Dear Bob,

On August 1, 2012, Edward L. Luttrell, Master of the National Grange, suspended you from your duties as Master of the California State Grange. This suspension resulted due to an alleged disregard of the National Grange Digest of Laws that governs our organization, the content of which you agreed to uphold when you were installed as Master of the California State Grange.

The complaint filed by the National Master with which you failed to comply, or even respond to, has brought about the appointment of an Arbitration Panel that I will chair. Other members of the panel are Marty Billquist and Jamie Klenklen. The duties charged this panel are to review the complaints by the National Master, give you appropriate time to respond to the panel, and then decide if the complaint can be resolved amicably or if the complaint needs to be referred to a Grange Trial Court.

The panel has already reviewed the complaint from the National Master, copies of which are included for your review. Please respond to this panel within 15 days of the date of this letter. We want to hear both sides of the issues before we begin arbitration. Please send your response to me directly. If the panel does not receive a response from you within the allotted 15 days, we will proceed accordingly.

Fraternally,

Jeffrey A. Swainston, Chair
National Grange Arbitration Panel

To All Parties Involved:

First of all, I must apologize for the length of time this process has taken to arrive at a decision. This has not been an easy process as the arbitration panel not only pondered the complaints and responses but seriously considered the long term effects this will have on the organization as a whole. The panel already believes this entire process has damaged the image of our organization and will continue to do so the longer this issue takes to be resolved.

The complaints filed by the National Master and the response by the California State Grange Master were not taken lightly. These are serious accusations and comments from both parties. The Grange is governed by a Digest of Laws which at times are very specific and at times are open to interpretation. We frequently see the language "for the good of the Order." I am sure a Grange trial, in the long run, will not be good for the Order.

The arbitration panel, during its lengthy discussions, has determined that there will unlikely be a peaceful solution to this situation. We also determined that while parts of the complaints and responses by both parties have merit, there are also parts of the complaints and responses that do not. That being said, the arbitration panel appointed by the National Grange to determine if a Grange trial was warranted, has decided to suggest moving forward with a Grange trial. It should become their duty to determine which portions of the complaints and responses have merit.

None of you could possibly understand how much this grieves me to have to write this letter. The National Grange is far too great an organization to have internal incidents such as this blacken our image. Whatever path this process takes moving forward, I truly hope it is for "the good of the Order."

Faternally,

Jeffrey A. Swainston, Chairman
National Grange Arbitration Panel

FW: Re: Notice of emergency EC email meeting

Resolved:

In accordance with the resolution adopted unanimously by the CSG membership at the Annual Meeting of the California State Grange, held in October, 2012, regarding the ongoing issues with the National Grange, which stated:

"This corporate body resolves we support our State Master Bob McFarland and our executive committee for actions taken during the last year and continue to do so."

And,

In affirmation the resolution adopted unanimously by the Executive Committee of the California State Grange at our meeting of September 24, 2012, which stated:

- 1) *That the CSG EC considered all charges brought by National Master Ed Luttrell against CSG Master Bob McFarland on August 1, 2012, and finds no cause to suspend the CSG Master based upon those charges.*
- 2) *That the EC does not recognize any authority for Master Luttrell to suspend the CSG Master because Grange law prohibits any action under Grange law contrary to the laws of the land governing our Grange. Under the California Corporations Code governing our Grange, no body other than the members who elected a corporate director may remove that director from office.*
- 3) *That the EC does not recognize Overseer Martha Stefenoni as the Acting Master of the CSG because Master McFarland's suspension by the National Master was unlawful under both Grange and California law and because she has a conflict of interest.*
- 4) *That the EC does not recognize Master Luttrell's authority to suspend the CSG Charter because doing so is contrary to the laws of the State of California governing our California Corporation.*
- 5) *That the EC demands a cessation of harassment by the National Master against the CSG and its duly elected corporate directors.*
- 6) *That, in any action taken by this EC, the officers or members of the Grange, or the National Master, the EC reserves the rights of the CSG to defend itself under Grange law and the laws of our state and nation.*
- 7) *That the Annual Meeting (Convention) of the members of our nonprofit mutual benefit corporation will proceed on schedule, as required by the California corporations Code."*

Therefore, we, the Executive Committee, as the board of directors of the California State Grange, a California nonprofit membership corporation, direct our duly elected President, chief executive officer, and employee Bob McFarland to honor the will of our membership who elected him to office, to not recognize the authority of the National Grange to remove him from office, and to not participate in the National Grange Trial on charges brought against him by National Grange Master Ed Luttrell.

CONSTITUTION OF THE ORDER OF PATRONS OF HUSBANDRY

PREFACE

1.0.1 The Preamble to the first Constitution of the Order of Patrons of Husbandry was written by William Saunders, first Master of the National Grange, and adopted at the first delegate session (6th session) of the National Grange, held at Georgetown, D.C., January 8-11, 1873. The Preamble and the Constitution were adopted on January 9, 1873. The Preamble has never been changed.

The Constitution has been amended from time to time.

