report by Paige Harper, Manager, Grangers Business Organization

California Grange Booster Barrel under the direction of Craig Hazlewood.

**WINNERS:**

5th Prize—Electric Skillet—Frances Havens—  
Orland Grange

4th Prize—Sunbeam Griddle—Edna Frost—  
La Avenida Grange

3rd Prize—Ready Baker—Mrs. G. Kingsley—  
Bellevue Grange

2nd Prize—Mirromatic Pressure Canner—Earl  
Thomas—French Camp-Lathrop Grange

1st Prize—Sunbeam All Purpose Twin Brush Rug  
Cleaner & Floor Polisher—Mary Lou Comstock  
—Orick Grange

No. 33—"Government Subsidies for Schools" Ed. 5  
Do Pass as Amended—Adopted

Report of Education Committee by Chairman Kermit  
Kast. (Copy to be Printed in the Journal of Proceedings.)

Adopted  
Partial Report of Agriculture Committee, Lou Hepworth Chairman:

No. 88—"Agricultural Act of 1961" Agri. 16  
Do Pass—Adopted

No. 102—"Marketing Orders for Canning  
Peach Growers" Agri. 17

Do Pass—Voted to Amend—Adopted as Amended

No. 2—"Federal Marketing Order for  
Wine Grapes" Agri. 2

No Action Necessary

No. 7—"Protective Legislation for  
Poultry Industry" Agri. 7

Do Pass — Adopted.

No. 103—"Assessing Agricultural Property" Legis. 36

Was previously combined with Legis. 6

Report of Legislation Committee made by Dick Rafter, Chairman.

Moved the Report of Legislation Committee be Adopted — Accepted.

Brother and Sister Clow were escorted to Master's Station and thanked by Worthy Master for their tireless work and success for a wonderful job on Convention arrangements. Brother Clow expressed his pleasure in serving the Delegation.

Report of Per Diem Committee read by Lloyd V. Piper, Chairman.

Brother Piper thanked his Committee.

Moved and Seconded report of Mileage Per Diem Committee be Adopted—

State Secretary reported there were 221 Patrons in the 6th Degree Class and 62 in the 5th Degree Class.

Worthy Master announced Vayne Ralston, Deputy, Siskiyou County, Norman Mee, Master of Marina Grange, Monterey County and Russell Finley, Master of San Luis Obispo Co. Pomona Grange, San Luis Obispo County, appointed on Committee to study the feasibility of Nursery accommodations for the State Grange Convention.

Jack C. Raines read a Resolution of Appreciation to all who worked so hard to make this 89th Annual Session a success.

Moved and Seconded Resolution of Appreciation given by Brother J. C. Raines be Adopted. — Accepted.

Moved and Seconded the Reading of Journal of Proceedings be given approval by Executive Committee at their Meeting following closing of this 89th Session. — Carried.

Grange recessed for a few minutes in order for Installing team to prepare for Installation of California State Grange Officers.

Installing Officer, Lloyd V. Piper; Marshall, Minnie Ferguson; Emblem Bearer, Amy Elston; Regalia Bearer, Olive La Caille; Pianist, Kathryn Fiedler; Chaplain, Gladys True; Installing Master, Percy Simons; Soloist, Kermit Kast.

Installation of State Grange Officers.

Closing of 89th Annual Session of California State Grange as Delegation circled Altar and sang "God Be With You 'Til We Meet Again."

Fraternally submitted,  
Clara Williamson, Secretary  
CALIFORNIA STATE GRANGE

## MASTER'S ANNUAL ADDRESS

Greetings to Sacramento, California's Capitol City where after an interval of six years, the 89th Annual Session of this California State Grange again meets within these walls. Tremendous strides have been made in the intervening period, many landmarks have disappeared in the path of population explosion; countless new structures and thousands of new homes have burgeoned for miles around. A state whose population has increased from 10 million to 16 million in the short space of 11 years has innumerable problems to surmount and the most potent and serious is the increasing removal of some of the world's finest agricultural lands in the path of highways, business, and residential areas. It will take courage, foresight and almost inexhaustible patience to chart a course that will preserve the number one place of California as the Nation's chief agricultural producer; and at the same time adequately accommodate the increasing millions who come for a better life on our West Coast.

To this end, this meeting can chart a course that will be both progressive and stimulating, and demand that in our expansion, we perpetuate the aims of the founding fathers of this Farm Fraternity, the preservation of the efficient, independent family farm home as the foundation of an American way of rural life.

To this we dedicate our energy, our faith and our determination.

### AGRICULTURE

Primitive man's chief concern was food, shelter and protection from the elements. Today's push button existence is a far cry from life of even 50 years ago — the same prime fact remains, man continues to look to the soil for sustenance and survival.

Recent technological advances in the production and transportation of food and fibre have tranquilized many of our citizens in the belief that individual ingenuity, dedicated labor, and the right of man to remain free to cultivate his own land is relatively unimportant. The constant pressure of groups who would substitute our present way of rural life into vast 25,000 acre and larger Agricultural installations, with seasonable labor recruited from nationals of another nation; or by seasonable migratory labor; is a menace to free institutions and should be halted.

The backbone of California's  $3\frac{1}{2}$  billion annual Agricultural output is the result of production by efficient, in-

dependent farmers who contribute directly and indirectly more to California's economy than any single segment of our 16 million souls. Nothing will ever replace the billions of dollars in annual purchases of these wide-awake 1961 farm establishments with their modern rural homes, embracing all the improved accessories of today.

The necessity of keeping these same independent farmers on their land is everybody's concern, because it keeps 30 percent of California's total business wheels going.

It is the prime duty of each and every member of the Order to keep this vital fact constantly before the entire population of California; and by so doing, this State of ours will continue to lead the Nation in total agricultural output, keep happy, contented farm families on their land and be the most potent bulwark of support for American institutions. A well ordered family farm home will never be influenced by totalitarian philosophies.

With few exceptions, the annual net returns from agriculture in California have not kept pace with the other avenues of our economy. Generally the agriculture producer has accepted a lower return for his products, his operating expenses; however, including staggering tax increases, have mounted. In many instances, too numerous to itemize, the ultimate cost to the consumer has advanced with the actual producer getting less. Two recent instances have been increases in the retail prices of milk and bread.

The efficient, independent farmer must still explore every avenue to reduce production costs, not by pinch-penny methods, but by adopting each scientific advancement, watching closely what happens to his product after it leaves his hands, by co-operative buying and marketing whenever feasible.

Recent national farm legislation is the result of compromise and while we have every wish for its successful implementation still we must face the fact that for the past fifteen years, various systems of attempted acreage reductions have not been successful in preventing the mounting accumulation, year after year, of surplus agricultural products. In the period between 1957 and 1961 the surplus of wheat alone rose from the 1957 figure of 950 million bushels to around one billion five hundred million bushels — this accumulated in spite of supposedly acreage reductions during all the intervening years. It is to be hoped the present legislation will in some measure check the increased government holdings of wheat, cotton, corn, oats, barley, rye and other favored commodities.

We repeat that we endorse an agricultural plan that will approximate the present Federal Wool marketing act, the same stand this delegate body approved in 1959 and 1960. It is embodied by Senator Herman Talmadge of Georgia in his Senate Bill S. 487 introduced by him in the 1961 Session of the United States Senate. It is not perfect, but we believe it has the germ of properly approaching these mounting surpluses.

First it would eliminate the Federal Government entering into actual business in its purchasing and storing of billions of dollars of farm products annually. Instead, these products would move into their natural channels of trade. A figure against disaster, as in the present wool program, would be set by the Department of Agriculture under direction of the Congress; and when the actual returns to the prime producer did not meet the price set against disaster; then the producer himself would be directly paid a cash figure to make up the difference between the amount he actually received; and the figure set to protect him. Always and only with a definite limit on the total cash payment any one producer could collect in a calendar year. This seems to be infinitely superior to what we are now sponsoring and we believe it deserves a trial.

No doubt the initial cost will be high, but in the long run it will have its desired effect in reducing the speculative and heavily subsidized plantings of vast corporate acreages that in many instances receive year after year over one million dollars in United States Government payments for their huge output.

Mechanization in farming is taking on unbelievable strides that will further require increased research in all phases of agriculture — to produce new types of products that will adapt themselves to these new technics, more efficient use of water, and above all, a system that will give the actual producer a larger share of the figure the final consumer is obliged to pay in the retail market.

There has been a tendency develop whereby huge retail outlets are pre-empting the buying of agricultural products, often forcing prices below cost of production — some system of protection to the producer must be devised; and if necessary, legislation to regulate unbridled monopoly; which if not checked will remove from the ranks of producers; all those unwilling to bow to the demands of these predatory forces.

The California State Grange takes pride that since 1937 it had a large part in forming pro-rates, marketing

orders and agreements that are now so prevalent in California Agriculture and which in many instances, saved producers from actual ruin. We commend these orderly procedures, always and only with the majority of the producers being allowed to express their acceptance or rejection of such agreements and orders.

If present relentless and un-economic expansion of huge interests into agricultural fields is not checked, it may be necessary in order to preserve a way of orderly procedure, to institute some system of licensing, until these unrealistic operators are brought under control. This would be unfortunate, because in trying to protect the already overburdened producer, it could in some instances work to his disadvantage.

Scientists tell us that in 1975 we can expect one billion more mouths to feed in Asia alone and this coupled with a population expansion in most other sections of the globe. Two Asian countries, Red China with over 600 million and India with 450 million, cannot conceivably produce enough food and fibre to adequately feed their people. Add another billion to this swelling mass in Asia and we have need for concern. Then it may well be that the nation or nations that can help to feed these teeming billions 25 years from now will be the nations that survive.

Let us remember that we have today as a direct threat a system of totalitarianism unmatched in cunning, deceit and tyranny that occupies one-fifth of the land mass of the globe. Right now they cannot adequately feed their own 250 million, but this could change and they do have the capabilities of outproducing these United States agriculturally by a ratio of 2 to 1. Instead of our bickering over immediate advantages, we should be encouraging our agricultural scientists, technicians, agriculture schools to enlist their best brains in literally making two blades of grass grow in these United States, where one blade now breaks through the soil. This is the need of the day and we believe that efficient, independent American farm operators can do more to help in this drastic need than hired hands on some 25,000 to 100,000 acre corporate installations.

Patrons, to this end, let us make this our cardinal aim, the advancement of the interests of the independent producers of food and fibre.

#### **AUTOMATION IN AGRICULTURE**

Automation has been steadily progressing in all sections of farming since the invention of the steel plow, the

mechanical reaper and countless adaptations of man's ingenuity in relieving drudgery on the farm. This is a natural law and as men use the intellect with which they are endowed by the Almighty, we will see still further steps in this direction.

Recently there have come into completion mechanical harvesters for tomatoes, peaches, pears, plums, prunes, apricots, almonds, walnuts which a few short years ago would have been considered highly impractical. Their use is almost completely pre-empted now by large installations as the comparatively high cost of the complicated machinery and accessories is sometimes beyond the reach of the most ambitious and efficient independent farm owner.

However, by co-operation with his neighboring independent farmers they can band together and jointly purchase these new mechanical marvels, carefully scheduling their co-ordinated use.

The future unfolds possibilities undreamed of just five years back. New varieties of fruits and vegetables and nuts are being cultivated that will withstand the present rough treatment they necessarily must withstand with the present means of mechanical harvesting. Still more suitable varieties will be brought forth.

This is the new day in Agriculture and the efficient, independent farmer has a valuable tool in co-operation to successfully withstand the threat of corporate agriculture. He can with his brothers match machine for machine, variety versus variety with the millionaire corporate operator. Here is where our Granges from the Subordinate and Pomona level, with the State Grange participating, can band these independent farmers together in a common meeting place. Here they will formulate plans for their own cooperative effort and community betterment with these new expensive tools of modern agriculture. And better still, no system of corporate farming, with their seasonable employees will ever be able to match the ingenuity, devotion of this determined family farmer who with his fellow workers, will outproduce, outsmart and in the end stand on their own feet and be a beacon to the oppressed of other nations.

Only when our independent farmers will use these tools now awaiting their combined efforts will they be able to combat a system of peonage. The Grange offers its fullest endorsement of this weapon in the hands of efficient, home owning farmers.

---

**LABOR CONDITIONS IN CALIFORNIA AGRICULTURE**

General economic conditions relieved serious difficulties during the harvest of most of California's crops this past season. Most seasonable labor received wages as high and in some instances higher than in preceding years.

The Granges in California have stood squarely on the premise that we favor national legislation that will place on an equitable basis nationwide, minimum wages for agricultural labor — but under present conditions we do not favor minimum wages in agriculture for California alone.

Already California's general farm labor wage is in some instances over double that of states producing crops in direct competition with California. Many of them enjoy a tax base that is infinitely lower than California with land values that are but a fraction of the prevailing prices throughout this State, Transportation costs that are lower, and a vastly lower wage to all segments of agricultural processing and distributing. This coupled with the highest transportation costs to the bulk of the consuming market, places a heavy tribute on the California basic producer. The only factor which keeps California producers in the picture in face of such overwhelming competition is the rate of production and excellence of quality; which so far has kept him in a competitive position.

Ill considered labor legislation, higher taxes, higher transportation charges, could all but price California's three billion dollar annual agriculture output out of most consuming markets.

Recent directives have placed minimum wages for all minors from 16 to 18 years of age and all women working in Agriculture. The alarming increase in juvenile delinquency in many cases is due to youngsters being unable through restrictive and unwieldy laws, to obtain work. Idle youth is one of the menacing threats to decent American life. Hedging youngsters with unrealistic restrictions in many cases removes them from a chance to work. It is our belief that local conditions in many cases should determine the wages for youth and the very orders that seemingly were made to protect youngsters, may be the means of preventing them from a chance to work.

**LEGISLATION RELATIVE TO AGRICULTURE**

There is little to commend on farm legislation in the actions of the recent session of California's Senate and Assembly. Powerful interests, with billions of dollars in

resources behind them, had their lobbyists working around the clock, principally on weaker members of the Assembly. Much valuable legislation that would have protected the interests of independent farm operators was amended to a worthless basis or killed in committees by lavish entertainment. Just a small minority of these representatives of the people were vulnerable to this pattern; but enough to block for the next two years, needed additions to the present laws.

It will be well for Grange members to learn the actual happenings to legislation that would protect their interests — a man to man talk with these few who so far forgot their obligations to their constituents and to their responsibilities will bring them to a realization that such practices will not be tolerated.

The time to formulate protective legislation for agriculture is now — all branches of production should organize to formulate plans for the 1963 legislative session. Careful advance preparation and forceful presentation at Assembly and State Senate Interim Committee hearings which will be held in all parts of California in the present interval will enable legislators to learn the needs and desires of an independent Agriculture. California's independent producers ask no privileged legislation — they demand an equal chance. The State Grange headquarters can be the clearing house for necessary corrective action. Plans should be outlined by the delegate body at this session to make the most of the Grange combined strength in presenting proper measures before the legislature.

### CONSERVATION

California's water problems, instead of being on the road to settlement were further complicated with the passage of the initial \$1,750,000,000 general obligation bond issue in November 1960. The measure was approved by a narrow margin due largely to mis-information spread by those who stood to profit by its passage.

Countless problems appear daily — the intricate matter of existing facilities and Federal installations in the Sacramento-San Joaquin Delta area must be settled before any definite progress can be made. It is a major tragedy that water storage facilities on the Feather River are not part of the present Federal Central Valley's project. Real economy for California's 16 million citizens would have been in the use of already existing facilities made possible by the expenditure over the years of close to one billion dollars of Federal funds. These same facilities could now be

used in transporting water through the Delta with little additional expense and no disruption of existing water rights.

At the July 1961 dry year water conference in Los Angeles, United States Secretary of Interior Stewart Udall urged California to start immediately on a crash program to use converted sea water for supplemental water for Southern California. The following morning, some 400 of the State Water Department Engineers gathered and were bluntly told that sea water conversion had no place in their deliberations and they had best get on with transporting water from the Sacramento Delta several hundred miles down the western end of the Central Valley and lift it by staggering amounts of electric power, 3000 feet over the Tehachapi Mountains to Southern California. The most optimistic estimate of cost of water after it reaches the Los Angeles basin will be \$70.00 per acre-foot.

In addition to this, published reports of the Metropolitan Water District of Southern California spread the alarm that with the dwindling underground water supplies in the Southern area, it is a possibility that the entire area could face an actual shortage of necessary water, three or four years before any quantities could be delivered from the North. In spite of their own damaging statements, they still persist in ignoring as a major source of water supply, the world's largest ocean at their doorstep.

If financial interests were sufficiently alert, they would demand an immediate program to convert Pacific Ocean water, regardless of its cost, as a life insurance policy to their billions of real estate, industrial and all kinds of financing in the entire Southern Area. In the event of an actual water shortage three to four years before any water could arrive from the north, could mean the mass evacuation of two million people from Southern California. Such a calamity would be unheard of in modern history and the chain-reaction would affect the entire economy of California.

These people should be awakened from their lethargy and compelled to take steps to insure an adequate water supply for at least six million people now living in the Southern Coastal Plain. Then the remaining water supplies could be used by those in areas where it would be impractical to pump the ocean water — the present underground supplies, the surface supplies such as Owens River, Santa Ana River, and Colorado River. These would be ample to take care of the higher elevation needs. Presuming even that converted sea water would be more costly than the proposed Delta water — it would be like an in-

insurance policy or money in the bank, ready to take up the slack in the event of long years of drought, litigation over areas of origin, water rights, Delta problems and earthquakes. Simple precaution demands these steps be taken for the financial security of the entire State of California.

### **CENTRAL VALLEYS AND OTHER FEDERAL WATER PROJECTS**

Grange Membership can take pardonable pride that the Great Central Valley Projects of the United States Bureau of Reclamation were fought for consistently by the California State Grange when the Grange was the only farm organization in the entire State which held fast. The results of these intervening years have proven the wisdom of the Grange and its leaders — we owe them a debt of gratitude that can never be repaid. The Bureau expenditures to date in the Central Valley have totalled around one billion dollars, and these installations now have a storage capacity of over six million acre-feet of water. This has made possible California's place as the first ranking state in agriculture production. With the now completed Trinity River Dam, the storage capacity of the Central Valley Project will total over 8,600,000 acre-feet. In addition to the Central Valley Projects, the Bureau of Reclamation have other installations throughout the State such as, Ventura River, Cachuma Project, Santa Maria Project, Solano Project are all contributing their share toward a better way of rural life. The recent session of Congress voted \$76,700,000.00 additional funds for new projects.

These projects will continue to expand the agricultural wealth of California by providing needed water and power at rates farmers can afford to pay. Federal construction of water storage facilities on the Feather River would in all probability have cut irrigation water costs in half of what the proposed State water rates must be scheduled.

An aroused membership must ever be alert to improve and expand these wise expenditures by the Bureau of Reclamation. In the first place, they are a safeguard to the individual farmer in that the total acreage available to Federal water users in California for man and wife is 320 acres. Larger users must sign a contract to divest themselves of surplus acreage using Federal Water in a ten year period. Surely every right minded citizen will subscribe to this wise provision. Due to selfishness of the immense land holdings in certain California areas, California is now embarked on a multi-billion dollar spending program for water.

Had wiser judgment been exercised, the 16 million citizens of California would have been spared the burden of billions of dollars in bonded indebtedness, and the result would be lower water rates and a healthier statewide economy.

### THE BATTLE FOR PUBLIC POWER

Recent action by the Congress has made available funds of \$11,000,000.00 for construction and operation of Federal power transmission lines from the Federal Trinity River Dam to the Tracy Pumping Plant and other lines. This was bitterly opposed by private interests, but sober judgment in the Halls of Congress prevailed, and the construction of this much needed facility is assured. For some unknown reason an appropriation for the construction of a Federal Power line to more adequately serve the Shasta City and neighboring communities was not included. Power facilities and transmission lines from Federally constructed water storage facilities should remain under the control of the Bureau of Reclamation. This insures adequate rates for its users, and it is a guide post against unreasonable rates by private power interests. The misleading advertising of certain electric utilities should be carefully scrutinized by the Fair Trade Practices Commission. These corporations acclaim their rugged individualism. In fact, they are monopolies, protected by governing bodies who allow them to establish rates for service, that very generously include the taxes they are assessed — they neglect to remark these taxes are directly passed on to their consumers in their rate structure, as are all their other costs, hidden and otherwise. They are allowed a return on their listed investment to pay dividends to their stockholders and their annual reports to their stockholders will prove enlightening to all interested parties. They have attempted to use their funds for political and propaganda purposes as legitimate expenses and demand they be included in their cost of operation — of course these additional costs will be passed on to their customers.

The recent unwarranted increases in natural gas rates from out-of-state corporations is another glaring example of unbridled monopoly by predatory public service corporations. It is to be hoped the Congress and the President of the United States will see that proper legislation is enacted at the next Session of the House and Senate to curb the unreasonable and uncalled for rate increases over the past few years. We call on California's national legislative representatives to take the lead in sponsoring corrective action.

Not only in public utilities, but in every scope of Agriculture and business endeavor, we see the ruthless hand of unbridled monopoly, increasing in arrogance and power day by day. Concentration of food distribution has taken such strides that the major portion of America's food products are handled by a small group. Unless checked this can irreparably injure this American economy of ours and might be the means to sparking a revulsion, that could result in chaos. Thinking citizens should make careful study of present monopolistic trends and see that open competition in all walks of endeavor are maintained. Once lost, they can be regained only at a tremendous cost.

### **PUBLIC PARKS AND RECREATION AREAS**

California's burgeoning millions have already created serious problems in many areas of the State. State, County and National Park areas in many instances are overcrowded to an almost unbearable basis. Care must be exercised though in our zeal to create new, recreational areas that we do not remove valuable agricultural, grazing and other necessary land protection for the future. There is ample land for expanding outdoor life without ruthlessly removing from the tax rolls badly needed revenues from present productive lands.

In establishing recreational facilities on State and Federal installations, the Grange goes on record as favoring additional expenditures at the time of construction to provide these necessary facilities. Still at the same time, we believe that insofar as possible these facilities should be self-liquidating by a nominal charge for their use and upkeep. The farmer who will pay for irrigation water will not feel happy over his payments while millions spent on recreational, boating and other facilities will pay nothing toward their share of the millions expended.

**PRIVATE BEACHES.** A visitor to Europe sees in the older civilization a wise provision made hundreds of years ago, whereby ocean frontage in most all European nations is restricted to the use of the entire population. No private homes, drive-ins, motels and other unsightly installations that offend the eye are tolerated. We could well take a leaf from their book and in the not too foreseeable future, we may find it mandatory to purchase, if necessary as a public need, all frontage on ocean beaches in California so that an uninterrupted view can be had from the highways and the facilities of the entire ocean frontage will be available to all.

The California State Grange since its first State convention in San Jose in 1873, has endorsed the fullest use of all recreational facilities by the public — this is still our watchword; always with proper regard to the basic needs of the State being paramount.

### **AIR AND WATER POLLUTION**

At long last, those in responsible positions in Government are beginning to see the need for protecting the air we breathe and our streams, lakes and rivers from pollution. A drive through the Central Valleys of California as well as the three heaviest population centers show the steady increase in density of health-destroying, industrial smog. Millions of dollars are spent each year in a purported effort to stem the expansion of this menace; but little headway is noticeable. Surely with the modern scientific knowledge available, there are means of decreasing air pollution. Other centers of population in the United States have practically eliminated this cloud upon the horizon — California legislative bodies, both State and local, have the means at hand to reduce this menace. Only by constant demands by the population, will remedial measures be enforced.

With life-giving water supplies being constantly reduced, most of the sewage systems of California still are dumped raw and untreated into rivers and the ocean. This can be largely eliminated by proper sewage-disposal facilities at all major centers of population. This will protect the health of California's millions, and in addition will preserve natural fishing, hunting and all recreational facilities. Water pollution can be almost totally eliminated by proper action.

### **ROADS, HIGHWAYS AND TRANSPORTATION**

Transportation problems must be considered in their entirety. The almost intolerable conditions of some of our major highways with thousands of huge trucks jockeying with one another for position; the millions of private cars on an almost 24 hour basis, have created problems undreamed of even 5 years back. Alongside many highways are the rail lines, capable of carrying double their present tonnage.

The ever increasing size of motor vehicles poses the question as to how much wider and higher can this expansion take place without paralyzing the capacity of the

highways, no matter how wide and how many multiple lanes they contain.

Prudence suggests that proper utilization of highway and rail transportation be scientifically arrived at — tonnage that can be handled by rail should be limited to that facility — while tonnage that lends itself to motor vehicle hauling must be used to its fullest capabilities. Only by proper coordination can further complicated and insurmountable difficulties be solved.

Year by year, some of the most valuable farm lands in the Western Hemisphere in our own California are being eliminated by unwise and arbitrary allocation of highways and particularly of freeways through out agricultural valleys. During the past year we have seen a glaring instance of an arbitrary alignment of a freeway through the very center of one of California's few remaining prime agricultural valleys — an alternate routing that would have saved most of this fine land, and routed the freeway through the sandhills and sparsely peopled areas, was bypassed; largely we understand through interested parties who plan shopping centers, business establishments, and subdivisions along the path of the freeway through the rich farm lands. Twenty-five years hence will be too late to stop this senseless waste of prime agricultural lands that can never be replaced. An aroused citizenry should demand an end to this preemption of valuable farm property when other routes are available.

The Grange vigorously champions the maintenance of responsible competition in railway as well as truck transportation. Unbridled monopoly in any one form of transportation could result in further harassing farm products in California from reaching necessary markets by withholding proper equipment, slow schedules and unrealistic rates. Only by alert, competitive rail and truck transportation facilities, can proper service be maintained.

In our zeal to construct freeways, let us also consider the feeder roads to these expressways — these roads are vitally important and their expansion and up keep is just as necessary as multiple lane expressways.

The Grange stands firmly on the premise that funds received from gasoline taxes and other sources contributed directly by users of highways should be used for the purposes intended. No diversion of highway funds should be permitted. Proper attention should be given to adequate fees and taxes for those facilities which use and deteriorate our highways; so that they stand their proper share of the upkeep of these steadily increasing costs.

### **SAFETY**

California's 8,379,000 motor vehicles, by far the largest registration of any of the 50 states, make safety measures mandatory. In safeguarding human life, the paramount interest, also in preventing accidents, will not only make for better citizenry, but in cold cash figures, will result in lower insurance rates for all classes of motor vehicle owners and drivers. Already some rates for certain segments of our population are on a confiscatory basis, when they can be obtained at all.

A vigorous program for safety in driving, respect for all highway regulations and the one big factor, courtesy on the highways, will bring the much needed reduction in the millions of dollars in financial loss and be the means of saving human life.

Safety on the farm and in the home are just as important. Many farm owners can by careful supervision and alertness in reducing hazards in their own operations; materially reduce accidents and again reduce their compensation insurance rates.

The home continues to be one of the most prolific sources of accidents — care in arrangement, proper lighting and attention to basic needs, will eliminate most of these unfortunate home accidents.

An unbiased enforcement of all existing traffic regulations and the removal of chronic traffic violators from the highways should be demanded by all citizens — only by all drivers obeying the measures designed for safety of America's motorists, can real progress in eliminating loss

### **CALIFORNIA STATE FAIR DISTRICT AND COUNTY FAIRS**

One of the prime stimulants to progressive agriculture still continues to be the annual exhibits of the products of California's farms and fields at the California State Fair, and the district and county fairs throughout the State.

The healthy competition in exhibiting the best and most remunerative products of the soil, the constant improvement of livestock, poultry and farm machinery; have their very foundation in these annual exhibits. It is gratifying that in almost every instance in the county and district fairs, there would be little and in some instances, no representation of these products of the soil without Grange participation.

The hours of labor by Grange members, their devotion to their cause, and the astonishing results of this

cooperation are readily seen in the exhibit halls throughout the State.

Constant vigilance must be exercised to maintain these county and district fairs to express the progressive spirit of California agriculture. The legislators, county boards of supervisors and fair boards should be encouraged to keep these institutions part of California rural life.

Each year the Annual Grange Day Luncheon at the California State Fair in Sacramento attracts hundreds of Grange members and friends who gather in Governors Hall. The 1961 luncheon in all probability greeted the largest crowd in all its years — many of the State's leading figures in Agriculture were present to greet the crowds. These men were impressed with the character and size of the audience — they gained a realization of the force of Grange membership in California. These luncheon arrangements are made possible by the devotion of the members of the Home Economic's Committee of the Sacramento County Granges with the necessary assistance of the Grange brothers.

The California State Grange Booth in cooperation with the Granger's Business Organization was a meeting place for visiting Grange members and with State H.E.C. Chairman Gladys True in charge of the hospitality corner, it was a constant scene of activity.

True to form, the juvenile exhibits were intensely interesting and claimed their generous share of the cash prizes for meritorious works. The Grange Food Corral, a fixture at the State Fair, continued to serve man's necessity for inner nourishment.

### EDUCATION

Constant vigilance must be exercised by an alert citizenry to maintain a proper system of local responsibility in the operation of California's public schools. Certain interests in the guise of improvement, would arbitrarily remove local voice in the administration and management, construction and responsibility of community interests.

Local school districts in an overwhelming majority have the best interests of their school population at heart and can be trusted with the responsibility of seeing that their tax dollars are used to the utmost efficiency. Absentee management is not always best for the remote areas they have under their jurisdiction.

Rapidly mounting costs in very direction make it mandatory that the school-tax dollar be utilized to the utmost

— no frills and overburdened administrative forces should be tolerated. Too many of our supposedly modern districts have a top-heavy force of administrative officials; administrative offices can be combined or eliminated and more efficient supervision by the regularly elected and appointed school heads should be required.

Population expansion in California has created major problems in school construction. Many communities cannot keep pace with the increasing enrollment. Construction costs have mounted and the safety requirements of the State Board of Architecture make additional mandatory costs. California with its 1000 mile length and every range of climatic condition presents a problem in the demands for uniformity. However, the Grange has stood squarely on the proposition that different sets of school plans could be adopted by the State Boards of Education in cooperation with the safety measures of the Department of School Architecture; and these plans made available to school districts who could utilize them. This would mean savings amounting over a statewide area of millions of dollars; that could be better diverted to the pressing needs of adequate teaching staff and basic education needs. The Grange, we feel sure, recommends legislation and directives to this end.

Correct emphasis should be placed on a well-rounded curriculum — more attention paid to the basic educational needs of the primary grades — special consideration of the fundamentals of any education. The ability to read intelligently, write legibly, a basic knowledge of American principles so that when the pupils reach high school age they will be able to assimilate the higher instruction.

Many prominent members of school boards maintain there is not enough time in the present school year to properly teach pupils these necessary rudiments of primary education. They ask for constructive suggestions. The school year could very well be lengthened to a ten month basis instead of the present nine months. Primary education could be extended one full year so that necessary subjects could be covered in the time limit, before the youngsters were passed on to high school. We know that high school principals would welcome students who had received the necessary fundamentals in the lower grades and thus be better prepared to assimilate the advanced subjects.

High school courses should be tailored to needs of the community — here again fringe courses should be elimi-

nated. Basic subjects that make for good citizenship should be taught.

Proper attention should be given to agricultural knowledge in areas where necessary — the science of agriculture may be the deciding factor in which nation or nations hold the leadership of the world. Any nation that neglects this vital force will be relegated to a secondary role in the world's affairs.

Our colleges and universities should take stock and prepare their enrollment for a place in modern world life — a properly rounded education in the affairs of the world, a proper appreciation of the nobler aspects of civilization. More emphasis should be placed on the appreciation of their responsibility to perpetuate a way of life, handed down by their forebears. Only when this is done will this American ideal of ours break through the shroud of ignorance, tyranny and be a beacon for a struggling world.

