**NINETY-SEVENTH ANNUAL SESSION**  
**OF**  
**CALIFORNIA STATE GRANGE**

**UKIAH, CALIFORNIA**

**TUESDAY, OCTOBER 21, 1969**

The California State Grange opened its 97th annual convention at the Ukiah Fair Grounds Auditorium at 9:00 a.m. State Master Chester Deaver presiding.

Conducted by the Assistant Stewards, the Officers of the California State Grange were seated.

Members who were not members of the Sixth Degree retired to the foyer. The California State Grange was opened in regular form with the Deputies assisting the Assistant Stewards in taking the password for the Sixth Degree.

Brother Lester Wendt, Majove Valley, led the assembly in the singing of "America, The Beautiful."

Presentation of the Flag by the Worthy Flora. "The Star Spangled Banner" was sung by all.

Sister Alice Trimble, Chaplain Pro-tem, led the delegate body in the opening prayer.

**OFFICERS ROLL CALL**

Worthy Master .....	Chester Deaver
Worthy Overseer .....	Emmett Ivey
Worthy Lecturer .....	Kenneth Greene
Worthy Steward .....	Leonard Hendricks
Worthy Assistant Steward .....	Kenneth Bley
Worthy Chaplain .....	Leta Littler
Worthy Treasurer .....	Harry Schmidt
Worthy Secretary .....	Marjorie Brown
Worthy Gate Keeper .....	Albert Moody
Worthy Ceres .....	Doris Schmidt
Worthy Pomona .....	Ardythe Ward
Worthy Flora .....	Donna Bertozzi
Worthy Lady Assistant Steward .....	Carrol Coast
Worthy Musician .....	William Campbell
Worthy Executive Committeemen .....	S. E. "Dick" Rafter
	John Freitas
	Lloyd V. Piper

Roll call found all officers present with the exception of Worthy Chaplain Leta Littler. Sister Alice Trimble substituted.

Worthy Master declared the session open in the Sixth Degree. Closed in the Sixth Degree. Opened in the Fourth Degree.

The Worthy Assistant Stewards escorted the 4th and 5th Degree Members into the hall.

The Assistant Stewards escorted National Grange Overseer and Master of Washington State Grange Lars Nelson and Sister Nelson; California State Grange Past-Master James Blaine Quinn and Sister Quinn to the Master's station where they were presented to the assembly.

Harold Henderson, Mayor of Ukiah; Augustus Avila, Chairman of the Mendocino County Chamber of Commerce; and Charles Lewis, President of the Board of Directors, Ukiah City Chamber of Commerce were escorted to the Master's station.

Brother Arthur Burke, Chairman of Convention Arrangements presented Harold Henderson who welcomed the Grangers to the City of Ukiah on their third visit to this city. Augustus Avila also welcomed the Grangers. Charles Lewis stated that upon learning the many assets of the Grange considered it an honor to welcome the Grangers to Ukiah on behalf of the Chamber of Commerce. Ken Jamieson, who invited the delegation to make Ukiah the Convention City for 1969 during the 1967 convention in Riverside welcomed the assembly.

Worthy Overseer made the response.

Mr. Owen Servatius, Cal Poly College, San Luis Obispo was escorted to the Master's station. Mr. Servatius spoke on the subject of teaching our college students today.

The program for 1969 State Grange Convention was read.

A motion was made by Sister Florence McDougall, seconded by Brother Washington Mannering the program be accepted as revised. Motion carried.

---

Glenn Dorn, Chairman Agriculture Committee made a partial report.

79—"Opposing Hawaii's Boycott of Grapes" Agri. 5

Before any action had been announced by the Agriculture Committee Chairman, a motion was made to Table this resolution. The motion was lost.

The Agriculture Committee Chairman announced the action on the resolution was To Pass As Amended—

A motion was made again to Table the Resolution—Motion Lost.

The resolution was Adopted As Amended.

Recess: 12:10 a.m.

#### AFTERNOON

2:00 p.m. Memorial Services conducted by Worthy State Chaplain, Leta Littler.

**THURSDAY EVENING**

7:30 p.m.—Reconvened in the Sixth Degree.

Dave Thomson, Chairman of the Election Committee announced the election returns.

550 Ballots

484 Ballots Cast

6 Ballots Voided

60 Ballots Returned to State Secretary

By a majority vote the following officers were elected for a two-year term for the California State Grange:

Chester Deaver—Master

Wayne Ralston—Overseer

Ruby Duncan—Lecturer

Leonard Hendricks—Steward

Kenneth Bley—Assistant Steward

Harleigh Gallup—Chaplain

Harry Schmidt—Treasurer

Marjorie Brown, Secretary

Albert Moody—Gatekeeper

Doris Schmidt—Ceres

Ardythe Ward—Pomona

Donna Bertozzi and Ann Larson—Runoff for Flora

Carrol Coast—Lady Assistant Steward

S. E. Rafter—Executive Committee

William Campbell—Musician

There will be a run-off for the office of Flora between Sister Donna Bertozzi and Sister Ann Larson. The polls will open 9 a.m. Friday for the run-off.

Hangtown Grange, Placerville, chosen as Convention Site for 1971.

Brother Arthur Burke introduced Acting-Mayor, Councilman Brother Cyril Hill who has been of great assistance during the Convention to the delegation. Brother Hill addressed the assembly.

Exemplification of Fifth Degree, Patrons of Husbandry, California State Grange Youth Degree Team, under direction of Betty Smith, Director Youth Activities. Brother Jerry Hames, Humboldt County, Team Captain.

**CLASS OF 73 CANDIDATES****FIFTH DEGREE TEAM**

Master: Mike Smith, San Diego County.

Overseer: Hank Hitt, San Diego County.

Lecturer: Brenda Sizemore, Fresno County.

Steward: Jack Coast, San Diego County.

Assistant Steward: Donn Law, San Diego County.

Gatekeeper: Greig Boothby, Riverside County.

Chaplain, Lu Ann Fraguero, Tuolumne County.

Secretary: Bonnie Owens, Riverside County.

Treasurer: Richard Herrmann, Shasta County.

Executive Committeeman: Terry Erickson, Mendocino County.

Executive Committeeman: John Buzzetta, Santa Clara County.

Executive Committeeman: Steve Stutsman, Mendocino County.

Lady Assistant Steward: Barbara Crandall, San Diego County.

Pomona: Nancy Garrison, Fresno County.

Ceres: Alberta Roberts, Stanislaus County.

Flora: Arzella Getchell, Mendocino County.

Court: Jane Twisselman, Tuolumne County; Debbie Burns, Orange County; Jacquelyn Showalter, Los Angeles County; Maybelle Marshall, Los Angeles County.

Spector: Charles Coast, San Diego County.

Musician: Jessie Rafter, San Diego County.

Sister Betty Smith was presented a spray of roses on behalf of the Fifth Degree Team.

The session was raised to the Sixth Degree.

Exemplification, Sixth Degree, Order of Patrons of Husbandry, California State Grange by the Officers. Class of 360 Candidates.

Following the Feast of Pomona, the Grange was lowered to the Fourth Degree.

Closing song "God Bless America."

Grange was closed in the Fourth Degree at 10:50 p.m.

#### FRIDAY, OCTOBER 24

The California State Grange was called to order at 9:25 a.m. by Worthy Master Chester Deaver.

Opening prayer given by Acting Chaplain Alice Trimble.

"God Bless America" was the opening song, led by Brother Lester Wendt.

Presentation of the Flag by Worthy Ceres.

Roll call found all present except Worthy Chaplain Leta Littler. Alice Trimble presiding.

Reading of Journal of Yesterday, approved as read.

Education Committee Chairman Francis Holland made a partial report.

24—"Opposing Busing Of Students" Ed. 7  
Do Pass—Adopted.

Education Nos. 9 and 10 Combined. Using No. 9.

26—"Relative To Granting Tenure To California Teachers" Ed. 9  
Do Pass—Adopted.

28—"Concerning Legislation Forbidding Prayer In School" Ed. 11  
Do Not Pass—Resolution Adopted.

Brother Glenn Dorn, Chairman of the Agriculture Committee made a partial report.

- 1—"Relative To False Statements Concerning The Use of Insecticides" Agri. 1  
No Recommendation—Motion to Table, passed—  
Tabled.
- 2—"Relative To Boycott Of California Table Grapes" Agri. 2  
Do Pass As Amended—Adopted As Amended.
- 3—"Regarding Humane Slaughter of Animals" Agri. 3  
No Recommendation—Motion Do Not Pass,  
Passed—Resolution Lost.  
Closing time for polls placed at 11:30 a.m. Friday.  
Agriculture Committee Chairman Glenn Dorn continued  
with his partial report.

- 4—"Relative To State Fairs" Agri. 4  
Do Pass As Amended—Adopted As Amended.  
A statement concerning State Fairs by Lou Merrill was  
read by Legislative Representative Herman Grabow to the  
delegate body.

National Grange Overseer and Washington State Grange  
Master A. Lars Nelson addressed the Assembly. He thanked  
the California State Grange for the invitation to attend this  
session and brought Greetings from National Grange Master  
Scott and from his 59,000 Grangers in the State of Washing-  
ton.

Dave Thomson, Chairman Election Committee announced  
the results of the re-run for the Office of Flora:

Donna Bertozzi—117  
Ann Larson—337 (elected)  
Mary Carson—1  
Final report accepted.  
Recess: 12:00 noon.

### FRIDAY AFTERNOON

Reconvened: 1:30 p.m.

The Junior Grange rug was displayed. Wyandotte Junior  
Grange No. 178 was awarded the rug this year. Sister Rowe  
thanked the Junior Granges for the gift presented to her. Six  
hundred eighty-one Granges became honorary members of  
the Junior Grange during the Convention, bringing in \$135.00.

Worthy Chaplain Leta Littler donated booklets to the  
Youth, the proceeds of which will go into the Youth Fund.

Agriculture Committee Chairman Glenn Dorn gave a par-  
tial report.

- Agriculture Nos. 6 and 7 combined, Using No. 6.
- 80—"Relative To The Marketing Of Milk Products" Agri. 6  
Do Pass—Adopted.
- 82—"Relative To 1937 Marketing Act" Agri. 8  
Do Pass—Adopted.
- 83—"Supporting A New Classification For Mar- Agri. 9  
ket Milk Products"  
Do Pass—Adopted.

Agriculture Chairman Glenn Dorn made his final report.

Worthy Assistant Stewards escorted Eunice Smith, Credit Union Representative to the Master's Station, where a lucky number was drawn for the watch given by the Credit Union. The winner of the watch was Santa Cruz County Pomona Grange Master Ruth Bevins.

Director of Youth Activities Betty Smith announced booklets are on sale, asked all to buy Youth Grange cushions and also announced that the Youth program will take place at 2:30 p.m.

Good Of The Order Committee Chairman John Ashley presented three Committee Recommendations:

I. Seating Arrangements During Conventions.

II. Recognition of Junior Grange Masters. Motion made to accept these two Recommendations, passed—Recommendations Accepted.

III. Resolution:

"Relative To Per capita Dues Increase"

12½ Cents A Quarter, effective October 1, 1969.

Motion made to accept the recommendation, passed—Recommendation Accepted.

Good of the Order Committee Chairman John Ashley presented his final report. Report accepted.

California State Grange Education Advisory Committee Chairman Francis Holland presented his annual report. Report accepted and will be printed in the Journal of Proceedings.

Education Committee Chairman Francis Holland made a partial report.

87—"The Right Of The Universities and Colleges Of California To Hire Communist Professors" Ed. 14

Do Pass As Amended—Adopted As Amended.

Education Committee final report was given, accepted, and will be printed in the Journal of Proceedings.

Brother Ulyuss Rose, Chairman of Credential Committee gave his final report.

Forty-seven Pomona Granges with 44 represented.

Three hundred thirty Subordinate Granges with 274 represented. 498 Delegates or Alternates.

Report accepted and will be printed in the Journal of Proceedings.

National Welfare Committee Chairman Florence McDougal made a partial report.

National Welfare No. 1 is amended and re-written becoming No. 13.

94—"Relative To Inflation"

Nat'l. Wel. 13

Do Pass As Re-written—Adopted.

National Welfare No. 2 is amended and re-written becoming No. 14.

- 94—"Removing \$52 Billion Dollars Of National Debt" Nat'l. Wel. 14  
Do Pass As Re-written—Adopted.  
National Welfare No. 3 is amended and re-written becoming No. 15.
- 96—"Resolution Regarding Air Pollution" Nat'l. Wel. 15  
Do Pass As Re-written—Adopted.  
National Welfare No. 4 is amended and re-written becoming No. 16.
- 97—"Resolution On Population Increase" Nat'l. Wel. 16  
Do Pass As Re-written—Adopted.  
National Welfare No. 5 is amended and re-written becoming No. 17.
- 98—"Opposing Seizure Of American Boats By Foreign Countries" Nat'l. Wel. 17  
Do Pass As Re-written—Adopted.
- 71—"Relative To The Needed Increased Compensation For Social Security Recipients" Nat'l. Wel. 6  
Tabled In Committee—Tabled.  
National Welfare Nos. 7, 8, 9, 10, and 11 combined, amended and re-written, Using No. 9—becoming No. 18.
- 99—"Relative To Gun Legislation" Nat'l. Wel. 18  
Do Pass As Re-written—Adopted.
- 93—"Concerning Williams Property (Yurok Tribe)" Nat'l. Wel. 12  
No Recommendation—Motion made to amend the amendment; Passed—Adopted As Amended.  
"Smiles" sung by Assembly, led by Brother Ray Cramer.  
National Welfare Chairman Florence McDougall gave her final report. Report accepted and will be printed in the Journal of Proceedings.
- Legislation and Taxation Chairman Theodore Bliss made a partial report.
- 55—"Favoring Tax Exemption For Citizens Over 65" Leg. & Tax 1  
Do Not Pass—Resolution Lost.
- 54—"Resolution Relative To Credit Bureaus" Leg. & Tax 2  
Do Pass As Amended—Adopted.
- 55—"Favoring The Declaration Of A Moratorium On Property Taxes For Homeowners Over Sixty-five With Less Than \$6,000.00 Annual Income" Leg. & Tax 3  
Do Pass As Amended—Adopted.
- 56—"Relative To Local School Taxes For People Over 65" Leg. & Tax 4  
Do Not Pass—Resolution Lost.
- 57—"Resolution Relative To Tax Reform" Leg. & Tax 5  
Do Not Pass—Resolution Lost.

- 58—"Resolution Requesting Initiation Of New Legislation To Revise Or Amend Existing Inequities In The Laws Of The State Of California Pertaining To Assessing And Taxing Of Real Property" Leg. & Tax 6  
Do Pass—Adopted.
- 59—"Resolution Supporting H.R. 6278" Leg. & Tax 7  
Do Not Pass—Resolution Lost.
- 60—"Relative To Closing Of Various Cal-Vet Offices In California" Leg. & Tax 8  
Do Not Pass—Resolution Lost.
- 61—"Increase Of Personal Exemption For Income Tax" Leg. & Tax 9  
Do Pass—Adopted.
- 62—"Taxation On Church Properties" Leg. & Tax 10  
Do Pass—Adopted.
- 63—"Relative To The Printing Of Legal Documents" Leg. & Tax 11  
Do Pass As Amended—Adopted.

#### FRIDAY EVENING

7:00 p.m. Reconvene.

Legislation and Taxation Chairman Theodore Bliss gave a partial report.

- 64—"Relative To Budgets For City and County Governments" Leg. & Tax 12  
Do Pass—Motion to Table—Passed—Resolution Tabled.
- 65—"Relative To Revenue That Will Replace Property Tax" Leg. & Tax 13  
Do Not Pass—Resolution Lost.
- 90—"Resolution Opposing Amnesty To Federal Truth In Lending Act" Leg. & Tax 14  
Do Pass As Amended—Adopted.
- 91—"Resolution On Diversion Or Imposition Of Highway User Taxes For Non-Highway Purposes" Leg. & Tax 15  
Do Pass—Adopted.
- 92—"Relative To Assembly Bill 1618" Leg. & Tax 16  
Do Pass—Adopted.

Final report by Legislation and Taxation Chairman Theodore Bliss. Report accepted and will be printed in the Journal of Proceedings.

Conservation Chairman Washington Mannering made a partial report.

- 5—"Opposing The Sierra Club Siskiyou Wilderness Proposal" Cons. 1  
Do Pass—Adopted.

- 6—"Regarding Water Pollution" Cons. 2  
Do Pass—Adopted.  
Conservation Nos. 3, 7, 11 and 14 combined,  
Using No. 11.
- 15—"Supporting Programs Of Conservation" Cons. 11  
Do Pass As Amended—Adopted.
- 8—"Opposing The Granting Of Acreage In Ex- Cons. 4  
cess of 80 Acres To Walt Disney Productions"  
Do Not Pass—Resolution Lost.
- 9—"Favoring Stricter Standards On Off-Shore Cons. 5  
Drilling Permits"  
Do Pass As Amended—Adopted.

Of Land Within The United States"  
Do Not Pass—Resolution Lost.  
Cons. 8 and 10 combined, using 8.
- 12—"Relative To The Loss Of The Golden Eagle Cons. 8  
Passport"  
Do Pass As Amended—Adopted.
- 13—"Release Of Recreation Facilities Money" Cons. 9  
Do Not Pass—Resolution Lost.
- 16—"Urging Formation Of Civilian Conservation Cons. 12  
Corps"—Do Pass—Adopted.  
Conservation Nos. 13 and 15 combined. Using No. 15.
- 85—"Relative To Publicly Owned Utility Dis- Cons. 15  
tricts"—Do Pass—Adopted.
- 86—"Relative To The Use Of Endrin In Forest Cons. 16  
Reseeding Projects"  
Do Pass—Adopted.  
Committee Resolution Cons. 17  
"160 Acre Limitation Of The Federal Reclama-  
tion Law"—Do Pass—Adopted.  
Conservation Chairman Washington Mannering made his  
final report. Report accepted and will be printed in the Jour-  
nal of Proceedings.
- Brother George Schmidt, Youth Chairman for the selling  
of cushions reported 750 cushions sold bringing in \$1,078.00.  
All booklets donated by Worthy Chaplain Leta Littler were  
sold bringing in \$139.00. The proceeds from the Youth Break-  
fast was \$397.30. \$50.00 was donated by G.I.A. towards the  
expense of the purchasing of the cushions. The Youth made  
\$957.00 Net during the convention.
- "When You Wore A Tulip" was sung by the Assembly.
- Transportation, Roads & Highways Chairman Meredith  
Painter gave a partial report.
- 77—"Use Of Vehicles On Public Lands" Trans.  
Do Not Pass—Resolution Lost. R&H 1  
Transportation, Roads & Highways No. 2, and  
No. 4 Combined, Using No. 4.

- |  |                 |
|--|-----------------|
| 101—"Relative To Railroad Passenger Trains"  | Trans.          |
| Do Pass—Adopted.   | R&H 4           |
| 100—"Protesting Use Of Gasoline Tax For Other Than Specified Use Of Roads and Highways"—Do Pass—Adopted. | Trans.<br>R&H 3 |
| 102—"Supporting President Nixon's Public Transportation Proposal"  | Trans.<br>R&H 5 |
| Do Pass—Adopted.   |                 |

Transportation, Roads and Highways Chairman Meredith Painter made his final report. Report accepted and will be printed in the Journal of Proceedings.

Harry P. Schmidt, Chairman of the Advisory Committee on Taxation, California State Grange, presented his report. Report accepted and will be printed in the Journal of Proceedings.

Lloyd V. Piper, Chairman of the Mileage and Per Diem Committee made his final report. Report accepted and the report will be printed in the Journal of Proceedings.

Building Fund Report made by Brother Lloyd Piper.

Legislative Representative Herman Grabow addressed the assembly concerning the cooperation of members.

Worthy Master and Sister Deaver thanked all for making this a very gratifying and pleasant convention.

Brother Lester Wendt, Deputy of Mojave Valley read the Resolution of Appreciation. Resolution adopted and will be printed in the Journal of Proceedings.

Motion was passed that the minutes of today's session be approved by the Executive Committee and be printed in the Journal of Proceedings.

Past-Master and Sister Quinn addressed the assembly.

Recess 10:30 p.m. for the Installation of Officers.

Brother John Freitas, Deputy of Southern Sonoma County was in charge of the Installation.

Marshall: Jessie Rafter

Emblem Bearer: Darylene Garrison

Regalia Bearer: Marjorie Bley

Master: Past-Master James Blaine Quinn

Chaplain: Ruth Quinn

Musician: Helen Stith

Soloist: John Bertozzi

Installation of State Grange Officers.

Closing of the 97th session of California State Grange as the Delegation circled the Altar and sang "God Be With You 'Til We Meet Again" at 12:22 a.m.

Fraternally submitted,  
Marjorie Brown, Secretary  
California State Grange

## MASTER'S ANNUAL ADDRESS

*Worthy Master, Officers and Members of the California State Grange:*

Nine years have passed since last we assembled in annual session in this beautiful City of Ukiah. Many of us here today, carry fond memories of the courtesy and hospitality accorded us by the citizens of this city during our 1960 session.

Every effort has been put forth by our host County of Mendocino with the cooperation of its neighboring counties, to make this 1969 session equally memorable.

The City of Ukiah nestled in this pleasant valley surrounded by majestic mountains, provides an atmosphere for clear, positive and objective thinking as we deliberate upon and devise resolutions for the agricultural, social and economic problems of the day.

### AGRICULTURE

We have traditionally looked upon agriculture as the business of feeding the Nation. American farmers, today, have become not only a minority of our population group, but actually have also become a minority of those engaged in the business of feeding the Nation. As a result, an increasing proportion of the food consumers' dollar goes to those engaged in the production of materials for and the manufacture and distribution of farm machinery, fertilizer and chemical supplies, materials for packaging and the processing and distribution of food products. In other words, most of the housewife's food dollar is divided among or passed on to factory laborers, businessmen, brokers, wholesalers, jobbers and retailers and other integrated component parts of our complex economic structure. Thus, the great bulk of food production and distribution costs are inflexible, being largely controlled by labor contracts, wage and welfare legislation, business methods, price basing and price fixing procedure and other factors over which neither the housewife nor the farmer has appreciable influence. The *net income* of the food producer though, representing at best only a thin slice of the food consumer's dollar, is the portion which must absorb both the ire of the resisting consumer and the impact of lower market prices for food.

Here then, is the heart of the modern farm problem: to maintain the stability of and a parity ratio for the producer's net income slice of the consumer's dollar. No other factor is as important in maintaining world peace as to keep the American economy strong.

To keep the American economy strong, agriculture must be kept strong. Agriculture is a basic part of our total economy and to permit it to decline to inequitable low levels of income, not only reduces farmers to the status of second class citizens, but eventually adds an excessive burden to the total economy. Agricultural income continues to decline, while

wages, salaries, returns to processors, and manufacturers, commercial trade, transportation, and most other major segments of the economy, have risen to their highest level in the Nation's history.

Along with the growing disparity between farm and non-farm income, there has always been a widening disparity within the structure of agriculture itself. Farms are growing larger and the total number of farms is growing smaller. In part, this a consequence of technological advances in recent decades. But there are other and much less desirable aspects to this trend. Economic pressures, often prompted by government policies are squeezing many family type farms of moderate size. In distressed circumstances, owners are reluctantly selling parts or all of their farm holdings to escape a steadily mounting burden of debt.

Government programs in recent decades have too often favored the larger, corporation-type farm to the relative disadvantage of the great numbers of moderate-sized family type farms. This trend should be reversed by modifying and developing government programs in a manner to sustain the family type farm.

The arithmetic of agriculture plainly shows that government price support and subsidies have fallen far short of offsetting the income drain on agriculture by business and labor. Indeed, farmers have actually served as middlemen to funnel taxpayers' money into the hands of processors, distributors, and suppliers as the charges of these latter groups have gone up.

Agriculture's tremendous gains in production efficiency and in enlarging productive capacity, have back-fired on farmers because they have not been accompanied by comparable gains in marketing and bargaining strength. Practical ways can and must be developed and applied to influence or manage the volume of supply going into the market.

Farm commodity programs should be developed commodity by commodity to meet the unique production and marketing requirements of each commodity and serve the best interest of the producers. Such programs should have, as a prime objective, a return to producers for their labor, capital investment, risk and management that is comparable to the return for these factors in other parts of the economy.

It has always been the position of the Grange that control of farm programs should be in the hands of producers. Producers themselves must face their responsibility for effective control and management of their production, if they are to receive an equitable income, resulting from a balance between supply and demand in the marketplace. It is the responsibility of producers to assist government in the development of such programs when needed, and to abide by provisions of the program once they are developed and approved by producers through democratic procedure.

Those of us who have lived through the agricultural revolution, who have seen the abundance possible, are suffering from the result of it. By releasing many millions of persons from the necessity of tilling the soil, the agricultural revolution has enabled the rest of our economy and society to grow to its present developed status. If farmers today produced at the productivity level of 1910, in order to feed our population which is over 200 million, we would need to have kept 20 million persons in our farm labor force and have that many fewer for manufacturing, trades services, professions and arts.

It is evident then, that the agricultural revolution has already made an important and beneficial contribution to the welfare of our country. But what has it meant to those most directly involved in it—to farmers and rural communities? Has it been an unmixed blessing? The answer, unfortunately, is no.

Instead of being the chief beneficiary, the farmer has been the chief victim of the revolution. Because he did not recognize and control soon enough the forces of change, the farmer now finds himself in a desperate struggle for survival. He and his government have found no adequate answer to the chief problems that have resulted from the agricultural revolution—the seemingly uncontrollable tendency of production to over-run effective demand and cost price squeeze which leads to bankruptcy, and the accelerated exodus from farms and rural communities to cities, often with disastrous results to both.

American agriculture, American farmers, and Congress have fought with these problems and in most instances have accomplished much. They have labored hard and labored long in an attempt to find answers to the problems of American agriculture. Over the past years, two alternative approaches to the farm problems were attempted. Both failed or partially failed, primarily because of the lack of political acceptance.

During the Eisenhower years, a valiant attempt was made to return the farmer to the free market. Following that, the Kennedy administration attempted to implement a system of Government-run supply-management, using direct, mandatory controls. Both of these approaches have been found wanting. I believe one must look at these successes of the past administrations and take from them portions to mold the agriculture programs of the seventies. The soil bank was not a great success, but it was an experiment from which we have learned what we know today about how to withdraw land from farm production. The successful innovations of the past decade should be important parts of any answer to the problem we now face.

In the short run, our choices amount to an economic and political dilemma. We will continue to have the political dilemma that faces U. S. politicians and we as farmers and producers, until as a nation, we adopt a national policy on food and fiber. Once we have made the decision that it is in the

national interest to maintain farm income at somewhere equivalent or equal to the non-farm sector and at the same time provide the managed abundance of food and fibre to the American consumer at fair and reasonable prices, we will continue to have the political dilemma that faces us today.

For an industry as complex as modern agriculture, the development of programs providing appropriate supply-management opportunities to farmers will properly take time, invite controversy and require the test of experience and sound judgment. There is no quick or easy answer—no one program will provide a solution to the problems. Programs developed on a commodity-by-commodity basis are required and the program for each commodity must involve the use of that combination of economic devices best suited to the particular commodity. Each such program should seek to:

- (a) Obtain parity of income to producers.
- (b) Use special economic devices necessary to get farm income from users of farm products instead of from taxpayers.
- (c) Encourage a continued program of abundance.
- (d) Increase producer bargaining power.
- (e) Provide producer-managed marketing programs.
- (f) Provide self-help producer opportunities.
- (g) Expand agricultural exports.

Results of such an array of programs should:

- (a) Raise net farm income.
- (b) Drastically reduce government farm program costs.
- (c) Assure farm operators a maximum degree of freedom in the management of their business.
- (d) Restore to private traders primary responsibility for the handling and sale of farm commodities.
- (e) Permit competitive sales in world commerce without taxpayers' subsidies.
- (f) Allow competitive efficiency instead of government control to determine farm production patterns.
- (g) Permit price to serve its proper function in the market-place.
- (h) As far as possible, define production controls in terms of marketing units—bushels, bales, pounds, etc.

The agriculture and complexity of effective and equitable supply control and management programs are frequently such that they can function only with the help of government, where necessary. Therefore it is a proper function of government to provide programs through which producers themselves can effectively control, regulate and manage the supply of their commodities. Wherever feasible, government control should be avoided. In no event should a program of supply control or management for any commodity become mandatory until approved by producers of the commodity voting in referendum.

## EDUCATION

So much has been written and said of the high importance of a sound and broad educational program within the framework of a Democracy that little else seems left to say.

Somehow, I feel that the importance or the prime place of education in our well-being has been so completely accepted and taken for granted that we have come to think of it as being only a fit subject for a professional approach. Then we have failed to concern ourselves about what the professionals do with the assignment. Our modern society requires a great deal more than a variety of skills and abilities. It requires more than that these skills and abilities shall rest upon a power to read and write.

The most important fields from which we harvest or glean are the fields of the mind. They may be productive only in terms of the manner and extent to which they are cultivated, just as surely as this is true in the fields of your farm and mine.

A very great American of an earlier generation once pointed to a fundamental difference between an "educated" boy and one "uneducated." He differentiated between the two by saying that the former had learned to ask pertinent questions as to why a given situation may have resulted and to calculate the likely situation, given a certain set of circumstances and conditions.

Have you been a part of the committee to discuss curriculum and other vital features of our schools with your school principal or the teachers? Perhaps there is a real value in a modern "life adjustment education." We should challenge, however, the trivia, but equally, we should support the sound and constructive in our educational system. Intellectual training the practice of thinking logically and progressively, from cause to effect, all with a generous application of the lessons of the past—our own history are completely necessary for intellectual training required for the survival of our civilization, if that civilization is to have a place anywhere for self-government. Our educational system has great numbers of able, devoted educators who are dedicated to serving the children and youth who follow us and to train them to meet adequately the problems and challenges of their times. There are others who are not meeting the challenge of this generation. Wise counsel and support from Pomona and Subordinate committees would encourage all of them greatly in their efforts. The net results might be surprisingly significant and gratifying. Such a cooperative effort should review the curriculum and its purpose or objective. It should take account of sound teaching techniques. It should appraise the total school program. This sort of suggested citizen interest on the part of Granges has in mind the kind of an educational system and program that has given birth to the intellectual effort that has built and strives to improve, our present society.

The media of mass education or propaganda can be a tremendous force of good or for evil. Not only our manners and morals but also our political, social, and economic philosophy is formed to a considerable extent by what we hear and see. Because of the tremendous influence that movies, radio programs, and literature have on molding the lives of our children and thus in determining the future of our nation, Grange people and people everywhere should take action to secure a wholesome environment for their children. Constructive movies, radio programs and literature are positive forces for good and should be supported and strengthened. The negative forces of immoral and destructive movies, radio programs, and literature should be opposed and eliminated.

The degree of accuracy to which this delegate body appraised our present day educational turmoil if left unchecked can be found in action taken at the 1965 convention.