PREAMBLE

1.0.2 Human happiness is the acme of earthly ambition. Individual happiness depends upon general prosperity.

1.0.3 The prosperity of a nation is in proportion to the value of its production.

1.0.4 The soil is the source from whence we derive all that constitutes wealth; without it we would have no agriculture, no manufacturers, no commerce. Of all the material gifts of the Creator, the various productions of the vegetable world are of the first importance. The art of agriculture is the parent and precursor of all arts, and its products, the foundation of all wealth.

1.0.5 The productions of the earth are subject to the influences of natural laws, invariable and indisputable; the amount produced will consequently be in proportion to the intelligence of the producer, and success will depend upon his knowledge of the action of these laws, and the proper application of their principles.

1.0.6 Hence, knowledge is the foundation of happiness.

1.0.7 The ultimate object of this organization is for mutual instruction and protection, to lighten labor by diffusing a knowledge of its aims and purpose,

expand the mind by tracing the beautiful laws the Great Creator has established in the Universe, and to enlarge our views of creative wisdom and power.

1.0.8 To those who read aright, history proves that in all ages society is fragmentary, and successful results of general welfare can be secured only by general effort. Unity of action cannot be acquired without discipline, and discipline cannot be enforced without significant organization; hence we have a ceremony of initiation which binds us in mutual fraternity as with a band of iron; but although its influence is so powerful, its application is as gentle as that of the silken thread that binds a wreath of flowers.

AMENDED CONSTITUTION

1.0.9 At the time of the reorganization of the National Grange of the Order of Patrons of Husbandry in the city of Washington, District of Columbia, the place where the first Constitution of the Order was adopted, and pursuant to the provision of Article XIV of the Constitution of 1873, the National Grange does proclaim the adoption of the following amended Constitution of this Order of Patrons of Husbandry, as ratified by the State Granges of the Order, to be known as the Constitution of 1986.

**DECLARATION OF PURPOSES OF THE NATIONAL GRANGE OF
THE ORDER OF PATRONS OF HUSBANDRY**

PREAMBLE

2.0.0 Profoundly impressed with the truth that the National Grange of the Order of Patrons of Husbandry should proclaim to the world its general objectives, we hereby unanimously make this Declaration of Purposes:

GENERAL OBJECTIVES

2.1.1 United by the strong and faithful tie of an agricultural fraternity, yet welcoming all of good moral character to membership, we mutually resolve to labor for the good of our Order, our country, and mankind.

2.1.2 We heartily endorse the motto, "In essentials, unity; in non-essentials, liberty; in all things, charity."

SPECIFIC OBJECTIVES

2.2.1 We shall endeavor to advance our cause by striving to accomplish the following objectives:

2.2.2 To develop a better and higher manhood and womanhood among ourselves; to enhance the comforts and attractions of our homes; to strengthen our attachments to our pursuits; to foster mutual understanding and cooperation; to maintain inviolate our laws, and to emulate each other in labor, in order to hasten the good time coming.

2.2.3 We propose meeting together, talking together, working together and, in general, acting together for our mutual protection and advancement. We shall constantly strive to secure harmony, good will, and brotherhood, and to make our Order perpetual. We shall earnestly endeavor to suppress personal, local, sectional, and national prejudices, all unhealthy rivalry and all selfish ambition. Faithful adherence to these principles will ensure our mental, moral, social and material advancement.

BUSINESS RELATIONS

2.3.1 For our business interests we desire to bring producer and consumer into the most direct and friendly relations possible, remembering that, "individual happiness depends upon general prosperity."

2.3.2 We are opposed to such spirit and management of any corporation or enterprise which tends to oppress people. We long to see antagonism between capital and labor removed by common consent, and by statesmanship worthy of an enlightened people.

2.3.3 We are opposed to wages and salaries that exceed productive efficiency. We recommend that farmers buy wisely and produce efficiently to make their farms profitable; to make the maximum use of the innovations of science and technology to systematize their work and to calculate intelligently on probabilities.

2.3.4 To all we recommend sound money management that we may avoid insolvency and bankruptcy.

EDUCATION

2.4.1 We shall advance the cause of education by all just means within our power.

2.4.2 Influenced by our strong belief in the institution of the family, we are convinced that education begins in the family circle.

2.4.3 Discipline is an essential part of education. Self-discipline comes with maturity. Until such time as this level of competency is reached, families and schools have a responsibility for enforcing adequate discipline.

2.4.4 We recognize the necessity of experimentation to develop new and better methods of education, but we caution against the widespread adoption of these innovative and experimental methods until they have been proven effective.

Chapter 2: Declaration of Purposes

2.4.5 We recognize that education is a continuing process. We encourage all to continue their education through adult education classes, by continued reading, observation and such other methods as may be available, including radio and television.

2.4.6 We recognize the valuable contribution made to education by the printed word, especially in newspapers, periodicals and books, and will continue to advocate their widespread availability.

THE GRANGE, NOT PARTISAN

2.5.1 We emphatically and sincerely assert the oft-repeated truth taught in our Constitutional Law, that the Grange -- National, State, Pomona or Subordinate -- is not a partisan or party organization.

2.5.2 The principles we teach underlie all true statesmanship, and, if properly carried out, will tend to purify the whole political atmosphere of our country; for we seek the greatest good to the greatest number.