This office still stands on an editorial published in the California Grange News shortly after assuming the position of Master; in that we must retrace our steps in primary education — give prime attention to the basic needs of the first eight grades in schooling. The ability to read intelligently, write legibly, spell normal words with some degree of accuracy and above all, to teach respect for the ordinary essentials of our way of life. This was recommended by a distinguished committee of educators, citizens throughout the State in their final report, headed by Dr. Ralph Gordon Sproule, President Emeritus of the University of California. Surely these dedicated people have the best interests of education at heart.

### **AGRICULTURAL COURSES IN COLLEGES AND HIGH SCHOOLS**

All Grange members in California should stand firm in the determination that necessary agricultural courses should be continued in all areas where there is need. Constant emphasis must be placed on the various school districts, that man's first occupation deserves proper recognition by training young minds in the path of progressive farming. New methods of cultivation, new varieties, demand the very best in instruction and equipment. With properly trained youth, American agriculture will maintain its place as the dominant agricultural producing nation of the globe. The Grange can take the lead in perpetuating this form of vital instruction in our schools.

---

## LEGISLATION

California now has probably 200,000 laws from the State level of Government. No individual could digest a reasonable fraction of these. During the 1961 Session of California's Legislature, 4703 measures were introduced in the Senate and Assembly, and of this total 2232 measures were signed by the Governor.

Some system of simplifying legislation and legislative practices must be evolved to save us from drowning in a sea of laws. Thirty-two constitutional amendments will be on the 1962 ballot. We urge each patron to familiarize himself with these proposals. Discuss them at Grange meeting and calmly arrive at conclusions as to their merits. All the constitutional amendments will be reviewed at intervals in the California Grange News.

A tendency to eliminate responsibility on the part of the electorate and delegate to the Head of State, the appointive power of a majority of vital state offices is being sponsored certain interests in the ultimate hope of gaining such political power so they may perpetuate themselves in office. The Grange is definitely opposed to such practices and we believe sound government demands these important positions be left to the wish of the individual citizen by ballot.

An interim committee is now studying a system of reapportionment of the California State Senate. This should be done with due regard for the physical areas of California. The State Assembly wisely is apportioned on the basis of population. The State Senate should be left as it now is, on an area basis. This maintains the system of checks and balances so wisely outlined in the Constitution of the United States. California with 16 million citizens has recently increased its representation in the House of Representatives to 38 on basis of population increase. However, no increase is asked for or even hinted, in the United States Senate. California with 16 million people has the same representation in the United States Senate as our neighboring State, Nevada, with 350,000. Nevada though has just one representative in the House of Representatives. We hear no demand on the part of the heavily populated states to increase their Senate membership for this reason. Sound, representative government dictates that California retain its present system of representation in both the State Assembly and State Senate. It is to be hoped the delegate body will be fully alert to any efforts to upset this reasonable position.

### TAXATION

This could make up an entire session of the Grange, but to all thinking citizens, we must awaken from our unconcern and revise our present method of assessment, taxing and attitude toward public spending, if we are to survive.

Through the years, gradually we have been assessing, collecting and spending billions of dollars with no thought of the consequences. The 1960 expenditures of the State Government of California alone were over two billion, four hundred million dollars. This coupled with County, State and District spending makes a staggering total. Add to this the contribution of California to the Federal tax structure, shows any thinking citizen that we have gone far beyond the safe and sane mark. It is imperative that we soberly scrutinize every source of public spending and eliminate all unnecessary outlays. The rapid march of urban development has caused assessments against many regularly established agricultural installations to such an extent that has forced their sale, driving agricultural people from their livelihood.

An aroused farm populace in Sacramento County recently lead a partially successful fight in reducing confiscatory assessments of farm land in many instances; but this is just temporary. There must be some method of keeping farm land that is used primarily for agricultural production assessed at the value of the products produced and not by its relative proximity to other installations.

A step in the right direction will be placed before the electorate in 1962. Better known as ACA No. 4, it was introduced by Assemblyman Paul Lunardi of Placer County. It will endeavor to protect bona-fide farming operations over a period of years by limiting assessments to the actual value of the land as to agricultural production. Time has been given to Assemblyman Lunardi at this Session to outline this proposed amendment.

This is but a step in the right direction. Unbridled spending of public funds has gone unchecked in California more than in any of the 50 states. A State that has gained population from ten million to over sixteen million in 1961 could not be expected to operate without vastly increased expenditures; but there seems to be no limit to the amounts that are being constantly demanded.

Just a few weeks back, a major installation in California purchased 40,000 acres of land in another State, because California land prices had sky-rocketed to such heights, that it was impossible to pay the price asked.

Countless California industrial plants are alarmed over the snowballing increase in valuations and taxation. Unwise taxation can quarantine many major industries from locating in California and prevent expansion of already established facilities.

Taxation begins at home. Every member of the Grange has a duty in citizenship, to take active part in their community life — attend meetings of boards, see that proper men and women are placed in positions where they spend public monies. Insist on value received for each tax dollar collected. Carefully scrutinize each applicant for public office. Have them attend Grange meetings and state their views on public questions of finance, schools, roads and all branches of legislation and government. Especially impress on their minds the need for absolute economy and wisdom in spending tax funds. See that just assessments are made, and insist whenever possible, that local governing bodies have supervision over the funds.

We see relief rolls being padded by Federal and State legislation. The principles of humanity demand that the unfortunate and the physically as well as mentally incapable be afforded protection. Recent disclosures have shocked sensible people who contribute their tax dollars to almost unbelievable waste and indiscriminate portioning of funds in avenues they most certainly were never intended.

Proper representation should be made to our senators and representatives in Congress, as well as our State senators and assemblymen, to revise the present unwieldy relief laws, so that legitimate needs can be taken care of; but the undeserving be cut off from public funds. This same pattern must be followed down the entire line of Government. Grange membership can in many instances determine who shall represent them in local, District, School, County and State Offices. Choose public servants that are devoted and sincere humans, with due respect to the laws of humanity but with the realization that the power to tax is the power to destroy. When each member fulfills their obligations as citizens, then and then only will we enjoy representative government and some of the present evils in assessment, tax spending and unnecessary activities be reduced to a minimum.

### HOME ECONOMICS COMMITTEE

Another year of achievement has been registered by the Home Economic's Committees of the Grange. Under the wise leadership of Sister Gladys True and her able assistants a parade of projects have been completed that

cover practically every recognized need and philanthropy. Thousands of dollars have been given to worthy projects, countless projects are in operation and this truly represents the tenets of our fraternity, that woman has a place hand in hand with man in the continued prosperity and expansion of our Order.

### GRANGE STUDENT LOAN FUND

This was established to enable Grange members to further their education and has been the means of embarking many of our younger generation into fruitful paths of citizenship. It is a revolving fund — the applicant signs a promissory note, and while there is no pressure exerted on the part of the Grange for repayment, to date there has never been one cent lost in these educational loans. The fund needs replenishment, because the past year has seen a heavy drain on the available funds; so all members in California are urged to support plans for the continuation of this valuable service.

### STATE GRANGE YOUTH ACTIVITIES

The passing year has seen great strides in the Youth Movement in our California Granges. Dr. Carle Fiedler, so ably assisted by Sister Katherine Fiedler devote around the clock energy to expand the activities of the youth in the Grange. The past year's conference on the campus of the California Polytechnic College at San Luis Obispo and the summer youth conference on the campus of Humboldt State College in Arcata are living evidence of the onward march of our young folks. Credit is also due the youth advisors who devote their time and energies to promote youth activities — their time spent at various youth conferences — truly this is the mark of service. Proper thanks have been given to the heads of Cal Poly and Humboldt State College for proffering their facilities.

Plans are being made to expand these conferences to other localities, so that more youth can avail themselves of these group activities without spending so much time and expense in traveling the length of California's 1,000 mile limits.

New emphasis has been placed on the young farmers of America, this convention will make special plans to keep them abreast of Grange happenings and in order that they may carry on the work of the Grange. The surface has just been scratched, but the promise of rewards ahead transcend any labor performed now.

### JUVENILE GRANGES

Seven new Juvenile Granges were organized since the 1960 convention and one Juvenile Grange was re-activated. This speaks more forcibly than reams of writing. This wise and stimulating expansion is a tribute to the enthusiasm aroused by Sister Eve Rowe, the State Superintendent of Juvenile Granges. She was ably assisted by the members of the Deputy Force. Congratulations to you all and may you continue with the task ahead. It is to be hoped that in the not too distant future, every Subordinate Grange in California will sponsor a Juvenile group — until then, we will keep on striving.

### CALIFORNIA GRANGE NEWS

Another year of progress by this voice of California Agriculture. More and more interest is taken in its activities — news items have doubled in the past two years and it is still recognized as one of the most widely read and respected rural publications in California. Its financial position is being strengthened, much to the admiration of many sister State Grange publications. It promotes interest in all Grange activities throughout the State — its special editions such as conservation, state fair, education and other feature numbers evoke national acclaim.

Brother Craig Hazlewood, the Business and Managing Editor, is a man of many talents and he along with his efficient staff of devoted workers are determined to maintain this enviable position of the California Grange News.

### GRANGE CREDIT UNIONS

Another year of progress for the Grange sponsored Credit Union, both State and Nationally chartered is noted by Brother Ray Clow, chairman of the California State Grange Credit Union Committee, ably assisted by Sister Mildred Boyd of Fresno and Brother Jakob Hullen of Napa.

California still boasts of more Grange sponsored credit unions than any state in the Union. The constant education and spread of the value of credit unions for Grange membership should be vigorously continued. Credit Unions, apart from their value as a lending agency, are steadily being used as an investment source, with estate loans. More interest in Grange credit unions can have a strengthening influence on all Grange activities.

### GRANGER'S BUSINESS ORGANIZATION

The farsightedness of the officers and members of the Grange in California are reflected in the activities of this

valuable arm of the Grange. With its headquarters at 3823 V Street, on the Grange Triangle in Sacramento, it is conveniently located to attend the needs of those who desire money saving farm and home equipment. With its expanding petroleum program we look forward to another year of increased activity. During its life it has returned to its purchasing members far in excess of one million dollars in savings. It will pay to investigate the savings of this key Grange affiliate. Under the able management of Paige L. Harper, the members can expect further savings and expansion of its wide activities.

### **INSURANCE**

This nine letter word embraces many facilities provided by the California State Grange:

#### **Grange Fire Insurance Association**

This association was formed by the members of the California State Grange under the immediate direction of the then State Grange Master in 1916 with the title Grange Fraternal Fire Insurance Association. The charter it operates under was granted to just one other organization. In its 45 years of service it has provided fire insurance at distinct savings to members of the Grange only. It now operates under the title of Grange Insurance Association and has active representatives in most sections of the State.

#### **Grange Medical Protection Through California Physician's Service**

This medical service for members of the Grange in California is specially adapted to the present membership in that it has no age limit. It was adopted by the California State Grange in 1947 when hospital costs and medical care was a bare fraction of what they are in 1961. In comparison with other plans of medical protection, we still consider this the most favorable plan now available. For members without medical protection, we suggest they investigate its provisions. Every Subordinate Grange Secretary in California is provided with necessary literature, or if desired contact the State Office in Sacramento for full details. This medical plan has saved literally hundreds of thousands of dollars over the years to members.

#### **Occidental Life Insurance Term Life Insurance For Grange Members in California Only**

This low-cost term insurance policy with one type of premium, \$27.50 for six months for married couples with

or without children and individual policies for a premium of \$23.00 per six months period. This is just what the term implies, a term contract, with protection up to \$13,500.00 depending on the age of the insured and gradually reduced as the age increases. We urge all members to investigate this practical and conomical protection plan.

**Workmen's Compensation.** This is available to all members in California who qualify as farm labor employers. It is written through arrangement with the Truck Insurance Exchange. It is recommended to those Grange members in California who do not have this protection.

**Automobile, Liability and Property Damage Protection**

This protection is afforded many thousands of members in California through the Farmers Insurance Group. Rates are attractive and the protection backed up by years of experience and strong financial reserves.

**IN MEMORIAM**

It is a tribute to the Grange membership in their respect for those who grace our meetings no more. As long as this beautiful custom of reverent tribute to those loyal members who have served long and faithfully continues, our Grange will be the organization it was intended. We miss the familiar footsteps of those who are absent at our councils, and most appropriately we pause in our deliberations at this session to render solemn and loving tribute to their memory.

**COMMUNITY SERVICE**

On a National basis, each year sees an increasing number of California Granges enlist in the National Grange Community Service Contest. In 1960, Gazelle Grange in Siskiyou County was one of the 10 top finalists in the United States. Again in 1961, Nuevo-Lakeview Grange in Riverside County is one of the top 10 out of 7000 Granges in America.

Community Service activities by our Granges go far beyond the customary contest. They are an investment in Community goodwill and civic betterment. The Grange owes its existence through services rendered to the community, State and Nation and we congratulate Granges whether they formally enter the National contest or whether they choose to perform their usual Community Services activities entirely for the pleasure derived from providing assistance to their fellow man.

The community interest by Granges perpetuates the philosophy of the Seven Founders of our Order as it is the

very symbol that has kept this Grange of ours a living, vital part of American rural and community life.

### **NATIONAL GRANGE BUILDING DEBT RETIREMENT FUND**

It is gratifying that California, 3,000 miles removed from the National headquarters building in Washington, D. C., has to date lead the nation in subscriptions to this most worthy project.

This Grange shrine in our Nation's Capitol is an inspiration to all who pass through its walls and we commend the spirit of co-operation of the Grange membership throughout the thousand mile length of California in their voluntary participation toward lifting the debt from the only agricultural service building in Washington not financed by Federal or public funds.

The campaign still goes on and each day sees funds coming in to the State office where they are tabulated and in turn sent on to National Grange headquarters in Washington, D.C.

### **WORLD AFFAIRS**

The continued tension in all corners of the globe, make almost unendurable demands on our heads of government. May calm judgment guide them and the long-term aims be studied seriously before any drastic action taken that could result in chaos to civilization. Pressure for hasty action should be carefully gone over and every known means of approach should be understaken before plunging the world into the horrors of modern nuclear warfare.

We must face the fact that peoples long under domination by overlords, will not continue under these conditions. Many millions of people, a large proportion of them just a step from the jungle, are totally unprepared for representative government. How to guide these millions into proper channels of society is a task that requires super-human patience and understanding. Let us pause before making snap judgment as to the proper course. Again let us realize the cold, naked fact, that a ruthless tyranny that now controls over one-fifth of the land mass of the globe is bent on a campaign of terror and subjugation — they are strong, cunning but they lack every principle of decency. They must be dealt with firmly and if necessary force must be used against force — but only as a last resort.

The free world, led by this Nation, must make its choice and if the principles of our Order are to be upheld, then we must in turn uphold the very system under which

we originated and continue to serve. There is no half-way — the path ahead requires courage, faith and might.

### GOOD OF THE ORDER

The passing year has seen many expanded interests of the Grange in California. Since the last gathering, two new Subordinate Granges have been organized. Chowchilla Grange No. 803 by Deputy Jack Goeringer. Highgrove Grange No. 804 by Statewide Representative and Executive Committee member Jackson C. Raines. The Grange membership in California welcomes these two new additions to the Grange family. There are several more Granges in the formative process. However, in our zeal to expand into new fields, let us take heed of our present membership in our 347 Subordinate and 47 Pomona Granges. This is an era of intense competition for the attention of the populace. Grange membership must be stimulated to take active part in their local Grange. Active projects should be encouraged. Intense interest should be displayed in all community and countywide affairs of government, schools and community service. The Grange can take the lead in sparking measures to improve the community, suggest remedial legislation and protect their investments in participating in all school elections, bond issues and in general to be the guiding light in their respective communities. Granges progressing along these lines will attract not only their own members, but be an incentive to all those interested in the ideas of the Grange, to join with us. This is the duty of every one of California's Grange membership and by concerted action, the Grange will thrive.

As in former years, there have been regional conferences of the various administrative heads from the State Grange level. This is to be encouraged and continued, but along with it has developed the absolute need for a system of schools of instruction for all officers in the Subordinate and Pomona Granges. Plans are now being formulated for a definite schedule of these meetings which will be announced when the officers for the coming year have been selected or installed. This will improve Grange procedure, speed up meetings and result in a more uniform and generally stimulating action throughout the whole Grange year.

The final membership figures for the quarter ending September 30, 1961, are not available, but it is to be hoped they will erase the slight decline as noted from the June 30, 1961, reports. The Grange must not stand still — the membership of the California State Grange will continue to battle for the principles of our Order — the survival and welfare of the efficient, individual family farmer.

## REPORT OF THE OVERSEER

**Worthy Master, Officers and members of the California State Grange:**

It seems only yesterday that we were in annual session in the City of Ukiah, surrounded by the hospitality of the Grange members and friends of that area.

Another year has swiftly passed and we find ourselves again in annual session in the capitol city of our state.

I sincerely appreciate the efforts put forth by the Grange members of this area to make our stay a most pleasant and fruitful occasion.

In this report I would be remiss should I fail to extend my sincere thanks to the many Granges which have extended invitations to attend their meetings during the past year.

The friendly hospitality extended to myself and Sister Deaver will remain in our storehouse of memories forever.

During these visits I have observed a keen and renewed interest by the membership in the welfare of their communities and the recognition of the problems confronting the home owning farmers of this state.

Grange Masters on the state and national level have vigorously and courageously put forward the Grange program designed to bring relief to the agricultural industry of this country.

In our deliberations during this Eighty-Ninth Session let us look forward to the future, dedicated to the high ideal and principles of our organization, that we may draft a program which will sustain and improve the position of the independent farmer.

Fraternally,  
CHESTER DEAVER, Overseer  
California State Grange

## REPORT OF THE STATE LECTURER

**Worthy Master, Fellow Officers and Delegates:**

Welcome to this 89th annual session of the California State Grange. I have truly enjoyed the privilege of serving as Lecturer of this Grange during the past year. The work of the Lecturers throughout the state continues to show improvement and the spirit of enthusiasm is high.

During this year, I have attended many Grange meetings and functions in all areas of the state and have observed the programs presented and from my observations, from the reports received both written and verbal, from publicity articles in a number of newspapers, I believe that

most of our Lecturers are doing a good job. I am confident they will continue to do so.

Early in the year a series of District Lecturers conferences were held in 13 areas selected for their convenience to all concerned. Attending these conferences were: 31 Pomona and 138 Subordinate Lecturers, a total of 169 or 43 per cent. Also in attendance were 440 other Grange members for a total attendance of 609, representing 215 Granges. These conferences were one day affairs and included lectures and demonstrations of program material matter pertaining to the Lecturers work. Participating in these lectures and demonstrations were: State Officers, District Deputies, District H.E. Chairmen, Pomona and Subordinate Lecturers and Grange members. I wish to again express my thanks and appreciation to all who made these conferences possible as well as thanks to those Granges which were hosts.

Following last year's convention the Booster Night programs, of which there were 43 submitted for the contest, were judged and the following were selected as winners for 1960:

100 members or less.

1st.—Phelan Grange 607, Mojave Valley Pomona District

Lecturer, Kathryn Jones awarded a blue ribbon.

2nd.—Fillmore Grange 787, Ventura County

Constance Taylor, Lecturer, awarded a red ribbon.

3rd.—Anderson Grange 418, Shasta County

Rose Dubecker, Lecturer, awarded a white ribbon.

100 members and more.

1st.—Wildflower Grange 663, Antelope Valley Pomona District

Paz Coover, Lecturer awarded a blue ribbon.

2nd.—Westside Grange 473, Tehama County

Fern DeRoest, Lecturer, awarded a red ribbon.

3rd.—Dos Palos Grange 541, Merced County

Bernice Baldocchi, Lecturer, awarded a white ribbon.

Both first place programs were entered in National Grange competition and the entry from Wildflower Grange placed fourth in the National contest and was awarded a gold ribbon. All Granges entering this contest received certificates from the State Grange. This year's contest has just ended and will be judged next week. Up to date there are 30 entries for this year.

In December of 1960, Lecturer's Scrolls were sent to

all Deputies for presentation during the installation ceremonies.

Quarterly bulletins of six pages or more and other material were sent to all Granges during the year. Bulletins were also sent to some officers and Deputies as well as to other State Lecturers in an exchange program.

A news article "To The Lecturers" was published in each issue of the Grange News this year.

Certificates for prompt reports were sent to 26 Pomona Lecturers and 169 Subordinate Lecturers for the year 1960.

Twelve entries were received in the Highway Safety Essay Contest, each receiving a special pin from the National Grange. Judges selected the following winners in this contest: 1st—David Crittenden, L. A. Harbor Area Grange No. 774. Awarded a \$15.00 Check. 2nd.—Steve Meisenbach, Sunnyvale Grange No. 416. Awarded a \$10.00 check. 3rd.—Bill Howes, Soquel Grange No. 789. Awarded a \$5.00 check. These checks were received from the National Grange and have been forwarded to these winners.

Performance reports for 1961 were received from the following Lecturers: Gladys Lewis, Yucca Grange No. 736, awarded Gold Star Certificate for 3050 points; Ardelia Seimars, San Dimas Grange No. 658 awarded a Gold Star Certificate for 2850 points; Paz Coover, Wildflower Grange No. 663, awarded a Gold Star Certificate for 2700 points; Leona Nordbloom, Joshua Tree Grange No. 664, awarded a Gold Star Certificate for 2600 points; Gladys Wideriksen, Durham Grange, awarded a Gold Star Certificate for 2500 points; Mildred Reese, Orland Grange No. 432, awarded a Silver Star Certificate for 2450 points; Elizabeth Preston, Prunedale Grange No. 388, awarded a Silver Star Certificate for 2350 points; Hazel Mathews, Morro Bay Grange No. 749, awarded a Silver Star Certificate for 2250 points; Etta Moore, Springfield Grange No. 523, awarded a Silver Star Certificate for 2150 points; Ruth Langenderfer, El Camino Grange No. 462, awarded a Purple Star Certificate for 1950 points; Esther Hope, Banner Grange No. 627, awarded a Purple Star Certificate for 1950 points; Pauline Jackson, Buckeye Grange No. 489, awarded a Purple Star Certificate for 1900 points; Edythe Moody, Yucaipa Valley Grange No. 582, awarded Purple Star Certificate for 1850 points.

The Talent Contest will be held tonight during the Lecturer's Program.

The Quartet Contest, if any, will be held Thursday morning during the Lecturers Conference in the Little Theater of this auditorium.

The Art Contest is now on in exhibit Room 3 of this auditorium. The 20 or more entries will be judged during this week. Louis McNabney, Lecturer, Riverside Pomona Grange, is in charge.

A financial statement of the Lecturer's Library Fund has been forwarded to the Executive Committee. Eighty-five Granges have contributed \$1.00 each to this fund this year.

Twenty new books were purchased making the total number of books and papers in this collection, now 270. Ninety books were loaned to Lecturers during the year. There is now a balance of \$102.27 in this fund.

I truly appreciate the cooperation and assistance given to me by the officers and members of all the Granges, enabling me to carry out the duties and obligations of this office to the best of my ability. I feel confident that from the deliberations of this assembly we will all leave for home with a new degree of enthusiasm and with a sound and renewed determination to protect our adopted agricultural policy and to further advance the purposes and objectives of the Grange. In the uncertain times ahead, we must stand firm against aggression and unite our people in the cause of freedom and liberty for all.

EMMETT W. IVEY, LECTURER  
California State Grange

#### STEWARD'S REPORT

Worthy Master, Officers and members of the California State Grange: Greetings—

Once again, it is with great pleasure that I greet and serve you from the Steward's Station.

It seems only a very short time since we were in session in the City of Ukiah, California.

Nevertheless, another year has passed and we are again assembled in this fine convention city of Sacramento for our 89th convention.

In reviewing the accomplishments of the past year and considering the problems facing agriculture which affect the economy of our country, we find that progress has been made in many phases of last year's program.

I am again confident, that when the gavel falls and the 1961 State Grange convention ends, a program will have been adopted, which will be sound and constructive.

In closing, I wish to thank all the Granges for their invitations to their installations, hall dedications, social affairs, and etc. My very best wishes to everyone for a pleasant and successful convention.

Fraternally submitted,  
JOHN B. FREITAS, STEWARD  
California State Grange

## **ASSISTANT STEWARD'S REPORT**

**Worthy Master:** To the Officers and members of the California State Grange: Greetings and best wishes.

It is with great honor and pleasure at this 89th State Convention, that I am here to serve you from the Station of State Assistant Steward, to the best of my ability. I deem it a real honor and privilege. It is my greatest wish that we have a most pleasant and successful convention.

W. G. LaCAILLE  
Assistant Steward  
California State Grange

## **CHAPLAIN'S REPORT**

**Worthy Master, Officers and members of the California State Grange:** Greetings:

With pleasure and affection I greet you from the Chaplain's Station and present a report from this office. This past year has been one of constant service — in and for the Grange work. I have had the opportunity to represent the Grange before civic and religious groups several times during the year. This has enabled me to stress the importance of this great Fraternity in the past, present and future of America. The solid foundation of Grange principles

have maintained progress and growth. This has been accomplished by dedicated men and women who put into action, the forces for good that are constructive and resourceful.

We must stand and be counted for what we believe, and thereby witness to all the strength of an organization, based upon the indestructible words of truth, given to us in the word of God.

As the war clouds loom upon the horizon of the world, and men and nations seek elements of destruction to bring about peace and unity, we need the stabilizing influence of a Fraternal order wherein Brotherly Love is taught and exercised. Just belonging is not enough, to win our cause, we must endeavor to build for the future, by meeting together, working together, and keeping together.

May we stand in loyalty to the Grange — to Divine Principles — and to each other.

Faternally and sincerely,  
LETA LITTLER, CHAPLAIN  
California State Grange

## TREASURER'S REPORT

**Worthy Master, Fellow Officers and Members of the California State Grange: Greetings:**

Once again it is our pleasure to meet in this beautiful capitol city of Sacramento, this time for our 89th annual session. We know we will have an interesting and profitable convention.

It is a privilege and an honor to serve you as Treasurer, and I will now present the financial report of the California State Grange at the close of the fiscal year, September 30, 1961.

This report will be slightly different than previous ones I have given. At the insistence of the auditor of our Grange books, and by order of the State Grange Executive Committee, following December 12, 1960 monies were deposited directly to the treasurer's bank accounts. These deposits were made by the state secretary's office. Therefore, I cannot report having received money from the Secretary on any certain day, after mid December of 1960, I can only show in my report deposits made during each month of the fiscal year, by the state secretary's staff.

Our auditor's purpose in recommending this method was to get the State Grange funds in the hands of the Treasurer faster. During the transition period and the remainder of the past fiscal year, we have had such wonderful co-opera-

tion from Sister Clara Williamson's office, that we are pleased to report the following balanced figures to the 1961 convention:

### GENERAL FUND

#### Receipts

Bank Balance, September 30, 1960 .....		\$ 12,214.91
Received from Secretary:		
October 14, 1960 .....	\$ 8,000.00

In conclusion, we want to say that due to the increase in per capita tax in California, more money has been handled by the Treasurer's office than ever before. Any questions we can answer or explanation we can give to the membership we are always glad to do. Also, of course, we want to sincerely thank all of you for the many invitations to Grange functions throughout the state. Whenever possible we have attended and enjoyed these so very much and

Sister Dopkins and I are sorry that we just could not make all the affairs to which we were invited. My best wishes for a successful session.

Fraternally submitted,  
MARSHALL DOPKINS  
Treasurer  
California State Grange

## **1961 ANNUAL REPORT**

### **CLARA WILLIAMSON, STATE GRANGE SECRETARY**

Worthy Master, Officers and members of the California State Grange: Greetings from the Office of Secretary:

Notice has been received from the National Grange Secretary of a perfect report, from all Grange States, for one quarter. California has an important part in making this possible as well as a perfect report from California for the complete year.

My sincere appreciation to all Secretaries in the state for their fine cooperation with this office.

Your response to the National Grange Building Debt Retirement Fund has been most gratifying. The National Grange have recommended California on their contributions.

Demands for loans from the Educational Loan Fund have increased considerably this past year. Many letters have been received from "Grangers" expressing their "Thanks" for the opportunity this fund has given them to further or complete their education.

It has been a pleasure to again serve you as your State Grange Secretary.

The following report has been duly substantiated by a Certified Public Accountant.

Fraternally Submitted,  
CLARA WILLIAMSON, SECRETARY  
California State Grange

## **MEMBERSHIP**

Grange membership in California as reported to the National Grange for the June 30, 1961 quarter was 43,254 members in 346 Subordinate Granges.

Greenhorn Grange No. 384 still tops the Subordinate Granges with the largest membership of 458 followed by Hangtown Grange No. 464 with 438 members. San Luis Obispo No. 639 has 425 members.

Pomona Grange membership at the end of the June 30, 1961 quarter was 12,610 in 47 Pomona Granges.

Butte County Pomona No. 16 still holds the largest Pomona membership in the state with 802 members. Sonoma No. 1 — second with 693 members; Santa Clara No. 4 — third with 533 members; Mojave Valley Pomona No. 33 — fourth with 515 members; San Luis Obispo No. 27 — fifth with 482 members.

The Juvenile Granges in California reported 480 members with 16 Granges reporting. There are 25 active Juvenile Granges in the state.

### GRANGE HALL DEDICATIONS

Two hundred, thirteen Grange Halls have been dedicated to date in California, including four dedications during the past year by Worthy Master Quinn.

At each of these dedications the Grange was presented a check for \$50.00 from the California State Grange.

The four halls dedicated this past year were: Loomis Grange No. 638, Placer County; Ripon Grange No. 511, San Joaquin County; Independent Grange No. 470, Tehama County; Scotts Valley No. 725, Lake County.

### CERTIFICATES OF AWARDS

Certificates were awarded to all Secretaries qualifying by making prompt and efficient reports to the State Grange.

### NEW GRANGES

Two Subordinate and six Juvenile Granges were organized during the past year.

Chowchilla Grange No. 803 in Madera County by Jack Goeringer, Deputy.

Highgrove Grange No. 804 in Riverside County was organized July 13, 1961 by Jackson C. Raines, Statewide Representative.

Juvenile Granges organized were: Hessel Juvenile Grange No. 156, organized October 13, 1960, Sonoma County, by Harold Smith and Ralph Hobbs, Deputies; Gazelle Juvenile Grange No. 157, Siskiyou County, organized February 25, 1961 by Vayne Ralston, Deputy; Comptche Juvenile Grange No. 159, Mendocino County, organized May 15, 1961 by Hugh Graham, Deputy; Hangtown Juvenile Grange No. 160, El Dorado County, organized May 5, 1961 by George H. Klare, Deputy; Martinez Juvenile Grange No. 161, Contra Costa County, organized April 4, 1961 by Manuel Trebino, Deputy; Loomis Juvenile Grange No. 162, Placer County, organized by Eldon B. Gage, Deputy, on September 23, 1961.

**REORGANIZED**

Potter Valley Juvenile Grange No. 70, Mendocino County, was reorganized May 13, 1961 by Hugh Graham, Deputy.

**HONOR GRANGE**

Sacramento Juvenile Grange No. 150 received recognition from the National Grange as having met the requirements of an Honor Grange.

**GOLDEN SHEAF CERTIFICATES**

Golden Sheaf Certificates were issued to seven members having completed fifty years of continuous Grange membership. Matilda Wiesendanger, Orchard City Grange No. 333; Jessie McChesney, Orchard City Grange No. 333; Tom Steele, Bennett Valley Grange No. 16; Julia M. Rusch, Antelope Grange No. 161; Fred H. Rusch, Antelope Grange No. 161; Henry M. Huntting, Vista Grange No. 609; Adelaide Morse, Orangevale Grange No. 354.