At that convention held in Bakersfield by resolution, they stated, and I quote, "The situation on the Berkeley Campus is getting out of hand, and

Whereas: the breaking down of any and all semblance of law and order can only lead to mob violence and ultimate anarchy, and,

Whereas; The use of obscenity either verbal or printed, should be grounds for immediate expulsion from university campuses, and,

Whereas; A thorough and complete Senate investigation should be made immediately, and

Whereas; The investigation should be made to include students who are known to be troublemakers, the faculty and also the Board of Regents, and

Whereas; The University of California or any educational facility being financed by the taxpayers of the State of California should demand and make mandatory, that all students must appear, on said campuses in a neat and presentable manner and conduct themselves as ladies and gentlemen at all times, and,

Whereas; This resolution is not intended in any way to discredit or degrade the honest and sincere student who attends the University for the purpose of securing an education.

Therefore, Be It Resolved, that the California State Grange go on record as respectfully requesting the duly elected representatives to bring about these corrections and take immediate action to alleviate this deplorable situation." Unquote. Four years have passed and what then was termed college unrest has developed into violence, destruction of property and injury to persons.

This appears now to be a designed movement calculated to break down, if not completely destroy our educational system. This violence has now spread across the entire nation involving hundreds of colleges and universities, high schools, and to some degree the elementary level of education.

In many instances, students attending these institutions of learning, seeking to prepare themselves for a future constructive life, are forced to move from class to class in groups for their own safety and protection.

School plant facilities, constructed by tax monies are being damaged and vandalized requiring large sums of money to restore. Fathers and mothers watch their children depart for school and then wait with fear and anxiety their safe return.

In many instances, this violent movement has overflowed into the streets of our cities, destroying property and endangering the lives of innocent people.

We recognize the right of protest, dissent and peaceful demonstration. Likewise, we must recognize that hundreds of students entering these institutions to gain an education must be allowed to do so without interruption by violence, intimidation and fear of personal safety.

### COOPERATIVES

Everyone will recognize there is a need today to improve the farmers' bargaining position in the marketplace. All of us are, I believe, familiar with the circumstances that led to the dramatic erosion of the economic strength of the individual farmer. The economic weakness of the individual farmer when dealing alone with a giant, highly sophisticated commercial processor or packer, is a fact that is tinged with considerable irony. The irony is that the farmer has become the victim of his own excellence.

According to calculations of the U. S. Department of Agriculture, (U.S.D.A.) the average American farmer today produces enough for more than 45 persons. By contrast, the Russian farmer produces only enough for four persons. By any criteria, this is a magnificent achievement.

This efficiency has reduced the food budget of the average family to about 18 percent of its disposable income. The consumer has benefited greatly from the imagination, efficiency, and outstanding productive record of the American farmer. However, this great record of production has been accompanied by a cost-price squeeze and lower net margins on the farm so that there has been an average loss of approximately 145,000 farms each year from 1950 to 1965. There has been a reduction from over 5.6 million farms in 1950 to nearly 3.4 million in 1965—and the trend continues.

Farm population as a percentage of the total population has also dramatically decreased. In 1920, the farm population was 30.1 percent of the total U. S. population. In 1930, it was 24.9 in 1940, it was 23.2, in 1950, it was 15.3, and in 1960, it was 8.7. We are informed that farmers now represent only about 6 percent of our total population. No educated person can hear those figures without being aware of great social and economic changes happening before our very eyes.

The farmer is leaving the farm in the United States because he is not being paid enough for the product, commodity or animal that he is growing or producing for the market. He simply isn't being paid enough to stay in business.

At no time has there been greater need for more and more effective cooperation by farmers to overcome the age-old and urgent weakness in the market place. This can be accomplished through the California Marketing Act proposed by the California State Grange and adopted by Legislative act in 1937.

Basically, of course, a cooperative is a technique that groups of persons use, either to increase their incomes or to stretch whatever incomes they have. It has worked well for many people. Farmers, more than any other occupational group in our society, have used cooperatives successfully, imaginatively and effectively. They have seized many opportunities to make cooperatives an integral part of farming.

Small farmers use the cooperative technique to become successful producers. They have done so for 50 years and they will continue to do so in the future. Occasionally, some have suggested or implied that cooperatives should offer membership only to successful farmers. Those who do so forget that if we had divided farmers into the successful and the unsuccessful 10 years ago, and consigned the unsuccessful to non-farm occupations, many who are now known as successful farmers would not be farming today.

Cooperatives generally recognize this and I hope they will continue to do so. Income barriers that exclude some farmers while admitting others are contrary to the cooperative spirit.

As farmers or producers of a commodity, we should look at the purpose of marketing orders to *first*, regulate the market in such a way that forces within the market will not destroy the market itself.

Through the California Marketing Act, we have applied principles of this kind to many California crops primarily in the perishable fruits and vegetable commodities.

Survival of the family type farm and of rural America as we know it, depends on who is going to control farming. Will farmers let the opportunity for doing the agribusiness job pass by or will they join together through cooperatives to do the job for themselves?

While agriculture knows it faces a crises, the nation is not aware that this is also a national crises. Our entire population needs to be concerned about how to maintain a healthy rural economy with family operated farms.

This is the situation as I see it and as we plan to analyze and dissect it—as well as other problem topics at this 97th Annual Session of the California State Grange.

## NATIONAL WELFARE

Our National environment is undergoing rapid change. No longer can we feel secure from outside interference because of vast oceans and scientific superiority on land, sea, and air. Our world and our nation have witnessed the annihilation of space and time. To this change, we have neither become accustomed nor fully adjusted. We are faced with pioneering and research, which makes obsolete, many of our established concepts of economic and social relationships. We are faced with the necessity to utilize our vast resources of men and material and intensified, scientific knowledge to continue maintenance of our position of world leadership and prestige.

The increase in our standard of living during the past 50 years is largely a result of increased efficiency and increased production. The greater the efficiency of labor, the larger the volume of goods that can be produced and distributed. However, this efficiency has been accomplished by an increasing drain on our basic natural resources. Our economic progress has been accomplished all too frequently by excessive exploitation and exhaustion of our resources. Better husbandry of our basic resources is needed. Continuation of a sound program of conservation and development will be necessary to sustain our growing economy.

To achieve this program, we should continue to rely primarily on local initiative and enterprise such as we have in soil conservation districts, coupled with state and federal participation.

Any program entered into by the Government for the purpose of stabilizing or stimulating the economy, should be kept in balance and meet that type of physical and economic soundness and be designed to produce maximum national benefits.

A national policy for renewable natural resources should include the following listed features:

- (1) Safeguarding of our inter-related resources of water, soil, forest, wildlife and recreational values from exploitation, neglect waste or unnecessarily rapid use.

- (2) Wise management of these resources with the object of increasing their maximum contribution to our living.

- (3) The use and development of these resources in a manner which will preserve the fullest opportunity for individual enterprise and cooperative strengthening of local and regional economies.

- (4) Provision for expended recreational use of resources and the preservation of the largest number of natural recreational areas that is consistent with other needs of an expanding population and economy.

- (5) Maintenance and enlargement of opportunity for the application of research, skill, initiative and cooperative effort to the development and utilization of our resources.

(6) Coordination of private, local, state, and federal resources development activities to the extent desirable to promote attainment of these general objectives.

### TAXATION

Tax liability must be based on *ability to pay* and *benefits received*. In tending to over-emphasize ability to pay, we have almost actually ignored it.

The placing of greater portions of the gross tax liability on corporate businesses of the nation has actually been a method of passing that tax liability on in the form of hidden taxes to the ultimate consumer. The family of low income and large needs, pays the tax liability of utility corporations or other suppliers of necessities out of all proportion to its ability to pay. By the same token, the family receiving high income and oft times, with less food and fewer pairs of shoes to purchase, is not taxed according to ability to pay in this method of raising governmental revenue.

Just how much of the income tax liability should be shifted from business to individuals in the present period of high governmental expenditures is difficult to determine, but surely a movement in that direction, coupled with a highly graduated personal income tax scale, is sound and will contribute to greater purchasing power in the hands of the masses and should provide an opportunity to honestly and courageously approach realization of the goal of basing tax liability on ability to pay.

The tax structure should be so constituted as to fall as equally as possible on all individuals and all segments of the economy, according to the income and resources of each. Accordingly, no individual or industry should enjoy unduly favorable or unreasonable advantages nor should any industry or individual be penalized by unfair tax levys or regulations.

In my opinion, one of the most urgent needs for tax reform is the need to amend the internal revenue code to prohibit any substantial portion of losses incurred in farming operations being held as tax deductions or tax write-offs against profits from non-farm operations.

Senate Bill 500 and H. R. 4257 introduced in the last Congress had the support of the California State Grange and the National Grange. Enactment of the concept of these bills into law would effectively stop the outrageous misuse of the tax reporting procedures that were designed to help family farmers simplify their reporting. These bills would effectively eliminate the unfair competition created by tax-loss farmers who use farming operations to farm the Internal Revenue Code.

The crops they want most are losses in farming. Their profits come from tax write-offs against profits from their principle business or profession. These operators are creating very unfair competition for farmers who farm for a livelihood.

## LABOR

Free enterprise in Democracy depends upon an economy of reasonably full production and freedom from monopolistic practices for labor, industry and agriculture alike. There is a sound social, moral and economic basis for these views.

Labor Unions have a useful place in the nation in order that the combined economic strength of industrial and professional workers may offset the power of organized or big industry and finance.

Organized labor has more to gain by adopting as its primary objective, in contrast to a prime policy of higher wages and shorter hours, the maintenance of a steady, reasonably full employment and an economy of full production—a principle which applies equably to all economic groups and can be made a basis for cooperation between all groups. In short, labor should place security of employment and output first in all its policies.

We recognize the right of Labor to strike when a majority of the members of each local union have voted to participate therein. But when a strike or threatened strike becomes a serious menace to public health, safety and the general welfare, the use of the injunction and compulsory arbitration is justified.

The Grange is not unmindful of the benefits achieved by labor through organization. It is clear that the exploitation of workers by unscrupulous employers could not have been curbed without the employees banding together.

It is regrettable that unscrupulous, even vicious individuals have established themselves in positions of responsibility and trust which they have violated with impunity. The actions of this minority have brought embarrassment upon the honorable officers and members of organized labor and have shocked and alarmed persons in all walks of life.

There appears to be a well-nigh universal demand for legislation that will restore democratic control to union membership. Such legislation should close the door to holding office by persons who have been convicted of felony or who are known to have communistic connections and should assure such financial accounting as will enable the membership and the public to know that union funds are being properly used.

We recognize the right of workers to bargain with their employer in the same spirit that we support the farmers right to bargain in the marketplaces for his fair share of the consumer's dollar. To do otherwise would be inconsistent with the workers' right of free choice. However, as there are safeguards in the laws pertaining to farmer bargaining authority, thereby protecting consumers from unfair and unreasonable prices, there should also be provisions in the labor law that gives the farm worker the right to bargain which protect the farmer from unfair labor practices and strikes at critical times during the development of his crop.

There now exists in this state, a labor dispute in the table grape industry originally directed at one or two large corporate operators. The inability to find a ground to resolve these differences has now motivated certain labor organizations to move into a secondary boycott tactic which if allowed to continue, could well destroy the market of the family farm operators and growers of table grapes representing 77 percent of the table grape production.

It should be understood and appreciated that the average acreage size of this 77 percent growers of table grapes has been calculated to be 48 acres. This 77 percent growers have never, and do not now, have a labor dispute. It should be recognized that in boycotting a food commodity market, you are depriving the consuming public of their right of choice in the marketplace.

In my opinion, it should be the position of the Grange that we have now arrived at a point in this labor problem where we must have a legislative vehicle which, if designed in the best interest of employee, employer and consuming public, should bring about a resolution of these differences. Senate Bill 2203 introduced in the National Congress by Senator George Murphy, received California State Grange support as a step in the right direction. We should continue to foster and seek National Grange support to effect legislation of this nature.

### CONSERVATION

The orderly development of the soil, water, timber, and other natural resources is essential to the welfare of present and future generations. Recurrent floods in our valleys inflict heavy damage to crops, soil, and property each year. Thousands of acres of land have been made worthless and the future well-being of our nation is threatened by this situation.

The problem of flood control, development of navigation and the conservation of soil, water, timber and other resources is national in scope and requires the cooperation of individuals, communities, states and the Federal Government. Congress has set up such agencies as Soil Conservation Service, Bureau of Reclamation, Army Engineers, and others, to deal with specific aspects of the general problem. Many states likewise, have developed programs. It appears that each agency is developing its own plan without too much regard for the "overall" situation, so that duplication, friction, and waste result. There is now an urgent need for coordination in this field.

The mounting pressure on the natural resources of the country emphasizes the urgency for conservation and wise use of the Nation's remaining supplies of productive land and water. Land owners and local communities have a key roll in this conservation work. Soil and water conservation districts constitute a tested, effective means for the exercise of this essential local responsibility.

These districts constitute local self-government in one of its clearest forms. They represent a desirable, democratic approach under state law and with local leadership toward the ultimate solution of impending land and water conservation problems.

In their establishment and functioning, districts are thoroughly compatible with traditional Grange principles and policies. Indeed, it is appropriate to recognize that the Grange has been instrumental over the years, in the sponsorship and support of many hundreds of individual districts as well as the nation-wide district movement. We would advocate continuing development and support for districts as a means of advancing the protection and improvement of the nation's land, water and related natural resources—including wildlife, forests, and natural recreational areas—for the ultimate benefit of all Americans.

### **COMMITTEE ON WOMEN'S ACTIVITIES**

The Committee on Women's Activities has completed another successful year of operation.

Under the State Directorship of Sister Gladys True, assisted by her District Directors and with the support and co-operation of the Pomona and Subordinate Grange Committees, they continue to make that great contribution which enables the Grange to render invaluable services in the field of community and human needs.

The record which they have compiled in this field of service demonstrates beyond question that they have given of their time, talent and energy above and beyond that which normally would be expected.

When we analyze the benefits that accrue from their efforts, we can truly say, Yes, they are the right arm of the Grange!

A detailed report of this past year's activities of the C.W.A. Committee will be rendered by State Director, Sister Gladys True and made a part of the record in the Journal of this 97th Annual Session.

### **JUNIOR GRANGE**

The Junior Grange Program under the direction and guidance of Sister Eve Rowe, State Superintendent, continues to move forward.

The National Grange Quarterly Report, ending March 31st, places California third on the National level in Junior Granges organized and reactivated. By this renewed Junior Grange activity, we are not only rendering a service in a great area of need, but truly sewing the seed that will grow future Subordinate Grange members.

We would be remiss in this report if we did not express our gratitude to those Junior Matrons and Patrons who have given so much of their time, patience, and tolerance in guiding and directing these Junior Grange members.

State Superintendent, Sister Eve Rowe, will render a report in detail on the Junior Grange activities of this past year and it will be recorded in the Journal of this 97th Session.

### **YOUTH**

Every member may have pardonable pride in the growth and importance of our State Grange Youth Program. Under the able leadership of Sister Betty Smith, State Director of Youth Activities and with the patience and assistance of Brother Smith and the cooperation and support of the Youth Advisors along with the Youth Committee, we can, I am sure, look forward to continued progress in this important field of Grange Service.

We would earnestly urge all Pomona and Subordinate Granges in California to invite more young people to become members of their Granges, not only will it be of value to their Grange, but of far greater value to their young people who will have the opportunity to participate in this movement.

We are pleased to welcome the Youth to this convention and extend the usual invitation to attend the working session committee meetings.

A complete and detailed report will be rendered by Sister Betty Smith and recorded in the Journal of the 97th Session.

### **MEMBERSHIP**

The Membership Builder Program instituted last year, appears to be well received and continues to bear fruit.

Last year, eight regional conferences were held. As a result of these conferences and with the cooperation of Subordinate and Pomona Grange units and their membership, we were able to reverse a loss trend and register a substantial net gain in membership.

This year, through the cooperation of the Deputy Force in setting aside one of their annual conferences, thereby making the revenue available to fund the program, we were able to conduct 30 regional conferences.

The June quarterly report this year, places us once again in the net gain column with 174 Subordinate Granges registering a net gain in membership.

Sister Elsa Hadley, your State Director of Membership, will render a detailed report which will be made a part of the Journal of this annual session.

### **GRANGE NEWS**

When the California Grange News was established in 1932, it was the intent to make it the means by which Grange members throughout California could be informed on activities of the State Grange and through the news columns, the activities of Pomona and Subordinate Granges.

It is apparent the California Grange News is of great value to our Grange membership.

The California Grange News continues to expand and improve its position as the recognized outstanding agriculture publication in California.

The Grange News stimulates interest in all Grange activities throughout California and as usual its special additions such as conservation, education, State Fair and other features have been accorded wide recognition. Under the able guidance of Editor and Business Manager, Brother Jack Berry and his efficient staff, the Grange News look forward to expanded service.

Brother Jack Berry will render a detailed report for the Journal of this annual session.

### **GRANGE INSURANCE ASSOCIATION OF SEATTLE**

The Grange continues to direct its efforts toward those cooperative group programs which accrue benefits to the individual member: such as Grange Insurance of Seattle. The Grange Insurance Association of California is now merged with this association which makes a strong, complete, well-managed affiliate to protect members of all branches of general insurance, fire, automobile and allied risks.

Congratulations to the combined forces of these Grange supported institutions.

There is ample evidence of financial savings through the operations of these adequately financed and effectively staffed affiliates.

The Grange Insurance Association of Seattle is located in its own headquarters building at 925 Howe Avenue, Sacramento, with agents located at convenient points throughout California to properly service all our members.

### **WORKMEN'S COMPENSATION**

Through agreement with the Truck Insurance exchange, our members employing agriculture labor have a strong policy and when losses by accidents are reduced to a minimum, a substantial dividend is returned to Grange member policy holders. This is another feature which makes Grange membership in California so attractive.

### **CALIFORNIA BLUE SHIELD HEALTH PLAN**

This program adopted in 1946 continues to render hospital, medical and surgical services to thousands of Grange members in California. It is still favored by a large segment of our members and its benefits as a group are limited to members of the Grange in California and their families.

### **COMMERCIAL INSURANCE COMPANY HOSPITAL & MEDICAL PLAN**

The Commercial Insurance Plan entered into in 1965 offers a sound and most liberal hospital, medical and surgical program for Grange members.

### **GRANGERS BUSINESS ORGANIZATION**

This supply system of the Grange in California justifies its worth in continued money-savings for petroleum products, wire, fencing, pipes, roofing and most all necessities for modern farm and home equipment. The G.B.O. during its years of profitable service has returned millions of dollars to its members in savings.

We, therefore, most respectfully suggest our membership acquaint themselves with the equipment and supplies available through the Grange Store located at 3823 V Street, Sacramento, California.

### **CREDIT UNION**

In 1934, representatives of the National Security Administration called at the State Grange headquarters to learn if the California State Grange would have objections to organizing Grange credit unions in California and if such a movement was undertaken, would the State Grange support the organization of credit unions. This was the beginning of Grange credit unions in California.

The credit union movement has grown until today, California leads all Grange states in the number of credit unions in operation.

These Grange Credit Unions forge a strong arm of the Grange—they are a bulwark for financial stability. They encourage thrift in providing loans with life insurance to protect both borrower and beneficiary.

They provide adequate financing when needed by members. They are owned and operated by Grange members and their steady growth is a sign of their filling the needs for money saving loans.

We urge all members of the Grange to investigate the many services available through our credit unions. Each Grange member in California can have a part in this demonstration of cooperation.

---

Time and space will be allowed at this session and in the Journal for a more detailed report by the administrators and directors of the above mentioned Grange affiliates.

### **GOOD OF THE ORDER**

Three years from now we will be opening our 100th session of the California State Grange.

In preparation for discharging the duties and accepting the responsibilities that are legitimately ours in the Grange for the remainder of this century and in order that we might assure the capability of the Grange to more effectively start its second century, I would propose that we now set ourselves to the task of being sure that every Grange leader in our state recognizes the necessity of cultivating a positive, aggressive program of building the Grange. We should immediately set

out to achieve No. 1—A definite and vigorous growth. No. 2—Full retirement of the debt on the new Grange headquarters. No. 3—The creation of a necessary financial back-log and financial support of our State Grange activities to match the degree of acceptance of personal responsibility that we must seek at every level.

In short we must set ourselves to the task of being certain that the widespread sin of indifference shall not exist in our ranks. Indifference to the acceptance of responsibility is tantamount to the abdication of the right of self-government.

Membership growth is only partially a result of a service program that deserves that growth. There is an old business axiom to the effect that all public relations and advertising in the world are of no avail without a sales force in the field. I would point out that all of the service programs of which the Grange is capable will not automatically produce membership gain. We must plan to achieve that membership gain, then carry out our plans. We must build an even better service program. We must build membership—not one or the other, we must do both!

Whether the Grange is really "America's Greatest Force for Community Improvements," as has been said by several of our friends, it is not my purpose now to judge or debate.

It is safe to say, however, that we have certainly proven ourselves to be a very great force for improving the rural communities where our Subordinate Granges live and function—but we can do better!

There are still a few Granges scattered across this state that do not report specific community service activities. Perhaps these remaining Granges can be brought into this program which is so clearly in conformity with the basic purpose and philosophy of the Grange—namely, that we *do accept* our responsibilities and we *do intend* to stimulate action on the basis of that acceptance of responsibility.

Since our 1968 convention, held in Fresno, there have been four Subordinate Grange Halls dedicated:

Aptos Grange No. 800—Santa Cruz County  
Sierra Nevada Grange No. 454—Placer County  
Fair Valley Grange No. 752—Los Angeles County  
Laytonville Grange No. 726—Mendocino County

The construction and dedication of these halls indicate enthusiastic Grange effort and interest and provide not only a home for their Granges but bring into existence, a facility where many important community activities may occur. We extend our most hearty congratulations to these Subordinate Granges on their efforts!

Few indeed, are the forces in our land (or in the world) that can be more potent than can this Grange of ours if we, to the most effective extent that is possible, utilize our Grange

meetings in 330 different rural areas (of this state) to *No. 1*—Stimulate and build informed public opinion. *No. 2*—Ask every Subordinate and Pomona Grange Master in this state to set up an active committee structure in his Grange to delve into educational problems, road problems, tax problems — in fact, social, cultural, civic and moral issues of the community and subsequently of course, within the county or Pomona jurisdiction. *No. 3*—Bring the rural families of the whole Subordinate jurisdiction together in the fraternal, friendly, social and cultural influence that the Grange at its best, is capable of providing, with special emphasis on the sort of atmosphere and climate in those meetings that is the natural product of our beautifully designed Ritualistic structure effectively put into practice by officers that will devote appropriate effort to making the Grange meetings something a great deal more important than just an ordinary run-of-the-mill sort of a meeting. Thus, we will put the Grange in a position of being, not only indispensable to its members but so valuable to its community that the community itself cannot afford to be without such a Grange.

On this foundation then, an organized membership growth will pay handsome dividends. New blood and new attitudes that come from membership growth will in turn, generate a broader and more effective program of service—they go together!

Pomona and Subordinate Granges and Grange members have been generous with their contributions toward the State Grange debt retirement program.

By these contributions, we will be able to reduce the mortgage principle in the amount of \$10,000 this calendar year.

Great as the record of service of the Grange is and as significant as are the contributions which have been made by the Grange in the past 97 years, it is crystal clear that we must henceforth be more vigorous—be better equipped and command more widespread support if we are to match the responsibilities ahead.

### IN MEMORIAM

During the past year, many Grange homes have been saddened by the loss of loved ones. The loyalty and service they gave to the Grange should be an inspiration for us to carry on our work. We realize how inadequate the spoken word or how futile the written page, to fully convey our sympathy to those who have suffered loss.

Those Grange homes where there is a vacant chair and a step will not be heard again, we express our most sincere condolence.

It is therefore fitting and proper that this California State Grange should pause in its labors at this session and pay tribute to its departed Brothers and Sisters.

On Thursday afternoon, an appropriate memorial service will be held under direction of California State Grange Chaplain, Sister Leta Littler.

### IN CONCLUSION

The membership of this state will, in these challenging circumstances, be looking to us to see how we interpret the organizational responsibility of the Grange in terms of moral, economic, and political structure of the 70's. Not only will our members be looking at us, but a certain number of our fellow Americans outside the Grange will likewise be interested in our interpretation of the role that this Grange of ours should play in servicing American agriculture and her rural people, and in guarding, influencing and helping to mold the structure of communities, the character of our respective states and the purposes and objectives of our nation. Our collective influence on the conditions in our world as a whole may, under these circumstances, be such as to make a difference in the days that lie ahead.

Organizational responsibility is an increasingly important factor in determining the character and pattern of our nation and of the world.

Individual responsibility, of course, still underlies our structure. But more and more, it is the responsibility of Americans as individuals to recognize that individual responsibility can only be adequately discharged nowadays through effective organized effort. How anyone can escape this fact, when the very world itself tends now to be divided, is beyond the realm of imagination. In face of this fact, it is unthinkable that we should willingly shirk our responsibility to build this Grange of ours rapidly to a more adequate structure in terms of the needs of today.

As individual citizens of this great nation of ours, we have an undeniable responsibility to ourselves and our fellow men and to the organization through which we choose to serve the purposes which in our best personal judgment are sound.

In terms of our own personal opportunity to pursue happiness and in terms of those principles which are readily definable as being in the interest of maximum opportunity and freedom for Americans and for human beings around the world, we must decide either to accept or reject our responsibility. It is just that simple.

Our presence here must be construed as evidence of our having made a choice as to the vehicle through which we will endeavor to serve these highest purposes of citizenship. Let us, therefore, dedicate ourselves in this 97th annual session of this California State Grange to the proposition that this instrument of ours—this organization of the Patrons of Husbandry, shall serve these purposes to the very best of our ability—to the fullest extent that our very best efforts may determine and direct.

## OVERSEER'S REPORT

*Worthy Master, Fellow Officers and Delegates:*

It is a pleasure to extend greetings to you at this 97th Session of the California State Grange. The year has been a busy one and I wish to express my gratitude for the privilege of serving you in this office.

I have visited many Granges this year and am grateful for the gracious hospitality extended to Sister Ivey and myself at these meetings.

More and more in our travels over the state we see evidence of progressive growth tended to bring to the rural people of California a better way of life. More than a century ago the Grange was conceived for this very same purpose, and we, along with the many millions of members who have passed through Grange halls during these many years should be proud of the lessons learned and contributions made to the progress of all America.

Never was an organization so well designed, as was the Grange, to do what needs to be done to keep our communities strong and progressive. With the many problems being created by the constant changes taking place in our present society it becomes more and more important that we meet the challenges and make them work for the benefit of all mankind.

No organization is any stronger than its individual members. Individual effort is an unknown force; it must be utilized; it must be put into action. Alone we can do little, together we can do the job that needs to be done.

Pride is a powerful tool. We as members must be proud of the Grange. To hold this pride each member needs to know that he or she have a part to play in the overall Grange program.

Today's challenges present an opportunity to build the Grange, not only in membership, but in spirit and interest as well. If we have faith and confidence we will be dedicated to the task of building an even better America through the Grange program. This is our job and this we shall do!

Fraternally submitted,  
Emmett W. Ivey, Overseer  
California State Grange

## LECTURER'S REPORT

*Worthy Master, Fellow State Officers and Members of the California State Grange:*

The year 1969 has been a busy one for the State Lecturer's Office. As a result of mutual arrangement and agreement, it was decided to incorporate the "Lecturer's Conferences into the State Regional Conferences; which included the following Panel: Our State Master Chester Deaver and his lovely wife Doris; Our sparkling Director of Membership, Elsa Hadley;

The petite but mighty State Superintendent of Junior Granges, Eve Rowe; that vivacious and dedicated State Director of Youth Activities, Betty Smith; and your State Lecturer, myself and Sister Greene. This panel conducted thirty Regional Conferences throughout the length and breadth of California, bringing to our Grass Roots Grange Leaders, the Grange Story; dreams; ambitions, and that personal association which promotes a rich Fraternal atmosphere. I must say the Panel was received with enthusiasm and cordial hospitality—the food, well let's put it this way, none of us lost weight; and your State Lecturer feels that serving in this capacity certainly brought enrichment to his life, in not only the many, many friends we accumulated but also the opportunity of absorbing the majestic beauty of our Great State of California. This combination of assets is unbeatable.

To the many Lecturers and Grangers whose kind invitations Sister Greene and I had to decline—Thanks, Thanks, and Thanks. They were certainly our loss but are filed in our hearts as fond memories.

To the following V.I.P.'s (very involved Patrons) who not only lend lots of moral support to our Grange, but whose material support to the State Lecturer's Talent Contest are invaluable; let me extend my thanks and appreciation to Sister Gladys True; State Director of the C.W.A.; to Arnold Milner, Resident Vice President of G.I.A.; to Pete Marinoff of Commercial Insurance; and to W. W. Hammond, Supervisor Agricultural Sales—Phillips Petroleum Company. The dividends accrued by the involvement of these Grangers is of incalculative value and I'm sure the rich rewards of service await them.

The following Grange people I want to thank for their co-operation and aid to the State Lecturer's Office: Jack Berry, Editor and Business Manager of the California State Grange News and his "girl Friday" Wanda; to Marjorie Brown, State Secretary, (she's a doll) and the other cuties that decorate the State Grange Office; not only are they functional but radiant and cheerful. And then there is James McCutcheon and his wife Marion, long time Grange friends who have done all the Printing for the State Lecturer's office, their quality and service has been the highest and the cost very reasonable, and sincerely appreciated by me.

Although the Booster Night as a Contest is being discontinued; its use as a vehicle for Grange membership should be continued and the 69 reports indicate that many many Granges have Booster Nights without becoming contestants and this is good, for it is the end result of a Booster Program that is important anyway. Performance reports are coming in and this proves that the Lecturers are reading and taking advantage of this valuable material.

In preparing the quarterly Bulletins, an attempt has been made to provide material that would assist the many and varied areas of our vast State, and the reports indicate satisfaction.

As I stand here today, admiring this Sea of eager and interesting faces, I note more young people in our midst—This is Progress—Necessary Progress; so let all of us invent every excuse possible to increase and welcome this flow of Young Talent to our Order—we mutually need one another.

And now as I bring this report to a close I would like to leave you with this thought from Proverbs 8:11—"For Wisdom is better than Rubies, and all the things that may be desired are not to be compared to it." Thanks for listening.

Fraternally submitted,  
KEN GREENE, Lecturer  
California State Grange

#### STEWARD'S REPORT

*Worthy Master, Fellow State Officers, Delegates, Brothers and Sisters:*

Hello Everyone:

Again it is my privilege and pleasure to greet and serve you from the Steward's Station. This 97th Annual Session of The California State Grange being held in the Beautiful and Historical Mendocino County, here in Ukiah.

I sincerely appreciate the diligent effort put forth by Brother Arthur Burke and his committees and all the Grange members of this county in making the plans for a most pleasant and Fruitful Convention.

This has been a very busy year with the Subordinate Granges throughout the State. From the inspiration given them by the Regional Conferences in obtaining new members for their Granges. In reviewing the accomplishments of the past years, I feel the Delegate Body will adopt a program to the best interest of Agriculture on the economy of our State and Nation.

Many thanks to the Granges throughout the State for their kind and generous invitations to their meetings and functions. Sister Hendricks and I regret we were unable to attend them all and wish them every success in the future.