2.5.3 We must always bear in mind that no one, by becoming a Patron of Husbandry, gives up that inalienable right and duty which belongs to every American citizen, to take a proper interest in the politics of one's country.

2.5.4 On the contrary, it is right for every member to do all in his or her power, legitimately, to influence for good the action of any political party to which he or she belongs. It is reserved by every Patron, as the right of a free citizen to affiliate with any party that will best carry out his or her principles.

2.5.5 We acknowledge the broad principle that difference of opinion is no crime, and hold that "progress toward truth is made by differences of opinion," while "the fault lies in bitterness of controversy."

2.5.6 We desire a proper equality, and fairness; protection for the weak; restraint upon the strong; in short, justly distributed power. These are American ideals, the very essence of American indepen-

dence, and to advocate the contrary is unworthy of the sons and daughters of our Republic.

2.5.7 We cherish the belief that sectionalism is, and of right should be, dead and buried with the past. Our work is for the present and the future. In our agricultural fraternity, we shall recognize no North, no South, no East, no West.

OUTSIDE COOPERATION

2.6.1 Our Fraternity, being agriculturally based, family oriented and dedicated to the pure principles of equality under Constitutional Law, we appeal to all good citizens for mutual cooperation and assistance toward reform that we may remove from our midst the last vestige of inequity and corruption. We believe that harmony, equitable compromise and earnest cooperation are essential to future success.

CONCLUSION

2.7.1 It shall be an abiding principle with us to relieve any of our oppressed and suffering members by any reasonable means at our command.

2.7.2 We proclaim it among our purposes to continue our historical appreciation of the abilities and equality of women.

2.7.3 Imploring the continued assistance of our Divine Master to guide us in our work, we pledge ourselves to faithful and harmonious labor for all future time; to advance by our united efforts, to the wisdom, justice, fraternity and political purity so earnestly sought by the wise and courageous men and women who founded our noble Order.

viction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interest of the National Grange, and with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

(B) The National Grange shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or contemplated action or suit in its favor by reason of the fact that such person is or was a Director, an Elected Officer, or Appointed Officer of the National Grange, or was serving at the request of the National Grange as a Director or Officer of another association, corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the National Grange; except that no indemnification shall be made in respect of any claim, issue, or matter as to which such a person shall have been adjudged to be liable for gross negligence or misconduct in the performance of his or her duty to the National Grange unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

(C) To the extent that a person has been substantially successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections A or B of this section 1 or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith.

(D) Indemnification under subsection A or B or C of this Section 1 (unless ordered by a court), shall

be made by the National Grange only after a determination that indemnification of the person has met the applicable standard set forth in subsections A or B or C of this Section 1. Such determination shall be made (1) by the Executive Committee by a majority vote of a quorum consisting of members of the Executive Committee who are not parties to such action, suit, or proceeding; or (2) if such a quorum is not obtainable, a quorum of disinterested Directors so directs, by independent legal counsel in a written opinion; or (3) by majority vote the Delegates to the National Grange convention.

SALE, ENCUMBRANCE OR TRANSFER OF REAL PROPERTY OF SUBORDINATE OR POMONA GRANGES.

4.11.1 Sale of Real Property by Subordinate or Pomona Granges – No Subordinate or Pomona Grange may sell any real property owned by said Subordinate or Pomona Grange except upon the following conditions, completed in the following order:

(A) A written notice shall be sent to the Master and Executive Committee of the State Grange having jurisdiction advising of the intent to invoke the procedure included in Article XI of these By-Laws to sell real property. Such notice shall contain a summary of the reasons for the proposed sale. The State Grange Master will send acknowledgement of receipt of the notice to the Subordinate or Pomona Grange.

(B) Upon receiving acknowledgement of receipt from the State Grange Master, a meeting will be held by said Subordinate or Pomona Grange to set date, time and location for a meeting to consider the sale of the real property. Notice will be sent in writing to all members in good standing of said Grange at their last known address, with a copy to the State Master, not less than 15 days before and not more than 90 days before the date of the meeting.

(C) On the date and time of said meeting, a vote will be taken on the motion to sell the real property. The vote must be adopted by 2/3 majority of the members in good standing of the Subordinate or Pomona Grange who are present and voting.

(D) A copy of the minutes of the above meeting shall be sent to the State Master. If the vote is in the affirmative, then a copy of an appraisal of the value of the property and the name and address of any/all licensed real estate agent(s), escrow company(ies), or lawyer(s) who will handle the sale of said real property, if such a representative is retained, shall be sent to the State Master. A decision of the Subordinate or Pomona Grange to sell the property does not take effect unless approved by written consent of the Master

and Executive Committee of the State Grange having jurisdiction over the said Subordinate or Pomona Grange. Such consent shall not precede the vote of the membership as provided for in Section C above.

(E) When an offer to purchase is received, the membership will vote to accept or reject the offer.

(F) If the membership approves the purchase offer, a copy of the terms will be sent to the State Master for State Executive Committee approval before a contract is signed.