**NATIONAL GRANGE BUILDING  
DEBT RETIREMENT FUND**

Donations from California Granges to the National Grange Building Debt Retirement Fund, made through the State Grange totaled \$10,696.35 for this fiscal year.

**SILVER STAR CERTIFICATES**

Upon completion of 25 years of continuous Grange membership the 429 patrons listed below have been awarded Silver Star Certificates:

## **GATE KEEPER**

**Worthy Master, Officers, Brothers and Sisters of the Grange:**

I extend to you greetings on this, your 89th Session of the California State Grange.

This convention will have many challenges that await your just decisions, and by adhering to the Grange principles they will be met with a just and wise decision at the same time bringing forth a sound program for the Grange.

The key to a sound program in the Grange is your membership for which the growth, progress and achievements are obtained. At this time I wish to thank all the Granges for their kind invitations extended throughout the year and may all of you have a very enjoyable and successful week and when you return home you will have a feeling of a job well done.

Thanks for giving me the privilege and honor to serve as your Gate Keeper and if I can be of service, just say the word.

Fraternally yours,  
WM. J. DAVIS, GATE KEEPER  
California State Grange

## **CERES REPORT**

**Worthy State Master, fellow officers, patrons and friends. Greetings from Ceres:**

Once again we are thankful for the opportunity of greeting old friends and making new acquaintances here at the 89th convention.

May we accomplish much toward bettering the lot of the farmer and all the folk in the world.

Again my regrets of being unable to accept all the lovely invitations sent, also are so glad we could attend so many of your celebrations and meetings.

Thank you again for the great honor of presenting our beautiful American Flag at the opening of each day's session.

May God's blessings be upon you all.

Fraternally submitted,  
MARJORIE MILLS, CERES  
California State Grange

## **POMONA**

**Worthy Master, fellow Officers, Brothers and Sisters: Greetings from the Office of Pomona:**

In this the 89th annual session of the California State Grange we can begin to look forward to our 100th birthday. May we become stronger every year up to that time, not only in membership, but in our efforts to benefit our members. In these troubled times let us hope that our Order can stand for a strong program which will help the whole country.

It has been a privilege to have served as Pomona for these past four years. I wish for you all a very successful convention.

Fraternally submitted,  
GLADYS TRUE, POMONA  
California State Grange

### FLORA

**Worthy Master, State Officers and members: Greetings:**

Greetings to one and all. Another year has rolled around and it has been a wonderful year. Everyone has been so friendly and cordial.

I wish to thank all those who have been such wonderful help; and the flowers this year seem to be outstanding. I feel a beautiful setting brings out the best in all of us. So may our Floras decorate the halls even with paper flowers if none others are in bloom.

Best wishes for a good session.

Fraternally,  
EFFIE SPENCER, FLORA  
California State Grange

### LADY ASSISTANT STEWARD

**Worthy Master, Officers, delegates, Brothers and Sisters of the State Grange: Greetings:**

I am most happy to announce that during the past year I have been able to attend several Grange affairs in various parts of our state and I can only repeat that Grangers are simply a very large group of good friends, who work for the good of all humanity, and who have learned the real meaning of "Fraternal Brothers and Sisters."

I thank you for your many kind invitations, and hope that I may yet visit all of you. But in the meantime, let us all work for a wonderful and successful 1961 convention.

Sincerely and fraternally,  
MARGARET SARACCO  
Lady Assistant Steward  
California State Grange

## PIANIST

**Worthy Master, State Officers, Brothers and Sisters, Greetings.**

The time has come again for another successful convention, a time that I, as your Pianist looks forward to. It is my job to entertain you with music which I intend to do, so if you have any favorite song, you would like to hear, just let me know and I will try to get it out of this piano.

I wish to thank all Granges that sent invitations to Sister Campbell and I, to attend their celebration. It is impossible to attend all of them, but we got to as many as we could.

I also wish to thank Sister Feidler for the wonderful job of marching the State Officers to their stations.

I also wish to thank all those that sang in the choir during the 6th degree last year.

I am determined to do what I can, to make this convention a success, if we all do this, how can we lose?

I enjoy every minute of entertaining you, and look forward to it at each convention.

Fraternally,  
**BILL CAMPBELL**  
Your State Grange Pianist

## CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE MEETING

**October 6, 1960**

The California State Grange Executive Committee meeting was held in the office of State Grange Master J. B. Quinn in Sacramento at the State Grange Headquarters Building on Thursday, October 6, 1960.

State Master J. B. Quinn presided over the meeting which convened at 10:00 A.M.

Brothers Lloyd V. Piper, Merle Mensinger, and Jackson C. Raines were present.

Craig Hazelwood, editor of the California Grange News, requested permission to change the booster barrel procedure at the State Convention at Ukiah. A motion was made by Brother Raines, seconded by Brother Mensinger that the change be adopted. Carried.

In addition, Editor Hazelwood requested permission to organize a Grange News Travel Department; service the customers for travel and make all the arrangements from which the Grange News would receive a satisfactory reim-

bursement. Brother Piper moved we endorse the proposal with a progress report to be submitted to the Executive Committee monthly. The motion was seconded by Brother Raines. Carried.

The second quarter report for Home Economic Districts ending June 30, 1960, was presented.

Public Relations Officer Robert Finley reported on contacts with newspapers and radio stations.

A letter dated September 20, 1960, from the California Highway Users Conference was read, and upon motion of Brother Raines, seconded by Brother Mensinger, authorized contribution of \$25.00 to assist with necessary expense.

The letter from California Dairymen, Inc., was read and discussed. A motion made by Brother Raines that State Master Quinn use his own judgment regarding the ninety days referred to in the contract. A motion was made by Brother Raines, seconded by Brother Piper in regard to the expiring radio contract with Station KTRB, that the State Master be authorized to make suitable arrangements for continuing. Carried.

The subject of building cabinets in Headquarters Building for storing old records was delayed until after the State Grange Convention.

The letter from the State Department of Education was read concerning the National Vocational Agricultural Teachers' Association, Inc., Convention at the Biltmore Hotel, Los Angeles. The Committee agreed to send State-Wide Representative and Executive Committeeman Jackson C. Raines to represent the State Grange scheduled December 5 through December 9.

The Notice of Public Hearing on Plans for New Melones Reservoir, Stainslaus River, California, from the U. S. Army Engineer District will be represented by an appointee of Brother Merle Mensinger.

The California Farm Safety Coordinating Committee meeting scheduled for October 11, would be attended by State-Wide Representative Chester Deaver. State Master Quinn also alerted members to attend in that area.

Travel plans for Brother and Sister Newsom were read.

The letter from the National Grange Secretary selecting a meeting place of the National Grange two years in advance will be presented to the delegate body at the State Grange Convention in Ukiah.

Request of the Valley Labor Citizen dated October 4, 1960, for funds was discussed. It was decided that the California State Grange did not have the financial resources to contribute.

The letter to G. H. Brown, Merced, dated September 27, to represent the Grange on Industry Container Standardization Committee was read and approved.

The Agricultural Conservation Program pamphlets from the U. S. Department of Agriculture were distributed by the State Master.

Statewide Representative Chester and Sister Deaver appeared before the Committee for the remainder of the afternoon.

State Secretary Williamson and State Treasurer Marshall Dopkins appeared before the Committee. The financial statement for the fiscal year ending September 1960 was presented.

The Extension Fund explain itself, and the Youth Fund is O. K. A motion was made by Brother Jackson C. Raines, seconded by Brother Piper to transfer accrued interest in savings and loan to the General Fund. Motion carried.

A motion was made by Brother Lloyd V. Piper that State Secretary Williamson write a letter to our savings and loan agency to the effect that the Treasurer is authorized to withdraw funds and request was made to have a new set of signature cards completed accordingly. Motion was seconded by Brother Merle Mensinger. Carried.

An invitation from the Fresno District Fair to attend Grange Day on October 12, 1960 was read by State Master Quinn. Statewide Representative Chester Deaver will attend.

A letter from Jack L. Wood, G.B.O. Agent, and response by Manager Paige Harper was read by State Master J. B. Quinn.

The proposal covering the Feast Table at the State Grange Convention in Ukiah was presented.

The meeting was adjourned at 4:45 P.M.

Respectfully submitted,  
ELIZABETH J. BRUEGGER  
Secretary to J. B. Quinn, Master  
California State Grange  
APPROVED: Date: 11-7-60  
Lloyd V. Piper, Member  
Merle Mensinger, Member  
Jackson C. Raines, Member

## **MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE MEETING IN UKIAH**

**Saturday, October 22, 1960**

The California State Grange Executive Committee met in the suite of State Master J. B. Quinn in the Palace

Hotel in Ukiah, California, on Saturday, October 22, after the close of the State Grange Convention.

State Master J. B. Quinn presided over the meeting which convened at 8:00 a.m.

Present were Committee members Lloyd V. Piper and Merle Mensinger. Committee Member Jackson C. Raines was absent because of illness. California State Grange Secretary Clara Williamson was present.

State Master J. B. Quinn read the minutes of the meeting held in the Palace Hotel prior to the State Grange Convention on October 17 which were approved by Committee members.

State Secretary Clara Williamson read the Journal of Proceedings of Yesterday (Friday, October 21, 1960), which were approved as read.

State Secretary Williamson suggested that letters be written to State Officers who did not turn their badges in. State Master Quinn stated letters would be written.

State Secretary Williamson inquired as to the effective date for the increase in per capita tax. Discussion followed. A motion was made by Brother Mensinger that the increase be effective January 1, 1961. The motion was seconded by Brother Piper. Motion carried.

State Secretary Williamson requested that members on the floor refrain from disturbing those working and marking action on resolutions, i.e., State Secretary Williamson and her assistant, State Master Quinn and his Secretary. Discussion followed and action will be taken to prevent this disturbance at the next Grange session.

The effective date of State Master Quinn's salary increase was discussed. Brother Piper made a motion that the salary increase be effective immediately. The motion was seconded by Brother Mensinger. Motion carried.

The meeting was adjourned at 8:30 a.m.

Respectfully submitted,  
ELIZABETH J. BRUEGGER,  
Secretary to J. B. Quinn, Master  
California State Grange  
APPROVED: Date: 11-7-60  
Lloyd V. Piper, Member  
Merle Mensinger, Member  
Jackson C. Raines, Member

## **MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE MEETING**

**Monday, November 7, 1960**

The California State Grange Executive Committee Meet-

ing was held in the State Grange Headquarters building on Monday, November 7, 1960. State Master J. B. Quinn presided. Executive Committeemen Piper, Mensinger and Raines were present. The meeting convened at 10:00 a.m.

The Executive Committee minutes covering the meeting of October 17, were read and approved.

Report of Audit for the California State Grange, period ending September 30, 1960, was handed to Brother Jackson C. Raines as he was absent the previous meeting. Discussion followed. Brother Raines made a motion that Treasurer Dopkins comply with the suggestions of our Auditor, Mr. Flannery. Seconded by Brother Piper, Motion carried.

State Master Quinn suggested that the California State Grange should have statements of assets and liabilities of the following:

Grange Insurance Association of California.

The California Grange News

Grangers Business Organizations, Inc.

The foregoing statements should be presented at the State Grange Convention in Sacramento in the year 1961.

Selection of the Grange Headquarters Hotel for the 1961 State Grange Convention was discussed, and the Committee members suggested reserving the Senator Hotel.

Clara Williamson, State Grange Secretary, appeared before the Committee. Authorization was granted by the Committee to transfer funds from the Extension Fund to the General Fund with the provision that the amount so transferred, be returned at the earliest practicable time; also that the State Treasurer be authorized to withdraw sufficient funds from the Building and Loan deposits to meet the financial demands, if necessary.

Letter dated November 2, 1960, from James T. Hammons, master of Humbolt Grange No. 501, was read.

The Committee members approved of State Master J. B. Quinn, as a member of Senator Kennedy's Natural Resources Committee.

Letter from Clarence P. Millius to the National Grange dated October 23, was read by the State Master. Brother Millius was called on the 'phone by the State Master who invited him to drop in to the State Grange Headquarters for a visit.

State Master Quinn reported on the California State Grange Hawaiian tour from October 24 to October 30, 1960, inclusive.

A new 50-star flag for the State Grange Headquarters was discussed. Brother Raines made a motion that the California State Grange purchase a 50-star outdoor flag.

Seconded by Brother Mensinger. Carried.

The request for a roster from Mr. Graf, Assistant Chief of The Bureau of Agricultural Education, State of California, was approved. Brother Mensinger made a motion that the Assistant Chief receive a roster. Seconded by Brother Piper. Carried.

An addressograph machine was demonstrated for the members of the Committee. After the demonstration, Brother Raines made a motion that the California State Grange purchase the addressograph. Motion seconded by Brother Piper. Carried.

A letter received from the Alpine Grange No. 665, dated November 3, 1960, was read by State Master Quinn, on the subject of reducing taxes on Grange halls. The Committee recommended that a responsible group from the Alpine Grange appear before the Board of Supervisors, Board of Equalization, and present to them the facts.

Letter from the Ripon Grange No. 511 was read, and the Committee suggested the Grange (Ripon) secure loans for one year from their members, and after the first year, they contact the Credit Union for financial assistance.

The salary of Home Economics Chairman Gladys True was discussed. Brother Piper made a motion that the California State Grange pay her \$110.00 for the last two months of this year, and then make the salary for \$105.00 a month for the year 1961.

The Committee adjourned at 4:00 p.m.

Respectfully submitted,

## **MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE MEETING**

**December 9, 1960**

The members of the California State Grange Executive Committee met in the office of State Master J. B. Quinn, State Grange Headquarters in Sacramento on Friday, December 9, 1960. State Master J. B. Quinn presided over the meeting which opened at 10:30 a.m. Brothers Lloyd V.

Piper, Merle Mensinger, and Jackson C. Raines were present. The minutes of the previous meeting were read and approved.

Information Letter No. 12 from the National Advisory Committee on Farm Labor dated November 1960 was presented.

Letter from Louis Krainock dated December 2, 1960 was presented for review.

Copies of the brief that the State Master has presented to the Senate Fact Finding Committee on Labor and Welfare for the Committee meeting on December 15 and 16 at the State Capitol in Sacramento were distributed to the members for review. Discussion followed.

The Natural Resources Report of Senator Kennedy's Committee dated December 7, 1960 was reviewed.

Editor Craig Hazelwood of the California Grange News appeared before the Committee with Auditor Pfanner.

Correspondence with Senator Wayne Morse regarding 160-Acre Limitation to be Protected in Contract Negotiations on San Luis Project was presented. Discussion followed:

Compensation of Grange officers and personnel was discussed. Motion was made by Brother Raines, seconded by Brother Mensinger to grant a salary increase, effective April 1, 1961 of \$25.00 monthly to the State Secretary Clara Williamson. Motion carried. Upon motion of Brother Raines, a second by Brother Mensinger, it was voted to increase the salary of Elizabeth J. Bruegger, Secretary to the State Master, — \$25.00 per month, effective April 1, 1961.

A motion made by Brother Raines, seconded by Brother Piper that the usual Christmas Bonus checks for Grange Headquarters personnel and Grange News be paid.

Santa Fe Public Relations Release dated October 25, 1960 and the Western Pacific Railroad Company Release dated November 7, 1960, were distributed.

State Secretary Clara Williamson appeared before Committee and a discussion was held on the General Fund. State Treasurer Dopkins also appeared. Brother Raines made a motion that the State Master be authorized to instruct the State Treasurer to withdraw from the Savings and Loan Fund, the sum of \$7,500.00 or such amount as is needed. Seconded by Brother Mensinger. Motion carried. State Auditor Flannery's report was discussed with the State Secretary and State Treasurer.

Letter from the Director of Youth Activities Fiedler dated October 29, 1960, regarding recommended members

for the Youth Committee for year 1961, was reviewed. State Master Quinn suggested that the Past Youth Chairman be a member of Advisory Committee on the Youth Committee.

State Lecturer Ivey's report to Washington, D. C., was read. The proposed Lecturer's Program for the year 1961 and Agenda was read.

The Quarterly Report of Claims from the Farmers Insurance Group for the period July 1 to October 1, 1960 was read.

Since there was no further business, the meeting adjourned at 4:40 p.m.

Respectfully submitted,  
ELIZABETH J. BRUEGGER,  
Secretary to J. B. Quinn, Master  
California State Grange

## **MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE MEETING**

**January 24, 1961**

State Master J. B. Quinn and the Executive Committeemen Merle Mensinger, Jackson C. Raines, and Lloyd V. Piper met in the office of Attorney Downey on Tuesday, January 24, 1961, at 9:30 a.m. to discuss legal matters relative to the Grange Mutual Life Company of Nampa, Idaho.

The meeting of the California State Grange Executive Committee was then resumed at 1:30 p.m., January 24, 1961, in the Grange Headquarters Building. State Master J. B. Quinn presided. Executive Committeemen Jackson C. Raines, Merle Mensinger and Lloyd V. Piper were present.

The minutes of the Executive Committee meeting of December 9, 1960, were read. Brother Mensinger made a motion to approve the minutes as read; Brother Piper seconded the motion. Carried.

1961 Convention plans were discussed. It was suggested the neighboring counties, i.e., El Dorado, San Joaquin, Yolo, Contra Costa, Placer assist.

The request for a roster was approved for Congressman Harlan Hagen.

The letter from The Atchison, Topeka and Santa Fe

Railway System dated December 28, 1960, was read by State Master J. B. Quinn. The California State Grange has authorized petition in intervention in the Western Pacific case.

The 1961 National Grange Extension Rules were reviewed by the Committee members.

Letter from Director of Agriculture James T. Ralph dated January 11, 1961 was read by State Master J. B. Quinn in which he thanked the California State Grange for its support of the California Department of Agriculture and for personal interest in their work.

Senator Paul H. Douglas letter dated December 27, 1960, was presented to the Committee.

Letter from the Office of Secretary of Interior Udall was read.

Letter from Congressman Jeffery Cohelan dated December 14, 1960, reaffirming his awareness of the activities of certain individuals, the 160-acre limitation act.

Letter from the Senate Fact Finding Committee on Labor and Welfare was read.

Bill from the Addressograph-Multigraph Corporation recently purchased was approved by Committee members for payment.

The Agenda for State Lecturer's 1961 Conference was read and approved by Committee.

Brother Jackson C. Raines reported on the December 15, 1960, meeting of the California Highway Users Conference in Los Angeles.

The following resolutions were reviewed by Committee:

Resolution concerning farm labor by the Fresno County Pomona Grange No. 24, endorsed by the following Granges: Modoc County Pomona Grange No. 9, and Madera Grange No. 783.

Resolution concerning the farm labor dispute by the Fresno County Pomona Grange No. 24 was not approved by the following Granges: Santa Clara County Pomona Grange No. 4, and Sonoma County Pomona Grange No. 1.

Resolution relative to elimination of four percent tax on items such as medical supplies, artificial limbs, dentures, glasses, etc., presented by Newport Harbor Grange No. 776 was read and the Committee supported the resolution.

Brother Merle Mensinger moved that the Grange support legislation to sustain the exemption of all sales taxes on church dinners, and those of fraternal organizations. Seconded by Brother Jackson C. Raines. Motion carried.

Resolution presented by the Coalinga Grange No. 779 concerning members participating in barrel races and horse shows, should girls and boys under sixteen years of age be

permitted to participate. It was the consensus of the Executive Committee that insurance should be mandatory and the parents or guardian's consent should be obtained.

State Secretary Clara Williamson presented the new print of Secretaries quarterly report in book form for eight quarters or two years. Brother Raines moved the quarterly report forms be revised as recommended by the State Secretary and printed in book form to begin with the March 1961 quarterly report. Seconded by Brother Piper. Carried.

Report of Harleigh Gallup, District Deputy of Riverside County was reviewed by Committee members and received commendable remarks.

Bills from the Farmers Insurance Group covering the liability on the buildings and the Comprehensive Liability Policy of Truck Insurance Exchange were approved. Brother Piper suggested the State Grange drop collision coverage on the Grange Ford.

The Committee suggested the organ now in Paso Robles be placed in Wisteria Hall.

The letter from Sister Lillian Kent, H.E.C. Chairman of McArthur Grange No. 420 was read. Brother Mensinger moved that if the State Home Economics Committee does not have funds, the State Grange reimburse Sister Kent. Seconded by Brother Raines. Carried.

The Summary of Insurance dated December, 1960, covering the Grange Insurance Association of California was reviewed by the Committee.

Editor Craig Hazelwood appeared before the Committee requesting permission to add four extra State-Wide pages devoted to condensations of county news items. The extra cost per issue of the four pages would be approximately \$260.00 an issue.

Brother Raines reported the progress on establishing new Granges in Imperial Valley. It is a big farming community, and there are many who want the Granges.

Sister Gladys True, State H.E.C. Chairman appeared before Committee. The division of Home Economics Districts was approved by the Committee as follows: Monterey, San Benito, Santa Cruz, Santa Clara, San Mateo in one group, and the other division as Contra Costa, Solano, Napa and Sonoma. The third group. Ventura, Santa Barbara and San Luis Obispo. Bond for Sister True was discussed. Sister True reported that she is receiving considerable funds for the following: Founders Day Fund, National Grange Library, Master and wives gift fund, Muscular Dystrophy, CARE, Meals for Millions, etc. The Committee recommended that Sister True keep a separate account combining all these

funds and report regularly the condition to the Committee.

The National Grange Debt Retirement Fund was discussed. The Committee directed that it is the responsibility of the entire Grange, and directed the State Grange Master notify each Subordinate Grange in California to arrange their own plans for participating in the dollar per member contribution to wipe out a \$800,000.00 debt on the National Grange Headquarters Building. This must be entirely voluntary on the part of the Grange.

The meeting was adjourned at 4:20 p.m.

Respectfully submitted,

## **MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE MEETING**

**February 21, 1961**

State Master J. B. Quinn presided over the meeting at 9:30 a.m., with Brothers Lloyd V. Piper, Merle Mensinger and Jackson C. Raines present.

The minutes of the previous meeting held January 24, 1961, were read and approved.

The General Fund was discussed and upon motion by Brother Piper, seconded by Brother Mensinger, the State Treasurer was authorized to transfer a sum not to exceed \$5,000.00 from the Building and Loan balance to the General Fund. Motion carried.

The request by Mr. Beehler, the Grange gardner, for a new power lawn mower was presented. Upon motion of Brother Raines, seconded by Brother Mensinger, the State Master was authorized to secure an adequate power mower. Carried.

At 10:00 a.m., the Committee left for the offices of Attorney J. F. Downey to discuss legal matters. The Committee then returned at 2:00 p.m., to the State Grange office.

The financial report showing the condition of the California Grange News as of January 21, 1961, was presented.

Discussion of publicity for California Physicians' Service, Occupational-Grange Insurance and other Grange affiliates was discussed. The Committee directed that the Cali-

ifornia State Grange and the California Grange News unite to use every feasible means to promote California Physicians' Service, Grange Occidental Term Insurance, Grange Credit Union and all other Grange affiliates.

Dr. Carl Fiedler, Director of Youth Activities, requested permission for the Youth Group to exemplify the Fifth Degree at the coming California State Grange Convention. Upon motion of Jackson C. Raines and seconded by Merle Mensinger, it was carried.

Dr. Fiedler announced the dates of the Summer Youth Conference in Humboldt State College at Arcata as July 30 through August 3, 1961. The Committee approved.

Brother Raines reported on the Industrial Safety meeting held in Los Angeles on April 18, 1961; copy of his breif is on file.

The State Master was directed to inform all Subordinate and Pomona Granges of the 1961 edition of the Constitution and By-Laws of the California State Grange priced at 45 cents each postage paid.

The request of Sister Gladys True for two home economics chairmen for Districts No. 10 and 11 was approved. The chairmen are as follows: Eulalia Archer, 3908 Guerneville Road, Santa Rosa, California for District 10, comprising of the following areas: Sonoma, Napa, Contra Costa and Solano Counties. Ruth Hill, 5793 Encino Road, Goleta. California for District 11 comprising of the following areas: San Luis Obispo, Santa Barbara and Ventura Counties.

Resolutions submitted to the State Office since the last Executive Committee meeting were presented to the Committee.

Brother Raines was handed the following correspondence relative to Grangers Business Organization commissions and dividends:

Jack L. Wood, Lee J. Roth, and W. L. Hoellwarth.

Upon Motion of Brother Piper, seconded by Brother Raines, the meeting adjourned at 5:00 p.m.

Respectfully submitted,  
J. B. QUINN, Master  
California State Grange  
Lloyd V. Piper, Member  
Merle Mensinger, Member  
Jackson C. Raines, Member

## **MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE MEETING**

**Thursday, March 23, 1961**

Executive Committee of the California State Grange, comprising Brother Jackson C. Raines, Brother Lloyd V. Piper (Brother Mensinger being absent), and State Master Quinn, met with Mr. R. E. Lee of Merced, Regional District Manager of Farmers Insurance Association at 10:00 a.m., Thursday, March 23, 1961, at the Grange Headquarters Building to discuss matters connected with Grange members under the Workmen's Compensation Policy and other forms of insurance.

Mr. L. Paul Putnam, special representative of the California Physician's Service also appeared before the Committee and suggestions for further cooperation were considered.

At 1:10 p.m., the formal meeting of the Executive Committee of the California State Grange was opened with State Master J. B. Quinn presiding. The following were present, Jackson C. Raines, Lloyd V. Piper; Brother Merle Mensinger absent.

The Executive Committee minutes of the meeting held February 21, 1961, were read and approved.

Legal matters connected with the Grange Mutual of Nampa, Idaho, were discussed.

Brother Hazlewood of the California Grange News presented Financial Statement for month of February 1961. Brother Piper moved, seconded by Brother Raines, that the California Grange News enter into advertising contract with the Continental Casualty Company relative to additional insurance protection. Motion carried.

Mr. Charles Harris of the California Life Insurance Company presented an outline of proposed health and insurance arrangements for Grange members. The Committee will study the proposals and report at a future date.

The Master reported that the Grange had received check for \$25.00, proceeds on one U. S. Bond for El Nido Grange No. 532, which was no longer active. The fund will be held in trust under the usual regulations.

Brother Raines reported on the Balance Sheet dated June 30, 1960, prepared by the auditor for the Grangers Business Organization.

Upon Motion of Brother Piper, seconded by Brother Raines, Brother Raines was delegated to arrange for suitable celebration for California State Grange Day at the 1961

Los Angeles County Fair at Pomona, Motion carried.

The various pamphlets and booklets presented by State Senator Virgil O'Sullivan relative to the Natural Resources Development Association of California, dated March 22, 1961, were reviewed. The State Master was directed to contact Senator O'Sullivan with respect to their aims.

Upon Motion of Brother Raines, seconded by Brother Piper, the State Master was directed to call a Spring Deputies Conference to convene in Wisteria Hall, June 17-18, 1961. Motion carried.

Brother Piper moved, seconded by Brother Raines, that the California State Grange continue to maintain the booth and operations at the California State Fair during September 1961, the same as in previous years. Carried.

Upon motion of Brother Raines, seconded by Brother Piper, permission was given Sacramento Pomona H.E.C. to serve the Grange Luncheon on California State Grange Day at the 1961 State Fair in Sacramento. The proceeds will be earmarked to assist Rio Linda Grange in their building plans. Also permission was given to serve dinner Saturday evening, June 17, 1961, at the Deputies Conference in Wisteria Hall. Motion carried.

Upon motion by Brother Piper, seconded by Brother Raines, permission was given Sacramento Grange No. 12 to serve lunch Saturday noon, June 17, and breakfast Sunday morning, June 18, at the June 1961 Deputies Conference. Motion carried.

State Master Quinn presented to the Committee proposal by Pitney-Bowes for mailing service. The Committee will make a study and report later.

Letter from Attorneys Muller and Woolpert, San Luis Obispo, was read advising Decree of Final Distribution had been issued dated February 6, 1961, formally bequeathing the organ and human hair wreath to the California State Grange, said items now in storage at Paso Robles Van and Storage. The State Master was directed to pay the storage bills and find a suitable place for these items in one of the San Luis Obispo County Grange Halls until provisions could be made to transport them to Sacramento. Moved by Brother Raines, seconded by Brother Piper, Motion carried.

Resolutions covering legislative bills now before the present Session of the California Legislature were reviewed and recommendations made when the Committee considered such action necessary.

Motion of Brother Raines, seconded by Brother Piper, State Master Quinn was authorized to provide space in the 110th Anniversary number of the Sacramento Union to be

published April 9, 1961.

Moved by Brother Raines, seconded by Brother Piper, that the State Master be authorized to instruct State Treasurer Dopkins to transfer what funds may be necessary to retire needed financial necessities of the California State Grange. Motion carried.

Committee received report of correspondence between Sister Jack of Rainbow Valley Grange, State Master Quinn and National Master Newsom relative to oil painting presented by Sister Jack to have a permanent place in the Tenth floor reception area of the National Grange Building in front of Memorial Hall. The Committee and State Master expressed thanks to Sister Jack. The Committee directed the State Master to send a letter of appreciation.

The meeting adjourned at 4:30 p.m.

Respectfully submitted,  
J. B. QUINN, Master  
California State Grange  
Lloyd V. Piper, Member  
Merle Mensinger, Member  
Jackson C. Raines, Member

## **MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE MEETING**

**April 20, 1961**

The members of the Executive Committee of the California State Grange, viz; Lloyd V. Piper, Merle Mensinger, and Jackson C. Raines with State Master J. B. Quinn, assembled at the Office of the State Master, 2101 Stockton Boulevard, Sacramento, California on Thursday, April 20, 1961 at 10:00 a.m. They proceeded to the office of John F. Downey, attorney, for a conference. Past Master George Sehlmeier was also in attendance at the conference with Attorney Downey.

The Committee met formally at 1:30 p.m., at the office of the State Master. All three Committeemen and State Master Quinn were present. The minutes of the previous meeting of the Committee were read and approved.

The matter of the organ and hair wreath now in storage at Paso Robles was discussed.

The advertising display by Continental Casualty Company in the Grange News was discussed. It was moved by Brother Raines, seconded by Brother Piper that the wording of the advertising of this concern be revamped. Carried.

Letters from Assistant Secretary of Agriculture James T. Ralph, dated April 10, 1961 from Edward F. Holter,

lecturer of the National Grange, dated April 11, 1961, from the National Cotton Council of America dated March 6, 1961, were read.

The Committee discussed communication dated April 10, 1961 from State Home Economics Chairman Sister Gladys True, relative to Region 7 Civil Defense Conference at Santa Rosa, California held March 19 and 20, 1961. It was moved by Brother Raines, seconded by Brother Mensinger that the California State Grange urge the membership in California to cooperate with Civil Defense authorities. Motion carried.

Letters from Sister Isabelle Jack of Rainbow Valley Grange to National Master Newsom, and from National Master Newsom, thanking Sister Jack for her gift to the National Grange of one of her paintings entitled "Sunset at Dripping Springs" were read. This painting occupies a prominent position in the Memorial Library in the National Grange Headquarters building.

Sister Jack also wishes to present the California State Grange with another suitable painting to be properly placed in the State Grange Headquarters Building. Moved by Brother Mensinger and seconded by Brother Raines that the State Master be authorized to accept the generous offer of Sister Jack; and to felicitate her generosity to both the National and California State Grange. Motion carried.

Request of April 11, 1961 of Garberville Grange to transfer to W. A. Blumenstock and wife, a 4-foot strip along the western boundary of Garberville Grange Hall for \$500.00. Because of excavation on adjoining lot owned by W. A. Blumenstock might cause slippage on top portion of Garberville Grange lot. Proper Grange procedure has been followed by Garberville Grange. Moved by Brother Raines, seconded by Brother Piper that the Committee approve the transfer. Motion carried.

Expense account of Herman Grabow incidental to recent trip to Washington, D. C., on behalf of California Milk Producers due to sales on Federal Reservations of milk below State price levels was presented. Moved by Brother Piper, seconded by Brother Raines, the amount be allowed. Carried.