Fraternally submitted,  
LEONARD HENDRICKS, Steward  
California State Grange

### **ASSISTANT STEWARD'S REPORT**

*Worthy Master, officers and delegates of the California State Grange:*

Welcome once again to this 97th session of the California State Grange.

Another year in the work of our order has passed and we look forward to this convention where we can make our plans to move into the future.

Sister Bley joins me in expressing our thanks for the many invitations we received this past year to attend the various special events throughout the state. Our only regret is we were unable to attend them all.

Fraternally submitted,  
P. KENNETH BLEY,  
Assistant Steward,  
California State Grange

### **CHAPLAIN'S REPORT**

*Worthy Master, officers and members of the California State Grange, Greetings:*

Again we have the privilege of meeting together and working as a unit for the good of our order. This is a special time for all as it stimulates and refreshes our aims and desires for the progress and growth of the Grange. We realize more and more the need of a stabilizing influence necessary in our country today and how important it is to be identified with law and order, which is the basic, essential qualification for peace and well being.

The thousands of Grangers who have subscribed to Principles of worth and merit can determine action of much

significance, if they stand tall and united, with a guiding force directed toward humanitarian interests.

Another year has been recorded in our roll book of Grange activity. It has been a busy time for me as it is with all those interested in promoting the good of the order.

I have spoken to Clubs and various groups on the Grange story of its past, present and also future aims of the order, and hope to assist in the organization of a new Grange in my area.

It has been my sad duty to conduct Memorial Services for many of my Grange sisters and brothers in the past year.

It is a privilege to serve as your Chaplain and I strive to prove worthy of my calling.

Fraternally submitted,  
LETA LITTLER, Chaplain  
California State Grange

### TREASURER'S REPORT

*Worthy Master, Officers and Members of the California State Grange:*

We are all aware of the rapid rise in the general cost of day to day operations. The State Grange, and its competent staff are to be complimented for their hard work and efforts to carry out the day to day duties that must be performed for a large organization such as the California State Grange.

I would like to express my appreciation to the many Granges for their kind invitations throughout the year and am very sorry that we were unable to enjoy the fellowship of these gatherings.

The report of the treasury is as follows:

## 1968-1969 SECRETARY'S ANNUAL REPORT

*Worthy Master, Officers and Members of the California State Grange:*

It is with pleasure I greet you at our ninety-seventh Annual Session in Ukiah this year.

Again I wish to express my sincere appreciation to all Secretaries for their wonderful cooperation with this office and to thank them for all the many invitations extended to me throughout the year.

It has been an honor to serve as your State Secretary for the past 6 years.

The following report has been duly audited by a certified Public Accountant.

### MEMBERSHIP

As of the June 30, 1969 quarter, membership reported to the National Grange was 39,808 members in 329 Subordinate Granges reporting. This showed a net gain of 262 members from the March 31, 1969 quarter. A year ago the June 30, 1968 quarterly report showed a membership of 39,419 members. Compared to these figures we have an increase in membership of 389 members for the year. Greenhorn Grange No. 384 in Siskiyou County again leads the Subordinate Granges with the largest membership of 555 members. Followed by Hangtown Grange No. 464 in El Dorado County with 522 and Orangevale Grange No. 354, Sacramento County with 462 members.

Pomona Grange membership showed a membership of 9,834 in 47 Pomona Granges. Butte County Pomona Grange No. 16 again heads the list for the largest Pomona Grange membership with a total of 779 members. Mendocino County Pomona Grange No. 10 was second with 543 members, followed by Sonoma County Pomona Grange No. 1 with 518 members.

Junior Granges in California reported 481 members with 15 Granges reporting. There are 28 Junior Granges in the State.

### NEW GRANGES

During the fiscal year closing September 30, 1969, One Subordinate and Nine Junior Granges were organized.

Road Runner Grange No. 813—

Organized September 22, 1969 by Ulyuss G. Rose, Deputy, San Bernardino Co.

Elk Grove Junior Grange No. 140—

Re-organized October 26, 1968 by J. R. Rogers, Deputy, Sacramento County.

Muscoy Junior Grange No. 42—

Re-organized November 19, 1968 by Ulyuss G. Rose, Deputy, San Bernardino County.

Humboldt Junior Grange No. 139—

Re-organized December 6, 1968 by Eve Rowe, Superintendent of Junior Granges.

Ojai Valley Junior Grange No. 77—

Re-organized December 13, 1968 by Orval Stubbs, Deputy, Ventura County.

Loomis Junior Grange No. 162—

Re-organized February 7, 1969 by Jay Dean, Deputy, Placer County.

Ripon Junior Grange No. 181—

Organized March 21, 1969 by Elmo Ward, Deputy, San Joaquin County.

Hayfork Valley Junior Grange No. 182—

Organized June 1, 1969 by Eve Rowe, Superintendent of Junior Granges.

Fair Valley Junior Grange No. 183—

Organized July 12, 1969 by Kenneth Greene, Deputy, Los Angeles County.

Pilot Hill Junior Grange No. 98—

Re-organized June 12, 1969 by Eve Rowe, Superintendent of Junior Granges.

### GRANGE HALL DEDICATION

Four Grange Halls were dedicated this past year by State Grange Master, Chester Deaver, making a total of 233 Grange Halls dedicated to-date in California: Aptos Grange No. 800, Santa Cruz County, Sierra Nevada Grange No. 454, Placer County, Fair Valley Grange No. 752, Los Angeles County and Laytonville Grange No. 726, Mendocino County. Each Grange was presented a check in the amount of \$50.00 from the California State Grange.

### CERTIFICATES OF AWARDS

Certificates were awarded to all Secretaries qualifying by making prompt and efficient reports to the State Grange.

### GOLDEN SHEAF CERTIFICATES

Golden Sheaf Certificates were issued to ten members having completed fifty years of continuous Grange Membership.

Pearl Doughty .....	Sebastopol Grange No. 306

Fraternally submitted,  
MARJORIE BROWN, Secretary  
California State Grange

**GATE KEEPER'S REPORT**

*Worthy Master, Fellow Officers, Delegates and Members of the 97th Annual Session:*

This Delegate Body of the California State Grange has given Sister Moody and I a wonderful opportunity to become better acquainted with Grange Members and their work throughout the State while in the Office of Gate Keeper. We certainly would like to have been able to visit all who invited us to their Grange functions. We had the good fortune to be presented to the annual convention of the Oregon State Grange last June, meeting Brother and Sister Martin there in action.

It is gratifying to be able to be of service to this organization and I will continue to strive to serve better as time goes on.

To this Body — may this year, 1969 be among one of the best conventions to date.

Will see you at the Gate.

Fraternally submitted,  
ALBERT E. MOODY, Gate Keeper  
California State Grange

## CERES REPORT

*Worthy Master, Officers, and Delegates of the California State Grange:*

I would like to say thank you to all of you for the many kindnesses shown to me and my family throughout the year. But, most of all, I would like to thank you for giving me the honor of being your State Ceres. Through this office I am privileged to present the American flag before this delegate body in a day when that flag is held in low esteem by so many—a flag which has meant so much to so many throughout the history of our country.

I would implore each of you to help restore the American flag to its rightful place of dignity and honor. We, as Grangers, have that opportunity.

Fraternally submitted,  
DORIS SCHMIDT, Ceres  
California State Grange

## POMONA REPORT

*Worthy Master, Fellow Officers and Members of the California State Grange:*

It has been a pleasure to serve as Pomona for this State Grange for the past two years. An experience that I shall always cherish.

This is the second time to attend a convention of the California State Grange in Ukiah, as it is for many. I hope it will be a most fruitful and successful meeting.

In this time of strife and outbreaks of disorder, I hope through the leadership of our Granges, nation-wide, we can be instrumental in helping to make this world a better place in which to live.

One of the highlights this year was attending the Grange Youth Round-up in Lassen National Forest. An ideal way to become better acquainted with our fellow Grangers.

I extend my sincere thanks for the invitations to special functions by various Granges and regret being unable to attend them all, due to time and distance.

Fraternally submitted,  
ARDYTHER WARD, Pomona  
California State Grange

## FLORA REPORT

*Worth Master, Fellow Officers and Delegates of the California State Grange:*

It is with happiness that I greet you from the office of Flora. I would like, at this time, to thank all the Granges that extended invitations to my family and me. Being an officer in this State Grange is both a privilege and honor. My wish for you is for a joyous and prosperous 97th Convention in this fine city of Ukiah.

Fraternally submitted,  
DONNA BERTOZZI, Flora  
California State Grange

## LADY ASSISTANT STEWARD'S REPORT

*Worthy State Grange Master, State Officers, other dignitaries and patrons all:*

Once more it has been my pleasure to assist with the opening ceremonies of our 97th Annual State Grange Session and meet so many wonderful friends again.

This year has been most rewarding for the Coast family. I have expanded my business, our one and only daughter was married and we have a 16 year old foster son.

One of the outstanding events was my trip with the State Grange Youth Group to Mt. Lassen National Park, as I had an active part. If you ever wonder about our youth and think there's a gap—work and play with them. They're intelligent, well rounded young people and it was and is a joy to be around them. If you're not committed to a youth group—find one. They need you and truly, we need them.

Brother Coast and I have received many wonderful invitations and thank you all kindly for thinking of us. Our activities and family have prevented us from accepting many. I am grateful to all and especially to the Riverside Grangers, thank you kindly for the memorial service held this year for my Grandmother, Sister Carlile.

Have a wonderful time in Ukiah.

Fraternally submitted,  
CARROL COAST,  
Lady Assistant Steward  
California State Grange

## MUSICIAN'S REPORT

*Worthy State Master, State Officers, Brothers and Sisters, Greetings:*

It is good to be back in California and meet with our wonderful Brothers and Sisters.

Sister Campbell and I left California April 15, 1969 and have traveled about 18,000 miles.

We zig-zagged across 24 states, visited 16 Subordinate Granges, 2 State Grange conventions, 2 State Fairs and 2 4-H Club Fairs.

Many asked us if we were on official business, or goodwill ambassadors, and how did we find their Granges, we told them, through a National roster. They are also wonderful people.

We were told by some Brothers and Sisters that they had been to California and couldn't find a Grange. This is bad.

We saw signs at the entrance of most towns and cities telling of different Clubs and Lodges, with days of their meetings.

I think it would be a good thing if the Grange emblem with an address or telephone number was displayed at these town entrances. We have something to be proud of so let's advertise it.

We went into one Chamber of Commerce and they told us, they never heard of the Grange.

All Granges we attended are working towards the same goal, and that is for the betterment of their community.

We also noticed that there was a shortage of Piano players.

We visited with many State Masters and State Officers, also the National Master and National Officers.

California is very fortunate in having representatives such as our State Master Deaver and his good wife, Doris. They would be a little embarrassed if I was to tell all the nice things these officials said about Brother Chester and Sister Doris as they call them.

It is a great pleasure being your State Musician. I am proud of this State Grange, and proud to be a part of it.

I wish to thank all the Granges for their invitations to celebrations and apologize for not being able to attend all of them.

Wishing your Granges a successful year.

Fraternally submitted,  
BILL CAMPBELL, Musician  
California State Grange

## MINUTES

### MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

Fresno, California, October 14, 1968

The California State Grange Executive Committee met at Fresno, California, in the Convention Center "Coalinga Room", October 14, 1968.

The meeting was called to order at 3:00 p.m. and the minutes of the preceding meeting of September 20, 1968 were approved and signed.

In addition to State Master Deaver, there were present Committee Members Piper, Rafter and Freitas, State Grange Secretary, Marjorie Brown and Manager-Editor Jack Berry.

Sister Marjorie Brown, State Grange Secretary, presented her report. Motion by Brother Rafter and seconded by Brother Piper that the Secretary's report be approved. Motion carried.

Jack Berry, Editor-Manager of the Grange News, presented plans for Travel Club—Members taking tours to be enrolled in Horizon Seekers—\$1.00 membership fee—to promote interest in travel. Brother Berry submitted year-end financial report.

Matter of renting Wisteria Hall to Eagles was presented to Committee. Will be further investigated.

Program of 96th Annual Session. Correction inserted: 10:00 a.m. Thursday, October 17, Harrison Cutler, Cal Expo.

Motion by Brother Rafter, seconded by Brother Freitas, the next meeting be held November 1, 1968 in Sacramento. Motion carried.

No further business offering, meeting adjourned.

Approved 10-19-68

Chester Deaver, Master

Lloyd V. Piper, Member

S. E. Rafter, Member

John Freitas, Member

### MINUTES OF THE EXECUTIVE COMMITTEE MEETING CALIFORNIA STATE GRANGE

Fresno, California, October 19, 1968

## DEPUTY REPORTS

### EAST BUTTE COUNTY

*Worthy Master, State Officers, Delegates, Brothers and Sisters:*

I am glad to report to you the six Granges in East Butte County are in very good condition and all are very active. Their financial condition is very good. The C.W.A.'s are working hard as usual, raising money for their Granges. They have donated to the many causes, sponsored Boy Scouts, Little League ball teams, donated to State and National Building funds, National Youth Fund, Heart fund, Retarded Children, made robes and sox for Veterans' Homes, gave to Muscular Dystrophy, Cancer drive, Meals for Millions, Care, Rescue Mission, Helped needy families, and Scholarship funds.

#### Community Service and Projects

Berry Creek—Had a First Aid Class this summer. Donated hall for Sunday School and Church every Sunday.

Concow—Also donated hall for Church and Sunday School. Had barbecue, also monthly public dinners to raise money.

Palermo — Is giving a \$500.00 Scholarship to a deserving student of a Grange family.

Wyandotte—has regular public breakfasts and card parties. They have assisted the Rescue Mission and the Retarded Children. A Memorial fund has been started.

Thermalito—is planning an addition to their hall.

Mt. Springs—is growing and is alert to the needs of others and help them in many ways. They have a dessert party after each meeting.

We, at Wyandotte, were honored to have State Master and Sister Deaver at our Booster Day activities when we graduated 4 Juniors into the Subordinate Grange. Brother Deaver presented the Certificates and Sister Deaver the white Bibles.

Brother and Sister Deaver and the State Officers of the Regional Conferences had breakfast at our hall on April 13th on their way to Banner Grange.

I have gone to five Booster Programs and they were all well attended, also two Lecturers Conferences and eight C.W.A. meetings. One district C.W.A. at Orland.

We had the pleasure of installing 5 East Butte Granges and our Wyandotte Junior Grange.

I have visited all the Granges this year three or more times and cooperation was very good. All six have shown a very nice gain this year and the Junior Grange now has 52 members.

Fraternally submitted,  
Leonard Hendricks, Deputy

## WEST BUTTE COUNTY

*Worthy Master, Officers and Members of the California State Grange:*

Another enjoyable year of Grange work has passed. A lot of things have been accomplished. Membership has gained in my jurisdiction, not too large, but steady. Net gain was 15 from September 30, 1968 to September 30, 1969.

All Granges have been very active the past year accomplishing many things.

Magalia Grange No. 762 is in the process of changing their name to DeSabla Grange. Magalia is also working toward owning their own hall.

Chico Grange No. 486 has exemplified all four degrees twice in the past year. Gave a one hundred dollar scholarship to the daughter of a Grange member. One of the C.W.A. projects of the year was a public address system for the Grange hall, has really been enjoyed.

All Granges have been donating to scholarships and other worth while causes. There has been some wonderful booster night programs. Several attended by the State Master and his wife.

There has been too much activity among all Granges to be able to list it all.

Fraternally submitted,  
Justus Borchers, Deputy

## CALAVERAS AND SAN JOAQUIN COUNTIES

*Worthy Master, Officers and Members of the California State Grange:*

San Joaquin-Calaveras Grangers send greetings for a very fine and productive convention.

Grange activities within the Pomona and Subordinate Granges continue to go forward. There have been many worth while social events, thoughtful resolutions, youth scholarships, degree work, membership enrollment, fair participation and fund raising events this year.

A very fruitful, educational and inspiring officer's conference was held. Those State Officers who gave of their time and talent are to be commended for a job well done.

Out of this conference, Ripon Grange moved forward and organized the first Junior Grange within our county at the present time. Congratulations to Ripon! I sincerely hope that this is the beginning of an all-out youth movement within our county.

It has been a very rewarding experience to be Deputy for such a fine group of Granges.

Fraternally submitted,  
Elmo O. Ward, Deputy

## COLUSA COUNTY

*Worthy State Master, Officers and Brothers and Sisters:*

It is my privilege to report for Colusa County again this year; my second year as Colusa County Deputy.

Of the five Granges that I have, four are active and have had many activities this year. The Williams Grange has a 1st and 2nd degree team and have visited the local Granges in putting on the degree work and have also gone to Glenn County.

This year we tried something different for our installation of officers. Colusa and Yolo counties along with Pomona was installed by Brother Lloyd Piper on a Sunday afternoon. We had one of the largest turn outs ever, so plan on having installation again this year on Sunday. We had our 2nd "Grange Day" at the fair this year which was very successful.

Our Granges gave several awards to outstanding 4-H members this year.

I am also proud to report that Maxwell Grange once again had a gain in membership and also Colusa Grange.

I would like to take this opportunity to thank each of the State Officers, Deputies and Brothers and Sisters from other Granges that came and supported our Grange events that we had, also the Lake County 5th degree team which came and did the 5th degree for us.

Fraternally submitted,  
Delbert M. Garrison, Deputy

## EL DORADO COUNTY

*Worthy Master and State Grange Officers:*

1969 will soon come to a close and many things have happened this year.

We lost our Past Deputy, Brother Geo. Klare and our Sister, Beryl Wood, our Pomona Secretary.

We have had a delay in getting our Junior Grange at Pilot Hill but hope we can finish in 1970.

Sister Miller and I have attended, out of the County Granges. We attended two Regional Meetings, one at American River, Sacramento County and Banner in Nevada County.

Two Granges had booths at the fair this year but didn't do as well this year.

There were Scholarships given again this year.

The Granges also donated to 4-H and Girl and Boy Scouts.

The 1st and 2nd Degree was held in El Dorado County this year. Gold Trails, 3rd and 4th Degrees will be at Hangtown Grange in November.

El Dorado - Amador County Credit Union is still doing a good job, taking in new members and helping those in need.

The C.W.A. has been very active in money-making projects for hall improvement and sending their delegates to the State Convention.

Fraternally submitted,  
Leland E. Miller, Deputy

## FRESNO - MADERA COUNTIES

*Worthy Master, Officers of the California State Grange and Delegates; Greetings:*

My first duty after being appointed Deputy in December 1968, was to install the Officers of the Fresno and Madera Counties Granges with the Officers of the Pomona Grange at a joint installation.

I have visited the eight Granges in North Fresno County and Madera County and attended their special functions on invitation.

The Granges are showing more interest in the work of the State Grange and the attendance is fair. Our Pomona C.W.A. gives a scholarship.

All of the Granges give scholarships of varying amounts. Some give more than one. They also contribute to the 4-H and F.F.A. livestock auction fund.

Booster nights have been well attended, and good programs have been presented.

Past Masters and Anniversary nights have been observed.

They have all contributed to various Community work. This I maintain is the best way for a Grange to inspire Community interest in the organization, thus making it easier to gain members.

We have traveled over 1,000 miles in making Grange visits. This we have enjoyed and wish to thank the Granges for their hospitality.

I hope I have been of some constructive help to them.

We wish you a very successful convention in this fine community.

Fraternally submitted,  
Harold C. Harding, Deputy

## SOUTHERN FRESNO COUNTY

*Worthy Master, Officers and Members of the California State Grange, Greetings:*

We hope all will have a profitable and wonderful time at the Ukiah Convention.

My year as Deputy of Southern Fresno County has been very rewarding, with a slight gain in membership. The Masters and Officers are very cooperative and ask for information when necessary.

My officer's training meeting in the spring was very satisfactory with an enthusiastic response. I attended many business meetings as well as dinners and Booster's Nights.

Fraternally submitted,  
J. E. Saint, Deputy

## MOUNTAIN AREA, SOUTHERN HUMBOLDT COUNTY

*Worthy Master, Officers and Members of the California State Grange: Greetings from the Mountain Area of Southern Humboldt County*

We have made a fairly good gain in membership; Alderpoint and Whitehorn have made exceptional strides in this direction.

All subordinate Granges have participated in membership to the Blood Bank.

As chairman of the Tooby Memorial Park, which was begun as a Grange project, I have gained the cooperation of several other organizations in Garberville, and with the aid of our Grange members, have put in a seasonal swimming hole, and otherwise taken care of the maintenance of the park this summer.

Garberville Grange has helped Pomona Grange No. 19 to raise funds for four student scholarships.

We have assisted other Granges with their installation of officers.

We entered a float in the annual Fourth of July parade and took second place. Our float depicted the Grange advancement from the Pony Express to the Space Missile to the Moon.

I have visited all my Granges two or three times this year, informing the members of all the benefits to be derived from membership in the order. Also have encouraged more social contacts between the various Granges.

I have instructed and encouraged members to use the Credit Union to their advantage, by systematic saving.

Our Booster night was a great success; beginning with a pot luck dinner and ending with a very interesting program, by our local Lecturer.

Our C.W.A. has been very helpful in giving money-raising events to help pay off the debt on our parking lot purchased last year.

Fraternally submitted,  
O. W. Heinrich, Deputy

## SOUTHERN HUMBOLDT COUNTY

*To the Officers and Members of the California State Grange, I extend Greetings:*

The past year has seen a moderate growth in the Granges of my jurisdiction.

Van Duzen Grange is again settled in its move, and refurbished hall, and a nice place it is.

It is with regret that I report that Eel River Grange has merged with Rohner Grange and that we have a few Eel River Grange members still at large. After this convention I will start making personal visitations to those, still out.

Redwood Grange has the new hall at Redcrest almost finished and we are attempting to track down a piano for them.

Humboldt Grange is the busiest Grange in my group and the most active.

Rohner Grange is building up rapidly and with its breakfast program, is forging ahead nicely and with the affiliation of Eel River members will have a big jump in membership and attendance. The Grange holds a card party, once a month, to raise funds to maintain Eel River Grange hall.

Fraternally submitted,  
Dave Thomson, Deputy

### KINGS COUNTY

*Worthy Master, Officers and Members of the California State Grange:*

Greetings from Kings County.

We had a good year this year. Many new members, mostly young women and men.

The high-light of the year was the 30th Anniversary of the Riverbend Grange. We had the honor of having our State Master and Sister Deaver with us. Brother Deaver gave a very fine talk.

We have two fine degree teams, also had Sunday morning breakfast, and "go to Church Sunday."

One of our Granges gave three high school seniors scholarships, and two 4-H round Robins. This Grange also had a booth at the County Fair and won second prize. One of our Granges entered three parades with a float, entertained with their kitchen band, also gave money for our all star 4-H members.

One of our Granges gave a dinner and also a donation for the F.F.A.

Our annual Hamburger Fry was held at the Ellberg home with several of our State Officers present, and many of our Grangers. Lots of good food and a fine program enjoyed by all.

Our Woman's Activities Committee have been very busy putting on dinners, making money in helping boys and girls, as well as decorating and beautifying their halls.

Fraternally submitted,  
John Ellberg, Deputy

### LAKE COUNTY

*Worthy Master, State Officers and Mambbers:*

The Granges of Lake County have had a very good year during 1969. Five of the seven have made a net gain and two of these have done this for the second year. Deaths and other reasons make it necessary that quite a few new members must be obtained in order to make a net gain.

All but one of the Granges own their own hall and of course this means that work must be done to keep them up. Improvements have been made to almost all of them and one Grange, Guenoc at Middletown, has built on a room that is both a

kitchen and room for tables enough for eating when there is just the regular crowd.

Community work is being done also and all of the Granges are supporting the effort to bring the water of the Eel River down through Clearlake. The members of the Guenoc Grange "man" the Chamber of Commerce Information House at Middletown. Any one coming into Lake County from the south can stop there for information about the county and be greeted by Grange members. While all the Grange members give their time on a voluntary basis, the Grange does get paid for this and this will be used to help pay for the new kitchen.

Almost all of the Granges have either a dinner or some other kind of a money raising affair regularly to help pay for the "extras" that all Granges need. Guest Officer nights, Booster nights and many other social meetings are held to encourage more people to come out to meetings. We have made a net gain of 40 members during this past year in the county.

Fraternally submitted,  
James R. True, Deputy

### LOS ANGELES COUNTY

*Worthy Master, Officers and Members of the California State Grange:*

In glancing over my report for the 1968 session I mentioned a membership gain for Los Angeles County; I am happy again to report a gain for 1969—These L. A. County Granges are a beehive of activity—In addition to the membership gain, we have also gained a New Junior Grange for Fair Valley Grange No. 752. This was largely spark-plugged by the extremely active and personable Master, Herbert Marshall, aided by the Matron, Sister Frances Burr. These people deserve lots of credit for their untiring efforts; and this is not all—we are real proud of our Los Angeles County Youth Committee organized by myself, with the able assistance of none other than Herbert Marshall who is also our Pomona Master. The chairman of the Youth Committee is Roger Baker, who is also Master of San Dimas Grange; here again we have a live wire and I can see nothing but a bright future, with people like these as leaders of our organization; How can we lose? And Ranchito, my home Grange, under the able guidance of Master Vern Cuddeback, continues to be active and progressive. All of the Los Angeles County Granges have been active in Community Service Work; The C.W.A. Gals have projects brewing all of the time. The participation of the Subordinate and Pomona Granges in L. A. Co., Fair at Pomona is something else. The opportunity for exposure to the public here is the greatest, with over 1,000,000 people passing through the turn stiles. The ingenuity and competition among the Granges is extremely keen, and is a joy to behold. They not only run away with over \$3,000 in prize money but incalculable good will and publicity.

The principle high-lights of the year are as follows: A New Junior Grange at Fair Valley in Chino; A new Youth Committee for Los Angeles County; The Worthy State Master, Chester Deaver and his lovely wife Doris, as guests at our annual County Picnic and the Dedication of Fair Valley Grange Hall by our Worthy State Master, Chester Deaver.

In closing I must admit there are many unsung Grangers who deserve lots of praise, but space won't permit it; so my hat is off to them for another year.

Fraternally submitted,  
Kenneth C. Greene, Deputy

### MENDOCINO COUNTY

*Worthy Master, Officers, Delegates and members of the California State Grange and Visitors:*

Greetings from Mendocino County. At this writing plans are well under way for our convention here in Ukiah. Our Twelfth District Fair in Ukiah has gone with several Granges participating in Feature Booths, flower gardens and concessions, this includes the Pomona, Subordinate and Junior Granges. This is something I believe all Granges should be involved in if possible.

Most of the Granges have gained in membership. The four degrees have been conferred several times during the year. Visiting Granges in a group has been spear-headed by our Grangers 7th Degree club. Two of our Junior Granges are planning activities at the Grange convention here in Ukiah this October at the 97th State Grange Convention.

This year Laytonville Grange has had their hall dedicated and a good deal of work has gone into improving their hall.

Ten of our eleven Granges own their own halls.

The Pomona C.W.A. has been busy earning money to help on the expenses for the coming convention, all of the Subordinate Granges have been cooperating very well toward this project.

We have a traveling plaque which is presented to the Subordinate Grange which has the greatest number of their members present at our Pomona Grange meeting each month. The Subordinate Master must be present to receive the plaque.

Our Credit Union has been increasing in membership and assets. I don't believe all of the members take advantage of the credit union which could, I'm sure they can save a good deal of interest if they would take advantage of this.

Mendocino County Pomona had the honor of traveling to Humboldt County to confer the 5th degree for Humboldt Pomona Grange No. 19 at the Bay Side Grange hall and they returned the visit for conferring the 5th degree for our Pomona at the Ukiah Grange hall.

We hope all will enjoy their stay in Ukiah for the convention.

Fraternally submitted,  
Arthur F. Burke, Deputy

## MERCED COUNTY

*Worthy Master, Officers, Delegates and Members of the California State Grange:*

Greetings from Merced County.

We had a good year in 1969. Seven Granges are in the Gain Column. Three with no losses and no gains and two in the loss column.

I didn't visit all the Granges like I should but I did go when ever I was needed. Had a very busy year and trouble in two Granges that took up all my time.

We had joint installation in January, Lloyd Piper, State Grange Executive Committeeman doing the honors.

Regional Conference in June was a big help. Thanks to our Worth State Master, Chester Deaver, Lecturer, Kenneth Greene, Director of Youth Activities, Betty Smith and Director of Membership, Elsa Hadley for a job, well done.

All of our C.W.A. Committees are going a good job. Our Credit Union is making a slow gain but always ready to help our members.

Hilmar Grange Degree team has done an outstanding job again this year, exemplifying the first and second degree.

Applegate Grange, again won first prize at the County Fair.

Let's all hope and pray for a better 1970.

Fraternally submitted,  
J. J. Mancebo, Deputy

## MODOC COUNTY

*To the Officers and Members of California State Grange, Greetings:*

Again, we meet in the beautiful city of Ukiah.

It is a pleasure to report on the Granges of Modoc County.

Our Granges have been taking an active part in community service. Lookout Grange is looking forward to purchasing an old school house to use as a Grange hall. Alturas Grange took first in the C.W.A. Booth at the County Fair. Cedar Grange, taking second place. Eagle Grange won first prize for their Agricultural Booth, Cedar Grange also placed second.

The Granges have had a slight increase in membership the last half of the year. Our Grangers have been taking advantage of Grange Insurance, Credit Union and other Grange Benefits.

Hope you have a successful Convention.

Fraternally submitted,  
Dan Casey, Deputy

## MOJAVE VALLEY

*Worthy Master, Officers, and members of the California State Grange:*

Again it is my pleasure and privilege to send greetings, and report from Mojave Valley.

The Granges in this district have been quite active this year. They have taken in many new members and have shown a net gain in many Granges and an over-all net gain in the district. It is hoped this spirit will carry on and we will show a net gain in all the Granges next year. Adelanto Grange, a small Grange, won the Cloth given by Mojave Valley Pomona Grange as a prize for the best average attendance, by percentage, at the Pomona meetings.

Again this year, as in the years since its inception, the San Bernardino County Fair was well supported and the Grangers are justly proud of their promotion of the Fair. Five feature booths were entered and all received prizes for their efforts in the total amount of \$900.00. Phelan Grange received the sweepstakes trophy given jointly by the Mojave Valley and San Bernardino Pomona Granges. Oro Grande Grange had a food booth which did very well. Most of the Granges presented trophies to the deserving 4-H members. Grange Day has become a yearly feature and was a success as usual. Brother Deaver, California State Grange Master, was unable to be in attendance but had visited with us at one of our Granges previously. Past Master Brother Quinn and Sister Quinn were able to enjoy the day with us.

The Granges are active in community service and several Granges sponsor 4-H, Boy Scouts, Girl Scouts, and the giving of scholarships to deserving students. Hesperia Grange helped very successfully with the promotion of Hesperia Days. Hinkley Valley held its own 4-H community fair to benefit the 4-H'ers.

Our Federal Credit Union is active in helping the members in the Valley, and continuing to pay good dividends. We have 286 members and shares totaling \$146,316.00. Our total assets are \$165,440.92, with total loans of \$129,916.98. Since its inception, more than twenty-five years ago, almost 1,500 loans have been made totaling over two million dollars.

The insurance program and other valuable benefits are helping to increase the membership.