(G) When a sale of real property is concluded, the selling Subordinate or Pomona Grange shall account for the net proceeds of the sale received at the time of settlement and shall remit all but the sum of \$1000 of such net proceeds to the State Grange having jurisdiction to be held in trust for the said Subordinate or Pomona Grange. The selling Subordinate or Pomona Grange shall assign all right, title, and interest to the net proceeds of the sale to be paid after the date of settlement to the said State Grange having jurisdiction; and the existence of such assignment shall be reflected in any note or other evidence of indebtedness executed by the purchaser and in any mortgage or deed of trust securing the payment of such indebtedness. Pursuant to the required assignment, the note or other evidence of indebtedness shall require the purchaser to make all payments in satisfaction of the indebtedness directly to the said State Grange having jurisdiction.

(H) The State Grange shall hold the net proceeds of the sale as provided for in Section (G) above for the selling Subordinate or Pomona Grange for the following purposes:

- (1) Financing the purchase of real property for use as a Grange Hall;
- (2) Financing the purchase of real property on which to construct a Grange Hall;
- (3) Financing the construction of a Grange Hall; or

such Trust shall be the property of the selling Subordinate or Pomona Grange, provided, however, that the said State Grange in its sole discretion may be paid up to ten percent (10%) of such earned income as a trustee's fee for administering the Trust. In the event that the selling Subordinate or Pomona Grange surrenders its charter or otherwise becomes inactive, the provisions of Section 4.12.1 of these By-Laws shall be applicable.

Such notice shall contain a summary of the reasons for the proposed encumbrance and including, if available, an appraisal of the value and a report as to the current use and condition of the said real estate.

(B) Any resolution adopted by a Subordinate or Pomona Grange for the encumbrance of real property is inoperative unless consented to by the Master and Executive Committee of the State Grange having jurisdiction over the said Subordinate or Pomona Grange. Such consent shall be given only if the proceeds from such encumbrance are to be used for the benefit of present and future members of the said Subordinate and Pomona Granges as a fraternal group for Grange purposes. Such uses may include the repair, expansion or improvements of an existing Grange Hall or other Grange real property and the acquisition of fixtures, furniture, equipment or other furnishings for such Grange real property or for use in accordance with the general purposes of the Order.

(C) If the Master and Executive Committee of the State Grange consent to the encumbrance, then in that event the procedures for notice, resolution, meeting and vote contained in Sections 4.11.1 (B) through (F) of these By-Laws shall be applicable except that such procedures shall be applicable to an encumbrance of

real property rather than sale of real property.

4.11.3 Transfer of Real Property by Subordinate or Pomona Granges - No Subordinate or Pomona Grange may transfer title to any real property owned by said Subordinate or Pomona Granges, other than by sale provided for in Section 4.11.1 of these By-Laws (except Subordinate Granges which consolidate pursuant to Article IV of these By-Laws) except upon the following conditions:

Such consent shall be granted only if the transfer is in furtherance of the general purposes of the Order. Such purposes could include, but not be limited to, the exchange of real property for other real property more suitable for the location of a Grange Hall or other Grange activities.

(C) If the Master and Executive Committee of the State Grange consent to the transfer, then in that event the procedures for notice, resolution, meeting and vote contained in Sections 4.11.1 (B) through (F) of these By-Laws shall be applicable except that such procedures shall be applicable to transfer of real property rather than sale of real property.

4.11.4 Power of the National Grange When No State Grange Has Jurisdiction - It is specifically provided that when the sale, encumbrance or transfer provisions included in Article XI of these By-

Laws are invoked in States for which the records of the National Grange show there is no State Grange having jurisdiction over the selling, encumbering or transferring Subordinate or Pomona Granges, then in that event, the National Grange is delegated the powers of the State Grange contained in Sections 4.11.1, 4.11.2, and 4.11.3 of these By-Laws.

4.11.5 Sale, Encumbrance or Transfer of Real Property by a State Grange or the National Grange - When a State Grange or the National Grange shall sell, encumber, or in any way transfer title to real property owned by such Grange, the proceeds from such sale, encumbrance, or transfer shall be retained by such Grange for use in accordance with the general purposes of the Order.

The former trust property so accruing to the State Grange shall be used in accordance with the general purposes of the Order.

(C) It is specifically provided that when the surrender or revocation provisions included in Section 4.12.1 of these By-Laws are invoked in States in which the records of the National Grange show there is no State Grange having jurisdiction over the surrendering or revoked Granges then, in that event, the National Grange is delegated the powers of the State Grange in Section 4.12.1 of these By-Laws.

Any income which shall accrue from the trust property shall be paid to the National Grange in lieu of a fee for acting as trustee.

(B) If the Inactive State Grange is reorganized within a period of seven years or such additional period of time as the Master of the National Grange may determine, then all trust property shall revert to the reorganized Grange, and the trust shall terminate. However, if the Inactive Grange is not reorganized within such period of time the trust shall terminate and all former trust property shall become the property of the National Grange with both legal title and all beneficial interests therein accruing to the National Grange. Ample opportunity must be given for the delegates to cast a secret ballot. The delegates must be informed:

(A) That the preferential ballot is not the final ballot;

(B) That the final ballot is cast by the delegates to the State Grange; and

(C) The preferential vote does not limit their right to vote for whomsoever they desire. If printed ballots are used, ample space must be provided for writing in the names of other candidates in such manner that there can be no doubt as to the choice of the delegate.