There being no further business, the meeting was adjourned at 5:00 p.m.

Respectfully submitted,  
J. B. QUINN, Master  
California State Grange  
Lloyd V. Piper, Member  
Merle Mensinger, Member  
Jackson C. Raines, Member

## **MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE MEETING**

**May 25, 1961**

State Master J. B. Quinn presided over the Executive Committee meeting held in the State Grange Headquarters in Sacramento on Thursday, May 25, 1961. Executive Committee members Jackson C. Raines, Merle Mensinger and Lloyd V. Piper were present. The meeting convened 10:00 a.m.

The minutes of the previous meeting held Thursday, April 20, 1961, were read and approved.

Letter dated May 8, 1961, from the El Nido Irrigation District was read. Upon Motion of Brother Mensinger, seconded by Brother Piper, the Master was directed to refer the matter to Grange Attorney Thomas W. Olson, Jr. Carried.

Letter dated May 16, 1961 from the California State Fair and Exposition was read, outlining terms for the 1961 Grange exhibit and suggested terms for the 1962 season. Moved by Brother Piper and seconded by Brother Raines that the California State Grange negotiate for space in 1962, also that the California State Grange offer to share one-half the cost of the exhibit entry space paid by the G.B.O. for the 1961 showing. Carried.

Brother Hazlewood of the California Grange News and Mr. Pfanner, the auditor appeared before the Committee with the April 30, 1961, financial report. After discussion, upon motion by Brother Raines, seconded by Brother Piper, it was agreed that the Grange share the addition estimated \$675.00 for the forthcoming soil conservation issue. Carried.

Brother Hazlewood presented a plan for prepaid vacations by California Grange News and State Grange personnel with various resorts; with a 20% cost to be borne by vacationer. The remaining cost to be absorbed by limited advertising space in Grange News. Moved by Brother Raines and seconded by Brother Mensinger that the State Master and Brother Hazlewood be authorized to determine what, if any, use of the plan was to be followed. Carried.

The matter of the use of personal cars by Grange News staff for official Grange News business was discussed. Moved by Brother Raines, seconded by Brother Mensinger that mileage of 7½ cents per mile be allowed for this purpose. Carried.

Letters from National Grange acknowledging contributions to National Grange Building Debt Retiring Fund and

expressing thanks for California Grange membership cooperation were read.

Letter dated May 8, 1961 to Mr. Del Buno, Continental Casualty Company, San Francisco was read.

State Lecturer Ivey's report dated May 8, 1961, on Lecturer's Conferences held in April was read.

Letters to Howard Harvey, Master, Humboldt Pomona Grange, dated May 19, 1961 and May 15, 1961, also letter from Brother Harvey dated May 11 were read.

The organ in storage at Paso Robles was discussed, and on motion of Brother Piper, seconded by Brother Mensinger, the master was directed to arrange for its transportation to Sacramento for placement in Wisteria Hall. Carried.

The Committee expressed pleasure at the oil painting entitled "Fall in Idyllwild", presented to the California State Grange by Sister Isabelle Jack of Rainbow Valley Grange No. 689.

The matter of paving the driveway adjacent to Wisteria Hall was discussed and bids were to be presented at the succeeding Committee meeting.

At 2:15 p.m., Attorneys John F. Downey and Thomas W. Olson Jr., came to State Grange Headquarters for conference regarding legal matters with Grange Mutual Life Insurance Company of Nampa, Idaho after deliberation, upon motion by Brother Raines, seconded by Brother Mensinger, the Committee directed the attorneys to present proposal for dismissal of all pending legal actions. Motion carried.

The matter of salaries for Grange News personnel was discussed, and was to be resumed at a succeeding Committee meeting.

Mr. Charles Harris of the California Life Insurance Company made a brief presentation to the Committee.

The meeting was adjourned at 4:15 p.m.

## MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE MEETING

June 18, 1961

State Master J. B. Quinn presided over the meeting of the Executive Committee of the California State Grange, held in the Office of the State Master, June 18, 1961, com-

mencing at 2:45 p.m. Executive Committee members Jackson C. Raines, Lloyd V. Piper, and Merle Mensinger were present.

The minutes of the previous meeting held May 25, 1961, were approved.

Discussion relative to the El Nido Grange Building was resolved by the motion of Brother Mensinger, seconded by Brother Raines, that the State Master use efforts to restore the Grange Hall of the former El Nido Grange to be carried to conclusion. Motion carried.

The Financial Report of the California Grange News for the period ending May 31, 1961 was presented to the Committee and placed on file.

The matter of salaries for Grange News personnel was discussed and further action was withheld until a subsequent Executive Committee meeting.

Bill for \$178.86 from "Awards by Kay" for the Bronze Plaque in memory of Sister Mabel Glenn was presented. Moved by Brother Mensinger, seconded by Brother Piper that the invoice be approved. Carried.

The matter of various individuals, firms, etc. asking for mailing lists from the State Office and subordinate and Pomona Granges was discussed. It was moved by Brother Piper, seconded by Brother Raines that the Master and Secretary of each subordinate and Pomona Grange in California be requested that before a list of their members or any part of such list is given to any firm, individual or group, irrespective of the source of the request, the application be referred to the Executive Committee of the California State Grange. This same procedure is followed with the California State Grange Roster. Motion carried.

Letter dated June 6, 1961, from the office of Lee E. Tripp, 7435 Winnetka Avenue in Canoga Park, California, addressed to the local agent of Grange Fire Insurance Association of California was read. After discussion, upon motion by Brother Lloyd V. Piper, seconded by Brother Raines, the State Master was directed to address communication to Brother Lee V. Tripp, Brother Paul Stewart, President of the Grange Insurance Association of California, and to Brother W. R. Penner, Secretary of the Grange Insurance Association of California, informing them of the Motion approved by the State Grange Executive Committee on November 8, 1959, requesting that the Grange Insurance Association amend their by-laws so that members of the Executive Committee of the California State Grange be included on the Board of Directors of the Grange Insurance Association. Further that the Grange Insurance Association

of California comply with the resolution adopted by the Delegate Body of the California State Grange, in session at Long Beach, California, in November, 1959—as printed in the Journal of Proceedings, California State Grange, for the year 1959 (Pp. 194-195). When the Grange Insurance Association of California have complied with these requirements, then the Executive Committee would favorably consider their request for use of the mailing lists of the membership of the Granges in California for the purposes they specifically request. Motion carried.

Invoice for \$775.00 covering the additional cost of the Second Annual Conservation Issue of the California Grange News June 10, 1961, was presented. Moved by Brother Raines, seconded by Brother Piper it be approved for payment. Motion carried.

The meeting was adjourned at 4:45 p.m.

Merle Mensinger, Member  
Jackson C. Raines, Member

## **MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE MEETING**

**August 11, 1961**

State Master Quinn presided over the meeting of the Executive Committee of the California State Grange held in the Office of the State Master, August 11, 1961, commencing at 10:00 a.m. Executive Committee Members Brothers Jackson C. Raines and Lloyd V. Piper were present. Brother Mensinger was out of the State and could not attend.

The minutes of the previous meeting held June 18, 1961 were approved.

Brother L. Paul Putnam, Chief of Special Accounts Division of the California Physicians' Service appeared before the Committee and discussed at length the latest adjustment of the annual rates, effective October 1, 1961, and to be put into effect at the expiration date of each member contract—making some of the adjustments run well into the summer of 1962. The Committee approved a substance of an explanatory letter to be sent out by the C.P.S. to each C.P.S. Member approximately 30 days before the due date of their payment.

The application for Student Loan in the amount of

\$500.00 from Brother Gail Turner was approved.

The quarterly Report of Claims (April-May-June 1961) of the Truck Insurance Exchange master policy with members of the Grange in California was presented.

State Secretary, Sister Clara Williamson, presented a condensed statement showing the financial balance of the major banking accounts of the California State Grange.

Sister Williamson also presented a list of the salaries of the entire State Grange Building staff for the Committee's consideration.

Resolution from Chico Grange #486, dated June 2, 1961, which would amend the Constitution of the California State Grange was read and the usual procedure was recommended.

Request of Brother Philip Davis for State Grange Roster was denied, but the Master was authorized to send Brother Davis a list of the various Officers of subordinate and Pomona Granges in the area of the request.

Letter dated July 9, 1961 from the California Association of Soil Conservation Districts congratulating California Grange News on the Soil Conservation issue was read.

The Agenda for School of Instruction for Officers and Members of the Grange in California was discussed and the final draft will be presented at a forthcoming meeting of the Committee.

Brother Paul Stewart, President, Brother Penner, Secretary, and Brother Lee V. Tripp, Special Agent of the Grange Insurance Association appeared before the Committee. The matter of membership lists of Subordinate Granges was discussed. The Committee authorized the Grange Insurance Association to present their mailings to each Secretary of the Subordinate Granges together with envelopes, which would be addressed by the Secretary of the individual subordinate Grange. The Secretary would make a charge for the services rendered. If subordinate Secretaries were not in a position to cooperate with the Grange Insurance Association in this respect, then the requested mailing, together with envelopes, brochures, etc., are to be sent to the State Office in Sacramento where they would be mailed to the list of the subordinate Grange in question. The necessary labor and other charges would be billed to the Grange Insurance Association. The Committee unanimously endorsed the previous resolution adopted by the delegate body of the California State Grange in October, 1949, at the Sacramento State Convention and a similar resolution adopted by the delegate body of the California

State Grange at Long Beach, California in November, 1959, relative to the proper conduct of the affairs of the Grange Insurance Association. The President of the Grange Insurance Association was requested to convey this action of the Executive Committee to the present members of the Board of Directors of the Grange Insurance Association, as well as to all the policyholders of the Association.

The 1961 Convention in Sacramento was discussed at length and the State Master was directed to proceed with necessary preparations.

The matter of paving the driveway and approaches to Wisteria Hall was discussed, and upon the motion of Brother Raines, seconded by Brother Piper, the State Master was authorized to let the contract at the most favorable terms available. Motion carried.

Financial Statement showing condition of California Grange News as of June 30, 1961 was presented to the Committee.

Letter dated June 2, 1961 from Assemblyman Pauline Davis, thanking the California State Grange for its support of necessary legislation at the 1961 session of the Legislature was read.

The policy of Ethel V. Kidwell was discussed. The Occidental Life Insurance Company informed the Committee that even though Mrs. Kidwell had become separated from the Grange after paying six months' premium on her Term Life Policy with the Occidental Life Insurance Company, nevertheless, the policy would be in force until the expiration of the paid up premium date. Check for \$500.00 was presented to Mrs. Kidwell for the death of her husband. She is a former member of Tulare County Grange.

Letter dated July 18, 1961 from the Occidental Life Insurance Company was read confirming same procedure as was honored by the Occidental Life in the death of the husband of Mrs. Ethel V. Kidwell. Under these terms it would be necessary for the California State Grange to notify the Occidental Life Insurance Company when Grange Member Policy Holders become separated from their subordinate Grange, so that succeeding premium notices would not be sent them.

Letter dated June 30, 1961 from Elmer McClure, Master Oregon State Grange, relative to Northwest Conference in Portland, September 29-30, 1961. Committee recommended that as date was so close to California State Grange Session that staff of various officers not attend, but that State Master Quinn, if possible, attend dedication ceremonies of the

new Oregon State Grange Building, to take place on October 1st, 1961.

Correspondence from Secretary of Clovis Grange #536 relative to self-addressed envelopes to be furnished by California State Grange was read. Committee recommended that the State Grange not at this time enter this field of action.

Letters dated June 21, 1961 and July 6, 1961 from Roy Battles, Assistant to the National Master, both relative to the 1961 Community Service Contest and future contests were read.

The condition of former grounds keeper, Mr. Raymond Beehler was discussed. State Master Quinn informed the Committee that under doctor's orders Mr. Beehler would no longer be able to resume his former duties. Mr. Beehler had requested a couple of weeks time in order to remove his personal effects from his living quarters. The State Master informed the Committee that Mr. Richard Welti of Sacramento had been caring for the grounds on a temporary basis the past three months. He presented a proposal that he would attend to the necessary duties of keeping the grounds of the State Grange and Wisteria Hall in order, would also take over the duties of janitorial work in both the State Headquarters Building and Wisteria Hall for a consideration of \$100.00 per month, with the living quarters formerly occupied by Mr. Beehler to accompany this reimbursement. Upon motion of Brother Piper, seconded by Brother Raines, the Committee recommended the State Master to accept the offer of Mr. Welti. Motion carried. Mr. Skirmantis, the present janitor for the interior of Wisteria Hall and the Headquarters Building would be duly notified.

Letter dated July 28, 1961 from Internal Revenue Service in Washington D. C. in answer to letter from the California State Grange Office in Sacramento under the date of March 30, 1959 was read. This outlined action of the Internal Revenue Service with respect to Roeding Grange #707 and their reports to the Bureau of Internal Revenue. The State Master was authorized to take whatever steps are necessary to reinstate Roeding Grange No. 707 to the same status as all the remaining subordinate Granges in California.

Sixteen Resolutions from various subordinate Granges and Pomona Granges were read to the Committee. The State Master was authorized to have them properly presented before the 1961 State Session in Sacramento.

No further business offered, upon motion of Brother Raines, seconded by Brother Piper and duly carried, the

meeting adjourned.

## **MINUTES OF THE CALIFORNIA STATE GRANGE EXECUTIVE COMMITTEE MEETING**

**September 5, 1961**

The Executive Committee of the California State Grange met in the office of the State Master, Brother J. B. Quinn, at 10:00 A.M., September 5, 1961. There were present Brother Lloyd V. Piper, Jackson C. Raines, and Merle Mensinger.

The Minutes of the previous Executive Committee meeting held on August 11, 1961 were read and approved.

The proposed advertisement of the Grange Mutual Life Company of Nampa, Idaho for insertion in the October 10th issue of The California Grange News was presented and the State Master was directed to amend the original copy to that approved by the Committee.

The review of salaries of personnel in the State Office was approved and the following salary adjustments were directed, on motion which carried after being moved by Brother Mensinger and seconded by Brother Raines;—Craig Hazelwood \$50.00 per month increase, Aileen Campbell, Secretary to State Master, \$25.00 per month increase. Increases of \$15.00 per month to the following employees of The California Grange News, — Marilyn Davis, Mrs. Walrath, and Mrs. Bowling.

The State Master advised the Committee that the present balance in the Grange Student Loan Fund was exhausted and three applications were on hand to be processed. Upon motion by Brother Piper, seconded by Brother Raines, the State Master was directed to process these loans from the General Fund and as the funds came to the Student Loan Fund, to replace the amounts withdrawn in the General Fund. Motion carried.

The matter of the group photograph at the State Convention was discussed, also the appointment of a song leader at the convention. The State Master was given authority to make suitable arrangements.

The matter of advance deposits on certain premiums in

the Workmen's Compensation Policy of the California State Grange with the Truck Insurance Exchange was discussed. Upon motion of Brother Piper, seconded by Brother Mensinger, the State Master was directed to inform the Truck Insurance Exchange that larger advance deposits would be asked of members whose annual policies were in large figures rather than the customary \$20.00 initial deposit on most of the policyholders. Motion carried.

The matter of a suitable camera for photographs of Grange activities by brother Grabow was discussed and on motion of Brother Raines, seconded by Brother Mensinger, the State Master was authorized to see that a suitable camera was purchased. Motion carried.

The wages of Mrs. Brown and Mrs. Goodman were discussed and the Executive Committee recommended an increase of 15c per hour for Mrs. Brown. It was further agreed though that these administrative day-to-day affairs of the State Office should be handled at the discretion of the State Master. Upon motion of Brother Mensinger, seconded by Brother Raines, this was formally placed before the Committee. Motion carried.

The State Master reviewed the advance plans for the coming State Convention in Sacramento.

Letter dated August 21, 1961, issued by C.P.S. to all Grange contract holders advising of adjustments in rates was presented to the Committee.

Letter from State Lecturer Emmett W. Ivey requesting sum of \$40.00 for extra lighting effects at Sacramento Memorial Auditorium at Lecturer's Conference on October 17th was approved.

Request for Membership List from Donald J. Gates, Oakland, California was denied.

The following Resolutions were presented to the Committee:

Geyserville Grange No. 321, dated August 30, 1961.  
San Diego County Pomona Grange No. 35.  
Butte County Pomona Grange No. 16.  
Garden Grove Grange No. 613.  
Ono Grange No. 445.  
Sonoma County Pomona Grange No. 1.

The State Master was directed to place them on the Agenda at the October, 1961 State Convention.

The premium notice for policies on the State Grange Headquarters Building, also Wisteria Hall were presented to the Committee. The State Master was directed to make inquiry as to the variations in the rates between the two buildings.

Upon motion of Brother Piper, seconded by Brother Mensinger, the meeting adjourned at 4:30 P.M.

## DEPUTY REPORTS

### Amador County

To the Officers and Members of The California State Grange:

#### GREETINGS:

I have held schools of instructions in my Granges on several occasions.

The Granges are in good financial condition.

Both Granges had Booth Exhibits in the County Fair. Ione Grange placed first.

I had the pleasure of installing the Officers of the El Dorado-Amador Pomona Grange and the Subordinate Granges in a Joint Installation. The Pomona Grange is very active.

The El Dorado-Amador Grange Credit Union is growing steadily.

Fraternally submitted,  
JOSIAH H. SAUNDERS, Deputy  
Amador County

### Antelope Valley

Greetings from the Members of the Antelope Valley Granges:

As we again approach the close of another Grange year, it is my pleasure to report to the delegate body of this 89th session of the California State Grange Convention the progress of the Granges in my district.

It has been a very pleasant, happy and interesting year. I am very proud of the Granges for the efforts shown in increasing their membership. They have won several awards for their activities and all have had a good attendance of members at their meetings.

We held our installation of officers in January at the Alpine Grange Hall, the work was put on by our Worthy State Deputy Jackson C. Raines, assisted by his wife Ann, who acted as Marshal. The highlight of this meeting was the presentation to Sister Paz Coover Lecturer of the Wild-

flower Grange, with a gold ribbon fifth place National Grange award for an outstanding booster night program.

A 1st and 2nd degree team was organized by the officers of the Yucca Grange (my home Grange). The degree was put on in March before fifty-one (51) candidates and I believe this to be the largest class ever to take the degrees in this area. It was put on again in August before 37 candidates. The 3rd and 4th degree was put on twice and the 5th degree was put on by our youth.

I had the pleasure of presenting to Sister Paz Coover, Lecturer of the Wildflower Grange with a blue ribbon 1st place State Grange award for an outstanding Booster night program and also a green ribbon was presented to Sister Leona Norblom, Lecturer of the Joshua Tree Grange, 4th place State Grange award for her Booster night program. The Joshua Tree Grange was given a gavel made of Popel Wood from the Kelly Farm in Minnesota. A Grange builder award for Community Activities. Certificates of Merit also given all secretary and home economics chairmen.

I have met with the Masters twice on Digest and Ritual work, had two meetings with the Lecturers and attended the Lecturer's meeting at the Joshua Tree Grange hall with the State Lecturer.

Three Granges, Joshua Tree, Yucca and Del Sur entered feature booths at the Antelope Valley Fair and enriched their treasures by over \$500.00. Some of the women had single entrees winning 1st, 2nd and 3rd places, the money won was turned over to their Granges.

Our Credit Union is growing stronger each month, Grange members are beginning to realize what a great thing the Credit Union is and are showing a great deal more interest in it. Business is good and getting heavy but the officers state they can stand more weight.

The women are all busy trying to find ways and means to raise money and so far have done a good job.

Yucca Grange is in the throes of building their own hall and have the frame work just about completed and ready for the stucco. All the women are planning to have a Thanksgiving dinner in it with installation coming early in the spring.

Our youth have been active helping every place they can. Some of them will take part in the 5th degree at the Convention.

In closing I want to thank the State Master, State Officers and all the members of the Antelope Valley Granges for the co-operation and the many courtesies extended me

and my wife. It has been a pleasure to serve you.

Fraternally submitted,

HARRY M. LEWIS

District Deputy

### Butte County

#### Worthy Master, Officers and Members of The California State Grange:

The Granges of Butte County have again carried on the Grange work to the best of their ability and have been able to maintain a steady membership in spite of the usual losses that pose a problem at times and at the June 30th report showed a gain of 54 members.

Seven of our twelve Subordinates entered Community Service and sent in their final reports. Three entered into the work of the County Fairs, and taking home some nice prize money, felt that their efforts were well rewarded.

Some of our Granges rent their halls to various organizations and some let 4-H clubs meet free of charge.

We continue to urge the formation of Youth Groups but only have two to date. The Wyandotte Youth Group is quite active, holding two meetings a month except during the summer and they do quite well with their projects, and buying new Regalia for our Grange. Six of them serve as Officers and I am using two in the Installations. They also serve on the Degree Team.

Pomona Grange has a membership of 796 and is very active meeting at each Subordinate once a year. At our next meeting in Durham Grange Hall the 5th Degree will be conferred. Pomona also presents a \$100.00 Scholarship to some deserving student each year, and also extends a helping hand to all our Granges.

The Home Economics Committee has also been very active and carried on many fine projects, which have added honor and enthusiasm to our Granges also helping to increase our membership.

I have visited all our Granges during the year, served on the Degree Teams, also have installed officers for three of our Subordinates and attended most booster night programs.

It has been our pleasure to have our State Master with us on several occasions during the past year, also Sister True, our H.E.C. State Chairman, and our State Secretary, Sister Williamson, met with us at Chico Grange Hall.

Fraternally submitted,

ERNEST E. RUSSELL, Deputy

**Colusa and Yolo Counties****Worthy Master, Officers and Members of the State Grange of California:**

In making an annual report for the 1960-61 year from Colusa and Yolo Counties, I wish I could have a more optimistic story to tell. However, conditions are about the same as one year ago. There has been a slight gain in membership and interest in Yolo County, for which I am thankful. However, this is offset, by a somewhat stagnant condition in Colusa County, where I have been disappointed with the results.

As I have said before, we have the problem of large land holdings and small population in this area, but, nevertheless our Granges should be in better condition and members should attend in better numbers. Williams Grange won first prize in the small booth division at the Colusa County Fair this year, with Colusa Grange taking second place in the large booth group. We were very happy with these results and were also extremely thrilled with Yolo County's truly outstanding booth in the large booth division at the Yolo County Fair, where they took first place for the second year in a row. This is our second year as deputy in Yolo County and we feel that members in this area are showing increased interest in Grange activity.

Many Yolo members have joined our Colusa County Pomona Grange and we are hoping to solidify this movement this year, and probably change the name of the Pomona group to the Colusa-Yolo Pomona Grange. Due to the close proximity to Sacramento and the GBO store and state headquarters we feel that many more Yolo County farmers should belong to the Grange.

For the second year in a row, Richard Dopkins of Arbuckle Grange has served on the National Grange Youth Committee. However, due to his busy college work at the University of California he was unable to devote the time that he did a year ago, when he traveled all over the country in his work on the National Committee.

We will hope for a better year ahead in both Colusa and Yolo Counties.

Fraternally submitted,  
MARSHALL DOPKINS, Deputy  
Colusa and Yolo Counties

**Contra Costa County****Worthy Master, Officers and Members of the California State Grange, We Extend Our Greetings From Contra Costa County:**

I had hoped to report that my two weak Granges had

improved but the situation is about the same. Clayton is doing better but Diablo Valley just barely exists, I was not able to continue my work in that territory because of illness but hope to resume my efforts to help get new members this fall when I hope to contact some prospective members.

I have visited all Granges several times during the year. I find that the Lecturers are presenting good programs and the attendance is good.

Three of our Granges entered booths at the County Fair. Martinez Grange winning first and Pleasant Hill Grange second in agricultural division, Danville won second in the feature booth. The Home Economic Clubs also entered booths and won top prizes.

The Pomona Home Economic Club sponsored another Dairy Dinner and it was a great success.

The Youth Groups in our Granges cooperate with their Granges and take part in degree teams.

The four degrees were exemplified four times this year. Martinez and Pleasant Hill are working together in putting on the degrees. Martinez Grange putting on the 1st and 4th and Pleasant Hill Grange the 2nd and 3rd. The attendance on degree nights is very good and I believe make a good impression on the candidates, and visitation between the Granges make the meetings more interesting and enjoyable.

Pomona exemplified the degree of Pomona in September.

The Granges in our County cooperate with the 4-H Clubs.

Pomona sponsors a 4-H group program of Guide Dogs for the Blind. There are several Grange members who are project leaders in 4-H. I am a leader in Electricity and my boy won top prize in the P. G. & E. contest, and he was awarded blue ribbon at County Fair.

I have reported at Grange meetings all information that I received from the Department of Agriculture that was of importance in our County. I also gave out posters and stickers on fire preventions that was sent to me from the Forest Division.

I had the Grange represented at meetings in our County on water and taxes.

I installed four Granges and just last month installed the Martinez Juvenile Grange, which was organized by me last April.

Our Credit Union is progressing and is of value to our members.

Fraternally submitted,  
MANUEL J. TREBINO, Deputy  
Contra Costa County

**Del Norte County****Worthy Master, Officers and Members:**

Community Service Participation 100 per cent.

I attend every meeting of Lake Earl and once each month at other two Granges. And each regular meeting of Pomona. Membership fairly stable, with new members offsetting the losses which in most cases are inactive members.

Fraternally submitted,

T. W. PENNELL, Deputy

**Fresno County****Worthy Master, Officers and Members of the California State Grange**

Greetings from the 14 Fresno County Granges:

As I was appointed late in June to replace Brother O. M. Davis who retired after 21 years of faithful service to the Grange, I have not yet been able to visit all the Granges but as Pomona Master I was in close contact with them throughout the year. Our Granges have kept quite active with most holding one meeting a month during summer months. However we have started back in full swing now.

All but one of the 14 Fresno Granges and three from Madera County took part in a Joint Installation of Officers in January at Riverdale Grange Hall. It was our honor to have the Worthy State Master as Installing Officer.

In April a County Dinner was held for all Fresno-Madera County Subordinate Granges. There was 110 in attendance.

A Master's and Secretary's Conference was held for all masters and secretaries in the County. Sister Williamson and Master Quinn did a wonderful job of explaining the duties of each respective office. Fifteen secretaries and 13 masters attended.

This year we had four Granges who celebrated 25 years of service to Grange and community. Central, James Ranch, Reedley, and Riverdale celebrated their 25th anniversary. Charter members received 25 year pins.

Central No. 626 and Coalinga Granges are the first two Fresno Granges to send \$1 per member to the National Department Retirement.

There are seven Granges who own their own hall — Easton, Fowler, James Ranch, Kerman, Clovis, Kingsburg and Roeding. These Grangers are noted for their dinners and other money raising affairs to help with their expenses. The most noted of these, the Kingsburg Smorgasbord held every year and serving over 1000.

September 5 the Fresno County Grange had the honor of giving the 5th Degree to 24 new members in the Kerman Grange Hall. At this time Brother O. M. Davis was presented his past deputy's pin. There were 120 in attendance. The attendance of the Fresno County Pomona meetings has been well above average the past year and am in hopes this continues.

In the June report Fresno County showed a loss of 63 members with three Granges showing a gain—Selma, Kerman and Reedley Granges. Since then Fresno County Granges have taken in new members and I am looking forward to making a prosperous report in December.

The cooperation of Subordinate Granges has been most commendable, with the Fowler Grange Drill Team traveling to Reedley to give the 3rd and 4th Degree work.

Our Fresno Federal Grange Credit Union continues to be one of the finest in service. It has 1589 members with assets of \$1,300,000. Beginning twenty years ago with a meager \$45 the Fresno Federal Grangers Credit Union has loaned over eight million dollars to its membership.

With good fellowship and hope for a good year to all.

Fraternally submitted,  
WALTER E. LEE  
Fresno County Deputy

#### **Southern Humboldt County**

**Worthy Master, Officers and Members of the California State Grange, Greetings:**

I have visited the Granges whenever possible and attend Pomona meetings. The attendance at the meetings has been rather slow during vacation time but am sure they will pick up now during the fall. Some of the Grangers are taking in quite a few members.

Our Worthy State Master, Brother Quinn, and Sister Quinn installed officers of various Granges in my district.

Some Granges took part in the County Fair and won prizes.

Most Granges are very busy with money making activities and have had some very good Booster Night programs which puts life into the Grange.

Fraternally submitted,  
FLOYD DAVIS  
District Deputy

#### **Northern Humboldt County**

**To the Officers and Members of the California State Grange:**

During the past year Northern Humboldt County Granges have participated in an active Grange building program of Community Service. Those Granges participating have contributed greatly to the benefit of their respective communities in having won merit wards for their efforts.

The Youth Committees in my district have been very active; participating in and being hosts during the Summer Youth Conference at Humboldt State College in July. Scholarships have been awarded to two members of the Youth Committee, for which we can thank the Pomona Home Economics Committee.

The Freshwater degree team and Youth Committee degree team have been very active in conferring degrees on invitation from several Granges.

I have visited each Grange in my district several times this year and can see progress being made in numerous phases.

I would like to take this opportunity to thank the State Officers who have helped install new officers and for all their help in promoting Grange activity in my district.

Fraternally,

H. R. "BUCK" JONES

#### **Kern County**

We in Kern County have been striving to hold our own. It seems as if the farms become larger. The number of small farmers who were either potential Grange members or are now Grange members decreases. What hurts us the most is that very few of the youngsters raised on those average size farms stay in agriculture but leave the farms for other lines of employment.

This year in Kern County we had a very bad heat wave in June which did a lot of damage to the grapes and all of the fruit crops.

The potatoes went overboard on acres planted this year causing a severe loss to a good many growers.

Alfalfa hay is a very high producing crop in Kern County but the price was very poor, in some cases the cost of production exceeded the income from the hay produced.

Cotton is very good this year, the crop is normal and the price is very good.

Dairymen are having a very hard time. A good many dairies were sold out when Meadow Gold discontinued contracting milk from local producers.

These are the major crops but there are milo, field corn, sweet corn, watermelons, cantaloupes and numerous other specialty crops.

We were quite active this spring working with the Tax Payers Association, inspecting the amount of money each County department would apply for at the budget hearings before the Board of Supervisors.

We opposed the formation of a County-Wide Water Agency in Kern County for these reasons: 1. Taxing all of Kern County when the major portion of the county cannot receive any Feather River water. Some of this portion would receive only indirect benefit, the rest would not receive any benefit. 2. Taxing water districts that are now receiving Federal water. 3. And also we, the tax payers, may find ourselves subsidizing the water for large corporate land holdings through taxation, and, 4. The right of eminent domain.

We have a very active Credit Union. Sister Sylvia Sperry is Treasurer and by virtue of her office, general manager. Credit Unions are growing all over the world. Ours is growing steadily and members are realizing the great service the Credit Union can give them.

All of our Granges are active in community work, such as supporting a County-wide Junior Livestock Show for the benefit of Junior Farmers, 4-H Clubs and Future Farmers who were unable to show at the Kern County Fair in June. This show was held September 28, 29 and 30th and was a very good show. I was honored by serving on the Board of Directors.

The Granges of Kern County have supported the restoration of the Beale Memorial Clock Tower which stood at the intersection of 17th Street and Chester Avenue from 1903 until 1952 when it was ruined by the earthquake. It will now be rebuilt at the Kern County Pioneer Village.

Pomona Grange sponsors a Junior Baseball Team. This year it was composed of youngsters ten and twelve years of age and supervised by Brother Herb Rowe.

Numerous other projects by each individual Subordinate Grange in their own communities, such as having turkey Christmas dinner with presents and Santa Claus for forty or more underprivileged children from one school district. This has been a yearly affair for the past seven years.

Altogether the Granges of Kern County are quite active but as I report we are having quite a struggle to find new members eligible to take as members.