With every good wish for a successful and helpful convention at Ukiah.

Fraternally submitted,  
Lester E. Wendt, Deputy

#### NAPA COUNTY

*Worthy Master, Officers, and Delegates, Greetings to all:*

The following is a summary of some of the activities of the Granges of Napa County.

Our Pomona Grange has been very active this year, we are now meeting on the fourth Saturday of each month, with very good attendance. The Subordinate Granges are all working very hard. The Rutherford Grange gives \$200.00 annually to a scholarship fund for a student who wishes to further his

education in agriculture. They also cleared about \$1200.00 putting on their famous Ranch Breakfasts. They also have been active in the fight against the table grape boycott. They have two gold sheaf members and 16, 25-year members. In addition, they have gained ten members this year.

Silverado Grange is our smallest Grange but have accomplished very much this year. They took first place with the agriculture booth at the Napa County Fair. Also the C.W.A. booth award was \$100.00. With their many activities they made \$790.00. Their many contributions to community projects are outstanding.

The Welcome Grange, like Rutherford, own their own hall, and also put on Ranch Style Breakfasts on which they have been very successful. They also were very active in the Napa Town and Country Fair, taking second with the agriculture booth, and a sandwich booth which netted about \$500.00. The Welcome Grange also puts on Western musical programs regularly at their hall. They have taken 18 members this year, the membership is now 191.

Napa Grange, our largest in membership, has about 300, and has participated very actively in the Town and Country Fair taking first with the agriculture booth. They have put on all four degrees for the Sebastopol Grange this year, also three other times. The lecturer has put on some fine programs this year. The C.W.A. has been very active putting on rummage sales, and card parties. Sponsoring many community projects such as a ward at the Napa State Hospital, sewing contests both at Subordinate, and state level, PLUS sponsoring bus rides to Lake Tahoe, and taking in 31 members this year.

Fraternally submitted,

Leonard C. McGlone, Deputy

### NEVADA COUNTY

*Worthy Master, Officers and Members of the California State Grange:*

Again it is a pleasure to bring greetings from the Granges of Nevada County.

Each Grange has showed a nice gain in membership the past year.

They have public parties, rummage sales, dinners and other ways of raising money. All three Granges entered exhibit booths at the Nevada County Fair and won prizes. The Rough and Ready C.W.A. had a garden booth at the fair and won first prize.

Had a nice joint installation in the Banner Grange hall of the 1969 officers including one Junior Grange. State Master Chester Deaver was the installing officer. Banner Grange has again invited the Nevada County Granges to have their 1970 officers installed there and the invitation has been accepted with Brother Deaver again the installing officer.

Banner Grange is very active in working with the Nevada County blood bank. They are now in the process of completing the installation of aluminum siding on their Grange hall.

Golden Empire lost several of their officers through demits and sickness and I worked with them for some time to get reorganized. They are well on the way to recovery and are now getting their ground ready for a Grange hall. Their Junior Grange is quite active, they recently held a picnic at Condon Park which the State Master and Sister Deaver attended.

Rough and Ready Grange have had several money making projects to pay for items needed for the kitchen and dining room. They are now working toward a heating system and improvements to the older part of the building.

Enjoyed attending the C.W.A. District Meetings. Helped to conduct a Regional Education conference for this district held in Banner Grange hall. Had a good attendance and several mentioned how they enjoyed the meeting and how much they had learned from the information given.

Had the pleasure to be invited to the Sierra Nevada Grange to assist State Master Chester Deaver and Deputy Jay Dean in the dedication of their Grange hall.

Our Placer Nugget Pomona Grange has been active and growing. The Pomona Grange gave an award of \$100.00 each to a Future Farmer and Future Homemaker of America.

Placer Nevada Credit Union has passed the \$400,000.00 mark and continuing to expand.

Nevada County will be well represented at the convention in Ukiah.

With best wishes to all.

Fraternally submitted,  
Charles A. Deardorf, Deputy

#### PLACER COUNTY

*Worthy Master and Officers of the California State Grange:*

Greetings from Placer County:

We have six active Granges in the county. All Committees of Women's Activities are very busy. I attended two district meetings held in our area. We have had a vast gain in membership. Our county has been very active in rummage sales, public parties, dinners and bazaars. Some Granges have entered feature booths and concessions at County and District Fairs.

State Master Chester Deaver dedicated the Sierra-Nevada Grange hall June 1 at Colfax. I am glad to report that all our Granges have their own Grange halls.

Our Placer-Nevada Pomona Grange presented two \$100 scholarships to F.F.A. and F.H.A. A fun night was held under the direction of the Pomona Lecturer at Mt. Vernon Grange hall with a good attendance. Two public parties were held to raise money for our treasury. The Pomona Grange held their annual picnic in July at Grass Valley.

Our Placer-Nevada Credit Union has showed a substantial gain in the past year.      Fraternaly submitted,  
James M. Dean, Deputy

### RIVERSIDE COUNTY

*Worthy Master, State Officers, and Members of the California State Grange:*

It is a pleasure to report on the Granges of Riverside County. We have ten active Granges and one dormant. They have been very busy in carrying forward the mandates of the order.

Riverside County Pomona Grange entered agricultural feature exhibits at Hemet Farmers Fair and at Los Angeles County Fair. These exhibits were profitable to the Grange and educational to the public, especially to the youth.

Pomona Grange sponsors a youth in the Future Farmers beef project. Several of the Subordinate Granges also sponsor scholarships.

Membership still remains the number one problem; one quarter up, the next down.

The Glen Avon Junior Grange is getting along very good.

I have visited all the Granges of the county and have had the honor of installing the officers of Pomona and seven of the ten Subordinate Granges.

With every good wish for a prosperous year and a very successful convention at Ukiah.

Fraternaly submitted,  
Harleigh Gallup, Deputy

### SAN BERNARDINO COUNTY

*Worthy State Master, State Officers, Delegate Body and Fellow Grangers:*

This has proved to be an exceptionally interesting and fruitful year for me as Deputy. We held separate installations of officers in Del Rosa, Muscoy, Fonbloom Juniors, Muscoy Juniors and Fonbloom and Yucaipa Officers joined with the Pomona Officers to make it a joint installation. We also had the pleasure of traveling to Ojai and installing their new Junior Officers and the Subordinate Officers at Hemet-San Jacinto.

Perhaps our best accomplishment this year of 1969 has been instituting a new Grange in Morongo Valley, Road Runner Grange No. 813. And are also in the process of establishing a Junior Grange in this same vicinity.

We have visited practically every Grange meeting in our area of the Subordinate and Junior Granges. Have also attended social affairs in our own county as well as surrounding areas, as our time permitted. We enjoy all of this and want to be of help at any time we are needed. We are looking into the future for more opportunities to be of service. Betty and I wish for each of you good health and success in the future.

Fraternaly submitted,  
Ulyuss G. Rose, Deputy

## SAN FERNANDO VALLEY

*Worthy Master, Officers and Members of the California State Grange:*

Greetings from San Fernando Valley.

Another year has rolled around and another Convention is at hand. May it be a very constructive and educational meeting. In this world of changes it is very difficult to keep abreast of the times.

While the San Fernando Valley Granges have made very little improvement this past year, all are working hard to improve in spite of rezoning for more homes and industry. People don't stay in one place long enough to get acquainted. One of our large mobile-home units recently sold to Industrial Zoning, forcing a number of our members to re-locate, some left the state and others moved out of the county. A machine shop changed owners which resulted in four of our members moving out of state. There will be more by the end of the year. So the struggle goes on.

This constitutes my yearly report. Sister Betty and I wish you a very successful convention. See you there.

Fraternally submitted,

Nelson Van Horn, Deputy

## SAN LUIS OBISPO COUNTY

*Worthy Master, Officers and Members of the California State Grange:*

I am happy to bring a report from the Granges of San Luis Obispo County for the year of 1969.

I have nine Granges in the County and all are quite active putting on bazaars, rummage sales, dinners, breakfasts and barbecues.

I attended all their Booster night programs and must say they were very interesting and were well attended.

San Luis Obispo, El Paso de Robles, Estrella and Triangle Granges had booths at the County Fair, all winning ribbons, this I encourage and am glad to see as it keeps our Agricultural building looking agricultural as it should be.

Two of the Granges sponsor 4-H groups, one sponsors a Future Farmer student who is a member of the Arroyo Grande High School and he won a blue ribbon on his steer.

The annual Youth conference held at Cal Poly in April was a success and was enjoyed by all the youth attending. The reception and banquet was hosted by the San Luis Obispo Grange, and on Friday evening the youth conferred the 1st degree at Triangle Grange. Breakfast and the closing address was at the Madonna Inn, all took a tour of the Inn and found it very interesting.

Maintaining membership seems to be a struggle, some Granges show a slight gain while others have trouble holding their own. I feel that more interest in membership will be shown in the future and hope to see a substantial increase.

The Eighty-Eighth annual session held at Ukiah in 1960 was a success so Sister Walker and I wish the California State Grange another successful session in Ukiah this year.

Fraternally submitted,  
Gerald Walker, Deputy

### SANTA BARBARA COUNTY

*Worthy Master, Officers and Members of the California State Grange:*

It is again my privilege to report for the Granges in Santa Barbara County.

The Officers and members of the Granges here enjoyed the Regional Conference held at the Santa Ynez Valley Grange hall in May; and all attending the conference gained much information.

Los Alamos and Sisquoc Granges again entered booths in the Santa Barbara County Fair and received second and third prizes.

All four Granges have been very active in many money making projects for improvements on their halls and grounds. Also raising money for their many community projects.

The credit union continues its fine record of service to its members and has money available for loans.

The Santa Barbara County Pomona Grange is looking forward to being your host in Santa Maria for the 1970 convention.

Fraternally submitted,  
John Tendeland, Deputy

### SANTA CLARA COUNTY

*Worthy Master, State Officers, Delegates and Members of California State Grange, Greetings:*

Santa Clara County held joint installation of their 11 Subordinate and Pomona Granges December 1, 1968 at Santa Clara County Fairgrounds at 2 p.m. Installing Officer was our Worthy State Master Chester Deaver, assisted by Ruby Buck as Marshal.

We were honored by the presence of J. Blaine Quinn our Past State Master and Sister Ruth, Santa Clara County Supervisor Brother Ralph Mehrkens, Senator Alquist, State Officers, Deputies and Masters from our adjoining counties and members. Our C.W.A. Chairman Beulah Emery and Vice Chairman Irene Voss and members of the C.W.A. took charge of refreshments.

We held our Masters meeting January 9, 1969 at Mt. Hamilton Hall, all Masters were in attendance and we discussed our program for the year on membership, fair booths and degree work.

Ten Subordinate and Pomona Granges entered fair booths, all qualified for premium money. Four C.W.A. entered the women's division and also received prize money. We had our

annual Grange Day during the fair and a delicious pot luck with many of our neighboring Grange members attending.

Our two main events of the year put on by our C.W.A. are the Doll Tea and the strawberry booth at the County Fair. C.W.A. members dress dolls and they are sold for the benefit of the Goodwill Industries for their rehabilitation of the handicapped. The C.W.A. also serves once a month at the U.S.O. and have an adopted veteran at the Palo Alto Veteran's Hospital.

I am real pleased to see by our third quarterly report we show a net gain of 19 members, hope we can continue this trend.

Sister Ruby and I wish to express our thanks to the officers and members of Santa Clara County Granges for their cooperation and courtesies extended to us this past year, we have enjoyed serving you, and also our neighboring counties for their invitations. Thank you all.

With every good wish for a pleasant and constructive 97th Convention at Ukiah.

Fraternally submitted,  
John W. Buck, Deputy

### SANTA CRUZ COUNTY

*Worthy State Master, Officers, Delegates and Patrons:*

Santa Cruz county is pleased to report a net gain in membership during the past year, even though slight.

Being in a retirement area with many senior members, the Grim Reaper took a large toll of our membership during the year.

Only two of the Subordinates made a net gain but one of them made an increase of 29 percent which helped to off-set the losses.

Our Pomona hosted the tri-county picnic this year and sponsored a "Grange Day at the Fair.

The Pomona also sponsored a "Go to Grange Month" which produced a real drive for attendance on that one night and resulted in increased attendance for all the Granges. One had 47 percent of its members in attendance on the contest night and another had 84 of its own members there, which makes for a real good meeting.

The Pomona team also conferred the fifth degree during the year.

The new Aptos hall was dedicated on May 25th by our State Master with approximately 300 Patrons and friends in attendance.

The Soquel and Aptos Granges joined forces to confer all four Subordinate degrees at a special Sunday meeting. The first and second were conferred by the Soquel team at four o'clock, then after a pot-luck dinner, Aptos conferred the third and fourth. More than thirty candidates were in the class and

more than a hundred Patrons were on hand to witness the ceremonies.

The Deputy installed two Pomonas and eleven Subordinates. He attended one hundred and sixteen Subordinate and Pomona meetings besides numerous Credit Union Board meetings, committee meetings, installations and other special meetings and several County Fair "Grange Days."

We are not satisfied with our progress this year and will try harder next year.

All Subordinates and the Pomona are represented at this State Session.

Fraternally submitted,  
Erle E. Jones, Deputy

### SISKIYOU COUNTY

*To the Officers and Members of the California State Grange—Greetings:*

It is again my pleasure to report from the "Top of the State." We have had a very good Grange year in Siskiyou County. The Subordinate Granges are showing a good gain in membership. Some are acquiring property for new Grange halls, others are starting building funds by giving outstanding events, which help bring the people together. They show a great interest in community and county affairs.

Brother Deaver, State Master, was just here to dedicate the new Grange hall for Greenhorn Grange at Yreka. This has been a large project, which has had the cooperation of our young members who worked very hard for Greenhorn Grange.

The young marrieds are progressing with their Degree Teams as well as taking offices in Greenhorn Grange.

Other Granges also have young married members who are taking their places in the Grange.

The C.W.A. program is being carefully carried out and is really the backbone of the Subordinate Granges.

The C.W.A. has won prizes on the State and National level with handy work.

The several different Granges have participated in the fairs and other programs in various parts of the county, which brings in a certain amount of revenue, which helps the low money resources of many Granges.

It appears that Siskiyou will be well represented at Ukiah.

Wishing all Granges a Very happy and prosperous year in their work for it is very necessary for these Subordinate Granges to function properly.

Yours for a complete and well disposed State Grange at Ukiah.

Fraternally submitted,  
Wayne O. Ralston, Deputy

## SOLANO COUNTY

*Worthy Master, Officers and Members of the California State Grange:*

It is my pleasure as Deputy of Solano County to again report on the activities of our area.

I have visited all three of my Granges every three months and found them very active. Taking part in many community affairs as well as working on their own projects.

I had the pleasure of installing all the officers of each Grange during the month of January.

I have had very good cooperation from all the Masters, Lecturers and other officers. The W.A.C. chairman have been busy following the plans of our State Chairman, Sister True. We had one member of Vacaville Grange who entered the needle-work contest and her entry won on the State level and was sent on to the National for judging.

To all I wish a very successful Convention.

Fraternally submitted,  
Emma Anderson, Deputy

## NORTHERN SONOMA COUNTY

*Brother Deaver and State Officers:*

Another happy and prosperous year has passed for the Grange in my district, a good and healthy net gain in membership in most of the Granges and we are off to a good start for the new year as we are continuing taking in new members.

The Granges are very active in Grange activities, everybody seems to be enthused about the Grange and the wonderful benefits the Grange has to offer, benefits such as the Grange has to offer I think is bringing us a lot of new members.

Several of the Granges in my district participated in the county and citrus fairs and won valuable prizes. The C.W.A. ladies are very active in most Granges and are contributing to the upkeep of their Granges.

Our State Grange Master and Sister Doris visited quite a few of our Granges on several occasions and their visitations were appreciated by all, these visits seem to give the members a shot in the arm as it helps to keep up our interest in Grange and its members.

Fraternally submitted,  
Thomas Wright, Deputy

## SOUTHERN SONOMA COUNTY

*Worthy Master, Officers and Members of California State Grange:*

Another year of Grange activity has passed into history and again it is my pleasure as deputy to report for Southern Sonoma County. The eight Granges under my jurisdiction have been active in all phases of Grange work.

The last three quarterly reports have showed a good increase in membership.

Booster Night programs were well attended and have been interesting and constructive. There were many non-Grangers attending these programs.

This past year has been a busy year for me with installation work. On December 20, 1968 it was my pleasure to install the officers of Petaluma Grange and on December 22, 1968 to conduct a joint installation of officers of eleven Subordinate and one Pomona Grange and on December 29, 1968 to install the officers of three Subordinate Granges in the City of Cloverdale, all in Sonoma County. And again on January 4, 1969 with the assistance of my installation team to install the officers of five Subordinate and one Pomona Grange in a joint installation at Mickey's Grove, San Joaquin County and on January 14, 1969 to install the officers of Adobe Grange, Sonoma County.

And just this last month on September 20, 1969 again with the assistance of my installation team, we went to Lake County and installed the 1970 officers of Bachelor Valley Grange at Upper Lake.

In closing I want to wish the officers and members of the California State Grange a most successful and constructive 97th Convention at Ukiah, California.

Fraternally submitted,  
John B. Freitas, Deputy

#### SUTTER COUNTY

*Worthy Master, Officers and Members of the California State Grange:*

Greetings from Sutter County:

It is my privilege to report to the delegate body of the 97th annual session of the California State Grange of the accomplishments of the three (3) Subordinate Granges of Sutter County and Sutter Pomona No. 25.

After election of new Masters for all Granges, the Granges started the new year with renewed enthusiasm and optimism. Much progress was made early in the year with increased membership.

Our County had a nice turn out for the conference of committee on Women Activities, which was held at the Linda Community hall, Ostrom Grange of Yuba County being the host Grange. The meeting was most informative and interesting.

Live Oak Grange has a new Master and is eager to learn the work of the Grange and put Live Oak at the top once again.

General Sutter Grange had the same enthusiasm, but disaster struck. Their Master became very ill and was confined to a sanatorium for considerable time. While she was away her husband became ill and passed on.

South Sutter Grange has a hard working and enthusiastic Master.

I must admit that I have not attended the meetings of the Subordinate Granges as I should this year because of my family.

I was not pleased with the turn out for the Membership, Lecturer's and Youth Chairman Conference held at Palermo, Butte County. But I am sure the message was relayed to the members by those who did attend. The conference was most informative. Much enthusiasm was shown by the State Lecturer, Youth, Junior and Membership Chairmen. I do hope enthusiasm is contagious.

The Lecturers have been doing well with their assigned work and in most cases their programs have been well presented.

General Sutter will have a Harvest Festival that will be the envy of the county.

It is gratifying to be able to report a net gain in membership in Sutter County. This results from growing optimism and positive thinking not only of past achievements but more particularly of the future need and the tremendous possibilities of service through our Grange organization. The greatest incentive that can be presented before non-members to cause them to desire affiliation is a membership which takes pride in their organization, and an organization which is rendering service to the community.

We in Sutter County are convinced that the greatest need is an understanding of the tremendous opportunities which lie in wait for some organization such as the Grange to come forth accept the challenge and do service for all mankind. This is the story we try to tell and this is the paramount factor that has led to a growth in membership. We only have to fulfill the obligation envisioned by the founders of our Order and live true to its high principles and ideals. We will be serving humanity, attract others to join our ranks. The future depends upon the attitude of the present.

Fraternally submitted,

Raymond V. Armstrong, Deputy

#### TEHAMA COUNTY

*Worthy Master, Officers and Members of the California State Grange:*

It is my pleasure to greet and wish you, your fellow state officers and patrons a very happy and successful 97th State Grange Convention and to thank the Grangers of Mendocino County for their gracious hospitality.

As Deputy of Tehama County I have found that the fellowship between our Granges has been of the best and has shown a cooperative spirit as they have been very active in community affairs.

Our Granges had their annual joint installation of officers with our Worthy State Master performing the duties of the Installing Officer with almost 100 percent of officers present to be installed. A delicious dinner preceded the Installation ceremonies.

All Granges participated in our annual 17th Grange Day and Public Barbecue held on April 26, 1969 which was the most successful Grange Day which we have held.

Each Committee of Women's Activities has been active throughout the year and have accomplished much through their efforts.

We are proud of our two Degree Teams who have been active throughout the year conferring the first, second, third, fourth and fifth degrees. Members of these teams are from various Granges of our County.

At the suggestion of the California State Lecturer, our Pomona Grange Lecturer has formed a Sing-a-long Group with members from various Granges in our County, and they have performed at many functions in our county as well as in surrounding Counties.

Fraternally submitted,  
James V. Ryan, Deputy

#### VENTURA COUNTY

*Worthy Master, Officers and Delegates of the California State Grange:*

The time of year has come again to greet you at our annual convention. We are looking forward to an interesting meeting in Ukiah.

We have not had as much gain in membership in Ventura County as we would like to have.

The most significant happening in Ventura County was the organizing of a Junior Grange. They do their work well and are always thinking of something to do. They intend to really get going next year.

The Ventura County Fair has just ended and our Granges as usual had three very beautiful Fair booths. Ojai Valley won first prize in the two hundred foot class, with the theme: "America Is Ours—Keep Her Light Shining."

Where did we get that theme?

Ventura Grange got third in this same class and we thought they should have had second. The Pomona Grange again won first in the three hundred foot class, again beating the pro's from San Bernardino County, Riverside County and Orange County. So we have won first prize five out of six times with the Pomona Booth.

Brother Pagenkopp broke his foot just before Fair time so Fillmore did not put a booth in. They have won first three times in a row.

All of the C.W.A. departments have been busy and have completed many projects this past year. Another high-light

was our Pomona picnic which we held at the Grange hall because of the policy of charging organizations for the use of the facilities in the county parks in this county.

This was just started in July and as yet we have not been able to change it.

Ventura County is rapidly approaching a tax payers revolt which we have been predicting for some time.

There have been six or seven school bond elections in the past year and none of them have come close to passing. In fact, none of them even got a majority of 'yes' votes. This trend seems to be state wide.

Ventura County intends to have another one soon for Junior Colleges and every indication is that the result will be the same as the others.

There will be some resolutions at this convention concerning bond elections or even getting funds without bond elections, and we hope there will be no changes from present laws on bond elections, that makes it easier to pass a bond issue of any kind.

I will close wishing the Officers and Delegates of this convention every success at the Convention and for the ensuing years.

Fraternally submitted,  
Orval Stubbs, Deputy

## STATE LECTURER'S TALENT CONTEST FOR 1969

### POMONA WINNERS

1. SHASTA COUNTY: BUCKEYE GRANGE No. 439  
DICK HERMAN, AGE 18, (Accordian Solo)  
Elsie Snavelly: Pomona Lecturer.
2. SANTA CLARA COUNTY, ALMADEN GRANGE No. 472  
ED GEORGE AND JANE MAZZONE, (Duet) accompanied by MARION MAGOON. Ted Bohn, Pomona Lecturer.
3. SANTA CRUZ COUNTY, APTOS GRANGE No. 800.  
ELOISE DANFORTH, (Piano Solo)  
W. L. Garlick, Lecturer of Aptos Grange.
4. BUTTE COUNTY, BIGGS GRANGE No. 459.  
PETE WORKMAN (Monologue), (Humerous).  
Lillian Weast: Pomona Lecturer.
5. SACRAMENTO COUNTY, ELK GROVE GRANGE No. 86  
FRED DWIGHT, (Sensational Equilibrium).  
Marie Dwight: Pomona Lecturer.
6. ANTELOPE VALLEY POMONA: ALPINE GRANGE No. 665. (Novelty Act). BETTY FISKE: Pomona Lecturer; Gertrude Brewer, Lecturer, Alpine Grange. (Following Cast):  
MR. and MRS. JACK TUMBER  
(9004 E. Ave., T-14; Little Rock.  
MR. and MRS. GASPAR, Palmdale.  
MR. and MRS. GEORGE JOHNSON, Little Rock.  
MR. HAROLD BREWER, Little Rock.  
MR. HARRY TUEL, Palmdale.  
MRS. STELLA SCHIPPLER, Little Rock.

The above winners won a fifty dollar check for their respective Pomona jurisdiction, which was awarded by the G.I.A.

### WINNERS OF THE 1969 TALENT CONTEST

1. Fred Dwight and daughter, Donna of Elk Grove Grange No. 86. (Act of sensational equilibrium).

Frances Lawson, Valley Center No. 631 .....	2550
(San Diego)	

## VESPER SERVICES — 1969

On Sunday evening, October 19, in the Ukiah Grange Hall, Vesper Services were conducted by State Chaplain Leta Littler. A nice musical program was prepared by Alice Trimble, the Redwood Choral Group sang several beautiful numbers, also a solo, "I Believe."

The hall was comfortably filled, and following the service the ladies of Ukiah Grange served refreshments. A very pleasant evening was enjoyed by all. This was the Third Vesper Service given before the California State Grange Session.

## MEMORIAL SERVICES — 1969

Thursday at 2 p.m. October 23, Memorial Services were conducted by State Chaplain Leta Littler for departed members who have passed on during the past year. The hall was beautifully decorated in greenery and fall flowers.

38 Pomonas were represented in the Memorial march. The names of 104 past masters, wives, husbands and deputies, were read, and the names of rank and file were placed on a silver scroll. The Worthy State Master placed the scroll on the floral altar. Sister Doris presented a floral tribute. Beautiful tableau's were given with the youth participating. A large electric Cross was placed on a 3-tier dias, and as the Pomonas were called a globe was lit on the Cross. A recording angel beneath an arbor of flowers, inscribed in a large Bible the names as they were read.

The Chaplain's Message was based on "Living and Giving for a Good Cause."

A tribute to service men was given, and a wreath placed on an easel beneath the American flag.

As the strains of Sweet Bye and Bye filled the room the marchers retired, taps sounded and another memorial passed on into the record books. Sister Littler bid the congregation farewell as this memorial service ended her 26 years of service in the Grange as State Chaplain.

## UKIAH 1969 — ORDER OF PROCESSIONAL

Led by Olive and Bill La Caille

Rank and file represented by Sister and Brother Deaver.

Cordie Hannah, Past Supt. of Junior Granges: Eve Rowe

Butte County: Mildred Brown

Colusa - Yolo County: Clara Davis

Contra Costa County: Maxine Kent

## CREENTIAL COMMITTEE REPORT

*Worthy State Master, State Officers, Delegate Body and Fellow Grangers:*

It is indeed a pleasure to have again served you as your Credentials Committee.

We had anticipated minor difficulties as we knew one of our regular typists could not be with us due to another commitment. However, we were fortunate enough to have an expert typist volunteer her services just a short time before the Convention dates and our problem melted into "thin air" as they usually do.

I must say the Delegates and Alternates were very cooperative and understanding. A few of their Secretaries had failed to send in proper credentials but with the help of their Deputies we managed to straighten these out in short order.

For your information, of the 47 Pomona Granges listed, 44 had representation and of the 330 Subordinate Granges listed, 274 Granges were represented. A total of 498 Delegates and/or Alternates were registered. We of the Credentials Committee sincerely thank you for your help.

Ulyuss G. Rose, Chairman  
Rosemary Hanson  
Marie Rice  
Myrtle A. Gallup  
Betty Rose

Officers and Members Calif. State Grange

Attn. Chester Deaver, Master Calif. State Grange

(Hand Dlvr)—

Fairgrounds, Ukiah, Calif. 1969 Oct. 24 PM 5:46

The El Dorado County Chamber of Commerce in support of the Hangtown Grange and the Hangtown Chamber of Commerce reiterates its cordial invitation to the State Grange to hold its 1971 convention in El Dorado County.

Howard Heilman, President

El Dorado County

Chamber of Commerce

The Western Fairs Association, representing all California Fairs wishes to express appreciation to the California State Grange, their members for their participation in fairs as exhibitors, participants and fairgoers.

Too, we commend you for your legislative support of fairs.

Lou Merrill, Manager,

Western Fairs Association

## DIRECTOR OF MEMBERSHIP REPORT

*Worthy Master and Sister Deaver, Officers and Members of the California State Grange:*

Idlers and eager beavers!—Some workers remind one of the story of the Rabbi who wanted to be driven to Minsk and made a bargain with a coachman, who warned the Rabbi the road was rough and his horse Rifke, would be treated with every consideration. "I'm very fond of this horse," said the coachman.

The agreement was made and they set upon their journey. Before long they came to a hill. "I can't ask Rifke to carry both of us up it," said the coachman. "You'll have to walk while I drive." The Rabbi agreed without complaint. When they came to another hill, the coachman got out and walked! This kept on all the way to Minsk—every time there was a hill one or the other got out and walked up the hill to spare old Rifke. At the last few hills both men got out and walked because Rifke was getting too tired.

Finally they reached Minsk, half of the distance having been covered on foot. The Rabbi paid the coachman and said, "I have come to Minsk for my congregation, you come to Minsk to make some money. But tell me, why did we bring Rifke?"

One of President Harry S Truman's favorite lines was "The Buck Stops There" as well as, "If you can't stand the heat, get out of the kitchen!"

I'm going along with Truman and not passing the buck. The buck also stops here! Nevertheless, I would like to present greetings a bit differently in a manner which seems more appropriate at this time in our organizational pattern. If we are to become significant as an organization, it seems mandatory that individual members within the fraternity assume some responsibilities. Previously under the Grange structure, much of the success of the organization was vested with the officers of the Granges and those special individuals with assigned duties to perform.

With the changes coming about in our structure, more responsibility for the vitality of the organization will be vested in the general membership. This is as it should be. Let us forget Rifke—put him to pasture—and meet the challenge. "1970 — the year of the challenge." If this is the case then what responsibilities do individual members of the California State Grange have?

With our Worthy State Master's approval, I would like to challenge and charge you as C. S. G. members with these responsibilities:

A challenge to make the C.S.G. truly widely representative of her Pomona and Subordinate Granges to the National Grange. The needs for those we serve are continually changing, whether they move to another area,

death in the family, changes with our children as they advance from elementary school through college. What each one does is incomplete in itself. We have to be concerned, if we are interested in people. We must partake by working together to effect an impact upon our membership in the State of California.

A challenge to help all who are serving the Youth and Junior Grangers in California. It is our responsibility to help these people in considering membership growth in the C. S. G. if we are to grow, we need to have *all* Grange members take up this challenge and serve.

A challenge to take the responsibility to become aware of and take positions on agricultural issues in a positive sense, to accept the responsibility for saying and fighting for what we are *for* rather than saying what we are *against*. We need to get involved in legislation more actively! We need to be heard!

A challenge to your involvement in our State Grange. What can you do for C.S.G.? It should not be "What are we getting from the C.S.G." But "What are we giving to C. S. G." We need a two-way street not only for reacting to what others say, but also for saying things so that others can react. We believe that we have a set of beliefs and movement that is important for this society to maintain. What are you going to do and how are you going to be involved?

Are we going to drag Rifke with us? When we consider the changes going on before us and the needs of people in this society, we realize the small amount of help we can give anybody at any time in his life.—

This past season we have urgently stressed the need of more Junior Granges and the involvement of our Youth.

Our children have the right to help solve problems.

Our children have the right to join clubs and organizations.

Our children have the right to be understood and loved.

Our children have the right to enjoy hobbies of their choice.

Our children have the right to try their own ideas.

Our children have the right to be involved in making decisions.