8.3.2 State Granges may provide in their By-Laws for advisory primary nominations for all or part of their state officers, provided that the final method of election be clearly in accordance with the By-Laws and Grange Laws as adopted by the National Grange.

9.5.3 Foreign Granges, lawfully established, are fraternally invited to send accredited representatives to the Annual Meeting of the National Grange, or appoint suitable members, United State residents, to bear from such foreign Granges tokens of goodwill and amity, and to maintain fraternal relations as will cement us in the bonds of friendship, and to perpetuate our motto, "In essentials unity, in non-essentials liberty, and in all things charity."

Chapter 10
CODE OF ALL GRANGES

POLICY

10.1.1 The National Grange of the Order of Patrons of Husbandry of the United States desires to maintain the most cordial relations of fraternity and goodwill with all members wheresoever located, but all business relations belong to the individual membership of these organizations, and their action will be governed by such rules and regulations as their interests will dictate, provided they are in compliance with the Constitution, By-Laws and Laws of the National Grange.

10.1.2 Members of the various Granges of the divisions of the Order have the same right to accept positions in government as other persons, but it is contrary to Grange policy for Granges to endorse candidates for such office.

10.1.3 The word "political" in Grange Law means partisan politics, and does not include or refer to general questions of political philosophy.

10.1.4 No Grange of the various divisions of the Order shall use or allow to be used any name, insignia or mark of the Order in a manner which could indicate support, approval or opposition of any candidate for political office or any partisan political position.

10.1.5 Officers of all Granges of the various divisions of the Order shall avoid the appearance of using their positions in the Order in any manner to influence the opinions of others on questions at issue between political parties or on candidates for political office.

VOTING

10.2.1 All voting, except by ballot or when the ayes and nays or a division of the Grange is called for, shall be by the voting sign of the Order. At the termination of discussion, the Master shall say, "All in favor will manifest it by the voting sign of the Order." He will then count and note the number. He will then

say, "All opposed will manifest it by the voting sign of the Order.", and count as before, and announce the result. Every member present should vote.

10.2.2 The voting sign is precise, and the Master shall always require it to be given accurately.

10.2.3 In voting by ballot, any ballots found to be blank shall not be counted. If the word "blank" is written thereon, they shall be counted in determining the total number of votes cast, and the number necessary to determine a choice.

10.2.4 Each Member or Delegate shall have one vote on each question or matter. All questions and business at every meeting of a Grange, Executive Committee or Special or Standing Committee at which a quorum is present, shall be determined by a majority vote of Members or Delegates present and voting at such meetings unless a different vote on any specific matter is required by State or Federal Law; or the Constitution of the Order, the Articles of Incorporation, By-Laws and Grange Laws as adopted by the National Grange or By-Laws and Grange Laws of the various Granges of the divisions of the Order.

GRANGE MEETINGS

10.3.1 A Junior, Subordinate, or Pomona Grange, with the permission of the Master of the State Grange having jurisdiction, may hold meetings in a state other than the state in which said Grange is chartered.

10.3.2 A State Grange, with the permission of the Master of the State Grange having jurisdiction, may hold meetings in a state other than the state in which said State Grange operates under a Charter.

10.3.3 At regular meetings of the various Granges of the divisions of the Order, the order of business as prescribed by the Manual shall be followed; but at special meetings, no business shall be transacted except as included in the call for such meetings.

10.3.4 Precisely at the hour appointed for meetings, the Master shall assume the chair and call the Grange to order, if a quorum be present, the Master shall proceed to open the Grange in due form. If a quorum is not present, the Master shall vacate the chair and await a specified time for the assembling members. If a quorum fails to appear, the Master shall not open the Grange.

10.3.5 The Master must at all times preserve proper decorum and quiet in the Grange, and never allow interruptions of the proceedings by unnecessary private conversation, too much moving about, personalities, or exhibitions, of temper in debate, or undignified behavior at any time by members.

10.3.6 The Master shall stand at all times when addressing a meeting of a Grange.

10.3.7 In the proceedings of the Grange the Master shall conform exactly to the "Order of Business," as published in the Manual, provided that any item of the order of business may be taken up out of its regular order by vote of the Grange, and in the same manner the Grange may return to any item after having passed beyond it.

10.3.8 In the absence of the Master, the vacancy shall be filled by the next ranking officer, who shall be vested with all the authority of the Master while presiding. The courtesy of the chair may, at any time, be extended to a Past Master or visiting Master, or the Master may call upon any member to preside. Such presiding officer, occupying the chair through courtesy, shall not communicate the Annual Word. The decisions of such presiding officer shall be subject to change by the Master, and he shall surrender the chair at any time at the request of the Master.

10.3.9 When objection is made to the minutes or to any proposed correction of them, it is necessary that a motion be made to approve or correct. This motion stands before the Grange like any other motion subject to amendments, etc.

ELECTIONS

10.4.1 Nominating speeches shall not be allowed in any of the Granges in the various divisions of the Order (Junior, Subordinate, Pomona, State or National) at the time of the election of officers; but in the election of officers, a member may present the name of another member as a candidate for a Grange office provided this rule has been adopted by the Grange having jurisdiction. A motion to close nominations is never in order and members may vote for a member whether the member's name has been placed in nomination or not.