Fraternally submitted,  
PETER T. RODRIQUEZ  
Deputy

**Kings County**

**Worthy Master, Officers and Members of the California State Grange, Greetings:**

Again it is my pleasure to report to the California State Grange, our Granges are doing a good job, and again had the pleasure to have our State Master install our officers.

We have a fine Degree Team in our county and they conferred the four degrees last spring, and Pomona conferred the 5th Degree. Our Youth Committee had an important part in all degrees.

The first Sunday in May we had our go to Church breakfast, and in June we had our annual John Ellenberg Hamburger Fry with the State Master and many of our State Officers, attending, also our Past Master and Mrs. George E. Sehlmeier.

Our 4th of July picnic at Burrs Park, a very good time.

The Riverbend Grange had a booth at the County Fair, the theme "Golden Peach is King at Riverbend." They took first place.

Our Home Economic are doing a good job, and we have the honor to have the Home Economic Chairman for District 9 from our County, Sister Workman.

We also have a member on our Fair Board, and a member on the planning committee.

Also a member on the National Cotton Counsel.

JOHN I. ELLBERG

Deputy, Kings County

**Lake County**

**Worthy State Master, Worthy State Officers, Brothers and Sisters, Greetings:**

Like most of the state, our greatest need is water, and I think that Lake County is beginning to realize that the place to conserve it is at the source, where it falls. They are building one dam here, in Lake County, and are talking about other dams, so we may be able to hold back some of our water that we get from the winter rains. These dams would not only benefit the farmer, but would also create new sources of revenue from recreation.

We are noted for our pears in Lake County and so far, have been fortunate that the Pear Decline disease has not hit us hard, which we are thankful for.

The Granges in Lake County are always doing things for the communities in which they are situated. Both Clearlake Grange No. 80 and Konocti Grange No. 755 prepare breakfast for blood donors, when the blood bank mobile unit is in their areas.

Eastlake Grange No. 727 is doing a good job improving their building. It will take time and a lot of hard work but they are progressing gradually, which is the main point in their favor.

Bachelor Valley Grange No. 667 is still working hard to pay off their mortgage. They serve a dinner on the second Tuesday of every month. The women do a lot of fancy work as well as making quilts to give to needy families. The fancy work brings in some of the money needed for their hall.

Kelseyville Grange No. 778 does not have their own hall, but they are working toward that goal. Their money raising project is a game night each month, for which they charge a dollar, including refreshments. They have been doing this for several years and the evenings are always well attended.

Scotts Valley Grange No. 725 had their hall dedicated on September 24, 1961. I am very proud of them for the way they did the dedication ceremonial work. They lost their Master this year by death and the members seemed to be more determined than ever to finish the hall and have it dedicated. They are a very small group but hard workers. They are a Grange that has to struggle for their very existence because their location is sort of isolated and what they do comes mostly from their own pockets.

Guenoc Grange No. 373 has managed to hold its own this year. We have taken in quite a few new members but we've lost some also. Our members did some good work helping to get our Town park into shape for use this summer. This is the Centennial Year for Lake County and all of our Granges have taken part in the various activities to commemorate this historic event. This is a resort community, with our mountains and Clearlake both a drawing card. Many of our Grangers are involved in seasonal work so each year we gain a few and lose a few of these people. So we all have our trials and tribulations.

We have to look to the future, ever hoping that time will be in our favor.

Fraternally submitted,  
JAMES TRUE  
Deputy for Lake County

#### Los Angeles County

Worthy Master, Officers and Members of the California State Grange, Greetings:

In making my report for 1961 for Los Angeles County and San Fernando Valley, I certainly feel that a lion's

share of the progress we have enjoyed must go to two very outstanding Pomona Masters and the Subordinate Masters within their respective jurisdictions — Brother Rice of Los Angeles County and Brother Van Horn of San Fernando Valley have worked as an outstanding team, proving their abilities to overcome difficulties and thus advance and improve the ritualistic and Fraternal atmosphere of our order.

I could mention many individual Grangers who have been unselfish with their time and efforts, but at this time I feel that I must mention Sister Rhoda Keefer, a Granger who should be an inspiration for all Grangers young and old. She is 84 years young and takes the Master's part in the 1st and 2nd Degree Team and does her part so well that it is the envy of all.

We have had two schools of instruction, one in Los Angeles County, and one in San Fernando Valley and both were well attended. Our Statewide Representative, Brother Jack Raines was the instructor and did outstanding work.

The Granges in the Los Angeles area participated in the Los Angeles County Fair and won prizes exceeding \$1,500.00; entered the Community Service Contest; exemplified all of the Degrees several times, and added many members to the existing "Death Benefit."

The San Fernando Valley Granges have also participated in all the Degree Work, held flower shows, rummage sales and many other events too numerous to mention.

Our hats are off to the several Home Economics Chairmen, whose untiring efforts have contributed so much to the welfare of our Grange and I want to wish Brother Quinn and the California State Grange every success for 1962 and a hearty thank you for your kind support.

Fraternally submitted,  
KENNETH C. GREENE  
Los Angeles County and  
San Fernando Valley

#### **Madera County**

**Worthy Master, Officers and Members of the State Grange, Greetings:**

It is with much pleasure that I again report for our Granges in Madera County. Also looking forward to meeting again with other deputies and State Officers and hearing all the wonderful reports of our State.

Our Granges are increasing their memberships. We lose a few, but we always make a gain. We had our joint installation with our neighboring Fresno County Subordin-

ates and Pomona at Riverdale in January. Installed six of the officers of our new Chowchilla Grange. We were very fortunate in having our Worthy State Master, Brother Quinn do the installing, which was a very beautiful and impressive installation. Our installations have been put on Sunday afternoon, because of our fog in the valley. It also brings out more members.

Madera Grange was host to the Master's and Secretary's meeting. Our State Master, Brother Quinn and Sister Quinn and State Secretary Clara Williamson attended. The attendance was very good and the meeting was very educational to both Masters and Secretaries. This included Fresno County Subordinate and Pomona Grange, Deputy Brother O. M. Davis and Sister Davis were also present at this meeting. Brother Davis was presented with a Past Deputy's badge at this meeting.

Our Granges with the help of our Madera Home Economics Committees have had quite a few projects. The Home Economics Committee always remembers the ladies at the old people's home on Christmas and Mother's Day with gifts and flowers.

Dixieland and Berenda Granges gave a party for their graduating class of their school district. The young people have parties and dances at their hall.

Annual chicken and spaghetti and jitney dinners, pastry sales and rummage sales. Projects to raise money. Money was raised for the National debt by having a jitney dinner.

We held our annual barbeque picnic. Exchange of Lecturer's programs with Dixieland and Berenda Granges.

Madera conferred 1st and 2nd degrees, 3rd and 4th degrees jointly with Dixieland and Berenda Grange. A large group went to Kerman for their 5th degree.

It has been a pleasure and honor to serve you from Madera County.

Madera Grange gave \$20 for Future Farmers for trip to convention.

Fraternally submitted,  
JACK G. GOERINGER  
District Deputy

#### **Mendocino County**

**Worthy Master, Officers and Delegates of the California State Grange:**

Greetings from Mendocino County:

It is a pleasure to report the activities of the Granges of Mendocino County. This being my first report, hope it will meet the approval of all it may concern.

We have 10 Subordinate Granges, of which all cooperated with the Pomona Grange in being host to the 88th Annual Session of the California State Grange Convention which was held in Ukiah. This being the first undertaking of this kind, we feel it was a success only through such cooperation as was shown by the members of the Subordinate Granges. We also had excellent cooperation from our neighboring Lake County, Sonoma County, Humboldt County Pomona Granges, Penngrove Grange No. 740 Sonoma County, Freshwater Grange No. 499 Humboldt County and Clear Lake Grange No. 680 Lake County.

Our membership for the year showed a loss, as a large number of our members were industrial workers and due to the recession last winter and spring some were forced to leave in search of work elsewhere.

We organized a Juvenile Grange at Comptche and re-organized one Juvenile Grange at Potter Valley.

Eight of the Granges have given or pledged to give 100 per cent to the National Grange Building Retirement Fund.

The Little Lake Grange is in the process of building their own hall, this leaving only one Grange in the county not having a hall.

All the Granges are in good financial condition, except Little Lake, which as was mentioned, are building their hall.

Much interest was shown by the Granges in both fairs held this year with Ukiah winning the Blue Ribbon at the Twelfth District Fair and Potter Valley winning the Blue Ribbon at Mendocino County Fair and Apple Show at Boonville.

The Community Service Program was responded to by most of the Granges and a lot of interest has been shown in the program for the year.

The Ponoma Grange has conferred the Fifth Degree each Quarter of the year and also has Degree Teams for the First, Second, Third and Fourth Degrees. These Degree Teams have been very active of late and hope they will continue for some time to come.

Booster Nights have been held by several with great interest shown in all, and new members have resulted from each of the meetings.

The Home Economic Committees in the County have been very active in having dinners and bazaars, giving the proceeds to their respective Granges for improvements to their halls.

All officers are showing a real interest in the ritual and floor work, seeing that no time is lost in useless labor.

The Mendocino County Grange Credit Union continues to grow.

Fraternally submitted,  
HUGH GRAHAM, District Deputy

### Merced County

#### Worthy Master:

Another year has past, and I am pleased to report I feel Merced County has completed another successful year. We may have ended up a few members short of our membership goal but I feel we are much stronger in accomplishments and fraternity.

Our Home Economics ladies are still very hard at work.

The Merced County Grangers Credit Union is still in great demand and doing a real service.

The four degrees have been put on at various Granges throughout the County during this past year.

I wish to congratulate you on a most successful year.

Thank you again for the privilege of serving as your Deputy to Merced County.

I am Fraternaly,  
WM. F. PETERSEN

### Mojave Valley

To the Officers and Members of the California State Grange:

#### GREETINGS:

The Mojave Valley Pomona jurisdiction with its seven Subordinate Granges is carrying on about as usual. All are quite active. There has been no gain, but all are becoming aware of the need to do something about it.

All our Granges have participated in The County Fair, either in displays, or the operation of food booths.

We have active membership in the Credit Union, C.P.S. and The Grange Insurance, etc.

A determined effort is being made to keep our Youth Group interested, and to extend it to the other Granges.

We expect to do our part to make the succeeding years successful.

Fraternally submitted,  
HENRY A. JOHNSON

### Modoc County

To the Officers and Members of The California State Grange:

#### GREETINGS:

It is again a pleasure to represent Modoc County at the

Sacramento Convention of the State Grange.

Many changes are taking place in our County. Large land owners coming in and buying up small ranches.

This causes loss of membership.

Our Grange has taken part in community projects. Our Credit Union is growing and helping to take care of the needs of their members. I hope your stay in Sacramento will be a pleasant one.

DAN CASEY

### **Napa County**

**Worthy Master, Officers and Members of the California State Grange:**

**GREETINGS:**

It is our pleasure to report that all Granges in Napa County are in good financial condition and holding meetings regularly with good attendance.

Again as in former years the Subordinate Granges actively supported the County and District Fairs, entering very attractive agricultural booths in same.

The Home Economics Committees of all Granges met regularly and assisted their respective Granges by their various activities throughout the year.

Pomona Grange Home Economics Committee held its usual Friendship night inviting Grange Members and their friends to an evening of entertainment and refreshments. A large crowd was in attendance and we were honored to have our State Master, Brother J. B. Quinn and his wife present.

Again this year we were honored by a request from Napa County Pomona Grange to install the Officers of the five Granges of Napa County in a joint installation held in January at Rutherford Grange Hall.

The Napa County Granger's Credit Union continues to grow and to furnish a very useful service to the Grange members of Napa County. Its assets are now well over \$400,000.

Fraternally submitted,  
ALLEN LINDEBECK  
District Deputy

### **Orange County**

**Worthy Master, Officers and Members of the California State Grange:**

**GREETINGS:**

Our Granges in Orange County Pomona jurisdiction have had a good year. We have eight Subordinate Granges.

Four of our Granges entered Orange County Fair in July, with agricultural exhibits, winning two first prizes in two separate size classifications, and one third and one fourth prize.

We have a very active Credit Union, a real help to our members when it is needed, and from all indications the depositors will receive a good interest rate this year. Our Granges are in good financial condition, one having just burned a sizable mortgage on their parking lot, having paid this off in four years.

All our Subordinate Granges have supported the National Grange Building retirement fund. Several Granges sponsor FFA groups, one sponsors two Little League baseball groups.

We have 208 members in the Orange County Grange Death Benefit Association. So far this year we have lost five members, paying out the sum of \$1,052.

Orange County has two Fishermen Granges, Newport Harbor and Los Angeles Harbor Area. Two very active members of these Granges are Sister Florence McDougall and Sister Nellie Gillette who both work very hard on fishing legislation in our State Capitol. Another member of Los Angeles Harbor Area Grange, David Crittenden, won first place in the California State Grange Youth highway essay. He is now a member of the Armed Forces.

Last, but not least, all our Home Economics Clubs have accomplished a great deal in their respective Granges in community service projects, especially in hospital work, Red Cross activities, aid to individual needy families, and many more worthy causes too numerous to mention in this brief report. In September at our 85th District meeting in Garden Grove, we were honored with the presence of State Home Economics Chairmen Gladys True, Sister Quinn, our State Master's wife, and other State Grange dignitaries.

Being new as a deputy, I have visited all Granges quite often and have tried to help whenever necessary.

Fraternally submitted,  
WILLIAM A. BOOTH  
District Deputy

#### **Placer-Nevada Counties**

**Worthy Masters, Officers and members of the California State Grange: Greetings:**

As your district deputy of Placer and Nevada Counties it is again my pleasure to report we have nine Subordinate Granges and the Pomona in our district. All are in good condition and I am happy to report a gain in membership.

I have visited each Grange in my district at least once and some of them several times.

Placer Nugget Pomona 29 has held regular meetings with fair attendance. In April we held a rummage sale to raise money for our annual project, which is giving one hundred dollars (\$100) to our outstanding Future Farmers of America (F.F.A.) boy and Future Homemaker of America (F.H.A.) girl. September 16, we sponsored a Grange day dinner at the Auburn Fair. State Master Quinn and wife were special guests.

Loomis Grange is very active again this year. They sponsor Senior Citizen's Club, 4-H Club and give to needy families. They purchased a graduating outfit for a girl who was unable to buy it herself. They put on an Easter Sunrise Breakfast, the proceeds going to the crippled children's fund. They won prizes on their booths at the Roseville and Auburn Fairs and cleared a good sum on their hamburger stands.

Gold Hill Grange has had fair attendance this year. We have given books to the Lincoln High School library; donated to Meals for Millions, Student Loan Fund and Convention Fund. We are now busy painting our dining room.

Mt. Vernon Grange sponsors a blood bank and death benefit club. The Grange, Home Economics Club, Juvenile Grange all won prizes on their booths at the fair. They are limited in their activities at the hall because the Auburn School has the hall rented for classes again this year.

Long Valley Grange has had good attendance this year. Their booth at the fair took second prize. Several ladies go to DeWitt Hospital once a month and prepare articles for the patients to work on. They have a very active youth group this year. Dr. Fiedler was a special guest the evening the Youth Committee was organized.

Meadow Vista Grange is very active. They sponsor Easter Sunrise Service, Community Service, Little League Baseball Team, Garden Contest, Community Church and a Death Benefit Club. This year they are striving to become an honor Grange. They won prizes at the Auburn Fair again this year.

Placer Foothill Grange has not been very active this year due to small attendance.

Sierra Nevada Grange is quite active. They sponsor March of Dimes Drive, Blood Bank, help all needy families in Community and are quite busy raising money to build their new hall.

Banner Grange has good attendance. They celebrated their twenty-fifth anniversary this year by having a turkey

dinner and honoring their twenty five year members. They had a very successful card party with the proceeds going to the Polio Fund. They also help several needy families. They helped a family who lost everything by fire. Also they are very active in community work.

Rough and Ready Grange have several community projects in which all members take an active part. Each meeting they have a speaker on vital issues. They also entered the community service contest. They have had parties, rummage sales, and dinners to raise money. They have helped two families who were burned out.

All Home Economic Clubs are very active. They put on dinners and card parties to raise money for delegate fund, meals for millions, and scholarship funds. They also donate time and cookies for the blood bank.

Our Credit Union is going along nicely and has gained in financial assets again this year. We also have several new members. We have almost reached the \$300,000.00 mark at this time.

Meadow Vista and Mt. Vernon Juvenile Granges are both very active. Both Juvenile Granges entered booths at the State Fair and the Auburn Fair and won high awards.

I am now in the process of organizing a Juvenile Grange at Loomis. I have been holding meetings since July and at the last meeting, September 16, 1961, ten members signed up and on September 23, several more said they would sign up so I expect to close the charter at that date.

Fraternally submitted,

ELDON B. GAGE

District Deputy

#### Plumas County

**Worthy Master, Officers and Members of the California State Grange:**

I take pleasure in reporting a satisfactory condition for all Granges in Plumas County. All Granges have had a small increase in membership since last year.

Feather River Grange has nearly completed their new kitchen which greatly improves their facilities.

Indian Valley Grange and Sierra Valley Grange have sent their contribution of \$1.00 per member for payment on the National Grange building in Washington, D. C.

All Granges have aided 4-H Clubs in their respective areas.

All Subordinate Granges entered booths at the Plumas County Fair. First place went to the Sierra Valley Grange. Pomona sponsored the rest area.

Sierra Valley Grange was host for the District 6 H.E.C. meeting on September 30. About 120 members attended.

Brother and Sister Sam Bonta were local hosts for two agricultural specialists from India. Other Grange families were hosts for I.F.Y.E. people this year.

Severe drought has plagued our ranches for the third year and serious consequences will no doubt result if the dry weather continues.

Respectfully submitted,  
BRUCE MILES  
Plumas County Deputy

#### Riverside County

#### Worthy Master, State Officers and Members of the California State Grange: Greetings:

It is a pleasure to make this report on the Granges of Riverside County. The year began with almost losing one Subordinate Grange, but closed with gaining a new Grange, Highgrove Grange No. 804. This Grange was organized and the officers installed in July by Jackson C. Raines. We now have 14 Subordinate, one Juvenile and one Pomona Grange in this County.

I have visited all Granges (or the members) of my District and find them all working and in sound financial condition.

The Degrees have all been exemplified throughout the area.

The Pomona Grange sponsors a \$250 Agricultural Scholarship award each year. The Nuevo-Lakeview Subordinate also sponsors a Scholarship Award.

Pomona Grange, Nuevo-Lakeview, Cherry Valley, Mission and Twin Butte Granges all sponsored agricultural exhibits at the Hemet Farmers Fair. Cherry Valley Grange exhibited at the Riverside County Fair at Indio, and Mission Grange had a booth at the Los Angeles County Fair.

I believe that the most outstanding Grange in Riverside County, also the State of California, is the Nuevo-Lakeview Grange. With 21 projects entered in the Community Service Contest, they placed in the top ten of the Nation. This is the second time that this small Grange, 67 members, have placed in the top ten of the National Community Service Contest. The first time was in 1957.

I have had wonderful cooperation from everyone during this year. It has been a real honor and a great pleasure to serve our Grange in this way. If I have been able to assist anyone during the year to better understand the

Grange and its ideals the time I have spent has certainly been worthwhile.

Fraternally submitted,  
HARLEIGH GALLUP  
District Deputy Riverside County

### **Sacramento County**

#### **1961 Sacramento County Deputy Report to California State Grange:**

Worthy Master, Officers, Delegates and visitors, on behalf of the members of Sacramento County, we welcome you to this 89th session of the California State Grange.

It is again my privilege to report the progress of the Granges in this district.

The members of this county have been very busy working on projects too numerous to mention in this report. Of the net financial proceeds from these projects, 34 per cent has been donated to charity and the betterment of their communities.

Two Granges have entered the Community Service Contest. Three Subordinates and Pomona Granges arranged agricultural display booths at the County Spring Festival.

Sacramento County Pomona Grange No. 2 has again supervised a food booth at both the Spring Festival and State Fair, with the eight Subordinate Granges of the county assisting with each receiving their equal share of the net profits.

The Grange Day luncheon, which was served to more than 800 Grange members at the California State Fair, was served by Pomona and Subordinate members, with the net proceeds being given to one of our Subordinates to aid their building fund that they may erect a hall of their own.

Two of our Subordinate Granges have improved their halls this year. One improved the exterior of their hall by applying asbestos siding and another Grange applied acoustic ceiling and installed new lighting fixtures in their building.

Two Subordinate Granges have sponsored ball teams. One purchased uniforms for a Pony League team and one contributed funds for a Little League team and another furnished the funds for a Scout Troop and donated the use of their hall for Scout meetings.

Sacramento Juvenile Grange No. 150 displayed many interesting items at the State Fair and received many blue ribbons, also received second and third prizes. This display attracted many children and parents as well.

The ladies of the Home Economic Committees and also

the Brothers have worked diligently completing the projects of the year.

All Granges have donated to the Sacramento County Society for Crippled Children, also for Meals for Millions. Most of our Granges have given their portion to the National Building retirement debt.

All four degrees have been conferred to candidates in this county and in other counties. The fifth degree has been conferred twice in this county with large classes at each degree.

One of the Subordinate Granges in our county through the perseverance of its Worthy Lecturer and her committee had the pleasure and honor of entertaining the Worthy State Grange Officers on the 88th anniversary of the California State Grange.

The Sacramento County Grange Federal Credit Union has made gains in membership and assisted many members with financial problems.

I have visited all the Granges in my district and have found them solvent and in good condition.

Hoping for a prosperous and successful 1961 convention, I am

Fraternally yours,  
PERCY R. SIMONS  
Deputy of Sacramento County

#### **San Bernardino County**

**Worthy State Master, Officers and delegates of California State Grange:**

Again it is my pleasure as Deputy and Master of Pomona Grange No. 32 to bring you greetings from San Bernardino County.

During the past year we have attended all Pomona meetings as well as most Subordinate meetings in our area and also in surrounding areas. Again, although we have secured many new members, both in Subordinate and Pomona, we show a slight net loss for the fiscal year of the State Grange, due of course to inroads of the grim reaper, migration of population and, I will have to admit, general apathy and lack of interest.

I had the pleasure of installing the 1961 officers of Hemet-San Jacinto Grange as well as various other Officers from time to time. Most of our Subordinate Granges participated in the Community Service Contest program and we feel our efforts at Community Service were very successful.

Our San Bernardino County Pomona "feature booth"

entered at the County Fair in Victorville, placed Second.

We have attended several schools of instruction and feel that our Granges are all making a conscious effort and are well on the way to standardization and perfection of ritualistic work. We contrive to confer Degree work for all candidates in both Subordinate and Pomona Granges. All of our members are encouraged to visit other Granges from time to time. Not all members are active due principally to reasons of health but it has been stated, and rightly so, that the "active members are very active."

We consider it a privilege and a pleasure to serve you.

ULYUSS S. ROSE

Deputy of San Bernardino County

### **San Joaquin and Calaveras Counties**

**Worthy Master, Officers and Members of the California State Grange: Greetings from San Joaquin and Calaveras Counties:**

1961 has seen the Granges of San Joaquin and Calaveras Counties complete many worthwhile projects. Our Pomona Grange won a blue ribbon for their booth at the County Fair, while Ripon, Calaveras and Woodbridge Granges received high awards for their booths in other fairs.

Ripon dedicated their new hall in March of this year and retired the debt in October, for which I am very proud to report. A fine accomplishment for Ripon for the year.

A youth from Calaveras Grange was chosen this year as recipient of a heifer calf of the Shorthorn Project through the Youth Group.

I had very good attendance at the county-wide officers' conference at the first of the year. I hope it was beneficial to the officers.

We have lost several members through death, which are going to be greatly missed in their respective Granges.

I believe our membership is still holding its own.

Fraternally submitted,

ELMO O. WARD

District Deputy

### **Santa Clara County**

**Worthy Master, Officers and Members of California State Grange, Greetings from Santa Clara County:**

Seems like just yesterday that we met in Ukiah, but another year has gone by.

We of Santa Clara County feel it has been a successful Grange year, bountiful crops and many Grange activities.

We held joint public installations with Pomona and our

twelve Subordinate Granges at our County Fair Grounds, put on by Officers of our own Granges.

Again this year at our Santa Clara County Fair, Pomona, ten subordinates, our Youth Group and the Home Economics Committee entered exhibit booths and qualified for ribbons and cash prizes.

Santa Clara County Grange members give tribute to the ladies of the Home Economics Committee, Sister Martha Fenski, Pomona Chairman, and her twelve sub-chairmen, for their efforts in making the year's activities profitable and successful. Sister Fenski has been very helpful in assisting me in my work the past year. One of our first events was a Swiss steak dinner put on by the H.E.C. which netted a profit of \$92.00 each to San Jose Grange and Sunnyside Grange. Next event was the Strawberry Booth at the Fair with Pomona and our twelve Subordinate Granges each receiving \$364.34 for their 8 hours work in the booth. The H.E.C. has continued their activities with the Agnew State Hospital and Community Service.

I believe the most outstanding event of the year was when we presented a 30 year Past Pomona Secretary pin to our Sister Jessie McChesney. Presentation was made by State Secretary Clara Williamson. And a 20 year Past Pomona Pianist pin was presented to Sister Myrtle Abbott. This presentation being made by our State Pianist Brother William Campbell using the theme "This Is Your Life in Music." State Master J. Blaine Quinn and Sister Quinn, Past State Master George Sehlmeier and Sister Sehlmeier, seven other State Officers and their wives and District Deputies, Pomona Masters, Subordinate Masters and their wives from adjoining counties, were our guests at the dinner preceding the presentations.

The Pomona Youth Group is increasing in membership and took part in both the Cal Poly College and Humboldt College conferences.

We have at present time three active third and fourth degree teams conferring all degrees in full form.

The Santa Clara County Subordinate Granges were 100 per cent enrolled in Community Service this year.

Our Credit Union is progressing daily under the capable leadership of its officers.

Santa Clara County Granges have to date contributed \$750.25 to the National Debt Retirement Fund.

Again Pomona gave a \$100.00 scholarship and some of the Subordinate Granges have given to scholarship funds.

I feel sure that the Granges of Santa Clara County in

the coming year are going to put forth a great effort to increase our membership to a new high. Our losses this past year were due to the raise of the per capita tax which necessitated the dropping of many delinquent members.

During this year Sister Ruby and I have had the pleasure of attending many Grange affairs outside our county and we wish to express our sincere thanks to these adjoining counties for their gracious hospitality and kind favors.

I would like to thank the Masters, Officers and members of Santa Clara County for their fine cooperation and many nice favors extended to Sister Ruby and me during the past year and wish them a Prosperous 1962.

To the State Master and Officers of the California State Grange, I wish to thank you for your help and guidance at the two Deputies Conferences, and wish for you a harmonious and constructive 89th State Convention in Sacramento and a Prosperous 1962.

Fraternally submitted,  
JOHN W. BUCK  
District Deputy

#### **Santa Cruz County**

**Worthy Master, Officers and Members of the California State Grange:**

#### **GREETINGS:**

It is my pleasure to report to you on the Grange activities of Santa Cruz County.

I had the privilege of installing all the officers of the county at a joint installation last January.

We held an officers conference soon after Installation and were fortunate to have had the Worthy State Master and State Secretary present to instruct the Officers in their duties, I believe much knowledge was gained regarding the Officers responsibilities.

The Granges in the County are all working to maintain and increase their membership.

Some of the Granges entered the Community Service Contest and one sponsored a community clean up program last Spring, also repaired and improved their barbecue pit and picnic area. Another Grange won second prize on their booth at the County Fair. Turkey dinners are given each month by another Grange which are very well attended and their Youth Group are sponsoring a Ham Dinner and Youth Dance each month and are giving most of the profit to the Grange to apply on the building debt. The "He Man Breakfasts," are still being put on by one of the Granges

and are a huge success, they also have a First and Second Degree Team which has exemplified the Degrees several times in the County this year. Another Grange has had various fund raising projects and have ear marked several hundred dollars for a building fund.

The Pomona Grange attendance and membership have increased considerable this year, they have sponsored two Barbecue Chicken Dinners and have had two Card Parties in conjunction with the Pomona Home Economics Committee to raise money for a Student Loan Fund, they now have about four hundred dollars in this fund.

The Pomona Grange has conferred the Degree work twice this year, the work being exemplified by the Pomona Officers.

We are in the process of organizing a Grange Credit in Santa Cruz County.

The Home Economics Committees have been actively engaged in various projects in the best interest of their Grange and communities.

The Booster Nights at each Grange were very well attended and several non-members were present.

I have visited each Grange several times during the year and have tried to be of assistance wherever or whenever possible.

Wishing you a successful Convention and a prosperous Grange year.

Fraternally submitted,  
RUSSELL SPAIN, District Deputy  
Santa Cruz County

#### **Siskiyou County**

**Worthy State Master, Officers, Delegates and Members  
of California State Grange:**

Greetings from the "Top of the State!"

It is my pleasure, as Deputy, to report on the Grange activities and Grange growth in Siskiyou County.

In this large County, with eight Subordinate Granges, many of them located in mountainous, isolated areas, we find all of the Granges active and moving forward. They are taking a vital interest in County, State and National affairs. At the close of the Grange year, Siskiyou County, placed third in membership growth in the State. This increase in membership continues.

Nearly every Subordinate Grange, as well as Pomona Grange, entered a Booth at one of the Siskiyou County Fairs, held in Yreka and Tulelake. Each Grange taking a good prize.

Mount Bolivar Grange, with a very small membership, took first place, with an outstanding Booth in the Siskiyou County Fair. They entered the Community Service contest and played an important part in their community.

Gazelle Grange is doing a lot for the community. They sponsor many important activities in their fine hall. They are of great service for the youth organizations in that area. This year they served dinners again, at Winema Hall to hundreds of Fair goers, throughout the duration of the Fair.

Scott Valley Grange entered the Community Service contest and will receive an award at this State Grange Convention. They have completed many outstanding projects. They also sponsor 4-H Clubs, and active and growing steadily in membership. They have remodeled their Hall, which they own.

Greenhorn Grange is active and growing in membership. About 16 young couples were initiated in May. Many of them are becoming active workers in the Grange. Baby Sitters are provided at the Hall on meeting nights in order to encourage the young parents to attend.

Greenhorn Grange has two Degree Teams and have travelled to other Granges to exemplify the Degree Work.

An Installing Staff ably assists me in the Grange Installations, throughout the County.

A roadside rest area has been completed near the Grange Hall and is now being used by many motorists.

Tulelake and Dorris Granges hold regular meetings and are very active in their respective towns.

A new H. E. Committee was organized in Dorris and is proving to be a great help to that Grange.

Tulelake Grange was host at a meeting, with State Grange Master Quinn and Sister Quinn as their guests. Brother Quinn delivered an inspiring message to the many Grangers present from many parts of the County.

Happy Camp Grange is the "Hub" of their community. They make a worthwhile scholarship award each year.

Hornbrook Grange is building their membership, improving their facilities and holding regular meetings.

The H. E. Committees are doing an outstanding job throughout the County.

Greenhorn Grange was host to the District I meeting in May.

I organized a Juvenile Grange in Gazelle, which is moving forward and gaining new members.

Siskiyou County has a strong Grange Credit Union, which is growing and serving many Grange members. A District meeting was held recently with a dinner meeting

in Greenhorn Grange Hall.

Booster nights are being planned and will be open to visitors. Thus, we will tell the "Grange Story" to many prospective patrons.

Best wishes for an interesting and successful convention in the City of Sacramento.