Our children should have the freedom to express their own thoughts and opinions.

Our children have the right to participate in community affairs.

What better opportunity than our Junior Grange for a start? Today the need for leadership and not just more social analysis is an imperative if we are to progress toward a free and open society for all.

I've heard various remarks—that we are trying to push the young in and the old out. Man, how gravely in error you

are! For if anyone is keeping score, today's old people are leading the troop. They're moving in the most devastating transition of all times and holding their own.

New leadership and new responsibilities for human involvement should be our theme. The young leaders are trained—taught by us—the elders. Teaching is the mother profession. Without teaching there would be no other professions. Training and working together builds leaders. Is this putting us aside?—

We've made tremendous strides in encouraging the membership growth in C. S. G. We are succeeding. *This—our second year—showing a more significant gain than the first year proves you do understand the need to serve.*

1970 is the challenge year—the program year! We must take the leadership in showing the way and guiding our organization in definitive directions.

Creativity is more widespread than most of us realize. Anyone can be more creative than he is now. Imagination can be stimulated: It increases and improves with use. For years ideas have been underestimated. This year we are begging for all ideas through the support of your Lecturers and asking you to send all ideas and suggestions to your State Lecturer.

"TALENT" said author Gustave Flaubert, "is our affair. We can shrivel it through disuse, or we can build it up by practicing creativity—by solving problems, by using our leisure in ways that will exercise our imagination."

Adaptation is a sure method of spurring creativity. Never underestimate it. Ideas can come from anywhere—ideas can come from anyone—we need ideas—man, we're listening! Ideas that can be put to use throughout our Junior, Subordinate, and Pomona Granges. Your help is needed. There is no reason the next progress-stimulating idea couldn't come from you. New programs to draw in more Junior Grangers, Youth, and most of all, *YOU*. Won't you see that action is taken? This is our theme for the Grange builders *regional* conferences next year.

The Junior Grange has a well-planned program and Sister Eve Rowe is the finest and most versatile person I've ever met. Her creative abilities abound in her work for the Juniors. Also, have you noted the beginning of programs for the Youth? Sister Betty Smith has made big steps in placing our youth in the rightful position with the Grange. Program—projects are being born! We need more to enthuse the entire membership not just the young—so be alert. Give us your ideas. This is the challenge year!

Like newness, involvement is not an end in itself, but a means to an end.

Lead out with new boldness! Leadership has meaning only when it leads to desirable goals. And new leaders emerge to take up old and new challenges.

To give you an idea of our leadership for 1968-1969, last year we distributed 159 plaques to Subordinate Granges that had a gain of one or more in membership from the previous year. This year 101 of those Subordinate Granges will be receiving the second gold seal award for their plaque—a second year gain in membership. In addition, 73 other Subordinate Granges burst forth with an increase and are entitled to receive a plaque this year.

These awards, presented to you from the National Grange has been a three year Grange builder program. This project ends June 30, 1970. You are now in its final phase to earn a plaque for your Grange, July 1, 1969-June 30, 1970. The National Grange would like to see a plaque in every Subordinate Grange. Of the 329 Subordinate Granges in California we are 97 short of this goal. Come on, let's put more life into Rifke! Let us strive to fill the gap. Your Worthy State Master is indeed pleased and encouraged in this program, and you can't imagine the squeals of delight from your Secretary, Marjorie Brown and myself when we view the results.

The National Grange Extension Service has no contests this year other than the three year plaque awards. No radios—no watches—no award winning trips to the National Grange Convention. They have left the individuals that have brought in the most members this past year without gift or recognition.

For the members we bring into our fraternity, we do for their need and our sincerity. We need no other congratulations. Nevertheless, C.S.G. is mighty proud of your progress and that wee bit of lace that is covering her skirt. There are several that should have mention of their achievement.

A special form was returned with the June 30th quarterly reports. When the results were finalized, it showed the following leaders:

Leading man and wife teams:

J. R. and Sue Rogers, Orangevale No. 354, Sacramento with 51 new members.

Harold and Leona Stone, San Dimas No. 658, Los Angeles, with 39 new members.

Martin and Isabel Rickard, Soquel No. 789, Santa Cruz with 24 new members.

Individual Grange Builders:

Zetta Paganetti, Pescadero No. 793, San Mateo with 33 new members.

Mike Compton, Little Lake No. 670, Mendocino with 30 new members.

Bob Raker, Chico No. 486, Butte with 22 new members.

Stacey Comstock, Mt. Vernon, No. 453, Placer with 21 new members.

Irvin Grenz, Trinity Valley No. 618, Trinity with 20 new members.

What good is a speech without a starting idea. Cut a few pages of a newspaper into pieces about the size of a sheet of letter paper. Pass out among members early in the program. Then, when the Lecturers program is about to end, ask every person who has a piece of newspaper to stand up. Explain the papers have been well shuffled and you want them to match up the pages back together again. Get together! The matching pieces may not be near you, but they are in the room, and if you talk to enough people, you'll find them. You'll also speak to a lot of members and get better acquainted. Try this on Booster Night, or when several new members have just joined the Grange. Old and new members working together.

Grangers—look to 1970—the challenge year. You know, if we haven't, we certainly should have vitaminized Rifke and given him strength and a new set of legs. Shall *we* take the Rabbi to Minsk in our coach?

As you see, I have tried to be honest in my address by pointing out the problems which still remain. But I repeat, I am counting especially on the work that you are going to do here in your annual convention, and ask you to drive the plowshare diligently through the heavy burdens placed upon us and prepare for a more prosperous growth in C. S. G.

Brothers and Sisters, God has given me love in my heart, and I love you. Thank you for your attention.

Faternally submitted,

## DIRECTOR OF YOUTH ACTIVITIES REPORT

*Worthy State Master and Sister Deaver, Worthy State Officers, visitors, Delegates, Youth Advisors, and young Grangers, Greetings:*

The report for the year 1968-1969 is better than the one from last year. At Fresno I could only say that 26 reports were sent to me. This year there are 95 reports in; 22 from Youth Advisors, and 73 from Masters who had not appointed Youth Advisors.

Reporting sheets were sent each Sub. and Pomona Grange, and 95 of the 404 Granges responded; that is roughly one fourth of all of the Granges in the State.

The report sheet asked 14 questions, among which were:

How many members in the teen group?

How many in the Young Marrieds, and

How many in the Young Un-married group?

It also asked if a Youth Advisor had been appointed, and if the Youth Committee had organized.

We asked if their Grange was going to help send a young person to this Convention, and if a young person from their Grange would like to be on the 5th Degree team this year.

The results of the report were interesting, and enlightening.

Reported were:

118 teen-age people. This, multiplied by 4 gives us an average figure for the state. So, roughly, there are 500 Grangers between the ages of 14 and 21 in our state.

68 young Un-married people less than 36 years old were reported. 68 times 4 is 272 Unmarried Grangers in our state.

300 young Marrieds were reported, so 300 times 4 is 1200, which, when added to 500 teens and 275 Unmarrieds total 1947 members of the California State Grange Youth Committee. For, whether or not they are even members of Pomona Grange, they are members of the California Grange Youth. Our business is with ALL of the young Grangers, not some mythical elite few.

I suggest to you that THAT is a very nice Youth Committee.

It is very very important that there be an understanding about the Youth Committee, which is a legal, Standing Committee of every Subordinate and every Pomona Grange, in every State Grange of the ENTIRE National Grange. Whether there is one young person, or fifty, in any Grange, that one Young person is eligible to enter into any part of the State program. You see, if there is only one person in your Grange under the age of 36 he or she is *automatically* a member of the Youth Committee in that Grange, in exactly the same way as any woman or girl who becomes a Granger is a member of the Committee of Women's Activities.

The State Master, the Executive Committee and the State Youth Director all stand ready to help in any way they can to encourage your Grange to recognize the fact that you need ALL ages in your membership to develop a proper program for your Grange, so that it may be a real Community Service organization.

There is nothing mysterious about a Youth Committee, it's legal, logical and right.

Some other aspects of this report are also very interesting.

Out of the 95 Granges that reported, half of them had not a *Single* teen-ager. The law of averages thus says that there are over 200 Granges in California having not ONE member less than 21 years old.

Out of the 95 reporting there were 35 Granges that has not one Young-Married member, and 35 times 4 is 140 Granges in this State with not a single Young-Married in its membership.

Out of the 95 reporting there were 26 Granges who had no young Un-marrieds.

Now we go from bad to worse — out of the 95 Granges reporting there were 25 Granges who had not one Grange member to belong to the Youth Committee, for not one soul in those Granges is under 36 years of age.

Using the law of averages again, it indicates that there are probably around 100 Granges in California that have no legal members of a Youth Committee; a legal, standing Committee of the Grange, and this is plainly Shameful!!!

The only real value of that report is that at least 95 Granges are aware that Grange membership and programs should — and could be improved.

That's enough of the dark side. But actually, we need to take a look at the dark side in order to know what we must do in order to correct it.

Now let's look at the light, bright side.

This has been a wonderful and busy year.

Since Fresno, many good things have happened, Youth-wise.

In November of '68 we had the good fortune to go to National Grange and observe first-hand the Youth Activities Days, and we learned a great deal to help us with the Youth work in California.

Brother Hadlock, who was at that time the Youth Director of National Grange, suggested that, since our Convention is so nearly the same time as the National Convention, our winning Prince and Princess each October plan to compete in the National Grange Contest a year later, thus giving the California Contestants a full year of preparation in order to represent California in the best possible way. Brother Deaver agreed that this was good thinking, so beginning this year, last year's winner of the Prince Contest at the Fresno Convention will

represent California at the National Grange Youth Activity Days at Daytona Beach, Florida, during November 13, 14, and 15.

Brother Bill Steele is the new National Youth Director and is doing a very good job. Brother Ed Hadlock is now Administrative aide to National Master Scott.

The young lady who won the Princess Contest at Fresno has since married thus disqualifying herself from further competition; however, during the summer Alberta represented California Grange Youth at the Washington State Grange Convention, and made a fine report that I am sure you read in the California Grange News.

The boy and girl who win the title of Prince and Princess here in Ukiah will have a full year in which to learn more of Grange Law, customs, and ritual, plus time in which to grow in poise and in those qualities that a "Grange Ambassador" truly needs. It is necessary to learn the Spirit of Grange as well as to learn Laws, ritual and the edicts of Grange, in order to become good leaders.

Beginning this year, the runners-up will be announced, and, in the event the Prince or Princess have disqualified themselves, or if for any reason they cannot make the trip to National Convention the year following their selection, California will be represented by the number two winners in each yearly contest.

During the spring months I traveled throughout California on the Grange Builders team, always talking Youth, and saying as much as I could in the 20 minutes allotted me.

Cal-Poly, during Easter week, was a lovely affair this year, and the young people and the Advisors learned a great deal and had a lot of fun, too.

They joined the officers of California State Grange in paying a debt of gratitude to Cal-Poly and its President Kennedy and Faculty members and all of their wives.

If you read your Grange News as you should, you will have seen a Youth Section every second month, a new feature for the paper, and a brand new endeavor for the Grange Youth. Brother Jack Berry, managing editor of the Grange News, and Youth Editor Nancy Garrison have been doing a nice job on this special feature. Our thanks to Jack and to our editor-in-chief Brother Deaver, for making this possible.

In August we had our first annual Youth Round-Up. It was held at Mt. Lassen Church Camp, five miles from the entrance to the park.

There were 50 persons present, including 22 Youth and two Junior Grangers. The young people were all from the Southern half of the State.

In some way we must find out why the people in the Granges in Northern California do not encourage, or make it possible, for the Youth in Northern California to attend the various functions of the State Youth Committee.

I'm inclined to think this situation is like one that exists in our family. My husband's people seem to think it's a lot closer to West Virginia from California than it is from West Virginia TO California!! It's no further for those living in northern California to come to any of these functions than it is for those living in Southern California to come to Mt. Lassen.

It has been strongly urged to have next year's Camp in Southern California but I don't want to do that, for it would look like we in the South are sore heads, and we are not. We probably will compromise and have it in Central California.

At Mt. Lassen the fun was great, the food was great, but the thing that really pleased us most was that when given a CHOICE, practically every grown-up *and* every young person CHOSE to work hard on Grange Classes.

You may depend upon it, no person who was present at that camp will ever be a Second Class Granger.

A class in code reading was held and on the 3rd day an examination was conducted by the State Master, aided by a State Executive Committeeman and others. The instruction was correct, that is, by word of mouth.

The examination was written. Each contestant was given pencil, paper and a code book. The examiners then said "write line so and so from paragraph so and so."

There were fourteen lines read, and written. When the examination papers were corrected, the winner, with a possible 283 errors, had made only 26 errors, Second place had made 28, and third place had made 33 errors. This effort was after only two hours of oral instruction, and included the entire code book. To be able to read a line half way down in a paragraph, it was necessary for those being examined to have read from the beginning of the paragraph, because the code work is only the first letter of each word, and reading an isolated line would be all but impossible.

A class in Grange Knowledge was taught for an hour a day for two days, and examinations were held the 3rd day. There were first, second and third awards in both the Code reading contest and the Grange Knowledge class. A one hour class and discussion was held on Grange procedures and practices and a Regulation School of Instruction was taught by one of the Deputies.

Much credit must go to the Youth Advisors and to other grown-ups for their untiring efforts on the Youth's behalf. To thank each of the persons who contributed to the success of the Youth Round-Up would take more time than is available, but we are very grateful for their participation.

A special thanks must go to Jack Berry for all of the publicity he has given the Youth this year, and I want to publically thank Arnold Millner and the Grange Insurance Association for the full page ad, the art work, and for his special brand

of magic that encourages all of us in our efforts to make the Grange the fine and noble organization that it was designed to be.

In June all Youth Advisors in the State were invited and urged to attend a Conference at Asilomar, centrally located on Monterey Bay. Those who came were impressed by the sincerity and dedication of the 8 Teen Age Panalists who were invited to present their thoughts on "The Grange, Through the Eyes of its Youth."

I have been asked to present to the delegate body the results of the findings of the Asilomar Conference. The young people, together with the Youth Advisors wish you to listen carefully, and to take seriously every word, for it is from the heart, and every word has been carefully thought out, and it is in the language of the youth themselves, exactly as they have sent in their final report.

It is presented to you almost prayerfully. In my opinion it puts a probing finger on many of the sore spots on our Grange body, and if heeded, and acted upon, will do much to heal our suffering Granges. That the Granges are in trouble is no secret. We in California have, for the second time in as many years, surged forward, but membership growth is not enough.

The quality of the program, our mental attitudes, and the standards we set for the ritual work need to be upgraded.

Recognizing and defining our problem is the first step, and the easiest one. And this is what the Youth talked about at Asilomar. The hard part is correcting our mistakes. Copies of the Asilomar Report are available to you, provided by Brother Millner and his office. You are invited to obtain a copy at the Youth Registration desk. Take them home, please, and study it, then use it in your Grange meetings either at Lecturer's hour, or during the time devoted to "The Good of the Order."

Here I will read the two sheets:

## PROBLEMS THAT CONFRONT YOUTH

*June 15, 1969*

We, the youth of California, on June 14 and 15 at the Asilomar Conference grounds on the Monterey Peninsula, held our first annual youth conference. We met with an adult committee and advisors, to discuss the many problems there are within the Grange.

The youth feel there are many problems that need to be solved in order to keep the Grange a functioning body, to keep it a vital organization in our state, as well as our nation.

I submit a list of problems in which we held much discussion. Many of these problems are old ones since the Grange was founded, perhaps. Some are problems we believe have arisen since the youth started taking active interest in Grange work.

- I Youth plan activities on their own, but adults step in and say "You can't do it . . . it's never been done before. Let's do something, but not out of the ordinary, for it might draw criticism from other Granges."
- II Youth get volunteered to projects by the adults, not realizing that the youth may have many other activities scheduled during the time of appointment set by the adults.
- III Youth puts on programs, but adults often want them to be humorous, and seem not to appreciate serious programs.
- IV The youth want to learn Grange work but the adults are not willing to give up their posts. They simply look down on the youth holding offices in the Grange.
- V When considering a project, everyone votes "yes" to have the youth do it, but then when it is time for the adults to back up the youth, they back out. They abandon the project and leave it in the youths' hands.
- VI The Master appoints youth advisors, but they never show up at any of the youth meetings. They are appointed by the Master, who often picks anyone, just to have the position filled.
- VII Many Granges plan on an annual activity such as a picnic. They have it at the same place year after year. They do the same things over and over. Their traditions are too strong.
- VIII It has been said that the youth want to do away with, or cut, the ritual work. That's not true. Youth have a very strong feeling to keep the ritual work of the Grange. However, they feel it should be done WELL and PROPERLY.
- IX During the Subordinate and Pomona meetings there are many problems that need to be looked at and watched for. They are as follows:

#### PROBLEMS IN GRANGE MEETINGS:

- 1. Personal arguments among Grangers.
- 2. People who talk too long. Most don't make any sense. They should be short and to the point.
- 3. Committee reports are often too long. They carry on what each person did at the picnic or what the weather was like.
- 4. During school nights the meetings are run too long. Youth have to go to school the next day.
- 5. Infants and small children are not welcome to the meetings.
- 6. The Master does not have firm control over his meetings. He lets someone get up during New Business, and they start discussing a committee report he left out.

7. Secretary's reading of minutes should be shorter.
  8. The Deputy should be a younger minded person, to help the Subordinate and Pomona Grange reorientate itself so that the Grange considers the needs of youth as well as adult members.
- X State Deputy Masters' appointments should be made with the Deputy's ability in mind for leading youth, as well as adult, factors in the Grange.

These are few of the many problems that appear to us in the Grange today. Many others are yet to be brought up and discussed. The purpose of our Asilomar Conference was to bring up those most prevalent, toss them about, analyze the causes, and discuss possible solutions. Solutions can be found only with the cooperation of youth and adult in the Grange. The backbone of our nation depends upon us all working together as a family, a fraternal organization.

The youth are a part of the family, and want to be recognized as such. The youth are not intending to overthrow the Grange, or cause a disruption or discomfort for Grange members. We are simply stating facts as we see them, for the betterment of the Grange.

Fraternally submitted,  
Lynn Boles,  
California State Youth Chairman

It isn't the intention, far from it, to make anybody mad. One accomplishes nothing by making people either mad or frightened.

We want only what is right. The Grange structure is ideal. We have only to carry out ideas that will complement and implement the Grange IDEA.

We need to work on ideas and programs that raise our standards. We need to lower our *average age per member* by bringing into our organization many many young and middle aged people, as well as increasing numbers of those over 60.

We cannot expect people of any age to come to meetings that are dull, or dominated; quarrelsome, or self-righteous; too long, or when the ritual work is sloppily done.

We can expect people to come to meetings:

Where the opening and closing ceremonies go off like clock-work, and where the Master will not permit it to be interrupted for any last minute conversation.

They will come if your business is business-like, and if you are planning and discussing interesting and live projects that include ALL AGES.

They will come if they know they're not going to be bored to tears by a blow-by-blow description of some personal action totally unrelated to Grange.

They will come if they are treated with friendliness and courtesy and IF they have an interesting job to do.

This coming year is big with opportunity.

One of the programs of the Youth this year—and remember, that is from 14 to 36—is to encourage each County or Pomona to work up a Fifth Degree team. There will be competition, first between regions; Northern California, Central California, and Southern California. These competitions will be completed before the first of October, and the three winners will compete at the State Grange Convention at Santa Maria.

The winning team will then exemplify the Fifth Degree at the National Grange Convention in Boise, Idaho, in November, 1970.

To be perfectly frank and honest with you, the basic reason for this Degree Team Competition program, is to develop within each Pomona an interest in the Fifth Degree among your young people. Then, some happy day, it will be possible to have 17 Pomonas represented on the Youth 5th Degree team each year at your State Grange Convention.

If the Fifth Degree team is top heavy with Southern Californians it is only because those in Northern California furnished not, or could not, participate.

Brothers and Sisters, we challenge you to face up to the problems in the Grange in your area, admit your Grange errors, and start to work them out.

The Youth from 14 to 36 have a right to a Grange that is fulfilling its responsibility to its community.

The Youth wants that kind of a Grange. Your community needs, and deserves that kind of a Grange.

What kind of a Grange do you have?

The Youth and I salute you, and say "Let's get on with the job, together, to build a Grange like California has never seen before. Let's lead the Nation — Together we can do it!!

Fraternally submitted,

Betty Smith,

Director of Youth Activities

## **REPORT OF VICE CHAIRMAN CALIFORNIA STATE GRANGE YOUTH COMMITTEE**

*Worthy State Master and Sister Deaver, Worthy State Officers, delegates, Patrons and Friends:*

The Youth of the California State Grange greet you and thank you for attending this part of the State Convention. We wish to show appreciation especially to Brother Deaver for his efforts to update the Grange by encouraging Youth Participation in all aspects of Grange Work. We are grateful that he recognizes the Youth as a responsible segment in the Grange Family.

We are so happy that for once during the year, at least, we can all be together in person. It is the wish of the Youth in the Granges of California that there be many more meetings of the members of all of our organizations in order that

we may become acquainted and share points of view and experiences. We feel that it is necessary, in order to have understanding and cooperation between the Youth of all responsible organizations; and all like minded youth.

We wish to express appreciation to the Youth Director, Youth Advisors and friends who have helped us in so many ways this year. We wish you to know that we now consider you members in good standing of "The Helping Hands Club."

We believe, in this modern age that brings new as well as old problems that we must use new and better methods to solve problems, and, in so doing, to develop character and leadership qualities in Grange members of all ages.

We sincerely believe that with the leadership our Granges have, and will have in the future, we can meet the challenges of the 70's of the 20th century as vigorously and as successfully as our Grange Fathers did in the 70's of the 19th century.

The young people in your Granges are potentially real Grange Builders.

The Youth Committee, which is comprised of the teenagers, young un-marrieds and young marrieds can be one of your most useful committees. We urge you to recognize the importance of those Grange members between the ages of 14 and 36.

We ask that our older brothers and sisters in the degrees of our order help us by being patient as we learn the work, helpful as we gain knowledge and understanding, and LISTEN to our ideas.

Please remove any mental barriers you may have to those of our age, and let us prove ourselves as true Patrons of Husbandry.

Let us work together so that one day soon we shall all be able to see that our order has indeed entered a higher degree of usefulness, and its program is truly meeting needs of all of its members.

Brothers and Sisters we thank you all for attending the Youth Program and we invite you to attend the breakfast the Youth and Adult Advisors are preparing for you at the Ukiah Grange Hall on Thursday morning.

Last year you donated liberally to the Youth Fund out of the fullness of your hearts. This year we need your donations but we wish also that you have a delicious breakfast for your money.

Tickets may be purchased at the door of the Grange Hall tomorrow morning, beginning at 7 a.m. We will serve until 11 a.m., or longer if Patrons are still waiting to be served. Thank you.

Fraternally submitted,  
Mike Smith

## SUPERINTENDENT OF JUNIOR GRANGES REPORT

*Worthy State Master and Sister Deaver, State Officers, Matrons and Patrons and Brothers and Sisters:*

I bring you greetings from our future leaders . . . the Juniors of California. Yes, the children of today, will be tomorrow's leaders.

With the "avalanche" of young people exploding into our midst, and with so many complex problems and temptations facing these young people, they need something constructive to do. Never before has the need for a vigorous Grange effort, and a broad community understanding and the efforts to develop leadership been so great.

You know, the greatest challenge to "The Grange of Tomorrow will be the preservation of mutual concern" and "fraternal fellowship," we share today.

And my concern, is the Junior Grange, I feel that it is a vital part in the work and program of our order.

It is the foundation on which we should build more vigorously in the future, than in the past. . . .

The Junior Grange, is really a "school out of school". . . . Here the children learn by doing . . . it has been a teacher, a developer . . . a guiding force . . . and a stimulating power, where boys and girls take part in programs, community service, ritualism, business training and handcrafts, plus other things that are helpful and worthwhile for themselves and others.

As members of the Grange, we are in a unique position to serve the youth . . . unique, because it brings together, young and old, men and women, boys and girls.

Yes, we are a family fraternity . . . let us keep it that way.

I have heard more than once, that the Junior Grange is merely a baby sitting deal . . . and I agree . . . it could and will become just that . . . if more adult members do not come forward and assist the Matrons and Patrons.

If every member of the Grange, would be willing to give of their time and efforts, just a few hours . . . *Just once a year*, would make a big difference in the training and development of the Juniors, is this too much to ask for?

Only by working and planning together, can we build more and better Junior Granges.

Like the story of the organist, that was giving a concert in an old, old church, where the organ had to be hand "pumped" by a kindly old man. During the intermission the "pumper" came from behind the organ and commented to the genius, "We're giving them quite a concert, aren't we?" This seemed out of perspective to the organist who replied, "What do you mean 'We'? I'm giving the concert! . . . When the intermission ended, the audience returned, and the genius brought his high raised hands down on the keys with a real flourish, but not a sound came. At that, he rushed back of the

organ in a temper, but there sat the old man in his rocking chair, not "pumping." The organist stopped short, thought a moment and then said, "You're so right, we are giving them quite a concert, now with your help we'll even do better."

These words apply to all of us, we could and would do better, if only we would work together.

This is why we stress that it is important to have a Junior Grange committee appointed in every Subordinate Grange, regardless, whether you have a Junior Grange or not. The purpose of this committee in Granges not having a Junior Grange, is to work toward establishing one, and in Granges having a Junior Grange this committee would work with the Matron and Patron.

I am sure that in every community where there is a Grange, has at least eight young people between the ages of 5 to 14 years of age, seeking the opportunity for safe, sane and social affiliations. But they like the adults, must be sought out, and asked to join the Grange.

Too many members feel that the parents must be Grange members, in order for the children to belong to the Grange. This is wrong, the parents do not have to belong to the Grange, and I think that it is good. By taking in these children of non members, often secure new Subordinate Grange members, that otherwise could not be reached.

Oh, I know! A lot of you will say, we have members with small children, and this is why they do not attend the meetings, they feel that they cannot bring the children, and do not want to leave them home. There is no reason why these children should be left out. After all, the Grange has been built upon the community and the family . . . It is one of the few places where the whole family . . . all ages . . . may attend, somewhere along the line some of the Masters, have got the idea children were not allowed to sit in at Grange meetings. How wrong can you be?

For the benefit of some of these members, who still insist that children are not permitted in the Grange meetings, I will quote the following, found in the 1965 Journal of Proceedings of the National Grange, a Resolution was made and adopted, "keeping in mind that the Grange is a family fraternity, children under 14 years of age, whose parents are Patrons, may be admitted to Grange meetings when in the opinion of the Master the interest of the membership will be best by so doing." End of quote.

And this is how it should be, it will also prepare the child on what choice he will have to make when he reaches 14, some will choose the Grange, others will not, it is up to the members how they receive these young people.

This year we had 17 Juniors graduate and affiliate with the Parent Grange, now, these young people have learned many lessons that will be useful to them and the order, they

come prepared for the tasks that lay ahead, all they ask is a chance to prove themselves.

Being members of the Junior Grange, they know of the importance of our beautiful ritual, the need to serve on committees, to support the State and National Grange projects, and assist in raising the needed funds to work with, yes . . . the JGs, are self supporting and are workers, they know that "sitting still and wishing, makes no person great."

The good Lord sends the fishing, but you must dig the bait.

This year the 30 regional conferences held throughout the state, in itself began to awaken our members of a sense of responsibility for the welfare of their respective Granges and the children of the community.

It is encouraging to note there has been a greater interest not only in Grange functioning, but 10 Granges grasped the opportunity of organizing a Junior Grange, which makes a total of 20 Active Junior Granges for California. However, this in relation to the number of Subordinate Granges that could be serving is rather small . . . believe me, your Grange will never be permanent if you leave the children out.

This report is only a partial summary of the achievements the JGs accomplished during the year. It shows an active interest and well planned programs were carried out.

Some of the money making projects were rummage sales, Tupperware parties, candy and food sales, sold brushes, beach bags and litterbags, hold monthly pancake breakfasts, cake walks, bazaars, booths in the county fairs and entries in parades.

Conservation and beautify America: Several raised the \$68.00 needed to go toward the penny pines project, some donated toward the state penny pine plot. Planted poppies along the hillsides, and had cleanups of cans from the roadsides. Programs, posters and booth themes, stressed conservation or beautify America.

Citizenship, membership fun and fellowship, created quite an interest. Programs were held on, "How to be a good citizen," how to display the American flag, what the stars and stripes represent, and how to fold it.

Membership drives were held, and while some had a loss due to children moving out of the community, we had a gain of 178 members, and that's not bad.

Fun and fellowship was enjoyed by all. Along with the fun and fellowship programs held at meetings, some had slumber parties, swimming parties, skating parties, Easter egg hunts, exchanged putting on the degree, visitation to other Granges, and had exchange programs, several had campouts, others made trips to saw mills, bottle plants, zoos, museums, field trips, and to the county seats to take in court actions.

Community service — Plays an important part in the Junior Grange work. Not only for the Juniors, but for the community as a whole.

Christmas trees were bought and decorated then given to children's homes, hospitals, and community centers.

They take charge of the Grange yard, by weeding and planting, some raise enough flowers that they can be used for decorating the hall, donate to shut-ins, and churches. Made and donated scrapbooks to give to children hospitals along with other toys and games. Knit Afghans to give to the veterans home, donated clothes and food baskets for the needy. Assist elderly Grange members with chores around the home. Adopt rest homes seeing that they receive cards, flowers, gifts, and put on programs during the holidays.

Many Grange halls have been benefitted by the JGs. Such as, cleanups, paint chairs and tables, wax floors, bought a cook stove, air conditioner, assist with dinners, and donate money to go toward taxes. The sum reported, \$385.00.

Other donations went to the State Grange building fund, Bible fund, National Grange youth fund and care. Three entries were made in the National Grange sewing contest. Two entries in the National Grange art contest. 62 received the JG merit award certificate and seal. 26 presented with the Super JG Award. 326 are working in the Red Books. 22 Matrons and Patrons received the Certificate of Appreciation. 7 achievement reports were returned, and the outstanding Junior Grange for California this year was Wyandotte Junior Grange No. 178. This report will go on to the National Grange for further judging.

One community progress report was made, so it is automatically the winner for California, the honor goes to the Redwood Valley Junior Grange No. 174. The award for this project will be a plaque signed by the National Grange Master.

While the later part of this report dwells on the various projects, we must remember, that building the Grange is the primary object. And projects are only a means to that end. We must have them to keep an interest, and to give the members something worthwhile to do.

I do hope that this report has inspired some or most of you to encourage and promote greater growth in our Junior Granges. Be like the turtle, he goes places, only when he sticks his neck out. And even the mosquito doesn't get a slap on the back, until he starts work.

We hope to see all of you in attendance tonight, as the Redwood Valley Junior Grange No. 74 will put on the degree and drill along with the Bachelor Valley Juniors and the Ukiah Juniors furnishing a program.

In conclusion, I would like to express my appreciation to all the Matrons and Patrons, for work well done, without their cooperation this report could not have been made.