10.4.2 The election of officers by ballot is final and cannot be reconsidered. If a member believes that an error or irregularity in election has occurred, such member shall make protest to the Master of said Grange before the end of the meeting and before the results of the election have been announced to the public. If, in the judgment of the Master, sufficient grounds are presented to warrant retaking the ballot, the Master shall so order. If, in the opinion of the Master, no such grounds exist, the Master shall reject the protest. In that event the member filing the protest may give notice of appeal to the State Grange Master, whereupon the officers concerned shall be considered as elected subject to appeal, and their election shall not be publicly announced until after the appeal has been determined by the State Grange Master. Upon reviewing the controversy, said Master may confirm the election or order the ballot to be retaken. If such a protest occurs during a State Grange election, the appeal of the Master's decision is to the Master of the National Grange.

10.4.3 All members in good standing are eligible to hold office in the Grange to which they belong.

10.4.4 The preferring of charges against a member does not affect such member's eligibility to office, as a different rule would place it in the power of any member to disqualify an opposing candidate just on the eve of an election, and thus defeat the choice of the majority of the Grange.

10.4.5 Installation in regular form by a proper of-

ficer does not correct the ineligibility of a member elected to office.

10.4.6 All officers of a Pomona, State or the National Grange must be members in good standing in a Subordinate Grange, or must hold an unexpired demit there from. Any Fourth Degree member may be elected to office in a Grange of a higher degree but shall not be installed until such member shall have received the higher degree.

10.4.7 All officers of a Grange must be installed before assuming the position and duties of the office.

10.5.2 The right to make rulings as to parliamentary law is vested solely in the Masters of the various Granges of the divisions of the Order. Provided, however, that such rulings shall conform to the Parliamentary Code as adopted by the National Grange.

all vacant officer's stations by appointment.

10.7.2 The Master of a Subordinate Grange shall communicate the current Annual Word to any Fourth Degree member in good standing who presents a traveling card, and proves by signature to be the lawful holder of the traveling card.

10.7.3 On occasions when the degrees are given to a number of candidates from different Subordinate Granges, such as, Degree Days and the exemplification of the Fifth Degree, the Annual Word may be given to all candidates at the proper time by the host Grange Master or a State Grange Deputy in attendance.

10.7.4 The use of a valid membership card in lieu of the annual word shall be accepted for admission to any Grange meeting working in the 4th degree.

DUTIES OF SECRETARY

10.8.1 The Secretary of each Grange is the custodian of the seal which is to be used only to authenticate the action of a Grange or its Officers and should never be used unless accompanied by the signature of the Secretary. All Granges except Junior Granges of the various divisions of the Order shall obtain a seal. This seal may be used in conjunction with the signature of the Master of the National Grange or a State Grange.

10.11.2 A State Grange may allow the use of alcoholic beverages at Grange sponsored activities by adoption of a policy in the State Grange By-Laws. The individual Grange shall obtain host liquor or liquor liability coverage if it sponsors any events where alcohol will be served.

10.11.3 All Granges may have sealed containers of alcoholic beverages at Grange meetings and activities for use as demonstration aids, gifts, or fundraisers. Such containers shall remain sealed at such Grange meeting or activity.

10.11.4 A State Grange may allow the use of alcoholic beverages at functions sponsored by non-Grange groups that rent or lease Grange property by adoption of a policy in the State Grange By-Laws. Such renters shall provide proof of host liquor or liquor liability coverage.

**RULES AND REGULATIONS
FOR GRANGE TRIALS**

12.2.0 Preamble- Recognizing that members of the Grange are subject to human feelings and that disputes do arise, it is earnestly hoped that the spirit of fraternity will cause each member contemplating filing a complaint to use every effort to resolve differences before exercising the rights set forth in this Trial Code. The good works that the Grange traditionally does should not be impeded by frivolous complaints to settle a personal affront. Let each member be large enough in spirit and integrity to obviate the use of this Trial Code.

12.2.1 Any member of the various Granges of the divisions of the Order may file a Complaint against any other member of any Grange for violation(s) of the Manuals of the Degrees of the Order, the By-Laws and laws of the National Grange and the By-Laws of the other Granges of the divisions of the Order.

Chapter 12: Code of Judicial Law

A complaint must be filed no later than three years after the date of the alleged violation.

12.2.2 The Complaint shall be stated in concise language, identifying by specific reference to the corresponding number or letter designation of the Chapter, Section, and or Paragraph allegedly violated. The Complaint shall also contain a statement of facts relating to each charge made. In administering the Complaint, the member bringing the charge shall be called Complainant and the member against whom the charge is brought shall be called Respondent.

12.2.3 The Master of the level where the complaint is filed shall have the authority to offer mediation to the complainant and respondent or make a ruling on the laws of the Order to remedy the complaint. If either the complainant or respondents finds that mediation or ruling by the Master fails to solve the issue, the provisions as set forth in sections 12.2.16 through 12.2.33 will be placed into effect.

If the issues cannot be resolved and the Arbitration Panel by majority vote determines that a charge should be heard by a Trial Court, then the

At the termination of discussion the Master will call for the vote as follows: "All in favor of adopting the report of the committee will manifest it by the voting sign of the Order," etc.