Fraternally submitted,  
VAYNE O. RALSTON, Deputy  
Siskiyou County

### Northern Sonoma County

**Worthy Master, Officers and Delegates of the California State Grange:**

Greetings from Northern Sonoma County:

It is my pleasure as Deputy, to again report on the Granges in Northern Sonoma County. The Granges have been active in all phases of Grange work and membership remains about the same as the previous year. Most of the Granges participate in the County and local fairs and have shown some outstanding work.

Cloverdale Grange won first place again for the seventh consecutive year in the Cloverdale Citrus Fair. The Citrus Fair is held in February of each year and is one of the first fairs in the State.

Windsor Grange participated in the Healdsburg 4-H Fair as has been their practice for the past number of years.

Sebastopol Grange participated in the Sonoma County Fair and received first place for their exhibit. Sebastopol also has sponsored a 4-H Club in the Sebastopol community and purchased a replacement heifer calf for one of its deserving members. This Grange has also agreed to give a deserving graduate from the local high school who attends an agricultural college after graduation, a scholarship.

Bodega Bay Grange is doing outstanding work in the community. Most every activity that goes on in the community, the Grange is a part of it. At present, the children in the area have asked for a Juvenile Grange to be formed and we are in the process of doing so.

Hessel Juvenile Grange has progressed this past year. They received their Charter in January and have been very active along with their Subordinate Grange.

Sonoma County Pomona Grange No. 1 exemplified the 5th Degree in May and again in October. Pomona Grange meets once a month and has had very good attendance this past year. This Grange is very concerned with our State and National legislation pertaining to the family farmer.

A Master's Conference was held in February for the

Masters of Northern and Southern Sonoma County. This conference was conducted by our Worthy State Master.

All Secretaries of the Granges in the County also attended a conference in March. This conference was conducted by our Worthy State Secretary.

The Sonoma County Grange Credit Union continues to grow and more members are realizing the importance of this organization.

It has been indeed a pleasure to again serve as Deputy for the past year and we in Northern Sonoma County sincerely hope that the 89th California State Grange Convention will be a profitable and enjoyable one.

Fraternally submitted,  
HAROLD C. SMITH  
District Deputy

#### **Southern Sonoma County**

**Worthy Master, Officers and members of the California State Grange, Greetings from Southern Sonoma County:**

The Granges of Southern Sonoma County are progressing quite satisfactorily at present.

Santa Rosa Grange No. 17 consolidated with Bellevue No. 374 during the past year, I am sure it was for the best interest of the Granges in this district, as most of the members have a new interest and are doing much better.

We still have one or two Granges struggling along but they are working hard, and are determined to put their Granges on a solid foundation again.

Our degree teams have been active taking in many new members, and I believe we will soon overcome any loss in membership we may have incurred, and show a little increase.

Many of our Granges had exhibits at the County Fair this year and were rewarded with very fine prizes.

Our Pomona Grange has been very active this year taking in many new members and passing some very good resolutions. Also our Credit Union is growing and becoming a very important cog in the Grange wheel.

The Home Economics of several Granges have been very busy and working hard for the welfare of their Granges, and also our County Pomona Home Economics, all are deserving of much credit for their many fine projects.

Some of our Granges have had their Booster nights, recently and several applications have been received as the result.

Petaluma Grange No. 23 has contributed one dollar per member toward the Grange Building debt retirement

program, and others are contributing from time to time.

Fraternally submitted,

RALPH HOBBS

District Deputy of Sonoma County

#### **Stanislaus County**

**Worthy Master, Officers and Members of the California State Grange:**

I bring you greetings from Stanislaus and Tuolumne Counties. I am happy to report that our 14 Subordinate and one Pomona Grange have had another successful year. We have had some loss and some gain. Our membership does not change much from year to year.

Sonora Grangers are still improving their fine new hall. Several Granges took part in the Community Service projects and all of them helped with our Pomona Grange kitchen at the Stanislaus County Fair. We had our usual number of prize winning booths in the Agricultural Section.

Our Credit Union is gaining in membership and assets. Many Grangers take advantage of the benefits of C.P.S. and G. B.O.

Our Home Economics Clubs have been busy this year with many projects.

We are not too far from Sacramento and I hope to see a nice crowd attending this convention from both of our counties.

Fraternally,

A. H. BOLTER

#### **Sutter County**

**Worthy Master, Officers and Members of the California State Grange, Greetings:**

As District Deputy of Sutter County it is my duty and a real pleasure to report for our Subordinate Granges and Sutter County Pomona Grange.

This has been an eventful year with many nice things happening along with some sad.

Coming home from convention with new ideas and enthusiasm which I hoped would be catching, our Granges began electing a fine slate of officers. They were installed at General Sutter Grange with a joint installation in January. Marshall Dopkins doing the work, which is always well done by him.

The Lecturers and I attended the State Lecturers conference in Chico. Live Oak Lecturer put on a demonstration and tableau. The Lecturers program in all the Granges has been well handled this past year. Our Pomona Lecturer

has done outstanding work for our Pomona Grange.

Live Oak was host to the District Home Economics conference in May. It was well attended. Home Economics Chairmen and members attended the conference from Chico.

All Granges have donated to the different charities and General Sutter entered the Community Service Contest.

Live Oak was the only Grange in Sutter County that entered the Yuba-Sutter Fair. The Grange won first and the Home Economics second. They also participated in the Fall Festival and served dinners to the Chamber of Commerce. The money was put to good use by painting and remodeling the hall.

Now the sad part, membership. The Master's have checked the records and found dead wood and so had some house cleaning. Now we are starting with a clean slate and things should be different in the next report.

Our Credit Union is catching on and at the last report we found we had a substantial gain in percentage wise.

The members from Sutter County are looking forward to a successful convention here in Sacramento.

Fraternally,  
RAYMOND V. ARMSTRONG  
District Deputy

#### **Tehama County**

**Worthy Master, Officers and Members of the California State Grange, Greetings:**

Once again I bring you a report on the Granges of Tehama County. All of our eight Granges are getting along nicely — most of them making some gain in members.

We are proud of our Youth Group, our Juvenile Grange, and we have a fine County Degree and Drill Team, third, fourth and fifth.

Tehama County Granges were in competition at the County Fair winning most of the booth money.

Most of the Granges in Tehama County own their own halls, one more being dedicated this summer.

Home Economics Clubs are active in all the Granges.

The Fraternal Fire Insurance Association and the Tehama Grange Federal Credit Union are going strong in our Granges.

Fraternally submitted,  
ASHLEY ROGERS  
Deputy

**Trinity County****To the Delegate Body of the 89th Annual Session of the California State Grange, Greetings:**

Another year has passed and we are again assembled to deliberate upon the important matters which have developed since we last met in Ukiah in 1960. May the language of the obligation of the first degree of our Order be our guide in all our proceedings.

The waters which are stored in the high mountains of our county will soon be at the disposal of our Brothers and Sisters in the great valleys of our State, we hope that the administration of this valuable commodity will be done with impartiality and without political intrigue.

Fraternally,  
CHARLES E. DAVIS  
Deputy

**Tulare County****Worthy Master, Officers and Members of the California State Grange, Greetings from Tulare County:**

As we started this year we had our county-wide installation of officers in January, two of the Granges being absent. The State Master J. B. Quinn was installing officer and Sister Quinn as installing Marshall.

I had the honor of installing the officers of these two Granges at their respective Grange halls.

A Master and Secretary Conference was held at our home in February. The Masters of all ten Granges in the county were present, and all but one Secretary were present. The Worthy State Master conducted the Master meeting and the State Secretary conducted the Secretary meeting. This meeting was very successful and very helpful to all.

We had our annual picnic in June at the Visalia park. The State H.E.C. Chairman Sister True and District Nine Chairman Sister Workman were guests and a good time was had by all.

We had the honor of having two of the Farmers from India in Tulare County in July. Sister Neilson and myself met these farmers from India at Davis. We spent two days at the Davis campus with these people, then brought them to Tulare County with us. We all had a wonderful time with these people, showing them around the county and learning some about their country. This was really the highlight of the year for all of us.

Sister Neilson and myself also attended the John Ellberg hamburger fry at his home and had a good time

with the folks of Kings County.

We had our annual Grange Day at the Tulare County Fair, September 21. We had dinner at 7:00 P.M. with about 100 present. Our speaker for this event was Craig Hazlewood of the California State Grange News. West Visalia Grange had their booth again this year and was awarded third place, also won many blue ribbons.

The H.E.C. of the county are again taking the lead of the Granges of the county and are busy with their variety of projects.

A number of the Granges in the county have had fine Drill Teams this past year and have conferred the Degrees throughout the county. The Pomona officers also conferred the Fifth Degree in full form, your Deputy again being Master of Pomona of Tulare County this past year.

The Pomona Grange and Subordinate Granges of the county contributed \$127.00 to the hard of hearing class in Orosi, also most of the Granges are collecting papers which this class sells, to raise money to furnish this class with things that are not furnished by the state, such as hearing aids.

All of the Granges in the County are going ahead with their plans, and most have had very successful money raising programs for the National Debt Retirement Plan. I would like to commend the Masters and Officers for their fine work this past year, and hope we can improve next year.

We are just about holding our own in membership, having lost some but also gained some. We do not like to lose any of these members, but I feel we have helped to bind the rest together as stronger Granges.

I have visited most of the Granges in the county this past year and hope to visit them in the near future, also hope that I can help them in some way. I have enjoyed working with all this past year.

It has been a pleasure to serve Tulare County as Deputy this past year.

Fraternally,  
SAMUEL NEILSON  
Deputy, Tulare County

#### Ventura County

Ventura County Grangers send Greetings to the 89th Session of the California State Grange.

Worthy Master, Officers and members of the California State Grange and all other visiting patrons, it gives me great pleasure to once again report on our Granges in

Ventura County.

La Avenida Grange 655 has done exceedingly well this past year under the leadership of their Master Edna L. Frost. They have discarded most of their dead wood, so will show a small loss for the past year, but are taking in new members right along. They entered the Community Service Contest, did a great deal of welfare work, aiding the sick and a family that was burned out.

Fillmore Grange 787 still meets in Fillmore High School. It is a small Grange, but sure keeps busy on helping the needy, they just hold their membership. Gave a \$100.00 scholarship to the outstanding Future Farmer in the high school.

Ojai Valley Grange 659 has been real busy the last year planting shrubery, remodeling the hall, putting on dinners and taking care of the needy in the Ojai Valley. They got rid of their dead wood, and are taking in new members at nearly every meeting.

The Ventura County Pomona Grange meets regularly every month alternating at the Subordinate Granges. They have good attendance.

All the Grangers of Ventura County are represented at this convention. All three Subordinate Granges entered the Community Service Contest.

I have worked in the eastern and northern part of the county trying for new Granges. Have burned up lots of Tidewater gasoline and oil. Have spent some time in Mono County talking Grange with no results so far, the only way is to keep trying.

Fraternally submitted,  
JAMES B. FROST  
Deputy, Ventura County

## LECTURER'S PROGRAM

October 17, 1961  
Sacramento, California

1. Welcome by State Lecturer, Emmett W. Ivey
2. Introduction of Talent Contest
  1. Ed Schmidt, Sacramento Grange No. 10
  2. Dolph Linge, Sebastopol Grange No. 306
  3. Dorothy Rieman, Adelanto Grange No. 603
  4. Celeste Herbert, Waterford Grange No. 553
3. Introduction of Pageant — Tribute to Graces
  - Part 1. Tribute to Ceres and Court
  - Part 2. Tribute to Pomona and Court
  - Part 3. Tribute to Flora and Court
  - Part 4. Tribute to Graces
4. Closing and introductions by State Lecturer

### 1961 Lecturer's Program TRIBUTE TO THE GRACES

- 1st—Gerturde Hauter, Cherry Valley Grange  
 "Home Country"  
 2nd—Mae Martin, Orland Grange  
 "Still Life"

## Pastel:

- 1st—Louis McNabney, Golden Poppy Grange  
 "Candle Light"  
 2nd—Ruth Ann Petty, Springfield Grange  
 "Cats"

## Best of Show:

- Gertrude Hauter, Cherry Valley Grange  
 "Home Country"

**MEMORIAL SERVICE****October 19, 1961****PROGRAM**

Lighting Candles Processional.....	"Softly Now the Light of Day"
Opening Address.....	Chaplain
"Onward Christian Soldiers".....	By All
Choir.....	"Sun of My Soul"
Prayer.....	Chaplain
Choir.....	"Face to Face"—Tableaux
Scripture Reading.....	Chaplain
Choir.....	"Old Rugged Cross"—Tableaux
Roll Call of Departed.....	Chaplain
	Solo: "Going Home"
In Memoriam.....	Chaplain
Closing Prayer.....	Chaplain
	Recessional

**MEMORIAL SERVICES**

Thirty-four candles reflected their Golden light upon a Satin covered Altar as floral tributes we placed thereon in Memory of our deceased Members.

Sister Pomona Delegates represented 34 deceased Members of Pomona and Subordinate Granges within their jurisdiction.

As the roll call was read, floral tributes were placed on the Altar in loving Memory of the departed.

Sister Mabel Glenn, Past H. E. Chairman of the California State Grange was paid a special tribute by the Chaplain. A floral tribute was presented by Sister Elizabeth Sehlmeier in her Memory.

Sacred Hymns were accompanied by Tableaux beautifully posed by the girls from the Youth Group which gave an impressive meaning to the Service.

The Chaplain paid high tribute to the deceased and urged the Members to carry on with the good work in tribute to their Memory.

After the closing Prayer, those taking part in the Service quietly filed out of the Auditorium as the Choir sang "In the Sweet Bye and Bye." Taps was then sounded, which closed the Service.

### MEMORIAL RECORD BY COUNTIES

## COMMITTEE REPORTS

### REPORT OF COMMITTEE ON FISHING

To the Officers and Members of the 89th Session of the California State Grange:

We wish to submit the annual report of the State Grange Advisory Committee on Fishing.

Members of this committee took a very active part in the 1961 Legislative Session at Sacramento by attending every meeting of both the Assembly and Senate Fish and Game Committees. A total of 768 hours of time donated to attend these meetings.

Members attended two Federal hearings held this year at San Rafael, California, for the purpose of studying the depletion of the salmon and steelhead on the Pacific Coast.

We attended one Assembly interim Fish and Game Committee meeting concerned with restricted fishing areas in the Southern California coastal waters. Testimony was given by Grange committee members for possible future fishing legislation.

Two committee members attended eight meetings of the Salmon Unlimited, a committee composed of commercial and sport fishermen, to study propagation and spawning areas of the salmon and steelhead.

We attended a meeting called by the California Department of Fish and Game for the purpose of briefing the fishing industry on the Navy's program of national defense and security (Project Hydro) to measure shock waves produced by exploding 10,000 pounds of TNT in the ocean at 200 foot depths and what, if any, effect it might have on fish within the area of the explosion.

We attended a meeting, another United States Government project, to brief the fishing industry on underwater explosions to be set off by the Advanced Research Projects Agency (ARPA) to test new instruments that will detect atom blasts. Instruments that can tell by shock waves whether the blasts were fired underwater, underground and at what distance or whether the shock waves were caused by earthquakes or landslides.

We have met with numerous other fishing groups, both commercial and sport, to exchange views on prospective legislation on fishing problems at the State and Federal levels.

Committee members have been in constant contact with each other by mail throughout the year.

Faternally submitted by Nellie E. Gillette, Chairman.

Committee members are Florence McDougall, Kirtley MacBride, Ray Carpenter, Roy Faught, Ray Zarbaugh, George Ingram and Leon Cordelione.

## **CALIFORNIA GRANGE NEWS REPORT**

The GRANGE NEWS staff is pleased to report another successful year.

Editorially, the volume of news articles received continued its steady rise. Over 320 Pomona and Subordinate Granges now are submitting news reports on a regular or semi-regular basis. This is a remarkable record, exceeding that of any publication in California, and one in which the membership may take great pride.

Advertising throughout the U. S. generally dipped in non-daily publications. While the GRANGE NEWS showed less volume than in 1960, our publication still held its own better than most others.

The assistance of the membership in obtaining county advertising is very necessary; and, as well, it is vital that members patronize our advertisers and make themselves known.

The California GRANGE NEWS still remains the largest Grange publication in the nation.

## HOME ECONOMICS COMMITTEE REPORT

### Worthy Master, State Officers, Brothers and Sisters:

This has been a very busy year in our Home Economics work. We held a total of 31 District meetings, some in areas where we had not had one previously. Attendance at installations, Lecturer's and officers conferences, Subordinate and Pomona HEC and others, both special and regular Grange meetings, added up to about 78 meetings more. At most of these meetings I was able to speak about our HEC work. It was also my pleasure to be able to speak about our HEC work to the Youth at their two conferences held this year.

We had new HEC Handbooks printed at the beginning of 1961 and these were sent out to each HEC Chairman, to the Masters and to the District Deputies. A good deal of time was spent at the District meetings going over the rules and regulations which are contained in the Handbook.

Two new District Chairmen were added this year. By revamping Districts 4, 5, and 6 we feel we have made a more efficient arrangement of them. Sister Eulalia Archer, of Santa Rosa, is now Chairman of District 10. This is composed of Solano, Napa, Sonoma and Contra Costa Counties. District 11, with Sister Ruth Hill, Goleta, is composed of San Luis Obispo, Santa Barbara and Ventura Counties. Once again I want to pay tribute to each of the 11 fine District Chairmen. Without their help and the fine work they have done it would be impossible to have accomplished the things we did.

We have continued parts of the State HEC program for several years. A letter of tribute from Mrs. Muriel Moe indicate how much our sending of cancelled stamps has helped. This year, as a result of the sale of cancelled stamps, 33 other countries, besides Norway, have been helped in their fight against TB. While we are just one of a number of organizations which participate in this project, we have sent in more than 350 lbs. of stamps. Some of our Granges which send in stamps take them to San Francisco but they go to the same place in Norway. Others give cancelled stamps to other organizations, with the money derived from the sale of them, going to other purposes.

Many of our HECs have received very nice letters from New Eyes for the Needy for their contributions to this worthy cause. Because of our help someone is given the gift of better eye sight.

We have contributed \$860.90 to Meals for Millions so

far this year. After convention last year \$335.68 was sent in and this made the total for 1960 \$1,003.91. I'm quite sure we will have as much or more before this year is over.

The National Grange CARE-Philippines Project is a new one for us this year but our women have contributed quite generously with a total of \$543.15 so far. I'm sure there will be more before the end of the year. This project is to be continued in 1962 as part of the National Grange HEC program.

This will be the second and last year in which we will give the money from our Women's March to Humboldt State College. A letter from the college informed us that 2 grants of \$100.00 each were given to young women who would otherwise have had to leave school because of financial reverses. No report was received from Cal Poly College, which I hope indicates that it was not necessary for them to use any of the money which we gave to them. Our March this morning brought in about \$1,471.42.

Our own Grange Student Loan Fund is all in use and we are beginning to urge contributions to this fund to increase the "capital."

We give a Bible to each new Grange from the Home Economics department. I have had the pleasure of presenting some of these to both Subordinate and Juvenile Granges.

The Wisteria Hall cookbooks, which we have been selling for several years are all gone now. Maybe we should start thinking about compiling a new edition.

The Founder's Day Fund, which was started last year, was an idea of Sister Mabel Glenn's and I have always thought it should someday be known as the Mabel Glenn Fund. Now, with Sister Glenn gone, money has come in for a Mabel Glenn Memorial Fund and so our women have been asked for permission to change the Founder's Day Fund to the Mabel Glenn Memorial Fund. There is \$267.31 in the Founder's Day Fund and \$45.70 in the Mabel Glenn Fund.

Our women are noted for their various Welfare projects. Since our last convention \$22,814.38 has been contributed to Red Cross, Cancer, Crippled Children, CARE and many more to numerous to mention. Some have contributed money to bring Exchange Students to this country. Two of our Grange families entertained visiting farmers from India, who were on a tour of this country studying our farming methods.

Many of our HECs have projects of going regularly to some hospital to entertain patients and to take presents

to them. They have made lap robes, ditty bags, bed jackets, toys and scrap books for Childrens hospitals, as well as donating many small items for general hospital use. The hours of personal service by our HEC women in going to the hospital to entertain, taking sick people to and from treatments, and many other aids to those less fortunate added up to 160,089 hours. As last year we feel that this still does not represent nearly all the good work that is done.

\$6,912.37 was given in individual scholarships by the various Granges. Usually these went to some local school student.

\$11,591.62 was raised for Delegates expense, which shows that we are well aware of the importance of having our Granges represented at our convention.

The importance of getting our Grange Histories down on paper has been stressed again this year. A Subordinate Grange which did not have their history book on display at the convention last year has that opportunity this year. We have some very fine ones among the 31 Subordinates and eight of the Pomona books on display.

Our theme this year has been "The Grange Lights the Way." Emphasis has been put on the thought, "how does your Grange Light the Way — to make a better Community, County, State, Nation and World"? This is being illustrated with plaques, one from each Pomona or County, the good deeds of each Subordinate Grange to be listed on them.

Our HEC room has many outstanding examples of Thrift items this year. Making something from material which might otherwise be discarded.

A Sewing contest for our California Grange women only, has been started this year. While the total entries was not what we had hoped it would be, we were pleased with the fact that participation was from all over the state. Thirty-five of the 47 Pomonas were represented. The announcement of the prize winners was made at the Monday afternoon conference and again Wednesday morning. The winning dresses are on display in the HEC room. Mrs. Peggy Lawrence, 810 Mission, Bakersfield, a member of Fairfax Grange, is the winner of the two tickets to Hawaii. These are for the January, 1961 tour. Second place winner is Ruby Briggs, Route 1, Box 709, Durham, Chico Grange. Seven others were chosen to win prizes but these are not being listed in any particular order. These seven are Frances L. McKee, Riverbend Grange, Kingsburg; Mrs. O. E. Wesley, Morgan Hill Grange, San Martin; Melva Buhlman, Ukiah Grange, Ukiah; Mrs. Alice Gammill, Hat Creek Grange,

Burney; Fay Boardman, Clearlake Grange, Lakeport; and Mary Bey, Encinitas Grange, Encinitas. Our thanks to everyone who entered the contest and of course we wish you could all have won a prize. The decision as to the three Subordinate Chairmen who had the most entries in the contest and are therefore entitled to a prize will be made before the end of the convention. All the information is not in yet.

Only a small number of women entered the National Grange sewing contest and the Baking contest was only a little better. The winners in the Baking contest are: Class A, Yeast Breads: 1st, Emma Finchum, Adobe Grange, Sonoma; 2nd, Edith Nelson, Ripon Grange; 3rd, Mrs. Norma Callison, McArthur Grange, Glenburn. Class B, Cakes: 1st place, Mrs. Ann Valena, Bodega Bay; 2nd, Marian Thorpe, Redding; 3rd, Carmen Schmidt, Napa. Class C, Cookies: 1st, Miss Dolly Galley, Lake Hughes; 2nd, Helen Armitage, Sonora; 3rd, Mrs. Lorna Polasek, Eureka.

A very few entered the National Grange Home Economics Recognition contest and only the 1st place Subordinate report is sent to the National HEC. The name of the 1st place Pomona winner; Della Silver, Stanislaus Pomona No. 21, and the names of the 1st three winners in the Subordinate reports were sent in. The Subordinate winners were: Edna Opie, Sonora Grange, 1st; Irene Fike, Empire Grange, 2nd; and Mildred Poole, East Palo Alto Grange, 3rd.

We have continued the essay contest on "How I Would Preserve World Peace." These essays have been judged and the winners are: 1st, Mrs. Janet Griffith, Humboldt Grange No. 501; 2nd, Florence Muriel Rapley, Aptos Grange No. 800; 3rd, Agnes Black, Sonora Grange No. 705; and 4th, Mrs. Flora Leland, Los Banos Grange No. 79.

We have encouraged our women to write to people in other countries to promote better understanding between us. We have asked that when letters are received that they be shared with the HEC and with the Grange by reading them at a meeting.

We have tried very hard to emphasize, at all our meetings, that the HEC is a Committee of the Grange and a very important one to almost all the Granges. At the same time we should realize that the HEC is an integral part of the Grange and never a separate body. The Grange should be kept informed of the activities of the HEC. Most projects, when it comes right down to it, take the combined efforts of more than just the women. Without the cooperation of all the Grange most projects would be harder to complete.

The effort to pay our share of the National Grange building debt has been a Grange project with the HEC being encouraged and urged to help get this job done. California can be justly proud of the way in which the Granges have responded to this.

Many of our Granges have helped to send one or more of their Youth to Conferences. In our quarterly reports \$397.93 was listed as having been given for this purpose. We have encouraged the Granges, through the HEC, to give these young people a chance to show what they can do and to put some of them into office.

Dinners continue to be the biggest money maker every quarter with \$75,935.32 being reported from September 30, 1960 to September 30, 1961. Fair Booths are the next single item and without our Grange booths many Fairs would not have the fine Agricultural display which they have. Some of the Grange Food booths are fine examples of cooperative efforts on a county wide basis, with each Grange sharing equally in the profits. The total sum earned from all money making projects for this past four quarters adds up to \$214,404.75. Most of this money is used for hall improvement, new buildings, taxes and upkeep. \$43,035.27 however was used for various Welfare projects plus the Delegates expenses and Scholarships.

The projects of our Home Economics Committees are so varied and with so many very worthwhile ideas that I wish I could list them all. That is impossible but I do appreciate having all these things put down on the quarterly reports.

Acting as Hostess in the Grange Hospitality booth at the State Fair was a rewarding experience again this year. It was a pleasure to have a chance to visit with so many Grangers. It was an opportunity also to tell the Grange Story to many people who knew nothing about our Organization or what it stood for. Sister Eve Rowe, State Juvenile Superintendent, was a Hostess with me.

Once again I want to thank everyone all over the state for the many nice things that were done for me and for the gifts which many of you gave me. One of the biggest rewards for being State Home Economics Chairman is getting to know so many wonderful people. My thanks go also to those in the State Grange Headquarters who have been so helpful whenever I have had work to do over there, the girls in the News office, Aileen Campbell, the State Master's secretary and to the State Secretary, Clara Williamson and to the girls assisting her. To Sister Ruth Quinn, who so often has taken me when I needed transportation and to both

Brother and Sister Quinn for the many more times I've been able to go places with them, thanks a lot. And of course, last but by no means least a thank you to Jim who has gone with me many times and many more times stayed at home.

Fraternally submitted,

GLADYS TRUE

Chairman Home Economics Committee  
California State Grange

## YOUTH COMMITTEE ANNUAL REPORT

To the Officers and Members of the California State Grange:

Greetings: "THIS IS YOUR WORLD, WHAT ARE YOU DOING ABOUT IT?" has been the theme of the Youth Committee for the past year.

The youth have been doing very much about it, and it is to be noted that they have had the assistance from the adult members of the Grange.

Dr. Ivan Milhous, Dean of Extended Services, Humboldt State College, in his welcoming address to the youth at the summer conference, remarked that: "The Grange is a worthy organization that means very much to America. It is an organization that works together for a purpose." We must remember this idea, for it is with the cooperation of members of all ages that our purpose is accomplished and something is done about this World of ours.

What is our purpose? Byron McMahon, Chief, Bureau of Agricultural Education, stated in his keynote speech at the summer conference that: "Ignorance of agriculture is dangerous to our economy, and that agricultural knowledge is important in our time, here and now."

Dave Austin, a member of Joshua Tree Grange and an active Youth Group member, in his opening address at the Easter Conference spoke on "Atoms in Agriculture," and stated that "science is working hard to convert the use of atomic energy to farming needs."

As pointed out by Dr. Milhous, the Grange works together for a purpose, and by Mr. McMahon, agricultural knowledge is important in these times, and by our young Grange member, Dave Austin, science is working to convert atomic energy uses to agriculture.

This is what the Youth Committee is doing about these Grange problems: Granges are being encouraged to allow the youth to form degree teams, this acquaints them with the Grange principle and purpose. We ask that every

Pomona Grange district form a degree team made up of the young Grange members and allow these young people the opportunity to learn and confer the first, second, third and fourth degrees at the Granges in the district. Some of these teams have already been organized.

All Granges are asked and encouraged to investigate the status of the Vo-Ag education in their schools and to sponsor 4-H clubs and to acquaint themselves with the Young Farmers of California program.

By having an interest in the FFA, 4-H and Young Farmers the members of these organizations are becoming interested in the Grange and many avail themselves of the Grange program, and thus Grange membership grows.

It is good to report that many of the FFA members and 4-H members are joining the Granges where this mutual cooperation has taken place.

Also, we are glad to report that in some schools where the Vo-Ag course had been dropped, these courses are being re-established, and in some schools where the Vo-Ag course was to be dropped, the course is being kept on and this is because Grange members made it so.

Thus, with this program we have been teaching the Grange youth the purpose of the Grange and have been able to keep agricultural education available for those who are interested in farming as their vocation.

The Grange youth are given an opportunity at the conference to examine and investigate educational advantages in agriculture, and other fields of endeavor too, so that they may realize and learn something about the new methods in the science of agriculture. Then, when that day of atomic energy in farming arrives, they will be prepared to take full advantage of it.

This year the "Albaugh" Shorthorn heifer was awarded to Douglas Jose of Calaveras Grange. This project has been quite successful and has helped many to get a start in cattle. There have been many applicants and it has been necessary this year to award the next calf, even though it has not yet been born.

The Guide Dogs For the Blind Foundation was given a contribution raised by the youth and many 4-Hers who raise these dogs were helped by young Grangers.

By encouraging the youth in agricultural projects and education and by helping restore and keeping Vo-Ag courses in our schools and by keeping 4-H clubs active and by affording the youth the opportunities given by the Grange Youth Conferences and the State Grange Convention, we

are helping them prepare for that atomic age which is almost here.

**THIS IS OUR WORLD AND WE ARE DOING SOMETHING ABOUT IT.**

Respectfully submitted,  
CARLE FIEDLER  
Director of Youth Activities  
California State Grange

## **CALIFORNIA STATE GRANGE CREDIT UNION REPORT**

**Worthy State Master, Officers, Delegates and visitors:**

The year just passed has been one of growth and progress for the Grange Credit Unions. I have had the privilege of visiting with and talking to credit unions and their members in several of our counties. Attending annual meetings last January, chapter meetings, and one county group who is interested in organizing a Grange credit union.

I had the pleasure also of attending the Youth Conference at Humboldt State College and giving them a message on the value of credit union membership and participation.

Our 41 Grange credit unions in California have a membership of 14 thousand. Loans to members of 6½ million. Members shares or savings 6¼ million. Total assets in excess of 7 million.

Most Grange credit unions paid a dividend of 4½% for the year of 1960. I look for continued growth during this year.

The credit union motto of Not for Profit—Not for Charity—But for Service still prevails in the hearts and minds of the officers, directors and committeemen of all our Grange credit unions, and they know that the words of Elbert Hubbard, spoken 50 years ago that "Down in their hearts, wise men know this truth: that the only way to help yourself is to help others" still prevails today. Congratulations to our Grange credit unions.

Fraternally and sincerely,  
RAY CLOW, Chairman

## **JUVENILE COMMITTEE REPORT**

**Worthy Master — Officers and Members of the California State Grange.**

**GREETINGS:**

We, the members of the California State Grange committee wish to thank the State Grange Officers, District

Deputies, Pomona members and the Subordinate Grange members for their welcome assistance and support during the past year.

Through their combined efforts, California led the Nation in the organization of Juvenile Granges for the month of May. The new Juvenile Granges are: Gazelle, Siskiyou County; Three Forks and Hangtown, El Dorado County; Martinez, Contra Costa County; Comptche and Potter Valley, Mendocino County; and the newly formed Loomis, Placer County.

The Deputies and Masters of these Juvenile Granges are planning for the future for they know the true value of a Juvenile Grange. Through the Juvenile Grange the children are learning, discussing and understanding the great principles of brotherly love, thoughtfulness of others, true charity and the appreciation of their nation. They are building a strong, interested, informed citizens of tomorrow.