To the Redwood Valley Juniors for the corsage; the CWA, for the donations made for the JG work; to my fellow com-

panions whom I had the privilege to travel with on the Regional Conferences are days I will cherish always. To Brother and Sister Deaver, for their support and encouragement and hospitality extended me as overnight guest in their home. And to all of the brothers and sisters, I leave these words, the present is in our hands but the future is in the children's, remember, it is far better to build boys and girls, than to mend men and women, so let us be earnest, be faithful and true, because the future of the country, home and order, depends on all of you.

Thank you.

11 to 12—Perry Levoe, Cupertino JG, No 2nd, 3rd.

## 1969 WOMEN'S ACTIVITIES REPORT

### *Worthy Master, State Officers, Brothers and Sisters:*

Another year has passed and it is time for me to give you an accounting. We hope that the KEYS TO PEACE has been used many times during this period. PEACE comes from within each of us and is not something that anyone can give us. If our Granges are to have a PEACEFUL atmosphere it will be because of the efforts of the members in working together for the greatest good of the whole organization. We must be putting our "best foot" forward because we have been able to make a very substantial gain in membership during the past year. This could not be done if we did not have faith that our Granges are a fine place for new members. We must

have been exhibiting a PEACEFUL face to the world. Although many of our Women's Committees have been saddened by the death of some very faithful, hardworking, members we must go on and we hope that the void can be filled by some of the new members becoming real "workers" in our committees.

We added to our program, this year, the building up of our Bible fund. By "word of mouth," about the middle of 1968, we began asking for contributions to this. By the end of September 1968, just before our convention, we had received \$49.00. Now we have a total of \$196.50 in the fund, and from which we have been able to purchase Bibles for several new Junior Granges and a few that were reorganized but had never received a Bible from this fund before. Some of the reorganized Junior Granges already had their Bible given them previously. We will continue asking for \$1.00 from each CWA during 1970 I'm sure. Although we asked for only \$1.00 from each CWA, many gave more than that, while others did not give anything. We hope that those who were not able to give during 1969 will be able to do so in 1970.

Sister Anna Wilhelm, to whom we send the Cancelled Stamps, has reported that she has shipped a little more than 450 lbs. of stamps to Norway since our last convention. This is a good project and one that does not ask for contributions of money, but it does ask for your time to properly cut the stamps from the envelopes. Be sure that you include your name and address, when you send her the stamps, and she will be glad to write and thank you for them. The money derived from the sale of these stamps is used in the prevention and cure of T B as well as the treatment of other respiratory diseases.

We try to keep our requests for money for welfare or charitable efforts, at the State level, to a minimum and so we have confined ourselves to the Meals for Millions Foundation. As in the past the money we contribute goes to provide food for hungry people, and especially children. A food supplement of vitamins and minerals, called Multi-Purpose Food, is used and 3c worth of this, mixed with some basic food, lacking in many essential elements, will make a meal which can keep people from starving. During the past year we have given \$1,713.83 for this purpose and this will provide more than 51,000 meals.

At the National level we participate in the Grange-CARE project each year. During this past year we have been helping to provide equipment for village school kitchens in the country of Chile. During the previous two years we were helping Young Farmers of India to raise more and better food. From that we have gone to the other end of the line, helping to provide the means of preparing and serving better meals to hungry children. Our contributions to this project have been \$710.37 since our last convention.

Contributions to the State Youth fund and to the Junior Grange State fund have always been invited in our CWA program. Most of the contributions to these two funds do not come through the State CWA books, but I have received \$61.00 during this past year and it has been transmitted to the proper place. We always urge any CWA, which does not have any Youth in their Grange or a County Youth Group, or a Junior Grange connected to their Grange, to make a contribution to help the work at the State level.

Many of our CWAs give scholarships, either at the Subordinate or at the Pomona level. These have been given for many different reasons, for further study in Agriculture, Home Economics, Music, Physiotherapy, Nursing and many others for just general education. It has been reported that \$7,529.00 was used for this purpose and that at least 120 young people have been helped.

The funds which were placed with Cal-Poly and with Humboldt State College, some years ago, for the purpose of helping girls, who ran out of money and would have to leave school unless some help came to them, has been used several times during this past year. Cal-Poly has reported that \$175.00 was given in two grants, and that the balance in the fund at the end of the 1968 summer semester is \$1,567.14. At Humboldt State College none of the money was used for almost two years, but during the 1967-68 school year 6 grants were made, ranging from \$20.00 to \$100.00 and the balance in that fund is now \$1,869.43. Thanks has been extended, from each of these colleges, for making this money available. No other funds are available to the college for this purpose. The girls do not have to be Grange members either.

At our convention last year, during our Women's March, and before the end of the convention, we turned in \$1,602.47 for the Student Loan Fund. Once again we are putting our money into this same fund. This money has helped a number of our Grange members go on to school and has served a very good purpose. This is not a scholarship but was money to be loaned, and it was expected that in time, as loans were paid back, that it would keep itself up. This has not proved to be the case. Cost of schooling has increased so that there never was enough money in the fund and we regret to say that a few people have borrowed from this fund and have not paid back the money.

One of our fondest ambitions is to pay off the debt on the State Grange building, in Sacramento, as soon as possible. We have had this in our CWA program for the past two years, asking that each CWA or Grange have one money making project during the year and give the profit to this fund. Although we have not insisted that this money be sent in through the State CWA, we have received quite a number of contributions and these have amounted to \$749.60 since our

last convention. What a wonderful celebration we could have if we could burn the mortgage when we end our Centennial year at our convention in 1973.

When I reported to you in 1968 I thought that our cook-book project was just about finished. Our supply of books, at the State Grange office, was all gone and still more requests kept coming in for more books. Shortly after the first of this year the decision was made to have 10,000 more books printed. This makes a total of 40,000 books which have been printed, in three printings. The increased cost of these last books has made it necessary to raise the price to \$2.00 per book, but this seems to be no deterrent to the sale of the books and calls are coming in all the time for them. After paying the original cost of two printings, we gave \$11,000.00 to the State Grange to pay for the furnishings and landscaping in and around our new building. In addition, at the time of the third printing, we had approximately \$6,500.00 ahead toward paying for them. Since then we have added to that sum and now have about \$9,600.00 and so probably about the first of 1970 we will again have paid back the cost of the books and then can start putting the money away.

With our Centennial year coming up before long, we are not saying just what this money will be used for but be assured that in one way or another it will be used for the benefit of the Grange. We have pledged that we will give \$100.00 each year, as long as it is needed, to the winner of the Talent contest, to be used in the expense of getting to the National Grange for the final competition. From time to time there may be some other small projects that will require money and with the approval of the State Grange Master and the Executive Committee this money may be used. As in the past this money is kept in the Mabel Glenn Memorial Fund, although each fund is accounted for separately.

The Mabel Glenn Memorial Fund has \$1,846.87 in it as convention time last year. The money taken in from the sale of cookies, entered in the Cookie contest, has been added to this fund, after taking out the amount needed for the prizes. Last year that was \$72.50 and in addition contributions which came in during the year amounted to \$177.11 and so this fund now has \$2,110.98 in it. We are planning to pay for the prizes for the Doll and Jigsaw puzzle contests from the money we get from the sale of the cookies, as well as the Cookie contest prizes. Again this year the cookies were sold for 50c a plate.

Once again we participated in the National Grange Sewing contest, but I regret to say that the number of entries was down by a considerable number from what they have been in the past few years. In fact this was the first year, for at least 6 years, that we have failed to increase the number of entries. In spite of this we were happy to have a 3rd place National

winner. Miss Charlene Palleson, who was sponsored by Sister Edna Mae Miller of Empire Grange, Stanislaus County, was our winner. This contest will continue in 1970 and I certainly hope that we can increase our participation in it. Sister Marjorie Swetnam, Chairman of Riverdale Grange, Fresno County, had the most actual entries from her CWA of anyone in California, 52 of them. We certainly do appreciate all the effort she put into this contest in order to accomplish this.

At the writing of this report the National Grange Needlework contest has not been judged so this report will have to be made later in the Grange News. In the 1968 contest we had 3 first place winners and one second place winner. I hope we can do as well again this year.

A new National contest this year, to dress a "Barbie" type doll or to make Jigsaw puzzles, will be judged at this convention. All dolls and puzzles, except for the one doll and one puzzle we are allowed to send to the National Grange for further judging, will be returned to the contestant. We are hoping for a good response in this contest as it seems as though it should be a real "fun" contest. Prizes will be given in three different age groups, age 5 to 14 inclusive, 15 to 21 inclusive and then over 21. The Youth Group asked for the 15 to 21 age group and said they would provide the prizes in that class. Prizes for the other two groups will be paid from money taken in from the sale of cookies entered in the Cookie contest. First prize is \$3.00, second \$2.00 and third \$1.00, in each age group.

Since I have mentioned, a couple of times, about the use of money from the sale of cookies I guess I should also say that our Cookie contest is being held again this year. Prizes for four classes of cookies are being provided as follows: \$5.00 for 1st, \$4.00 for 2nd and \$3.00 for 3rd prize. Cookies are entered in Class 1—Drop Cookies, Class 2—Filled Cookies, Class 3—Bar Cookies and Class 4—Rolled Cookies. Remember that this contest was open to all Grange members, women, men and the children of the Junior Granges as well. I'm sure that by this time many of you have bought and eaten some of these cookies and know how good they are. We also welcomed any extra plates of cookies that were brought in just to be sold.

The Grange women are quick to render assistance, in many ways, to those who are in need of help. Contributions to a large variety of funds is reported each quarter. Many of these are local or county-wide funds, or it may be an individual person or family. No matter where the call may come from the women are usually ready to answer. A fire in a home can leave a family destitute for furniture, clothing and many other things. Many of the CWAs keep on hand items which can be used when the call comes. A number of them make quilts throughout the year and keep them for this purpose. Household items are gathered together and in many

cases a "shower" is given for the fire victims and at the same time also "lift" their spirits by having a party for them. This help is not confined to just Grange members either as we are all one big family, especially if we live in a small community, and what affects any one person also affects each of us.

A death in a family, especially in a small community, always calls for the women to provide food to the grieving family and their friends, and a group of the women will also go to serve the food. If the family group is quite large many times the food is served in the Grange hall.

In a much happier vein are the many wedding anniversaries, especially 50th ones, that the Grange women help with. Here again the whole Grange membership may work together to make this a time the honorees will long remember and most likely it will be held in the Grange hall.

Many of the women spend a great deal of time in making things for hospital patients, in Veteran's, State, County or Community hospitals or in Rest Homes. Such things as lap robes, scuffies, bed jackets, bibs, crutch pads, toe socks and many other things, are done in large numbers and then donated to someplace where they are needed. Other groups go regularly to a hospital or Rest Home to read, write or just visit the patients. Refreshments and games are provided in other places. In addition to this a number of the Grange women bring the elderly to the Grange hall for a social time and do this regularly.

While Grange hall improvement is usually a joint effort of both the men and women, still often the women are able to earn more of the money needed to do the work. Then the men do the work and the women provide the meals for them. Hall improvements seem to have been done more this past year, or at least it has been reported more. Part of this could be that many of our halls are getting to the place where they require more work done on them and maybe it is that the money earned is finally sufficient to get the work done.

Pressure is being brought to bear, in some counties, to cut the funds for the County or District Fairs, and we regret this very much. Many of the Fairs have been a place to put the name of the Grange before the public by having some type of a booth. Many of the Fairs would be much less interesting also if it were not for these booths. On the part of the Grange the cutting of the Fair funds can mean a big loss in money to the Granges. Fair booths have always been a good means of revenue for the Granges and during this past year \$33,495.74 was earned by participation in them. Only the serving of meals or food sales brought in more money to the Grange \$95,388.55.

The Voting Delegate to our State convention is most important to the success of it. There is no other way for the State Grange Master to know what you want him to work for

or against, either within the Grange or in a State or National Legislative matter. We hope that no Grange will ever fail to be represented because of a lack of money to send the delegate. If the Grange is not in a position to furnish some expense money then, early in the year, the CWA should plan some money making project just for this purpose. Of course, as the State Director of Women's Activities, I hope that every CWA Chairman will be able to attend the convention.

Because of the difficulty of getting our CWA Chairmen to understand the importance of making up a National Grange Recognition Report we decided to try something new this year. In June we sent out a Recognition Report form and asked that it be filled out and sent back in by July 10th. While we were not really satisfied with the result we would also say that we were happy that we did receive 145 of them. When you consider that the most we have ever received before has been 50, then you can see why we were happy with the number that did come in. I'm sure that this will be done again in 1970 and we hope for an even better return. The Reports were judged and here is the result of that. Sister Marjory Swetnam, CWA Chairman, Riverdale Grange No. 624, Fresno County, was first. Second place went to Sister Elizabeth Land, CWA Chairman of Oakdale Grange No. 435, Stanislaus County and third place to Sister Twila Williams, CWA Chairman of Sonora Grange No. 705, Tuolumne County. The only Junior Grange CWA Report came from Redwood Valley Junior Grange No. 174, Mendocino County, Sister Burleen Elliott is the Junior CWA Chairman. It was a very good report and I was proud to be able to send it on to the National Grange, along with the first place Subordinate Report. Of course my Report, to the National Grange was also sent at the same time. First place in the Pomona Reports goes to Sister Flora Lee Schlundt. I wish we could get more of the Pomona Chairmen to send in a report as I only received 7. If a chairman files a Recognition Report and has filled out the National Grange Wall Chart, she will be entitled to a Certificate from Sister Alta Peck, our National Director. However, it was necessary that the Chart be sent in to me, before time for my report to go to the National Grange, October 1st, in order for me to send all the names of those entitled to this Award at that time. I received only 13 of them but I have the feeling that some of the chairmen forgot to send them and so will fail to receive the Award.

We held 27 District CWA meetings this year. The floods in the early part of the year kept many of the women from being able to attend but no meeting had to be postponed. One of the series in September was cancelled because of the serious illness of the District Director. Both Sister Marie Workman and Sister Florence Sheffer have been quite ill and were in the hospital at the time of the fall meetings. We certainly hope

that they will soon be well again. The work of this department of the State Grange could not be done without the cooperation of all of the District Directors and I want to express my sincere thanks to each of them. They are all hard working, conscientious and dedicated Grange workers, with many duties and little compensation, except the satisfaction of having done the best job they could for the good of the Grange.

The wholehearted support of Brother Deaver and Sister Doris, and also that of the Executive Committee has made this a pleasant year of work. My thanks go to each of them.

Let me remind you that "Today well lived makes every Yesterday a dream of Peace, and every Tomorrow a vision of Hope.

There are many keys which can unlock the door to a more Peaceful atmosphere all around us.

Which ones did your Grange use this year?"

Fraternally submitted,  
Gladys True,  
Director, Women's Activities

## REPORT OF CALIFORNIA STATE GRANGE NEWS

*Worthy Master, Officers, Delegates and members of the California State Grange:*

The report of the California Grange News and its performance and progress really comes to each of you twice a month in a published record—the issues of the Grange News itself.

The staff hopes you like it.

The Grange News—your newspaper—serves many functions for you and your organization.

1. It brings you the news of the Grange at the National, State and Local level.

2. In keeping with Grange farm and rural interests it brings you the important news of agriculture.

3. The Grange News serves as a tie helping bind the 40,000 members of the State Grange, reaching all members, those who regularly attend Grange meetings and those who don't. It keeps all informed of Grange policies and activities.

4. The Grange News is distributed and read by many who are non-members. It is received, for example, by all state legislators when in session in Sacramento. The Grange News, then, serves as 'a window of the California State Grange' giving the public a view of the Grange, its operation, policies and activities.

5. News published in the Grange News is picked up by other media—newspapers, radio and TV and issued widely.

These and many other functions are a part of your newspaper, making it an important arm of the California State Grange.

The Grange News could not begin to give you the full continuing story of the State Grange if it weren't for the hundreds of reporters who regularly submit reports of their Granges and its members.

It is our policy to publish all of these reports in turn and our system to assure that this is done is very exacting. We occasionally receive complaints that some Granges are not getting their news published. Invariably when we are put to the test, our staff produces the record of all reports received from that Grange, when they were received, and when they were published. To substantiate, we submit the tearsheets from the paper, carrying their story. We admit that, because of space limitation and because reports are taken in turn, there is often a long lag before the article appears. This is your newspaper and our goal is to serve you. We want to give the news of every Grange, but it's up to each Grange to submit that news to us, if it is to appear. We appreciate your suggestions and your criticism. These serve to guide us in bringing you the newspaper you want.

For several years the Grange News has been subject to a gradual declining trend in local advertising. Major contributing factors are the change-over from individual owner-oper-

ators to chains, the urbanization of once rural shopping communities, and the growth of shopping centers. These conditions mean that the Grange News must try new approaches and above all, must prove to the advertiser that his investment will bring added business. Our new efforts, which include increased attention to our Sales Slip Booster Barrel program, are bringing results. In the past few months we have begun a strong upward trend and, our staff believes that this new rising trend will continue. In this we look for the continuing cooperation of our Grange member readers in the booster barrel program and in assistance to our advertising sales staff.

Despite the thousands who are entering the Grange News Booster Barrel program, there are many not fully acquainted with it. It is easy to play and fun to compete for the valuable prizes awarded, including a first prize vacation trip to Hawaii for two. Simply stated—when you buy from Grange News advertisers, save your sales slips, submit them to our Booster Barrel Chairman in Sacramento, and you will receive a numbered ticket for each \$25.00 worth of purchases. Everyone of these tickets are entered in the BIG DRAWING each year and eligible for a valuable prize. This year's drawing will be conducted here in a few minutes. Our 1970 contest is already underway. We urge you to start now—buy from Grange News advertisers and save your sales slips. Full rules of the contest will be published in a forthcoming issue—watch for it.

I am especially pleased that our long-time advertising manager for Southern California, Howard Herbes, who in the past two years suffered critical illness, is back with us in a healthy, fulltime capacity. All of us, I know, are very happy to welcome him back to good health.

The Grange News advertising staff continues to have the competent services of Jack Galvin, serving a wide radius from Sacramento and Don Otley, covering the area around Redding. The Grange News welcomes two new staff members, Leo Plympton of Humboldt County, serving North Coast counties and other areas of Northern California and Bill Willmuth, Riverside Counties.

In addition, we have hundreds of Grange members who assist our advertising staff. We extend our special thanks to these people for their efforts. Without them our program would not be possible.

For many years the Grange News has operated Grange Tours for members and friends. These tours—short five day tours and longer tours, many to distant lands—open new vistas, provide memorable experiences and bring together new friends.

An important reason for the success of our tours lies with the abilities of our escorts who conduct them. We have two exceptionally fine regular escorts, our own Gladys True, and Gabriel Estrada, professional tour conductor who many of

you know as a friend. The Grange News is particularly grateful to Gladys True for giving her time and energy as an outstanding tour conductor for the Grange News. We are gratified to note an increasing participation in these Grange News tours. We look forward to organizing a broad variety of interesting trips in the year ahead. We urge you to watch for them and take the tour of your choice, long or short—you will find it a rewarding experience.

I hope all of you have noted a new important feature we have added to the Grange News. It now appears regularly every other month. It's a newspaper within a newspaper—the Grange Youth News, prepared and edited by Grange Youth members themselves. They have now published three issues and you will notice these young people are doing a creditable job. Its first editor is Nancy Garrison of Fresno county. Space for this special section with its special column width is one half page. As the Grange and its youth program grows we anticipate that the size of the Grange Youth News will grow accordingly.

In our report last year, after citing the plus factors of the California Grange News I called attention to "a situation that could be critical." Briefly it was this—rising costs and a tight advertising market had placed the Grange News in a deficit position.

The report said, "The situation demands attention. Means must be found to increase this revenue now. With a slightly increased income the Grange News can sustain not only its present size, coverage and standard of quality, but can continue making improvements to match the growth of the California State Grange.

"Without increased revenue now, there is no choice but to make drastic changes, reducing the size of the newspaper, its staff, its appearance, and, of course, its contents."

This statement continues to apply. During the year just concluded, the Grange News again operated in deficit, but less so than the previous year. The critical condition, however, remains.

An independent paper looks to subscriptions as an important source of income. We are at the point where a slight increase in the modest subscription rate now received would move the Grange News into a sound fiscal position. Not gaining this, leaves two undesirable courses only—(1) Continued deficit financing, (2) drastic reduction in size, content and staff of the California Grange News. This is a matter which must be resolved now, if your newspaper is to continue to fulfill its purpose.

In closing, the staff of the California Grange News acknowledges and thanks State Master Chester Deaver and the executive committee for their counsel, cooperation and confidence. We extend gratitude to all who are contributing the news of

their Granges and their Grange members throughout this big state.

Lastly, we express appreciation to all our advertisers for choosing to carry their business message in the pages of the California Grange News. We enjoin all of our readers to *look first to a Grange News advertiser—they care for you.*

With that may I say—the Grange is definitely on the move. Your staff of the Grange News will continue to do its best to present this continuing story to Grange members, to new members as they join our ranks, and to the outside public (and there are many) who see and read your California Grange News.

Respectfully submitted,  
Jack S. Berry,  
Editor and Business Manager

## BOOSTER BARREL WINNERS — 1969

- FIRST PRIZE: (HAWAIIAN VACATION FOR TWO)  
Verda Blubaugh, San Dimas No. 658
- SECOND PRIZE: (\$300.00 Lady Hamilton Diamond Watch)  
Mr. & Mrs. Antone Katri, Bayside Grange No. 500
- THIRD PRIZE: (Micro Portable TV with AM/FM Radio)
- FOURTH PRIZE: (Man's Zodiac Chronograph 17 J. Watch)  
O. W. Heinrich, Garberville Grange No. 514
- FIFTH PRIZE: (RCA Transistor Tape Recorder)  
Edward L. Ehrler, Shiloh Grange No. 515

## REPORT OF LEGISLATIVE REPRESENTATIVE

*Worthy Master, State Officers, Delegates and Brothers and Sisters of the California State Grange:*

The Grange is a great farm fraternal organization and let us keep it that way by going up the same path, by growing in influence at the Capitol in Sacramento and by continuing the same successful basic policies that have been charted out by the Executive Committee and the Master.

The Grange is unique in its origin, its purposes and its accomplishments. There are many good organizations that do specific jobs i.e., safety councils, highway associations, taxpayers groups, community betterment, Lions and Toastmasters. There are some that serve special interests such as oil, doctors, lawyers, steel, labor groups, credit associations and other groups. The Grange is unique in that we testify before Legislative Committees during sessions and interim hearings in the interests of the public. The Grange testimony covers the "Waterfront," the Valleys and the Mountains, affectively and effectively! The Grange's influence has increased in the Legislature since the last Convention, due to your splendid response which was requested at the Fresno Convention, to your legislators.

You have, as individual Grange members, as Subordinate and Pomona Granges, contacted your legislators whenever Master Chester Deaver requested this, either by phone, letter or by resolutions. This Legislative Session, for the first time,

every issue of the Grange News has been personally distributed by myself to every legislator's office, the Services Agency, the Director of Agriculture and the Governor's office. This has informed these important officials of what the Grange is doing currently—our position on issues and bills, which has added to Grange prestige. This prestige is also due to the policies formulated by Master Chester Deaver from his knowledge and experience as a public official for many years and his contacts with county and state governmental agencies.

Grange members participate individually by contacting legislators when they are in Session or in-between sessions and each one of you, through your Legislative Representative, are present at interim hearings, committee, commissions and board meetings. For instance—the position of the Grange on Law and Order, Drunken Driving, Good Education Economy in Government, as well as Tax Reform, has been in the past, is today, and will be tomorrow, in support of every one of these. **THIS THEN, IS A NEVER ENDING BATTLE!**

Let's talk about Grange successes and not waste time on what a few persons may interpret as Grange failures.

You were there when:

The State Board of Agriculture met in Imperial Valley where the main topic on the agenda was 160 acres. The Grange statement for the record was presented in support of the retention of the present law whereby a man and wife can own 320 acres in California. You attended through your Legislative Representative!

When the State Board of Agriculture met in Fresno and the question of the Grape Boycott was the main topic, the Grange supported and commended them in their stand opposing this boycott and the principle of all boycotts. At other board meetings, the Grange was there when the question of farm labor, DDT, price cost squeeze were discussed. You were represented when the Joint Fairs Legislative Committee met. The Grange testified in favor of continuing the State Fair with the "Old Time State Fair flavor." We appeared before the Ways and Means Committee supporting the elimination of the 10 percent cut in the Fairs allocations. The Grange opposed AB 1917 as introduced, since it would change the appointments of legislators from an area basis to a statewide basis. This was amended out. Also, some professional people assumed that Agriculture should be disregarded and a copy of Disneyland substituted in the State Fair. What happened? A flop! The 1969 State Fair, with agriculture accorded its rightful place especially the 4-H and Future Farmers returned to their historic fair dates, as California, the Number One Agricultural State, producing an ever reoccurring abundance of food and fibre was a success financially and attendance-wise. Continued changes? Yes, coupled with improvements of every exhibit will insure continued success for the State Fair. You

participated in Grange and Dairy Day on September 4, 1969 when the Grange, along with several dairy and industry organizations, put on the first Dairy Day at the California State Fair. We received front page spread in the Sacramento Bee and many compliments from Dairy Industry leaders. Let's never forget there is magic in two words, "State Fair."

You were there: At the 50th Anniversary of the Department of Agriculture as we read a prepared statement on the close cooperation between the Department and the Grange.

Let's talk taxes: The Grange Tax Committee, Harry Schmidt, Chairman, will present a tax package that will accomplish the main objectives of equity, simplicity, no loop holes and ease of collection. Everyone agrees that taxes should be equitable, no exemptions, simple in concept, based on ability to pay and benefits received—in other words, a real tax reform is needed. An example of how complicated taxes do become is the example of a 55 page "proposed changes in Business Taxes Regulations" that is set for a public hearing on Nov. 3, 1969 at 1:30 p.m. in the State Board of Equalization Board Room. On page 3—sub-head (d) GUN CLUBS—Gun Clubs are consumers not retailers of clay pigeons or blue rocks, furnished to members or patrons in connection with trapshooting or similar sports even though the charge for the service is measured by the number of clay pigeons or blue rocks used. The tax applies with respect to the sale of such property to the clubs. Also, on the same page under (b) is a change on Circulating Libraries which rules that "The Tax applies to the gross receipts from such sales."

Since government is more important today than ever, it behooves every citizen to be alert and knowledgeable since government can draft men in the armed services, run highways through your property, take your income through taxes, it is doubly important that all legislators be like Caesar's wife, above suspicion. Therefore, you and I should participate in government, vote, know your legislators, contact him through government by letter, resolutions or at Grange meetings.

One of the major accomplishments of this convention is the passing of resolutions to guide and direct the Grange during the coming year. Certainly resolutions should have a worthy objective, be specific and within the realm of reality. After these resolutions, presented by Subordinate and Pomona Granges, have been adopted by this convention, will you then contact your legislator so when the Legislative Representative requests a bill to carry legislation covering these resolutions, the answer will be YES!

Your Grange Bills: SB 525, which requires manufacturers to install SLOW MOVING VEHICLE emblem on implements of husbandry that may travel on the highways, in the form of a triangle with solid fluorescent orange triangle showing by day and the reflective red border of the S.M.V. emblem that

flows brilliant from approaching auto headlights. This will save lives. The Governor signed this bill.

AB 1349. This Grand Jury Bill which passed through four committees without opposition and both Houses of the Legislature. The Governor vetoed this bill because he was ill advised of the necessity of a continuity in the Grand Jury so the basic purpose would be accomplished. County services need close scrutiny as to their need, scope and cost. Several persons have asked the Grange, "Why the Grange and not some legal organization?" Could be that the status quo satisfies them—maybe they are too close to the picture. Remember, it was the Grange, some 90 years ago, that carried those famous railroad cases to the U. S. Supreme Court that resulted in the verdict that, "The created is never greater than the Creator." One result was the I.C.C. The Grange steps in whenever there is a need for the general welfare and other organizations do not accept the challenge. This bill will be re-introduced in the 1970 Session. While every one of you helped the Grand Jury Bill on its way, it was the Monterey Grangers who really came through at the critical time. We salute you for this support.

You were there: The Grange supported AB 5 which returned the law to the original concept of the citizens voting on over-ride taxes for schools.

You have helped: Yes, through your Legislative Representative, you opposed AB 1618 since it would apply a Gross Tax of 14 percent on Electrical Public Utilities, i.e. Irrigation Districts Power Plants and other districts such as SMUD. Since these are quasi-governmental agencies, where do you stop? A carrot in the form of "School Money" was held out for School Boards support. This bill was defeated, however, it will be re-introduced at the next session.

You listened to the DDT controversy in the Legislature. Since it is a fact that DDT has contributed to the health of countless millions of people through out the world by controlling flies, mosquitoes in the past and when used according to recommendations of the Director of Agriculture, controls many pests and insects of field crops, the Grange recommends that until a substitute is found, that the Director of Agriculture with the cooperation of the Agricultural Commissioners, check closely on every application to see that all precautions are observed according to law. We should not be stampeded by false accusations by some individuals. The end result could be that the Pesticide Problem is not one of actually spraying chemicals on grapes but has become a more serious and insidious planned "Poisoning of the Public Mind" through inuendos, assumptions and misleading statements about chemical tools that enable farmers to produce abundant safe food.

The grape situation, especially at Delano, is as complicated, as difficult of an easy solution or any solution that satisfies everybody involved, as the student unrest on our school

campuses. In both cases the Granges' position has been consistent with Grange policies of long standing. Neither one of these two domestic problems have been solved, even though many leaders all over the nation have given their best talents and efforts to this difficult task.

The California State Grange has supported the "Consumers Rights Committee" position of opposing the Boycott of California table grapes. To try to do more in the courts, in the fields, in a massive advertising campaign without adequate finances, would be tragic. The final solution is in the hands of the Congress.

We are for efficiency and economy in Government. However, the Governor's suggested 20 percent cut should apply only to funds from the general fund. The 20 percent cut should not apply to special funds voted in by producers in a marketing order since they pay for services that are needed to police the weights, sizes and quality of the products. The apparent saving of 20 percent could be very expensive in the long run. The producers can and do check up on the operating costs of their programs.

The Grange has through the courts and the legislature made a contribution for lasting self-government to operate through the voters in the interest of the nation as long as concerned citizens shoulder their civic duties and vote.

You were also present at one hearing of the Assembly Agricultural Committee where a highly controversial bill was heard. Some of the hearings have their lighter moments that ease the tensions created by the serious questions of law. The Agricultural Chairman asked what is the Granges stand on this issue, also just what is your position? Answer: The Grange does not support nor is it in opposition, in fact we are not even on the fence.

#### THE ONLY PERMANENT THING IS CHANGE.

What we, you and I, should do is not uselessly trying to stop the inevitable tide of CHANGE, rather to have some influence on the direction, the motivation, the end result of this thing known as CHANGE!

Let us resolve then, that all CHANGE shall be for good of all mankind. THIS IS THE GRANGE.

Fraternally submitted,  
Herman Grabow,  
Legislative Representative  
California State Grange

## CREDIT UNION REPORT

*Worthy Master, Distinguished Guests, Officers and Friends:*

I appreciate the opportunity to bring you this report from the State Grange Credit Union Committee. We felt that the participation in the conference we had yesterday was outstanding.