13.1.2 If there is a minority report of the committee, it shall be read before the majority report is acted upon. In order to bring the minority report properly before the Grange, a motion must be made to substitute the minority report for the majority report. If the motion prevails, the minority report become the report of the committee and is then acted upon. If the motion to substitute is lost, the majority report will then be considered.

13.1.3 The report of any committee may be altered or amended, adopted or rejected, as determined by a majority of the Grange. 13.4.1 A member, while speaking shall refer to the person to whom he/she makes allusions as Brother (or Sister); the Brother (or Sister) on my right or left; or the Brother (or Sister) from (mentioning the state, or county or Subordinate Grange).

13.4.4 All offensive language, personal allusions, or discourteous conduct must be scrupulously avoided, and any member using exceptional words in debate must be at once called to order, and not permitted to proceed without consent of the Grange.

PRIVILEGED QUESTIONS

13.5.1 While a subject is under consideration, certain motions may be submitted and claim precedence for decision, though themselves not all debatable. These are called privileged questions and are as follows, having precedence in the order in which they are arranged:

- A. Motion to take recess
- B. Raise question of privilege
- C. Call for orders of the day
- D. Motion to lay on the table
- E. Motion for previous question
- F. Motion to postpone to a day certain
- G. Motion to commit
- H. Motion to amend
- I. Motion to postpone indefinitely

13.5.2 A parliamentary inquiry, if pertinent to the pending business, is always in order.

TO ADJOURN

13.6.1 A motion to adjourn is never in order in the Grange. An order of business is prescribed, and when completed, or earlier if necessary, the Worthy Master proceeds to close in due form.

TAKE RECESS

13.7.1 A motion to take recess is privileged if the recess is to take effect immediately, and can be amended only as to length of time of recess. A motion to take a recess at a future time is not privileged by a main motion. If privileged, a two-thirds vote is required; otherwise a majority vote decides.

13.7.2 A Grange is at recess when the program, or order of business, or vote of the Grange provides for an intermission of less than 24 hours, with a definite time to reconvene. A Grange cannot vote to take a recess that will carry the session into the following day. No business can be transacted while a Grange is in recess.

13.7.3 The Master of a Grange may declare the Grange at ease when it becomes desirable to temporarily suspend regular Grange meeting procedure, to admit non-members, to await the report of a Committee, or for any purpose when it is deemed advisable to continue the Grange session. The salutation and voting sign of the Order shall not be used when a Grange is at ease. All officers remain at their stations of duty, unless otherwise directed by the Master.

QUESTION OF PRIVILEGE

13.8.1 A member raising a question of privilege need not wait to be recognized, but upon receiving the Master's attention will say, "Worthy Master, I rise on a question of privilege affecting the Grange." or "I rise on a question of personal privilege." The Master directs him/her to state the question and then decides whether it is one of privilege or not. Two members may appeal this decision. The Master may decide that the question is one of privilege, but not of sufficient importance to interrupt the speaker.

In that event, the Master will assign the floor to the member raising the question immediately upon the conclusion of the speaker.

ORDERS OF THE DAY

13.9.1 A call for the orders of the day requires no second and is a demand that the Grange turn to the consideration of any special orders as outlined in this Code.

LAY ON THE TABLE

13.10.1 A motion to lay on the table may be made to temporarily postpone a pending question— that is to lay on the table until some other question is disposed of— after which the subject may be taken from the table again.

13.10.2 If a motion to lay on the table is decided in the affirmative, the main question, with all the motions pertaining thereto, is removed from before the Grange. To lay an amendment upon the table carries with it the question proposed to be amended. A majority vote decides.

THE PREVIOUS QUESTION

13.11.1 A motion for the previous question shall be put as follows: The Master shall say, “The previous question is called for. As many as favor ordering the previous question will manifest by the voting sign of the Order.” A two-thirds vote is required for its adoption, and, if decided in the affirmative, the vote shall first be taken upon the question under immediate discussion, and then on the main question; if decided in the negative, the main question and pending amendments remain for discussion and action.

13.11.2 No debate should ever be allowed upon the previous Question after it is properly demanded.

POSTPONEMENT TO A DAY CERTAIN

13.12.1 When any subject is postponed to a day certain, it is called the special order for that day. There may be two or more special orders for the same day.

13.12.2 If no hour is fixed, then subjects in the order named take precedence of all other business for every part of that day until disposed of. If an hour is fixed for each subject on the appointed day, each becomes a special order for its hour.

13.12.3 When a special order is called for, the regular business is postponed until the special order is disposed of.

TO COMMIT

13.13.1 A motion to commit may be amended by substituting a new committee; by increasing or reducing the number of members of the committee; or it may be accompanied by instructions to the committee to introduce some particular amendment. If this latter motion be carried in the affirmative, the main question and everything pertaining thereto is placed in the hands of the committee, who will report according to the direction given. In all other cases, the committee may make such report as it judges best.

AMENDMENTS

13.14.1 Amendments must be decided before the questions from which they arise, and may be proposed in three ways:

(A) By inserting or adding a word, phrase, sentence, or section;

(B) By striking out some particular word, phrase, sentence, or section, and

(C) By striking out some particular part and inserting in its place some other word, phrase, sentence, or section.