Our Ritual is a Masterpiece. It impresses its beautiful lesson on our children, thus increasing Grange interest.

Following are just a few of the activities of Juvenile Granges: participation in the California State and County Fairs and parades; donations toward seeing eye dogs, new eyes for the needy, making items for hospitals and shutins; saving cancelled stamps; and helping the Subordinates put on programs. Sixteen dollars was contributed to the National Grange for the Greek team. Six Juvenile Granges had entries in the California State Fair, with a total of 137 individual entries. Seven Juvenile Granges entered the National Grange achievement contest, the California winner of this contest will receive a beautiful rug. Eight white Bibles were distributed during the year. Thirteen official visits were made throughout the state for Juvenile Grange work.

The National Grange has additional charges for the Juvenile Grange installation ceremony, instructions will be sent out in mimeograph form until such time as a new manual is printed. It would be advisable for all installing officers to get a copy. I have some on hand for anyone wishing a copy now.

In conclusion, I would say to you . . . Strive for more Juvenile Granges in 1962. Our children are the hope of the world. This should inspire us to encourage and promote greater growth in a character-building organization such as Juvenile Grange. As parents and adult members we must not neglect our responsibility in training and guiding the young to become leaders in our fraternity and the world.

May we sow good seeds because as we sow — so shall we also reap.

Fraternally submitted,  
EVE ROWE  
State Grange Juvenile Superintendent  
Jane Johnson, Assistant

## **GRANGE INSURANCE ASSOCIATION OF CALIFORNIA**

### **Worthy State Master and Members of the Grange:**

The Grange Insurance Association of California now embarking on its forty-sixth year of continuous insurance service to the members of the Grange takes pride in presenting this report on our fiscal year extending from September 1, 1960 to August 31, 1961.

For the benefit of those not familiar with our Association and its operation we would like to digress here for just a few moments to give you some of the historical facts on this Grange Association. Grange members interested solely in providing an insurance service that would help to combat the almost prohibitively high insurance costs of that day organized this Association under a mandate from the California State Grange. On April 29, 1916, business operations were launched under a legislative act known as the Fraternal Insurers Act which sets forth and requires that by-laws for the administration of the business affairs of the association shall be formulated and drawn by the policyholders, each of whom shall have equal voice and that an annual meeting shall be called for that express purpose. The by-laws expressly provide that the policyholders shall be Grange members, in good standing; that they shall elect from their ranks a governing board to administer the business in their behalf; that the officer personnel shall be drawn from the board of directors. The business started in those early days on the proverbial shoe-string has progressed through the 45 years of continuous operation to the present time when we have nearly 64 millions of dollars in primary insurance in force on the properties of some 5000 plus Grange members state-wide. That the principles laid down by the early founding fathers of this mutual movement were sound, and are still sound, is attested to by the tremendous success enjoyed over the span of years in this service to, for, and by Grange members.

The fiscal year, just closed, had had many significant gains . . . reflected in increased insurance in force and in premium income. Whereas formerly we were confined to

only the unincorporated areas by our charter of operations from the state of California the insuring act governing operations has been greatly liberalized in these last few years, permitting us to extend operations to all areas of the state without restriction. This has thus broadened and enhanced our field and has resulted in a tremendous gain in business. We can visualize the broadening of our horizon with each passing year.

Fifty-one counties of California produced for us 3,999 applications of insurance, broken down into new and renewed business, and accounting for premium receipts of \$217,286.95. On the basis of these receipts we accepted and assumed property risks for a total of \$34,944,308. Approximately 28% of this amount was ceded as reinsurance to a secondary company with whom we hold a contract.

Total assets of your Grange Association, ending August 31, 1961, were \$409,545.57. This is divided into the following categories:

Cash on hand and in the bank;	
Premiums receivable;	
Accrued interest receivable;	
Inventory of office supplies.....	\$ 68,570.60
Investments:	
Government and industrial bonds;	
Banking and industrial stocks.....	\$324,721.38
Fixed assets:	
Office equipment;	
Home office building; Land.....	\$ 15,794.46

With nearly a half million dollars in controlled assets held in trust for Grange policyholders we entertain no illusions as to having reached our ultimate goal. We are experiencing a slow, but healthy growth. We are only handicapped in accelerating the pace of growth by the fact that we can not presently offer the multiple lines of coverage, but with the year to year appreciation of our surplus to policyholders funds we can visualize the day when that may be possible.

During the past year we have set up a field service with the employment of two traveling field agents for the purpose of education of agents, enlightenment to the individual Grange member on the Grange insurance program, and spot reinspection of risks assumed. They are canvassing all Grange areas and as a result of their efforts we are experiencing fine results. The agents are receiving some very fine schooling making them more alert to risk possibilities.

In the loss department, the fiscal year brought us many and varied claims. State-wide, we entertained and completed adjustments on 186 claims, involving damage cases of every nature from total fire loss to wind damaged roofs to broken windows occasioned by the small fry and his baseball bat. Total expenditures for all losses was \$138,746.64 of which we recovered \$28,683.36 through our reinsurance contract. The loss trend took a decided upward hike over previous years. While we deplore the increased loss trend we do take considerable solace in the fact that we have been instrumental in being of insurance service to members in their time of need. That, of course, is our mission in life, to give protection to those that have entrusted funds to us for the protection of their properties.

Thursday at 3:00 P.M. we will hold our annual policyholders meeting in the American Legion building at 15th and H Streets. All Grange policyholders are invited and urged to attend this meeting and participate in the business that may be on the agenda.

Fraternally submitted,  
W. R. PENNER, Secretary

## **RESOLUTIONS**

### **AGRICULTURE**

#### **AGRICULTURE COMMITTEE REPORT**

**Worthy Master, Officers and Members of the California State Grange:**

We, the members of the Agriculture Committee, having completed the work assigned to us by the Worthy Master, wish to express our thanks for the privilege of serving in this capacity.

We sincerely tried, to the best of our ability to seek all available information pertaining to the subject of Resolutions and gave our honest endorsement on each issue.

Our special thanks to Mr. William J. Kuhrt, Chief Deputy to the Department of Agriculture, for his able assistance; and to the Youth Group for their interest.

We wish to express our gratitude to those individuals who gave of their time and information to help us in forming decisions.

The committee also wishes to go on record as endorsing that portion of the State Master's address pertaining to Agriculture.

Fraternally,  
W. L. Hepworth  
Ralph Emery  
Edgar Rea  
Lui A. Consoli  
Peter T. Rodriquez

#### **AGRICULTURE COMMITTEE RESOLUTION**

WHEREAS, 2,000,000 acres of California's best farmland has been lost to subdivisions and other urban uses in the last 20 years, and

WHEREAS, this land loss is now going on at an accelerating rate, currently 200,000 acres a year, and

WHEREAS, this loss of farmland means the eventual loss to California of more than 20 billion dollars of total income and half a million jobs created by the farmer's production of food and fiber, and

WHEREAS, loss of locally produced food supplies will increase the cost of food to California consumers, and

WHEREAS, unrealistic assessment practices which treat farms as if they were nothing but potential subdivi-

sions taxing them at rates which make their operation as farms hopelessly uneconomic, are the primary causes of this threat to consumer welfare, and of this loss of land and income, and

WHEREAS, these unrealistic assessment practices bear down most heavily upon the family farm, the solid underpinning of California's prosperity and democratic institutions, now therefore,

BE IT RESOLVED that this convention heartily endorse Assembly Constitutional Amendment 4, which requires assessors to tax farmland, when used for farming, at its agricultural value only. We believe that ACA-4 will not only preserve the family farm and the benefits our farm economy confers upon the State, but that it will also increase the tax base in the various counties by preserving farm property while shifting urban developments to less valuable land, and that by preserving a local farming industry, it will keep costs of food to consumers at reasonable levels, so

WE THEREFORE URGE the California State Grange and their members to work actively with California Citizens for ACA-4 to the end that all people of California shall be united for its passage at the November 1962 election.

### **SALE OF MILK TO AGENCIES OF THE UNITED STATES GOVERNMENT**

#### **Agricultural Committee Resolution**

WHEREAS: The prices paid for milk by the Federal Government are generally considerably below the prevailing market price for such milk in the same area, and even below the cost of production in many cases, and

WHEREAS: The United States Government requires all dairy plants supplying milk to the United States Government installations to comply with Federal labor laws, setting minimum wages and maximum hours,

THEREFORE, BE IT RESOLVED, that the California State Grange approve and support the proposed legislation governing sales of fluid milk to agencies of the Federal government as proposed by a National Committee comprised of members of the Dairy Division of the National Association of State Departments of Agriculture and the International Association of Milk Control Agencies, subject to final wording of the proposed legislation and consultation with the Federal Agencies concerned.

BE IT FURTHER RESOLVED, that we express our appreciation to the members of the National Committee for their efforts in the development of this proposed legislation.

### REGARDING MOVIE

#### 1. "HARVEST OF SHAME" Agri. 1

##### Arbuckle Grange No. 696

WHEREAS: The television program, "Harvest of Shame," presented on November 25, 1960 by the Columbia Broadcasting System was unfair to the California Farmer for the following reasons:

1. When a California farmer provides housing for his laborers it must meet the specifications of the State Department of Health and the State Department of Labor.
2. The California farmer that transports his laborers must have his vehicles inspected by the California Highway Patrol, who specifies how many passengers are to be put in each vehicle.
3. WHEREAS: We feel that the television viewer should have been shown this side of the effort that the California Farmer makes in order for him to get his crops harvested.

THEREFORE, BE IT RESOLVED, that the California State Grange contact the Columbia Broadcasting System, as well as the United States Press, and inform T. V. viewers what is done by California farmers to make it attractive to the laborer in order to get his crops harvested: also that the press be informed of what the California farmer must do to comply with the law, in order to harvest their crops.

### "MARKETING ACT

#### 3. FOR FRUIT GROWERS" Agri. 3

##### San Bernardino County Pomona Grange No. 32

WHEREAS: The growers of fruit south of the Tehachapi's are penalized by the fruit being a margin small, although it is the same in quality,

THEREFORE, BE IT RESOLVED, that the California State Grange urge extension of the Marketing Act of 1937 to cover all agricultural commodities.

---

5. **"AGRICULTURAL ACT"** Agri. 5

**Sonoma County Pomona Grange No. 1**

WHEREAS: The Agriculture Act of 1961 (Senate Bill 1643 and H. R. 6400) has been introduced in Congress, and

WHEREAS: We believe this Act to be a step in the right direction for aiding the family farmer,

THEREFORE, BE IT RESOLVED, that the California State Grange urge passage of Senate Bill 1643 and H. R. 6400.

6. **"GRADE B MILK PRODUCERS"** Agri. 6

**Oakdale Grange No. 435**

WHEREAS: The Grade B or manufacture milk producers of California are paid a price which is based on parity, a National program, and

WHEREAS: The base price of three dollars and forty cents (\$3.40) per hundredweight was set by Secretary Freeman, and

WHEREAS: The Grade B milk producers of California are only receiving the base price of three dollars and thirty-five cents (\$3.35) per hundredweight,

THEREFORE, BE IT RESOLVED, that the California State Grange ask Governor Brown, Congressman McFall, Senators Kuchel and Engle to have a thorough investigation made as to why our producers are not getting the National base price of \$3.40 per hundredweight.

7. **"PROTECTIVE LEGISLATION  
FOR POULTRY INDUSTRY"** Agri. 7

**Sebastopol Grange No. 306**

WHEREAS: The California poultry industry has been in dire need of protective legislation, and

WHEREAS: Senate Bill No. 2 by Senator Rattigan would provide labeling for each carton of eggs produced in California,

THEREFORE, BE IT RESOLVED, that the California State Grange put forth every effort to obtain the passage of Senate Bill No. 2.

**"SUPPORT OF FAIR PRICES****9. TO GRADE B DAIRYMEN" Agri. 9****Valley Oaks Grange No. 368**

WHEREAS: Milk for manufacturing purposes is now being sold to manufacturing milk plants at less than the cost of producing such milk, and

WHEREAS: Both Grade A and Grade B milk are being used in the manufacturing of some dairy products, thus causing a strain on prices of both Grade A and Grade B milk, and

WHEREAS: With these depressed prices dairymen are unable to live and provide the sanitary conditions necessary for the production of a supply of clean wholesome milk, and

WHEREAS: We feel, as do many milk experts and economists, and all producer organizations except one, that Senate Bill 40 introduced by Senator Cobey will correct this,

THEREFORE, BE IT RESOLVED, that the California State Grange urge Governor Brown to place the subject matter of Senate Bill 40 on his 1962 special session call.

**10. "PRICE OF MILK" Agri. 10****Oakdale Grange No. 435**

WHEREAS: The distributors now distribute skim milk to the consumer for a little less than the price of whole milk, and

WHEREAS: Two percent non-fat milk contains slightly more fat than skim milk, now

THEREFORE, BE IT RESOLVED, that the California State Grange go on record as opposing Assembly Bill 2742 when it comes up for renewal, in October of 1963. Unless it can be shown that the measure has in fact created profitable new milk outlets for producers.

**12. "STATE VINTAGE FESTIVAL" Agri. 12****Sonoma Valley Grange No. 407**

WHEREAS: Sonoma Valley has been noted for its extensive vineyards dating back as far as 1825 when grapes were planted by the Franciscan Fathers of San Francisco Solano de Sonoma Mission, and

WHEREAS: Volunteer committees have successfully

promoted three day Vintage Festivals for the past fourteen years and would like to see this tradition continued in the future,

THEREFORE, BE IT RESOLVED, that the California State Grange urge Governor Brown to designate Sonoma Valley as the official location of a State Vintage Festival.

Following Granges concur:

Sonoma County Pomona Grange No. 1.

**13. "THREE POINT EIGHT (3.8) MILK" Agri. 13**

**Oakdale Grange No. 435**

WHEREAS: Three point eight (3.8) milk in the bottle will give the consumers a better drink for their money, and

WHEREAS: It will take care of about fifteen per cent (15%) surplus milk and give the producer a better price,

THEREFORE, BE IT RESOLVED, that the California State Grange sponsor a bill in the next Legislature asking for three point eight (3.8) milk in the bottle, with not less than 9 per cent solids not fat.

**87. "SUMMER MILK PROGRAM" Agri. 15**

**Sonoma County Pomona Grange No. 1**

WHEREAS: There has been a drop of six per cent in the consumption of fluid milk in the last four years with a financial loss of \$68,765,000 to producers, and

WHEREAS: There was also a ten per cent slump in milk consumption during the summer vacation which also jeopardizes prices to the producers,

THEREFORE, BE IT RESOLVED, that the California State Secretary of Agriculture and the United States Secretary of Agriculture be requested by the California State Grange to institute summer milk programs to offset the drop in milk consumption.

**88. "AGRICULTURAL ACT OF 1961" Agri. 16**

**Sonoma County Pomona Grange No. 1**

WHEREAS: Title 1 of Public Law 87-128 adopted by the 87th Congress and known as the Agricultural Act of 1961, provides that the Secretary of Agriculture may consult and advise with farmers suffering economic losses which can only be resolved at the federal level, and

WHEREAS: Prices received by California broiler, fryer and hatching egg producers as well as by dairymen who are forced to sell all or a high percentage of their milk for manufacturing purposes, are yielding in instances below cost of production, and

WHEREAS: The Secretary of Agriculture is using the authority granted him under Title 1 of the Agricultural Act to establish national committees of poultry and dairymen in an effort to work out proposals to stabilize overproduction and price declines, and

WHEREAS: If legislation is required to accomplish these purposes it will be necessary to submit such proposals to the 1962 session of the 87th Congress, and

WHEREAS: To gain the necessary votes for such legislation, producers must be informed of the issues involved and the need for unified action to safeguard their economic future,

THEREFORE, BE IT RESOLVED, that the California State Grange encourage members who are poultry, hatching egg and manufacturing milk producers to carefully consider all proposals to be recommended by the advisory committees consulting with the Secretary of Agriculture to that end that the recommendations conform with the "Declaration of Policy contained in the Agricultural Act of 1961 which states in part "(a) afford farmers the opportunity to achieve parity of income with other economic groups by providing them with the means to develop and strengthen their bargaining power in the nation's economy;" and "(e) recognize the importance of the family farm as an efficient unit of production and as an economic base for towns and cities in rural areas and encourage, promote and strengthen this form of farm enterprise;" and further

That the California State Grange support an amendment to the Agricultural Act of 1961 to include meat bird control according to the needs of the consumer, and finally

That the facilities of the California Grange News be used to the fullest extent to inform their members of the progress of this program.

### **"MARKETING ORDERS**

102           **FOR CANNING PEACH GROWERS"   Agri. 17**

**Riverbend Grange No. 677**

WHEREAS: The canning peach growers have long had experience in the operation of marketing orders, regulations of grades and volume for canning, and

WHEREAS: Millions of dollars have been invested in advertising and trade promotion, and

WHEREAS: Markets have been expanded materially through the years with large increases in export sales, and

WHEREAS: Increased plantings by canners, speculators and growers encouraged by liberal financial deals are stimulating greater surpluses, and

WHEREAS: Continuation of this trend is bringing chaos to the growers, and

WHEREAS: Existing legislation is not adequate to bring about corrections without bankruptcy to many growers

THEREFORE, BE IT RESOLVED, that the California State Grange support and assist canning peach growers to develop State and Federal Legislation as will permit adequate marketing regulations through production quotas—such programs to be developed by growers and remain under their control with a minimum of Government supervision.

## CONSERVATION

### Worthy Master, State Officers and Delegate Body:

The Conservation Committee having carefully studied that part of the State Master's address concerning Conservation, do heartily endorse all statements concerning Salt Water conversion. We agree that all the people of our great State should become sincerely interested and concerned about our water problems. We believe we should keep ourselves informed to any and all improvements or expansion of the Central Valley Project by the Bureau of Reclamation.

The Conservation Committee is convinced that flood control and water conservation dams should be completed before transmission lines and canals are built. We request the California State Grange to exert every effort possible to attain this goal.

Our work was somewhat simplified because several of the submitted Resolutions, having been written some time ago, were irrelevant since the action requested had already been taken. We sincerely appreciate the interest the Youth Group has shown in our Committee delibera-

tions. We are happy to have had the privilege of serving the Delegate Body of California State Grange on this very important committee.

Fraternally submitted,  
H. R. Jones  
Russell Spain  
Ray Ruebel  
Rubie Alberti  
Ulyuss G. Rose, Chairman

**"PROTECTION OF FORESTS BY CONTROLLED  
BURNING AND CLEANUP"**

15.

Con. 1

**Alturas Grange No. 406**

WHEREAS: The United States Forest Service was created in 1905 for the purpose of preserving, protecting and administering over certain public lands, designated as National Forest Lands, and

WHEREAS: The policy of the Federal Forest Service so created has permitted an excess of growth to flourish in the forest, as well as to allow debris such as dead timber, leaves, branches, etc. to accumulate to full natural extent, and

WHEREAS: As a result of this policy, a fire hazard has been created that has assumed monstrous proportions in many parts of the country, resulting in the expenditure of vast sums of money for fire suppression, and

WHEREAS: Regardless of the vast sums of money expended, timber losses due to forest fires have, within the past ten years, dealt a staggering blow to the economy of the Western United States, and

WHEREAS: In spite of new and costly fire prevention and suppression measures, the fire hazard in our National Forests is becoming rapidly more dangerous as time goes on, being a threat to the lives and property of persons living within or adjacent to the forests, and

WHEREAS: Allowing the forests to become jungle fire traps has greatly lessened their value for all purposes, particularly the highly important purpose of recreation, together with the fact that this condition places us in a highly vulnerable position relative to enemy incendiary attack in the event of war, and

WHEREAS: In view of the fact that the past fire prevention policy of the United States Forest Service has contributed to and resulted in the destruction of vast areas

of our forests that will take a hundred years or more to replace, it is inconceivable to us that this prevention policy as above related should be continued,

THEREFORE, BE IT RESOLVED, that the California State Grange request governmental representatives to take the necessary steps to bring about the clean up of our forests through the use of controlled burning and other measures that will result in effective conservation of our forests; and that as far as practical such clean up work be carried on during late fall and early spring to relieve seasonal unemployment in lumbering communities throughout the nation, as well as to pay a handsome dividend in clean forests, reduction of fire suppression costs and the saving of many millions of dollars in timber now being annually lost due to forest fires.

Mt. Bolivar Grange No. 218

### **"STATE WATER PLAN"**

#### **COMMITTEE RECOMMENDATIONS FOR COMBINING**

#### **RESOLUTIONS No. 2—No. 3—No. 4—No. 7**

WHEREAS: Adequate flood control and water storage is the vital part of the State Water Plan, and

WHEREAS: Although some initial construction work has been commenced on this portion of the plan and the transmission system has received more attention thus far, and

WHEREAS: Present State funds are likely to be exhausted before the Oroville Dam is completed, and

WHEREAS: Construction of Oroville Dam is in accord with pledges made prior to the bond election of November, 1960.

THEREFORE, BE IT RESOLVED that the California State Grange be instructed to urge immediate and complete construction of the Feather River Dam before completing the transmission installations.

BE IT FURTHER RESOLVED that unless State funds are presently available and construction of the Oroville Dam cannot for any reason be accomplished promptly, the California State Grange request the legislators of California to direct legislation requesting full Federal construction of the water storage facilities on the Feather River.

**"USE OF HUNTING DOGS AND HIGH POWERED  
RIFLES TO PROVIDE A SCREEN FOR**

**24. VANDALISM AND TRESPASSING" Con. 10**

**Berry Creek Grange No. 694**

WHEREAS: A great many communities in the State of California are being disturbed at night by hunters using dogs and discharging highpowered firearms, and

WHEREAS: The Peace Officers are at a great disadvantage in pursuance of their duties because of the firing of rifles and running dogs at night is not illegal, but does provide a screen for vandalism and trespassing in isolated and recreational areas, and

WHEREAS: There are many private homes and cabins bordering these recreational areas and privately owned property being disturbed and damaged.

THEREFORE, BE IT RESOLVED, that the California State Grange, desiring to preserve our wild life, the community and private property, also aid law enforcement agencies in preserving the peace, do hereby request the State Fish and Game Commission to ban by regulation all hunting at night with dogs.

**25. "WEED CONTROL"**

**Con. 11**

**Plumas-Sierra Pomona Grange No. 18**

**Endorsed by Feather River Grange No. 440**

WHEREAS: Weed control adds substantially to the cost of production of agriculture, and

WHEREAS: New varieties of weeds are spreading rapidly from one area to another, and

WHEREAS: New varieties generally appear first along roadways, and

THEREFORE, BE IT RESOLVED, that the California State Grange exert its influence to have an adequate and continuing program of weed control adopted by State and County road officials.

Indian Valley Grange No. 439

**"DEVELOPMENT OF STATE PARKS BY THE  
CALIFORNIA DIVISION OF BEACHES**

26.

**AND PARKS"**

Con. 12

**Humboldt Pomona Grange No. 19**

WHEREAS: The California Division of Beaches and Parks is contemplating acquiring many thousands of acres of land in the Bull Creek area and other tracts in different areas of Humboldt and other counties in Northern California to be held for future development of State Parks, and

WHEREAS: Much of this land is presently used as farm, ranch or grazing land, and

WHEREAS: The California Division of Beaches and Parks now hold large areas in Humboldt and other counties in Northern California that have not been developed for park use, and

WHEREAS: The removal of these lands from the tax rolls works severe hardship on the taxpayers and school districts of several counties,

TEHEREFORE, BE IT RESOLVED, that the California State Grange oppose the California Division of Beaches and Parks acquiring any more land in Northern and North-western California until such time as land presently held is properly developed for Parks and Beaches.

**"CONSTRUCTION OF NEW MELONES**

27.

**DAM"**

Con. 13

**Oakdale Grange No. 435**

WHEREAS: Since water conservation, flood control, irrigation, power and the recreational needs of all the 407,283 people in the 11th Congressional District are considered in H. R. Bill No. 7665 introduced by Congressman John J. McFall, Oakdale Grange goes on record in favor of the Bill, and

WHEREAS: It is understood that this bill put into legislative form gives authorization for the construction of the New Melones Dam by the U. S. Army Engineers, in conformity with a feasibility report on Stanislaus River development that has just been completed, following several years of study,

THEREFORE, BE IT RESOLVED, that the California State Grange inform its members of the facts pro and con so they may effectively support H. R. Bill No. 7665.

**"PROTECTING THE AGRICULTURAL INTERESTS IN  
THE DELTA AREA FROM THE SALT WATER  
INTRUSION CONTEMPLATED BY THE**

**89. STATE WATER PLAN"**

**Con. 15**

**Contra Costa Pomona Grange No. 45**

WHEREAS: There are approximately 50,000 acres of land devoted to agriculture in the Delta area in Contra Costa County, and

WHEREAS: This rich and fruitful area has contributed immensely to the economy of the state and the nation in that it produces most of the nation's canned asparagus as well as substantial amounts of other crops, and

WHEREAS: In 1960 the gross farm product of the land was in excess of 14 million dollars, and

WHEREAS: This land has from time immemorial obtained a plentiful supply of good quality water from the sloughs and rivers of the Delta, and

WHEREAS: The State of California plans to export vast quantities of this good quality water over the Tehachapi Mountains and into Southern California, and

WHEREAS: The present plans of the state outlined in Bulletin 76 in transporting this water will necessarily result in abandoning a large portion of the Delta to salt water intrusion, and

WHEREAS: The intrusion of salt water into the Delta will force the residents therein to seek a replacement supply of water and may very well render thousands of acres of land unfit for agricultural use, and

WHEREAS: This action on the part of the State of California is an arrogation of vested rights and a shameful display of political immorality, in that the state is sacrificing the future of one geographic area in favor of another,

THEREFORE, BE IT RESOLVED, that the California State Grange oppose the plans for the Delta area as outlined in Bulletin 76 and requests that further consideration be given to protection of the fresh water supply in the Delta; and, further

That the California State Grange considers it the duty of the State of California to find a method of preventing salinity intrusion into the Delta area before any water is exported from it.

---

**EDUCATION****REPORT OF EDUCATION COMMITTEE**

The Education Committee comprising of Sister Gallup, Brothers Lewis, Michael, Saunders, and myself, met and studied the resolutions referring to Education, submitted by the various Granges. We feel that the resolutions submitted have merit and in these times are timely submitted.

Some of the resolutions submitted have appeared before in the Grange conventions, but I think they are very essential to the present situation of Education and taxation problems of the rural and urban areas of this state.

We had three members of the Youth Committee meet with us. Sister Pat Laam, Jo Ann Blasingame, and Kathryn Mullin, which the Committee felt were very essential because they all are in school and are interested in the resolutions before us as they will be the Grange of the future as well as being young Grangers at present.

I am very grateful to have the privilege of working with the above Committee and wish to extend by thanks to them for helping this Committee.

Fraternally submitted,  
Kermit A. Kast  
Myrtle Gallup  
Harry M. Lewis  
Brother Michael  
J. Saunders

**"COUNTYWIDE SCHOOL TAX PLAN"**

29.

(A. B. 1000)

Ed. 1

**New Era Grange No. 540****Endorsed by Merced County Pomona Grange No. 23**

WHEREAS: This Assembly Bill would levy additional taxes on property that is already overtaxed, and

WHEREAS: The agricultural communities would pay a higher percentage of these taxes which cannot be passed along to the general public as is done by industry, and

WHEREAS: Everyone should pay for the education of our children in public schools, not just the landowners, and

WHEREAS: Apportionments to school districts have been in effect for many years and have never supported the principle of using local tax monies except as applied in the

form of equalization aid at the state level with state monies,

**THEREFORE, BE IT RESOLVED**, that the California State Grange urges the repeal of the countywide tax measure, A. B. 1000, mandated by the 1959 Legislature.

### **"BROADEN TAX BASE FOR SUPPORT**

30.

#### **OF PUBLIC SCHOOL SYSTEM"**

Ed. 2

#### **Gilroy Grange No. 398**

**WHEREAS:** The public school system of the State of California is supported by direct tax on real property, and

**WHEREAS:** The constantly increasing cost of education and resultant increase in taxes has become an oppressive burden on home owners and holders of real property.

**THEREFORE, BE IT RESOLVED**, that the California State Grange urge the State Legislature to devise some method of broadening the base of taxation for support of the public school system.

Following Granges Concur:

Mt. Hamilton Grange No. 469

Almaden Grange No. 472

San Jose Grange No. 10

### **"ECONOMIZING IN PUBLIC SCHOOL**

32.

#### **BUILDING PROGRAM"**

Ed. 4

#### **Almaden Grange No. 472**

**Endorsed by Santa Clara County Pomona Grange No. 4**

**WHEREAS:** The public school system of the State of California is supported by taxes levied on properties, and

**WHEREAS:** A continuous increase in our property taxes to support the education of our ever increasing stu-

dent population has become a burden on property owners, and

WHEREAS: We believe that if the State Legislature would adopt an economical standard set of architectural plans eliminating the elaborate fringes that are costly,

THEREFORE, BE IT RESOLVED, that the California State Grange urgently seek the support of the State Legislature in this regard.

**33. "GOVERNMENT SUBSIDIES FOR SCHOOLS" Ed. 5**

**Fowler Grange No. 481**

WHEREAS: This country was founded on the basic principle of separation of Church and State, and

WHEREAS: Free public education is a guaranteed right of every child in America, and

WHEREAS: Efforts are being made to obtain government subsidy for church operated schools, and

WHEREAS: Such an act would not only violate the Constitution of the United States, but could completely undermine our entire public education program, and

THEREFORE, BE IT RESOLVED, that the California State Grange officially go on record in absolute opposition to any government subsidy of any parochial and or private schools, and if any such proposed subsidy legislation should be introduced, that every step be taken to defeat such a measure.

**34. "INEQUITIES OF TELEVISION" Ed. 6**

**Napa County Pomona Grange No. 7**

WHEREAS: The type of picture and programs too frequently shown on television are far from educational and are an insult to Grangers and other good citizens who cherish the sanctity of the home and the morals of their children, and

WHEREAS: Statistical records compiled are proof that many cases of teenage delinquencies are directly traceable to the suggestions conceived from such degenerating television programs, and

WHEREAS: The Order of the Patrons of Husbandry, founded on the principle of clean, wholesome living, ever cherishing the sanctity of the home and watchful guardians of the morals of their children, the future citizens of this great nation, must make their position heard against these degenerating programs,

THEREFORE, BE IT RESOLVED, that the California State Grange use its influence to correct this situation and contract the responsible authorities in order that such obnoxious programs may be discontinued.

## **GOOD OF THE ORDER**

### **SUMMATION REPORT**

**To the Officers and Delegate Body and Visitors of the 89th Annual Session of the California State Grange meeting held in Sacramento California:**

The Good of the Order Committee after careful consideration of all resolutions in its category having completed its assignment, wishes to thank those delegates and visitors who so willingly participated in our discussions.

We endorse that part of the State Master's Address pertaining to the Good of the Order.

The Committee especially emphasizes that all discussion was frank and openminded and that all final decisions were unanimous.

We are especially appreciative of the final decisions of this delegate body in helping to solve the complex problems that face the family farmer of today.

The Good of the Order Committee thanks the delegate body for the privilege and honor of having been of service at this 1961 Annual Session of the California State Grange.