Our conference was attended by over 70 persons and we who were there, felt that it was a very productive one. David Willett, the California Credit Union League Consultant for this area was our guest and made a short presentation on the new "Truth-in-Lending" Act. We had a question and answer period with exceptionally good results. Those in attendance voted to thank the League for allowing Mr. Willett to take part in our meeting and this will be taken care of. I would like to express my own appreciation to Brother Rafter who came when we sent out a "distress" call to answer a question for us. I believe he had to leave the session to do it.

I want to call your attention to the Credit Union display in the north end (or back) of the hall. The display was prepared by the California Credit Union League in Pomona especially for us. There is literature there and we hope you will take it. That's what it's there for.

I think the thing I am most excited about is the possibility of column space in the Grange News. This is the one single thing we have heard repeatedly in talking to people and it was brought up at the conference yesterday. We feel this is a *must* and we will work towards a successful credit union column of some kind. This space could be used for general information for the membership and for questions and answers. If you have any ideas for furthering the Grange Credit Union movement please write to me. The addresses of the Credit Union Committee are printed in the roster. This movement at the present time is a big thing but its potential is so much greater. We know we are just barely tapping the resources that are available. Education of our members about Credit Unions is a necessity as well as a privilege and a Credit Union column would reach people we aren't able to reach at meetings.

The only figures I had available to give you were as of Dec. 31, 1968, but they are impressive enough that I want to call them to your attention:

41 Credit Unions reporting — assets of \$10,662,958.00 and 15,789 members! These figures are now nearly a year old. One thing I feel could be included in a column would be figures about net gains in membership, assets, and other pertinent current information from Grange Credit Unions that would sent it to me. I think we will find the gain over the figures I have just given you a tremendous one. As you can see we *are* BIG BUSINESS.

And now, something else—You've already heard this at this convention and I'm sure you'll hear it a great deal more. We *must* get young people interested in Grange and Credit Unions. This would be a cycle that would be beneficial to both. We need young married people, and if we can provide something they need and want in one of these, interest in the other should follow. But we do have to show them and tell them that we do have something they want. They just don't know it yet! In this day of easy credit we *must* teach our children and show our young people how to use their money wisely.

Respectfully submitted,  
Eunice, Smith, Chairman

## **REPORT OF ADVISORY COMMITTEE ON TAXATION CALIFORNIA STATE GRANGE**

The Advisory Committee on Taxation brings before you its annual report and recommendations.

Welfare has been used for years as the main reason for tax increases. Politically this appeals or seems to be a favorite statement of some of our government officials. Taxwise, as far as the property taxpayer is concerned, the cost of welfare on the overall property tax is but a small part of the property tax bill. As an example—If you were to take the cost of welfare off the local property tax and make it a state or federally financed program you would relieve the property taxpayer of a \$15,000 home the sum of \$7.50 per year. On the other hand if the school programs could all be eliminated from the property tax, a \$15,000 home would be a reduction in the property tax of \$157.50 or \$187.50 depending on local conditions.

We find ourselves in the fastest inflationary period known in the history of this great nation. Labor, industry, real estate, utilities of every kind, have grown to be big, burdensome problems, creating day to day concern for all of us.

There are those who will argue that to be efficient you must be large and be growing larger. This if allowed to continue will ultimately create a tax increase to take care of the many thousands of people who will be out of work and who are not trained for other more skilled jobs.

Inflation is the opposite of depression. Both are dangerous and should be controlled by the federal government which has at its disposal the knowledge and the means to control them.

Labor should, labor must, be aware of the pitfalls before them if we continue to price the labor market out of balance with the economy of the rest of the nation. We need more jobs in this nation today a lot more than we need higher salaries.

Industry must assume its true responsibility, recognizing labor's rights, and consumer's protections. Industry must be willing to accept a reasonable profit.

Small business should be given preference by the government when possible to do so. Small farms should be given

greater opportunities to purchase suitable farm equipment for family sized farms, instead of large subsidies for large farming operations.

When the Legislature went into session on January 6th of this year, it was apparent to most Capitol observers that this could really be the year for tax reform. The legislators—both Republican and Democratic — were calling for reform, as were the Administration, the counties, the cities, and the taxpayers. The will for tax reform seemed there, and so did the pressure.

The first break in tax reform was on March 3rd with the emergence of the long-awaited report of the Governor's Advisory Commission on Tax Reform, chaired by State Controller Houston I. Flournoy. The Flournoy proposal provided about \$540 million in property tax relief, mostly through the schools and the cities. The Governor, however, to the surprise of many, immediately rejected the report of his own commission because he said the recommendations failed to protect the taxpayers from greater burdens. Instead, he and the Department of Finance staff began work on their own tax reform program which was to emerge about one month later.

Meanwhile, as the April 8th deadline for the introduction of bills approached, there was a flood of tax reform bills introduced. None of these bills were able to progress beyond the initial committee to which they were assigned. Some of these bills had commendable features, but were not considered to be politically viable.

One other bill that emerged at this point in the session was the revived Flournoy proposal. The original Flournoy tax reform program was altered somewhat by Assemblyman Bagley. It provides \$485 million in property tax relief by distributing new revenues to the counties, cities and schools for welfare, the land conservation act, police protection, and an increase in the homeowner's and business property tax exemptions. However, the proposal did not find substantial support and died in the Assembly Revenue and Taxation Committee.

Although some sort of tax reform still seemed certain at this point in the session, no one could predict which one of the programs would obtain passage. It seemed that no one program had sufficient support.

Attention returned to the Governor's tax reform program. Assembly Democrats decided that the best way to defeat the Governor in 1970 was to pass his unacceptable tax reform program and embarrass him at the June 1970 election.

The Democrats, therefore, passed the package out of Assembly Revenue and Taxation as introduced. The Republicans, however, amended the program in Ways and Means and passed it to the floor, where it was defeated by the Democrats. Although the Governor's program was later revived in Assembly Elections and Constitutional Amendments and passed to Ways and Means, by this time in the session it was just too late.

Only ten days remained until adjournment and the leadership of the legislature announced that tax reform would not be accomplished this year.

Thus, the story of tax reform this year changed from one of great optimism to one of political bickering to one of confusion to one of no action. Many observers believe that the legislature will not be able to repeat this year's performance next year without having the voters pass a "Watson Amendment" type measure at the 1970 election.

SUMMARY: The Tax Advisory Committee has presented some of its views and statements relative to the complex field of our tax structure. We urge that you reaffirm your recommendations of last year.

1. Every taxing authority use all the care entrusted in them to prudently provide the necessary tax money for the reasonable operation and duties required.
2. Social progress at all levels be directed towards self-determination to enable self-sufficiency.
3. Education be made the responsibility of the student, the parent, and the school rather than self-creativity of a loosely run self-imposed student with no discipline, no respect and no allegiance to himself or his fellow man.
4. Each business corporation or enterprise should be taxed separately and apart to prevent tax dodging and tax write-offs.
5. That more realistic assessment practices be applied.
6. That a real in-depth study be made of an overall gross transaction tax of  $\frac{1}{2}$  of 1 percent of all services and transactions, to broaden the tax base.
7. Consideration of withholding tax to be applied for all enterprises in California, including farmers.
8. The property tax base has reached its limit be it the home, the farm, personal property, business inventories or business property, a broader and more equitable tax base must be found to better provide the vast amount of money so necessary to carry out and perform the day to day operations and functions of a growing economy geared to our standard of living as we know it today.

### AGRICULTURE COMMITTEE REPORT

*Worthy Master, Officers and Delegates of the California State Grange:*

This completes the work assigned to us. We have served you in what we thought was your best interests under the circumstances and conditions we worked. We trust that our work proves satisfactory by bringing results.

We shall forever feel grateful for the opportunity of serving as your Agricultural Commission. Thank you.

Faternally Submitted,  
Glenn Dorn, Chairman  
George Kirbyson  
Bruce Miller  
Emmett Taylor  
Melvin Dill

### REPORT OF THE COMMITTEE ON CONSERVATION

*Worthy Master, Officers, Delegates of the California State Grange:*

The Committee on Conservation wish to thank all those who appeared before the committee to assist with advice and information, and also the Officers of the California State Grange.

It has been a pleasure to serve on this committee, and we sincerely hope that we have rendered a worthwhile service to the California State Grange.

Faternally submitted,  
Washington Mannering, Chairman  
Robert Null  
Victor Anthony  
Marion Nisson  
Lyndon Jones

## EDUCATION COMMITTEE REPORT

*Worthy Master, State Officers, Delegates, Alternates, and Patrons all:*

We the members of the Education Committee, having completed our assignments, wish to thank the members for having afforded us the opportunity to serve in this capacity at this 97th session of the California State Grange.

We appreciate the fact that more than twice the number of resolutions were submitted as last year, and each was carefully considered prior to submission to the delegate body. We hope for even more at the next session.

The chairman wishes to express his appreciation to the members of this committee for their dedicated work; to Herman Grabow for his capable assistance, and to all other patrons who gave of their time to assist the committee in its deliberations.

The committee goes on record as being in accord with that portion of our Worthy State Master's address regarding Education.

Fraternally submitted,  
Francis Holland, Chairman  
Kenneth Bratton  
Herbert Marshall  
Rachel Banks  
Frieda Munson

## EDUCATION ADVISORY COMMITTEE REPORT TO THE 97th ANNUAL SESSION OF THE CALIFORNIA STATE GRANGE

*Worthy State Master, Worthy State Officers, Delegates, Members and Guests:*

There is no one within the sound of my voice, I'm sure, who will not agree that this past year has been an eventful one in the field of higher education.

On many fronts, the very foundations of our academic structures have been attacked by those seeking to disrupt, if not to actually destroy our seats of learning.

The so-called "Right of Dissent" by students has transcended all reasonable bounds of propriety. Class disruptions, destruction of private and public property which in many instances has lead to injury of students, private citizens, as well as the police, is reprehensible, and definitely contrary to the way of life Grangers uphold. Officers attempting to maintain law and order and protect property have been maligned, spat upon, cursed, attacked and beaten, and, in some areas, even killed while in the proper performance of their duties.

For a long period of time, the campus riots have occupied more new space than the highly unpopular Vietnam War issue.

Throughout the country the situation has become one of the most awesome domestic problems to face the state and nation.

During this past year, as chairman of California State Grange Education Committee, I have communicated with Governor Reagan, my Assemblyman and Senator, Dr. Max Rafferty, as well as many local school officials and trustees in my area, which includes a state college as well as a new Junior college. Patrons, I am encouraged. On the plus side of the ledger, though I must confess we are definitely not out of the woods, the overall picture seems to be improving in our state.

Campus unrest in California schools is, and has been since the summer session on the wane. Our legislators have stiffened during this past year such as we have never seen, and, following the firm stand taken by Governor Reagan, our Board of Regents has shown more backbone than ever before. In most instances, possibly due in part to the highly successful unbending stand by San Francisco State President S. I. Hayakawa, college and university administrators have exhibited far greater courage than perhaps even they themselves thought possible. Patrons, you have helped. Your letters, to the governor and our legislators, have helped immeasurably in effecting this change in attitude.

However, we must not be hoodwinked into complacency by a lull in the fighting. The true "hard-core" dissidents are still very much with us. We must continue to be ever vigilant.

Certain information deemed reliable points to new avenues of strife to be employed, aimed at our secondary, and perhaps even our primary level schools. Campus unrest, illegal and illicit use of harmful dangerous drugs might well become a way of life. Patrons, again I say to you, we must continue to be ever vigilant.

On the subordinate level once again I strongly urge that Youth Committees and Junior Grange committees be a functioning unit, even if the Grange does not have a Youth or Junior group.

In many instances, a Youth group committee may be particularly effective on the Pomona level, and can aid in stimulating the necessary impetus toward formation of one, or both of these groups in the Subordinate Granges.

Working with FFA and 4-H groups can be a most rewarding endeavor, and worthy of whatever time and effort that can be afforded these fine organizations. I would like to urge Granges who do not already have a scholarship program to explore the possibility of aiding one, or more of these deserving youngsters in furthering their education. One educator informed me that one of his students, who has since gone to Davis this fall, was given a modest \$50.00 scholarship by a service club, and the young man was on cloud nine, and

was so appreciative of what this was going to enable him to purchase in the way of necessities which had previously seemed almost like luxuries.

Yes, there is work for all, and the personal satisfaction one receives from working with a group of youngsters in their formative years is worth every effort spent in their behalf. Patrons, it is a thrill that will truly fulfill your Grange life, and I urge you all to "Become Involved." The time is NOW! (Remember folks—the Mets did it, and we can too).

Fraternally submitted,  
Francis B. Holland, Chairman  
Education Committee

## **ELECTION COMMITTEE REPORT**

*Worthy Master, Officers and Delegates:*

We respectfully thank the State Grange for the opportunity to serve and hope the election went off to the best interest of the Grange.

Fraternally submitted,  
Dave Thomson, Chairman  
Emma Anderson  
Don Comstock  
Floyd Layher  
Orval Stubbs  
John Tendeland  
Alex McAllister  
Gerald Walker

## **GOOD OF THE ORDER COMMITTEE REPORT**

*Worthy Master, Officers, Delegates and Members of the California State Grange:*

We, the members of this committee, have now completed the task of examining the resolutions concerning Good Of The Order of this 97th Session of the California State Grange.

We sincerely thank all those who furnished this committee with information and facts which helped immensely in our deliberations.

We consider it a great honor to have served your Delegate Body. My personal appreciation is extended to all the members of this committee for their harmonious and constructive action.

Fraternally submitted,  
John Ashley, Chairman  
Cleeson Buhler  
Albert Barnes  
Arthur Rose  
E. R. Whitson

## LEGISLATIVE AND TAXATION COMMITTEE REPORT

*Worthy Master, State Officers, Delegates and Brothers and Sisters:*

Your Legislative Committee has completed its task and we are grateful for the opportunity we have had to serve you, we have indeed been honored. This 1969 Convention of the California State Grange has produced a far better crop of Resolutions than in past years. Much more thought has been given in the preparation, which makes the work of committees easier.

Fraternally submitted,  
Theodore Bliss, Chairman  
Ernest White  
Vernon Cuddeback  
Theodore Cochran  
Julius Faoro

## TRANSPORTATION, ROADS & HIGHWAYS REPORT

*Worthy Master, Officers, Members of the Delegate Body and Patrons:*

We, the members of the Transportation, Roads, and Highways committee have completed the work assigned to us to the best of our ability, at this 97th Annual Grange Convention, and sincerely appreciate the confidence placed in us, by this body.

We are in full accord with the State Master's Address.

My personal appreciation is extended to the members of this Committee, who have made the committee a pleasure to serve on.

Fraternally submitted,  
Meredith E. Painter, chairman  
Alfred Hagen  
Harry Simons  
George De Lacy  
Manuel Ferriera

## RESOLUTIONS PASSED AT 1969 ANNUAL CONVENTION, CALIFORNIA STATE GRANGE

### AGRICULTURE

2. "Relative to Boycott of California Table Grapes" AGRI. 2

SANTA CLARA COUNTY POMONA GRANGE No. 4

WHEREAS: Farm workers in California are paid the highest farm wages in the continental United States, and

WHEREAS: Farm workers in California vineyards receive higher wages than the California average, and

WHEREAS: United Farm Workers Organizing Committee (UFWOCO) represents only 3 percent of all grape pickers, or only 1½ percent of all farm workers in California, and

WHEREAS: Representative R. F. Sisk (D-Calif.) states, "In order to get jurisdiction over farm labor employed by 5 percent of the table-grape growers—the farm union is willing to destroy the other 95 percent of the growers who raise 77 percent of the crop,"

THEREFORE, BE IT RESOLVED, that the California State Grange support the position of the Consumers' Rights Committee regarding the unfair and discriminatory boycott of California table grapes.

4. "Relative to State Fairs" AGRI. 4

ORANGE COUNTY POMONA GRANGE No. 36

WHEREAS: Members of the Orange County Granges have participated in the County Fair for many years with Feature Exhibit Booths, and

WHEREAS: These Orange County Grange members believe that these Feature Exhibits help to inform the general public about the Agricultural achievements in the County and the State, and

WHEREAS: California as the number one agricultural state should provide adequate financial support from the State Fair Fund so that the Department of Agriculture could display one of their programs, the function of each Division, how it operates and why, with top experts at the Fair to explain the operations.

THEREFORE, BE IT RESOLVED, that the California State Grange exert all possible influence in these areas of opposition in the Legislature in Sacramento to impress the worth and value of such Feature Exhibits and Agricultural Fairs, especially since Agriculture is conceded to be the No. 1 industry in the State.

79. "Opposing Hawaii's Boycott of Grapes" AGRI. 5  
EASTON GRANGE No. 706

WHEREAS: Members of Easton Grange No. 706, as do most people, are interested in the continuation of farming and production of food, and

WHEREAS: We feel the labor organization of the United Farm Workers Organization Committee against the grape producers is only a start to organize all farm labor, and

WHEREAS: The governing body of Hawaii has emphatically endorsed and supported the grape boycott of United Farm Workers Organization Committee,

THEREFORE, BE IT RESOLVED, that the California State Grange urge that the Legislative Body of Hawaii cease to support the boycott of grapes,

BE IT FURTHER RESOLVED, that the State Master send a telegram to the Governor of Hawaii reporting the action of this Delegate Body.

80. "Relative to the Marking of Milk Products. AGRI. 6  
HUMBOLDT GRANGE No. 501

WHEREAS: The California Milk Control Commission, which sets the price of milk has allowed the giving of discounts or rebates to retail stores for large volume buying, and

WHEREAS: Many retailers are buying up to the limits of their storage capacity on one delivery, many times a week or more supply at one time. Therefore, the consumer is buying milk that is two weeks old when they are led to believe they are getting fresh milk,

THEREFORE, BE IT RESOLVED, that the California State Grange introduce, and/or support legislation requiring that all packaged milk and cottage cheese be plainly marked as to date of processing or packaging.

Following Granges Concur:

Humboldt Pomona No. 19

82. "Relative to 1937 Marketing Act" AGRI. 8  
AGRICULTURE COMMITTEE RESOLUTION

WHEREAS: The Governor's suggested economy cut in the budget of 20 percent applies to all budgets, and

WHEREAS: The Market Orders, under the 1937 Marketing Act, are financed through funds voted in by the growers and can be reduced whenever they so desire,

THEREFORE, BE IT RESOLVED, that the California State Grange oppose these cuts as applied to the Marketing Orders.

83. "Supporting A New Classification For AGRI. 9  
Market Milk Products"

AGRICULTURE COMMITTEE RESOLUTION

WHEREAS: The so called "coffee whiteners" are in reality only composed of imitation products in place of real dairy products, and

WHEREAS: The health value of imitations are inferior to real dairy products,

THEREFORE, BE IT RESOLVED, that the California State Grange sponsor legislation, in cooperation with interested dairy groups, to amend the Agricultural code to provide for a "COFFEE MILK" which will provide a healthful nutritious cup of coffee.

#### CONSERVATION

5. Opposing the Sierra Club Siskiyou Wilderness Proposal" CONS. 1

#### ORICK VALLEY GRANGE No. 508

WHEREAS: There are already in existence 10 wilderness or primitive areas which contain some 813,000 acres within two hundred miles of this proposed area, and

WHEREAS: The Multiple Use Survey of this proposed area, conducted by the National Forest Service, shows a sustained annual timber cut of over 40 million board feet, 500 visitor days per year plus mineral claims, and

WHEREAS: Current plans of the Forest Service to develop the area could increase visitor days to 98,000 per year, and

WHEREAS: The loss of the present allowable timber cut alone would mean a loss of 120 jobs directly, 3,920 jobs indirectly and a loss of an estimated \$416,000.00 of "In Lieu" funds to the affected Counties,

THEREFORE, BE IT RESOLVED, that the California State Grange stand opposed to the Sierra Club Siskiyou Wilderness Proposal and urge that this proposal be rejected.

Following Granges Concur:

Humboldt Pomona Grange No. 19

6. "Regarding Water Pollution" CONS. 2  
GRATTON GRANGE No. 528

WHEREAS: Our once pure and sparkling rivers and shore lines have become so laden with filth that water birds, fish and mollusks cannot live in them, and

WHEREAS: The pollution has reached such a point that the population does not have enough pure water for daily use,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the local, State and Federal Governments adopt programs to remedy this condition.

9. "Favoring Stricter Standards on Off-shore Drilling Permits" CONS. 5

#### NEWPORT HARBOR GRANGE No. 776

WHEREAS: Serious pollution damage has been caused by a gigantic oil eruption as the result of a faulty drilling project in the coastal waters off the shore of Santa Barbara, California, and

WHEREAS: Governor Reagan has signed into law a Bill requiring 60 days advance notice to cities and counties adjacent to off-shore drilling areas where permits have been applied for, and

WHEREAS: The U. S. Senate, by a unanimous vote of 86 to 0, passed the strongest Water Pollution Bill ever passed, relating to the discharge of oil in navigable waters, and included the establishment of financial responsibility for cleanup from these spills to a possible limit of \$8,000,000.00 if necessary,

THEREFORE, BE IT RESOLVED, that the California State Grange at the local level, and the National Grange at the Federal Level, vigorously support all measures to protect the coastal areas of California and all other states so endangered, and aid to enforce the indemnity measures to the fullest extent in the event of any violation.

---

12. "Relative to the Loss of the Golden Eagle Passport" CONS. 8

RUBIDOUX GRANGE No. 611

WHEREAS: Congress quietly voted last Fall to abolish the "ANNUAL GOLDEN EAGLE PASSPORT" to our NATIONAL PARKS, FORESTS, AND MONUMENTS, to take effect April 1, 1970, and

WHEREAS: The Bill provides that the Park facilities and grounds will be turned over to Commercial concessionaires who will be allowed to charge whatever they see fit in addition to park entrance fees, and

WHEREAS: These high charges will price out the camping families or anyone, both young and old, entering the Parks from enjoying the only recreation they can afford thus making it a hardship on the lower income Americans, and

WHEREAS: Commercial Concessionaires seldom ever keep up leased properties and will not keep the facilities in a clean and orderly manner as our present efficient Park Services are doing, and

WHEREAS: Our Government has asked us to see America first, and now will cause us to pay unreasonably higher costs to take advantage of our precious Forest Recreation Liberties,

THEREFORE, BE IT RESOLVED, that the California State Grange and the National Grange use their influence on Congress and Senate, and also our President to repeal the Amendment that killed the "ANNUAL GOLDEN EAGLE PASSPORT" to our National Parks, Forests and Monuments.

BE IT FURTHER RESOLVED, that the California State Grange express their objection to the turnover of forestry parks and camp-grounds to private enterprise.

15. "Supporting Programs of Conservation" CONS. 11  
SAN DIEGO COUNTY POMONA GRANGE No. 35

WHEREAS: The nation's future rests upon fertile land and abundant natural resources, and

WHEREAS: The quality of our environment is deteriorating at an alarming rate,

THEREFORE, BE IT RESOLVED, that the California State Grange, and the National Grange be requested to aid and support programs of conservation, since conservation of air, water, soil, and plant and animal life will most benefit the children of tomorrow.

16. "Urging Formation of Civilian Conservation Corps" CONS. 12

YUBA-SIERRA POMONA GRANGE No. 46

WHEREAS: State and National parks have been acquired which need improvement to enable them to fulfill their purpose of recreational use, and

WHEREAS: Many people are available who need the experience and earnings,

THEREFORE, BE IT RESOLVED, that the California State Grange urge legislation to provide such employment and training of interested persons by maintaining camps similar to those operated by the Civilian Conservation Corps during the late 1930's.

85. "Relative to Publicly Owned Utility Districts" CONS. 15

ESCALON GRANGE No. 447

WHEREAS: The Grange has long supported the policy of distribution of electric power by publicly owned districts, and

WHEREAS: There is a movement within the State Legislature to change the laws governing said districts, and

WHEREAS: The present laws have been time proven to be satisfactory and have effectively protected the public's best interest,

THEREFORE, BE IT RESOLVED, that the California State Grange oppose any changes in the present laws governing publicly owned Utility Districts,

BE IT FURTHER RESOLVED, that the California State Grange oppose any efforts to have said districts placed under the jurisdiction of the Public Utility Commission.

86. "Relative To The Use Of Endrin In Forest Reseeding Projects" CONS. 16

CONSERVATION COMMITTEE RESOLUTION

WHEREAS: The growth and harvest of forest products is one of the most important economic supports of many northern California counties; and

WHEREAS: The maintenance of the wood product economy requires adequate and prompt renewal of tree crops by natural or artificial seeding; and

WHEREAS: Use of Endrin treated seed or prebaiting with Endrin bait is the only practical means of temporarily reducing the population of seed eating rodents to the point where artificial seeding or, in some instances, natural seedfall will not be wasted; and

WHEREAS: Endrin is also important to insure success of projects to maintain game browse plants; and

WHEREAS: The use of Endrin treated forest tree seed under the careful controls exercised by Agricultural Commissioners has been demonstrated to have no serious impact on non-target fish and wildlife,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the State Department of Agriculture and California Agricultural Commissioners to continue to permit carefully controlled use of Endrin in forest reseeding projects.

#### COMMITTEE RESOLUTION

CONS. 17

##### "160 Acre Limitation of the Federal Reclamation Law"

WHEREAS: In the past—The California State Grange has supported the 160-Acre limitations of the Federal Reclamation law, and

WHEREAS: We believe the principle of the 160-Acre limitation is as sound today as when it was enacted into law,

THEREFORE, BE IT RESOLVED, that the California State Grange, assembled in Ukiah in October, 1969, re-affirm their stand of previous years, supporting the 160-Acre limitation provision of the Federal Reclamation Act.

#### EDUCATION

18. "Relative to Preservation of Our Educational System" EDUC. 1

##### PESCADERO GRANGE No. 793

WHEREAS: There are vicious militant groups attempting to destroy our way of life and learning by inciting riots, interrupting the normal routine of study in our schools, destroying property thereof, showing contemptuous disregard for the laws of our land and using violence against our law-enforcement officers and others, and

WHEREAS: Street demonstrations and obstructive behavior have become a way of life with certain irresponsible people, and

WHEREAS: The presidents and other Campus and University authorities seem not able to control these disrupting influences, and

WHEREAS: The tax-supported Universities and Colleges of our country belong to all the people thereof, and

WHEREAS: It is in these great centers of learning, through the unsullied and uninterrupted process of our Educational System, that the youth of our country has obtained and maintained the high scientific and cultural status which makes ours the greatest and most powerful nation in the world today, and

WHEREAS: The Grange, as a family organization, supports do process of law and order, and

WHEREAS: The Grange desires to show appreciation and support of Governor Ronald Reagan in the firm stand he is taking against riots on and around our University and College campuses and the attempted destruction of our Educational System by militant groups,

THEREFORE, BE IT RESOLVED, that the California State Grange record its expression of appreciation and commendation for the firm stand Governor Ronald Reagan and other elected officials in the preservation of the Educational System of our publicly supported Colleges and Universities.

- 
21. "Resolution Calling for Responsible Action of Officers and Faculty of Institutions of Learning" EDUC. 4  
TWIN BUTTE GRANGE No. 781

WHEREAS: The tax supported Universities and Colleges of California have but one objective, to enrich the society by making available a higher degree of education, and

WHEREAS: Certain politically motivated groups are now at work among the faculty and students, wherein there is, on many campuses, violence and destruction which can result in absolute anarchy, and

WHEREAS: The very nature of such Institutions does not exempt their administrators from being morally and politically responsible and accountable to the taxpayers of the State of California, and

WHEREAS: Giving in to individuals and groups who resort to causing turmoil, committing destruction, rioting and other criminal acts is a grave injustice to the rights of the serious students who are pursuing their education in order to become productive citizens and leaders of our democratic society in the future,

THEREFORE, BE IT RESOLVED, that the California State Grange petition the Legislature to use all means at its disposal to rid the system of any individual, groups of students or faculty that infringes in any way upon the rights of others engaged in the pursuit of their higher education,

BE IT FURTHER RESOLVED, That any student, faculty member or administrator found guilty of violation of any code of conduct, ethical or civil, shall be immediately dismissed.

22. "Opposing Lawlessness in Our Institutions of Learning" EDUC. 5

SAN DIEGO COUNTY POMONA GRANGE No. 35

WHEREAS: Our educational system is of a very high standard, and

WHEREAS: Our educational institutions are very costly, and

WHEREAS: Many taxpayers and parents feel their tax dollar is not used to the best advantage to promote good college government and education for our children, and

WHEREAS: Student behavior by a comparatively very small number of dissident students is seriously jeopardizing our institutions, and

WHEREAS: The rioting and lawlessness on our University and College campuses is increasing at an alarming rate in recent months, and

WHEREAS: The destruction of property; both public and private is involved, and

WHEREAS: This rioting infringes on the rights of students wishing to continue their education, and even endangers the lives of citizens,

THEREFORE, BE IT RESOLVED, that the California State Grange request the State and Federal Authorities to enforce regulations and laws; curtailing riots and lawlessness and destruction of property in our schools.

24. "Opposing Busing of Students" EDUC. 7  
SANTA CLARA COUNTY POMONA GRANGE No. 4

WHEREAS: Busing of students for purpose of balancing integration of minority groups is a waste of time and energy for the students and of the taxpayers' money, and

WHEREAS: It is doubtful education is improved in a poor school by trading students with other schools,

THEREFORE, BE IT RESOLVED, that the California State Grange oppose busing of students between schools for other than essential, academic reasons.

62. "Relative to Granting Tenure to California Teachers" EDUC. 9

SANTA CLARA COUNTY POMONA GRANGE No. 4

WHEREAS: Teachers in California are granted tenure at the beginning of their fourth year of teaching, and

WHEREAS: Competent teachers do not need tenure to obtain contracts, and

WHEREAS: Tenure removes the urgency for self-improvement, and

WHEREAS: Tenure allows the teacher to do almost anything without fear of loss of employment, and

WHEREAS: Tenure removes from the school administration the disciplinary power of termination, and

WHEREAS: The results of tenure work to the destruction of the true purpose of the school for the students,

THEREFORE, BE IT RESOLVED, that the California State Grange recommend that legislation be introduced in the State Legislature to eliminate the practice of granting tenure to California teachers.

28. "Concerning Legislation EDUC. 11  
Forbidding Prayer in School"  
LOMA RICA GRANGE No. 802

WHEREAS: The very foundation on which our country was founded and grew to its great prosperity; the rights of "Freedom of Religion," and,

WHEREAS: The rights of the majority are forbidden to gratify the desires of a minority, and

WHEREAS: The demoralized character of the student could be blamed for the lack of a Religious Education in the home, and

WHEREAS: The Religious training a child receives in school, small as it may be, in many instances is the only Religious training they receive, and

WHEREAS: We fear that the minority have no intentions of stopping here in their fight to degenerate our great country,

THEREFORE, BE IT RESOLVED, that a petition to our Legislators voicing our opposition to this denial of our Constitutional Rights be supported by the California State Grange, and that legislation be introduced to insure permissive prayer and Bible reading in our school system.