Chapter 13: Code of Parliamentary Law

13.14.2 An amendment once adopted cannot be further amended, except by reconsideration. But it is in order to propose an amendment to an amendment while the first amendment is under consideration. A motion to amend an amendment to an amendment is not in order.

13.14.3 An amendment assumes the form of a substitute when it becomes a new proposition, though relating to the subject under consideration. A substitute may be submitted while an amendment is pending, but cannot be voted on until the original matter is perfected by amendment.

INDEFINITE POSTPONEMENT

13.15.1 A motion to indefinitely postpone cannot be amended. Its passage suppresses a question without coming to a direct vote thereon in a way that it cannot be renewed during the same session of the Grange without reconsideration.

SUSPENSION OF RULES

13.16.1 A Grange may suspend any rules adopted to govern its procedure by a two-thirds vote provided that such suspension does not conflict with its Constitution or By-Laws, or those of the State or National Grange, and provided that such rule is not designed to protect absentees or minorities. A motion to elect by acclamation, or to instruct the Secretary to cast the ballot is not in order because it suspends the rule protecting the minority of one from exposing his/her vote.

DIVISION OF THE GRANGE

13.17.1 Whenever a member doubts the correctness of the decision of the Master upon any question, the member may call for a division.

13.17.2 The result of the vote in this case will be arrived at by those voting in the affirmative rising and standing until they shall be counted by the Assistant

Steward and Lady Assistant Steward as tellers, then resuming their seats, then those voting in the negative will rise to be counted. The tellers will report each count to the Master, who will announce the results.

YEAS AND NAYS

13.18.1 State Granges and the National Grange are delegate bodies. In such bodies, a call for the "Yeas and Nays" is permissible. Should a member call for the "yeas and nays," the Master will say: "There is a call for the yeas and nays; those in favor of the call will rise." If five members rise, he/she will say: "The yeas and nays are ordered." He/she will then state the question and say: "Those voting in the affirmative will say 'yes' when their names are called, and those of a contrary opinion 'no' when their names are called; the Secretary will call the roll." The roll having been called, the Secretary reads aloud the names of those voting in the affirmative and then those voting in the negative, that corrections may be made, then adds up the members on either side and hands the result to the Master, who announces it to the Grange.

THE QUESTION

13.19.1 Any subject submitted by any member for the consideration of the Grange is called a motion or resolution, and when it is stated by the Master, it is called the question.

13.19.2 Whenever deliberation upon any question appears to be closed, the Master shall rise and say, "Is the Grange ready for the question?" Unless interrupted, he/she will then proceed to state the question and take the vote upon it.

13.19.3 Whenever the Master can reasonably suppose there will be no objection to his/her decision. He/she may economize time and dispatch business by dispensing with a formal vote, and saying, "If no objection be offered, the report will be received." "The petition will be granted," "The Secretary will read the paper," "The member has leave to withdraw the motion," etc.

DIVISION OF THE QUESTION

13.20.1 Any member may call for a division of the question when it contains two or more distinct points.

QUESTION OF ORDER

13.21.1 When a question of order arises, it suspends the proceedings and should be decided without debate, after which the proceedings are resumed at the point of suspension.

13.21.2 Such questions are decided by the Master; if, however, the decision is not satisfactory, any member may object to it, and have the question decided by the Grange. This is called appealing from the decision of the Chair, and is placed in the possession of the Grange by the following words, from the Master; "Shall the decision of the Chair stand as the decision of the Grange?" This question is debatable, and may be participated in by the Master.

RECONSIDERATION

13.22.1 When any question has been decided, either affirmatively or negatively, it is permitted for any member who voted with the majority to move a reconsideration at the same meeting. A majority decides. It is debatable only if the question to be reconsidered is debatable. If, however, the subject upon which the vote was taken shall have been announced by authority and gone out of possession of the Grange, a motion to reconsider will not be in order.

RESCINDING AND EXPUNGING

13.23.1 Any action taken by the Grange, except those noted further on in this section, may be rescinded by a majority vote, provided notice has been given at a previous meeting (or in the call if a special meeting), or it may be rescinded without notice by a two-thirds vote, or by a vote of the majority of the entire membership. To rescind is a main motion without any privilege. It cannot be made

if a motion to reconsider is in order. The motion to rescind may be applied to the vote on all motions except that: votes cannot be rescinded after something has been done as a result of that vote that the Grange cannot undo; or when it is in the nature of a contract agreed to by another party; or when it has otherwise passed out of possession of the Grange. The Grange may expunge from the record any action which has been rescinded. This is done by crossing out the expunged portion and noting, "Expunged by order of the Grange" - to be dated and signed by the Secretary. The words must be left legible, otherwise it would be impossible to determine if more was expunged than ordered.

COMMITTEE OF THE WHOLE

13.24.1 In deliberative assemblies, matters of vital moment are usually referred to as a committee of the whole house.

13.24.2 Such a procedure is not applicable to a Grange, and must never be resorted to. No question can arise in a Grange that the Grange may not fully discuss in its organized capacity; and should the Master be required to vacate his/her chair, a successor is already appointed by the ritual.