Vayne Ralston  
Hugh Graham  
Leonard Hendricks  
John Tendeland  
Geo. W. Bill

### **"COMMEMORATIVE STAMP FOR**

**36. PHOEBE APPERSON HEARST" G. of O. 2**

**Chico Grange No. 486**

**Endorsed by Butte County Pomona Grange No. 16**

WHEREAS: Phoebe Apperson Hearst was a great American woman humanitarian and philanthropist who is noted as the co-founder of the Parent Teachers Association, and the organizer of the Travelers Aid Society, and as being instrumental in the restoring of Mount Vernon, and

WHEREAS: By her generosity and consciousness of the

tremendous requirements of education today, Mrs. Hearst gave millions of dollars to education and has properly become known as the "greatest single benefactor" of the University of California, and

Whereas: It is only fitting and proper that recognition in the form of a commemorative postage stamp be given to Phoebe Apperson Hearst for her multitudinous projects and activities,

THEREFORE BE IT RESOLVED, that the California State Grange request the Postmaster General of the United States to provide for the issuance of a commemorative postage stamp honoring Phoebe Apperson Hearst.

**"PERTAINING TO 'BELIEF IN THE EXISTENCE  
OF GOD' AS A REQUIREMENT FOR**

38. **HOLDING PUBLIC OFFICE"** G. of O. 4

**Yucaipa Valley Grange No. 582**

WHEREAS: On June 19, 1961 our Federal Supreme Court cast the shadow of darkness over the spiritual life of these United States by its decision to strike from the lines of tradition, "Belief in the existence of God" as a requirement for holding public office, and

WHEREAS: In the history of nations, when they cease to recognize God as their Creator they crumble and decay, and

WHEREAS: To the present time we have been known as a Christian Nation and have demonstrated it in our far flung generousities, for we gave without thought of material gain, and

WHEREAS: In 1892 the Supreme Court then ruled this is a religious nation, and again in 1951 it stated, "We are a religious people whose institutions presuppose a Supreme Being,"

THEREFORE, BE IT RESOLVED, that The California State Grange urge the Supreme Court to reverse its decision.

Following Granges concur:

Muscoy Grange No. 589

Del Rosa Grange No. 711

Fonbloom Grange No. 602

**"FORMATION OF GRANGE  
INSURANCE COMPANY"**

39. **Chico Grange No. 486** G. of O. 5

WHEREAS: The writing of automobile insurance is of

vital interest and importance to every member of the Grange in California, and

WHEREAS: Other California Farm Organizations have either formed their own insurance company, or have secured special exclusive membership rates from established insurance carriers, and

WHEREAS: We believe that the Grange is losing prestige due to the above mentioned facts,

THEREFORE, BE IT RESOLVED, that the California State Grange initiate a serious study of the automobile insurance business with the thought in mind of forming our own company or securing an exclusive "Grange Member" policy from an existing company.

45.

**"STATE PIANIST"**

G. of O. 11

**San Diego County Pomona Grange No. 35**

WHEREAS: In the State of California the musician is not an officially elected officer in our Granges, and

WHEREAS: A good musician is very essential to a first class Grange meeting and could be classed as for "The Good of the Order,"

THEREFORE, BE IT RESOLVED, that The California State Grange be requested to seek permission of the National Grange whereby the State of California be allowed to designate musicians as officially elected officers.

**"CO-ORDINATING NATIONAL, STATE AND LOCAL  
93. CONSTITUTION AND BY-LAWS G. of O. 18****Yucaipa Valley Grange No. 582**

WHEREAS: Officers of Subordinate and Pomona Granges are often confused by apparent conflict between the provisions of the Constitution and By-Laws of the California State Grange and those of the Digest of the National Grange Laws, Rulings and Decisions of the National Grange (e.g., Section 1, Article III, Chapter IV, Constitution of the National Grange provides that the officers of the Grange consist of sixteen (Master to Lady Assitant Steward, and an Executive Committee of at least three members); while Section 1, Article III, Constitution of the California State Grange, Section 2.1, Regulations Governing Pomona Granges, and Section 1, Article VI, Constitution for Subordinate Granges, provide that the officers of a Grange consist of thirteen persons (Master

to Lady Assistant Steward omitting an Executive Committee of at least three members, while providing for an Executive Committee elsewhere in the Constitution, and

WHEREAS: The Digest is regularly revised and brought up to date by an interim committee appointed by the National Master to reflect actions of the delegate body as well as decisions of the Master, Executive Committee and Court of Appeals, and it is evident that revision of the Constitution and By-Laws of the California State Grange to reflect such actions as well as actions of the delegate body of the California State Grange would be helpful to all concerned, and

WHEREAS: There is no record of revision of the Constitution and By-Laws of the California State Grange to reflect actions of many delegate bodies to provide for payment of mileage to certain officers and committee chairmen, and to place restrictions on payments under certain conditions; and many obvious errors and conflicts were noted upon their review prior to publication of Revised Edition 1961, without study of Journals of Proceedings of recent years,

THEREFORE, BE IT RESOLVED, that the State Master appoint an interim committee to make a study of the Constitution and By-Laws of the California State Grange, the regulations governing the Pomona Granges, the decisions of the Masters, Executive Committees and Court of Appeals of the National Grange, which are not reflected in our Constitution and By-Laws, make the necessary revisions, and in any doubtful matters submit recommendations for change to be acted upon by the delegates at the 1962 convention.

BE IT FURTHER RESOLVED, that the report of this interim committee be submitted to the State Master not later than August 1, 1962, in order that it may be considered by the Executive Committee and published to the Masters of all Granges at least one month previous to the meeting of the State Grange as required by the Constitution.

#### **"NURSERY SERVICE AT STATE GRANGE**

104.

**CONVENTIONS"**

**G. of O. 20**

#### **Siskiyou County Pomona Grange No. 6**

WHEREAS: One of the objects of our Order is to encourage young married couples to engage in Grange work, and

WHEREAS: Many have small children needing attention and the couples are unable to attend State Grange Conventions because of no nursery accommodations,

THEREFORE, BE IT RESOLVED, that the State Master appoint a committee to study the feasibility of nursery accommodations.

**"RESOLUTION OF COMMENDATION TO HARRY A.  
CATON, SECRETARY,**

**105. THE NATIONAL GRANGE" G. of O. 21**

**Good Of The Order Committee**

WHEREAS: Harry A. Caton, the present Secretary of The National Grange was first elected to office in 1928, and has served continuously since that time, and

WHEREAS: No officer in the history of The National Grange has served for a continuous period of 33 years, and

WHEREAS: Brother Harry Caton's efficient and courteous service has done much to promote the interest of the Grange throughout the United States, and has endeared him to not only the Officers and Delegates of The National Grange, but to many thousands of Grange members, and

WHEREAS: Brother Caton is now celebrating his 80th birthday,

THEREFORE, BE IT RESOLVED, the California State Grange in 89th Annual Session assembled October 17th through 20th, 1961, extend to Brother Caton our appreciation for his courteous and unparalleled service, and we wish Brother Caton continuous success in his office as Secretary of The National Grange, and

BE IT FURTHER RESOLVED, the Officers, Delegates, and all the Membership assembled, extend to Brother Harry A. Caton our heartiest congratulations on his 80th birthday.

**106. "AMENDMENT NUMBER 1" G. of O. 22**

**Presented By National Grange**

To amend Art. IV, Sec. 4 of the Constitution to permit the selection of meeting places for the National Grange two years in advance.

NOTE: In order to secure hotel accommodations and halls it is almost necessary to do this.

**107. "AMENDMENT NUMBER 2" G. of O. 23****Presented By National Grange**

To amend Sec. 1, Art. VIII of the Constitution to make the first part read:

"The minimum regular annual dues in a Subordinate Grange shall be \$2.00 from each member, payable in advance."

NOTE: This does not effect the dues to the National Grange, but sets a minimum of two dollars for dues in the Subordinate Grange and makes the dues payable in advance.

**108. "IN FAVOR OF THE PEACE CORPS" G. of O. 24****Youth Committee Of The California State Grange**

WHEREAS: The people of the world are in need of better understanding of each other, and

WHEREAS: Co-operation of all is needed in order to have a peaceful world in which to live, and

WHEREAS: The Congress of the United States has passed a bill known as HR 7500 which establishes what is known as the Peace Corps, and

WHEREAS: The Peace Corps is so designed to send men and women of the United States into foreign nations, especially underdeveloped nations, to work with the people of these nations helping them to develop and helping the United States to know their ways, thus developing understanding and co-operation, and

WHEREAS: The cost of the Peace Corps is only 1/10th of 1 per cent of the appropriation for defense of the United States, and

WHEREAS: Understanding and co-operation are more effective in the development of Peace than any amount of armament,

THEREFORE, BE IT RESOLVED, that in the California State Grange aid and support this Peace Corps program by assisting in the distribution of the information of the program, and

BE IT FURTHER RESOLVED, that all Subordinate and Pomona Granges also aid this program by distributing information of the program, and

BE IT FURTHER RESOLVED, that all Granges in California aid in interesting volunteers to the Peace Corps, especially volunteers in the field of agriculture.

**"FIRST AID AVAILABLE AT STATE  
CONVENTIONS"**

G. of O. 25

**Presented by: Good of The Order Committee at  
1961 State Convention**

WHEREAS: Members of the Grange of all ages come to the California State Grange conventions and should have the best of protection while away from home, and

WHEREAS: It has been brought to our attention that there is no nurse or first aid in attendance at this convention,

THEREFORE, BE IT RESOLVED, that the California State Grange make every effort to have a nurse present and first aid available at convention halls at future conventions.

**GOOD OF THE ORDER**

WHEREAS: The Subordinate and Pomona Secretary, Lecturer, Home Economics Committee Chairman, and Youth Delegate receive mileage to the convention, and

WHEREAS: There is no accurate check due to the lack of a credential card for the aforementioned officers, as in the case of the voting delegate (s),

THEREFORE, BE IT RESOLVED, that a suitable credential card be prepared by the California State Grange Executive Committee to check the validity of the Subordinate and Pomona Secretary, Lecturer, Home Economics Committee Chairman, and the Youth Delegate before the next State Grange Convention.

**REPORT OF LEGISLATIVE COMMITTEE**

The Legislative Committee is pleased to report that it has considered all the Resolutions assigned to it and has presented its recommendations on each to the delegate body.

We wish to thank all who have assisted us in our deliberations and study of the Resolutions presented.

The attendance of Cerena Petty, Jim Mitchell, and Joe Jackson, representatives of the youth of the Grange, was appreciated and helpful. Your committee is desirous of signifying its support of the State Master's comments on

Legislation in his annual address to this convention.

We appreciate the opportunity to have served you.

Fraternally submitted,

S. E. "Dick" Rafter, chairman, San Diego County

Laurel Geiger, Monterey County

Theodore Bybee, Fresno County

Kenneth Greene, Los Angeles County

Leonard Gollnick, Glenn County

54. **"TAX ASSESSING ON FARM LAND" Legis. 6**

**Pauma Valley Grange No. 692**

**Endorsed by San Diego County Pomona Grange No. 35**

WHEREAS: Assembly Constitutional Amendment No. 4 seeks to provide some property tax relief for growers whose assessed valuation has increased because of sub-developments, etc., and

WHEREAS: The amendment would empower County Tax Assessors to assess farm land strictly on its agricultural value, regardless of the increase in valuation of surrounding land due to industrial or residential development. In exchange for the lower assessments, the grower would be asked to sign a statement promising that he wouldn't sell the land or use it for other than agricultural purposes for the next seven years, and

WHEREAS: If the grower did sell the land or subdivide it, the property would be re-assessed and the farmer would be liable for the additional property taxes from the time he signed the agreement,

THEREFORE, BE IT RESOLVED, that the California State Grange pledge its support to Assembly Constitutional Amendment No. 4, introduced in the current session of the California Legislature by State Assemblyman Lunardi of the Sixth Assembly District.

57. **"COMMUNIST PROPAGANDA" Legis. 9**

**Valley Center Grange No. 631**

**Endorsed by San Diego County Pomona Grange No. 35**

WHEREAS: Our United States Post Office Department has made a partial attempt to balance its budget by increasing postage rates, and

WHEREAS: According to our Bureau of Customs, the House Committee on Un-American Activities and some of our Congressmen, the Russians and other Communists coun-

tries ship many tons of Communist propaganda literature to approximately 40 ports of entry into the United States, where it is turned over at shipside to our U.S. Post Offices and they in turn ship (free of charge to the Communists) directly or indirectly to high school and college students throughout our 50 states, Puerto Rico, the Virgin Islands and Guam, and

WHEREAS: Our Bureau of Customs made a 12-month spot check of Moscow's training literature through New Orleans, one of the lesser ports of entry, and counted 300,000 packages of 5 to 15 different publications on youth leadership for Communism. In one recent year seven million pieces of such literature were cleared through New York, and during one week last year the San Francisco P.O. cleared 17½ tons of this postage-free Red propaganda to United States addresses, and

Whereas: All this in our country while the United States is spending through its U.S. Information Agency an average of 110 million dollars a year around the world in news, radio, library and TV to defeat the Communist drive against freedom, and this while not even first class mail from the United States to Russia is delivered without being opened and examined and thrown out if not approved, and the U.S. mailer is not notified, and

WHEREAS: Under the Foreign Agents Registration Act all of this literature is supposed to be labelled "Political Propaganda," but none of it is, And the United States Supreme Court has ruled that "clear and present danger" from Red propaganda does not apply to mere advocacy of Communist principles,

THEREFORE, BE IT RESOLVED, that The California State Grange and the National Grange do all in their power to get the United States Congress to pass remedial legislation to stop this free ride of Communism on the American tax-payer; and if it should require Constitutional Amendment, to work with others to that end.

#### **"NATIONAL MINIMUM WAGE LAW**

62.

#### **FOR FARM LABOR"**

Legis. 14

#### **Sonoma County Pomona Grange No. 1**

WHEREAS: Low standard wages in one part of the country affects farm income in other parts of the country as well, and

WHEREAS: Adequate wages for farm workers would create greater buying power, thereby helping business and

farm produce sales,

THEREFORE, BE IT RESOLVED, that The California State Grange urge the adoption of the \$1.25 Minimum Wage Law for farm labor on a national scale.

### **"ABOLITION OF ELECTORAL**

**63. COLLEGE SYSTEM" Legis. 15**

**Stanislaus County Pomona Grange No. 21**

WHEREAS: The Constitution of the United States requires that the President and Vice-President of the United States be elected by the Electoral College System, and

WHEREAS: This system has clearly proven to be obsolete and an anticlimax in our democratic elections, and several of our Past Presidents have declared this method to be an expensive obsolescence,

THEREFORE, BE IT RESOLVED, that The California State Grange go on record as being in favor of electing our president and vice-president of the United States by popular vote, and to urge our Congressmen and Senators to use their every effort to abolish the Electoral College System.

### **"PARTICIPATION OF MINORS IN BARREL**

**64. RACES AND HORSE SHOWS" Legis. 16**

**Coalinga Grange No. 779**

WHEREAS: Granges have members participating in barrel races and horseshows with no injuries to horse or rider, and

WHEREAS: Many girls and boys competing in these events are under sixteen (16) years of age and are well qualified contestants, and

WHEREAS: Horseshows and barrel racing are not dangerous, but do build sportsmanship and character in our youth,

THEREFORE, BE IT RESOLVED, that The California State Grange oppose the stand of the Department of Industrial Relations that barrel racing and participating in horseshows is hazardous for children under the age of sixteen (16); and that The California State Grange be instrumental in changing the Child Labor Law, Sec. 1291-i and Sec. 1308 subsection (b).

**"ECONOMIC AID TO****66. COMMUNIST COUNTRIES" Legis. 18****Fresno County Pomona Grange No. 24**

WHEREAS: Economic aid in any form to Communist countries is a direct subsidy, and

WHEREAS: Communism is against American principles, and

WHEREAS: Communists are aiming at world domination,

THEREFORE, BE IT RESOLVED, that The California State Grange oppose economic aid in any form to Communist countries.

**67. "MINORITY GROUPS" Legis 19****Yucaipa Valley Grange No. 582**

WHEREAS: A recent decision of the State Supreme Court has made it mandatory on the citizens of this State of California to awaken to the fact that there seems to be a tendency of our courts to be more in favor of minority groups, regardless of the aims and purposes of these groups, and

WHEREAS: This land, that was made the beautiful homeland of us all through sacrifices, labor and life-times of self-denial, is in serious trouble, and

WHEREAS: It behooves the majority of our citizens to take a bold and upright stand for the good of us all, and

WHEREAS: It seems that the privilege of the few is given superior advantages over the vast majority; these few who try by all means, fair or foul, to inflict their ideologies on us all, and

WHEREAS: We urge all citizens who love their country, who by either birth or choice, to awaken,

THEREFORE, BE IT RESOLVED, that the California State Grange request our representatives in the governing body of our great state to make it their first order of business to prepare and execute laws that cannot be misinterpreted in favor of the minority group. We want our land to be safe against any and all groups who have as their ultimate goal the overthrow of our government and the command of our future.

**"REDISTRICT ACCORDING TO  
POPULATION"**

69.

Legis. 21

**Monterey County Pomona Grange No. 17**

WHEREAS: When measuring the equality of the local government services, it is necessary to consider many other factors as well as population. We believe one of the component factors in Monterey County to be considered could be the Per Capita Tax base found in the following Supervisorial District.

Dist.	Population	Per Cap. Tax	Dist.	Population	PerCap. Tax
No. 1	16,623	\$4,059	No. 4	2,047	\$9,741
No. 2	55,699	1,809	No. 5	103,872	1,267
No. 3	20,110	2,007			

One other factor which deserves consideration would be that Monterey County is primarily an agricultural county inasmuch as this industry contributes more than \$125 million last year to the economy of the county. The sparsely populated Supervisorial Districts lie wholly within this heavy agriculture producing area, and

WHEREAS: In order to have a well balanced governmental program, consideration must be given to those who carry the greater share of cost, as well as percentage of population, and

WHEREAS: The local level of government is in a better position to fairly analyze the above facts,

THEREFORE, BE IT RESOLVED, that the California State Grange is requested to vigorously oppose the Bradley Bill (Assembly Bill 2100) or any other legislation which would make it mandatory upon the counties to redistrict according to population.

70.

**"PUBLIC AID PROGRAM"**

Legis. 22

**Hopeton Grange No. 760**

WHEREAS: The cost of public aid to the needy has become very burdensome to the taxpayers of California, and

WHEREAS: We believe much of this cost is a result of faulty laws and regulations which govern the administration of the public aid program, and

WHEREAS: We believe this situation could be relieved by placing a strict and realistic limit on size of payments given out, based on minimum need rather than on maximum desires, and

WHEREAS: We further believe that the recipient of public aid should spend such aid in a frugal manner and

that the type of purchases allowed should be set forth in an agreement signed by the recipient of such aid, which would eliminate any desire to remain on relief except in cases of absolute necessity, and

WHEREAS: We believe that the final decisions regarding public aid should always be made by the local administrator,

THEREFORE, BE IT RESOLVED, that the California State Grange go on record in favor of correction of laws and regulations to the end that a strict and realistic limit be placed on the size of public aid payments given out, based on minimum need rather than maximum desires, and requiring that public aid be spent in a frugal manner and for purchases of a type set forth in an agreement signed by the recipient, and to the end that greater control over the administration of the public aid program be placed in the hands of the local administrators.

**71. "DAYLIGHT SAVING TIME" Legis. 23**

**Empire Grange No. 521**

WHEREAS: Daylight Saving Time has proved to be a handicap to the farmer,

THEREFORE, BE IT RESOLVED, that The California State Grange go on record opposing any extension of Daylight Saving Time.

**72. "METROPOLITAN AREA  
MULTIPURPOSE DISTRICTS" Legis. 24**

**Merced County Pomona Grange No. 23**

WHEREAS: In the current California Legislature, there has been introduced Assembly Bill 267, an enabling act, which would authorize the establishment in California of "Metropolitan Area Multipurpose Districts", and

WHEREAS: If Assembly Bill 267 were adopted and passed it would include the following:

1. Set up another level of government, which would tend to place control of government further away from the people, by granting governmental power in the hands of appointees, rather than elective officials.
2. It would override both city and county government.
3. It would create vast taxing and bonding powers, which could incur other indebtedness for projects or services; exercise power of eminent domain; issue

revenue bonds over and above the 15% debt restrictions; annex contiguous areas to a district without a vote of the people affected; incur funded debt up to the withdrawal of any political subdivision, once a district has been formed, and

WHEREAS: The complete framework of Assembly Bill No. 267 is suggestive of a super-government, with power over governmental functions, including fire protection, police, etc., and

WHEREAS: A District Manager would be appointed by a District Council and would have the power to direct, administer, and execute all the functions and duties of a district.

THEREFORE, BE IT RESOLVED, that The California State Grange urge defeat of Assembly Bill No. 267.

Following Granges concur:

San Diego County Pomona Grange No. 35

Wildflower Grange No. 663

### **"ENDORISING SENATE BILL**

**96.**

**NO. 666"**

**Legis. 31**

### **Sonoma County Pomona Grange No. 1**

WHEREAS: California utilities are now paying more than \$320,000,000 annually for out-of-state gas, nearly 80% of which is imported mainly from Southern and Rocky Mountain states, and

WHEREAS: Because of our sharp increase in population it is estimated that within the next ten years this state's gas importation bill may easily reach the sum of \$750,000,000 annually, and

WHEREAS: The El Paso Natural Gas Company, between 1955 and 1960, collected from California consumers \$280,000,000 in rate increases which were never found "reasonable" by the Federal Power Commission because no hearings were held, and

WHEREAS: The National Association of Railroad and Utilities Commissioners of which California Public Utilities Commissioner Peter E. Mitchell is president, at its November 1960 convention, drafted a bill which would prevent natural gas rate increases from going into effect if the Federal Power Commission does not act upon such applications within five months after filing, and

WHEREAS: There is now before the 87th Congress of the United States, Senate Bill No. 666 introduced by Senator Magnuson of Washington at the request of the National

Association of Railroad and Utilities Commissioners, preliminary hearings having been held in May of 1961 with further hearings to be held when the Senate reconvenes in 1962,

THEREFORE, BE IT RESOLVED, that the California Grange endorse the original Senate Bill No. 666.

**"NATIONAL CONSUMER  
COUNCIL BILL"**

98. **Legis. 33**

**Sonoma Valley Grange No. 407**

WHEREAS: The California Consumer Council has obtained commendable results in protecting the interests of consumers, and

WHEREAS: Consumer problems are nation wide, as well as state wide in scope, and

WHEREAS: A bill to establish a National Consumer Council was introduced in the 1961 Congress,

THEREFORE, BE IT RESOLVED, that the California State Grange and the National Grange support the formation of a National Consumer Council bill if it is re-introduced in the 1962 Congress.

**"COMMITTEE ON UN-AMERICAN  
ACTIVITIES"**

99. **Legis. 34**

**Kings County Pomona Grange No. 28**

WHEREAS: The May 1960 San Francisco hearings of the House Committee on Un-American Activities was accompanied by demonstrations of protest and violence ending in the arrest of sixty-four persons, and

WHEREAS: The events surrounding the committee hearings and subsequent propaganda activity have produced a national controversy involving many organizations and groups; have caused the City of San Francisco, the San Francisco Police Department, the House Committee on Un-American Activities, the University of California, San Francisco State College, Stanford University, and a host of individuals and organizations to be accused, libeled and slandered by partisans of both sides to the controversy,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the State Attorney General to conduct a fact finding investigation into this confusing situation of national interest.

**101. "PROTECTION FOR JURISTS" Legis. 35****San Bernardino County Pomona Grange No. 32**

WHEREAS: It has come to our attention that certain employers throughout the state refuse to let their employees serve on Jury duty, and

WHEREAS: These same employers threaten their employees with loss of their job if they take time off to serve on Jury duty,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the State Legislature to enact laws to provide protection for the rights of citizens and for punishment of offenders.

**TRANSPORTATION, ROADS AND HIGHWAYS**

Worthy Master, members of the delegate body of the Eighty-Ninth Convention:

Brothers and Sisters:

I wish to thank the members of this committee, Brother Nelson Van Horn, Vance Pollard, Raymond Armstrong, and the two young ladies of the youth group, Sue Wright and Sue Payette both of Ceres Grange No. 520. You saw these lovely young ladies as candle bearers in the Memorial Ceremony and again marching as candidates in the Fifth Degree last night.

I also wish to thank the Master of Kern County Pomona Grange, Peter Rodriguez; Master of Morgan Hill Grange, Ralph Emery; Master of Gilroy Grange, Myrle Wolfe; Master of Morro Bay Grange, Wm. Davidson; Master of El Paso De Robles Grange, Gordon Brown and Sister Alberti, District Deputy for their co-operation—and to you of the Delegate Body for your patience and consideration.

Respectively submitted  
Charles E. Davis

**TRANSPORTATION, ROADS AND HIGHWAYS****77. "USE OF GASOLINE TAXES FOR  
HIGHWAY CONSTRUCTION" T. R. & H. 1****Orange County Pomona Grange No. 36**

WHEREAS: The construction of some major transcontinental highways has been deemed necessary for many important reasons, some of the prime reasons being:

1. To serve the purpose of the military.

2. To expedite the fast movement of heavy cargo trucks.
3. To improve inter-state commerce.
4. To create a direct route between our east and west coasts which would have many direct and indirect benefits for all users of such highways, and

WHEREAS: If properly obtained, taxes should come from those who could benefit most from the construction of such highways, and

WHEREAS: Present taxes on gasoline are out of all proportion to the basic cost of the commodity and not in line with other sources of tax revenue.

THEREFORE, BE IT RESOLVED, that the California State Grange go on record as being opposed to any further increases in gasoline taxes whether for highway construction or other purposes.

**"OPPOSE APPLICATION OF SOUTHERN PACIFIC  
RAILWAY TO GAIN CONTROL OF WESTERN  
PACIFIC RAILROAD COMPANY" T. R. & H. 2**

78.

**Plumas-Sierra Pomona Grange No. 18**

WHEREAS: Plumas Sierra Pomona Grange No. 18 gives its full support to the application of the Atchison, Topeka and Santa Fe Railroad Company to the Interstate Commerce Commission for approval of its plan for control of the Western Pacific Railroad Company,

THEREFORE, BE IT RESOLVED, that the California State Grange file on behalf of the Grange a petition for leave to intervene in support of the application of the Atchison, Topeka and Santa Fe Railway Company, and take opposition to the application of the Southern Pacific Railway Company; also to take all reasonable steps in the furtherance of the interests of the Grange in the proceedings before the Interstate Commerce Commission.

**"OUTSIDE MIRRORS ON  
MOTOR VEHICLES"**

T. R. &amp; H. 6

82.

**Ventura County Pomona Grange No. 50**

WHEREAS: In the fast and heavy traffic on our highways, and the ever increasing lane changers, the inside mirror does not give a clear view of other lanes, causing accidents.

THEREFORE, BE IT RESOLVED, that the California State Grange urge legislation to make it a law that all

automotive vehicles, including vehicles in the business of carrying passengers for hire, provide an outside mirror on each side of the vehicle in order to see clearly the traffic on each side.

**"HIGHWAY BETWEEN MENDOCINO AND**

83.

**GLENN COUNTIES"**

**T. R. & H. 7**

**Laytonville Grange No. 726**

WHEREAS: A direct highway between Mendocino County and Glenn County is important and necessary for economic and recreational purposes,

THEREFORE: BE IT RESOLVED, that the California State Grange support the realignment and improvement of existing highway between Mendocino and Glenn Counties.

85.

**"IMPROVE HIGHWAY 44"**

**T. R. & H. 9**

**Ono Grange No. 445**

WHEREAS: State Sign Route 44, which connects the city of Redding with Lassen Volcanic National Park, and continues on to Susanville, is a vital link in the highway system of Northern California, and

WHEREAS: Tourist travel is of prime importance to the cities, towns and resorts on this highway, and

WHEREAS: In its present condition, this state highway is dangerous and difficult to drive between Redding and Shingletown due to the 227 curves, the narrow bridges, and the narrow highway without shoulders, and

WHEREAS: State Sign Route 44 qualified as a Federal Secondary Route and as such, is entitled to federal financial aid for improvement.

THEREFORE, BE IT RESOLVED, that the California State Grange urge the California State Highway Commission to allocate the necessary funds to allow use of matching federal funds to improve Highway 44 to a safe standard from Redding to Shingletown.

**RESOLUTION**

WHEREAS, the need for effective leadership in Agriculture has never been greater, and

WHEREAS: the Family Farm, through high taxation, corporate farming and vertical integration is in a precarious financial situation, and

WHEREAS: the California State Grange, through the active, intelligent leadership of the master and the executive committee, has, through statements of policy to the newspapers, radio, television and personal appearances, clearly stated the Grange objective which is the preservation of the efficient Family Farm, and

WHEREAS: the California State Grange, during the 1961 Session of the Legislature, had a representative who attended and testified before many legislative committees in support of the Grange policies, and

WHEREAS: the California State Grange has been especially active in support of the Dairy Farmers by testifying before legislative committee hearings all over California, and in Albuquerque, New Mexico, at the Western States Milk Conference and in Washington, D.C., on the sales of milk to federal installations at prices that the dairy farmers are losing six million dollars a year, and

THEREFORE, the Board of Directors of California Dairymen, Inc., do commend most highly the master of The California State Grange, J. B. Quinn and the Executive Committee composed of Merle Mensinger, Jackson C. Raines, Lloyd V. Piper and as a token of our appreciation do honor them by presenting each one with a milking stool.

RESOLUTION ADOPTED, October 13, 1961.

California Dairymen, Inc.

Herman Grabow, President

### RESOLUTION OF APPRECIATION

WHEREAS, this 89th annual session of the California State Grange has been made most pleasant and productive by the assistance and cooperation of many citizens of Sacramento as well as Patrons of Husbandry, this delegate body wishes to express its appreciation to—

Sister Clara Williamson, Worthy Secretary, and members of her office, for their untiring efforts in preparing credential lists to facilitate advance preparation of delegate badge cards, as well as use by election and per diem committees and many other operations which contributed to smooth running of this convention;

Brother Ray Clow of the Sacramento Pomona Grange No. 2 and members of his committee for preparatory convention arrangements, including housing, Feast, Floral arrangements, Memorial Music, reception, hospitality and publicity;

The Home Economics Committees of the El Dorado-Amador, Placer-Nugget, Plumas-Sierra, San Joaquin and

Sacramento Pomona Granges for corsages;

The Senator Hotel for use of its facilities as convention headquarters;

The Sacramento Convention Bureau, and especially Mr. Bert Geisreiter and his staff, and Mr. Lloyd Butler, stage manager, for their courtesies and services at the auditorium;

All Sacramento press media, including newspapers, wire services, TV and radio, whose coopération with Mr. Craig Hazlewood and staff of the Grange News resulted in most extensive publicity for our activities, especially the McClatchy Newspapers which had their Mr. John Brosnan covering our convention full time;

The Credit Union National Association for sending Mr. William Atkins to speak to us on credit unions, and the California Credit Union League for statistical data;

Sister Gladys True and members of her committee for the lovely reception program;

Brother Emmett Ivey, Worthy Lecturer, for the outstanding Lecturer's program—especially the tableaux depicting the mythology of Ceres, Pomona and Flora;

Sister Leta Littler, Worthy Chaplain, for a most inspiring Memorial Service, and Brother Jim Littler and his committee for their untiring efforts in staging this and lighting for the courts and tableaux;

The California State Grange Youth Group, under Dr. Carle Fiedler, Director of Youth Activities, for the most impressive exemplification of the Fifth Degree;

Sister Effie Spencer, Worthy Flora, for a fine drill presentation;

The Officers of the State Grange for the Sixth Degree;

Sister Eve Rowe, Superintendent of Juvenile Granges, for the fine presentation by members of the Sacramento and Elk Grove Juvenile Granges;

Brother William Campbell, Worthy Pianist, and to Brother John Gordon, for music for dancing, group singing and entertainment;

THEREFORE, BE IT RESOLVED, that the delegate body of this 89th session return to their homes with the conviction that it has adopted a constructive program, and the firm resolve to make 1962 an important one in Grange progress and achievement.

Jackson C. Raines