Following Granges Concur:

Antelope Valley Pomona No. 39	Riverside County Pomona No. 31
Butte County Pomona No. 16	San Fernando Valley Pomona
Del Norte County Pomona No. 42	No. 41
Humboldt County Pomona No. 19	San Joaquin-Calaveras Pomona
Kern County Pomona No. 26	No. 20
Los Angeles County Pomona	Santa Clara County Pomona No. 4
No. 37	Santa Cruz County Pomona No. 22
Merced County Pomona No. 23	Siskiyou County Pomona No. 6
Monterey County Pomona No. 17	Solano County Pomona No. 30
Orange County Pomona No. 36	Tulare County Pomona No. 5

30. "Identification Cards for Students EDUC. 13  
to Control Rioters"

YUBA-SIERRA POMONA GRANGE No. 46

WHEREAS: Many so-called student riots are instigated by non-resident and non-student elements,

THEREFORE, BE IT RESOLVED, that the California State Grange favor students being equipped with cards of identification, fingerprints or whatever is required, and non-student agitators being forbidden admission to the grounds of educational facilities except by pass from the office.

87. "The Right of the Universities and Colleges of California to Hire Communist Professors" EDUC. 14

YUCAIPA VALLEY GRANGE No. 582

WHEREAS: The decision of the California Academic Council to reverse their decision of 1948-49, makes it imperative that we, the taxpayers in this State of California, make our voices heard to the highest level of our Government, and

WHEREAS: Being taxpayers for many years in this State of California, it is almost unbelievable that these folks could think that we can sit idly by as Americans who love our Country, and pay the salaries of certain individuals who swear allegiance to a foreign power, which advocates the over-throw of our Government, and

WHEREAS: Communism is not just a political philosophy, but is rather an ideology with the avowed purpose of destruction of our present democratic society, and

WHEREAS: Certain instructors and other personnel have been, and are being employed in our schools who embrace this ideology,

THEREFORE, BE IT RESOLVED, that the California State Grange go on record as opposing the hiring, and employment of avowed and known Communists in our schools, and such opposition be made known to the governor and legislature of the State of California;

BE IT FURTHER RESOLVED, that Grangers and peoples everywhere in this great state be urged to adopt this resolution and individually communicate their opposition to the governor and legislature.

---

GOOD OF THE ORDER

32. "Relative to the Renting of Grange Halls" G. of O. 2

SONOMA COUNTY POMONA GRANGE No. 1

WHEREAS: Many Subordinate Granges in the State of California have had the initiative, energy and aggressiveness to build a Grange hall. A great number of these Grange halls could not be duplicated for many thousands of dollars more than their original cost, and

WHEREAS: The cost of maintenance and the property tax on these buildings have risen tremendously in the past few years, and

WHEREAS: Any Grange having the strength and ability to build their own hall should be given some autonomy in the renting of the hall,

THEREFORE, BE IT RESOLVED, that Section 48 of Chapter XI of the Digest be repealed and the following be adopted in its stead:

"Section 48, Chapter XI. All Granges having halls can rent these halls through a proper committee. The State Grange may make rules and regulations controlling the renting of these Grange halls and the conduct of activities in same and also furnish proper rental forms for said purpose."

34. "Relative to Care of Children G. of O. 4  
While Parents Attend Convention Sessions"

ANTELOPE VALLEY POMONA GRANGE No. 39

WHEREAS: The Future Grange rests with the youth of the Grange, and

WHEREAS: The natural tendency of youth is to marry and produce children, and

WHEREAS: During this period of parenthood, it becomes very difficult for young marrieds to attend conventions and take an active part in the proceedings, and

WHEREAS: At this year's convention, steps have been taken by the Mendocino County Junior Granges to provide facilities and supervisors to care for the children while the parents attend the Convention sessions,

THEREFORE, BE IT RESOLVED, to make this a permanent activity of future state conventions under the supervision of the State office.

Following Granges Concur:

Kings County Pomona No. 28

Kings River Grange No. 562

Joshua Tree Grange No. 664

Quartz Hill Grange No. 697

38. "Relative to California Grange G. of O. 8  
Materials and Programs Under New Leadership  
Being Readied the First of the Year for Distribution"

PRUNEDALE GRANGE No. 388

WHEREAS: To make programming effective as it relates to the newly installed officers, said officers should be legally in their stations no later than January 1st,

THEREFORE, BE IT RESOLVED, that Subordinate and Pomona Grange Officers be elected and installations completed no later than December 30th.

39. "Relative to Working of Resolutions G. of O. 9  
at State Sessions"

SONOMA COUNTY POMONA GRANGE No. 1

WHEREAS: The delegates to the annual State Grange Conferences have been told time and again that the most important work at the conferences is the consideration and voting on the resolutions, and

WHEREAS: There are three sessions each day of the four days at the annual State Conference, making twelve sessions in all, and

WHEREAS: Most of this important work has been left in the past to the final sessions on Friday, the last day of the Conference. Very much of it is considered at the last session on Friday night and is often carried on into Saturday morning. At this last session, it is found that the delegates are tired and irritable and many vote on the resolutions, one way or another, with the hope of getting the session over. Many delegates leave before the session is over and quite a few leave before it starts,

THEREFORE, BE IT RESOLVED, that three or four full sessions be set aside for work on the resolutions and during these sessions there shall be no outside speeches or introductions of any persons, other than any emergency arising to be determined by the Worthy State Master or the presiding officer,

BE IT FURTHER RESOLVED, that the only resolution that shall be heard at the last session is the one thanking all those participating in making the conference a success. The installation of Officers shall take place at this last session and any other amenities necessary, sending all delegates and members on their way feeling that they have accomplished something.

Following Granges Concur:  
Hall District Grange No. 761

45. "Favoring a Change in the Draping of the Charter" G. of O. 15

LOS ANGELES COUNTY POMONA GRANGE No. 37

WHEREAS: A Floral Piece has been officially adopted by the National Grange for use in Memorial Services, and

WHEREAS: We are in the Second Century of Grange Progress and many changes and advances have occurred in our outlook on Life, and furthermore, the Black Charter Drape is depressing and certainly makes no contribution to the pleasant memories our departed Brothers and Sisters deserve in our hearts,

THEREFORE, BE IT RESOLVED, that the Floral Sheaf the National Grange has adopted be used in miniature and made to hook over the Charter in place of the Black Drape. (Miniature of artificial flowers)

46. "Resolution on New Permissible Grange Procedure" G. of O. 16

WELCOME GRANGE No. 791

WHEREAS: For over 100 years, the Grange has not balloted on prospective members until the prospects have been investigated, and

WHEREAS: This new permissible Grange procedure would reverse the procedure, and also may produce an embarrassing situation for the Grange as well as for the prospective member, and

WHEREAS: This way of soliciting members may sometime place the Grange in an embarrassing position, if after having been balloted upon, the prospect is refused membership,

THEREFORE, BE IT RESOLVED, that Welcome Grange No. 791 opposes this new permissible Grange procedure, and also urge the California State Grange to oppose the new procedure.

51. "Relative to Mileage Per Diem G. of O. 21  
for Chairmen of Youth Committee"

SAN DIEGO COUNTY POMONA GRANGE No. 35

WHEREAS: It is already a California State Grange Policy to pay mileage of 5c a mile, one way, to the Chairman of any Grange Youth Committee for the purpose of travel to the yearly State Grange Convention, and

WHEREAS: In order to have a proper ratio of advisors to Youth attending Convention, and because it is both wise and necessary to have at least one advisor from each county represented by Youth, and

WHEREAS: It is well to offer an encouragement to Youth Advisors to attend the State Convention to learn about program and practices,

THEREFORE, BE IT RESOLVED, that 5c a mile, one way, be authorized for Pomona Youth Advisors in each County, or to a duly authorized alternate to the State Grange Convention each year in California, providing the name of the Pomona Youth Advisor appears in the Roster.

COMMITTEE RESOLUTION G. of O. 25  
"Seating Arrangement At Convention Halls"

COYOTE GRANGE No. 412

WHEREAS: Observation and participation of all Patrons makes for the success of Conventions, and

WHEREAS: Many Grangers travel great distances in order to participate in the California State Grange Conventions, and

WHEREAS: Not all Convention Halls are so constructed to permit optimum observation,

THEREFORE, BE IT RESOLVED, that one of the paramount factors to be considered by the California State Grange Master and Executive Committee is that elevated seating is provided.

COMMITTEE RESOLUTION G. of O. 26  
"Relative To Recognition of Junior Grange Masters"

BACHELOR VALLEY JUNIOR GRANGE No. 177

WHEREAS: We should give our Junior Grange Masters the honor they deserve, and

WHEREAS: We, older Grangers want new future Junior members to carry on, where we leave off,

THEREFORE BE IT RESOLVED, we ask that our Junior Masters be recognized as Masters and our Juniors, too, be honored in all Subordinate Granges.

#### COMMITTEE RESOLUTION

G. of O. 27

##### "Per Capita Dues Increase"

WHEREAS: Due to the increase in the costs of publishing the California Grange News, and

WHEREAS: The advertising income has declined in recent years due to economic conditions, and

WHEREAS: It has been necessary for the California State Grange to subsidize the Grange News from the General Fund for several months, and

WHEREAS: The State Master and Executive Committee feel that the patrons would not wish the paper to be reduced in size or in quality of its contents,

THEREFORE, BE IT RESOLVED, that the California State Grange per capita dues be increased by 12½c per quarter, effective October 1, 1969.

#### LEGISLATION AND TAXATION

##### 54. "Resolution Relative to Credit Bureaus" LEGIS. 2 & TAX

##### SANTA CLARA COUNTY POMONA GRANGE No. 4

WHEREAS: Credit reporting bureaus can and do furnish inaccurate reports, and

WHEREAS: The innocent victim of the erroneous report suffers loss of credit rating, and

WHEREAS: The victim now has no way of obtaining a copy of the report to know what is wrong and thereby have an opportunity to correct the report,

THEREFORE, BE IT RESOLVED, that the California State Grange endorse the Assembly bill introduced by Pete Wilson (R-San Diego) requiring credit rating firms to supply a copy of a credit report upon written request of the individual named in the report.

##### 55. "Favoring the Declaration of a LEGIS. 3 Moratorium on Property Taxes for & TAX. for Homeowners Over Sixty-Five With Less Than \$6,000.00 Annual Income"

##### SAN BERNARDINO COUNTY POMONA GRANGE No. 32

WHEREAS: Many retired citizens of California on a fixed income under \$6,000.00 per year find it difficult to pay their property taxes, and

WHEREAS: There are instances where these citizens are losing their homes through the sale of the property for the taxes, and

WHEREAS: Taxes are always due and payable, and

WHEREAS: The County can collect the taxes at anytime through transfer of title, estates, probation or inheritance,

THEREFORE, BE IT RESOLVED, that the California State Grange use its influence to help enact state and county laws to provide for deferred payment of taxes on homes owned and lived-in for California citizens over sixty-five and less than \$6,000.00 income who make request for such deferred payment there would be no loss of revenue.

58. "Resolution Requesting Initiation of LEGIS. 6  
New Legislation To Revise or Amend & TAX.  
Existing Inequities in the Laws of the State of  
California Pertaining to Assessing and Taxing of  
Real Property"

YUBA-SIERRA POMONA GRANGE No. 46

WHEREAS: On November 5, 1968, the voters of the State of California expressed their opposition to Proposition 9—Watson Amendment on real property tax relief, and

WHEREAS: By so doing have indicated that our legislators, the representatives of the people, are the ones to initiate legislation that will revise our archaic real property tax laws and procedures of assessing in the State of California, and

WHEREAS: For the past number of years the real property taxpayer has been promised by his State Representative relief in this field of taxation, and

WHEREAS: Proposition 1-A was only pacifying legislation which would counteract Proposition 9, and in fact Proposition 1-A would not have been on the ballot if it were not for the initiative amendment, Proposition 9,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the State Representatives to initiate new legislation that would revise or amend as necessary the existing inequities in the laws of the State of California pertaining to assessing and taxing real property.

61. "Increase of Personal Exemption for LEGIS. 9  
Income Tax & TAX.  
ATASCADERO GRANGE No. 563

WHEREAS: The \$600 personal income tax deduction was established in 1948, and

WHEREAS: The cost of living has more than doubled since that time, and

WHEREAS: This does penalize the lower income group more than the upper income group, and

WHEREAS: There are many places such as a reduction of oil depletion allowances and excessive subsidy payments that would more than offset this loss of revenue,

THEREFORE, BE IT RESOLVED, that the California State Grange request the National Grange to promote legisla-

tion increasing the personal deduction of \$600 to \$1000 and each dependent deduction remain at \$600.

Following Grange Concur:

Paso Robles Grange No. 555

62. "Taxation on Church Properties" LEGIS. 10  
& TAX

PRUNEDALE GRANGE No. 388

WHEREAS: Taxes have become unbearably high on the home owners of this State and Nation, and

WHEREAS: There are large property owners who pay no tax on property which they own, such as the Churches, which number 500,000, and the same have entered into business of all nature, which they claim under the guise of Church Property, on which no taxes are paid,

THEREFORE, BE IT RESOLVED, that the California State Grange do hereby propose, that tax exemption for Churches be limited to the actual Church building and the ground on which the same stands.

63. "Relative to the Printing of Legal Documents" LEGIS. 11  
& TAX.

SAN DIEGO COUNTY POMONA GRANGE No. 35

WHEREAS: Many legal documents such as sales contracts, mortgages, leases and insurance policies are generally written in technical or legal language with some terms and words not readily understood by the average layman, and

WHEREAS: Said documents often have additions or amendments of material importance printed in a smaller type than the main body of the instrument, leaving an impression that such an addition is unimportant and thus often not read by a signer of the document,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the California State Legislature to pass a law requiring that all legal documents be printed in the same type throughout the document.

90. "Resolution Opposing Amnesty To Federal Truth In Lending Act" LEGIS. 14  
& TAX.

FRESNO - MADERA POMONA GRANGE No. 24

WHEREAS: A bill has been introduced in the House of Representatives which would exempt Banks, Savings and Loan Associations, and certain other Lending Institutions from some of the provisions of the Truth in Lending Act,

THEREFORE, BE IT RESOLVED, that no amnesty be legally granted to any group (be they Banks, Loan Associations or private lending agencies).

91. "Resolution On Diversion Or Imposition Of Highway User Taxes For Non-Highway Purposes" LEGIS. 15 & TAX.

LEGISLATION - TAXATION COMMITTEE RESOLUTION

WHEREAS: The orderly development of safe, well-planned highways is essential to our economy both state and national, and

WHEREAS: Needed improvements in the federal and state highway programs require every dollar of funds available, and

WHEREAS: Highway users now pay in special taxes more than the total cost of our highways,

THEREFORE, BE IT RESOLVED, that the California State Grange registers its opposition to any attempt to divert highway users taxes for non-highway purposes,

BE IT FURTHER RESOLVED, that this organization opposes any additional tax or fee imposed upon the ownership or operation of motor vehicles for any use other than construction, maintenance and administration of highways. We urge our members to take an active stand in opposition to all such proposals, whether at local, state or federal level,

BE IT FURTHER RESOLVED, that the California State Grange seeks the support of the National Grange in opposition to the diversion of Federal highway trust funds to non-highway purposes.

92. "Relative To Assembly Bill 1618" LEGIS. 16 & TAX

LEGISLATION - TAXATION COMMITTEE RESOLUTION

WHEREAS: Assembly Bill 1618 (introduced in the 1969 session) imposes an excise tax on every government agency in this State, which operates an electric utility business at the rate of 14 percent of gross revenue, and

WHEREAS: This would be an added tax on every municipal, irrigation or other co-ops, and

WHEREAS: This would defeat the very purpose of these special districts,

THEREFORE, BE IT RESOLVED, that the California State Grange oppose any Bills relative to this taxation that are introduced in coming sessions of the legislature.

NATIONAL WELFARE

93. "Concerning Williams Property (Yurok Tribe)" NAT'L. 12 WEL.

SAN MATEO COUNTY POMONA GRANGE No. 49

WHEREAS: The Williams Family was granted a Federal Land Grant giving them title to the land at the mouth of the Klamath River which includes several acres of headland and a sandy beach known as Dad's Camp, and

WHEREAS: Presidents McKinley, Wilson and Teddy Roosevelt signed these grants and confirmed their title to the land because it is the William Family Home and because an ancestor scouted for the U. S. Cavalry, and

WHEREAS: The Senate and the House each passed their version of the Redwood Park bill and neither included any portion of the Williams property. However, when a joint House-Senate Committee met they included this land and the property was not only taken away from the Williams Family, but the National Park Service was directed to sell it to the highest bidder, and

WHEREAS: The government took the land despite the fact that Secretary of the Interior Stewart Udall promised in writing that the Williams land would not be taken for the park, and

WHEREAS: The Park Service was authorized to sell the property back to the Williams Family with the stipulation that its use be kept compatible with the park (which the family had offered to do), and

WHEREAS: This is an example of the shameful way the Indians are being moved into areas which are not habitable. These native Americans should be allowed to live on the property designated by Federal Grants to their tribes in perpetuity. No Government, County, State or Federal should be allowed to take their land for any purpose whatsoever, without due process of law.

THEREFORE, BE IT RESOLVED, that the State and National Grange request that properties taken in the manner described be returned,

BE IT FURTHER RESOLVED, that the State and National Grange be urged to give strong and full support to this resolution.

#### NATIONAL WELFARE

94. "Relative to Inflation" NAT'L. WEL. 13  
(N.W. No. 1 as amended)

#### VISTA GRANGE No. 609

WHEREAS: From day to day consumers are confronted with new evidence of the effects of inflation, and

WHEREAS: Probably a majority of Grange members and a large percentage of other consumers are limited to a fixed income such as Social Security, pensions or returns from investments, and

WHEREAS: Labor is continually being granted substantial increases in wages followed by increases in the cost of goods and services, thus causing the purchasing ability of these many consumers to rapidly decrease,

THEREFORE, BE IT RESOLVED, that the California State Grange through the National Grange recommend to the Congress that prudent measures be enacted to de-escalate the

federal expenditures to bring about a realistic stabilization of the dollar and to establish and maintain an equitable economic balance between consumer income and consumer cost.

- 
95. "Removing \$52 Billion Dollars of National Debt" NAT'L. WEL. 14  
(N.W. No. 2  
as amended)

BENNETT VALLEY GRANGE No. 16

WHEREAS: Congressman Wright Patman, Chairman of the House Banking and Currency Committee, in a recent radio interview stated that the Federal Reserve Board is holding over \$52 billion in Government securities which have been paid for, and

WHEREAS: This huge amount of money reportedly is costing the taxpayers of this country approximately \$2.2 billion in interest from the Treasury Department each year,

THEREFORE, BE IT RESOLVED, that the California State Grange support the stand of the National Grange as adopted at the 1966 session, quote "that administration of the Federal Reserve System remain independent from political control,

BE IT FURTHER RESOLVED that the California State Grange suggest to the National Grange that an investigation be initiated into this reported huge tax payment on retired securities reportedly held by the Federal Reserve Board, with the legislative recommendation that elimination of this expenditure would be in the best interest of a more balanced Federal Budget, and could reflect favorably on a reduced tax structure.

- 
96. "Resolution Regarding Air Pollution" NAT'L. WEL. 15  
(N.W. No. 3, as  
amended)

GRATTON GRANGE No. 528

WHEREAS: Air pollution in the United States is causing disease and death, and

WHEREAS: The most dangerous component is carbon monoxide, and

WHEREAS: It is the general opinion that the pollution is mainly the result of industry and gasoline motors, releasing carbon monoxide into the air,

THEREFORE, BE IT RESOLVED, that the California State Grange support the adoption at all levels of Government of effective programs to reduce and control Air Pollution, and fully support the stand of the National Grange as adopted at the 1967 Session, quote "To continuously work for the control of air and water pollution."

97. "Resolution on Population Increase" NAT'L. WEL. 16  
(N.W. No. 4 as amended)

GRATTON GRANGE No. 528

WHEERAS: The level of population is nearing the optimum for the United States, and

WHEREAS: Many of our welfare and tax programs are required to subsidize increased families, adding to the financial problem,

THEREFORE, BE IT RESOLVED, that the California State Grange urge the utmost cooperation between County Welfare Agencies; State Department of Welfare, and the Federal Government to develop an improved management; reduction of administrative costs; and methods for more thorough investigation into the eligibility of welfare recipients, especially later increased allowances due to additional dependents after the initial eligibility has been determined,

BE IT FURTHER RESOLVED, that we urge expansion of Federal and State Programs for Family Planning with greater dissemination of education in this area.

98. "Opposing Seizure of American Boats, by Foreign Countries" NAT'L. WEL. 17  
(N.W. No. 5 as Amended)

SAN DIEGO COUNTY POMONA GRANGE No. 35

WHEREAS: There have been numerous seizures of American tuna boats out of San Diego, California, by foreign countries, and

WHEREAS: Said boats have been fired upon, and

WHEREAS: Heavy fines have been levied on said boats by the foreign powers detaining them,

THEREFORE, BE IT RESOLVED, that the California State Grange restate its request of 1967 and 1968 for adequate protection of American boats fishing in off shore waters adjacent to foreign countries, and requests the National Grange to also reaffirm its position as taken at the 1967 and 1968 sessions.

99. "Relative to Gun Legislation" NAT'L. WEL. 18  
(N.W. No. 7, 8, 9, 10, 11)  
as amended using No. 9

PLUMAS - SIERRA POMONA GRANGE No. 18

WHEREAS: We believe that the recently passed gun legislation is totally ineffective in keeping guns out of the hands of criminals, and

WHEREAS: It constitutes a severe restriction on the rights of legitimate gun owners to buy or transport guns and ammunition across state lines, and

WHEREAS: We believe this to be only the first step in repressive legislation and constitutes infringement of our rights to keep and bear arms,

THEREFORE, BE IT RESOLVED, that the California State Grange support the stand of the National Grange adopted at the 1967 Session and reaffirmed at the 1968 Session to quote "vigorously oppose any law that would deprive a 'law-abiding' citizen of his constitutional right and heritage,"

BE IT FURTHER RESOLVED, that the National Grange be requested to support legislation proposing repeal of the Gun Control Act of 1968 if same is introduced.

### TRANSPORTATION - ROADS & HIGHWAYS

100. "Protesting Use of Gasoline Tax For Other Than Specified Use of Roads and Highways" TRANS. 3 R. & H.

#### HUMBOLDT POMONA GRANGE No. 19

WHEREAS: The gasoline tax for use of Roads and Highways is in danger of being diverted by demands of Bay area Rapid Transit, and other Metropolitan projects,

THEREFORE, BE IT RESOLVED, that the California State Grange go on record as opposing The Bay Area Rapid Transit Co.'s demands for gasoline tax monies, and The California State Grange use its influence to oppose any action to divert gasoline tax monies for any use other than for Highways.

101. "Relative To Railroad Passenger Trains" TRANS. 4 R. & H.

#### SUNNYVALE GRANGE No. 416

WHEREAS: United States railroad passenger trains are fast disappearing from nearly all our railroads, and

WHEREAS: Railroads are claiming large losses due to lack of public support for passenger trains, and

WHEREAS: There are several requests for passenger train discontinuance pending before the Interstate Commerce Commission, and

WHEREAS: Business practices and statement of passenger train losses are very misleading as presented by the railroads—present service as rendered is aimed to discourage passengers using this service, and

WHEREAS: Taking passenger trains off is not in the public interest, nor in the best interest of State and Federal government and U. S. military requirements,

THEREFORE, BE IT RESOLVED, that the California State Grange and the National Grange use every means to resist any further passenger train removal until Congress can fully investigate all facts, figures, and competing carrier subsidies plus the reasons for railroad mail contract cancellations.

102. "Supporting President Nixon's Public Transportation Proposal" TRANS. 5  
R. & H.

TRANSPORTATION - ROADS & HIGHWAYS  
COMMITTEE RESOLUTION

WHEREAS: Several bills have been introduced in the U. S. Congress which would create an urban mass transit trust fund with revenues provided by a certain portion of the excise tax on new automobiles, and

WHEREAS: President Nixon's public transportation proposal calls for financing from the general funds of the U. S. Treasury, and

WHEREAS: Historically, the automobile excise tax has been imposed only in the time of war or depression to raise revenue to meet the increased burden of the Federal Treasury, and

WHEREAS: The tax is discriminatory, since most excises of the same type have been repealed, and

WHEREAS: The Congress has recognized the automobile excise tax as a temporary measure and has provided for its suspension through a phased reduction schedule, and

WHEREAS: Dedication of a portion of the revenues from automobile excise taxes for an urban mass transit trust fund would be taxing one form of transportation to subsidize another one of very little benefit to the farmers of this nation,

THEREFORE, BE IT RESOLVED, that the California State Grange opposes dedication of the automobile excise tax to a mass transit trust fund and recommends the repeal of such excises as soon as the emergency for which they were imposed ceases to exist,

BE IT FURTHER RESOLVED, that the California State Grange also supports President Nixon's public transportation proposal.

---

**RESOLUTIONS OF APPRECIATION**

WHEREAS: The success of this 97th annual session of the California State Grange in Ukiah, California has been due to the efforts of many individuals, organizations, and committees this delegate body wishes to thank the following for everything done to further the aims and purposes of our Order of Patrons of Husbandry:

To Brother Arthur Burke, Mendocino County District Deputy, general chairman and Brother Claude Trimble as co-chairman with various committees of members from neighboring Granges who worked so hard to make this Convention so pleasant and successful, and to the following who were of great assistance to the committees, we give our heartfelt thanks and appreciation;

To Donna Lake of the City Chamber of Commerce who took care of housing.

To Mr. Charles Lewis, President Board of Directors of Ukiah Chamber of Commerce.

To Brother Cyril Hill of City Council who handled the sound and lights so well for our various functions.

To various chairmen and their committees; Brother Ray Morgan, chairman of Feast of Pomona and Sister Dolores Shannon the fruit for the feast and Sister Belle Bennett the wonderful barbeque that we all enjoyed and Sister Virginia Shields the snack bar and dining room, Sister Alice Trimble the decorations, and Sister Velma Sutliff, District No. 7 C.W.A. Director, and her committees of Sister Martha King, Pomona Chairman Lake County for lovely decorations and efficient serving of the reception for the State Officers, and Sister Betty Thomson of So. Humboldt County for the lovely corsages given each day to the State Officers.

To the Santa Rosa and Ukiah Sing-Out-Group for the entertainment—Monday evening.

To Brother Jack Berry, the Grange News and his efficient staff, and all news media for their interest and cooperation in reporting the news of the 97th annual session and the handling of the Booster Barrel drawing.

To Worthy Chaplain Sister Leta Littler, who is retiring after many years of faithful service, for the Vesper Service on Sunday evening and a most inspiring memorial service Thursday and including special appreciation to several members of Ranchito Grange and Los Angeles County Pomona, the harmony trio, Sister Trimble, Brother Bliss, Brother and Sister Stinebaugh, Brother and Sister La Caille, Sister Harding, Sister Schmidt, and Brother and Sister Rice.

To Sister Eve Rowe, Superintendent of Junior Granges, and her wonderful Junior Grangers with especial thanks to the Redwood Valley Junior Grange for their conferral of the Junior degree, the Bachelor Valley and Ukiah Junior Granges for their entertainment and work.

To Sister Betty Smith, Director of Youth Activities, and all her youth advisors for her splendid report and gain in the youth movement with her special thanks to the California State and Ukiah Granges and the youth for their hard work and spirit of cooperation for the breakfast and through out the Convention, and to Brother Jerry Hames, the 5th degree team captain and all the members for a wonderful conferral of the 5th degree.

To Brother Kenneth Greene, Worthy State Lecturer, and his many capable helpers in making the talent show and Lecturer's program a success with appreciation to the judges of the talent contest, Brother and Sister Ralston, Brother and Sister Elmo Ward, and Brother and Sister Harry Schmidt and to the judges of the Booster Night contest Sister Betty Thomson, Sister Agnes Wendt, and Sister Ida Freitas and

the art contest judges Doris Harding, George Kuck, and Bill Henry and all contributors and participants in the talent and Lecturer's program the Grange Insurance Co. of Seattle, Commercial Insurance Co., the C.W.A., and Phillips "66", and all who did so well in the programs.

To Sister Gladys True, State Director of C.W.A. for her interesting report and with her thanks to all her directors and to the Mendocino State Hospital for their auditorium and the manager of Patient's Welfare Coffee shop for catering the breakfast and to the Pomona and Subordinate chairmen who helped in the absence of Director Florence Sheffer who is in the hospital.

To the officers of the California State Grange for the 6th degree conferred Thursday night and to Donna Bertozzi, Worthy State Flora for a beautiful Rose Drill by the Mendocino County Pomona under the direction of La Verne Compton and the ladies of Flora Court and all helpers and by Alice Trimble.

To Sister Marjorie Brown, Worthy State Secretary, and members of her staff, Sister Anita Elorduy, Ass't. Sect'y., Laura Grace Lemos Secretary's office, Mary Wendt of G.B.O., and Sister Edith Denny, Secty to the Master.

To Brother Ulyuss G. Rose, Deputy of San Bernardino County, and his committee who assumed the large task of the credential committee.

To Brother Bill Campbell, Worthy State Musician, for providing extra music for the pleasure of so many during the convention.

To Brother Albert Moody, Worthy State Gate Keeper, and the Deputies for manning the gates, and help during the convention.

To Brother Dave Thomson, Deputy So. Humboldt County, and his able election committee for conducting a fast and efficient election.

To Brother Charles Coast, San Diego County Pomona Master, who was such a help in so many ways.

To Sister Elsa Hadley, State Director of Membership, for her work and good report of continued and new membership gains.

To Brother Herman Grabow our able legislative representative for his help to the Grange and to the various committees and to the committee chairmen and their members for making this convention a success.

To Sister Eunice Smith, Chairman of the Credit Union Committee, for her report of the Credit Unions and valuable conference with the help of David Willett, Council for the California Credit Union League, W. G. La Caille, and S. E. Rafter.

To our honored guests and able speakers:

Brother Lars Nelson, National Grange Overseer and Master Washington State Grange, and Sister Nelson.

Brother J. Blaine Quinn, Past Master, and Sister Quinn.

Brother Worten, Steward, Oregon State Grange, and Sister Worten.

Brother L. Valentine, Past Overseer Calif. State Grange.

Mr. Harold Henderson, Mayor City of Ukiah.

Mr. Augustus Avila, Chairman Mendocino County Board of Supervisors

Mr. Ken Jamieson, Manager Mendocino County Chamber of Commerce.

Mr. Charles Lewis, President Board of Directors Ukiah Chamber of Commerce.

Mr. Owen Servatius, Business Administration Dept. Calif. Poly.

Mr. Charles Misuraca, Pres. of Calif. Ass'n of Soil Conservation Districts.

State Senator Randolph Collier.

Brother W. J. Van Horn, Pres. Grange Insurance Ass'n of Seattle.

Brother Paige Harper of G. B. O.

Mr. Eugene Draper of California Blue Cross.

Mr. Peter Marinoff of Commercial Insurance Co.

Mr. James Zaiger, Vice Pres. Calif. Ass'n of Future Farmers.

Brother Mike Smith, Vice Chairman, Calif. State Grange Youth Committee.

Miss Linda Wackerman, California Dairy Princess.

Assemblyman Frank Belotti.

**THEREFORE, BE IT RESOLVED**, that until we meet again the delegate body of the 97th annual session of the California State Grange take to their respective Granges the lessons learned and also the determination to strive for a larger and stronger membership in the Grange.
